Q: *What shares can I vote?*

A: Each share of CAI common stock issued and outstanding as of the close of business on April 21, 2008, the Record Date, is entitled to be voted on all items being voted upon at the Annual Meeting. You may vote all shares owned by you as of this time, including (1) shares held directly in your name as the stockholder of record, and (2) shares held for you as the beneficial owner through a broker, trustee or other nominee such as a bank. On the Record Date we had approximately 17,144,977 shares of common stock issued and outstanding.

Q: *What is the difference between holding shares as a stockholder of record and as a beneficial owner?*

A: Most CAI stockholders hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If your shares are registered directly in your name with CAI's transfer agent, Computershare Stockholder Services, Inc., you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by CAI. As the stockholder of record, you have the right with these proxy materials to grant your voting proxy directly to CAI or to vote in person at the meeting. CAI has enclosed or sent a proxy card for you to use in granting your voting proxy to CAI.

Beneficial Owner

If your shares are held in a brokerage account (in street name) or by another person on your behalf, you are considered the beneficial owner of those shares, and these proxy materials are being forwarded to you by your broker or other nominee together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote your shares, and you are also invited to attend the Annual Meeting.

Since a beneficial owner is not the stockholder of record, you may not vote your shares in person at the meeting unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting. Your broker, trustee or nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares.

Q: *How can I attend the Annual Meeting?*

A: You are entitled to attend the Annual Meeting only if you were a CAI stockholder as of the close of business on April 21, 2008, or you hold a valid proxy for the Annual Meeting.

Q: *How can I vote my shares in person at the Annual Meeting?*

A: Shares held in your name as the stockholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. *Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.*

Q: *How can I vote my shares without attending the Annual Meeting?*

A: Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted by proxy without attending the Annual Meeting. Stockholders of record of CAI common stock may submit proxies by completing, signing and dating their proxy cards and mailing them in the accompanying pre-addressed envelopes. CAI stockholders who are the beneficial owners of shares held in a brokerage account, or by another person on their behalf, may vote by mail by completing, signing and dating the voting instruction card provided by their broker, trustee or nominee and mailing it in the accompanying pre-addressed envelope.

Q: *Can I change my vote?*

A: You may change your vote at any time prior to the vote at the Annual Meeting. If you are the stockholder of record, you may change your vote by submitting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation of your proxy to CAI's Secretary prior to your shares being voted or by attending the Annual Meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. If you are the beneficial owner of shares held in a brokerage account, or that are held by another person on your behalf, you may change your vote by submitting new voting instructions to your broker, trustee or nominee as provided in the voting instruction card, or, if you have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

Q: *Who can help answer my questions?*

A: If you have any questions about the Annual Meeting or how to vote or revoke your proxy, you should contact:

Investor Relations

CAI International, Inc.

One Embarcadero Center, Suite 2101

San Francisco, California 94111

Fax: (415) 788-3430

If you need additional copies of this proxy statement or voting materials, please contact CAI as described above.

Q: *Is my vote confidential?*

A: Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within CAI or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, and (3) to facilitate a successful proxy solicitation. Occasionally, stockholders provide written comments on their proxy cards, which are forwarded to CAI management.

Q: *How many shares must be present or represented to conduct business at the Annual Meeting?*

A: The quorum requirement for holding the Annual Meeting and transacting business is that holders of a majority of shares of CAI common stock entitled to vote must be present in person or represented by proxy. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.

Q: *How are votes counted?*

A: In the election of directors, you may vote **FOR** all of the nominees or your vote may be **WITHHELD** with respect to one or more of the nominees.

For any other item of business, you may vote **FOR**, **AGAINST** or **ABSTAIN**. If you **ABSTAIN**, the abstention has the same effect as a vote **AGAINST**. If you provide specific instructions in your proxy card or voting instruction card with regard to a certain item, your shares will be voted as you instruct on such items. If you are a stockholder of record and you sign and return your proxy card, without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (**FOR** CAI 's nominee to the Board and in the discretion of the proxy holders on any other matters that properly come before the meeting), except shares held in the CAI 401(k) Plan, which will be voted in accordance with the terms of the Plan. If you are the beneficial owner of shares held in a brokerage account, or by another person on your behalf, and you return your voting instruction card, without providing specific instructions, your broker will exercise discretion to vote your shares in the election of directors.

Q: *What is the voting requirement to approve each of the proposals?*

A: Directors are elected by a plurality of the votes cast, provided that a majority of the shares of common stock are present or represented and entitled to vote at the Annual Meeting. The candidate who receives the greatest number of votes will be elected directors.

