SPECIAL GENERAL MEETING OF SHAREHOLDERS

AMALGAMATION PROPOSED YOUR VOTE IS VERY IMPORTANT

Dear Peak International Limited shareholder:

You are cordially invited to attend a special general meeting of the shareholders of Peak International Limited, a company organized and incorporated under the laws of Bermuda ("Peak"), to be held on Friday, May 30, 2008 at 9:30 a.m., local time, at the offices of Heller Ehrman LLP, located at 275 Middlefield Road, Menlo Park, California 94025 (the "Special General Meeting").

At the Special General Meeting you will be asked to consider and vote upon (i) a proposal to amend the bye-laws of Peak to permit shareholders to approve an amalgamation under Sections 104-109 of The Companies Act 1981 (as amended) of Bermuda (the "Companies Act") by a majority of the shares voted at such meeting, in person or by proxy (the "amendment"), with immediate effect and (ii) a proposal to approve an amalgamation agreement (the "amalgamation agreement") providing for the amalgamation (the "amalgamation") of Peak with a wholly-owned subsidiary of S&G Company, Ltd., a company organized and incorporated under the laws of Korea ("S&G"), following which Peak will become a wholly-owned subsidiary of S&G, and the transactions and matters contemplated thereby. Upon completion of the amalgamation, each share of Peak outstanding immediately prior to the amalgamation will be cancelled in exchange for the right to receive \$2.00 in cash.

Descriptions of the amendment, the amalgamation and the amalgamation agreement and the transactions and matters contemplated thereby are set forth in the accompanying proxy statement, which you should read carefully. A copy of the amalgamation agreement is included as Annex A to the accompanying proxy statement.

On March 26, 2008, Houlihan Lokey Howard & Zukin Capital, Inc. ("Houlihan Lokey"), a financial advisor to our board of directors, rendered its opinion to our board of directors that, as of that date and based upon and subject to the factors, assumptions, qualifications and limitations set forth therein, the \$2.00 per share in cash to be received by our shareholders (other than certain excluded shareholders) in the amalgamation pursuant to the amalgamation agreement, is fair from a financial point of view to those holders. The full text of the written opinion of Houlihan Lokey is attached as Annex C to the accompanying proxy statement.

OUR BOARD OF DIRECTORS HAS UNANIMOUSLY APPROVED THE AMENDMENT, THE AMALGAMATION, THE AMALGAMATION AGREEMENT AND THE TRANSACTIONS AND MATTERS CONTEMPLATED THEREBY AND HAS DETERMINED THAT THEY ARE FAIR TO, AND IN THE BEST INTERESTS OF, PEAK AND SHAREHOLDERS (AS A GENERAL BODY). AFTER CAREFUL CONSIDERATION, YOUR BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE IN FAVOUR OF THE AMENDMENT, THE AMALGAMATION, THE AMALGAMATION AGREEMENT AND THE TRANSACTIONS AND MATTERS CONTEMPLATED THEREBY AS DESCRIBED IN THE ACCOMPANYING PROXY STATEMENT.

Shareholders representing approximately 19.9% of the shares entitled to vote at the Special General Meeting have agreed to vote in favor of the amalgamation, the amalgamation agreement and the transactions and matters contemplated thereby.

Table of Contents

If the amalgamation is completed, shareholders who do not vote in favor of the amalgamation, the amalgamation agreement, and the transactions and matters contemplated thereby and who otherwise comply with the requirements of Section 106 of the Companies Act will be entitled to exercise their statutory appraisal rights.

In the materials accompanying this letter, you will find:

- (i) a Notice of Special General Meeting;
- (ii) a proxy statement relating to the actions to be taken by shareholders at the Special General Meeting; and
- (iii) a proxy card.

The proxy statement more fully describes the proposed amalgamation and includes information about Peak and S&G.

Your vote is very important. Please complete, sign, date and return your proxy in the enclosed envelope as soon as possible and, in any event, prior to 9:30 a.m., local time in California, on Wednesday, May 28, 2008, failing which the proxy will not be valid, whether or not you plan to attend the Special General Meeting. Shareholders who attend the Special General Meeting may vote in person, even though they have previously returned their proxy.

Failure to comply strictly with the relevant procedures may result in the loss of such rights. Dissident shareholders who do not hold shares of Peak in their own name are not entitled to exercise any rights under Section 106(6) of the Companies Act directly and must make appropriate arrangements with the nominee registered in the register of members of Peak as the holder of the legal title to the dissident shares to exercise any appraisal rights. For the purposes of Section 106(2)(b)(i) of the Companies Act, the consideration of \$2.00 payable for the cancellation of each share of Peak has been determined by our board of directors to represent the fair value of each such share.

Questions and Answers About the Amalgamation

Q: When do you expect the amalgamation to be completed?

A: We are working toward completing the amalgamation as quickly as possible. In addition to obtaining shareholder approval, we must satisfy all other closing conditions. Assuming all closing conditions have been satisfied, we expect the amalgamation to be completed on June 3, 2008, or as soon thereafter as possible.

Q: What will Peak's shareholders receive in the amalgamation?

A: As a result of the amalgamation, our shareholders will receive \$2.00 per share in cash, without interest, for each share they own (the amalgamation consideration). For example, if you own 100 shares of Peak, you will receive \$200.00 in cash in exchange for your Peak shares.

Q: What do I need to do now?

A: We urge you to read this proxy statement carefully, including its annexes, and to consider how the amalgamation affects you. Then just mail your completed, dated and signed proxy card in the enclosed return envelope as soon as possible so that your shares can be voted at the Special General Meeting of our shareholders. It is important that proxies be returned promptly and, in any event, before 9:30 a.m., local time in California, on May 28, 2008, failing which the proxy will not be valid.

Q: How does Peak's board of directors recommend I vote?

A: At a meeting held on March 26, 2008, our board of directors approved the amendment, the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby, determined that it is fair to and is in Peak's and its shareholders best interests that we enter into the amalgamation agreement and consummate the amalgamation on the terms and conditions set forth in the amalgamation agreement, and recommended that our shareholders approve the amendment, the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby.

Q: May I vote in person?

A: Yes. If your shares are not held in street name through a broker, or bank, you may attend the Special General Meeting of our shareholders and vote your shares in person, rather than signing and returning your proxy card. If your shares are held in street name, you must get a proxy from your broker or bank in order to attend the Special General Meeting and vote.

Q: May I vote via the Internet or telephone?

A: If your shares are registered in your name, you may only vote by returning a signed proxy card or voting in person at the meeting. If your shares are held in street name through a broker, or bank, you may vote by completing and returning the voting form provided by your broker or bank or via the Internet or by telephone through your broker, or bank, if such a service is provided. To vote via the Internet or telephone, you should follow the instructions on the voting form provided by your broker or bank.

Q: May I change my vote after I have mailed my signed proxy card?

- A:** Yes. You may change your vote at any time before your proxy card is voted at the Special General Meeting. You can do this in one of three ways. First, you can send a written, dated notice to the Mellon Investor Services stating that you would like to revoke your proxy. Second, you can complete, date, and submit a new proxy card so that the new proxy card is received by Mellon Investor Services, Proxy Processing, P.O. Box 3862, S. Hackensack, NJ 07606-3862, prior to 9:30 a.m., local time in California, on May 28, 2008. Third, you can attend the meeting and vote in person. Your attendance alone will not revoke your proxy. If you have instructed a broker to vote your shares, you must follow directions received from your broker to change those instructions.

Q-1

Table of Contents

Q: If my broker holds my shares in street name, will my broker vote my shares for me?

A: Your broker will not be able to vote your shares without instructions from you. You should instruct your broker to vote your shares, following the procedure provided by your broker. If you sign, date and mail your proxy card without indicating how you wish to vote, your proxy will be counted as a vote in favor of approval of the amendment, the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby. If you fail to return your Peak proxy card, the effect will be that your shares will not be counted for purposes of determining whether a quorum is present at the Special General Meeting but will have no effect on the approval of the amendment, the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby with respect to obtaining the affirmative vote of the holders of a simple majority of shares of Peak (assuming the amendment is approved) as of the record date voted at the Special General Meeting.

Q: Should I send in my Peak share certificates now?

A: No. After the amalgamation is completed, you will receive written instructions for exchanging your Peak share certificates for the amalgamation consideration of \$2.00 in cash, without interest, for each share of Peak. The instructions will provide that, at your election the amalgamation consideration in exchange for the certificates may be collected, by hand delivery.

Q: Am I entitled to appraisal rights?

A: Yes. Holders of our shares are entitled to appraisal rights under the Companies Act in connection with the amalgamation if you meet certain conditions.

Q: Who can help answer my questions?

A: If you would like additional copies, without charge, of this proxy statement or if you have questions about the amalgamation, including the procedures for voting your shares, you should contact:

Tax matters can be complicated, and the tax consequences of the amalgamation to you will depend on the facts of your own situation. You should consult your own tax advisor to fully understand the tax consequences of the amalgamation to you.

Reasons For The Amalgamation (Page 24)

Our board of directors approved the amalgamation agreement and amalgamation based on a number of factors, including the following:

the board of directors' knowledge of our business, financial condition, results of operations, prospects and competitive position and its belief that the amalgamation is more favorable to our shareholders than any other alternative reasonably available to Peak and our shareholders;

the fact that certain shareholders filed Form DFAN14A calling for the replacement of all incumbent members of our board of directors (other than Russ Silvestri, who is affiliated with Skiritai Capital) and calling for a special meeting of shareholders. Certain shareholders also filed Schedules 13D/A requesting that our management and our board of directors pursue strategic alternatives including a sale of Peak. We believe that these filings caused substantial concern among our customers, vendors, employees and potential buy and sell merger targets and removed our ability to move forward with planned initiatives, with the exception of the cost reduction work;

deteriorating global economic conditions and slowing of the semiconductor industry and the actual and potential effects on our financial condition;

the financial analysis reviewed by Houlihan Lokey with our board of directors, and the oral opinion to our board of directors (which was confirmed in writing by delivery of Houlihan Lokey's written opinion dated March 26, 2008), with respect to the fairness, from a financial point of view, of the amalgamation consideration to be received by our shareholders (other than certain excluded shareholders) in the amalgamation, as of March 26, 2008 and based upon and subject to the procedures followed, assumptions made, qualifications and limitations on the review undertaken and other matters considered by Houlihan Lokey in preparing its opinion. the fact that the amalgamation was arrived at after an auction and negotiation process during which 145 prospective buyers, including 56 prospective financial buyers and 89 prospective strategic buyers, were approached by Peak's financial advisors, 13 prospective buyers conducted due diligence on our business, and the fact that our shareholders will receive more in the amalgamation than in any other potential alternative identified in the course of that process;

the fact that the amalgamation consideration is all cash, so that the transaction allows our shareholders to receive at the closing of the transaction an amount in cash, for their investment and provides such shareholders certainty of value for their shares;

the fact that the \$2.00 per share price to be paid in the amalgamation represented a 38% premium to the closing price of our shares on the last trading day prior to the announcement of the amalgamation; and a 36% premium to the average closing price of our shares over the last month of trading prior to the announcement of the amalgamation;

the fact that, based upon the February 29, 2008 balance sheet and fair market value information provided by management, the liquidation value of Peak is lower than the \$2.00 per share to be paid in the amalgamation; and

the fact that, subject to compliance with the terms and conditions of the amalgamation agreement, we are permitted to terminate the amalgamation agreement prior to the completion of the amalgamation in order to approve any alternative transaction proposed by a third party that is a superior proposal, as defined in the amalgamation agreement, upon the payment to S&G of a \$1,242,330 termination fee, which amount includes the reimbursement of S&G's expenses up to a maximum of \$150,000 if our shareholders do not approve the proposal regarding the amalgamation at the Special General Meeting.

In the course of its deliberations, our board of directors also considered, among other things, the following negative factors:

the possibility that the amalgamation might not be consummated and the effect of public announcement of the amalgamation on our sales and operating results and our ability to attract and retain key management, marketing and technical personnel;

the fact that an all cash transaction would be taxable to our shareholders for U.S. federal income tax purposes;

the possibility that S&G will be unable to complete the amalgamation for any reason, including if it is unable to complete the amalgamation despite Daewon's guarantee of sufficiency of funds;

the fact that we would be required to reimburse S&G for up to \$150,000 in the aggregate for all documented out-of-pocket expenses incurred by S&G if our shareholders do not approve the proposal regarding the amalgamation at the Special General Meeting; and

the fact that we could be required to pay a termination fee of \$1,242,330 to S&G (inclusive of the \$150,000 expense reimbursement described above) under certain circumstances if the amalgamation agreement is terminated or upon acceptance of a superior offer.

See Proposal Two The Amalgamation Reasons for the Amalgamation and Board of Directors Recommendation.

Recommendation To Shareholders (Page 27)

Our board of directors has:

approved the amendment, the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby;

has determined that it is fair to and in the best interests of Peak and our shareholders that we enter into the amalgamation agreement and consummate the amalgamation on the terms and conditions set forth in the amalgamation agreement; and

recommends that our shareholders approve the amendment, the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby.

Opinion Of Financial Advisor (Page 27)

On March 26, 2008, Houlihan Lokey rendered an oral opinion to our board of directors (which was confirmed in writing by delivery of Houlihan Lokey's written opinion dated March 26, 2008) to the effect that, as of that date and based upon and subject to the procedures followed, assumptions made, qualifications and limitations on the review undertaken and other matters considered by Houlihan Lokey in preparing its opinion as set forth in the written opinion and described below, the \$2.00 per share in cash to be received by the holders of Peak shares (other than certain excluded shareholders) in the amalgamation pursuant to the amalgamation agreement is fair to such holders from a financial point of view.

Houlihan Lokey's opinion was directed to our board of directors and only addressed the fairness from a financial point of view of the amalgamation consideration to be received by the holders of Peak shares (other than certain excluded shareholders) in the amalgamation and does not address any other aspect or implication of the amalgamation. The summary of Houlihan Lokey's opinion in this proxy statement is qualified in its entirety by reference to the full text of its written opinion, which is included as Annex C to this proxy statement and sets forth the procedures followed, assumptions made, qualifications and limitations on the review undertaken and other matters considered by Houlihan Lokey in preparing its opinion. We encourage our shareholders to carefully read the full text of Houlihan Lokey's written opinion. However, neither Houlihan Lokey's opinion nor the summary of its opinion and the related analyses set forth in this proxy statement are intended to be, and do not constitute a recommendation to our board of directors or any Peak shareholder as to how to act or vote with respect to the amalgamation or related matters. See Proposal Two The Amalgamation Opinion of Houlihan Lokey Howard & Zukin Capital, Inc.

The specific resolutions to be adopted at the Special General Meeting are included as Annex E to this proxy statement.

A quorum is present at the Special General Meeting if two members entitled to vote are present in person or by proxy or (in the case of a member being a corporation) by its duly authorized representative representing not less than one-third in nominal value of our shares issued and outstanding. Interests Of Peak's Directors And Management In The Amalgamation (Page 35)

When considering the recommendation by our board of directors, you should be aware that a number of our officers and directors have interests in the amalgamation that are different from yours, including, among others:

certain indemnification arrangements for our current and former directors and officers will be continued if the amalgamation is completed; and

certain of our executive officers will receive termination benefits in connection with their resignation from Peak upon the closing.

See Proposal Two The Amalgamation Interests of Peak's Directors and Management in the Amalgamation.

Conditions To The Completion Of The Amalgamation (Page 48)

S&G and we are obligated to effect the amalgamation only if the following conditions are satisfied or waived:

the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby shall have been approved and adopted by the requisite vote of the shareholders of Peak in accordance with the Bermuda Act and the Peak charter documents;

Edgar Filing: PEAK INTERNATIONAL LTD - Form DEFM14A

our representations and warranties must be true and correct as of March 26, 2008 and as of the closing date of the amalgamation (except for representations and warranties which address only matters as of a particular date, which shall have been true and correct as of that particular date, or, for certain representations and warranties that individually or in the aggregate would not reasonably be expected to have a material adverse effect on us);

we must have performed in all material respects all agreements and covenants required to be performed by us under the amalgamation agreement at or prior to the closing date of the amalgamation;

the aggregate total number of Peak shares held by dissentient shareholders (as defined in the amalgamation agreement), if any, shall be no more than 15% of the total issued and outstanding Peak shares as of immediately prior to the Effective Time;

we shall have taken such actions necessary to terminate the Peak option plans without the incurrence of any costs or liability to us (other than incidental legal and other administrative costs), and shall have obtained releases from certain directors and officers of Peak with respect to the conversion of all of such directors and officers' Peak share options as described in the amalgamation agreement without the incurrence of any costs or liability to us (other than incidental legal and other administrative costs).

We will not be obligated to effect the amalgamation unless the following conditions are satisfied or waived:

the representations and warranties of S&G and Merger Sub must be true and correct as of March 26, 2008 and as of the closing date of the amalgamation (except for representations and warranties which address only matters as of a particular date, which shall have been true and correct as of that particular date, or, for certain representations and warranties that individually or in the aggregate would not reasonably be expected to have a material adverse effect on S&G); and

each of S&G and Merger Sub must have performed in all material respects all agreements and covenants required to be performed by it under the amalgamation agreement at or prior to the closing date of the amalgamation and Peak shall have received a certificate to such effect signed on behalf of S&G by an authorized officer of S&G.

See The Amalgamation Agreement Conditions to the Completion of the Amalgamation.

Termination Of The Amalgamation Agreement (Page 50)

Termination. S&G and we can terminate the amalgamation agreement under certain circumstances, including:

by mutual written consent of S&G and us;

by either S&G or us, if the amalgamation has not been completed by September 30, 2008 for any reason, provided, however, that this right to terminate the amalgamation agreement will not be available to a party whose action or failure to act was a principal cause of or resulted in the failure of the amalgamation to be completed by September 30, 2008 and that action or failure to act constituted a material breach of the amalgamation agreement;

by either S&G or us, if a governmental entity shall have issued any final and nonappealable order, decree or ruling or any other action having the effect of permanently restraining, enjoining or otherwise prohibiting the amalgamation;

by either S&G or us, if our shareholders do not approve the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby at a duly held shareholders meeting, provided however, that in such event Peak shall reimburse S&G within five (5) business days of such termination, for up to \$150,000 in the aggregate, for all documented out-of-pocket expenses incurred by S&G prior to such date with respect to the amalgamation agreement and the transactions and matters contemplated thereby;

by either S&G or us, if the other party has breached any of its representations, warranties, covenants or other agreements contained in the amalgamation agreement, or if any representation or warranty has become untrue, in either case such that any of the conditions to the amalgamation would not be satisfied as of the time of the breach or as of the time such representation or warranty became untrue

Edgar Filing: PEAK INTERNATIONAL LTD - Form DEFM14A

and has not been, or is incapable of being cured, within thirty (30) calendar days after written notice of such breach or failure;

by S&G if any of the following triggering events occurs:

our board of directors or any of its committees for any reason withdraws or amends or modifies in a manner materially adverse to S&G its recommendation in favor of the approval of the amalgamation agreement or the amalgamation;

we fail to include in this proxy statement the recommendation of our board of directors in favor of the approval of the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby;

Table of Contents

our covenants relating to no solicitation are materially breached;

our board of directors or any of its committees approves or publicly recommends any other acquisition proposal;

we enter into any letter of intent or similar document or any contract or commitment accepting any other acquisition proposal;

a tender or exchange offer relating to our securities is commenced by a person unaffiliated with S&G and we have not sent to our shareholders, within ten (10) business days after such a tender or exchange offer is first published, sent or given, a statement disclosing that our board of directors recommends rejection of such tender or exchange offer; or

a material adverse effect occurred to us and has not been cured, or is incapable of being cured, within thirty (30) calendar days after written notice from S&G of such material adverse effect;

by us, if prior to obtaining shareholder approval, we receive a superior proposal and:

concurrently with exercising our termination right, we enter into an acquisition agreement in connection with the superior proposal;

the superior proposal was unsolicited and did not otherwise result from a breach of our covenant relating to no-solicitation;

before exercising this termination right, we wait until the third business day following S&G's receipt of a written notice advising S&G that our board of directors has received a superior proposal, providing a copy of the acquisition agreement in connection with the superior proposal and stating that our board of directors intends to exercise its right to terminate the amalgamation agreement and S&G has had the opportunity to meet with us to suggest modifications to the terms of our agreement that S&G may deem advisable; and

we pay a termination fee of approximately \$1,242,330 concurrently with termination of the amalgamation agreement (inclusive of any expense reimbursement described above).

See The Amalgamation Agreement Termination.

We believe that if the amalgamation agreement is terminated or the amalgamation, the amalgamation agreement and the transactions and matters contemplated thereby are not approved by our shareholders, the shareholders who previously filed Schedules 13D/A and Forms DFAN14A will reassert their demand to call a special meeting of shareholders calling for the replacement of all incumbent members of our board of directors (other than Russ Silvestri, who is affiliated with certain of such shareholders).

