PROXY STATEMENT

Important Notice Regarding the Availability of Proxy Materials

for the Shareholder Meeting to be held on May 24, 2010:

The Notice of Annual Meeting of Shareholders, Proxy Statement, Form of Proxy and 2009 Annual Report to Shareholders are available on our corporate website at www.odfl.com/company/proxy.shtml.

This proxy statement is being sent to shareholders on or about April 19, 2010, in connection with the solicitation of proxies by and on behalf of the Board of Directors of Old Dominion Freight Line, Inc. for use at the Annual Meeting of Shareholders to be held at our principal executive offices on Monday, May 24, 2010, at 10:00 a.m. Eastern Daylight Time, and at any adjournment thereof. If you need directions to our principal executive offices so that you can attend the Annual Meeting and vote in person, please contact our Corporate Secretary at (336) 889-5000.

GENERAL

The accompanying proxy is solicited by and on behalf of our Board of Directors, and the entire cost of such solicitation will be borne by us. In addition to solicitation by mail, arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to send proxy materials to their principals, and we will reimburse them for their reasonable expenses in so doing.

The accompanying proxy is for use at the Annual Meeting if a shareholder either will be unable to attend in person or will attend but wishes to vote by proxy. Registered holders who have shares registered in the owner's name through our transfer agent may vote by either (i) completing the enclosed proxy card and mailing it in the postage-paid envelope provided; (ii) voting over the Internet by accessing the website identified on the proxy card and following the on-line instructions; or (iii) calling the toll-free telephone number identified on the proxy card. Proxies submitted via the Internet or by telephone must be received by 11:59 p.m. Eastern Daylight Time on Sunday, May 23, 2010. For shares held in street name, that is, shares held in the name of a brokerage firm, bank or other nominee, a voting instruction form should be received from that institution by mail in lieu of a proxy card. The voting instruction form should indicate whether the institution has a process for beneficial holders to vote over the Internet or by telephone. A large number of banks and brokerage firms are participating in the Broadridge Financial Solutions online program. This program provides eligible shareholders who receive a paper copy of the proxy statement the opportunity to vote over the Internet or by telephone. The Broadridge Internet and telephone voting facilities will close at 11:59 p.m. Eastern Daylight Time on Sunday, May 23, 2010. The Broadridge Internet and telephone voting procedures are designed to authenticate the shareholder's identity and to allow shareholders to vote their shares and confirm that their instructions have been properly recorded. If the voting instruction form does not reference Internet or telephone information, or if the shareholder prefers to vote by mail, please complete and return the paper voting instruction form in the self-addressed, postage-paid envelope provided.

The Board of Directors has fixed March 26, 2010, as the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting. On March 26, 2010, there were 37,284,675 outstanding shares of our common stock, each entitled to one vote. The presence in person or

by proxy of a majority of the shares of common stock outstanding on the record date constitutes a quorum for purposes of conducting business at the Annual Meeting. Shareholders do not have cumulative voting rights in the election of directors.

Brokers that are members of the New York Stock Exchange, Inc. (the NYSE) and that hold shares of our common stock in street name for beneficial owners have authority to vote on certain items when they have not received instructions from beneficial owners. Under the rules of the NYSE, the proposal to ratify the appointment of an independent registered public accounting firm is considered a discretionary item. This means that brokers may vote using their discretion on this proposal on behalf of beneficial owners who have not furnished voting instructions. In contrast, certain items are considered non-discretionary, and a broker non-vote occurs when brokers do not receive voting instructions from beneficial owners with respect to such items because the brokers are not entitled to vote such uninstructed shares. The proposal to elect directors is a non-discretionary item presented in this proxy statement. **Please note that the rules regarding broker non-votes have changed. Brokers may no longer vote your uninstructed shares for the election of directors when they do not receive voting instructions from you.**

Assuming the existence of a quorum, the persons receiving a plurality of the votes cast by the shares entitled to vote will be elected as directors. With respect to this proposal, votes may be cast in favor or withheld. The proposal to ratify the appointment of our independent registered public accounting firm will be approved if the votes cast in favor of this proposal exceed the votes cast against it. Abstentions, shares that are withheld as to voting with respect to nominees for director, and broker non-votes will be counted for determining the existence of a quorum, but will not be counted as a vote in favor of or against the proposals and, therefore, will have no effect on the outcome of the vote for any of the proposals presented at the Annual Meeting.

Where a choice is specified on any proxy as to the vote on any matter to come before the Annual Meeting, the proxy will be voted in accordance with such specification. If no specification is made but the proxy is otherwise properly completed, the shares represented thereby will be voted in favor of each proposal. Any shareholder submitting the accompanying proxy has the right to revoke it by notifying our Secretary in writing at any time prior to the voting of the proxy. A proxy is suspended if the person giving the proxy attends the Annual Meeting and elects to vote in person.

Management is not aware of any matters, other than those specified above, that will be presented for action at the Annual Meeting. If any other matters do properly come before the Annual Meeting, the persons named as agents in the proxy will vote upon such matters in accordance with their best judgment.

