Proposal 1: Decrease in the Amount of the Legal Reserve

The shareholders are hereby requested to approve the decrease in the amount of the Company's legal reserve pursuant to the provisions of Article 448(1) of the Company Law and the transfer of the entire amount by which its reserve is decreased to the earned surplus carried forward (Retained Earnings) section of the Company's balance sheet. This will simplify the net asset section of the Company's balance sheet and will result in a more clear and easy-to-understand balance sheet, because the Company's statutory reserve will then still exceed the amount required to be recorded as statutory reserve under applicable laws and regulations. The shareholders are hereby requested to approve this reduction because the Company will maintain capital reserves which exceed the amount of stated capital even after the decrease in the amount of legal reserve.

The amount by which the legal reserve is decreased and the day on which the decrease in the amount of the legal reserve takes effect are as follows:

1. The amount by which the legal reserve is to be decreased:
Full amount of the legal reserve, equivalent to 2,220,000,000 Yen

It leads the legal reserve to be 0 Yen.

2. The day on which the decrease in the amount of the legal reserve is to take effect:
August 8, 2008