Limitation On Considering Other Acquisition Proposals (Page 46)

Edgar Filing: PEAK INTERNATIONAL LTD - Form DEFM14A

We have agreed that we will not, and will not permit any of our subsidiaries to, nor will we authorize or permit any of our or our subsidiaries directors, officers, controlled affiliates or employees or any of our or their investment bankers, attorneys, accountants or other advisors to, directly or indirectly:

solicit, initiate, or take any action intended to encourage or induce the making, submission or announcement of any acquisition proposal;

engage or participate in any discussions or negotiations with any person (other than S&G and its representatives) regarding, or furnish to any person (other than S&G and its representatives), any non-public information with respect to, or take any other action intended to facilitate any inquiries or the making of any proposal that constitutes or may reasonably be expected to lead to, any acquisition proposal;

approve, endorse or recommend any acquisition proposal; or

enter into any letter of intent or similar document or any contract, agreement or commitment contemplating or otherwise relating to any acquisition transaction.

Table of Contents

The amalgamation agreement provides that our board of directors may (subject to the conditions described below), in response to a written unsolicited acquisition proposal that is reasonably likely to be consummated on the terms stated in the acquisition proposal:

furnish information with respect to us and our subsidiaries to the person making the acquisition proposal (and its representatives) pursuant to a confidentiality agreement which contains terms that are no less favorable to us than the terms of the confidentiality agreement executed by S&G and us, provided that all such information is provided on a prior or contemporaneous basis to S&G; and

participate in discussions or negotiations with the person making the acquisition proposal (and its representatives) regarding the acquisition proposal.

Our board of directors may only respond to a written unsolicited acquisition proposal if our board of directors (1) determines in good faith that such acquisition proposal constitutes or is reasonably likely to lead to a superior proposal and (2) determines in good faith after consultation with outside legal counsel that the failure to take such action would be inconsistent with our board of directors' fiduciary obligations to Peak or to Peak's shareholders.

The amalgamation agreement provides that our board of directors may withhold, withdraw, modify or change its recommendation in favor of the amalgamation at any time prior to our shareholders' approval of the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby, but only to terminate the amalgamation agreement in accordance with the termination procedures described below under the sub-heading "Termination," and only if:

a superior proposal (as described below) is made to us and is not withdrawn, and, concurrent with the termination of the amalgamation agreement our board of directors causes us to enter into a definitive agreement with respect to such a superior proposal;

neither we nor any of our subsidiaries nor any of our or their representatives have violated any of the restrictions regarding solicitation set forth above in connection with such superior proposal; and

our board of directors concludes in good faith, after consultation with our outside legal counsel, that in light of such superior proposal, the failure to withhold, withdraw, modify or change its recommendation would be inconsistent with its fiduciary duties to us and our shareholders under applicable law.

See "The Amalgamation Agreement - No Solicitation."

Termination Fees and Expenses (Page 51)

The amalgamation agreement requires that we pay S&G a termination fee of approximately \$1,242,330, which is equal to 5% of the total amount of consideration payable pursuant to the amalgamation agreement (inclusive of any expense reimbursement described below), if, among other things:

S&G terminates the amalgamation agreement as a result of a triggering event, as described above;

the fiduciary duties of our board of directors requires us to terminate the amalgamation agreement in connection with our entering into a definitive agreement related to an acquisition proposal which qualifies as a superior offer, as described above; or

S&G or we terminate the amalgamation agreement because we failed to obtain the required approval of our shareholders, and any of the following occurs:

within six (6) months following the termination of our amalgamation agreement with S&G, an acquisition of us is completed; or

a third party has made an acquisition proposal to our board of directors prior to the meeting of our shareholders to vote on the amalgamation, and within twelve (12) months following the termination of our amalgamation agreement with S&G, an acquisition of us is completed.

Table of Contents

Furthermore, if S&G or we terminate the amalgamation agreement because we failed to obtain the required approval of our shareholders, the amalgamation agreement requires us to reimburse S&G for documented out-of-pocket expenses incurred by S&G not to exceed \$150,000.

See The Amalgamation Agreement Termination Fee and The Amalgamation Agreement Expenses.

Accounting Treatment (Page 38)

The amalgamation will be accounted for as a purchase transaction for financial accounting purposes. See Proposal Two The Amalgamation Accounting Treatment.

Regulatory Matters (Page 41)

The amalgamation may be subject to review by the governmental authorities of various jurisdictions under the antitrust laws of those jurisdictions. See Proposal Two The Amalgamation Regulatory Matters.

Appraisal Rights (Page 37)

Our shareholders have the right under Bermuda law to dissent from the approval of the amalgamation and to exercise appraisal rights and to receive payment in cash for the fair value of their shares as appraised by the Supreme Court of Bermuda. The fair value of our shares as appraised by the Court may be more or less than the amalgamation consideration to be paid to non-dissenting Peak shareholders in the amalgamation. To preserve their rights, shareholders who wish to exercise appraisal rights must not vote in favor of the approval of the amalgamation agreement and must, within one month of the giving of the Notice of Special General Meeting of Shareholders accompanying this proxy statement, apply to the Supreme Court of Bermuda to appraise the fair value of their shares. Shareholders appraisal rights are more fully described under the heading Proposal Two The Amalgamation Appraisal Rights and the provisions of Bermuda law that grant appraisal rights and govern the applicable procedures are attached as Annex D. You are encouraged to read these provisions carefully and in their entirety.

The Voting Agreement (Page 53)

In order to induce S&G to enter into the amalgamation agreement, certain of our shareholders (affiliated with our director Russ Silvestri and Skiritai Capital) who collectively beneficially owned approximately 19.9% of our outstanding shares as of March 26, 2008, entered into a voting agreement with S&G attached as Annex B to this proxy statement. Pursuant to the voting agreement, these shareholders have agreed to vote their Peak shares in favor of the approval of the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby, and against any proposal adverse to the amalgamation. These shareholders have also agreed to irrevocably appoint certain officers of S&G as their lawful attorneys and proxies with respect to the approval of the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby. This agreement of holders of 19.9% of our shares to vote in favor of the amalgamation, the amalgamation agreement and the transactions and matters contemplated thereby will mean that if the minimum quorum is present (meaning that two members entitled to vote are present in person or by proxy or (in the case of a member being a corporation) by its duly authorized representative

Edgar Filing: PEAK INTERNATIONAL LTD - Form DEFM14A

representing not less than one-third in nominal value of our shares issued and outstanding), and the amendment is approved, then there will be sufficient votes cast for approval and adoption of the amalgamation, the amalgamation agreement and the transactions and matters contemplated thereby to ensure its passage without the vote of any other shareholders.

See The Voting Agreement.

The Special General Meeting

We are furnishing this proxy statement to our shareholders as part of the solicitation of proxies by our board of directors for use at the Special General Meeting.

Date, Time And Place

We will hold the Special General Meeting on Friday, May 30, 2008 at 9:30 a.m., local time, at the offices of Heller Ehrman LLP, located at 275 Middlefield Road, Menlo Park, California 94025.

Purpose Of Special General Meeting

The purpose of the Special General Meeting is to consider and vote upon proposals to approve the amendment, the amalgamation, the amalgamation agreement and the transactions and matters contemplated thereby. The amalgamation agreement provides that, at the Effective Time, Peak will become a wholly-owned subsidiary of S&G and each outstanding share will be cancelled in exchange for the right to receive \$2.00 in cash. Our board of directors has approved the amendment, the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby, has determined that it is fair to and in the best interests of Peak and our shareholders that we enter into the amalgamation agreement and consummate the amalgamation on the terms and conditions set forth in the amalgamation agreement and recommends that our shareholders vote for the approval of the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby.

Record Date; Shares Entitled To Vote; Quorum

Only holders of shares registered in the register of members of Peak at the close of business on April 25, 2008, the record date, are entitled to notice of and to vote at the Special General Meeting. On the record date, 12,423,306 of our shares were issued and outstanding and held by approximately 8 holders of record. A quorum is present at the Special General Meeting if two members entitled to vote are present in person or by proxy or (in the case of a member being a corporation) by its duly authorized representative representing not less than one-third in nominal value of our shares issued and outstanding. In the event that a quorum is not present at the Special General Meeting, the meeting will be adjourned or postponed to solicit additional proxies. Holders of record of our shares on the record date are entitled to one vote per share at the Special General Meeting on the proposals to approve the amendment, the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby.

Votes Required

The affirmative vote of holders of at least a simple majority of the shares of Peak as of the record date voted at the Special General Meeting, in person or by proxy, is required to approve and adopt the amendment and, after the amendment becomes effective, the amalgamation, the amalgamation agreement and the transactions and matters contemplated thereby. If the amendment is not approved, then the affirmative vote of

Edgar Filing: PEAK INTERNATIONAL LTD - Form DEFM14A

holders of at least 75% of the shares of Peak as of the record date voted at the Special General Meeting, in person or by proxy, is required to approve and adopt the amalgamation, the amalgamation agreement and the transactions and matters contemplated thereby. The specific resolutions to be adopted at the Special General Meeting are included as Annex E to this proxy statement.

Voting By Peak's Directors, Executive Officers And Certain Shareholders

At the close of business on the record date, our directors and executive officers and their affiliates owned and were entitled to vote 2,472,132 shares, which represented approximately 19.9% of our shares outstanding on that date. The agreement of holders of 19.9% of our shares to vote in favor of the amalgamation, the

Table of Contents

amalgamation agreement and the transactions and matters contemplated thereby will mean that if the minimum quorum is present (meaning that two members entitled to vote are present in person or by proxy or (in the case of a member being a corporation) by its duly authorized representative representing not less than one-third in nominal value of our shares issued and outstanding, and the amendment is approved, then there will be sufficient votes cast for approval and adoption of the amalgamation, the amalgamation agreement and the transactions and matters contemplated thereby to ensure its passage without the vote of any other shareholders. See The Voting Agreement.

Voting Of Proxies

Our board of directors is soliciting proxies so that each shareholder has the opportunity to vote on the proposals to be considered at the Special General Meeting. When a proxy card is returned *properly signed and dated*, the shares represented thereby will be voted in accordance with the instructions on the proxy card. However, if a shareholder does not return a *signed* proxy card, his or her shares will not be voted by the proxy. Shareholders are urged to mark the boxes on the proxy card to indicate how their shares are to be voted. If you sign, date and mail your proxy card without indicating how you wish to vote, you are deemed to have directed your proxy to vote in favor of approval of the amendment, the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby and to exercise his/her discretion on such other business as may properly come before the meeting or any adjournment or postponement thereof. If you fail to return your Peak proxy card, the effect will be that your shares will not be counted for purposes of determining whether a quorum is present at the Special General Meeting but will have no effect on the approval of the amendment, the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby with respect to obtaining the affirmative vote of the holders of a simple majority of shares of Peak (assuming the amendment is approved) as of the record date voted at the Special General Meeting. It is important that proxies be returned promptly and, in any event, before 9:30 a.m., local time in California, on May 28, 2008, failing which the proxy will not be valid.

Shareholders of Peak who execute proxies retain the right to revoke them at any time before they are voted. Any proxy given by such a shareholder may be revoked (i) by duly executing and delivering a later proxy prior to 9:30 a.m., local time in California, on Wednesday, May 28, 2008, (ii) by giving notice of revocation in writing to Mellon Investor Services prior to the Special General Meeting, at Proxy Processing, P.O. Box 3862, S. Hackensack, NJ 07606-3862, or (iii) by attending the Special General Meeting and voting in person. Shares represented at the Special General Meeting but not voted, including shares for which proxies have been received but for which shareholders have abstained, will be treated as present if the proxy was present at the Special General Meeting for purposes of determining the presence or absence of a quorum for the transaction of all business.

We do not expect that any matter other than the proposals to approve the amendment, the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby will be brought before the Special General Meeting. If, however, our board of directors properly presents other matters, the persons named as proxies will vote in his/her discretion.

Revocability Of Proxies

The grant of a proxy on the enclosed form of proxy does not preclude a shareholder from voting in person at the Special General Meeting. A shareholder may revoke a proxy at any time prior to its exercise by:

submitting a duly executed revocation of proxy to Mellon Investor Services, Proxy Processing, P.O. Box 3862, S. Hackensack, NJ 07606-3862;

Edgar Filing: PEAK INTERNATIONAL LTD - Form DEFM14A

submitting a duly executed proxy to Mellon Investor Services, Proxy Processing, P.O. Box 3862, S. Hackensack, NJ 07606-3862, bearing a later date; or

appearing at the Special General Meeting and voting in person.

Table of Contents

If you have instructed your broker to vote your shares, you must follow directions received from your broker to change these instructions.

Solicitation Of Proxies

All costs of solicitation of proxies will be borne by us. We also reimburse brokers and other custodians, nominees and fiduciaries for their expenses in sending these materials to you and getting your voting instructions. In addition, while Peak has no present intention to retain anyone to assist in soliciting proxies, Peak may do so if it deems such action necessary.

Shareholders should not send share certificates with their proxies. If the proposal to approve the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby is adopted, a letter of transmittal with instructions for the surrender of our share certificates will be mailed to our shareholders as soon as practicable after completion of the amalgamation. The instructions will provide that, at the election of the shareholder the amalgamation consideration in exchange for the certificates may be collected, by hand delivery.

We believe that our recycling programs, whereby we collect and recycle products we manufacture and products manufactured by others, enable us to expand our customer base by supplying both newly-manufactured and recycled products to customers.

Our main production facilities, located in Shenzhen in the People's Republic of China, or the PRC, and operated pursuant to a processing agreement with an unaffiliated PRC company, which we refer to as the Factory, are equipped with injection molding machines, extruders, carrier tape machines, mixing machines, ultrasonic welding machines and other machinery and equipment. We maintain in-house tooling facilities capable of producing the molds used for production, dies and tooling for sale and spare parts for machines used in our production processes. In addition, we maintain computer aided design, or CAD, stations, which are linked electronically to our sales offices to enable the sharing of design information. Finalized designs are transmitted electronically to our in-house tooling facilities for the production of molds and dies.

We maintain six sales offices located in Hong Kong, the PRC, Taiwan, Singapore, Malaysia, and the United States, whereby direct sales are made to customers, and representative offices in the PRC, the Philippines, South Korea, and Italy, that provide customers with technical information. We maintain, either directly or through our local sales representatives, a network of 26 Just-in-Time, or JIT, warehouses located in Asia, North America, Europe and North Africa, near our customers' production facilities which allow us to rapidly meet our customers' needs.

Proposal Two

The Amalgamation

The following discussion summarizes the material terms of the amalgamation. Shareholders should read the amalgamation agreement which is attached as Annex A to this proxy statement.

Background To The Amalgamation

Over the past several years, our business has contracted and lost share in its primary markets. Despite enhancements to our core product offering, our market position has suffered as the industry as a whole has become more competitive. In addition, we have been conscious of the limited trading volume of our shares in the market. Accordingly, members of our senior management and our board of directors have periodically reviewed and assessed our business strategy, the various trends and conditions affecting our business and our industry generally, and a variety of strategic alternatives as part of our long-term strategy to increase revenue and profitability and to maximize shareholder value. Our review and assessment have included, among other things, consideration of whether it would be fair to and in the best interests of our shareholders to continue as a separate company and to expand through organic growth, acquisitions or a combination of the two, or to combine with or be acquired by another company. Additionally, we have explored the opportunity to liquidate, declare a special dividend, or repurchase our shares.

In connection with its exploration of strategic alternatives, representatives of Peak, including directors Russ Silvestri and Douglas Broyles, and chief financial officer John Supan, met with representatives of Houlihan Lokey in October 2006 to discuss such potential business alternatives. On December 18, 2006, our board of directors approved the engagement of Houlihan Lokey to explore strategic alternatives for Peak. Houlihan Lokey's mandate was to contact selected parties to seek strategic opportunities in order to maximize shareholder value.

Between December 2006 and March 2008, at our request, Houlihan Lokey contacted selected potential strategic and financial partners, including Daewon. During this time frame, 145 prospective buyers, including 56 prospective financial buyers and 89 prospective strategic buyers, were approached by Houlihan. Thirteen prospective buyers, including Daewon, had conference calls, meetings, and conducted due diligence to various degrees on Peak and our business. In addition to discussions with potential acquirors, Peak with Houlihan Lokey's assistance also explored the opportunity to acquire or merge with similarly sized companies, seeking enhanced scale and shareholder value in a merger-of-equals transaction. Two of the potential acquisition targets were identified by Peak and were in the disc caddy and tray markets.

On February 6, 2007, at a regular meeting of our board of directors, representatives of Houlihan Lokey updated our board of directors on the progress of their work and on potential strategic transactions.

On May 14, 2007, at a regular meeting of our board of directors, representatives of Houlihan Lokey updated our board of directors on potential strategic options. After discussion regarding a variety of strategic options and approaches, our board of directors authorized management and Houlihan Lokey to investigate any and all potential strategic combinations (whether or not involving a change of control) to maximize shareholder value.

On May 24, 2007, at a regular meeting of our board of directors, representatives of Houlihan Lokey updated our board of directors on the progress of their work and on strategic and financial options for Peak. Representatives of Houlihan Lokey described strategic alternatives including, among others, a sale, acquisition, merger, dividend, share repurchase, and liquidation. A discussion ensued in which our board of directors and representatives of Houlihan Lokey discussed a variety of strategic options and approaches including the potential use of a non-binding letter indicating an interest to merge with or acquire certain companies with whom a strategic fit would be appropriate in order to encourage negotiations. Our board of directors instructed management to work with Houlihan Lokey and to initiate non-binding letters of interest to merge with or acquire certain companies.

Our board of directors discussed with representatives of Houlihan Lokey a variety of strategic options that would enhance shareholder value and reviewed the options with respect to near-term use of Peak's cash balances. Our board of directors also discussed a potential share repurchase and cash dividend and determined that neither a share repurchase nor a cash dividend would be a prudent use of cash at the time. Our board of directors instructed Houlihan Lokey to continue its activities to identify a viable candidate for merger, sale, acquisition or partnership.

On July 27, 2007 at a special telephonic meeting of our board of directors, representatives of Houlihan Lokey updated our board on the status of strategic and financial options. After the presentation, a discussion ensued in which representatives of Houlihan Lokey and our board of directors discussed the relative merits of a strategic sale or merger transaction versus a share repurchase or cash dividend and which course of action would best enhance shareholder value. After considering potential tax consequences of a cash dividend, our board of directors instructed management to work with tax advisors and legal counsel to determine the options available to Peak. Our board of directors instructed Houlihan Lokey to continue its activities to identify a viable candidate for merger, sale acquisition or partnership.

On September 9, 2007, at a regular meeting of our board of directors representatives of Houlihan Lokey updated our board of directors on the progress of their work and on potential strategic options, including the sale of Peak. Our board of directors instructed management to update the due diligence review of the potential acquisition and negotiate non-binding terms of a purchase subject to the review of our board of directors. Additionally, our board of directors discussed a possible share repurchase program as a means to enhance shareholder value. Our board of directors instructed management to work with Houlihan Lokey to update the evaluation and analysis of the proposed share repurchase program and to continue to explore the potential sale and merger transaction alternatives.

On September 27, 2007, representatives of Peak, including our chief executive officer Dean Personne and our chief financial officer John Supan, and Houlihan Lokey held a telephonic meeting with Stephen Won, the senior vice president of business development of Daewon and the president of S&G, to discuss each party's business, operations, manufacturing capabilities, and future plans and expectations. At the conclusion of this meeting, both management teams decided to proceed with preliminary due diligence.

Over the next several days, our senior management team and Houlihan Lokey provided preliminary due diligence materials to Daewon. Our senior management team continued their discussions with Daewon regarding Peak's business and a potential transaction.

On October 8, 2007, at a special telephonic meeting of our board of directors, a potential share repurchase program to enhance shareholder value was discussed. Our board of directors agreed to further consider the repurchase program subject to additional analysis and input from management, our legal counsel at Heller Ehrman and financial advisors at Houlihan Lokey.

On October 8, 2007, Daewon made a preliminary proposal to Peak at an indicative offer price of \$2.877 per share, subject to due diligence (including a review of key financial and operating information) and negotiation of definitive agreements.

Furthermore, our board of directors instructed management to work with Houlihan Lokey to further negotiate terms of a potential transaction with Daewon with review and guidance by our board of directors. Additionally, our board of directors discussed a potential acquisition, including the financial performance of the target company and the terms of the potential transaction. On January 30, 2008, Peak announced financial results for the third quarter of fiscal year 2008 ended December 31, 2007. In addition, Peak failed to achieve a positive gross margin for the quarter ended December 31, 2007.

On February 2, 2008, after reviewing the recent financial performance, deteriorating business trends, continued reduction of Peak's cash and declining revenue, and taking into account further diligence materials, Daewon contacted representatives of Houlihan Lokey and informed them that Daewon was not willing to proceed at the original indicative offer price and submitted a revised proposal of \$2.13 per share, subject to additional due diligence.

After negotiation of the final terms of the amalgamation agreement and the related agreements, representatives of both Peak and S&G, an affiliate of Daewon, executed the amalgamation agreement. In addition, shareholders affiliated with Peak director Russ Silvestri each entered into a voting agreement with S&G, pursuant to which they each agreed to vote in favor of adoption of the amalgamation agreement.

