**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year**

On November 19, 2007, the Board of Directors of the Registrant approved amendments to Section 8 ( Stock ) of the Registrant s Bylaws to permit the issuance and transfer of both certificated and uncertificated shares of capital stock, to comply with new rules enacted by The Nasdaq Stock Market, Inc. ( Nasdaq ). The changes also allow the Board of Directors to direct the issuance of uncertificated shares of capital stock in replacement for previously issued shares of certificated capital stock. The new Nasdaq rules require all securities listed on Nasdaq to be eligible for a direct registration program operated by a clearing agency by January 1, 2008. A direct registration program enables investors to establish, either through a company s transfer agent or through the investor s broker-dealer, a book-entry position on the books of the issuer and to electronically transfer their positions through the Depository Trust Company. It also enables investors to have securities registered in their names without having a physical certificate issued. The changes to Section 8 of the Registrant s Bylaws are intended to permit the Registrant to satisfy these new requirements.

The amended Bylaws are effective as of November 19, 2007. The summary of changes to the Bylaws set forth above is qualified in its entirety by reference to the full text of the Bylaws of the Registrant, a copy of which is attached to this report as Exhibit 3.1 and incorporated herein by reference.