PROPOSAL 1 - ELECTION OF DIRECTORS

Our Bylaws currently provide that the number of directors shall be not less than five nor more than twelve. The Governance and Nomination Committee of our Board of Directors has determined that the number of directors should remain at nine in 2010. Unless authority is withheld, it is intended that proxies received in response to this solicitation will be voted in favor of the nominees. In accordance with its charter and our Corporate Governance Guidelines, the Governance and Nomination Committee has recommended, and the Board of Directors has approved, the nine individuals named below to serve as directors until the next Annual Meeting and until their successors have been elected and qualified or until their death, resignation, removal or disqualification or until there is a decrease in the number of directors. The age and a brief biographical description of each director nominee, their qualifications as a Board member and the other public-company boards on which they serve are set forth below. This information and certain information regarding beneficial ownership of securities by such nominees contained in this proxy statement has been furnished to us by the nominees or obtained from filings with the SEC. All of the nominees have consented to serve as directors, if elected.

Nominees for election as directors are:

Earl E. Congdon (79) joined us in 1949 and has served as a director since 1952. He also served as our Chairman of the Board of Directors and Chief Executive Officer from 1985 through 2007. In October 2007, the Board of Directors appointed Mr. Congdon to his current position as Executive Chairman of the Board of Directors, effective January 1, 2008. He is a son of E. E. Congdon, one of our founders, the brother of John R. Congdon, the father of David S. Congdon, the uncle of John R. Congdon, Jr. and the father-in-law of John B. Yowell. Through his 61 years of experience with us, including 22 years as our Chief Executive Officer, Mr. Congdon helped transform Old Dominion from a small regional company to an international, publicly-traded company through geographic expansion and acquisitions. As a result, he brings to our Board first-hand knowledge of the opportunities and challenges facing us and the less-than-truckload (LTL) industry. Mr. Congdon has valuable insight into the execution of our strategic, long-term objectives and is keenly aware of the operating complexities of the transportation industry. Due to his extensive knowledge of our business and the industry, the Board determined that Mr. Congdon should be nominated for election as a director.

David S. Congdon (53) was appointed President and Chief Executive Officer effective January 1, 2008. Mr. Congdon served as our President and Chief Operating Officer from May 1997 to December 2007 and in various positions in operations, maintenance and engineering between 1978 and 1997. He became a director in 1998 and is the son of Earl E. Congdon. Mr. Congdon, through his 32 years of service to us, including 13 years of service as an executive officer of Old Dominion, has played a critical role in helping us develop our strategic plan and grow our operations through geographic expansion and acquisitions. He has experience leading through difficult operating conditions by tightly managing costs and has guided Old Dominion to sustained profitability. Mr. Congdon has critical knowledge of the LTL industry, as well as the operational and regulatory complexities that we face. As a result of these qualifications and business management experience, the Board determined that Mr. Congdon should be nominated for election as a director.

John R. Congdon (77) joined us in 1951 and currently serves as a Senior Vice President. He has served as Vice Chairman of the Board of Directors since 1985 and as a director since 1955. He is also the Chairman of the Board of Directors of Old Dominion Truck Leasing, Inc., a North Carolina corporation that is primarily engaged in the full-service leasing of tractors, trailers and other equipment. He is a son of E. E. Congdon, one of our founders, the brother of Earl E. Congdon, the uncle of David S. Congdon and the father of John R. Congdon, Jr. During Mr. Congdon's 59 years of experience with us, he has assisted in growing Old Dominion through geographic expansion and acquisitions. Through his service as our employee and as founder of Old Dominion Truck Leasing, Inc., Mr. Congdon has extensive knowledge of fleet management services, dedicated logistics and the purchase and sale of equipment. He provides valuable insights into equipment specifications and maintenance, as well as into areas of potential growth, such as logistics. Due to these qualifications and breadth of experience, the Board determined that Mr. Congdon should be nominated for election as a director.

J. Paul Breitbach (72) was elected a director in 2003. From 1992 until his retirement in 2001, Mr. Breitbach was employed by Krispy Kreme Doughnuts, Inc., where he held Executive Vice President positions in Finance and Administration, as well as Support Operations. As Executive Vice President of Finance and Administration, Mr. Brietbach also served as Krispy Kreme's Chief Financial Officer. He was employed by Price Waterhouse from 1960 to 1992 and served in various audit and management positions, including Audit Partner. From May 2002 to December 2008, Mr. Breitbach also served on the Board of Directors of the Shepherd Street Funds, Inc. As a result of his prior experiences, Mr. Breitbach brings to the Board extensive knowledge of accounting and a solid understanding of financial statement oversight and disclosures. The Board determined that Mr. Breitbach should be nominated for election as a director due to his 32 years of experience in public accounting, which included experience with the transportation industry, and his prior experience in senior executive management positions at a public company.

John R. Congdon, Jr. (53) was elected a director in 1998. He currently serves as the Vice Chairman of the Board of Directors of Old Dominion Truck Leasing, Inc., where he has been employed since May 1979. He is the son of John R. Congdon. Mr. Congdon has 31 years of experience in the trucking industry and has extensive knowledge of dedicated logistics, fleet management services and the purchase and sale of equipment. His knowledge of dedicated logistics services, an area of potential growth for us, is of particular importance. As Vice Chairman of the Board of Old Dominion Truck Leasing, Mr. Congdon also brings experience in board management. Due to these qualifications and his experience in the transportation industry, the Board determined that Mr. Congdon should be nominated for election as a director.