On March 27, 2008, the parties issued a joint press release announcing the proposed amalgamation of Peak and S&G.

In response to letters that we had received on March 10, 2008 and March 12, 2008 from certain of our shareholders, on March 27, 2008, our independent directors and certain members of our management issued an open letter to the shareholders of Peak, filed on Form 8-K, discussing their reasons for recommending the amalgamation, particularly in connection with the potential consequences of the DFAN14A filings on the ability to run Peak and continue to pursue any other alternative strategies.

On March 28, 2008, Skiritai Capital filed Schedule 13D/A in which it stated that after the March 27, 2008 announcement of the signing of the amalgamation agreement, Skiritai Capital had determined that it is in the best interest of shareholders to suspend its call for a special meeting of shareholders subject to the amalgamation being completed. Skiritai Capital further stated that as a result of the suspension of its call for a special meeting of shareholders, it would no longer be acting as a group.

On April 1, 2008, Chadwick Capital Management, LLC filed Schedule 13D/A in which it stated that in light of the announcement of the signing of the amalgamation agreement, Chadwick Capital Management, LLC, Monarch Activist Partners, Skiritai Capital and the Ancora Group decided to suspend the call for a special meeting of shareholders subject to the amalgamation being completed and that as a result of the suspension of the call for a special meeting of shareholders, Chadwick Capital Management, LLC, and Monarch Activist Partners were no longer acting as a group with Skiritai Capital and the Ancora Group.

On April 2, 2008, Richard Barone c/o Ancora Capital Inc., filed Schedule 13D/A in which it stated that in light of the signing of the amalgamation agreement, shareholders Chadwick Capital Management LLC, Monarch Activist Partners, Skiritai Capital and the Ancora Group (as defined therein) decided to suspend the call for a special meeting of shareholders subject to the amalgamation being completed and that as a result of the suspension of the call for a special meeting of shareholders, the Ancora Group was no longer acting as a group with Chadwick Capital Management LLC, Monarch Activist Partners or Skiritai Capital.

We believe that if the amalgamation agreement is terminated or the amalgamation, the amalgamation agreement and the transactions and matters contemplated thereby are not approved by our shareholders, the shareholders who previously filed Schedules 13D/A and Forms DFAN14A will reassert their demand to call a special meeting.

Reasons For The Amalgamation And Board Of Directors Recommendation

Reasons for the Amalgamation. In reaching its conclusion regarding the fairness of the amalgamation to Peak and our shareholders and its decision to approve the amalgamation agreement and recommend its approval to our shareholders, our board of directors considered the following factors, each of which the board of directors believes supported its conclusion but which are not listed in any relative order of importance:

Edgar Filing: PEAK INTERNATIONAL LTD - Form DEFM14A

the board of directors knowledge of our business, financial condition, results of operations, prospects and competitive position and its belief that the amalgamation is more favorable to our shareholders than any other alternative reasonably available to Peak and our shareholders;

the fact that certain shareholders filed Form DFAN14A calling for the replacement of all incumbent members of our board of directors (other than Russ Silvestri, who is affiliated with Skiritai Capital who was the lead filer for the DFANA14A) and calling for a special meeting of shareholders. Certain

shareholders also filed Schedules 13D/A requesting that our management and our board of directors pursue strategic alternatives to increase shareholder value including a sale of Peak. We believe that these filings caused substantial concern among our customers, vendors, employees and potential buy and sell merger targets due to the uncertainty created regarding with whom they would be doing business and effectively removed our ability to move forward with planned initiatives, with the exception of the cost reduction work;

the board of directors' belief that we face several challenges in our efforts to increase shareholder value as an independent publicly-traded company, including competition from companies with substantially greater scale and resources;

deteriorating global economic conditions and slowing of the semiconductor industry and the actual and potential effects on our financial condition;

estimated forecasts of our future financial performance prepared by our management, together with our management's view of our financial condition, results of operations, business, prospects and competitive position;

the limited trading volume of our shares in the market;

the consideration to be received by our shareholders in the amalgamation and a comparison of comparable merger transactions;

the fact that the amalgamation was arrived at after an auction and negotiation process during which 145 prospective buyers, including 56 prospective financial buyers and 89 prospective strategic buyers, were approached by Peak's financial advisors, 13 prospective buyers conducted due diligence on our business, and the fact that our shareholders will receive more in the amalgamation than in any other potential alternative identified in the course of that process;

the belief that the terms of the amalgamation agreement, including the parties' representations, warranties and covenants, and the conditions to their respective obligations, are reasonable and were the product of arms-length negotiations between the board of directors and its advisors, on the one hand, and Daewon and S&G, on the other hand, and their advisors with such support and assistance of Peak's management and financial and legal advisors as the board of directors deemed appropriate;

the financial analysis reviewed by Houlihan Lokey with our board of directors, and the oral opinion to our board of directors (which was confirmed in writing by delivery of Houlihan Lokey's written opinion dated March 26, 2008), with respect to the fairness, from a financial point of view, of the amalgamation consideration to be received by our shareholders (other than certain excluded shareholders) in the amalgamation, as of March 26, 2008 and based upon and subject to the procedures followed, assumptions made, qualifications and limitations on the review undertaken and other matters considered by Houlihan Lokey in preparing its opinion. In considering the opinion of Houlihan Lokey, our board of directors was aware that a portion of Houlihan Lokey's fee for its financial advisory services is contingent upon the consummation of the amalgamation;

the fact that the amalgamation consideration is all cash, so that the transaction allows our shareholders to receive at the closing of the transaction an amount in cash, for their investment and provides such shareholders certainty of value for their shares;

the fact that the \$2.00 per share price to be paid in the amalgamation represented a 38% premium to the closing price of our shares on the last trading day prior to the announcement of the amalgamation; and a 36% premium to the average closing price of our shares over the last month of trading prior to the announcement of the amalgamation;

the fact that, based upon the February 29, 2008 balance sheet and fair market value information and certain estimates provided by management, the liquidation value of Peak, as determined by Houlihan Lokey, is lower than the \$2.00 per share to be paid in the amalgamation;

the fact that our board of directors, with the advice and assistance of its financial and legal advisors, had directed the auction and negotiation process with a view towards assuring the fairness of the process to our shareholders;

the fact that, subject to compliance with the terms and conditions of the amalgamation agreement, we are permitted to terminate the amalgamation agreement prior to the completion of the amalgamation in order to approve any alternative transaction proposed by a third party that is a superior proposal, as defined in the amalgamation agreement, upon the payment to S&G of a \$1,242,330 termination fee, which amount includes the reimbursement of S&G's expenses up to a maximum of \$150,000 if our shareholders do not approve the proposal regarding the amalgamation at the Special General Meeting; and

the availability of appraisal rights to holders of our shares who comply with all of the required procedures under Bermuda law.

In addition, our board of directors believed that sufficient procedural safeguards were and are present to ensure the fairness of the amalgamation to our shareholders and to permit our board of directors to represent effectively the interests of our shareholders. These procedural safeguards include the following:

our board of directors acted to represent solely the interests of the shareholders and to negotiate with Daewon on behalf of such shareholders;

our board of directors retained and received advice from Houlihan Lokey, as financial advisor, and its legal advisors, each of which has extensive experience in transactions similar to the proposed amalgamation;

our board of directors requested and received from Houlihan Lokey an opinion that the consideration to be received by the shareholders of Peak (other than Excluded Persons) in the transaction pursuant to the amalgamation agreement is fair to such holders from a financial point of view, and in considering the opinion of Houlihan Lokey, our board of directors was aware that a portion of Houlihan Lokey's fee for its financial advisory services is contingent upon the consummation of the amalgamation.

Our board of directors also considered a variety of potentially negative factors concerning the amalgamation agreement and the amalgamation, including the following factors which are not listed in any relative order of importance:

the possibility that the amalgamation might not be consummated and the effect of public announcement of the amalgamation on our sales and operating results and our ability to attract and retain key management, marketing and technical personnel;

the fact that an all cash transaction would be taxable to our shareholders for U.S. federal income tax purposes;

that fact that, pursuant to the terms of the voting agreement, the shareholders affiliated with a member of our board of directors were required to agree to vote all of their shares that they own in favor of the amalgamation and the related transactions and any matter required to effect those transactions;

the possibility that S&G will be unable to complete the amalgamation for any reason, including if it is unable to complete the amalgamation despite Daewon's guarantee of sufficiency of funds;

Edgar Filing: PEAK INTERNATIONAL LTD - Form DEFM14A

the fact that the amalgamation agreement contains contractual restrictions on the conduct of our business prior to the completion of the amalgamation;

the fact that we would be required to reimburse S&G for up to \$150,000 in the aggregate for all documented out-of-pocket expenses incurred by S&G if our shareholders do not approve the proposal regarding the amalgamation at the Special General Meeting; and

the fact that we could be required to pay a termination fee of \$1,242,330 (inclusive of the \$150,000 expense reimbursement described above) to S&G under certain circumstances if the amalgamation agreement is terminated or upon acceptance of a superior offer.

The foregoing discussion of the information and factors considered by our board of directors is not intended to be exhaustive, but includes a number of the factors considered by our board of directors.

In view of the wide variety of factors considered in connection with its evaluation of the proposed amalgamation, our board of directors did not find it practicable to, and did not, quantify or otherwise assign relative weights to the foregoing factors in reaching its conclusion. In addition, individual members of our board of directors may have given different weights to different factors and may have viewed some factors more positively or negatively than others. Rather, our board of directors viewed its position as being based on the totality of the information presented to and considered by it.

Our board of directors has approved the amalgamation agreement and the transactions contemplated by the amalgamation agreement, and determined that the amalgamation, on the terms and conditions set forth in the amalgamation agreement, is advisable and fair to and in the best interests of our shareholders. The amalgamation agreement was unanimously approved by the directors present at the special meeting called for that purpose, which were all the members of our board of directors. Our board of directors considered a number of factors, as more fully described above under Background of the Amalgamation and under Reasons for the Board of Directors Recommendation, in determining to recommend that the shareholders adopt the amalgamation agreement. **Our board of directors recommends that you vote FOR the adoption of the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby.**

Opinion of Houlihan Lokey Howard & Zukin Capital, Inc.

On March 26, 2008, Houlihan Lokey rendered an oral opinion to our board of directors (which was confirmed in writing by delivery of Houlihan Lokey's written opinion dated March 26, 2008) to the effect that, as of that date and based upon and subject to the procedures followed, assumptions made, qualifications and limitations on the review undertaken and other matters considered by Houlihan Lokey in preparing its opinion as set forth in the written opinion and described below, the amalgamation consideration to be received by the holders of Peak shares (other than Daewon, S&G, Merger Sub and their respective affiliates and the parties who agreed to vote their Peak shares in favor of the amalgamation pursuant to the voting agreement) in the amalgamation pursuant to the amalgamation agreement is fair to such holders from a financial point of view.

Houlihan Lokey's opinion was directed to our board of directors and only addressed the fairness from a financial point of view of the amalgamation consideration to be received by the holders of Peak shares (other than Daewon, S&G, Merger Sub and their respective affiliates and the parties who agreed to vote their Peak shares in favor of the amalgamation pursuant to the voting agreement) in the amalgamation and does not address any other aspect or implication of the amalgamation. The summary of Houlihan Lokey's opinion in this proxy statement is qualified in its entirety by reference to the full text of its written opinion, which is included as Annex C to this proxy statement and sets forth the procedures followed, assumptions made, qualifications and limitations on the review undertaken and other matters considered by Houlihan Lokey in preparing its opinion. Houlihan Lokey relied upon and assumed, without independent verification, the accuracy and completeness of all data, material and other information furnished, or otherwise made available, to it, discussed with or reviewed by it, or publicly available, and did not assume any responsibility with respect to such data, material and other information. In addition, the managements of Peak and Daewon advised Houlihan Lokey, and Houlihan Lokey assumed, that the financial projections reviewed by Houlihan Lokey were reasonably prepared in good faith on bases reflecting the best currently available estimates and judgments of the managements of Peak and Daewon as to the future financial results and condition of Peak and Daewon, and Houlihan Lokey expressed no opinion with respect to such projections or the assumptions on which they were based. Houlihan Lokey relied upon and assumed, without independent verification, that there had been no material change in the business, assets, liabilities, financial condition, results of operations, cash flows or prospects of Peak since the date of the most recent financial statements provided to Houlihan Lokey, and that there was no information or any facts that would make any of the information reviewed by it incomplete or misleading. In addition, Houlihan Lokey relied upon and assumed, without independent verification, that the final forms of the draft documents identified above would not differ in any material respect from the drafts of said documents.

Furthermore, in connection with its opinion, Houlihan Lokey was not requested to make, and did not make, any physical inspection or independent appraisal or evaluation of any of the assets, properties or liabilities (fixed, contingent, derivative, off-balance-sheet or otherwise) of Peak, Daewon, S&G or any other party, nor was Houlihan Lokey provided with any such appraisal or evaluation. Houlihan Lokey did not undertake any independent analysis of any potential or actual litigation, regulatory action, possible unasserted claims or other contingent liabilities, to which Peak, Daewon or S&G was or may be a party or was or may be subject, or of any governmental investigation of any possible unasserted claims or other contingent liabilities to which Peak, Daewon or S&G was or may be a party or was or may be subject.

Houlihan Lokey's opinion was necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to it as of, the date of its opinion. Houlihan Lokey did not undertake, and is under no obligation, to update, revise, reaffirm or withdraw its opinion, or otherwise comment on or consider events occurring after the date of its opinion.

Houlihan Lokey's opinion was furnished for the use and benefit of our board of directors in connection with its consideration of the amalgamation and is not intended to, and does not, confer any rights or remedies upon any other person, and was not intended to be used, and may not be used, by any other person or for any other purpose, without Houlihan Lokey's prior written consent. Houlihan Lokey's opinion should not be construed as creating any fiduciary duty on Houlihan Lokey's part to any party. Houlihan Lokey's opinion is not intended to be, and does not constitute, a recommendation to our board of directors, any security holder or any other person as to how to act or vote or make any election with respect to any matter relating to the amalgamation.

Houlihan Lokey was not requested to opine as to, and Houlihan Lokey's opinion does not express an opinion as to or otherwise address: (i) the underlying business decision of Peak, its security holders or any other party to proceed with or effect the amalgamation, (ii) the terms of any arrangements, understandings, agreements or documents related to, or the form or any other portion or aspect of, the amalgamation or otherwise (other than the amalgamation consideration to the extent expressly specified in the opinion), (iii) the fairness of any portion or aspect of the amalgamation to the holders of any class of securities, creditors or other constituencies of Peak, or to any other party, except as set forth in Houlihan Lokey's opinion, (iv) the relative merits of the amalgamation as compared to any alternative business strategies that might exist for Peak or any other party or the effect of any other transaction in which Peak or any other party might engage, (v) the tax or legal consequences of the amalgamation to either Peak, its security holders, or any other party, (vi) the fairness of any portion or aspect of the amalgamation to any one class or group of Peak's or any other party's security holders vis-à-vis any other class or group of Peak's or such other party's security holders (including without limitation the allocation of any consideration amongst or within such classes or groups of security holders), (vii) whether or not Peak, its security holders or any other party is receiving or paying reasonably equivalent value in the amalgamation, (viii) the solvency, creditworthiness or fair value of Peak, or any other participant in the amalgamation under any applicable laws relating to bankruptcy, insolvency, fraudulent conveyance or similar matters, or (ix) the fairness, financial or otherwise, of the amount or nature of any compensation to or consideration payable to or received by any officers, directors or employees of any party to the amalgamation, any class of such persons or any other party, relative to the amalgamation consideration or otherwise. Furthermore, no opinion, counsel or interpretation of Houlihan Lokey was intended in matters that require legal, regulatory, accounting, insurance, tax or other similar professional advice. Houlihan Lokey assumed that such

opinions, counsel or interpretations were or would be obtained from the appropriate professional sources. Furthermore, Houlihan Lokey relied, with the consent of our board of directors, on the assessment by Peak and its advisers, as to all legal, regulatory, accounting, insurance and tax matters with respect to Peak and the amalgamation.

In preparing its opinion to our board of directors, Houlihan Lokey performed a variety of analyses, including those described below. The summary of Houlihan Lokey's analyses is not a complete description of the analyses underlying Houlihan Lokey's opinion. The preparation of a fairness opinion is a complex process involving various quantitative and qualitative judgments and determinations with respect to the financial, comparative and other analytical methods employed and the adaptation and application of these methods to the unique facts and circumstances presented. As a consequence, neither a fairness opinion nor its underlying analyses is readily susceptible to summary description. Houlihan Lokey arrived at its opinion based on the results of all analyses undertaken by it and assessed as a whole and did not draw, in isolation, conclusions from or with regard to any individual analysis, methodology or factor. Accordingly, Houlihan Lokey believes that its analyses and the following summary must be considered as a whole and that selecting portions of its analyses, methodologies and factors or focusing on information presented in tabular format, without considering all analyses, methodologies and factors or the narrative description of the analyses, could create a misleading or incomplete view of the processes underlying Houlihan Lokey's analyses and opinion. Each analytical technique has inherent strengths and weaknesses, and the nature of the available information may further affect the value of particular techniques.

In performing its analyses, Houlihan Lokey considered general business, economic, industry and market conditions, financial and otherwise, and other matters as they existed on, and could be evaluated as of, the date of its opinion. Houlihan Lokey's analyses involved judgments and assumptions with regard to industry performance, general business, economic, regulatory, market and financial conditions and other matters, many of which are beyond the control of Peak, such as the impact of competition on the business of Peak and on the industry generally, industry growth and the absence of any adverse material change in the financial condition and prospects of Peak or the industry or in the markets generally. No company, transaction or business used in Houlihan Lokey's analyses for comparative purposes is identical to Peak or the proposed amalgamation and an evaluation of the results of those analyses is not entirely mathematical. Houlihan Lokey believes that mathematical derivations (such as determining average and median) of financial data are not by themselves meaningful and should be considered together with qualities, judgments and informed assumptions. While the results of each analysis were taken into account in reaching its overall conclusion with respect to fairness, Houlihan Lokey did not make separate or quantifiable judgments regarding individual analyses. The implied reference range values indicated by Houlihan Lokey's analyses are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than those suggested by the analyses. In addition, any analyses relating to the value of assets, businesses or securities do not purport to be appraisals or to reflect the prices at which businesses or securities actually may be sold, which may depend on a variety of factors, many of which are beyond the control of Peak and Houlihan Lokey. Much of the information used in, and accordingly the results of, Houlihan Lokey's analyses are inherently subject to substantial uncertainty.

Houlihan Lokey's opinion was provided to our board of directors in connection with its consideration of the proposed amalgamation and was only one of many factors considered by our board of directors in evaluating the proposed amalgamation. Neither Houlihan Lokey's opinion nor its analyses were determinative of the amalgamation consideration or of the views of our board of directors or management with respect to the amalgamation or the amalgamation consideration. The type and amount of consideration payable in the amalgamation were determined through negotiation between Peak and Daewon and S&G, and the decision to enter into the amalgamation was solely that of our board of directors.

The following is a summary of the material analyses reviewed by Houlihan Lokey with our board of directors in connection with Houlihan Lokey's opinion rendered on March 26, 2008. The order of the analyses does not represent relative importance or weight given to those analyses by Houlihan Lokey. The analyses

Table of Contents

summarized below include information presented in tabular format. The tables alone do not constitute a complete description of the analyses. Considering the data in the tables below without considering the full narrative description of the analyses, as well as the methodologies underlying, and the assumptions, qualifications and limitations affecting, each analysis, could create a misleading or incomplete view of Houlihan Lokey's analyses.

For purposes of its analyses, Houlihan Lokey reviewed a number of financial and operating metrics, including:

Enterprise Value calculated as the value of the relevant company's outstanding equity securities (taking into account any outstanding warrants or other convertible securities) based on the relevant company's closing stock price, or equity value, plus net debt (calculated as outstanding indebtedness, preferred stock and capital lease obligations less the amount of cash on its balance sheet), as of a specified date;

Earnings before interest, taxes, depreciation, and amortization, or EBITDA;

Revenues; and

Earnings per share, or EPS.

In connection with its analyses, Houlihan Lokey also reviewed Peak's historical stock trading data and performed a liquidation analysis of Peak.

Unless the context indicates otherwise, enterprise values derived from the selected companies analysis described below were calculated using the closing price of Peak's shares and the shares of the selected materials, packaging, test, or electronic distribution services or related companies listed below as of March 20, 2008, and transaction values for the target companies derived from the selected transactions analysis described below were calculated as of the announcement date of the relevant transaction based on the estimated purchase prices paid in the selected transactions. Accordingly, this information may not reflect current or future market conditions. Estimates of Peak revenues and EBITDA for fiscal year 2008 and succeeding years were based on estimates provided by Peak's management. Estimates of fiscal year 2008 revenues and EBITDA for the selected materials, packaging, test, or electronic distribution services companies listed below were based on certain publicly available research analyst estimates for those materials, packaging, test, or electronic distribution services companies.

