FOR IMMEDIATE RELEASE

Buenos Aires, August 12, 2009

Securities and Exchange Commission

Dear Sirs,

RE.: Documentation of the General Ordinary and Extraordinary Shareholders Meeting summoned for September 9, 2009

I am writing you as **Attorney-in-fact** of **Telecom Argentina S.A.** (Telecom Argentina or the Company) to present the documentation of the referred Shareholders Meeting that was summoned by the Board of Directors of the Company, at its meeting No. 251 held on August 4, 2009.

We hereby attach:

a) The Notice of Summons of the Shareholders Meeting.

b) The proposals of the Board with respect to the matters submitted for the consideration of the Shareholders Meeting.

As far as the Audit Committee's opinion is concerned, regarding the reasonability of the proposals of the Board of Directors to the Shareholders Meeting with respect to: i) designation of External Auditors for Fiscal Year 2009 and ii) Fees of the External Auditors for the Financial Statements of Fiscal Year 2008, there are no changes with respect to the proposals made for the Shareholders Meeting convened for April 28, 2009, which were considered by the Audit Committee at its meeting No. 68.

As far as the remuneration for the Directors is concerned, it was agreed at the mentioned meeting No. 68 that the proposal made for the Shareholders Meeting convened for April 28, 2009 (P\$3,500,000) is reasonable in terms of Article 2 inc. d) Chapter III of the Rules of the *Comisión Nacional de Valores*, taking into account the responsibilities, representation, technical activities, dedication to their duties, competence and professional reputation of the directors and the value of their services in the market, not resulting in violation of any law, regulation or by laws applicable to the Company. The proposal now being made due to the Shareholders Meeting convened for September 9, 2009 (\$4,700,000), has been limited to increase, in strict proportion to the 16 months of service that the current Board of Directors has performed, the amount that was previously proposed for the normal period of 12 months. Consequently, the members of the Audit Committee have considered reasonable that the proposed fees would be adjusted in proportion to the increased duration of the functions performed by the directors.

Sincerely,

María Delia Carrera Sala

PROPOSALS OF THE BOARD OF DIRECTORS CONCERNING THE ISSUES TO BE DISCUSSED AT THE SHAREHOLDERS MEETING.

The Board of Directors submits to the Shareholders the following proposals related to the business to be transacted at the Ordinary and Extraordinary Shareholders Meeting to be held on September 9, 2009:

First item: The Board proposes to inform shareholders, at the start of the Shareholders Meeting, about the reasons for its postponement (it was originally called for April 28, 2009 and temporarily suspended by judicial resolution) and how such postponement affects the proposals of the Board of Directors related to items 4, 5, 7 and 10 of the Agenda, since the other proposals are the same as those made in respect of the Meeting called for April 28, 2009.

Furthermore, the Board proposes the appointment of the two shareholders (or shareholders representatives) who registered the greatest number of shares to participate at the Meeting to approve and sign the Minutes thereof.

Second item: The Board proposes the approval of the documents corresponding to the fiscal year ended December 31, 2008 (Annual Report, Summary Information, Report under section 68 of the Listing Regulation of the Buenos Aires Stock Exchange, Financial Statements with all Schedules, Notes and Exhibits thereto, Report of the Supervisory Committee, Annual Report submitted by the Audit Committee, and all other documents of the fiscal year, including English language documents required by the Securities & Exchange Commission), as approved by the Board of Directors, the Supervisory Committee, and the Audit Committee, respectively.

Third item: the Board proposes to allocate the amount of P\$12,633,414.- (5% of the fiscal year net income after previous fiscal years adjustments and loss deduction) to the Legal Reserve and to use the balance of the Accumulated Earnings as of December 31, 2008 (P\$240,034,873.-) to partially reconstitute the Legal Reserve that the Shareholders Meeting held on April 27, 2006 decided to allocate to absorb the accumulated loss as of December 31, 2005 (P\$277,242,773.-). No capitalization of capital monetary adjustment is proposed as the current outstanding capital amount is deemed adequate.

Fourth item: The performance of the members of the Board of Directors and of the Supervisory Committee acting during the 20th fiscal and until the date of this Shareholders Meeting to be held on September 9, 2009 is to be considered at the Meeting.