Abstentions are shares that abstain from voting on a particular matter. Under the Delaware General Corporation Law, abstentions effectively count as being present for purposes of determining whether a quorum of shares is present at a meeting. Abstentions have no effect on Proposal No. 1, election of director. Abstentions would otherwise have the same effect as negative votes on a proposal.

Broker non-votes occur when shares are held in **street name** by brokers or nominees who indicate on their proxies that they did not receive voting instructions from the beneficial owner of the shares and do not have discretionary authority to vote such shares as to a particular matter. Under the Delaware General Corporation Law, broker non-votes count as being present for purposes of determining whether a quorum of shares is present at a meeting but are not counted for purposes of determining the number of votes cast for or against a proposal.

Q: *Is cumulative voting permitted for the election of directors?*

A: No. Each share of CAI 's common stock outstanding as of the close of business on April 21, 2008 is entitled to one vote on each matter that may come before the Annual Meeting.

Q: *What happens if additional matters are presented at the Annual Meeting?*

A: Other than the items of business described in this proxy statement, we are not aware of any other business to be acted upon at the Annual Meeting. If you grant a proxy, the persons named as proxy holders will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any reason our nominee is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate as may be nominated by the Board, unless the Board chooses to reduce the number of directors serving on the Board.

Q: *Who will serve as inspector of elections?*

A: The inspector of elections will be Victor Garcia, Senior Vice President, Chief Financial Officer and Secretary of CAI.

Q: *What should I do if I receive more than one set of voting materials?*

A: You may receive more than one set of voting materials, including multiple copies of the proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each CAI proxy card and voting instruction card that you receive.

Q: *How may I obtain a separate set of voting materials?*

A: If you share an address with another stockholder, you may receive only one set of proxy materials (including our annual report to stockholders and proxy statement) unless you have provided contrary instructions. If you wish to receive a separate set of proxy materials now or in the future, we will promptly deliver a separate copy of these materials to you upon written or oral request made to us:

CAI International, Inc.

Attn: Tony Lara

One Embarcadero Center, Suite 2101

San Francisco, California 94111

Phone: (415) 788-0100

Fax: (415) 788-3430

Similarly, if you share an address with another stockholder and have received multiple copies of our proxy materials, you may write to us at the above address or fax number to request delivery of a single copy of these materials.

Q: *Who will bear the cost of soliciting votes for the Annual Meeting?*

A: CAI is making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. In addition to mailing these proxy, proxies or votes may be solicited in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. Upon request, we will reimburse brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy and solicitation materials to stockholders.

Q: *Where can I find the voting results of the Annual Meeting?*

A: We intend to announce preliminary voting results at the Annual Meeting and publish final results in our quarterly report on Form 10-Q for the second quarter of fiscal 2008.

Edgar Filing: CAI International, Inc. - Form DEF 14A

Q: *What is the deadline to propose actions for consideration at next year's Annual Meeting of Stockholders or to nominate individuals to serve as directors?*

A: You may submit proposals, including director nominations, for consideration at future stockholder meetings.

Stockholder Proposals: For a stockholder proposal to be considered for inclusion in CAI's proxy statement for the Annual Meeting next year, the written proposal must be received by CAI's Secretary at our principal executive offices no later than December 31, 2008. If the date of next year's Annual Meeting is moved more

than 30 days before or after the anniversary date of this year's Annual Meeting, the deadline for inclusion of proposals in CAI's proxy statement is instead a reasonable time before we begin to print and mail our proxy materials. Such proposals must also comply with our bylaws provisions regarding business to be brought before a stockholder meeting and SEC regulations regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Proposals should be addressed to:

CAI International, Inc.

Attn: Victor Garcia

One Embarcadero Center, Suite 2101

San Francisco, California 94111

Fax: (415) 788-3430

For a stockholder proposal that is not intended to be included in CAI's proxy statement as described above, the stockholder must deliver a proxy statement and form of proxy to holders of a sufficient number of shares of CAI common stock to approve that proposal, provide the information required by CAI's bylaws and give timely notice to CAI's Secretary in accordance with CAI's bylaws, which, in general, require that the notice be received by CAI's Secretary:

not earlier than the close of business on February 19, 2009; and

not later than the close of business on March 21, 2009.

Nomination of Director Candidates: You may propose director candidates for consideration by the Board's Nominating and Corporate Governance Committee. Any such recommendations should include the nominee's name and qualifications for Board membership and should be directed to the Chair of CAI's Nominating and Corporate Governance Committee by fax or mail addressed to:

Chair of the Nominating and Corporate Governance Committee

CAI International, Inc.