Appraisal Rights

Our shareholders have the right under Bermuda law to dissent from the approval of the amalgamation and to exercise appraisal rights and to receive payment in cash for the fair value of their shares as appraised by the Supreme Court of Bermuda (the Court). The fair value of our shares as appraised by the Supreme Court of Bermuda may be more or less than the amalgamation consideration to be paid to non-dissenting Peak shareholders in the amalgamation. To preserve their rights, shareholders who wish to exercise appraisal rights must not vote in favor of the approval of the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby and must, within one month of the giving of the Notice of Special General Meeting of Shareholders accompanying this proxy statement, apply to the Court to appraise the fair value of their shares. In the event the aggregate total number of our shares held by shareholders who exercise appraisal rights exceeds 15% of the total issued and outstanding shares, S&G will not be obligated to effect the amalgamation.

Within one month of the Court appraising the fair value of such shares, Peak would be required to pay to the dissenting shareholder an amount equal to the value of his shares as appraised by the Court or otherwise would be entitled to terminate the amalgamation in accordance with Section 106(7) of the Companies Act.

An appraisal by the Court is final and cannot be appealed. The costs of an appraisal application are in the discretion of the Court.

After the Effective Time, shares that are issued and outstanding immediately prior to the Effective Time that were held by shareholders who did not vote in favor of the amalgamation will be cancelled at the Effective Time and the consideration will be paid at the Effective Time to a bank nominated by S&G pursuant to the amalgamation agreement, subject to the rights of dissentient shareholders under Section 106 of the Companies Act.

Edgar Filing: PEAK INTERNATIONAL LTD - Form DEFM14A

The provisions of Bermuda law that grant appraisal rights and govern the foregoing procedures are attached as Annex D. You are encouraged to read these provisions carefully and in their entirety.

SECTION 106 OF THE COMPANIES ACT, WHICH SETS FORTH THE PROCEDURE FOR DISSENTING FROM THE AMALGAMATION AND EXERCISING APPRAISAL RIGHTS UNDER THE BERMUDA COMPANIES ACT, IS ATTACHED TO THIS PROXY STATEMENT AS ANNEX D. ANNEX D DOES NOT PURPORT TO BE A COMPLETE STATEMENT OF THE PROVISIONS OF THE COMPANIES ACT RELATING TO THE RIGHTS OF SHAREHOLDERS TO AN APPRAISAL OF THE VALUE OF THEIR SHARES AND IS QUALIFIED IN ITS ENTIRETY BY REFERENCE TO THE COMPANIES ACT. FAILURE TO FOLLOW THE CORRECT PROCEDURE STRICTLY MAY RESULT IN THE LOSS OF APPRAISAL RIGHTS.

Accounting Treatment

The amalgamation will be accounted for as a purchase transaction for financial accounting purposes.

Form of the Amalgamation

Subject to the terms and conditions of the amalgamation agreement and in accordance with Bermuda law, at the Effective Time, (i) Peak will become a wholly-owned subsidiary of S&G and (ii) each share outstanding immediately prior to the amalgamation will be cancelled in exchange for the right to receive \$2.00 per share in cash. Following the amalgamation, Peak will continue in the form of the amalgamated company under the name S&G Company, Ltd.

Amalgamation Consideration

At the Effective Time, each of our outstanding shares, other than shares held by S&G or Merger Sub and those shares held by shareholders who validly exercise their appraisal rights (as described in Proposal Two The Amalgamation Appraisal Rights), will be converted into the right to receive \$2.00 in cash, without interest. Shares held by S&G or Merger Sub will be canceled at the Effective Time without a right to receive the amalgamation consideration.

As of the Effective Time, all of our shares will no longer be outstanding and will automatically be canceled and will cease to exist and each holder of a certificate representing any of our shares (other than shareholders who have validly exercised their appraisal rights) will cease to have any rights as a shareholder, except the right to receive \$2.00 per share in cash. The price of \$2.00 per share was determined through arm s-length negotiations between S&G and us.

Conversion of Shares; Procedures For Exchange Of Certificates

The conversion of our shares into the right to receive \$2.00 per share in cash, without interest, will occur automatically at the Effective Time. As soon as reasonably practicable after the Effective Time, BNY Mellon Shareowner Services, the paying agent, will send a letter of transmittal to each former Peak shareholder. The letter of transmittal will contain instructions for obtaining cash in exchange for our shares. You should not return share certificates with the enclosed proxy.

Upon surrender of a share certificate representing our shares, together with a duly completed and validly executed letter of transmittal, and any other documents that may be reasonably required by the paying agent, the holder of the certificate will be entitled to receive from the paying agent, on behalf of S&G, as promptly as practicable in accordance with the paying agent s customary procedures, \$2.00 in cash for each share represented by the share certificate and that share certificate will be canceled.

Edgar Filing: PEAK INTERNATIONAL LTD - Form DEFM14A

In the event of a transfer of ownership of our shares that is not registered in our share transfer books, the amalgamation consideration for our shares may be paid to a person other than the person in whose name the surrendered certificate is registered if:

the certificate is properly endorsed or otherwise is in proper form for transfer; and

the person requesting such payment:

pays any transfer or other taxes resulting from the payment to a person other than the registered holder of the certificate; or

establishes that the tax has been paid or is not applicable.

No interest will be paid or accrued on any cash payable upon the surrender of share certificates representing our shares. The cash paid upon conversion of our shares will be issued in full satisfaction of all rights relating to our shares.

Material United States Federal Income Tax Consequences Of The Amalgamation

This section discusses certain material United States federal income tax consequences of the amalgamation to our shareholders whose shares of Peak are surrendered in the amalgamation in exchange for the right to receive cash consideration of \$2.00 per share or who receive cash in respect of dissenting shares of Peak pursuant to their appraisal rights. The discussion below applies only to our shareholders that hold our shares as capital assets at the time of the amalgamation, and the discussion may not apply to a shareholder in light of such shareholder's particular

Edgar Filing: PEAK INTERNATIONAL LTD - Form DEFM14A

circumstances or a shareholder subject to special tax rules, including, without limitation:

shareholders that are subject to special tax rules, such as financial institutions, insurance companies, dealers or traders in securities, tax-exempt organizations, persons that mark-to-market their securities, or persons that hold shares as part of a straddle, hedge or synthetic security transaction (including a conversion transaction) or other risk reduction transaction, or who are deemed to sell shares under the constructive sale provisions of U.S. tax law;

persons with a functional currency other than the U.S. dollar;

shareholders who are pass-through entities or investors in pass-through entities;

retirement plans and tax-exempt organizations;

Table of Contents

shareholders who acquired our shares pursuant to the exercise of share options, pursuant to participation in an employee share purchase plan or otherwise as compensation; or

shareholders that are nonresident alien individuals, foreign corporations, foreign partnerships, foreign trusts or foreign estates.

The discussion below is based upon United States federal income tax laws, as interpreted and as in effect as of the date of this proxy statement, and does not take into account possible changes in these tax laws or interpretations, any of which may be applied retroactively. No ruling from the U.S. Internal Revenue Service, or IRS, or opinion of counsel has been requested in connection with the amalgamation and there can be no assurance that the IRS will agree with the statements contained herein. The discussion does not include any description of the tax laws of any state, local or foreign government that may be applicable to our shareholders. **We recommend that all Peak shareholders consult their own tax advisors regarding their particular U.S. federal, state, local and foreign tax consequences of the arrangement, which may vary from the consequences described in this section.**

For United States federal income tax purposes, a Peak shareholder generally will recognize gain or loss equal to the difference between the cash received by the shareholder pursuant to the amalgamation or in respect of a dissenting share, as the case may be, and the shareholder's adjusted tax basis in our shares surrendered. Subject to the discussion below regarding the possible status of Peak as a passive foreign investment company, or PFIC, such gain or loss should be treated as a capital gain or loss. Gain or loss will be calculated separately for each block of shares converted in the amalgamation or surrendered pursuant to the exercise of appraisal rights, as the case may be (i.e., shares acquired at the same cost in a single transaction).

If Peak were to be classified as a PFIC for any taxable year in which a shareholder owned any shares of Peak, then a Peak shareholder could have different and adverse tax consequences upon disposition of such shareholder's shares in the amalgamation or in respect of dissenting shares, as the case may be. Peak will be treated as a PFIC if (i) at least 75% of our gross income for a taxable year consists of passive income, or (ii) at least 50% of the average value of all of our assets produce or are held for the production of passive income, including cash balances. For this purpose, passive income generally includes interest, dividends, some types of rents and royalties, annuities and the excess of gains over losses from the disposition of assets that produce these types of income. Shares of Peak held by a shareholder generally are treated as shares in a PFIC if, at any time during the holding period of the shareholder with respect to such shares, we were a PFIC. The application of the asset test may have resulted in Peak's classification as a PFIC during all or a portion of a Peak shareholder's holding period due to the high proportion of Peak's cash balances compared with its total assets.

If Peak was or currently is classified as a PFIC, unless a Peak shareholder made a timely specific election described below, a special tax regime would apply to any (i) excess distribution, which would be the excess of any distribution received by such holder in any year over 125% of the average annual distributions received by such holder in the three preceding years or such holder's holding period, if shorter; and (ii) any gain recognized on the sale or other disposition of the Peak shares, including the amalgamation. Under this default regime, any excess distribution or recognized gain would be treated as ordinary income and would be subject to tax as if the excess distribution or gain had been realized ratably over such holder's holding period for the Peak shares. As a result of this treatment, a Peak shareholder would be required to include amounts allocated to the current taxable year, as well as amounts allocated to years prior to the first year in which Peak was a PFIC, in its current year's gross income as ordinary income. Amounts allocated to prior years in which Peak was a PFIC would be taxed at the highest tax rate for each such prior year applicable to ordinary income, and the Peak shareholder would also be liable for interest on the deferred tax liability for each such prior year calculated as if such liability had been due with respect to each such prior year. Individual shareholders generally would not be allowed a deduction for interest on the deferred tax liability. These adverse tax consequences may be mitigated if such holder made a mark-to-market election or a QEF election, which is an election to have Peak treated as a qualified electing

Table of Contents

fund for U.S. federal income tax purposes. Each Peak shareholder is urged to consult its own tax adviser concerning the potential application of the PFIC rules to such holder's ownership and disposition of Peak shares.

If the foregoing does not apply, and at the time of the amalgamation a non-corporate shareholder's holding period for our shares is more than one year, then any gain recognized generally will be long-term capital gain, subject to United States federal income tax at a maximum rate of 15%. If the non-corporate shareholder's holding period for our shares is one year or less at the time of the amalgamation, any gain will be short-term capital gain, subject to United States federal income tax at the same rate as ordinary income. There are limits on the deductibility of capital losses. A shareholder who receives cash in respect of a dissenting share will generally be subject to the federal income tax treatment set forth above, but such holders should consult their own tax advisors with respect to the tax treatment of any interest awarded by a court and any taxes withheld on such interest.

For corporations, capital gain is taxed at the same rate as ordinary income, and capital loss in excess of capital gain is not deductible. Corporations, however, generally may carry back capital losses up to three taxable years and carry forward capital losses up to five taxable years.

Certain shareholders may be subject to information reporting with respect to the cash consideration they received in the amalgamation or in respect of a dissenting common share, as the case may be. In addition such shareholders may be subject to backup withholding at a 28% rate. Backup withholding generally will apply only if a non-corporate shareholder fails to furnish a correct social security number or other taxpayer identification number, or otherwise fails to comply with applicable backup withholding rules and certification requirements. Corporations generally are exempt from backup withholding. Each non-corporate shareholder should complete and sign the substitute Form W-9 that will be part of the letter of transmittal to be returned to the paying agent in order to provide the information and certification necessary to avoid backup withholding, unless an applicable exemption exists and is otherwise proved in a manner satisfactory to the paying agent. Any amounts withheld under the backup withholding rules will be allowed as a credit against the shareholder's United States federal income tax liability and may entitle the shareholder to a refund, provided the shareholder furnishes specified required information to the Internal Revenue Service.

Holders of our shares are strongly urged to consult their tax advisors as to the specific tax consequences to them of the amalgamation, including the applicability and effect of United States federal, state, local and foreign income and other tax laws in their particular circumstances.

Regulatory Matters

Notifications and antitrust reviews may be required in one or more jurisdictions. The parties are currently evaluating the need for such notifications. Those material to the closing will be effected as soon as possible. It is possible that any of the governmental entities with which filings are made may seek, as conditions for granting approval of the amalgamation, various regulatory concessions. There can be no assurance that S&G or we will be able to satisfy or comply with these conditions or be able to cause our respective subsidiaries to satisfy or comply with these conditions, or that compliance or noncompliance will not have adverse consequences for S&G after completion of the amalgamation, or that the required regulatory approvals will be obtained within the time frame contemplated by S&G and us or on terms that will be satisfactory to S&G and us. See "The Amalgamation Agreement - Conditions to the Completion of the Amalgamation" on page 48.

The amalgamation agreement provides that our board of directors may (subject to the conditions described below), in response to a written unsolicited acquisition proposal that is not withdrawn in writing, engage or participate in discussions or negotiations with and furnish information to the party making such acquisition proposal, provided that our board of directors:

thereunder) beneficially owning twenty percent (20%) or more of our total outstanding voting securities, or that of any of our subsidiaries;

any merger, consolidation, business combination or similar transaction involving us pursuant to which our shareholders immediately preceding such a transaction would hold less than eighty percent (80%) of the equity interests in the surviving or resulting entity of such a transaction;

The amalgamation agreement provides that our board of directors may withhold, withdraw, modify or change its recommendation in favor of the amalgamation at any time prior to our shareholders' approval of the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby, but only to terminate the amalgamation agreement in accordance with the termination procedures described below under the sub-heading Termination, and only if:

a superior proposal (as described below) is made to us and is not withdrawn, and, concurrent with the termination of the amalgamation agreement our board of directors causes us to enter into a definitive agreement with respect to such a superior proposal;

neither we nor any of our subsidiaries nor any of our or their representatives have violated any of the restrictions regarding solicitation set forth above in connection with such superior proposal; and

our board of directors concludes in good faith, after consultation with our outside legal counsel, that in light of such superior proposal, the failure to withhold, withdraw, modify or change its recommendation would be inconsistent with its fiduciary duties to us and our shareholders under applicable law.

The amalgamation agreement provides that the term superior proposal means an unsolicited written offer made by a third party to consummate any acquisition proposal believed by our board of directors to be bona fide on terms that our board of directors determines in its reasonable good faith judgment (after consultation with our financial advisor) to be more favorable to our shareholders from a financial point of view than the terms of the amalgamation with S&G. However, any such offer will not be deemed to be a superior proposal if any financing required to complete the transaction contemplated by such an offer is not committed and is not likely in the reasonable judgment of our board of directors to be obtained by such third party on a timely basis.

Commercially Reasonable Efforts. Except as otherwise limited by the terms of the amalgamation agreement, we and S&G have each agreed to use our commercially reasonable efforts to take actions necessary, proper or advisable to complete the amalgamation, including:

taking all reasonable actions necessary to satisfy the conditions to the amalgamation;

obtaining of all necessary actions or non-actions, waivers, consents, approvals, rulings, exemptions, orders and authorizations and waivers from governmental entities;

Edgar Filing: PEAK INTERNATIONAL LTD - Form DEFM14A

making all necessary registrations, declarations and filings with governmental entities;

taking all commercially reasonable steps necessary to avoid any suit, claim, action, investigation or proceeding by any governmental entity;

the execution or delivery of any additional instruments reasonably necessary to consummate the transactions contemplated by, and to fully carry out the purposes of, the amalgamation agreement; and

obtaining all necessary consents, approvals or waivers from third parties.

However, neither we nor S&G is bound under the amalgamation agreement to:

agree to dispose, transfer or hold separate any material assets, to discontinue offering any material product or service, to enter into any licensing or similar arrangement with respect to

any material technology, software or other proprietary asset, or to make any agreement with respect to our future operations except where such action would not in S&G's sole good faith judgment be materially burdensome on S&G and us, taken as a whole; or

litigate any suit, claim, action, investigation or proceeding, whether judicial or administrative, that challenges or seeks to restrain or prohibit the completion of the amalgamation except where such litigation would not be advisable as determined in good faith by us.

Guaranty of S&G and Merger Sub Obligations. Under the amalgamation agreement, Daewon guarantees the performance of S&G and Merger Sub and of all obligations of S&G and Merger Sub pursuant to the amalgamation agreement. S&G shall cause Merger Sub to comply with all of its obligations under the amalgamation agreement and guarantees such performance.

Payment of Certain Accounts Payable and Closing Costs. Within five (5) days following the closing date of the amalgamation agreement, S&G shall to the extent not previously paid by us, cause the amalgamated company to pay in full all of our and our subsidiaries' accounts payable and all costs and expenses incurred by us in connection with the amalgamation agreement and the amalgamation.

Agreement to Defend; Shareholder Litigation. In the event any claim, action, suit, investigation or other legal or administrative proceeding by any governmental entity or other person is commenced that questions the validity or legality of the amalgamation or seeks damages in connection with the amalgamation, each of us, S&G, Daewon and Merger Sub agree to use commercially reasonable efforts to defend against and respond thereto. We agree to give S&G a reasonable opportunity to participate in the defense or settlement of any shareholder litigation against us or our directors related to the amalgamation provided that no such settlement shall be agreed without S&G's consent, which shall not be unreasonably withheld.

Conditions to the Completion of the Amalgamation. Each party's obligation to effect the amalgamation is subject to the satisfaction or waiver of various conditions, which include the following:

S&G and we are obligated to effect the amalgamation only if the following conditions are satisfied or waived:

the amalgamation agreement, the amalgamation and the transactions contemplated thereby shall have been approved and adopted by the requisite vote of the shareholders of Peak in accordance with the Bermuda Act and the Peak Charter Documents;

no governmental entity shall have enacted, issued, promulgated, enforced or entered any statute, rule, regulation, executive order, decree, injunction or other order (whether temporary, preliminary or permanent) that has the effect of making the amalgamation illegal or prohibiting the consummation of the amalgamation;

any material notifications, approvals or waiting periods under any other applicable competition laws must have been satisfied, received, terminated or expired;

all publications and filings required under the Companies Act, must be performed and all Bermuda governmental entity approvals required pursuant to the Companies Act for the consummation of the amalgamation and the other transactions contemplated by the amended amalgamation agreement must be obtained;

no order suspending the use of the proxy statement or any part thereof shall have been issued and no proceeding for that purpose shall have been initiated or threatened in writing by the SEC.

S&G and Merger Sub will not be obligated to effect the amalgamation unless the following conditions are satisfied or waived:

our representations and warranties must be true and correct as of March 26, 2008 and as of the closing date of the amalgamation (except for representations and warranties which address only matters as of a particular date, which shall have been true and correct as of that particular date, or, for certain representations and warranties that individually or in the aggregate would not reasonably be expected to have a material adverse effect on us);

we must have performed in all material respects all agreements and covenants required to be performed by us under the amalgamation agreement at or prior to the closing date of the amalgamation and S&G shall have received a certificate to such effect signed on behalf of Peak by the chief executive officer and the chief financial officer of Peak;

S&G shall have received duly executed copies of certain consents, waivers or approvals in substance reasonably satisfactory to S&G;

the aggregate total number of Peak shares held by dissentient shareholders (as defined in the amalgamation agreement), if any, shall be no more than 15% of the total issued and outstanding Peak shares as of immediately prior to the Effective Time;

certain of our management employees shall have executed resignation letters and settlement and release agreements in forms previously agreed by S&G and us;

all directors of Peak and each of our subsidiaries shall have executed resignation letters in form reasonably satisfactory to S&G which shall become effective as of the closing of the amalgamation; and

we shall have taken such actions necessary to terminate the Peak option plans without the incurrence of any costs or liability to us (other than incidental legal and other administrative costs), and shall have obtained releases from certain directors and officers of Peak with respect to the conversion of all of such directors and officers Peak share options as described in the amalgamation agreement without the incurrence of any costs or liability to us (other than incidental legal and other administrative costs).

We will not be obligated to effect the amalgamation unless the following conditions are satisfied or waived:

the representations and warranties of S&G and Merger Sub must be true and correct as of March 26, 2008 and as of the closing date of the amalgamation (except for representations and warranties which address only matters as of a particular date, which shall have been true and correct as of that particular date, or, for certain representations and warranties that individually or in the aggregate would not reasonably be expected to have a material adverse effect on S&G); and

each of S&G and Merger Sub must have performed in all material respects all agreements and covenants required to be performed by it under the amalgamation agreement at or prior to the closing date of the amalgamation and Peak shall have received a certificate to such effect signed on behalf of S&G by an authorized officer of S&G.

