Nothing
in
this
document
shall
be
considered
as
an
offer

to
sell
or
solicitation
of
an
offer
to
buy
any
security,
commodity

or
other instrument, including securities issued by Nomura or any affiliate thereof. Offers to sell, sales, solicitations to buy, or purchases of any securities issued by Nomura or any affiliate thereof may only be made or entered into pursuant to appropriate offering materials or a prospectus prepared and distributed according to the laws, regulations, rules and market practices

of
the
jurisdictions
in

which
such
offers
or

The information and opinions contained in this document have been obtained from sources believed to be reliable, but no representations or warranty, express or implied, are made that such information is accurate or complete and no responsibility or liability can be accepted by Nomura for errors or omissions or for any losses arising from the use of this information.

5.

This document contains statements that may constitute, and from time to time our management may make "forward-looking statements" within the meaning of the safe harbor provisions of The Private Securities Litigation Reform Act of 1995. Any such statements

must
be
read
in
the
context
of
the
offering
materials

pursuant
to
which
any
securities
may
be
offered
or
sold
in
the

United States. These forward-looking statements are not historical facts but instead represent only our belief regarding future events, many of which, by their nature, are inherently uncertain and outside our control.

Important factors that could cause

actual results to differ from those in specific forward-looking statements include, without limitation, economic and market conditions, political events and investor sentiments, liquidity of secondary markets, level and volatility of interest rates, currency exchange rates, security valuations, competitive conditions and size, and the number and timing of transactions.

6.
The consolidated financial information in this document is unaudited.