One Embarcadero Center, Suite 2101

San Francisco, California 94111

Fax: (415) 788-3430

In addition, CAI's bylaws permit stockholders to nominate directors for election at an annual stockholder meeting. To nominate a director, the stockholder must deliver to CAI's Secretary timely notice in accordance with CAI's bylaws, which require that the notice be received by CAI's Secretary within the time period described above under Stockholder Proposals. Pursuant to CAI's bylaws, the notice must include the information that would be required in a proxy statement soliciting proxies for the election of that nominee, and information about the stockholder making the nomination, as well as a statement by the nominee acknowledging that he or she consents to serve as a director of CAI if elected. The notice should be addressed to CAI's Secretary as follows:

CAI International, Inc.

One Embarcadero Center, Suite 2101

San Francisco, California 94111

Fax: (415) 788-3430

Edgar Filing: CAI International, Inc. - Form DEF 14A

Copy of Bylaw Provisions: You may contact CAI's Secretary as indicated above for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

Q: *How may I communicate with CAI's Board or the independent directors on CAI's Board?*

A: You may submit any communication intended for CAI's Board or the independent directors by directing the communication by mail or fax addressed to:

PROPOSAL NO. 1 ELECTION OF DIRECTOR

Our Board currently consists of five directors and is divided into three classes: Class I, Class II and Class III. At the Annual Meeting, one Class I director will be elected to serve for a term of three years and until his successor is elected and qualified, or until the death, resignation or removal of the director.

Marvin Dennis has been nominated for election as a Class I director at this Annual Meeting. Proxies will be voted for the election of Mr. Dennis unless the authority to vote for Mr. Dennis is withheld. Mr. Dennis has indicated that he is able and willing to serve if elected. If, however, Mr. Dennis is unable or declines to serve as director at the time of the Annual Meeting, the proxies will be voted for any nominee who is designated by the current Board to fill the vacancy. If Mr. Dennis should be unable or unavailable to serve prior to the election, the Board may recommend another nominee, and Masaaki (John) Nishibori and Victor Garcia, in their capacity as proxy holders, will vote the proxies for the nominee.

There are also four continuing directors. William Liebeck and Hiromitsu Ogawa are serving as Class II directors until our 2009 annual meeting of stockholders. Gary Sawka and Masaaki (John) Nishibori are serving as Class III directors until our 2010 annual meeting of stockholders.

There are no arrangements or understandings between any director or executive officer and any other person pursuant to which he or she is or was to be selected as a director or officer of CAI. There are no family relationships among our executive officers and directors.

If you sign your proxy card or voting instruction card, but do not give instructions with respect to the voting of directors, your shares will be voted FOR the person nominated by the Board. If you wish to give specific instructions with respect to voting for directors, you may do so by following the instructions on your proxy card or voting instruction card.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee assists our Board in promoting our best interests and the best interests of our stockholders through the implementation of sound corporate governance principles and practices. In furtherance of this purpose, the Nominating and Corporate Governance Committee identifies individuals qualified to become directors and recommends to our Board the director nominees for the next annual meeting of stockholders. It also reviews the structure and composition of our Board committees on a regular basis and makes any recommendations the committee members may deem appropriate from time to time concerning any recommended changes in the composition of our Board and its committees. The Nominating and Corporate Governance Committee also recommends to our Board the corporate governance guidelines and standards regarding the independence of outside directors applicable to CAI and reviews such guidelines and standards and the provisions of the Nominating and Corporate Governance Committee Charter on a regular basis to confirm that such guidelines, standards and charter remain consistent with sound corporate governance practices and with any legal or regulatory requirements of The New York Stock Exchange. The Nominating and Corporate Governance Committee also monitors our Board of Directors and our compliance with any commitments made to our

regulators or otherwise regarding changes in corporate governance practices and leads our Board of Directors in its annual review of our Board of Directors performance.

The purpose and responsibilities of our Nominating and Corporate Governance Committee are set forth in the Nominating and Corporate Governance Committee Charter approved by our Board on April 23, 2007. All of the directors serving on our Nominating and Corporate Governance Committee qualify as independent, as such term is defined in Section 303A(2)(a) of the NYSE Manual. During fiscal 2007, the Nominating and Corporate Governance Committee did not meet.

The Nominating and Corporate Governance Committee's charter is available in the Documents and Charters portion of the Investors section of our website at www.caiintl.com.

Our Board of Directors may establish other committees from time to time to facilitate the management of our business and affairs.