Robert G. Culp, III (63) was elected a director in 2003 and also serves on the Board of Directors of Stanley Furniture Company, Inc. Mr. Culp is the Chairman of the Board of Directors of Culp, Inc., a High Point, North Carolina-based producer of upholstery and mattress fabrics, which he co-founded in 1972. Culp, Inc. has been publicly-traded for 25 years; therefore, Mr. Culp has first-hand knowledge of leading a business and is aware of the complexities of the financial and regulatory requirements facing public companies. Mr. Culp has also gained experience regarding the challenges and opportunities of developing global operations, as Culp, Inc. expanded operations into Canada and China. His guidance in international business matters is valuable to our Board as Old Dominion continues to expand its global operations. Due to these experiences, the Board determined that Mr. Culp should be nominated for election as a director.

John D. Kasarda, Ph.D. (64) has served as a director since January 2008. Dr. Kasarda is the Kenan Distinguished Professor of Entrepreneurship and has served as the Director of the Kenan Institute of Private Enterprise at the University of North Carolina at Chapel Hill since 1990. Dr. Kasarda has been employed by this university since 1977. The Board determined that Dr. Kasarda should be nominated for election as a director due to the unique perspective he provides through his breadth of knowledge in economic development, transportation and logistics, combined with his entrepreneurial experience and insight with respect to the trucking industry. Dr. Kasarda also serves on the board of directors of AMB Real Estate Investment Trust II.

Leo H. Suggs (70) was elected as a director in 2009. Mr. Suggs has a long and distinguished career in the trucking industry that began in 1958, holding a wide range of positions that included Chairman, President and Chief Executive Officer of Overnite Transportation Company from 1996 to 2005 and President and Chief Executive Officer of UPS Freight from 2005 to 2006. As President and Chief Executive Officer of Overnite Transportation, and as a member of its board of directors from November 2003 to May 2005, Mr. Suggs gained extensive knowledge of managing a non-union carrier in the LTL industry. He understands the opportunities and challenges facing the LTL industry, and has first-hand knowledge of acquisitions and mergers. Mr. Suggs currently serves as a consultant with Centerbridge Partners, a New York-based private equity firm, and as Chairman and Chief Executive Officer of Greatwide Logistics Services, a provider of transportation and logistics management services. We believe that Mr. Suggs is invaluable to our Board as an advisor on logistics services and LTL operations. As a result of these qualifications and his 52-year career in the trucking industry, the Board determined that Mr. Suggs should be nominated for election as a director.

D. Michael Wray (49) was elected as a director in 2008 and is the President of Riverside Brick & Supply Company, Inc., a distributor of masonry materials in central Virginia. Mr. Wray has served in that position since 1998 and was formerly its Vice President and General Manager from 1996 to 1998. From 1992 to 1995, Mr. Wray was employed by Ruff Hewn, Inc., an apparel designer and manufacturer, where he held positions including Chief Financial Officer and Treasurer. Mr. Wray also served in various audit and management positions with Price Waterhouse from 1982 to 1992. The Board determined that Mr. Wray should be nominated for election as a director due to his experience in public accounting, which included experience with the transportation industry. In addition, he has extensive knowledge of accounting and a valuable understanding of financial statement oversight and disclosures gained from his experience as a chief financial officer. Mr. Wray also brings company leadership and business management expertise to his service on our Board as a result of his ongoing service as President of Riverside Brick & Supply Company, Inc.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF THE NOMINEES IDENTIFIED ABOVE.

He joined Old Dominion in November 1994 and served as one of our regional Vice Presidents from November 1994 to January 2002. Prior to his employment with us, Mr. Gantt served in many operational capacities with Carolina Freight Carriers Corporation, including Vice President of its Southern Region.

Joel B. McCarty, Jr. (72) has served as our Senior Vice President since May 1997 and has served as our General Counsel and Secretary since joining us in June 1987. He was formerly the Assistant General Counsel of McLean Trucking Company and was in private law practice prior to 1985.

CORPORATE GOVERNANCE

Board Leadership Structure

Historically, our Chairman of the Board has also served as our Chief Executive Officer, and these dual roles were held for many years by our current Executive Chairman of the Board, Earl E. Congdon. In 2007, however, following Mr. Earl Congdon's decision to resign from the Chief Executive Officer position effective on January 1, 2008, the Board determined that it was in the best interests of our shareholders to appoint as our Chief Executive Officer, David S. Congdon, who had been serving as our President and Chief Operating Officer, and redesignate Mr. Earl Congdon as Executive Chairman of the Board. The Board believed Mr. David Congdon was well-prepared to assume the duties of Chief Executive Officer, and it took these actions because it wanted to preserve the ability of Mr. Earl Congdon to continue to have a significant executive role on our management team. The Board believes that strong, independent Board leadership is an important aspect of effective corporate governance and, as a result, recently appointed Robert G. Culp, III to serve as our Lead Independent Director. Our Lead

