Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) On November 6, 2007, the Board of Directors of Radian Group Inc. (the Company), upon the recommendation of the Compensation and Human Resources Committee of the Board of Directors, approved certain amendments to the Company's employee benefit plans and programs, including the following amendments to plans in which the Company's executive officers participate:

(1) Benefit Restoration Plan. The Company's Benefit Restoration Plan, which serves as a non-tax-qualified supplement to the Company's 401(k) plan, was amended and restated as follows:

To mandate a lump sum form of payment (rather than offering an installment election) for participants who separate from service after 2007.

To de-link Company discretionary contributions under the Benefit Restoration Plan from discretionary contributions under the 401(k) plan.

To provide the Company with the flexibility to waive the eligibility requirements for discretionary contributions under the plan to allow otherwise ineligible employees, such as those involuntarily terminated during the year, to participate in such contributions.

To conform the plan's definitions to the final regulations under Section 409A of the Internal Revenue Code.

The Company's Amended and Restated Benefit Restoration Plan is filed as Exhibit 10.1 to this report and is incorporated into this Item 5.02 as if fully set forth herein.

(2) Equity Compensation Plan. The Company's Amended and Restated Equity Compensation Plan was further amended as follows:

To clarify that the definition of retirement under the plan for purposes of the plan's vesting and post-termination exercise provisions includes both normal retirement after attaining age 65 with 5 years of service, and early retirement after attaining age 55 with 10 years of service.

For future stock option grants, to extend the post-termination exercise period for optionees who are terminated by the Company without cause from the current 90 days to one year.

(3) Employee Stock Purchase Plan. The Board of Directors took the following actions with respect to the Company's Employee Stock Purchase Plan:

The Board of Directors determined to re-start the plan, which had been suspended in anticipation of the Company's prior planned merger with MGIC Investment Corporation, by declaring two new six-month offering periods commencing on January 1 and July 1, 2008.

The Board of Directors amended the eligibility criteria of the plan to eliminate the 18-month waiting period previously imposed on new employees.

The Board of Directors also approved certain administrative amendments to the plan to allow for the maximum annual contributions by participants under the plan to be equal to the maximum amount permitted from time to time by the Internal Revenue Service.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

(a) At its meeting on November 6, 2007, the Board of Directors also approved amendments to sections 6.01 and 6.02 of the Company's By-Laws to clarify that the By-Laws permit the issuance and transfer of uncertificated shares. This amendment was made in response to recent amendments to the New York Stock Exchange (NYSE) rules, which require securities listed on the NYSE to be eligible to participate in a direct registration system (DRS) by January 1, 2008. DRS allows a stockholder to be registered directly on the books of the transfer agent without the need of a physical certificate to evidence the security ownership and allows stockholders to electronically transfer securities to broker-dealers in order to effect transactions without the risks and delays associated with transferring physical certificates. The rule does not require issuers to actually participate in a DRS or to eliminate physical stock certificates but rather requires that the listed securities are eligible for such a program.

The Board of Directors also approved an unrelated amendment to section 4.13(a) of the Company's By-Laws to remove the age qualification prohibiting the election or appointment, as a director, of any person who had reached the age of 72.5.

The Company's Amended and Restated By-laws, which became effective upon approval of the Board, are filed as Exhibit 3.2 to this report and are incorporated into this Item 5.03 as if fully set forth herein.