Consideration of Nominees. The Nominating and Corporate Governance Committee utilizes a variety of methods for identifying nominees for director. Candidates may come to the attention of the Nominating and Corporate Governance Committee through current Board members, professional search firms, stockholders or other persons.

In evaluating candidates, the Nominating and Corporate Governance Committee seeks to achieve a balance of strength of character, judgment, business experience, specific areas of expertise, factors relating to the composition of the Board (including its size and structure) and diversity on the Board. Directors are expected to attend all or substantially all Board meetings and meetings of the Committees of the Board on which they serve. Directors are also expected to spend the necessary time to discharge their responsibilities appropriate and to ensure that other existing or future commitments do not materially interfere with their responsibilities as members of the Board.

Stockholder Nominees. The Nominating and Corporate Governance Committee will consider properly submitted stockholder nominations for candidates for membership on the Board. Any stockholder nominations proposed for consideration by the Nominating and Corporate Governance Committee should include the nominee's name and qualifications for Board membership and should be addressed to:

DIRECTOR COMPENSATION

2007 Director Compensation Table

The following table sets forth information regarding compensation of our nonemployee directors for fiscal year 2007, which consisted of the following components: cash compensation, consisting of annual retainer fees, including amounts associated with chairing Board committees; and equity compensation, consisting of option grants awarded during the year. Each of these components is described in more detail below.

Name	Fees Earned or Paid		Total (\$)
	in Cash (\$) ⁽¹⁾	Option Awards (\$) ⁽²⁾	
Marvin Dennis	\$47,500	\$45,393	\$92,893
William Liebeck	\$43,500	\$45,393	\$88,893
Gary Sawka	\$43,500	\$45,393	\$88,893

⁽¹⁾ Includes all annual retainer fees, committee and chairmanship fees and meeting fees.

⁽²⁾ These amounts reflect the aggregate compensation costs for financial statement reporting purposes for 2007 under Statement of Financial Accounting Standards No. 123(R), *Share-Based Payment*, for stock options granted to our nonemployee directors. These amounts do not reflect amounts paid to or realized by the director for 2007. The full grant date fair value of the stock option awards granted in 2007 to each nonemployee director computed in accordance with SFAS 123R was \$72,235. For information on the method and assumptions used to calculate the compensation costs, see Note 11 to our audited consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2007. In calculating expense for nonemployee director stock options for financial statement reporting purposes, we do not assume any service-based forfeitures. As of December 31, 2007, the aggregate number of shares underlying outstanding option awards for each nonemployee director were: Mr. Dennis 12,500 shares; Mr. Liebeck 12,500 shares; and Mr. Sawka 12,500 shares.

Directors who are also employees of CAI receive no additional compensation for their services as directors. During 2007, Hiromitsu Ogawa and Masaaki (John) Nishibori were the only directors who were employees of CAI. The compensation paid to Mr. Nishibori, our President and Chief Executive Officer and Mr. Ogawa, our Executive Chairman of the Board is not included in this table, but is shown in the Executive Compensation tables below.

Directors who are not employees of CAI receive cash compensation and equity compensation as described below. All directors are also reimbursed for reasonable and necessary travel, communications, and other out-of-pocket business expenses incurred in connection with their attendance at meetings, while on corporate business or for continuing education related to their board service. In addition, CAI indemnifies its directors for liability they may incur for serving in that capacity to the maximum extent permitted under the laws of the state of Delaware. CAI also advances expenses to its directors in connection with this indemnification.

Cash Compensation. Each nonemployee director receives an annual cash retainer of \$25,000. The chair of the Audit Committee receives an additional annual cash retainer of \$12,000. Other committee chairs receive an additional annual cash retainer of \$8,000. Each annual retainer is paid annually in advance. In addition, directors receive a fee of \$2,000 for each meeting of the Board of Directors attended, members of the Audit Committee receive a fee of \$1,500 for each meeting of the Audit Committee attended, and members of other committees receive a fee of \$1,000 for each other committee meeting attended.

Equity Compensation. In addition to retainers and Board and committee meeting attendance fees, CAI granted an option to purchase 12,500 shares to each nonemployee director upon the director's initial election to the Board of Directors upon effectiveness of CAI's initial public offering, and will grant each of them an option to purchase 7,500 shares on the anniversary of their initial election to the Board. All options have a 10-year term,

Edgar Filing: CAI International, Inc. - Form DEF 14A

an exercise price equal to the fair market value of a share of CAI's common stock on the date of grant and vest in full on the first anniversary of the date of grant.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Objectives of Our Compensation Programs

The Board of Directors and the Compensation Committee believe that compensation for CAI's named executive officers should be tied to corporate performance. The primary objectives of the executive compensation program are to:

Provide competitive compensation packages that enable CAI to attract and retain talented executives;

Motivate named executive officers to achieve our short- and long-term business strategies; and

Align named executive officer compensation with stockholder value.