Independent Director's responsibilities and authority include leading the executive sessions of independent directors, advising on Board meeting schedules and agendas and performing such other duties as are requested by the Board. For these reasons, the Board believes that our current leadership structure is appropriate for us at this time. The Board believes that there is no specific generally accepted leadership structure that applies to all companies, nor is there one specific leadership structure that permanently suits us. As a result, our decision as to whether to combine or separate the positions of Chairman and Chief Executive Officer and whether to have a Lead Independent Director may vary from time to time, as industry or our own conditions and circumstances warrant. The independent directors of the Board consider the Board's leadership structure on an annual basis to determine the structure that is most appropriate for the governance of Old Dominion.

Independent Directors

In accordance with the listing standards of The NASDAQ Stock Market LLC (NASDAQ), our Board of Directors must consist of a majority of independent directors, as determined in accordance with applicable NASDAQ listing standards. The Board has determined that Messrs. Breitbach, Culp, Kasarda, Suggs and Wray (collectively, the independent directors) are independent. The Board performed a review to determine the independence of its members and made a subjective determination as to each of these independent directors that no transactions, relationships or arrangements exist that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director of Old Dominion. In making these determinations, the Board reviewed information provided by the directors and us with regard to each director's business and personal activities as they may relate to us and our management. Our Corporate Governance Guidelines direct the independent directors of the Board to meet in executive session at least twice each year. Shareholders may communicate with the independent directors by following the procedures set forth in Shareholder Communications with the Board in this proxy statement.

Attendance and Committees of the Board

Pursuant to our Corporate Governance Guidelines, directors are expected to attend the Annual Meeting and all meetings of the Board, including all meetings of Board committees of which they are members. All directors were present at the previous Annual Meeting that was held on May 18, 2009. Our Board of Directors held four meetings during 2009. The Board of Directors has four standing committees: the Executive Committee, the Audit Committee, the Compensation Committee and the Governance and Nomination Committee. Each member of the Audit Committee, the Compensation Committee and the Governance and Nomination Committee is an independent director as such term is defined under applicable SEC rules and regulations and NASDAQ listing standards. All incumbent directors attended at least 75% of the aggregate meetings held by the Board and their assigned committees in 2009.

Executive Committee

The Executive Committee consists of Earl E. Congdon (Chairman), John R. Congdon and David S. Congdon. The Executive Committee is empowered to act between meetings of the Board of Directors with powers of the full Board, to the extent permitted by our bylaws and applicable law. This committee did not meet in 2009.

Audit Committee

The Audit Committee, which is a separately-designated standing Audit Committee established in accordance with section 3(a)(58)(A) of the Securities Exchange Act of 1934, consists of J. Paul Breitbach (Chairman), Robert G. Culp, III and D. Michael Wray, each of whom the Board of Directors has determined is independent pursuant to applicable SEC rules and regulations and NASDAQ listing standards. The Board of Directors has determined that all Audit Committee members are financially literate and that Mr. Breitbach and Mr. Wray each qualify as an audit committee financial expert as defined by applicable SEC rules. Please refer to the experience described for each of these members under Proposal 1 - Election of Directors in this proxy statement. The Audit Committee is governed by a written charter approved by the

Board of Directors, which is available on our website at <http://www.odfl.com/company/corpGovernance.shtml>. The Committee annually reviews this charter to reassess its adequacy and recommends any proposed changes to the Board of Directors for approval. Committee members are nominated annually by the Governance and Nomination Committee and approved by our Board of Directors to serve for one-year terms. Information regarding the functions performed by this committee is set forth in the Report of Audit Committee, which is included in this proxy statement. The Audit Committee met five times in 2009 and, in addition, held eight telephonic meetings. The eight telephonic meetings of the Audit Committee included, among other things, a telephonic meeting after each quarterly period to discuss with both management and our independent registered public accounting firm, Ernst & Young LLP (E&Y), the quarterly financial results to be included in our quarterly earnings release.

Compensation Committee

Our Compensation Committee consists of Robert G. Culp, III (Chairman), Leo H. Suggs and D. Michael Wray, each of whom the Board of Directors has determined to be independent pursuant to applicable NASDAQ listing standards. J. Paul Breitbach, who was also determined by the Board to be independent pursuant to applicable NASDAQ listing standards, served as a member of the Compensation Committee until May 18, 2009. Committee members are nominated annually by the Governance and Nomination Committee and approved by our Board of Directors to serve for one-year terms.

The Compensation Committee is responsible for reviewing the components of our compensation plans for our officers, including an evaluation of the components of compensation, the standards of performance measurements and the relationship between performance and compensation. Please refer to our compensation philosophy and actions taken in 2009 described in the Compensation Discussion and Analysis section of this proxy statement for further discussion, including the role of executive officers in determining or recommending the amount or form of executive and director compensation. The Compensation Committee also reviews and evaluates the fees paid to members of our Board of Directors.