Material Adverse Effect. Several of our representations and warranties contained in the amalgamation agreement are qualified by reference to whether the item in question is reasonably likely to have a material adverse effect on us. The amalgamation agreement provides that a material adverse effect means, when used in connection with us or S&G, any change, event, violation, inaccuracy, circumstance or effect that, individually or when taken together with all other such changes, events, violations, inaccuracies, circumstances or effects that have occurred prior to the date of determination of the occurrence of the material adverse effect, is or is reasonably likely to be materially adverse to the business, assets (including intangible assets), financial condition

or results of operations of such entity and its subsidiaries, taken as a whole. However, the following, alone or in combination, will not be deemed to constitute a material adverse effect and will not be taken into account in determining whether there has been or will be a material adverse effect on any entity:

any change in the entity's share price or trading volume in and of itself (but not the underlying cause of any such change);

any change, event, violation, inaccuracy, circumstance or effect that results from changes, events or circumstances affecting (A) any of the industries in which such entity operates generally, or (B) general economic conditions (which changes, events or circumstances in the case of (A) and (B) do not disproportionately affect such entity);

any change, event, violation, inaccuracy, circumstance or effect resulting from public announcement or pendency of the amalgamation agreement and the amalgamation, including any loss, diminution or disruption, whether actual or threatened, of existing or prospective customer, distributor or supplier relationships that results therefrom;

any change, event, violation, inaccuracy, circumstance or effect resulting from acts of war or terrorism or any escalation thereof in and of itself (but excluding any changes or effect uniquely on or uniquely with respect to Peak resulting from any such act pursuant to this clause (iv));

any change, event, violation, inaccuracy, circumstance or effect that results from any action or inaction taken by S&G;

compliance with the terms of, or the taking of any action required to be taken by the amalgamation agreement, or actions or omissions of Peak or any of its subsidiaries that S&G has requested or to which S&G has consented;

any failure, in and of itself, of Peak to meet internal or published projections, forecasts or revenue or earnings projections for any period (it being understood that the facts or occurrences giving rise or contributing to any such failure that are not otherwise excluded from the definition of a material adverse effect may be taken into account in determining whether there has been a material adverse effect); and

the institution of litigation against Peak or any of its officers or directors alleging breach of their fiduciary duties in connection with the negotiation, execution or performance of the amalgamation agreement or the transactions contemplated by the amalgamation agreement.

Termination. S&G and we can terminate the amalgamation agreement under certain circumstances, including:

by mutual written consent of S&G and us;

by either S&G or us, if the amalgamation has not been completed by September 30, 2008 for any reason, provided, however, that this right to terminate the amalgamation agreement will not be available to a party whose action or failure to act was a principal cause of or resulted in the failure of the amalgamation to be completed by September 30, 2008 and that action or failure to act constituted a material breach of the amalgamation agreement;

Edgar Filing: PEAK INTERNATIONAL LTD - Form DEFM14A

by either S&G or us, if a governmental entity shall have issued any final and nonappealable order, decree or ruling or any other action having the effect of permanently restraining, enjoining or otherwise prohibiting the amalgamation;

by either S&G or us, if our shareholders do not approve the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby at a duly held shareholders meeting; provided however, that in such event Peak shall reimburse S&G within five (5) business days of such termination, for up to \$150,000 in the aggregate, for all documented out-of-pocket expenses incurred by S&G prior

to such date with respect to the amalgamation agreement and the transactions and matters contemplated thereby;

by either S&G or us, if the other party has breached any of its representations, warranties, covenants or other agreements contained in the amalgamation agreement, or if any representation or warranty has become untrue, in either case such that any of the conditions to the amalgamation would not be satisfied as of the time of the breach or as of the time such representation or warranty became untrue and has not been, or is incapable of being cured, within thirty (30) calendar days after written notice of such breach or failure;

by S&G if any of the following triggering events occurs:

our board of directors or any of its committees for any reason withdraws or amends or modifies in a manner materially adverse to S&G, its recommendation in favor of the approval of the amalgamation agreement or the amalgamation;

we fail to include in this proxy statement the recommendation of our board of directors in favor of the approval of the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby;

our covenants relating to no solicitation are materially breached;

our board of directors or any of its committees approves or publicly recommends any other acquisition proposal;

we enter into any letter of intent or similar document or any contract or commitment accepting any other acquisition proposal;

a tender or exchange offer relating to our securities is commenced by a person unaffiliated with S&G and we have not sent to our shareholders, within ten (10) business days after such a tender or exchange offer is first published, sent or given, a statement disclosing that our board of directors recommends rejection of such tender or exchange offer; or

a material adverse effect occurred to us and has not been cured, or is incapable of being cured, within thirty (30) calendar days after written notice from S&G of such material adverse effect;

by us, if prior to obtaining shareholder approval, we receive a superior proposal and:

concurrently with exercising our termination right, we enter into an acquisition agreement in connection with the superior proposal;

the superior proposal was unsolicited and did not otherwise result from a breach of our covenant relating to no-solicitation;

before exercising this termination right, we wait until the third business day following S&G's receipt of a written notice advising S&G that our board of directors has received a superior proposal, providing a copy of the acquisition agreement in connection with the superior proposal and stating that our board of directors intends to exercise its right to terminate the amalgamation agreement and S&G has had the opportunity to meet with us to suggest modifications to the terms of our agreement that S&G may deem advisable; and

Edgar Filing: PEAK INTERNATIONAL LTD - Form DEFM14A

we pay a termination fee concurrently with termination of the amalgamation agreement, as described below.

Termination Fee. The amalgamation agreement requires that we pay S&G a termination fee of approximately \$1,242,330, which is equal to 5% of the total amount of consideration payable pursuant to the amalgamation agreement (inclusive of any expense reimbursement described below), if, among other things:

S&G terminates the amalgamation agreement as a result of a triggering event, as described above;

the fiduciary duties of our board of directors requires us to terminate the amalgamation agreement in connection with our entering into a definitive agreement related to an acquisition proposal which qualifies as a superior offer, as described above; or

Table of Contents

S&G or we terminate the amalgamation agreement because we failed to obtain the required approval of our shareholders, and any of the following occurs:

within six (6) months following the termination of our amalgamation agreement with S&G, an acquisition of us is completed; or

a third party has made an acquisition proposal to our board of directors prior to the meeting of our shareholders to vote on the amalgamation, and within twelve (12) months following the termination of our amalgamation agreement with S&G, an acquisition of us is completed.

Expenses. The amalgamation agreement provides that regardless of whether the amalgamation is consummated, all expenses incurred by the parties shall be borne by the party incurring such expenses. Notwithstanding the foregoing, if S&G or we terminate the amalgamation agreement because we failed to obtain the required approval of our shareholders, the amalgamation agreement requires us to reimburse S&G within five (5) business days of such termination for documented out-of-pocket expenses incurred prior to such date incurred by S&G with respect to the amalgamation agreement and the transaction contemplated thereby not to exceed \$150,000.

Amendment; Extension and Waiver. The amalgamation agreement may be amended by the parties in writing at any time, before or after shareholder approval has been obtained. At any time prior to the Effective Time, the parties may:

extend the time for the performance of any of the obligations or other acts of the other parties;

waive any inaccuracies in the representations and warranties contained in the amalgamation agreement or in any document delivered pursuant to the amalgamation agreement; or

waive compliance with any of the agreements or conditions contained in the amalgamation agreement.

Any amendments, extensions or waivers must be made in writing.

The Voting Agreement

In order to induce S&G to enter into the amalgamation agreement, certain of our shareholders (affiliated with our director Russ Silvestri and Skiritai Capital) who collectively owned approximately 19.9% of our outstanding shares as of March 26, 2008, entered into a voting agreement with S&G. Pursuant to the voting agreement, these shareholders have agreed to vote their Peak shares in favor of the approval of the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby, and against any proposal adverse to the amalgamation. These shareholders have also agreed to irrevocably appoint certain officers of S&G as their lawful attorneys and proxies with respect to the approval of the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby. These proxies give S&G the limited right to vote the Peak shares owned by these shareholders, including shares acquired by these shareholders after the date of the voting agreement, in favor of the approval of the amalgamation agreement, the amalgamation and the transactions and matters contemplated thereby, and against any proposal adverse to the amalgamation. These shareholders may vote their shares on all other matters.

None of the shareholders who are parties to the voting agreement were paid additional consideration in connection with entering into the voting agreement. However, you should be aware that these shareholders are affiliated with a member of our board of directors and they may have interests in the amalgamation that are different from, or in addition to, yours. See Proposal Two The Amalgamation Interests of Peak's Directors and Management in the Amalgamation.

Pursuant to the voting agreement, each shareholder who is a party agreed not to sell Peak shares or options owned, either directly or indirectly, by such shareholder until the earlier of the termination of the amalgamation agreement or the Effective Time.

This agreement of holders of 19.9% of our shares to vote in favor of the amalgamation, the amalgamation agreement and the transactions and matters contemplated thereby will mean that if the minimum quorum is present (meaning that two members entitled to vote are present in person or by proxy or (in the case of a member being a corporation) by its duly authorized representative representing not less than one-third in nominal value of our shares issued and outstanding), and the amendment is approved, then there will be sufficient votes cast for approval and adoption of the amalgamation, the amalgamation agreement and the transactions and matters contemplated thereby to ensure its passage without the vote of any other shareholders.

The form of voting agreement is attached to this proxy statement as Annex B and you are encouraged to read it in its entirety.

Table of Contents**Securities Ownership of Certain Beneficial Owners and Management**

The following table shows the shares beneficially owned as of April 7, 2008 by:

each person who is known by us to beneficially own 5% or more of our outstanding shares;

each of our named executive officers;

each of our directors; and

all our executive officers and directors as a group.

The number of shares beneficially owned includes shares which the named person has the right to acquire, through conversion, option or warrant exercise, or otherwise, within 60 days after April 7, 2008. Percentage of beneficial ownership is based on 12,423,306 shares outstanding as of April 7 2008. Beneficial ownership calculations for 5% shareholders are based solely on publicly-filed Schedule 13Ds or 13Gs, which 5% shareholders are required to file with the SEC, and which generally set forth ownership interests as of April 7, 2008. Shareholder Proposals

We will hold a 2008 annual meeting of our shareholders only if the amalgamation is not completed.

Pursuant to Rule 14a-8 under the Exchange Act, shareholders may present proper proposals for inclusion in our proxy statement and for consideration at the 2008 annual meeting of shareholders by submitting their proposals to us in a timely manner. In order to be included in our proxy material for the 2008 annual meeting of shareholders, shareholder proposals must have been received by us on or before April 12, 2008 and have complied with the requirements of Rule 14a-8 of the Securities Exchange Act of 1934, as amended, and our bye-laws.

Although information received after such date will not be included in proxy materials sent to shareholders, a shareholder proposal may still be presented at the annual general meeting if such proposal complies with Peak's bye-laws then in effect. In accordance with bye-law 59 of Peak's bye-laws, shareholder proposals may be brought before an annual general meeting only if such proposal is made pursuant to written notice timely given to Peak's Secretary accompanied by certain information. To be timely, a shareholder's written notice must be received at the principal offices of Peak not less than ninety (90) days prior to anniversary date of the prior year's annual general meeting. The chairman of the annual general meeting may review proposals from eligible shareholders which it receives by that date and will determine whether any such proposal has been received in accordance with Peak's bye-laws and whether any such proposal will be acted upon at the annual general meeting.

In addition, Section 79 of the Companies Act 1981 of Bermuda, provides that shareholders representing either: (1) not less than 5% of the total voting rights of all the shareholders having a right to vote at an annual general meeting of Peak; or (2) not less than one hundred shareholders; may require a proposal to be submitted to an annual general meeting. Generally, notice of such a proposal must be received by Peak at its principal offices not less than six weeks before the date of the meeting, unless the meeting is subsequently called for a date six weeks or less after the notice has been deposited.

In order to curtail controversy as to the date on which a proposal was received by us, it is suggested that proponents submit their proposals by Certified Mail, Return Receipt Requested to Peak International Limited, Flat E & F, 19/F., CDW Building, 388 Castle Peak Road, Tsuen Wan, New Territories, Hong Kong, Attention: Secretary.

Other Matters

As of the date of this proxy statement, our board of directors knows of no matters that will be presented for consideration at the Special General Meeting other than as described in this proxy statement.

AGREEMENT AND PLAN OF AMALGAMATION

This AGREEMENT AND PLAN OF AMALGAMATION (the **Agreement**) is made and entered into as of March 26, 2008, by and between S&G Company, Ltd., a corporation organized and existing under the laws of the Republic of Korea (**S&G**), Daewon Semiconductor Packaging Industrial Co., Ltd., a corporation organized and existing under the laws of the Republic of Korea (**Daewon**), and Peak International Limited, a Bermuda exempted company (**Peak**). S&G will incorporate Merger Sub and cause Merger Sub (as defined in Section 5.1) to become a party to this Agreement in accordance with Section 5.1.

RECITALS

A. Upon terms and subject to the conditions of this Agreement, Peak and Merger Sub will amalgamate and merge with each other in accordance with Section 104 of the Bermuda Companies Act 1981 (the **Bermuda Act**) (the Amalgamation), and such amalgamated and merged entity, the **Amalgamated Company**, such that the Amalgamated Company will be a Bermuda exempted company and following which, pursuant to the Bermuda Act, the Amalgamated Company will become a wholly owned subsidiary of S&G, and each Peak Share (as defined below) will be cancelled in exchange for cash in the amount of US\$2.00, all in accordance with this Agreement and the Bermuda Act; and

B. The Board of Directors of Peak has: (i) determined that this Agreement, the Amalgamation and the other transactions contemplated by this Agreement are fair to, and in the best interests of, Peak and its shareholders, and that, considering the financial position of the amalgamating companies, no reasonable concern exists that the Amalgamated Company will be unable to fulfill the obligations of Peak to its creditors as those obligations fall due or that the realizable value of the Amalgamated Company's assets will be less than the aggregate of its liabilities and issued share capital and share premium account; (ii) subject to the approval of Peak shareholders as provided in Section 2.4, approved this Agreement, the Amalgamation and the other transactions contemplated by this Agreement; and (iii) subject to Section 5.2(d), determined to recommend that the shareholders of Peak approve this Agreement, the Amalgamation and the other transactions contemplated by this Agreement; and

C. The Board of Directors of each of S&G and Daewon has approved this Agreement, the Amalgamation and the other transactions contemplated by this Agreement and the Board of Directors of each of S&G and Daewon has determined that, considering the financial position of the amalgamating companies, no reasonable concern exists that the Amalgamated Company will be unable to fulfill the obligations of Merger Sub to its creditors; and

D. Concurrently with the execution of this Agreement and as a condition and inducement to S&G's willingness to enter into this Agreement, certain shareholders of Peak are entering into voting agreements in substantially the form attached hereto as Exhibit A (the **Voting Agreements**).

NOW, THEREFORE, in consideration of the foregoing premises, the mutual covenants, promises and representations set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and accepted, the parties agree as follows:

ARTICLE I

THE AMALGAMATION

1.1 The Amalgamation Transaction. At the Effective Time (as defined in Section 1.2) and subject to and upon the terms and conditions of this Agreement and the applicable provisions of the Bermuda Act, (a) Peak and Merger Sub will amalgamate and merge with each other pursuant to Section 104 of the Bermuda Act, such that the Amalgamated Company, which shall be named S&G Company, Ltd., will be a Bermuda exempted company and a wholly owned subsidiary of S&G and shall succeed to, and assume all of the rights, properties and

obligations of, Peak; and (b) all Peak Shares will be cancelled in exchange for the right to receive the Per Share Consideration (or in the case of Dissident Shareholders, the fair value appraised by the Supreme Court of Bermuda) in accordance with Section 1.3(b) hereof, all in accordance with the provisions of the Bermuda Act and this Agreement; and (c) The Memorandum of Association and Bye-Laws of Merger Sub shall be the memorandum of association and bye-laws respectively of the Amalgamated Company for the purposes of Section 105 of the Bermuda Act.

1.2 Closing Date. Subject to the terms and conditions of this Agreement, the closing of the Amalgamation and the other transactions contemplated by this Agreement (the **Closing**) shall take place at a time and on a date to be designated by the parties (the date upon and time at which the Closing actually occurs being referred to herein as the **Closing Date** and the **Effective Time**, respectively), which date shall be no later than the second business day (or such other period of time mutually agreed to by the parties) following the satisfaction or waiver of the conditions set forth in Article VI hereof (other than those conditions which by their terms are to be satisfied or waived as of the Closing).

1.3 Effect on Share Capital. Subject to the terms and conditions of this Agreement, at the Effective Time, by virtue of the Amalgamation, the following shall occur:

(a) Amalgamation of Peak and Merger Sub. Peak and Merger Sub will amalgamate and merge with each other pursuant to with Section 104 of the Bermuda Act, and the separate corporate existence of Peak shall cease and Merger Sub shall continue as the Amalgamated Company.

(b) Cancellation of Peak Shares; Dissident Shareholders.

(i) Each Common Share, par value US\$0.01 per share, in the capital of Peak (the **Peak Shares**) issued and outstanding immediately prior to the Effective Time, other than any Peak Shares owned by any direct or indirect wholly-owned Subsidiary of Peak or by Dissident Shareholders (as defined below), shall automatically be cancelled and represent solely the right to receive an amount equal to US\$2.00 (the **Per Share Consideration**), subject to the provisions of Section 1.3(e), payable to each person who was a registered holder of such Peak Share immediately prior to the Effective Time upon surrender of the certificate representing such Peak Share in the manner provided in Section 1.4 (or in the case of a lost, stolen, destroyed or unissued certificate, upon delivery of an affidavit (and bond, if required) in the manner provided in Section 1.6).

(ii) Each Peak Share held by a Dissident Shareholder shall be cancelled immediately prior to the Effective Time and shall represent solely the right to receive the value thereof as appraised by the Supreme Court of Bermuda under Section 106 of the Bermuda Act.

(iii) Each share of par value US\$0.01 in the capital of Merger Sub in issue on the Effective Date shall be converted into one validly issued and fully paid share of par value US\$0.01 in the capital of the Amalgamated Company.

Dissident Shareholder shall mean a person entered in the register of members of Peak who has not voted in favor of the Amalgamation and who makes an application to the Supreme Court of Bermuda pursuant to Section 106(6) of the Bermuda Act.

(c) Subsidiary-Owned Stock. Notwithstanding the provisions of Section 1.3(b), at the Effective Time, each Peak Share that is owned by any direct or indirect wholly-owned Subsidiary of Peak immediately prior to the Effective Time shall be converted into shares of the Amalgamated

Company and shall not be exchanged under Section 1.3(b) and no Per Share Consideration shall be delivered with respect thereto.

(d) Stock Options. At the Effective Time, all Peak Share Options then outstanding (as defined in Section 2.3(a)) shall be treated in accordance with Section 5.10(a).

(e) Adjustments to Per Share Consideration. Without derogating from any other provision of this Agreement, the Per Share Consideration shall be adjusted to reflect appropriately the effect of any share

consolidation or subdivision, forward or reverse stock split, bonus issue, stock dividend (including any dividend or distribution of securities convertible into Peak Shares), reorganization, recapitalization, reclassification, combination, exchange of shares or other like change with respect to Peak Shares occurring on or after the date hereof and prior to the Effective Time.

(f) Directors and Officers of the Amalgamated Company. The officers of the Amalgamated Company immediately after the Amalgamation shall be as determined by S&G in its sole discretion. The directors of the Amalgamated Company immediately after the Amalgamation shall be (i) Sungyuk Won and (ii) David Schulze (collectively, the **Directors**). The address of the Directors shall be as set forth in Section 8.2(a).

1.4 Surrender of Certificates. (a) Paying Agent. S&G shall appoint a bank or trust company reasonably acceptable to Peak to act as the paying agent (the **Paying Agent**) in respect of the Amalgamation, to receive the aggregate Per Share Consideration to which holders of the Peak Shares shall become entitled pursuant to Section 1.3 (collectively the **Merger Consideration**).

(b) S&G to Provide Per Share Consideration. At the Effective Time, S&G shall deposit with the Paying Agent the Merger Consideration payable pursuant to Section 1.3 in payment for the cancellation of the Peak Shares outstanding immediately prior to the Effective Time. Such funds shall be held in trust by the Paying Agent for the benefit of the applicable holders of such previously outstanding Peak Shares.

(c) Payment Procedures. As soon as reasonably practicable after the Effective Time, S&G shall cause the Paying Agent to mail to each person entered in the register of members of Peak (immediately prior to the Effective Time) holding Peak Shares (other than those holders who had previously properly delivered their certificates or certificates which immediately prior to the Effective Time represented outstanding Peak Shares (each, a **Certificate** and collectively, the **Certificates**) to the Paying Agent): (i) a letter of transmittal in customary form (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Paying Agent), and (ii) instructions for use in effecting the surrender of the Certificates for the Per Share Consideration. Upon surrender of Certificates for cancellation to the Paying Agent, together with such letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, the holders of such Certificates shall be entitled to receive in payment therefor the Per Share Consideration multiplied, in each case, by all Peak Shares formerly represented by such Certificates, and the Certificates so surrendered shall forthwith be canceled. No interest shall accrue or be paid on the amounts payable pursuant to Section 1.3 upon the surrender of any Certificate for the benefit of the holder of such Certificate. Until so surrendered, outstanding Certificates will be deemed from and after the Effective Time for all corporate purposes to evidence only the prima facie ownership of the right to receive the Per Share Consideration.

