Annual Meeting of Stockholders

To Be Held on September 17, 2007

GENERAL INFORMATION

This proxy statement is being furnished in connection with the solicitation of proxies by the Board of Directors of The Stephan Co. (the Company), a Florida corporation, for use at its Annual Meeting of Stockholders to be held on September 17, 2007 and at any adjournment(s) thereof (the Meeting), for the purposes set forth herein. The Meeting is to be held at the Courtyard Marriott Hotel, 2440 W. Cypress Creek Rd., Ft. Lauderdale, FL 33309 at 10:00 A.M., local time.

The principal executive offices of the Company are located at 1850 West McNab Road, Fort Lauderdale, Florida 33309 (telephone no. (954) 971-0600). The enclosed proxy card and this proxy statement are being first sent to stockholders of the Company on or about August 22, 2007. You should review this information in conjunction with our Annual Report on Forms 10-K and Form 10-K/A which accompanies this proxy statement.

Quorum; Required Votes; Solicitation and Revocation

Proxies in the form enclosed are being solicited by, and on behalf of, the Company's Board of Directors. The persons named in the accompanying proxy card have been designated as proxies by the Board of Directors. If a quorum, consisting of the presence (in person or by proxy) of holders of a majority of the outstanding shares of common stock, \$.01 par value, of the Company (the Common Stock), exists at the Meeting, a plurality vote of the shares of Common Stock cast at the meeting shall (i) elect one (1) Class I director and two (2) Class II directors; (ii) reclassify one (1) Class III member of the Company's Board of Directors as a Class I member; (iii) ratify the appointment of Company's independent public accounting firm, Goldstein Lewin & Co.; and (iv) approve, subject to Florida Law, any other matters that may properly come before the Meeting. With regard to the election of the Class I and Class II directors, votes may be cast in favor of, or withheld from, any or all nominees. Votes that are withheld with respect to these matters will be excluded entirely from, and will have no effect on the outcome of, the vote.

If less than a quorum is represented at the meeting, a vote of a majority of the shares present at the meeting may adjourn the meeting to another date, time or place, and notice need not be given of the new date, time or place if the new date, time or place is announced at the meeting before an adjournment is taken.

If you hold your shares in street name through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such broker non-votes will, however, be counted in determining whether there is a quorum.

Shares represented by properly executed proxies received by the Company will be voted at the Meeting in the manner specified thereon or, if no specification is so made, will be voted FOR the election of the one (1) Class I nominee and two (2) Class II nominees for director named herein and FOR the reclassification of one (1) Class III member of the Company's Board of Directors as a Class I member. Proxies solicited by the Board of Directors will be voted for the election of the one (1) Class I nominee and two (2) Class II nominees named herein and to reclassify one (1) Class III member of the Company's Board of Directors as a Class I member, each to serve until the expiration of their terms, or until their successors have been duly elected and qualified. Abstentions and broker shares that are voted on any matter will be included in determining the existence of a quorum. Neither abstentions nor non-voted broker shares will have any effect on the election of nominees for director.

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our board of directors. The recommendation of the board of directors is set forth with the description of each proposal in this proxy statement. In summary, the board of directors recommends a vote FOR the election of the nominated slate of directors and to reclassify one (1) Class III member of the Company's Board of Directors as a Class I member. In the event that any other matters are properly presented for action at the Meeting, the persons named in the enclosed proxy will vote the proxies (which confer authority upon them to vote on any such matters) in accordance with the recommendations of our Board of Directors. Any proxy given pursuant to this solicitation may be revoked by the record stockholder at any time before it is exercised by written notification delivered to the Secretary of the Company, by voting in person at the Meeting, or by duly executing and delivering another proxy bearing a later date. Attendance by a stockholder at the Meeting does not alone serve to revoke his or her proxy.

The solicitation of proxies will be made primarily by mail but, in addition, may be made by directors, officers and employees of the Company personally or by telephone or telegraph, without extra compensation therefore. Brokers, nominees and fiduciaries will be reimbursed for their out-of-pocket and clerical expenses in transmitting proxies and any related material to beneficial owners. The costs of soliciting proxies will be borne by the Company. It is estimated that these costs will be nominal.

The Company's Annual Report on Forms 10-K and Form 10-K/A for the fiscal year ended December 31, 2006, which contains audited financial statements, is being mailed with this proxy statement to all stockholders of record as of the close of business on August 13, 2007. Additional copies of the Annual Report will be provided, free of charge, upon written request to the Company, at 1850 West McNab Road, Fort Lauderdale, Florida 33309, Attn.: Secretary.