The Compensation Committee has established and maintains a written charter, which has been approved by the Board of Directors and is published on our website at <http://www.odfl.com/company/corpGovernance.shtml>. The Committee annually reviews this charter to reassess its adequacy and recommends any proposed changes to the Board of Directors for approval. The Committee meets periodically and is authorized to obtain opinions or reports from external or internal sources, to the extent required to fulfill its responsibilities. The Compensation Committee met four times in 2009. In accordance with its charter, the Committee may delegate authority to one or more members of the Committee as deemed necessary to fulfill its responsibilities; however, no authority was delegated in 2009.

Governance and Nomination Committee

The Governance and Nomination Committee consists of John D. Kasarda (Chairman), J. Paul Breitbach and Leo H. Suggs, each of whom the Board of Directors has determined is independent pursuant to applicable NASDAQ listing standards. This Committee makes recommendations concerning the size and composition of the Board of Directors, evaluates and recommends candidates for election as directors (including nominees recommended by shareholders), coordinates the orientation (in conjunction with our Chief Executive Officer) and educational requirements of new and existing directors, develops and implements our corporate governance policies and assesses the effectiveness of the Board of Directors and its committees. The written charter for this committee is available on our website at <http://www.odfl.com/Company/corpGovernance.shtml>. The Committee annually reviews this charter to reassess its adequacy and recommends any proposed changes to the Board of Directors for approval. Committee members are appointed annually by a majority of the Board of Directors to serve for one-year terms. The Governance and Nomination Committee met four times in 2009.

Corporate Governance Guidelines

The Board has adopted written Corporate Governance Guidelines, which provide the framework for fulfillment of the Board's duties and responsibilities in light of various best practices in corporate governance and applicable laws and regulations. The Corporate Governance Guidelines address a number of matters applicable to directors, including director qualification standards, meeting requirements and responsibilities of the Board and its committees. The Corporate Governance Guidelines are available on our website at <http://www.odfl.com/company/corpGovernance.shtml>.

Code of Business Conduct

We have adopted a Code of Business Conduct that applies to all of our directors, officers (including our Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer and any person performing similar functions) and employees. Our Code of Business Conduct is available on our website at <http://www.odfl.com/company/corpGovernance.shtml>. Any waivers or substantive amendments to our Code of Business Conduct applicable to our directors or executive officers will be disclosed, as required and to the extent permissible under applicable law, the rules of the SEC or NASDAQ listing standards, and filed with the SEC on a Form 8-K. Any waiver or substantive amendment of the Code of Business Conduct for directors or executive officers may be made only by the Board or a Board committee.

Shareholder Communications with the Board

Any shareholder desiring to contact the Board or any individual director serving on the Board may do so by written communication mailed to: Board of Directors (Attention: (name of director(s), as applicable)), care of the Corporate Secretary, Old Dominion Freight Line, Inc., 500 Old Dominion Way, Thomasville, North Carolina 27360. Any communication so received will be processed by our Corporate Secretary and be promptly delivered to each member of the Board or, as appropriate, to the member(s) of the Board named in the communication.

Director Nominations

The Governance and Nomination Committee will consider qualified director nominees recommended by shareholders when such recommendations are submitted in accordance with our bylaws and policies regarding director nominations. Shareholders may submit in writing the names and qualifications of potential director nominees to our Corporate Secretary (500 Old Dominion Way, Thomasville, North Carolina 27360) for delivery to the Chairman of the Governance and Nomination Committee for consideration. When submitting a nomination to the Governance and Nomination Committee for consideration, a shareholder must provide the following minimum information for each director nominee: full name, address, age, principal occupation during the past five years, current directorships on publicly-held companies and investment companies, number of our shares of common stock owned, if any, and a signed statement by the nominee consenting to serve as a director if elected. Shareholder nominations for director must also be made in a timely manner and otherwise in accordance with our bylaws, as described in more detail in Article 3, Section 6 of our bylaws. If the Governance and Nomination Committee receives a director nomination from a shareholder or group of shareholders who (individually or in the aggregate) have beneficially owned greater than 5% of our outstanding stock for at least one year prior to the date of nomination, we, to the extent required by applicable securities law, will identify the candidate and shareholder or group of shareholders recommending the candidate and will disclose in our proxy statement whether the Governance and Nomination Committee chose to nominate the candidate, as well as certain other information required by SEC rules and regulations.

In addition to any director nominees submitted by shareholders, the Governance and Nomination Committee considers candidates submitted by directors, as well as self-nominations by directors, and, from time to time, it may consider candidates submitted by a third-party search firm hired for the purpose of identifying director candidates. The Governance and Nomination Committee investigates potential director candidates and their individual qualifications, and all such candidates, including those submitted by shareholders, are similarly evaluated by the Governance and Nomination Committee.

In evaluating prospective nominees, the Governance and Nomination Committee considers the criteria outlined in our Corporate Governance Guidelines, which include personal and professional ethics, integrity and values; director independence; relevant educational and business experience; willingness to devote the time required to evaluate the effectiveness of management; and a commitment to represent the best interests of us and our shareholders. After this evaluation process is concluded, the Governance and Nomination Committee selects and submits nominees to the Board of Directors for further consideration and approval.