How We Set Compensation

CAI has compensation programs for its named executive officers that are designed to offer compensation that is competitive with compensation offered by competitors and companies of similar size and complexity within the intermodal container and similar industries. Prior to our initial public offering, we were a closely held corporation with a small number of stockholders. Our Executive Chairman and Chief Executive Officer comprised our entire Board of Directors. Prior to our initial public offering, we did not have a compensation committee.

We have not retained compensation consultants to review our compensation policies or procedures. Historically, our Chief Executive Officer, in consultation with our Board of Directors, has set the compensation of our executive officers. As a result of our corporate structure and the informal nature of our compensation process, compensation for our executive officers has not always been determined with a view to achieving specific goals or as a result of a detailed, objectives-based process. Generally, we have sought to provide compensation packages to our executive officers that are fair and competitive. The compensation for our Executive Chairman, Chief Executive Officer and Chief Financial Officer for 2007 was set pursuant to individual employment agreements entered into with each of them prior to the formation of our Compensation Committee.

For all of the other named executive officers, Compensation Committee reviewed and approved their compensation packages, including the specific compensation of our Senior Vice President, Marketing and Vice President, Operations. While the Compensation Committee determines CAI's overall compensation philosophy and sets the compensation, it looks to our Executive Chairman and CEO to make recommendations with respect to specific compensation decisions, as described further on page 11 above.

The Compensation Committee awarded compensation to the other named executive officers for 2007 based on its review and analysis of their positions, responsibilities and performance, as well as their anticipated responsibilities and potential contributions to growth in stockholder value. The Compensation Committee analyzed CAI's performance relative to peer companies and the compensation comparables of peer companies in validating its conclusions. The Compensation Committee looked at data from publicly available compensation data from a selected group of peer organizations with comparable revenue. For fiscal year 2007, the selected peer organizations consisted of: TAL International Group, Inc., Cronos Group and Interpool, Inc.

In establishing the compensation of our named executive officers, we based the amounts primarily on the market data and advice provided by the Compensation Committee members, the individual performance of each named executive officer in recent periods, the employment agreement of each named executive officer, if any, and each named executive officer's level of responsibility for CAI's key objectives and potential for future responsibility and promotion.

The following table sets forth the percentage of each named executive officer's total compensation that was paid in the form of base salary and cash incentive awards for fiscal 2007 based on the amount reported as Total Compensation in the Summary Compensation Table:

Name	Cash Compensation as a Percentage of Total Compensation
Hiromitsu Ogawa	92.3%
Masaaki (John) Nishibori	71.8%
Victor M. Garcia	77.1%
Frederic M. Bauthier	71.1%
Camille G. Cutino	95.1%

Elements of Compensation

CAI's compensation program for its named executive officers consists of:

base salary and benefits,

cash bonuses, and

long-term, equity-based compensation.

Base Salaries

We generally set the base salary of each of our named executive officers at a level we believe compensates these individuals adequately for the work they are expected to perform in their respective positions, and we consider the base salaries paid to similarly-positioned executives by our selected peer organizations. Pursuant to the terms of each of Mr. Ogawa's, Mr. Nishibori's and Mr. Garcia's employment agreements, their base salaries will increase at least 4.0% annually. The Board of Directors may, in its discretion, approve a larger increase. The increase in base salary is intended to compensate for increases in the cost of living. We do not have employment agreements with Frederic Bauthier or Camille Cutino, who have worked for us since 1992 and 1991, respectively.

Cash Bonuses

We provide cash bonuses for each of our named executive officers. The cash bonuses to executive officers other than Mr. Ogawa and Mr. Nishibori are paid at the discretion of the Compensation Committee. Our Board of Directors allocates a general pool for all cash bonuses, except for the bonuses to Messrs. Ogawa and Nishibori. From this bonus pool, our Compensation Committee then determines the cash bonuses to be paid to each other named executive officer. When setting the discretionary cash bonuses for our other executive officers, the Compensation Committee considers several factors, including the overall performance of our company, the individual executive's role in our performance and the individual executive's job performance. The amount of cash bonus for Mr. Bauthier, our Senior Vice President of Marketing, is also determined based on our container leasing activities, sales of containers, total revenue and the performance of the marketing group; and the amount of cash bonus for Ms. Cutino, our Vice President of Operations, is also determined by certain qualitative factors. Pursuant to his employment agreement, Mr. Garcia's discretionary cash bonus may not exceed 40% of his base salary.

