Corporate Administration Division

**Notice regarding Losses on write-down of investments in subsidiaries and affiliates,  
and one-time amortization of goodwill (Under Japanese GAAP)**

**Tokyo, September 30, 2009** Mitsubishi UFJ Financial Group, Inc. ( MUFG ) hereby announces that, on a non-consolidated basis, it has planned to recognize losses on write-down of investments in subsidiaries and affiliates, of which fair values are significantly deteriorated, for the three months ended September 30, 2009.

On a consolidated basis, MUFG expects to recognize one-time amortization of goodwill, associated with the losses on write-down of investments in subsidiaries and affiliates on a non-consolidated basis. The losses on write-down of investments in subsidiaries and affiliates on a non-consolidated basis will be eliminated on a consolidated basis.

1. Losses on write-down of investments in subsidiaries and affiliates on a non-consolidated basis

		(in billions of Japanese yen, except percentages)
(A)	The amount of losses on write-down of investments in subsidiaries and affiliates for the three months ended September 30, 2009	126.4
	Net assets as of March 31, 2009	7,717.3
(B)	A/B×100	1.6%
	Ordinary profits for the fiscal year ended March 31, 2009	244.3
(C)	A/C×100	51.7%
	Net income for the fiscal year ended March 31, 2009	299.9
(D)	A/D×100	42.1%

Because MUFG Group uses a reversal method for recording losses on write-down of marketable equity securities at quarter ends, the amount of losses on write-down of marketable equity securities for the fiscal year ending March 31, 2010 may fluctuate depending on share prices at March 31, 2010 and other factors.

2. One-time amortization of goodwill on a consolidated basis

On a consolidated basis, MUFG expects to recognize a loss of 28.0 billion yen on one-time amortization of goodwill, associated with the losses on write-down of investments in subsidiaries and affiliates on a non-consolidated basis. The amount of loss on one-time amortization of goodwill for the fiscal year ending March 31, 2010 may fluctuate, because it will be reviewed due to the reversal of recorded losses on write-down of the above investments in subsidiaries and affiliates.

3. Outlook

MUFG's financial results for the second quarter ended September 30, 2009 are currently being prepared.