Although we do not have a formal policy for the consideration of diversity in identifying director nominees, we and the Governance and Nomination Committee consider the criteria outlined above and as set forth in our Corporate Governance Guidelines when recommending director nominees so that the Board, as a whole, will possess the appropriate skills and expertise to oversee our business. We and the Governance and Nomination Committee believe that the current composition of the Board of Directors reflects a highly talented group of individuals best suited to perform oversight responsibilities for us and our shareholders.

Risk Management

Our Chief Financial Officer and Chief Executive Officer are responsible for the assessment and management of our risks. The Board of Directors is responsible for the oversight of our policies, procedures and systems in place to manage our risk exposure. The Chief Financial Officer regularly reviews, with the Chief Executive Officer and the Audit Committee, our significant risk factors, as well as the steps management has taken to identify, monitor and mitigate those risks. In addition, our Director of Internal Audit also reports any identified risks resulting from internal audit work separately to the Chief Executive Officer and the Audit Committee. The Audit Committee then reports the results of these reviews to the Board on a regular basis.

Other committees of the Board have risk oversight responsibility as well. The Governance and Nomination Committee is responsible for the oversight of risks associated with succession planning and corporate governance matters, and the Compensation Committee is primarily responsible for the oversight of risks associated with employment agreements, compensation arrangements and the attraction and retention of qualified employees.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has adopted a written policy that requires advance approval of all audit services, audit-related services, tax services and other services performed by our independent registered public accounting firm. The policy provides for pre-approval by the Audit Committee of specifically defined audit and permissible non-audit services. Unless the specific service has been pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent registered public accounting firm is engaged to perform it. The Audit Committee has delegated to the Chairman of the Audit Committee authority to pre-approve permitted services under \$20,000 provided that the Chairman reports any decisions to all members of the Audit Committee at the earliest convenience. In the event the Chairman is unavailable, the remaining members must unanimously approve any request for permitted services, not to exceed \$20,000, and notify the Chairman at the earliest convenience.

Policy for Accounting Complaints

The Audit Committee has established procedures for (i) the receipt, retention and processing of complaints related to accounting, internal accounting controls and auditing matters and (ii) the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters, in compliance with Section 301 of the Sarbanes-Oxley Act of 2002 (the Sarbanes-Oxley Act) and related SEC rules and regulations. The Audit Committee has contracted with a third party to provide a toll-free telephone number and Internet service that is staffed 24 hours a day, seven days a week. This service documents the complaint, assigns a reference number to the complaint for tracking purposes and forwards that information, through email, to the Audit Committee Chairman and the Director of Internal Audit. In the

event the complaint concerns an internal audit matter, only the Audit Committee Chairman is notified. Either the Audit Committee Chairman or Director of Internal Audit, using whatever resources are required, investigates the complaint and initiates corrective action when appropriate. The identity of the individual submitting the complaint and the details of the complaint remain anonymous throughout this process. We periodically test this process to ensure that complaints are handled in accordance with these procedures.

Compensation Committee Interlocks and Insider Participation

The current members of the Compensation Committee are Messrs. Culp (Chairman), Suggs and Wray. J. Paul Breitbach also served as a member of the Compensation Committee until May 18, 2009. None of the current members of the Compensation Committee or Mr. Breitbach has ever served as our officer or employee or had any relationship during the year ended December 31, 2009 that would be required to be disclosed pursuant to the SEC's Item 404 of Regulation S-K. No interlocking relationships exist between our current Board of Directors or Compensation Committee and the board of directors or compensation committee of any other company.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires certain of our officers, directors and persons who own more than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC. Such officers, directors and shareholders are required by SEC regulations to furnish us with copies of all such reports that they file. Based solely on a review of copies of the reports filed with the SEC since January 1, 2009 and on representations by certain officers and directors, all persons subject to the reporting requirements of Section 16(a) filed the reports required to be filed on a timely basis, except for (i) Greg C. Gantt, who failed to file a timely Form 3 upon becoming a Section 16(a) reporting person effective April 8, 2009 and a timely Form 4 to report the grant of 1,955 shares of phantom stock on February 8, 2010, and (ii) D. Michael Wray, who failed to file a timely Form 4 for his purchases of an aggregate of 1,000 shares of our common stock on October 29, 2009. The required Forms relating to these reporting requirements for each of Mr. Gantt and Mr. Wray have been filed with the SEC.

REPORT OF AUDIT COMMITTEE

The Audit Committee oversees our financial reporting, internal controls and audit functions on behalf of the Board of Directors and operates under a written charter adopted on April 24, 2000, which is reviewed on an annual basis and was most recently revised on August 3, 2009. The charter is available on our website at <http://www.odfl.com/company/corpGovernance.shtml>. The Audit Committee is comprised solely of independent directors as defined by SEC rules and regulations and NASDAQ listing standards. Two of the three members of the Audit Committee, including the Chairman, have been designated as audit committee financial experts as that term is defined by SEC rules and regulations. The Chairman reports the Audit Committee's actions and deliberations to the Board at quarterly scheduled Board meetings.

