Attached is the definitive proxy statement of M.D.C. Holdings, Inc. (the Company) for the Annual Meeting of Shareowners to be held April 29, 2008 (the Proxy). The Proxy contains certain disclosures relating to the Company's intent to re-price certain outstanding employee stock options under the 2001 Equity Incentive Plan conditional on shareowner approval of the re-pricing (the Exchange Program).

The Proxy does not constitute an offer to employees holding Company stock options to exchange or otherwise tender their options. The Company intends to file timely an amendment to this Schedule TO once it commences the Exchange Program under which the subject options held by each current employee, who accepts the offer in compliance with the terms of the Exchange Program, will be deemed to have been repriced.

At the time the Exchange Program is commenced, the Company will provide employee option holders who are eligible to participate in the Exchange Program with written materials explaining the precise terms and timing of the Exchange Program. Employees who are eligible to participate in the Exchange Program should read these written materials carefully when they become available because they will contain important information about the Exchange Program. The Company also will file these written materials with the Securities and Exchange Commission (Commission) as an amendment to this Schedule TO upon the commencement of the Exchange Program. These written materials and other documents filed by the Company with the Commission will be available free of charge from the Commission's website at www.sec.gov.
