CALCULATION OF REGISTRATION FEE

Title of securities to be registered	Amount to be registered (1)	Proposed maximum offering price per share (2)	Proposed maximum aggregate offering price (2)	Amount of registration fee
Common shares, \$0.18 par value	400,000	\$22.21	\$8,884,000	\$349.15

- (1) Pursuant to Rule 416(a) under the Securities Act of 1933, this registration statement also covers additional shares of common stock and interests in the plan to be offered or issued to prevent dilution resulting from stock splits, stock dividends or similar transactions.
- (2) In accordance with Rule 457(h), the maximum offering price per share has been calculated pursuant to Rule 457(c) based upon the average of the high and low sale price of the ordinary shares of the Predecessor Registrant (defined in the Explanatory Note below) on the London Stock Exchange of 62.88p on September 5, 2008, multiplied by twenty to reflect the Share Capital Consolidation (defined in the Explanatory Note below). The translation of pounds sterling into US dollars has been made at the noon buying rate on September 5, 2008 of £1.00 to \$1.7660.

EXPLANATORY NOTE

On September 11, 2008, Signet Group plc (the **Predecessor Registrant**) completed a reorganization (the **Reorganization**) of its corporate structure through a scheme of arrangement (the **Scheme**) pursuant to Part 26 of the Companies Act 2006 of England and Wales, resulting in the formation of a new holding parent company, Signet Jewelers Limited (the **Registrant**). Pursuant to the Scheme, the existing ordinary shares of \$0.009 each of the Predecessor Registrant were cancelled, the Predecessor Registrant issued new ordinary shares to the Registrant, thus becoming a wholly owned subsidiary of the Registrant, and the Registrant issued to the Predecessor Registrant's former shareholders one new common share of \$0.009 each in the capital of the Registrant in exchange for each cancelled ordinary share. Immediately upon the Scheme becoming effective, the Registrant implemented a share capital consolidation (also known as a reverse stock split) on a one-for-twenty basis, in respect of the common shares issued under the Scheme (the **Share Capital Consolidation**). The combined effect of the Scheme and the Share Capital Consolidation was that holders of ordinary shares of the Predecessor Registrant received one common share of \$0.18 each in the capital of the Registrant (a **Common Share**) for every twenty ordinary shares held on the business day immediately prior to the date the Scheme became effective.

In accordance with General Instruction E of Form S-8, this Registration Statement is registering additional securities under the effective Registration Statement on Form S-8, No. 333-8964, filed with the Securities and Exchange Commission (the **Commission**) on June 17, 1998 by the Predecessor Registrant (the **Earlier Registration Statement**). The Earlier Registration Statement was amended by Post-Effective Amendment No. 1 filed with the Commission on September 11, 2008 by the Registrant in accordance with Rule 414(d) under the Securities Act of 1933, as amended, as successor to the Predecessor Registrant (the **Post-Effective Amendment**). The contents of the Earlier Registration Statement, as amended by the Post-Effective Amendment, is hereby incorporated by reference.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of London, United Kingdom, on this 11th day of September 2008.