(d) Withholding. Each of the Paying Agent, S&G and the Amalgamated Company shall be entitled to deduct and withhold from any consideration payable or otherwise deliverable pursuant to this Agreement, such amounts as may be required to be deducted or withheld therefrom, or under any provision of applicable law or any other applicable requirement. To the extent such amounts are so deducted or withheld, such amounts shall be treated for all purposes under this Agreement as having been paid to the person to whom such amounts would otherwise have been paid.

(e) No Liability. Notwithstanding anything to the contrary in this Section 1.4, neither the Paying Agent nor any party hereto shall be liable to a holder or former holder of Peak Shares for any amount properly paid to a public official pursuant to any applicable abandoned property, escheat or similar law.

1.5 Peak's Register of Members Closed; No Further Ownership Rights in Peak Shares. At the Effective Time: (i) the register of members of Peak shall be closed, and no transfer of any Peak Shares shall thereafter be made or consummated; and (ii) all holders of Peak Shares that were outstanding immediately prior to the Effective Time shall cease to have any rights as shareholders of Peak, other than the right to receive the Per

Share Consideration (or in the case of Dissident Shareholders, the fair value appraised by the Supreme Court of Bermuda). If, after the Effective Time, a valid Certificate is presented to the Paying Agent or to the Amalgamated Company or S&G, such Certificate shall be canceled and shall be paid for as provided in this Article I. The Per Share Consideration paid in accordance with the terms hereof shall be deemed to have been paid in full satisfaction of all rights pertaining to such Peak Shares.

1.6 Lost, Stolen, Destroyed or Unissued Certificates. In the event that any Certificates shall have been lost, stolen or destroyed, the Paying Agent shall pay such amounts as specified in Section 1.3, the Per Share Consideration, in exchange for such lost, stolen or destroyed Certificates, upon the making of an affidavit of that fact by the registered holder of the applicable Peak Shares immediately prior to the Effective Time; provided, however, that S&G and the Paying Agent may, in their sole discretion and as a condition precedent to such payment or issuance, require such registered holder to deliver a bond in such sum as it may reasonably direct as indemnity against any claim that may be made against S&G, the Amalgamated Company or the Paying Agent with respect to the Certificates alleged to have been lost, stolen or destroyed.

1.7 Taking of Necessary Action; Further Action. If, at any time after the Effective Time, any further action is necessary or desirable to carry out the purposes of this Agreement and to vest the Amalgamated Company with full right, title and possession to all assets, property, rights, privileges, powers and franchises of Peak and Merger Sub, the officers and directors of Peak and Merger Sub will take all such lawful and necessary action.

1.8 Tax Consequences. The Amalgamation is structured as a transaction that is intended to be taxable to holders of Peak Shares under the Internal Revenue Code of 1986, as amended (the **Code**), as and if applicable, and, notwithstanding Section 1.4(d) above, each holder of Peak Shares shall be exclusively responsible for the payment of their own tax liability under United States federal, state and local tax laws and foreign tax laws and neither S&G nor Peak or Merger Sub shall be so liable. No representation has been made to the contrary.

ARTICLE II

REPRESENTATIONS AND WARRANTIES OF PEAK

Peak hereby represents and warrants to S&G and Merger Sub, as of the date hereof, except (i) as are disclosed in writing in the disclosure schedule supplied by Peak to S&G, dated as of the date hereof and certified by a duly authorized officer of Peak (the **Peak Disclosure Schedule**), and (ii) for facts disclosed in, and reasonably apparent on the face of the disclosure contained in, the Peak SEC Reports (as defined below) filed with the SEC and publicly available after March 31, 2006, but prior to the date of this Agreement (other than forward-looking statements set forth in any risk factor section or in any other section); provided that in no event shall any disclosure in any such Peak SEC Report qualify or limit the representations and warranties of Peak set forth in Sections 2.1, 2.2, 2.3 and 2.4, as follows:

2.1 Organization and Qualification; Subsidiaries. (a) Each of Peak and its Subsidiaries is a corporation duly organized and validly existing and, where applicable, in good standing, under the laws of the jurisdiction of its incorporation and has the requisite corporate power and authority to own, lease and operate its assets and properties and to carry on its business as it is now being conducted. Each of Peak and its Subsidiaries is duly qualified or licensed as a foreign corporation to do business, and, where applicable is in good standing, in each jurisdiction where the character of the properties owned, leased or operated by it or the nature of its activities makes such qualification or licensing necessary, except for such failures to be so duly qualified or licensed and in good standing that would not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on Peak.

(b) Section 2.1(b) of the Peak Disclosure Schedule lists each of Peak's Subsidiaries of the date hereof, the jurisdiction of incorporation of each such Subsidiary, and Peak's equity interest therein. Except as set forth in Section 2.1(b) of the Peak Disclosure Schedule, neither Peak nor any of its Subsidiaries has agreed, is obligated

to make, or is bound by any written or oral agreement, contract, subcontract, lease, binding understanding, instrument, note, bond, mortgage, indenture, option, warranty, license, sublicense, benefit plan, obligation, commitment or binding undertaking of any nature (a **Contract**) under which it may become obligated to make any future investment in, or capital contribution to, any other entity. Except as set forth in the Peak Disclosure Schedule and other than Peak's interest in the Subsidiaries, neither Peak nor any of its Subsidiaries directly or indirectly owns any equity or similar interest in or any interest convertible, exchangeable or exercisable for, any equity or similar interest in, any person.

2.2 **Memorandum of Association; Bye-laws.** Peak has previously furnished to S&G a complete and correct copy of its Memorandum of Association and Bye-laws as amended to the date of this Agreement (together, the **Peak Charter Documents**). Such Peak Charter Documents and equivalent organizational documents of each of Peak's Subsidiaries are in full force and effect. Peak is not in violation of any of the provisions of the Peak Charter Documents, and no Subsidiary of Peak is in violation of its equivalent organizational documents.

2.3 **Capitalization.** (a) The authorized share capital of Peak consists of 100,000,000 common or ordinary shares, US\$0.01 par value per share. Peak has no class of share capital authorized other than the Peak Shares. As of the close of business (Hong Kong time) on March 26, 2008, (i) 12,423,306 Peak Shares were issued and outstanding, all of which Peak Shares were validly issued, fully paid and nonassessable; (ii) except as set forth in Section 2.3 of the Peak Disclosure Schedule, no Peak Shares were held by Subsidiaries of Peak; (iii) no Peak Shares were reserved for future issuance pursuant to Peak's ESPP because the Company has suspended all offering periods under the ESPP since January 1, 2005; and (iv) an aggregate of 2,884,781 Peak Shares were reserved for issuance under Peak's 1997 Share Option Plan and 1998 Share Option Plan (together, the **Peak Option Plans**), of which 1,476,279 were subject to outstanding options to purchase Peak Shares (**Peak Share Options**) and 1,408,502 were available for future options grants.

(b) Other than as described in Section 2.3(a) and except as set forth in the Peak Disclosure Schedule, as of the close of business (Hong Kong time) on March 26, 2008, there were no other shares, convertible securities, outstanding warrants, options or other rights to subscribe for, purchase or acquire from Peak or any of its Subsidiaries any share capital of Peak or any of its Subsidiaries and there were not any Contracts providing for the issuance of, or the granting of rights to acquire, any share capital of Peak or its Subsidiaries or under which Peak or any of its Subsidiaries is, or may become, obligated to issue any of its securities. Except as set forth in Section 2.3 of the Peak Disclosure Schedule, there are no commitments, agreements or understandings of any character to which Peak is bound obligating Peak to accelerate the vesting of any Peak Share Option as a result of the Amalgamation.

(c) Section 2.3 of the Peak Disclosure Schedule sets forth the following information with respect to each Peak Share Option outstanding as of the close of business (Hong Kong time) on March 26, 2008: (i) the name of the optionee; (ii) the particular plan, if applicable, pursuant to which such Peak Share Option was granted; (iii) the number of Peak Shares subject to such Peak Share Option; and (iv) the exercise price of such Peak Share Option. No outstanding Peak Shares are unvested or subject to any repurchase option in favor of Peak.

(d) All outstanding Peak Shares, all outstanding Peak Share Options, and all outstanding shares of capital stock of each Subsidiary of Peak have been issued and granted (i) in compliance in all material respects with all applicable securities laws and other applicable Legal Requirements (as defined below) and (ii) in material compliance with all applicable requirements set forth in Contracts. For the purposes of this Agreement, **Legal Requirements** means any U.S. federal or state law, or material local or municipal law, or Bermuda or other foreign law, statute, constitution, principle of common law, resolution, ordinance, code, edict, decree, rule, regulation, ruling or requirement issued, enacted, adopted, promulgated, implemented or otherwise put into effect by or under the authority of any Governmental Entity (as defined in Section 2.5(b)).

(e) Except for (i) securities that Peak owns, directly or indirectly through one or more Subsidiaries, free and clear of all liens, pledges, hypothecations, charges, mortgages, security interests, encumbrances, claims,

infringements, interferences, options, rights of first refusal, preemptive rights or restrictions of any nature (including any restriction on the voting of any security, any restriction on the transfer of any security or other asset other than pursuant to applicable securities laws and regulations, any restriction on the possession, exercise or transfer of any other attribute of ownership of any asset) (**Liens**), other than Liens for Taxes not yet due and payable, and (ii) shares of capital stock or other similar ownership interests of Subsidiaries that are owned by certain nominee equity holders as required by the applicable law of the jurisdiction of organization of such Subsidiaries (which shares or other interests do not materially affect Peak's control of such Subsidiaries), as of the date of this Agreement, there are no equity securities, partnership interests or similar ownership interests of any class of equity security of any Subsidiary, or any security exchangeable or convertible into or exercisable for such equity securities, partnership interests or similar ownership interests, issued, reserved for issuance or outstanding. Except as set forth in this Section 2.3, the Peak Disclosure Schedule or for appraisal rights under Section 106(6) of the Bermuda Act, there are no subscriptions, options, warrants, equity securities, partnership interests or similar ownership interests, calls, rights (including preemptive rights), commitments or agreements of any character to which Peak or any of its Subsidiaries is a party or by which it is bound, obligating Peak or any of the Subsidiaries to issue, deliver or sell, or cause to be issued, delivered or sold, or repurchase, redeem or otherwise acquire, or cause the repurchase, redemption or acquisition of, any shares of capital stock, partnership interests or similar ownership interests of Peak or any of its Subsidiaries or obligating Peak or any of its Subsidiaries to grant, extend, accelerate the vesting of or enter into any such subscription, option, warrant, equity security, call, right, commitment or agreement. Except as contemplated by this Agreement or as set forth in the Peak Disclosure Schedule, there are no registration rights and there is, except for the Voting Agreements, no voting trust, proxy, rights plan, anti takeover plan or other similar agreement or understanding to which Peak or any of its Subsidiaries is a party or by which they are bound with respect to any equity security of any class of Peak or with respect to any equity security, partnership interest or similar ownership interest of any class of any of its Subsidiaries.

(f) Peak's shares are not listed for trading on any foreign or domestic stock exchange other than Nasdaq, nor has Peak applied to list its shares on any such stock exchange.

2.4 Authority Relative to this Agreement. Peak has the requisite corporate power and authority to execute and deliver this Agreement and, subject to obtaining the approval of the Agreement, the Amalgamation and the transactions contemplated by this Agreement by a majority of the votes cast at the special general meeting called to consider the Amalgamation and the Agreement (the **Peak SGM**), to consummate the transactions contemplated hereby, and no other corporate proceedings (save in relation to procedures required by the Bermuda Act) on the part of Peak are necessary to authorize this Agreement or for Peak to perform its obligations hereunder. This Agreement has been duly and validly executed and delivered by Peak and, assuming the due authorization, execution and delivery by S&G and Merger Sub, constitutes a legal and binding obligation of Peak, enforceable against Peak in accordance with its terms, except as the enforceability thereof may be limited by applicable bankruptcy, insolvency, reorganization, fraudulent transfer, moratorium and other laws of general application relating to or affecting creditors' rights generally and laws relating to the availability of specific performance, injunctive relief or other equitable remedies. Except as set forth above, no vote or approval of: (i) any single creditor of Peak; (ii) any holder of any option or warrant granted by Peak; or (iii) any shareholder of any of the Subsidiaries of Peak is necessary in order to approve this Agreement, or to approve or permit the consummation of the Amalgamation and the other transactions contemplated by this Agreement.

2.5 No Conflict: Required Filings and Consents.

(a) The execution and delivery of this Agreement by Peak do not, and the performance of this Agreement by Peak will not: (i) conflict with or violate the Peak Charter Documents or the equivalent organizational documents of any of Peak's Subsidiaries; (ii) trigger any rights or similar poison pill plans; (iii) subject to compliance with the requirements set forth in Section 2.4 and this Section 2.5, conflict with or violate any law, rule, regulation, order, judgment or decree applicable to Peak or any of its Subsidiaries or by which its or any of their respective properties is bound or affected; or (iv) result in any breach of or constitute a

default (or an event that with notice or lapse of time or both would become a default) under, or materially impair Peak's or any of its Subsidiaries' rights or materially alter the rights or obligations of any third party under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of a Lien on any of the properties or assets of Peak or any of its Subsidiaries pursuant to, any material Contract to which Peak or any of its Subsidiaries is a party or by which Peak or any of its Subsidiaries or its or any of their respective properties are bound or affected, except to the extent such conflict, violation, breach, default, impairment or other effect would not in the case of clauses (iii) or (iv), individually or in the aggregate: (A) as of the date hereof reasonably be expected to have a Material Adverse Effect on Peak or materially delay consummation of the Amalgamation or otherwise prevent the parties hereto from performing their obligations under this Agreement.

(b) Other than with respect to procedures under the Bermuda Act, the execution and delivery of this Agreement by Peak does not, and the performance of this Agreement by Peak will not require any consent, approval, authorization or permit of, or filing with or notification to, any court, administrative agency, commission, governmental or regulatory authority, domestic or foreign, including the Bermuda Monetary Authority (each, a **Governmental Entity**) with respect to Peak, except: (i) for: (A) compliance with applicable requirements of the Securities Act of 1933, as amended (the **Securities Act**) and the Securities Exchange Act of 1934, as amended (the **Exchange Act**); (B) compliance with the pre-merger notification requirements of foreign Governmental Entities; and (C) compliance with the rules and regulations of Nasdaq; and (ii) where the failure to obtain such consents, approvals, authorizations or permits, or to make such filings or notifications: (A) would not as of the date hereof, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on Peak, or (B) would not prevent or materially delay consummation of the Amalgamation or otherwise prevent the parties hereto from performing their obligations under this Agreement.

2.6 Compliance with Laws; Environmental Matters; Permits.

(a) Definitions. For purposes of this Agreement, the following terms shall have the meanings set forth below:

(i) **Hazardous Material** is with respect to each jurisdiction, any material or substance that is prohibited or regulated by the applicable Environmental Law or that has been designated by the applicable Governmental Entity to be radioactive, toxic, hazardous or otherwise a danger to the environment, but excluding office and janitorial supplies properly maintained.

(ii) **Environmental Laws** are with respect to each jurisdiction all applicable laws, rules, regulations, orders, treaties, statutes, and codes promulgated by the applicable Governmental Entity which prohibit, regulate or control any Hazardous Material in such jurisdiction, including (to the extent applicable to Peak or any of its Subsidiaries), without limitation, the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, the Resource Recovery and Conservation Act of 1976, the Federal Water Pollution Control Act, the Clean Air Act, the Hazardous Materials Transportation Act, the Clean Water Act, and other comparable laws, rules, regulations, ordinances, orders, treaties, statutes, and codes of other Governmental Entities, the regulations promulgated pursuant to any of the foregoing, and all amendments and modifications of any of the foregoing, all as amended to date.

(b) Compliance with Laws. Neither Peak nor any of its Subsidiaries is, in any material respect, in conflict with, or in default or violation of, any law (including Environmental Laws and the Foreign Corrupt Practices Act of 1977, as amended), rule, regulation, order, judgment or decree applicable to Peak or any of its Subsidiaries or by which its or any of their respective material properties is bound or affected, except for any conflicts, defaults or violations that (individually or in the aggregate) would not reasonably be expected to have a Material Adverse Effect on Peak. To the knowledge of Peak, no investigation or review by any Governmental Entity is pending or, to the knowledge of Peak, threatened against Peak or its Subsidiaries, nor has any Governmental Entity indicated to Peak an intention to conduct the same, other than, in each such case, those the

outcome which would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on Peak.

(c) **Environmental Matters**. Neither Peak nor any of its Subsidiaries has disposed of, released, discharged or emitted any Hazardous Materials into the soil or groundwater at any properties owned or leased at any time by Peak or its Subsidiaries, or at any other property, or exposed any employee or other individual to any Hazardous Materials or any workplace or environmental condition in violation of Environmental Laws and in such a manner as would result in any material liability or clean-up obligation to Peak or its Subsidiaries except for such liability or clean-up obligation as would not have a Material Adverse Effect on Peak. Agreement, each notice, report or other document required to be delivered by such party to, or filed by such party with, any Governmental Entity with respect to the Amalgamation and the transactions contemplated by this Agreement. Without limiting the generality of the foregoing:

(a) As promptly as reasonably practicable after the execution of the Agreement, Peak shall prepare and file the proxy statement to be sent to the shareholders of Peak in connection with the Peak SGM (such proxy statement, as amended or supplemented, being referred to herein as the **Proxy Statement**) with the SEC under the Exchange Act. S&G shall provide promptly to Peak such information concerning itself as, in the reasonable judgment of Peak or its counsel, may be required or appropriate for inclusion in the Proxy Statement, or in any amendments or supplements thereto. Peak shall respond to any comments of the SEC, and shall use its commercially reasonable efforts to have the Proxy Statement cleared by the SEC as promptly as practicable after such filing, and Peak shall cause the Proxy Statement to be mailed to its shareholders at the earliest reasonably practicable time after the Proxy Statement is cleared by the SEC. Peak shall notify S&G promptly upon the receipt of any written comments from the SEC or its staff and of any written request by the SEC or its staff for amendments or supplements to the Proxy Statement or for additional information and shall supply S&G with copies of all correspondence between Peak or any of its representatives, on the one hand, and the SEC or its staff, on the other hand, with respect to the Proxy Statement. Peak shall give S&G and its counsel the opportunity to review and approve the Proxy Statement, including all amendments and supplements thereto (provided that S&G's approval right hereunder shall not extend to disclosures related to Peak's board process related to the transactions contemplated by this Agreement, including but not limited to the recommendation of Peak's Board of Directors, any changes in such recommendation, the reasons for the transaction or the opinion of Peak's financial advisor) prior to its being filed with the SEC and shall give S&G and its counsel the opportunity to review and comment on all responses to requests for additional information and replies to comments prior to their being filed with, or sent to, the SEC. Peak shall cause the Proxy Statement to comply in all material respects with all applicable Legal Requirements. Whenever any event occurs which is required to be set forth in an amendment or supplement to the Proxy Statement, Peak shall promptly inform S&G of such occurrence and file with the SEC or its staff and/or mail to shareholders of Peak, such amendment or supplement.

(b) As soon as may be reasonably practicable, Peak and S&G each shall file any pre-merger notification forms required by control laws and regulations of any applicable jurisdiction, as reasonably agreed by the parties to be required. Peak and S&G each shall promptly: (i) supply the other with any information which may be required in order to effectuate such filings; and (ii) supply any additional information which reasonably may be required by the competition or merger control authorities of any jurisdiction and which the parties may reasonably deem appropriate; provided, however, that neither S&G nor Peak shall be required to agree to any divestiture by itself or any of its Subsidiaries or affiliates of shares of capital stock or of any material business, assets or property, or the imposition of any material limitation on the ability of any of them to conduct their businesses or to own or exercise control of such assets, properties and stock.

(c) Without derogating from the provisions of Section 5.7, Peak and S&G shall cause their respective counsels, advisors and accountants to coordinate all activities, and to cooperate with each other, with respect to the preparation and filing of any documents required to be filed or published pursuant to this Section 5.2. The parties further agree to comply at all times with all the procedures detailed in the Bermuda Act and to take all necessary actions in order to minimize the duration of such procedures.

5.3 Approval of Shareholders of Peak.

(a) As promptly as practicable after the execution and delivery of this Agreement and in accordance with the Bermuda Act and the Peak Charter Documents, Peak shall convene the Peak SGM of its shareholders for the purpose of approval of the terms and conditions of this Agreement, the Amalgamation and the transactions contemplated hereby. Unless the Board of Directors of Peak shall have withheld, withdrawn, amended, modified or changed its recommendation of this Agreement, the Amalgamation and the transactions contemplated thereby in compliance with Section 5.3(d) hereof, Peak shall use all commercially reasonable efforts to solicit from its

shareholders proxies in favor of the approval of such matters and to secure the vote or consent of holders of a majority of the votes cast at the Peak SGM. Notwithstanding anything to the contrary contained in this Agreement, Peak may adjourn or postpone the Peak SGM to the extent necessary to ensure that any necessary supplement or amendment to the Proxy Statement is provided to Peak's shareholders in advance of a vote on this Agreement, the Amalgamation and the transactions contemplated hereby or, if as of the time for which the Peak SGM is originally scheduled (as set forth in the Proxy Statement) there are insufficient Peak Shares represented (either in person or by proxy) to constitute a quorum necessary to conduct the business of the Peak SGM.