GOVERNANCE OF THE COMPANY

The following does not constitute soliciting material and should not be deemed filed or incorporated by reference in any other filing by us under the Securities Act of 1933 or the Securities Exchange Act of 1934.

Board of Directors, Corporate Governance

Our business and affairs are managed under the direction of our board of directors, except with respect to those matters reserved for our stockholders. Our board of directors establishes our overall corporate policies, reviews the performance of our senior management in executing our business strategy and managing our day-to-day operations, acts as an advisor to our senior management and reviews our long-term strategic plans. Our board's mission is to further the long-term interests of our stockholders. Members of the board of directors are kept informed of our business through discussions with our management, primarily at meetings of the board of directors and its committees, and through reports and analyses presented to them. The board and each of its committees also have the authority to retain, at the Company's expense, outside counsel, consultants or other advisors in the performance of their duties.

The Chairman of the Board of Directors is Frank F. Ferola. Mr. Ferola organizes the work of the board and ensures that the board has access to sufficient information to enable them to carry out their functions, including monitoring the Company's performance and the performance of its management.

The Board of Directors met five (5) times during 2006. During 2006, Directors Curt Carlson, Shouky Shaheen and Elliot Ross attended fewer than 75% of the total number of meetings of the Board. No director attended fewer than 75% of the total number of meetings of the committee(s) of the Board on which he served.

Code of Ethics

The Company has adopted a Code of Ethics that applies to all officers, employees and directors. This Code requires continued observance of high ethical standards such as honesty, integrity and compliance with the law in the conduct of the Company's business. The Code is posted on the Company's website: www.thestephanco.com.

Communications with the Directors

Stockholders may communicate directly with our board of directors as a whole or individually by writing to: The Stephan Co., 1850 W. McNab Rd., Ft. Lauderdale, FL 33309, Attention: Secretary. Our corporate secretary reviews all correspondence to our directors and forwards to the board a summary and/or copies of any such correspondence that, in the opinion of the secretary, deals with the functions of the board or committees thereof or that he otherwise determines requires their attention.

PROPOSAL I: ELECTION OF DIRECTORS

Directors are elected on a staggered basis, with each class generally standing for election for a three-year term. As a result of the Company's failure to hold an annual meeting of stockholders for an extended period of time, Class I, Class II and Class III directors were all elected at an annual meeting of shareholders held on September 29, 2005. The Class I director elected at that meeting, William M. Gross, had a term that expired in 2006; the Class II directors elected at that meeting, Shouky A. Shaheen, Curtis Carlson, Elliot Ross and David Pawl (Mr. Pawl subsequently resigned), have terms that expire in 2007; and the Class III directors elected at that meeting, Frank F. Ferola and Richard Barone, have terms that expire in 2008.

The Company's By-Laws provide that the number of directors shall be set from time to time by resolution of the Board of Directors and must be a minimum of one. The Board of Directors has set the size of the Board at six members. However, the Company's By-Laws also provide that the directors in each class shall be as nearly equal in number as possible. To achieve this result, it is proposed that one of the Class II Directors, Shouky A. Shaheen, stand for election as a Class I Director with a term that expires in 2009.

The nominees listed below have consented to being named in this proxy statement and to serving as directors, if elected. In the event that they become unable to or will not serve, it is intended that proxies will be voted for one (1) substitute Class I nominee and two (2) substitute Class II nominees designated by the current Board of Directors. The Company has no reason to believe that the named nominees will be unable or unwilling to stand for election.

At the Meeting (assuming a quorum exists), shares of Common Stock represented by proxies will, unless otherwise specified thereon, be voted FOR the election of the one (1) Class I and two (2) Class II nominees listed herein. Proxies may not be voted for a greater number of persons than the one (1) Class I and two (2) Class II nominees named herein. Directors will be elected by a plurality of the votes cast, in person or by proxy, by the holders of shares of Common Stock at the Meeting.

- 6 -

PROPOSAL II: RECLASSIFY CLASS III DIRECTOR AS CLASS I DIRECTOR

As stated above under PROPOSAL I, the Class I director elected at the 2005 Annual Meeting, William M. Gross, had a term that expired in 2006. However, due to a scrivener's error in the 2006 Notice of Annual Meeting of Stockholders, Mr. Gross was erroneously nominated and subsequently elected as a Class III Director at the 2006 Annual Meeting. To correct this typographical oversight and to comply with the Company's By-Laws, which provide that the directors in each class shall be as nearly equal in number as possible, it is proposed that the Stockholders reclassify Mr. Gross as a Class I Director with a term that expires in 2009.