Pursuant to Mr. Ogawa's employment arrangement, in 2007 Mr. Ogawa was entitled to receive a cash bonus if we achieved 70.0% or more of our budgeted pretax profit for 2007. However, Mr. Ogawa waived his cash bonus in 2007. Following the effectiveness of our initial public offering, Mr. Ogawa is no longer entitled to receive this bonus. The Compensation Committee will recommend to the Board of Directors any cash bonuses to be paid to Mr. Ogawa, and the Board of Directors, in its discretion, determines any such bonus to be paid to Mr. Ogawa.

Under Mr. Nishibori's employment agreement, he is entitled to receive a bonus of between 10.0% and 100.0% of his base salary, depending on our pretax profit for the year. We have chosen pretax profit as our measure of performance because we believe it is a meaningful indicator of our company's overall performance. Our budgeted pretax profit is determined each year by our Board of Directors and the pretax profits achieved are as reflected in our audited financial statements. Our budgeted pretax profit was \$30,336,000 for 2007. The amount of Mr. Nishibori's bonus actually paid for 2007 was based upon the formula set forth in his employment agreement.

In addition to being eligible for discretionary cash bonuses, Mr. Garcia's employment agreement provides that upon completion of our initial public offering, Mr. Garcia will receive a cash bonus of up to \$100,000 on November 1, 2007 and on each of the following three anniversaries of that date, so long as he remains employed by us on such dates.

Long-Term, Equity-Based Compensation

Prior to our initial public offering, we granted Ms. Cutino 1,320 shares of restricted stock in 2007 subject to vesting over three years. Concurrent with our initial public offering, we granted stock options with an exercise price equal to the initial public offering price to Mr. Nishibori, Mr. Garcia and Mr. Bauthier. We determined the amounts of these awards based on typical size of awards for executives in similar positions at other pre-public companies.

Change-in-Control Severance Payments

CAI has entered into written agreements Hiromitsu Ogawa, Masaaki (John) Nishibori and Victor Garcia pursuant to which they will receive severance benefits in the event their employment terminates other than for cause or as a result of death or disability and additional severance benefits in the event their employment terminates within 12 months following a change in control of CAI. We provided these benefits to attract and retain qualified executive officers who could obtain similar positions at other companies. These potential payments are discussed further on page 21 below.

Other Benefits

Our named executive officers are eligible to participate in all our employee benefit plans, such as medical, dental, vision, group life, disability and our 401(k) plan, in each case on the same basis as other employees. In addition, we pay for additional life insurance policies for certain of our named executive officers. We also pay golf club monthly dues for certain of our executive officers. All of these other benefits are included as part of the benefits package to retain highly qualified executives. We also provide vacation and other paid holidays to all employees, including our executive officers.

an amount equal to the greater of: (1) one year of base salary; or (2) base salary for the remainder of the term of the executive's employment agreement as of the date of termination;

except in the case of death, continued health, dental, life and disability insurance for a period of one year after termination (including dependents if dependents were covered prior to termination); and

if termination occurs more than one month after the end of the prior fiscal year, a pro-rated cash bonus based on the number of days of employment during the fiscal year in which termination occurs.

These arrangements are intended to attract and retain qualified executive officers who could obtain similar positions at other companies.

Cause is generally defined as (a) the willful and continued failure to perform substantially the executive's reasonable assigned duties (except a failure resulting from incapacity due to physical or mental illness) after a demand for performance has been delivered to the executive that specifies the manner of nonperformance, or (b) the willful engagement in illegal conduct materially injurious to CAI. Termination of employment does not include assignment of the executive to different responsibilities consistent with the executive's area of professional expertise.

Change of Control is generally defined as (i) a stockholder-approved merger or share exchange, in which CAI is either not the surviving corporation or the shares of CAI common stock are converted into cash, securities or other property (other than a merger or share exchange in which the holders of CAI's common stock maintain their proportionate ownership following the transaction), or a stockholder-approved sale of all or substantially all of the assets of CAI, (ii) a tender or exchange offer (other than one made by CAI) for shares of our common stock resulting in the offeror owning 20% or more of the voting power of the outstanding securities of CAI, (iii) a stockholder (other than the executive) reporting beneficial ownership of 20% or more of the voting power of the outstanding securities of CAI, or (iv) during any 12 month period, individuals constituting a majority of the Board of Directors at the beginning of such period no longer represent a majority of the Board at the end of such period, unless the nomination or election of the new directors was approved by at least two-thirds of the directors still in office who were directors at the beginning of the period.