(b) Peak shall call, give notice of, convene, hold, conduct and solicit all proxies in connection with, the Peak SGM in compliance with all applicable Legal Requirements, including the Bermuda Act, the Peak Charter Documents, and the rules of Nasdaq.

(c) Unless the Board of Directors of Peak shall have withheld, withdrawn, amended, modified or changed its recommendation of this Agreement, the Amalgamation and the transactions contemplated thereby in compliance with Section 5.3(d) hereof: (i) the Board of Directors of Peak shall recommend that Peak's shareholders entitled to vote in respect thereof, vote in favor of and approve this Agreement, the Amalgamation and the transactions contemplated by this Agreement at the Peak SGM; and (ii) neither the Board of Directors of Peak nor any committee thereof shall withhold, withdraw, amend, modify, change or publicly propose or publicly resolve to withhold, withdraw, amend, modify or change, in each case in a manner adverse to S&G, the recommendation of the Board of Directors of Peak that Peak's shareholders vote in favor of and approve this Agreement, the Amalgamation and the transactions contemplated by this Agreement.

(d) Nothing in this Agreement shall prevent the Board of Directors of Peak from withholding, withdrawing, amending, modifying or changing its recommendation in favor of the approval of this Agreement and the Amalgamation if: (i) a Superior Proposal (as defined below) is made to Peak and is not withdrawn; (ii) neither Peak nor any of its representatives shall have violated the terms of Section 5.6 hereof in any material respect in connection with such Superior Proposal; (iii) the Board of Directors of Peak concludes in good faith, after consultation with its outside counsel, that, in light of such Superior Proposal, the failure to withhold, withdraw, amend, modify or change such recommendation would be inconsistent with the fiduciary obligations of the Board of Directors of Peak to Peak or to Peak's shareholders; (iv) this Agreement, the Amalgamation and the transactions contemplated hereby have not yet been approved by Peak's shareholders at the Peak SGM; and (v) concurrently with any such withholding, withdrawal, amendment, modification or changing of such recommendation, Peak shall have terminated this Agreement pursuant to and in accordance with Section 7.1(i) hereof and entered into an Alternative Agreement.

5.4 Merger Sub Written Resolution. As promptly as practicable after the execution and delivery of this Agreement, Merger Sub shall circulate a written resolution of sole shareholder, and S&G (as the sole shareholder of Merger Sub) shall approve this Agreement, the Amalgamation and the transactions contemplated by this Agreement by executing such written resolution.

5.5 Confidentiality: Access to Information. The parties acknowledge that Peak and Daewon have previously executed a Confidentiality Agreement, dated as of September 20, 2007 (the **Confidentiality Agreement**), which Confidentiality Agreement will continue in full force and effect in accordance with its terms. S&G agrees and covenants to be bound by and to adhere to the provisions of the Confidentiality Agreement as if S&G were a party thereto, with the term "you" and the like referring to S&G. Peak will afford S&G and its accountants, counsel and other representatives reasonable access during normal business hours, upon reasonable notice, to the properties, books, records and personnel of Peak during the period prior to the Effective Time to obtain all information concerning its business, including, without limitation, the status of product development efforts, properties, results of operations and personnel of Peak, as S&G may reasonably request. No information or knowledge obtained by S&G in any investigation pursuant to this Section 5.5 will affect or be deemed to modify any representation or warranty contained herein or the conditions to the obligations of the parties to consummate the Amalgamation.

5.6 **No Solicitation.** (a) From and after the date of this Agreement until the earlier to occur of the Effective Time or termination of this Agreement pursuant to Article VII, Peak and its Subsidiaries will not, nor will they authorize or permit, to the extent within its control, any of their respective officers, directors, controlled affiliates or employees or any of their respective investment bankers, attorneys or other advisors or representatives retained by them to, directly or indirectly: (i) solicit, initiate, or take any action intended to encourage or induce the making, submission or announcement of any Acquisition Proposal (as defined below); (ii) engage or participate in any discussions or negotiations with any person (other than any officer, director, controlled affiliate or employee of S&G or any of its Subsidiaries or any investment banker, attorney or other advisor or representative of S&G or any of its Subsidiaries) regarding, or furnish to any person any non-public information with respect to, or take any other action intended to facilitate any inquiries or the making of any proposal that constitutes or may reasonably be expected to lead to, any Acquisition Proposal; (iii) approve, endorse or recommend any Acquisition Proposal; or (iv) enter into any letter of intent or similar document or any contract, agreement or commitment contemplating or otherwise relating to any Acquisition Transaction (as defined below). Notwithstanding the above, prior to the approval of this Agreement, the Amalgamation and the transactions contemplated hereby by Peak's shareholders at the Peak SGM, nothing contained in this Agreement (including, without limitation, this Section 5.6) shall prohibit the Board of Directors of Peak from (i) complying with Rule 14d-9 or Rule 14e-2(a) under the Exchange Act with regard to a tender or exchange offer or (ii) in response to an unsolicited Acquisition Proposal that is not withdrawn in writing, from engaging or participating in discussions or negotiations with and furnishing information to the party making such Acquisition Proposal, provided that the Board of Directors of Peak: (A) reasonably and in good faith concludes that the Acquisition Proposal constitutes a Superior Proposal (as defined below) (or that is reasonably likely to constitute, taking into account all of the relevant facts and circumstances, a Superior Proposal) and in good faith believes that the offer is likely to be consummated under the terms stated in such Superior Proposal, and (B) determines in good faith after consultation with its outside legal counsel that failure to take such action would be reasonably likely to be inconsistent with the fiduciary obligations of the Board of Directors of Peak to Peak or to Peak's shareholders; and provided further that (x) concurrently with furnishing any such information to, or entering into discussions or negotiations with, such party, Peak gives S&G written notice of the identity of such person or group (unless prohibited by a confidentiality or non-disclosure agreement entered into prior to the date hereof which cannot be canceled promptly after the date of the Agreement) and of Peak's intention to furnish information to, or enter into discussions or negotiations with, such party; (y) Peak receives from such party an executed confidentiality agreement at least as restrictive as the Confidentiality Agreement; and (z) contemporaneously with furnishing any such information to such party, Peak furnishes such information to S&G (to the extent such information has not been previously furnished by Peak to S&G). As of the date of this Agreement, Peak and its Subsidiaries will immediately cease any and all existing discussions or negotiations with any parties conducted heretofore with respect to any Acquisition Proposal.

(b) For purposes of this Agreement: (i) **Acquisition Proposal** shall mean any offer or proposal (other than an offer or proposal by S&G or Merger Sub or any of their affiliates) relating to any Acquisition Transaction; (ii) **Acquisition Transaction** shall mean any transaction or series of related transactions other than the transactions contemplated by this Agreement involving: (A) any acquisition or purchase from Peak by any person or group (as defined in Section 13(d) of the Exchange Act and the rules and regulations thereunder) of more than a 20% interest in the total outstanding voting securities of Peak or any of its Subsidiaries or any tender offer or exchange offer that if consummated would result in any person or group (as defined in Section 13(d) of the Exchange Act and the rules and regulations thereunder) beneficially owning 20% or more of the total outstanding voting securities of Peak or any of its Subsidiaries or any merger, consolidation, business combination or similar transaction involving Peak pursuant to which the shareholders of Peak immediately preceding such transaction hold less than 80% of the equity interests in the surviving or resulting entity of such transaction; (B) any sale, lease (other than in the ordinary course of business), exchange, transfer, license (other than in the ordinary course of business), acquisition or disposition of more than 50% of the assets of Peak; or (C) any liquidation, dissolution, recapitalization or other significant corporate reorganization of Peak; and (iii) **Superior Proposal** shall mean any unsolicited, written Acquisition Proposal received or made in compliance with Section 5.6(a) believed by Peak's Board of Directors to be bona fide which: (A) if any cash

consideration is involved, is not subject to any financing contingency or, if subject to a financing contingency, such financing in the reasonable judgment of Peak's Board of Directors is likely to be obtained on a timely basis; and (B) Peak's Board of Directors shall have reasonably and in good faith determined that the proposed Acquisition Transaction is more favorable to the shareholders of Peak, from a financial point of view, than the Transaction (taking into account the advice of Peak's financial advisors).

In addition to the obligations of Peak set forth in Section 5.6(a), Peak shall, as promptly as practicable and in any event within two business days, advise S&G in writing of: (i) any request for non-public information in connection with, or which Peak reasonably concludes would lead to, any Acquisition Proposal; (ii) the receipt of any Acquisition Proposal, or any inquiry with respect to or which Peak reasonably concludes would lead to any Acquisition Proposal; (iii) the material terms and conditions of such request, Acquisition Proposal or inquiry; and (iv) the identity of the person or group making any such request, Acquisition Proposal or inquiry (unless prohibited by a confidentiality or non-disclosure agreement entered into prior to the date hereof which cannot be canceled promptly after the date of the Agreement). Peak shall keep S&G informed in all material respects of the status and details (including material amendments or proposed amendments) of any such request, Acquisition Proposal or inquiry. In addition to the foregoing, Peak shall: (i) provide S&G with at least 48 hours prior written notice (or such lesser prior notice as provided to the members of Peak's Board of Directors) of any meeting of Peak's Board of Directors at which Peak's Board of Directors is reasonably expected to recommend a Superior Proposal to its shareholders and together with such notice a copy of the definitive documentation relating to such Superior Proposal and shall not resolve to recommend such Superior Proposal without having notified S&G at least 48 hours prior to such recommendation. Nothing in this Section 5.6 shall prevent Peak from sending a written notice to any party with whom Peak has entered into a non-disclosure agreement and informing such party that the non-disclosure agreement is terminated by such notice and that any further communications between the party and Peak or any of its Subsidiaries would not be covered by the non-disclosure agreement.

5.7 Public Disclosure. S&G and Peak will consult with each other and, to the extent practicable, agree, before issuing any press release or otherwise making any public statement with respect to the transactions contemplated by this Agreement as to the content of such press release or public statement and will not issue any such press release or make any such public statement prior to such consultation, except as may be required by law or any listing agreement with a national securities exchange or Nasdaq, in which case reasonable efforts to consult with the other party will be made prior to any such release or public statement.

5.8 Commercially Reasonable Efforts. Subject to the terms and conditions set forth in this Agreement, each of the parties shall use all commercially reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other parties in doing, all things reasonably necessary, proper or advisable to consummate and make effective, in the most expeditious manner reasonably practicable, the Amalgamation and the other transactions contemplated by this Agreement, including using commercially reasonable efforts to accomplish the following: (i) causing the conditions precedent set forth in Article VI to be satisfied; (ii) the obtaining of all necessary actions or nonactions, waivers, consents, approvals, rulings, exemptions, orders and authorizations from Governmental Entities and the making of all necessary registrations, declarations and filings (including registrations, declarations and filings with Governmental Entities, if any) and the taking of all commercially reasonable steps as may be necessary to avoid any suit, claim, action, investigation or proceeding by any Governmental Entity; (iii) the execution or delivery of any additional instruments reasonably necessary to consummate the transactions contemplated by, and to fully carry out the purposes of, this Agreement. In connection with and without limiting the foregoing, Peak, S&G and their respective Boards of Directors shall, if any state takeover statute or similar statute or regulation is or becomes applicable to the Amalgamation, this Agreement or any of the transactions contemplated by this Agreement, use all commercially reasonable efforts to ensure that the Amalgamation and the other transactions contemplated by this Agreement may be consummated as promptly as practicable on the terms contemplated by this Agreement and otherwise to minimize the effect of such statute or regulation on the Amalgamation, this Agreement and the transactions contemplated hereby. Notwithstanding anything to the contrary contained in this Agreement (except as otherwise set forth in this sentence), neither S&G nor Peak shall have any obligation under this Agreement: (i) to dispose or

transfer or cause any of its respective Subsidiaries to dispose of or transfer any material assets, or to commit to cause Peak to dispose of any material assets; (ii) to discontinue or cause any of its Subsidiaries to discontinue offering any material product or service, or to commit to cause Peak to discontinue offering any material product or service; (iii) to license or otherwise make available, or cause any of its Subsidiaries to license or otherwise make available, to any person, any material technology, software or other proprietary asset, or to commit to cause Peak to license or otherwise make available to any Person any material technology, software or other proprietary asset; (iv) to hold separate or cause any of its Subsidiaries to hold separate any material assets or operations (either before or after the Closing Date), or to commit to cause Peak to hold separate any material assets or operations; (v) subject to Section 5.6 hereof, to make or cause any of its Subsidiaries to make any commitment (to any Governmental Entity or otherwise) regarding its future operations or the future operations of Peak or that would affect its discretion in determining the terms of any Contract or relationship with any person or entity; or (vi) to contest or defend against any suits, claims, actions, investigations or proceedings, whether judicial or administrative, challenging this Agreement or the consummation of the transactions contemplated hereby except, in the case of any action described in clauses (i) through (vi) of this sentence, where such action would not, in S&G's sole good faith judgment, be reasonably expected to be materially burdensome to S&G, Peak and their Subsidiaries taken as a whole, or, in the case of any action described in clause (vi) of this sentence, if Peak determines in good faith that contesting the legal proceeding would not be advisable. The Chief Executive Officer of Peak shall use commercially reasonable efforts to contact Peak's significant shareholders and encourage them to vote in favor of the Amalgamation.

5.9 **Third Party Consents**. As soon as practicable following the date hereof, Peak, with commercially reasonable assistance from S&G, but without any requirement that Peak expend more than a nominal sum of money, will obtain any consents, waivers and approvals under any of its or its Subsidiaries' respective Contracts required to be obtained in connection with the consummation of the transactions contemplated hereby, including those Contracts set forth or required to be set forth on Section 2.5(a) of the Peak Disclosure Schedule.

5.10 **Share Options and Employee Benefits**.

(a) **Peak Share Options**. Prior to the Effective Time, pursuant to the actions of the Peak Board as authorized by the terms of the Peak Option Plans, each outstanding Peak Share Option shall be converted at the Effective Time into the right to receive a cash payment from the Amalgamated Company, payable as soon as practicable following the exercise of the Peak Share Option, equal to an amount per Common Share subject to such Peak Share Option equal to the excess, if any, of (i) the Merger Consideration over (ii) the exercise price per Common Share subject to such vested and exercised Peak Share Option, less any applicable withholding taxes.

(b) **ESPP**. Prior to the Effective Time, Peak shall take all action necessary to cause the rights of participants in the ESPP with respect to any offering then underway under the ESPP to be determined by treating a date prior to the Effective Time as determined by Peak's Board of Directors as the last day of such offering.

(c) **401(k) Plan; ESPP**. Peak shall terminate or withdraw from, effective as of the day immediately preceding the Effective Time, any and all Company Plans intended to include a Code Section 401(k) arrangement (the **401(k) Plans**) and shall terminate, effective as of the day immediately preceding the Effective Time, the Peak International Limited 2000 Employee Share Purchase Plan and the Peak 1998 ESPP (the **ESPP**). Prior to the Closing Date, S&G shall receive from Peak evidence that the withdrawal and termination referred to in the preceding sentence, as appropriate, have been effectuated pursuant to resolutions of each such entity's Board of Directors (such resolution to be subject to reasonable review by S&G), effective as of the day immediately preceding the Effective Time.

(d) **Benefits**. Following the Closing, S&G shall provide each Employee of Peak and its Subsidiaries who becomes actively employed by S&G or its Subsidiaries (each a **Continuing Employee**) with benefits (excluding any equity compensation) that are substantially similar to such benefits provided to such persons by Peak and its Subsidiaries immediately prior to the Effective Time. Each Continuing Employee shall receive full

credit for years of service with any one or more of Peak, any Subsidiary and prior employers for purposes of vesting, eligibility and benefit levels under any S&G employee benefit plan in which such employee participates after the Effective Time (the **Counterpart Plans**), to the same extent and for the same purposes thereunder as such service was recognized under any analogous benefit plan of Peak or its Subsidiaries immediately prior to the Effective Time; provided, that nothing herein is intended to result in duplication of benefits. S&G and its Subsidiaries shall give credit under the Counterpart Plans that are welfare benefit plans for all amounts credited toward deductibles and out-of-pocket maximums under the Company Plans in respect of the applicable plan year in which the Effective Time occurs. With respect to its medical plans, S&G and its Subsidiaries shall waive all requirements for evidence of insurability and pre-existing conditions otherwise applicable to Continuing Employees under the Counterpart Plans in which Continuing Employees become eligible to participate on or following the Effective Time. Nothing in this Section 5.10(d) shall be construed to entitle any person to continue his or her employment for any period of time or prevent S&G from amending any of the Counterpart Plans or Peak employee benefit plans at any time.

5.11 Notification.

(a) Peak shall give prompt notice to S&G upon becoming aware that any representation or warranty made by it contained in this Agreement has become untrue or inaccurate, or of any failure of Peak to comply with or satisfy in any material respect any covenant, condition or agreement to be complied with or satisfied by it under this Agreement, in each case, such that the conditions set forth in Section 6.2(a) or 6.2(b) would not be satisfied; provided, however, that no such notification shall affect the representations, warranties, covenants or agreements of the parties or the conditions to the obligations of the parties under this Agreement.

(b) S&G shall give prompt notice to Peak upon becoming aware that any representation or warranty made by it or Merger Sub contained in this Agreement has become untrue or inaccurate, or of any failure of S&G or Merger Sub to comply with or satisfy in any material respect any covenant, condition or agreement to be complied with or satisfied by it under this Agreement, in each case, such that the conditions set forth in Section 6.3(a) or 6.3(b) would not be satisfied; provided, however, that no such notification shall affect the representations, warranties, covenants or agreements of the parties or the conditions to the obligations of the parties under this Agreement.

5.12 Indemnification.

(a) From and after the Effective Time, S&G will cause the Amalgamated Company to fulfill and honor in all respects the obligations of Peak pursuant to any indemnification and exemption agreements in effect immediately prior to the Effective Time between Peak and its current and former directors and officers (the **Indemnified Parties**) and any indemnification and exculpation provisions under the Peak Charter Documents as in effect on the date hereof. The Bye-Laws and other governing documents of the Amalgamated Company will contain provisions with respect to indemnification and exculpation that are at least as favorable to the Indemnified Parties as those contained in the Peak Charter Documents as in effect on the date hereof, which provisions will not be amended, repealed or otherwise modified for a period of six (6) years from the Effective Time in any manner that would adversely affect the rights thereunder of individuals who were directors, officers, employees or agents of Peak, unless such modification is required by law.

(b) For a period of six (6) years after the Effective Time, S&G will cause the Amalgamated Company to maintain in full force and effect the current policies of directors and officers liability insurance maintained by Peak and its Subsidiaries and to honor all obligations thereunder. S&G may substitute therefor policies of substantially similar coverage containing terms and conditions that are not less advantageous in all material respects to the Indemnified Parties. Notwithstanding the foregoing, in no event will S&G or the Amalgamated Company be required to maintain such policies to the extent the cost of maintaining the same shall increase by

Table of Contents

more than 250% from the cost most recently incurred by Peak for maintaining the same, in which case S&G or the Amalgamated Company shall maintain as much comparable insurance as can be obtained for such amount.

(c) S&G shall pay all expenses, including attorneys fees, that may be incurred by the Indemnified Parties in enforcing the indemnity and other obligations provided in this Section 5.12.

(d) The provisions of this Section 5.12 shall survive the consummation of the transactions contemplated by this Agreement at the Effective Time and continue for the periods specified in this Section 5.12 and are: (i) intended to be for the benefit of, and will be enforceable by, each of the Indemnified Parties and their respective heirs and representatives; and (ii) in addition to, and not in substitution for or limitation of, any other rights to indemnification or contribution that any such person may have under the Peak Charter Documents or other organizational documents of Peak or any of its Subsidiaries or the Amalgamated Company, by contract, applicable law or otherwise. In the event S&G, the Amalgamated Company or any of their respective successors or assigns consolidates or amalgamates with or merges into any other person and shall not be the continuing or surviving corporation or entity of such consolidation, amalgamation or merger, or transfers all or substantially all of its properties and assets to any person in a single transaction or series of related transactions, then, and in each such case, S&G shall make or cause to be made proper provision so that the successors and assigns of Peak, S&G or the Amalgamated Company shall assume the indemnification obligations set forth in this Section 5.12 for the benefit of the Indemnified Parties.

5.13 Guaranty of S&G and Merger Sub Obligations. Daewon hereby guarantees the performance of S&G and Merger Sub of all obligations of S&G and Merger Sub pursuant to this Agreement including without limitation, subject to the terms of this Agreement, the payment of the Merger Consideration and the indemnification obligations set forth in Section 5.12. S&G shall cause Merger Sub to comply with all of its obligations under this Agreement and hereby guarantees such performance.