During the fiscal year ended December 31, 2009, the Audit Committee fulfilled its duties and responsibilities as outlined in the charter. Among its actions, the Audit Committee:

reviewed and discussed our quarterly earnings releases and the quarterly financial statements filed on Forms 10-Q with the SEC, with management and our independent registered public accounting firm, E&Y;

reviewed with management, the internal auditor and E&Y the audit scope and plan for the audit of the fiscal year ended December 31, 2009; and

met with each of the internal auditor and E&Y, outside the presence of management, to discuss, among other things, our financial disclosures, accounting policies and principles and internal controls.

In fulfilling its oversight responsibilities, the Audit Committee also reviewed and discussed the audited financial statements in the Annual Report on Form 10-K with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. Management is responsible for the preparation, presentation and integrity of our financial statements; accounting and financial reporting principles; establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rule 13a-15(e)); establishing and maintaining internal control over financial reporting (as defined in Exchange Act Rule 13a-15(f)); evaluating the effectiveness of disclosure controls and procedures; evaluating the effectiveness of internal control over financial reporting; and evaluating any change in internal control over financial reporting. E&Y is responsible for performing an independent audit of those financial statements and expressing an opinion as to their conformity with U.S. generally accepted accounting principles, as well as expressing an opinion on the effectiveness of our internal control over financial reporting.

During the course of 2009, management completed the documentation, testing and evaluation of our system of internal control over financial reporting in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act and related SEC rules and regulations. The Audit Committee was kept apprised of the progress of the documentation, testing and evaluation and provided oversight to management during the process. The Audit Committee reviewed the report of management contained in our Annual Report on Form 10-K for the year ended December 31, 2009, filed with the SEC, as well as E&Y's Report of Independent Registered Public Accounting Firm included in our Annual Report on Form 10-K relating to its audit of (i) the financial statements and financial statement schedule and (ii) the effectiveness of our internal control over financial reporting.

The Audit Committee reviewed with our independent registered public accounting firm its judgments as to the quality, not just the acceptability, of our accounting principles and such other matters as are required to be discussed with the Audit Committee under Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU Section 380), as adopted by the Public Company Accounting Oversight Board (the PCAOB) in Rule 3200T. In addition, the Audit Committee has received the written disclosures and the letter from E&Y required by applicable requirements of the PCAOB regarding E&Y's communications with the Audit Committee concerning independence, and has discussed with E&Y that firm's independence. The Audit Committee has also considered the compatibility of the provision of non-audit services with E&Y's independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2009 for filing with the SEC.

The Audit Committee,

J. Paul Breitbach, Chairman

Robert G. Culp, III

D. Michael Wray

COMPENSATION DISCUSSION AND ANALYSIS

Overview

Old Dominion's executive compensation program is structured to tie a significant portion of current cash compensation directly to corporate performance. This is accomplished primarily through the Performance Incentive Plan (the PIP), which, as described below, provides for monthly payouts to the participants of a specified percentage of our monthly pre-tax income, subject to a minimum level of

profitability. We believe this plan has been instrumental in motivating our named executive officers and other participating officers to achieve and sustain superior profitability in our industry.

We believe long-term incentives are also necessary to reward loyalty and create shareholder value. Accordingly, our compensation program provides for awards under the Old Dominion Freight Line, Inc. Phantom Stock Plan (the "Phantom Stock Plan"), described below, which have vesting and continued service requirements and are linked to the value of our common stock. Other long-term components consist primarily of deferral of short-term cash compensation into our Nonqualified Deferred Compensation Plan and contributions to our 401(k) retirement plan, which also are described in more detail below.

The mix of short-term and long-term incentives that supplement the salary component of our executive compensation program reflects a thorough evaluation of our program conducted in 2007 and 2008 by our Compensation Committee, with the assistance of the Committee's independent compensation consultant, Hay Group, Inc. Neither we nor our Compensation Committee retained a compensation consultant during 2009.

The principal factors in the Compensation Committee's executive compensation decisions for 2009 were the state of our industry, which has suffered through one of the most challenging business cycles in our Company's history, and the performance of our management during the recessionary period, which has enabled us to not only sustain profitability but also maintain our position as one of the best performing LTLs in the industry. For these reasons, the Compensation Committee followed management's recommendation that it grant no increases in salary or PIP participation factors to management for 2009. As a result, though the Committee elected to maintain 2008 salary levels in 2009, total cash compensation for our named executive officers, including payouts under the PIP, declined 31.6% as a group in 2009 from 2008 levels.

Objectives of Our Executive Compensation Program

The primary objectives of our executive compensation program are to:

motivate and reward our executives to increase earnings;

provide the opportunity for a high level of compensation for superior corporate performance as a means to increase long-term shareholder value; and

promote and foster an environment of cooperation and team spirit.

We also believe it is critical that our compensation program is structured to:

attract talented, knowledgeable and experienced executives, who are critical to our success in the highly competitive LTL segment of the transportation industry;

retain our executives so they can add further value in current and future roles by providing long-term incentives that reward loyalty and longevity; and

provide a reasonable level of compensation protection to our executive officers to offset some of the risks of a change in ownership.