Good Reason is generally defined as (i) the assignment to the executive of a different title, job or responsibilities that results in a decrease in the level of responsibility following the change of control transaction, (ii) a reduction in the executive's annual base pay following the change of control transaction, (iii) a significant reduction in the executive's total benefits package following the change of control transaction, (iv) a requirement that the executive relocate more than 50 miles from his business office prior to the change of control transaction, or (v) the failure of a successor to CAI to agree to be bound by the Executive Severance and Noncompetition Agreement.

In addition to the severance payments listed above, Mr. Garcia's and Mr. Nishibori's employment agreements each provide that if he is terminated without cause or terminates his employment for good reason in connection with a change in control, his stock options will become fully vested and exercisable.

Each of Mr. Nishibori's and Mr. Garcia's employment agreements provides that if he becomes entitled to receive or if he receives any payments that would be characterized as excess parachute payments within the meaning of Section 280G of the Internal Revenue Code, the payments will be reduced to the highest amount that may be paid to these executive officers without having any portion of any payment treated as an excess parachute payment, but only if the effect of the reduction is that the executive officer would receive a greater amount of payments, as determined on an after-tax basis. If, on an after-tax basis, the payments Mr. Nishibori or Mr. Garcia would receive would be greater without any reduction, then these payments will not be reduced.

Equity Compensation Plan

Under the 2007 Equity Incentive Plan, all awards under the plan, including shares subject to stock options and restricted stock, that have not vested will become fully vested and exercisable in the event of a change of control or other company transaction, each as defined below, unless, in the event of a company transaction, the option or stock award is assumed by the successor company. A change of control is generally defined as an acquisition of 50% or more of CAI's voting power, or a change in the composition of our Board of Directors in a two-year period, without the approval of the Incumbent Board (as defined in the plan), that results in fewer than a majority of the Incumbent Board remaining in office. A company transaction is generally defined as the completion of a merger or consolidation with or into another company or entity, a sale in one or more transactions with the common purpose of all of our outstanding voting securities, or a sale in one or more transactions with the common purpose of all or substantially all of our assets. The Compensation Committee may also, in the event of a change of control, allow the holder of an award to surrender the award in exchange for a cash payment, or, in the event of a company transaction, terminate awards under the plan in exchange for a cash payment, each calculated by a formula set forth in the plan.

The following table describes the potential payments upon a termination or change of control for Mr. Ogawa, Mr. Nishibori, Mr. Garcia, Mr. Bauthier and Ms. Cutino assuming that the triggering event occurred on December 31, 2007. In the case of stock options, the value of the acceleration was determined based on the difference between (i) the exercise price of the shares for which vesting was accelerated and (ii) the \$10.52 closing price on December 31, 2007. In the case of restricted stock, the value of the acceleration was determined by multiplying (i) the number of shares for which vesting was accelerated by (ii) the \$10.52 per share closing price on December 31, 2007.

⁽¹⁾ Lump-sum payment made within 30 days of termination equal to the greater of one year of base salary or the base salary for the remaining term of the employment agreement which took effect on November 1, 2006. The term of employment for Messrs. Ogawa and Nishibori is two years, and the term of employment for Mr. Garcia is three years. As of December 31, 2007, the remaining employment term for Messrs. Ogawa and Nishibori is 10 months and for Mr. Garcia 22 months.

⁽²⁾ Messrs. Ogawa and Nishibori are entitled to receive cash bonuses under the company's Non-Equity Incentive Plan based on the achievement of certain percentages of our budgeted pretax profit for 2007 pursuant to their respective employment agreement. Mr. Garcia is eligible to receive a discretionary cash bonus of up to 40% of his base salary. Mr. Garcia's bonus is tied in part to the achievement of our earnings goals pursuant to his employment agreement.

- (5) If the executive becomes entitled to receive or receives any payments that would be characterized as excess parachute payments within the meaning of Section 280G of the Internal Revenue Code, the payments will be reduced to the highest amount that may be paid to the executive without having any portion of any payment treated as an excess parachute payment, but only if the effect of the reduction is that the executive would receive a greater amount of payments, as determined on an after-tax basis. If, on an after-tax basis, the payments the executive would receive would be greater without any reduction, then no reduction will apply.
- (6) Under the terms of the 2007 Equity Incentive Plan, the vesting schedule of the following unvested stock options would accelerate and the options would be fully vested: Mr. Nishibori: 259,980 shares; Mr. Garcia: 130,200 shares; and Mr. Bauthier: 118,440 shares. In addition, under the terms of the 2007 Equity Incentive Plan, the vesting schedule of 1,320 unvested shares of restricted stock held by Camille Cutino would accelerate and the shares would be fully vested. However, because the closing price of CAI's common stock on December 31, 2007 (\$10.82) was lower than the exercise price and purchase price (\$15) of the options and restricted shares, respectively, no benefit would be realized under the scenario outlined in this table.