5.14 Payment of Certain Accounts Payable and Closing Costs. Within five (5) days following the Closing Date, S&G shall, to the extent not previously paid by Peak prior to the Closing Date, cause the Amalgamated Company to pay in full (the **Accounts Payable Costs**) all accounts payable of Peak and its Subsidiaries and all costs and expenses incurred by Peak in connection with this Agreement and the Amalgamation (including but not limited to all banking, accounting, legal and printing fees and expenses) (the **Transaction Costs**). The Accounts Payable Costs are set forth on Schedule 5.14. Schedule 5.14 sets forth Peak's estimates of the Transaction Costs as of the date of this Agreement and such Transaction Costs shall be updated by Peak as of immediately prior to the Closing Date. All such fees are due upon the Closing. For the avoidance of doubt, all Transaction Costs and Accounts Payable set forth on Schedule 5.14, as updated as of the Closing, are due at closing and shall be paid in accordance in with this Section 5.14.

5.15 Agreement to Defend; Shareholder Litigation. In the event any claim, action, suit, investigation or other legal or administrative proceeding by any Governmental Entity or other person is commenced that questions the validity or legality of the Amalgamation or seeks damages in connection therewith, the parties hereto agree to cooperate and use their commercially reasonable efforts to defend against and respond thereto; provided, that nothing in this Section 5.15 shall limit the parties' obligations under Section 5.8 hereof. Peak shall give S&G a reasonable opportunity to participate in the defense or settlement of any shareholder litigation against Peak and its directors relating to the Amalgamation; provided, that no such settlement shall be agreed to without S&G's consent, which shall not be unreasonably withheld, conditioned or delayed.

5.16 Corporate Authority. Contemporaneously with the Closing, Peak shall cause each officer of Peak to surrender his authority over all Peak finances, including without limitation, all Peak bank accounts, and evidence of the foregoing (in form and substance reasonably satisfactory to S&G). Contemporaneously with the Closing, Peak also shall deliver to S&G such documents as are necessary or advisable (in form and substance reasonably satisfactory to S&G) to transfer authority over Peak's finances, including without limitation, all Peak bank accounts, to S&G and the Amalgamated Company.

CONDITIONS TO THE AMALGAMATION

6.1 Conditions to Obligations of Each Party to Effect the Amalgamation. The respective obligations of each party to this Agreement to effect the Amalgamation shall be subject to the satisfaction at or prior to the Closing Date of the following conditions, any of which may be waived, in writing, by mutual agreement of S&G and Peak:

(a) Approval of Shareholders of Peak. This Agreement, the Amalgamation and the transactions contemplated hereby shall have been approved and adopted by the requisite vote of the shareholders of Peak in accordance with the Bermuda Act and the Peak Charter Documents.

(b) No Order: Competition Laws. No Governmental Entity shall have enacted, issued, promulgated, enforced or entered any statute, rule, regulation, executive order, decree, injunction or other order (whether temporary, preliminary or permanent) after the date hereof which is in effect and which has the effect of making the Amalgamation illegal or otherwise prohibiting consummation of the Amalgamation. Any notification, waiting period, or approval requirements under the competition laws of the jurisdictions, where the failure to satisfy such requirements would have a Material Adverse Effect on Peak or S&G, shall have been satisfied.

(c) Bermuda Governmental Approvals. All publications and filings required under the Bermuda Act shall have been performed, and all Bermuda Governmental Entity approvals required pursuant to the Bermuda Act for the consummation of the Amalgamation and the other transactions contemplated by this Agreement shall have been obtained, except for such filings in connection with Amalgamation that are required to be filed after the Effective Time.

(d) Other Approvals. All other consents, authorizations, orders and approvals or filings with any third party or Governmental Entity in connection with the execution, delivery and consummation of this Agreement and the Amalgamation, where the failure to obtain such consent or approval would have a Material Adverse Effect on Peak or S&G, shall have been obtained or made.

(e) Proxy Statement. No order suspending the use of the Proxy Statement or any part thereof shall have been issued and no proceeding for that purpose shall have been initiated or threatened in writing by the SEC.

6.2 Additional Conditions to the Obligations of S&G and Merger Sub. Closing Date (other than those representations and warranties which address matters only as of a particular date, which representations and warranties shall have been true and correct as of such particular date) except in each case, or in the aggregate, as would not reasonably be expected to constitute a Material Adverse Effect on Peak (provided, however, that such Material Adverse Effect qualification shall be inapplicable with respect to the representations and warranties contained in Sections 2.3(a), 2.19 and 2.21, which representations and warranties shall be true and correct in all material respects as of the applicable date). For purposes of determining the accuracy of such representations and warranties for purposes of determining whether this condition has been satisfied: (A) all **Material Adverse Effect** qualifications and other qualifications based on the word **material** or similar phrases (other than specified Dollar thresholds) contained in such representations and warranties shall be disregarded; and (B) any update of or modification to the Peak Disclosure Schedule made or purported to have been made after the date of

(e) Management Resignations. The management employees of Peak listed on Schedule 6.2(e) shall have executed resignation letters and settlement and release agreements in forms previously agreed by S&G and Peak.

(f) Director and Officer Resignations. All directors of Peak and each of its Subsidiaries shall have executed resignation letters in form reasonably satisfactory to S&G which shall become effective as of the Closing Date.

(g) Peak Option Plans. Peak shall have taken such actions necessary to terminate the Peak Option Plans without the incurrence of any costs or liability to Peak (other than incidental legal and other administrative costs), and shall have obtained releases from the directors and officers of Peak listed on Schedule 6.2(g) with respect to the conversion of all of such directors' and officers' Peak Share Options as described in Section 5.10(a) without the incurrence of any costs or liability to Peak (other than incidental legal and other administrative costs).

6.3 Additional Conditions to the Obligations of Peak. The obligation of Peak to consummate and effect the Amalgamation shall be subject to the satisfaction at or prior to the Closing Date of each of the following conditions, any of which may be waived, in writing, exclusively by Peak:

(a) Representations and Warranties. Each representation and warranty of S&G and Merger Sub contained in this Agreement shall have been true and correct as of the date of this Agreement and shall be true and correct on and as of the Closing Date with the same force and effect as if made on and as of the Closing Date (other than those representations and warranties which address matters only as of a particular date, which representations and warranties shall have been true and correct as of such particular date) except in each case, or in the aggregate, as would not reasonably be expected to constitute a Material Adverse Effect on S&G. For purposes of determining the accuracy of such representations and warranties for purposes of determining whether this condition has been satisfied: (A) all **Material Adverse Effect** qualifications and other qualifications based on the word **material** or similar phrases (other than dollar thresholds) contained in such representations and warranties shall be disregarded; and (B) any update of or modification to the S&G Disclosure Schedule made or purported to have been made after the date of this Agreement shall be disregarded. Peak shall have received a certificate with respect to the foregoing signed on behalf of S&G by an authorized officer of S&G.

ARTICLE VII

TERMINATION, AMENDMENT AND WAIVER

7.1 Termination. This Agreement may be terminated at any time prior to the Effective Time, whether before or after the requisite approval of the shareholders of Peak:

(a) by mutual written consent duly authorized by the Boards of Directors of S&G and Peak;

(b) by either Peak or S&G, if the Amalgamation shall not have been consummated by September 30, 2008 for any reason; provided, however, that the right to terminate this Agreement under this Section 7.1(b) shall not be available to any party whose action or failure to act has been a principal cause of or resulted in the failure of the Amalgamation to occur on or before such date and such action or failure to act constitutes a material breach of this Agreement.

(c) by either Peak or S&G, if a Governmental Entity shall have issued an order, decree or ruling or taken any other action after the date hereof, in any case having the effect of permanently restraining, enjoining or otherwise prohibiting the Amalgamation, which order, decree, ruling or other action shall have become final and nonappealable;

(d) by either Peak or S&G, if the required approvals of the shareholders of Peak contemplated by this Agreement shall not have been obtained by reason of the failure to obtain the required vote at the Peak SGM or at any adjournment or postponement thereof; provided, however, that in such an event, Peak shall reimburse S&G, within five (5) business days of such termination, for up to \$150,000 in the aggregate for all documented out-of-pocket expenses incurred by S&G prior to such date with respect to this Agreement and the transactions contemplated thereby; and provided further that in the event that Peak completes an Acquisition Transaction during the six month period following such termination date or, in the case of an acquirer that had made an Acquisition Proposal to Peak's Board of Directors after the date hereof and prior to the date of Peak SGM, during the 12 month period following such termination date, then Peak shall pay S&G, upon the closing of the Alternative Agreement (as defined below) relating to the Acquisition Transaction for which such Acquisition Proposal had been made, the Termination Fee, as defined below. Any amounts paid by Peak to S&G pursuant to its reimbursement obligation in the preceding sentence will be deducted from the amounts due to S&G as Termination Fee under this Section 7.1(d).

(e) by Peak, upon a breach of any representation, warranty, covenant or agreement on the part of S&G or Merger Sub set forth in this Agreement, or if any representation or warranty of S&G or Merger Sub shall have become untrue, in either case such that the conditions set forth in Section 6.3(a) or Section 6.3(b) would not be satisfied as of the time of such breach or as of the time such representation or warranty shall have become untrue, provided, that if such inaccuracy in S&G's or Merger Sub's representations and warranties or breach by S&G or Merger Sub is curable by S&G or Merger Sub through the exercise of its commercially reasonable efforts, then Peak may not terminate this Agreement under this Section 7.1(e) for thirty (30) days after delivery of written notice from Peak to S&G and Merger Sub of such breach, provided S&G or Merger Sub, as applicable, continues to exercise commercially reasonable efforts to cure such breach or inaccuracy (it being understood that Peak may not terminate this Agreement pursuant to this paragraph (e) if such breach or inaccuracy by S&G or Merger Sub is cured during such thirty (30)-day period);

Edgar Filing: PEAK INTERNATIONAL LTD - Form DEFM14A

(f) by S&G, upon a breach of any representation, warranty, covenant or agreement on the part of Peak set forth in this Agreement, or if any representation or warranty of Peak shall have become untrue, in either case such that the conditions set forth in Section 6.2(a) or Section 6.2(b) would not be satisfied as of the time of such breach or as of the time such representation or warranty shall have become untrue, provided, that if such inaccuracy in Peak's representations and warranties or breach by Peak is curable by Peak through the exercise of its commercially reasonable efforts, then S&G may not terminate this Agreement under this Section 7.1(f) for thirty (30) days after delivery of written notice from S&G to Peak of such breach, provided Peak continues to

exercise commercially reasonable efforts to cure such breach or inaccuracy (it being understood that S&G may not terminate this Agreement pursuant to this paragraph (f) if such breach or inaccuracy by Peak is cured during such thirty (30)-day period);

(g) by S&G, if a Material Adverse Effect has occurred with respect to Peak and its Subsidiaries taken as a whole; provided, that if such Material Adverse Effect is curable by Peak or any of its Subsidiaries through the exercise of its commercially reasonable efforts, then S&G may not terminate this Agreement under this Section 7.1(g) for thirty (30) days after delivery of written notice from S&G to Peak of such Material Adverse Effect, provided Peak continues to exercise commercially reasonable efforts to cure such Material Adverse Effect (it being understood that S&G may not terminate this Agreement pursuant to this paragraph (g) if such Material Adverse Effect is cured during such thirty (30)-day period);

(h) by S&G, if a Triggering Event (as defined below) shall have occurred, in which event Peak shall pay S&G, within three (3) business days after demand by S&G, an amount equal to \$1,242,330.00 (the **Termination Fee**); or

(i) by Peak, in order to enter into a binding definitive agreement with a third party (an **Alternative Agreement**); provided such Alternative Agreement provides for a Superior Proposal in accordance with the provisions of Section 5.6 hereof; and provided that immediately prior to such termination, and as a condition to such termination, (i) Peak shall have paid S&G the Termination Fee; (ii) Peak shall have given S&G at least three (3) business days prior written notice of its intention to enter into an Alternative Agreement, which notice shall be accompanied by a correct and complete copy of such Alternative Agreement (and Peak shall thereafter promptly provide S&G with correct and complete copies of any amendments or proposed amendments thereto), and during such period shall give S&G the opportunity to meet with Peak to suggest such modifications to the terms hereof that S&G may deem advisable; and (iii) within three (3) business days after such termination Peak enters into such Alternative Agreement (as amended in accordance with the correct and complete copies of any amendments or proposed amendments thereto).

(j) For the purposes of this Agreement, a **Triggering Event** shall be deemed to have occurred if: (i) the Board of Directors of Peak or any committee thereof shall for any reason have withdrawn or shall have amended or modified in a manner materially adverse to S&G its recommendation in favor of, the approval of this Agreement, the Amalgamation or the transactions contemplated by this Agreement; (ii) Peak shall have failed to include in the Proxy Statement the recommendation of the Board of Directors of Peak in favor of the approval of this Agreement, the Amalgamation and the transactions contemplated by this Agreement; (iii) the Board of Directors of Peak or any committee thereof shall have approved or publicly recommended any Acquisition Proposal (other than a confidentiality agreement as permitted by Section 5.6); (iv) the provisions of Section 5.6 of this Agreement shall have been materially breached; (v) Peak shall have entered into any letter of intent or similar document or any agreement, contract or commitment accepting any Acquisition Proposal; or (vi) a tender or exchange offer relating to securities of Peak shall have been commenced by a person unaffiliated with S&G and Peak shall not have sent to its security holders pursuant to Rule 14d-9 or 14e-2 promulgated under the Exchange Act, within ten (10) business days after such tender or exchange offer is first published, sent or given, a statement disclosing that Peak recommends rejection of such tender or exchange offer.

(k) Peak acknowledges that the agreements contained in this Section 7.1 with respect to the payment of the Termination Fee are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, S&G would not enter into this Agreement; accordingly, if Peak fails to pay in a timely manner the amounts due pursuant to this Section 7.1 and, in order to obtain such payment, S&G makes a claim that results in a judgment against Peak for the amounts set forth in this Section 7.1, Peak shall pay to S&G its reasonable costs and expenses (including reasonable attorneys' fees and expenses) in connection with such suit, together with interest on the amounts set forth in this Section 7.1 at the prime rate of Bank of America N.T. & S.A. in effect on the date such payment was required to be made. The Termination Fee shall be the exclusive

remedy under this Agreement except for willful, intentional or material breaches of a covenant in this Agreement.

7.2 **Notice of Termination; Effect of Termination.** Any termination of this Agreement under Section 7.1 above will be effective immediately upon (or, if the termination is pursuant to Section 7.1(e), Section 7.1(f) or Section 7.1(g) and the proviso therein is applicable, thirty (30) days after) the delivery of written notice of the terminating party to the other parties hereto. In the event of the termination of this Agreement as provided in Section 7.1, this Agreement shall be of no further force or effect, except (i) as set forth in Section 7.1, this Section 7.2, Section 7.3 and Article VIII (General Provisions), each of which shall survive the termination of this Agreement, and (ii) nothing herein shall relieve any party from liability for any intentional or willful breach of this Agreement. No termination of this Agreement shall affect the obligations of the parties contained in the Confidentiality Agreement (including without limitation the agreement of S&G in Section 5.5 of this Agreement to be bound by and to adhere to the provisions of the Confidentiality Agreement as if S&G were a party thereto with the term "you" and the like referring to S&G), all of which obligations shall survive termination of this Agreement in accordance with their terms.

7.3 **Fees and Expenses.** Except as set forth in Section 5.14 and Section 7.1 with respect to the Termination Fee, all fees and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party incurring such expenses whether or not the Amalgamation is consummated.

7.4 **Amendment.** Subject to applicable law, this Agreement may be amended by the parties hereto at any time by execution of an instrument in writing signed on behalf of each of S&G, Daewon and Peak.

7.5 **Extension; Waiver.** At any time prior to the Effective Time, any party hereto may, to the extent legally allowed, (i) extend the time for the performance of any of the obligations or other acts of the other parties hereto, (ii) waive any inaccuracies in the representations and warranties made to such party contained herein or in any document delivered pursuant hereto and (iii) waive compliance with any of the agreements or conditions for the benefit of such party contained herein. Any agreement on the part of a party hereto to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such party. Delay in exercising any right under this Agreement shall not constitute a waiver of such right.

(b) Power: Binding Agreement. Such Shareholder has the legal capacity (if an individual) and power and authority (if an entity) to enter into and perform all of such Shareholder's obligations under this Agreement. The execution, delivery and performance of this Agreement by such Shareholder will not violate any other agreement to which such Shareholder is a party which would adversely affect such Shareholder's ability to perform its obligations hereunder, including, without limitation, any voting agreement, partnership agreement, stockholders agreement or voting trust. This Agreement has been duly and validly executed and delivered by such Shareholder and constitutes a valid and binding agreement of such Shareholder, enforceable against such Shareholder in accordance with its terms, except to extent the enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting the enforcement of creditors' rights or the exercise by courts of equitable powers. (d) No Encumbrances. Except as applicable in connection with the transactions contemplated hereby, such Shareholder's (i) Owned Shares and the certificates representing such Owned Shares are now and will be, and (ii) the Acquired Shares and the certificates representing such Acquired Shares will be, at all times during the term hereof, beneficially owned by such Shareholder, free and clear of all liens, claims, security interests, proxies, voting trusts or agreements, understandings or arrangements or any other encumbrances whatsoever which would adversely affect such Shareholder's ability to perform its obligations hereunder, except for any such encumbrances or proxies arising hereunder in favor of S&G.

Except as contemplated by this Agreement or the Amalgamation Agreement, no Shareholder shall, directly or indirectly, (i) sell, transfer, tender, pledge or encumber (except to the extent such pledge or encumbrance does not violate the terms Section 4(d) of this Agreement), assign or otherwise dispose of, or enter into any contract, option or other arrangement or understanding with respect to or consent to the sale, transfer, tender, pledge or encumbrance (except to the extent such pledge or encumbrance does not violate the terms Section 4(d) of this Agreement), assignment or other disposition of (any such action being referred to herein as a Disposition), any or all of such Shareholder's Owned Shares or Acquired Shares or any interest therein (other than Dispositions to persons or entities that agree to be bound by the terms of this Agreement); (ii) except as contemplated by or permitted by this Agreement, grant any proxies or powers of attorney, deposit any Owned Shares or Acquired Shares into a voting trust or enter into a voting agreement with respect to any Owned Shares; or (iii) take any action that would make any representation or warranty of such Shareholder contained herein materially untrue or incorrect or have the effect of preventing or disabling such Shareholder from performing such Shareholder's obligations under this Agreement. Each Shareholder agrees with, and covenants to, S&G that such Shareholder shall not request that Peak register the transfer of any such Shareholder's Owned Shares or Acquired Shares.

(g) Reliance by S&G. Each Shareholder understands and acknowledges that S&G is entering into the Amalgamation Agreement in reliance upon such Shareholder's execution and delivery of this Agreement.

5. Representations and Warranties of S&G. S&G hereby represents and warrants to each Shareholder that S&G has the legal capacity, power and authority to enter into and perform all of its obligations under this Agreement. 6. Further Assurances. From time to time, at the other party's request and without further consideration, each party hereto shall execute and deliver such additional documents and take all such further lawful action as may be reasonably necessary or desirable to consummate and make effective, in the most expeditious manner practicable, the transactions contemplated by this Agreement.

7. Termination. The covenants and agreements contained herein shall terminate (i) in the event the Amalgamation Agreement is terminated in accordance with its terms, upon such termination or (ii) in the event the Amalgamation is consummated, at the Effective Time, provided, in each case, that the provisions of Section 10 hereof shall survive any termination of this Agreement, and provided, further, that no termination of this Agreement shall relieve any party of liability for a breach hereof.

8. Shareholder Capacity. No person executing this Agreement who is or becomes during the term hereof a director or officer of Peak makes any agreement or understanding herein in his or her capacity as such director or officer. Each Shareholder signs solely in his or her capacity as registered holder and beneficial owner, or the trustee of a trust whose beneficiaries are the beneficial owners of, such Shareholder's Owned Shares or Acquired Shares

9. Sophistication. Each Shareholder acknowledges that such Shareholder is an informed and sophisticated investor and, together with such Shareholder's advisors, has undertaken such investigation as they have deemed necessary, including the review of the Amalgamation Agreement and this Agreement, to enable such Shareholder to make an informed and intelligent decision with respect to the Amalgamation Agreement and this Agreement and the transactions contemplated thereby and hereby.

10. Confidentiality. Each of the parties hereto recognizes that successful consummation of the transactions contemplated by this Agreement may be dependent upon confidentiality with respect to the matters referred to herein. In this connection, pending public disclosure thereof, each party hereby agrees not to disclose or discuss such matters with anyone not a party to this Agreement (other than such party's counsel and advisors, if any) without the prior written consent of the other party, except for filings required pursuant to the Exchange Act and the rules and regulations thereunder or disclosures such party's counsel advises are necessary in order to fulfill such party's obligations imposed by law, in which event such party shall give notice of such disclosure to the other party as promptly as practicable so as to enable the other party to seek a protective order from a court of competent jurisdiction with respect thereto.

11. Miscellaneous.

(a) Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all other prior agreements and understandings, both written and oral, between the parties with respect to the subject matter hereof.