Fifth item: An aggregate fee of P\$4,700,000.- is proposed to be assigned to the Board of Directors acting during fiscal year 2008 (amount which represent 1.93% of accountable earnings), delegating to the Board of Directors the authority to distribute such amount as it may deem convenient. The amount proposed compensates the duties performed by the directors until the date of the Meeting called for September 9, 2009 (16 months of service).

Sixth item: It is proposed that the Meeting authorize the Board of Directors to make advance payments up to an aggregate amount of P\$4,000,000.- to those directors acting during the 21st fiscal year (as from September 9, 2009 and until the Meeting that designates their substitutes), ad-referendum to the decision to be approved by the Shareholders Meeting reviewing the financial statements of such fiscal year. Additionally it is proposed that the Meeting authorize the Board of Directors to increase such amount in the event of inflation.

Seventh item: An aggregate compensation of P\$720,000.- is proposed to be distributed in equal portions among the three members of the Supervisory Committee acting during the 20th fiscal year. The amount proposed would compensate the duties performed by the members of the Supervisory Committee until the date of the Meeting called for September 9, 2009 (16 months of service). Furthermore, it is proposed to authorize the Board of Directors to make advance payments for up to the same amount to the members of the Supervisory Committee acting during the 21st fiscal year (as from September 9, 2009 and until the Meeting that designates their substitutes). The Board of Directors is authorized to increase such amount in the event of inflation.

Eighth and Ninth items: The Board of Directors abstains from submitting a proposal in respect of these items. In such regard, the Corporate Bylaws provide that the Shareholders Meeting should appoint no less than three and no more than nine directors to hold office for one fiscal year and the same or a lower number of alternate directors. Furthermore, the shareholders who propose candidates to serve on the Board of Directors and the Supervisory Committee are reminded of the requirement to inform the Meeting if the candidates are independent or non-independent. The Board of Directors also reminds the shareholders that, to form part of the Audit Committee, at least three regular directors must be independent under Rule 10 A-3 of the Securities & Exchange Commission and at least two of them must be independent under the rules of the Comisión Nacional de Valores. Furthermore, one or more alternate directors qualifying as independent directors under both regulations must be appointed for the eventual replacement of regular Audit Committee members.

Tenth item: The Board of Directors proposes that the shareholders should confirm the resolution approved by them providing that the accounting firm Price Waterhouse & Co. S.R.L. (which acted as Independent Auditors of the Company during the previous fiscal year) would continue to act as such for this fiscal year until the Ordinary Shareholders Meeting is held. It is also proposed that such firm be appointed as independent auditors for fiscal year 2009 and on approval of such proposal, as of the third quarter of this fiscal year, Alejandro Pablo Frechou would act as regular certifying accountant and Carlos Néstor Martínez as his alternate.

Furthermore, it is also proposed that the compensation of the Independent Auditors be fixed at the Meeting that reviews the documents corresponding to the fiscal year ending on December 31, 2009, and delegates to the Audit Committee the powers to determine

the manner in which the service will be rendered and to make advance payments of fees. In respect of the compensation for financial statement audit services rendered by the Independent Auditors during the fiscal year ended December 31, 2008, it is proposed that total compensation be set at P\$3,136,500., amount not including VAT, of which P\$1,455,000. is assigned to the audit of the financial statements and P\$1,681,500 for fees payable for audit services provided in connection with certification under Section 404 of the Sarbanes-Oxley Act.

Eleventh item: In accordance with the estimate made by the Audit Committee, the Board of Directors proposes that the budget for the operation of the Audit Committee during the fiscal year ending December 31, 2009 be set in the amount of P\$750,000.

Twelfth item: The Board of Directors proposes that the Shareholders Meeting approve the Consolidated Special Merger Financial Statements of Cubecorp Argentina S.A. and Telecom Argentina S.A. prepared as of December 31, 2008 and the relevant report of the Supervisory Committee which have been submitted by the Board of Directors and the Supervisory Committee, respectively.

Thirteenth item: The Board of Directors proposes that the Shareholders Meeting approve the Preliminary Merger Agreement which was executed by Cubecorp Argentina S.A. (as the acquired entity which will be dissolved without liquidation) and Telecom Argentina S.A. (as the surviving entity) and approved by Telecom s Board of Directors on March 6, 2009.