The Board Of Directors Unanimously Recommends A Vote For Reclassifying One (1) Class III Member Of The Company's Board Of Directors As A Class I Member.

The Board has established three standing committees: (1) an Audit Committee (2) a Compensation Committee and (3) a Nominating Committee. The next table shows current members, chairman and functions of each committee:

Nomination of Directors

The Company's Nominating Committee Charter governs the Nominating Committee. The Charter is on the Company's website: www.thestephanco.com. The Charter sets forth the policies regarding the minimum standards and the processes used to identify board candidates. During 2006, the members of the Nominating Committee were Elliot Ross and Richard Barone. The Committee is responsible for: (1) establishing procedures for the selection of members of the Board of Directors, (2) evaluating current Board members and nominees and (3) recommending new nominees.

In evaluating candidates for nomination to the Board of Directors, the Nominating Committee takes into account the applicable requirements under the AMEX rules. The Nominating Committee may also consider such other factors and criteria as they deem appropriate, including a

Edgar Filing: STEPHAN CO - Form DEF 14A

candidate's judgment, skill, integrity, diversity, and business or other experience. The Nominating Committee may (but is not required to) consider candidates suggested by management or other members of the Board of Directors.

- 7 -

Generally, the Nominating Committee considers candidates who have experience as a board member or senior officer of a company or who are recognized in a relevant field as a well-regarded practitioner, faculty member or senior government officer. The Nominating Committee will also evaluate whether the candidates' skills and experience complement the existing Board of Directors' skills and experience and/or meet a need for operational, management, financial, international, technological or other expertise. Stockholders may nominate directors, provided such nominations comply with timing and information requirements set forth in our bylaws.

Audit Committee Report

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference in any other filing by us under the Securities Act of 1933 or the Securities Exchange Act of 1934.

The Audit Committee, which held five (5) meetings during 2006, reviews the internal and external audit functions of the Company and makes recommendations to the Board of Directors with respect thereto. It also has primary responsibility for the formulation and development of the auditing policies and procedures of the Company, and for selecting the Company's independent auditing firm. The Audit Committee is governed by the Company's Audit Committee Charter. The Board of Directors of the Company has determined that the current composition of the Audit Committee satisfies the American Stock Exchange's requirements regarding the independence, financial literacy and experience. The Chairman and financial expert of the Audit Committee is Richard Barone. The other member of the Audit Committee is Elliot Ross.

Management is responsible for the Company's internal controls and the financial reporting process. Goldstein Lewin & Co, the Company's independent auditor, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards. The Audit Committee's responsibility is to monitor and oversee these processes.

The Audit Committee received from Goldstein Lewin & Co. the written disclosures and the letter required by Independent Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with Goldstein Lewin & Co. the issue of its independence from the Company. A representative of Goldstein Lewin & Co. will be present at the Meeting. The representative will have the opportunity to make a statement and answer questions if he/she desires to do so.

The Audit Committee reviewed and discussed the audited financial statements with both Company management and Goldstein Lewin & Co. Specifically, the Audit Committee has discussed with Goldstein Lewin & Co. matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU Section 380). Based on the Audit Committee's review of the audited financial statements and its discussions with both management and Goldstein Lewin & Co. noted above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Forms 10-K and Form 10-K/A for the fiscal year ended December 31, 2006.

AUDIT COMMITTEE: Richard Barone (Chairman) & Elliot Ross

The Audit Committee has delegated to the Chairman of the Audit Committee the authority to approve permitted services by the independent registered public accounting firm so long as he reports decisions to the Audit Committee at its next meeting.

PROPOSAL III: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

In accordance with its charter, the Audit Committee has selected the firm of Goldstein Lewin & Co., an independent registered public accounting firm, to be the Company's auditors for the year 2007 and, with the endorsement of the Board of Directors, recommends to stockholders that they ratify that appointment. Goldstein Lewin & Co. served in this capacity for the year 2006. Its representative will be present at the Meeting and will have an opportunity to make a statement and be available to respond to appropriate questions.

