(e) Compensatory Arrangements of Certain Officers.

2003 Employee Stock Plan Amendments

The Board of Directors (the "Board") of Apple Inc. (the "Company") previously approved, subject to shareholder approval, amendments to the Company's 2003 Employee Stock Plan (the "2003 Plan") that would (1) increase the number of shares of the Company's common stock that may be delivered pursuant to awards granted under the 2003 Plan by an additional 36,000,000 shares, and (2) extend the Company's authority to grant awards under the 2003 Plan intended to qualify as performance-based awards within the meaning of Section 162(m) of the U.S. Internal Revenue Code through the 2015 annual meeting of shareholders. According to the preliminary results from the Company's Annual Meeting of Shareholders held on February 25, 2010 (the "Annual Meeting"), the Company's shareholders approved these amendments to the 2003 Plan. The foregoing description of the amendments is qualified in its entirety by reference to the text of the amended version of the 2003 Plan, which is filed as Exhibit 10.1 hereto and incorporated herein by reference.

1997 Director Stock Plan Amendments

The Board previously approved, subject to shareholder approval, amendments to the Company's 1997 Director Stock Option Plan, which has been renamed the 1997 Director Stock Plan (the "Director Plan"), that would (1) permit the Company to grant awards of restricted stock units under the Director Plan, (2) effective for grants on or after February 25, 2010, replace the automatic initial and annual grants of stock options under the Director Plan with automatic initial and annual grants of restricted stock units ("RSUs") under the Director Plan, (3) modify the Director Plan's existing share-counting provision so that RSUs granted are deducted from the shares available for grant under the Director Plan utilizing a factor of two times the number of RSUs granted, and (4) extend the term of the Director Plan to November 9, 2019. According to the preliminary results from the Annual Meeting, the Company's shareholders approved these amendments to the Director Plan. The foregoing description of the amendments is qualified in its entirety by the text of the amended version of the Director Plan, which is filed as Exhibit 10.2 hereto and incorporated herein by reference.

Item 5.07 Submission of Matters to a Vote of Security Holders

At the Annual Meeting, management Proposals 1, 2, 3, 4 and 5 were approved, and shareholder Proposals 6 and 7 were not approved. The proposals below are described in detail in the Company's definitive proxy statement dated January 12, 2010 for the Annual Meeting. Abstentions and broker non-votes were counted for purposes of determining whether a quorum was present. Only FOR and AGAINST votes were counted for purposes of determining the votes received in connection with each proposal, and therefore broker non-votes and abstentions had no effect on the proposal relating to the election of directors. In the case of each of the other proposals, broker non-votes and abstentions had no effect on determining whether the affirmative vote constituted a majority of the shares present or represented by proxy and voting at the Annual Meeting. Approval of these other proposals also required the affirmative vote of a majority of the shares necessary to constitute a quorum, however, and therefore broker non-votes and abstentions could have prevented the approval of these other proposals because they did not count as affirmative votes.

The results are as follows:

Proposal 1

The individuals listed below received the highest number of affirmative votes of the outstanding shares of the Company's common stock present or represented by proxy and voting at the Annual Meeting, in each case constituting a majority of the total outstanding shares, and were elected at the Annual Meeting to serve a one-year term on the Board.