SECURITIES AUTHORIZED UNDER EQUITY COMPENSATION PLANS

The following table summarizes information about our 2007 Equity Incentive Plan as of December 31, 2007.

Plan Category	Number of Shares of Common Stock to Be Issued Upon Exercise of Outstanding Options (a)	Weighted Average Exercise Price of Outstanding Options	Number of Shares of Common Stock Available for Future Issuance (excluding shares reflected in (a))

Equity compensation plan not approved by security holders			
	546,120	\$ 15.00	139,803

- (1) Our nonemployee directors each receive an option to purchase 12,500 shares of our common stock at the time first elected to the Board and an additional option to purchase 7,500 shares on each anniversary of that date. The options granted under this program vest and become exercisable with respect to 100% of the shares on the first anniversary of the grant date (assuming continued Board service). Shares available for issuance under the 2007 Equity Incentive Plan can be granted pursuant to stock options, stock appreciation rights, restricted stock or units, performance units, performance shares and any other stock based award selected by the committee.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

None of Mr. Dennis, Mr. Liebeck or Mr. Sawka, as the three members of the Compensation Committee, was at any time during the fiscal year ended December 31, 2007 or at any other time (i) an officer or employee of CAI or (ii) had any relationship requiring disclosure under Item 404 of Regulation S-K. No executive officer of CAI served as a member of the Compensation Committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire Board of Directors) of another entity, or as a director of another entity, where one of the other entity's executive officers served on the Compensation Committee of CAI or as a director of CAI.

COMPENSATION COMMITTEE REPORT

The Compensation Committee consists of three independent directors. The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management and, based on that review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in CAI's Annual Report on Form 10-K for the fiscal year ended December 31, 2007 and CAI's proxy statement relating to its 2008 Annual Meeting of Stockholders.

Duties and Responsibilities

The Audit Committee operates under a written charter approved by the Board of Directors. In connection with these responsibilities, the Audit Committee met with management to review and discuss CAI's audited financial statements. The Audit Committee also discussed with the independent registered public accounting firm the matters required by the Statement on Auditing Standards No. 61, Communications with Audit Committee. The Audit Committee also received from the independent registered public accounting firm the written disclosures and the letter required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, and has discussed with its independent registered public accounting firm that firm's independence.

Fiscal 2007 Audit

Based on the reviews and discussions described above, the Audit Committee recommended that the Board of Directors include the audited financial statements in CAI's Annual Report on Form 10-K filed with the SEC for the year ended December 31, 2007.

Sale of Common Stock to DBJ Value Up Fund

On February 16, 2007, Hiromitsu Ogawa sold 4,028 shares (equivalent to 1,691,760 shares after a 420:1 stock split) of his CAI common stock to DBJ Value Up Fund, a Japanese partnership. DBJ Value Up Fund paid Mr. Ogawa \$22,913,232 for the shares. In connection with this sale, we entered into a Stock Purchase Agreement and an Amended and Restated Registration Rights Agreement with Mr. Ogawa and DBJ Value Up Fund.

Under the Registration Rights Agreement, Mr. Ogawa and DBJ have certain piggyback registration rights with respect to shares of our common stock. Accordingly, if we propose to register any of our common stock under the Securities Act or under the comparable Japanese securities laws, we are required to notify Mr. Ogawa and DBJ Value Up Fund and to include in such registration all the shares of common stock requested to be included by them, subject to certain limitations. Under the terms of the Registration Rights Agreement, we are generally obligated to pay all the expenses associated with any demand or piggyback registrations.

Policies and Procedures for Approving Transactions with Related Persons

Our Audit Committee, in executing the responsibilities delegated to it, reviews a summary of CAI's transactions with its directors and officers and with firms that employ directors, as well as any other material related party transactions, periodically, but no less frequently than annually. The Audit Committee consists of disinterested, nonemployee directors.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires CAI's executive officers, directors and holders of more than 10% of CAI common stock to file reports of ownership and changes in ownership with the SEC. CAI believes that during its fiscal year ended December 31, 2007, all reports required under Section 16(a) were timely filed, except for one form for Gary Sawka with respect to one transaction and one form for Camille Cutino with respect to one transaction.