The Audit Committee reviews and approves in advance the audit scope, the types of non-audit services, if any, and the estimated fees for each category for the coming year. For each category of proposed service, Goldstein Lewin & Co. is required to confirm that the provision of such services does not impair their independence. Before selecting Goldstein Lewin & Co. the Audit Committee carefully considered the firm's qualifications as an independent registered public accounting firm for the Company. This included a review of its reputation for integrity and competence in the fields of accounting and auditing. The committee has expressed its satisfaction with Goldstein Lewin & Co. in all of these respects. The Committee's review included inquiry concerning any litigation involving Goldstein Lewin & Co. and any proceedings by the Securities and Exchange Commission against the firm. In this respect, the Committee has concluded that the ability of Goldstein Lewin & Co. to perform services for the Company is not adversely affected by any such investigation or litigation.

The Board Of Directors Unanimously Recommends A Vote FOR The Ratification Of Goldstein Lewin & Co. As The Independent Registered Public Accounting Firm For The Company.

Employment and Termination Arrangements

On January 1, 1997, the Company entered into an employment agreement with Mr. Frank F. Ferola. The agreement provides for a three-year term, which may be renewed for successive terms of three years if, at least thirty days prior to the end of each term, Mr. Ferola gives notice of his election to renew. Mr. Ferola renewed the agreement at the end of 1999, 2002 and 2005, terminating December 31, 2008.

Under the agreement, Mr. Ferola receives an annual base salary which is increased annually by an amount equal to 10% of the previous year's base salary. For the year ending December 31, 2006, Mr. Ferola's contractual annual base salary would have been \$1,002,048; however, by letter dated July 6, 2005, to the Company, Mr. Ferola unilaterally reduced his salary to \$540,000 per annum, subject to 10% annual increases. (See discussion under Certain Relationships and Related Transactions.)

In addition, Mr. Ferola is entitled to receive an annual performance bonus based on an increase of at least 10% in the Company's earnings per share compared to a base year (currently, 2005) and pursuant to a formula set forth in his employment agreement. For the year ended December 31, 2006, Mr. Ferola was not due a bonus.

Further, Mr. Ferola's employment agreement provides that the Company shall grant him stock options with ten-year terms, under the 1990 Key Employee Stock Incentive Plan or under a substitute plan, on each anniversary date of the agreement of not less than 50,000 shares based on the closing price of the stock on the last business day before the anniversary date.

Moreover, in the event of a change in control (as defined in the employment agreement) of the Company, Mr. Ferola is entitled to receive an amount equal to his base salary for the remaining term of his employment agreement plus an additional

24 months salary, plus a lump-sum payment in an amount equal to the most recent annual bonus paid, multiplied by the sum of the number of years (including any fraction thereof), plus two, remaining in the term of his agreement. If a change in control were deemed to have taken place on December 31, 2006, under the terms of his contract, Mr. Ferola would have been entitled to receive a lump-sum payment of approximately \$7,800,000. In accordance with current Internal Revenue Service regulations, a significant portion of the aforementioned change in control payment would not be tax deductible.

Tyler Kiester

Mr. Kiester has an arrangement whereby the Company pays him a severance payment upon a change in control (as defined in a letter agreement dated May 19, 2003, by and between Mr. Kiester and the Company) in an amount equal to his then-current monthly base salary multiplied by twelve. If a change in control were deemed to have taken place on December 31, 2006, under the terms of his termination agreement, Mr. Kiester would have been entitled to receive a lump-sum payment of approximately \$95,000.

Potential Payments Upon Termination or Change of Control

Please refer to the above Employment and Termination Arrangements for a discussion of potential payments upon termination or change in control.

Compensation of Directors

All directors of the Company are compensated for their services by payment of \$300 for each Board meeting attended. During fiscal year 2006, options to purchase shares of Common Stock were granted by the Company to the four directors of the Company who were not employees or regularly retained consultants of the Company (each, an Outside Director) pursuant to the Company's 1990 Outside Directors' Stock Option Plan.

Under the Plan, each Outside Director is automatically granted, upon such person's election or re-election to serve as a director of the Company, an option exercisable over five years to purchase shares of Common Stock. Upon initial election to the Board of Directors, an Outside Director is granted an option to purchase 5,062 shares of Common Stock at an exercise price equal to the fair market value of the Common Stock on the date of grant. An option to purchase an additional 5,062 shares of Common Stock (at an exercise price equal to the fair market value of the Common Stock on the date of such grant) is granted to each incumbent Outside Director during each fiscal year of the Company thereafter on the earlier of (i) June 30 or (ii) the date on which the stockholders of the Company elect directors at an annual meeting of such stockholders or any adjournment thereof. The aggregate number of shares of Common Stock reserved for grant under the Outside Directors' Stock Option Plan is 202,500, of which options covering 96,178 shares are outstanding.
