Item 8.01. Other Events

On December 12, 2008, Sirona Dental Systems, Inc. (the Company) announced that its board of directors has authorized a fair value option exchange program for the Company s 2006 Equity Incentive Plan. This exchange program, which is only available to employees and eligible consultants, is expected to provide additional incentive and retention value.

The option exchange program is designed so that the current fair value of options surrendered is equal to the fair value of the replacement options, and the exchange offer will not result in additional compensation expense. The replacement options will have an additional year of vesting as compared to the surrendered options. Approximately 1.1 million options are eligible for exchange under the offer.

The Company s press release dated December 12, 2008, announcing a Fair Value Exchange Offer, is attached hereto as Exhibit 99.1.