Role of Compensation Committee and Independent Directors

The Compensation Committee is comprised entirely of independent directors, and this committee is charged with recommending to our Board the compensation of our Chief Executive Officer and determining the compensation paid to our other named executive officers. Additionally, the Compensation Committee makes recommendations to the Board regarding the adoption of, and changes to, our executive compensation plans.

Earl E. Congdon (our Executive Chairman) and David S. Congdon (our President and Chief Executive Officer) have a significant role in the compensation-setting process, including:

evaluating individual performance;

establishing business performance targets and objectives; and

providing recommendations to the Compensation Committee for salary and equity or non-equity based awards.

Neither Earl E. Congdon nor David S. Congdon participates in the Compensation Committee's deliberations regarding his individual performance, salary level, non-equity incentive plan compensation or other compensation that may be granted to him.

The Compensation Committee has the authority to hire outside advisors, such as compensation consultants, to render guidance and assistance when and if the committee deems it appropriate and advisable. The Compensation Committee, at its discretion, determines both the frequency that outside consultants are engaged and the scope of work these consultants perform.

The Compensation Committee's Use of Benchmarking and Related Data

As noted above, the Compensation Committee engaged Hay Group to assist the Committee in its evaluation of our executive compensation program in 2007 and 2008. As part of that evaluation, Hay Group supplied the Committee with benchmarking data regarding 12 other publicly-held companies in the trucking segment of the transportation industry. Nine operated in the truckload segment of the industry or were specialized carriers, and three operated in our LTL segment of the industry. After receiving an update of this benchmarking information from Hay Group in connection with the Committee's 2008 executive compensation decisions, the Committee elected not to request further information from Hay Group for 2009. The Committee concluded that an update of the 2008 information would be of marginal incremental value due to the overarching importance of current economic conditions on compensation-related decisions affecting all Company personnel as well as the composition of the peer group, which consists principally of carriers that operate outside the LTL segment of the industry.

Elements of Compensation

The following discusses each of the components of our executive compensation program and the decisions the Compensation Committee made in connection with 2009, and where appropriate, 2010 compensation.

Annual Base Salary

We have historically increased the base salaries of our named executive officers annually for an inflationary factor and, in some instances, a modest incremental adjustment for our overall growth and financial performance. However, due to the severity of the economic downturn in 2009 that has continued into 2010, the Compensation Committee, consistent with the recommendation of the Chief Executive Officer, did not approve any increases in the annual base salary for our named executive officers or any of our officers in 2009. The Committee also maintained these salary levels for 2010.

The table below reflects base salaries for our named executive officers in 2010, 2009 and 2008:

Named Executive Officer	2010 Base	2009 Base Salary	2008 Base Salary
	Salary (\$) ⁽¹⁾		
Earl E. Congdon	499,980	499,980	499,980
David S. Congdon	499,980	499,980	499,980
J. Wes Frye	298,524	298,524 ⁽²⁾	297,024
John B. Yowell	350,012	350,012	350,012
Greg C. Gantt	273,000	273,000	273,000

- (1) The base salary in the table above assumes equal weekly payments to our named executive officers made each Friday, which is the payment date of our weekly payroll cycle. As a result of the 2009 calendar, there were 53 weekly payments made during the year, so the amount of annualized base salary in the table above does not correspond to the actual base salary reflected in the Summary Compensation Table on page 22 of this proxy statement.
- (2) J. Wes Frye has elected to forgo the perquisite of a Company-provided vehicle in exchange for an equivalent adjustment in annual base salary. The increase in base salary between 2008 and 2009 reflects an adjustment, effective July 22, 2008, to the amount of the benefit that Mr. Frye receives in exchange for forgoing a Company-provided vehicle.

In setting 2009 salary levels, the Compensation Committee noted our operating ratio for 2008 increased to 91.6% from 90.7% in 2007 and that our net income for 2008 declined modestly (4.4%) compared to the prior year. However, the Committee acknowledged that these results were achieved in the face of a difficult recessionary economy and compared very favorably with the operating results of our LTL competitors. The Committee also took into account a sharp decline in payouts under the PIP, which historically have been a significant component of the short-term cash compensation paid to our named executive officers. The Committee concluded that the entire executive management team contributed to our performance and that the decision to maintain salaries at current levels should apply uniformly.

Non-equity Incentive Plans

During 2009, our named executive officers participated with certain other employees in our PIP, which is administered by the Compensation Committee. Participants were selected by the Compensation Committee, with input by senior management, to receive a monthly cash incentive payment based upon a fixed percentage, or participation factor, of our pre-tax income. The Compensation Committee approved the participation factors for our named executive officers and other key participants and monitored the compensation derived from the plan.

The material terms of the PIP were approved by our shareholders at our annual meeting held on May 28, 2008. Shareholder approval enabled us to maximize our income tax deductions for compensation paid to certain employees under our cash incentive program pursuant to Section 162(m) of the Internal Revenue Code (the Code).

The formula applied for each participant in the PIP is shown below:

$$\text{Monthly Income Before Income Taxes} \times \text{Participation Factor} = \text{Monthly Payout}$$

In 2008, when the Compensation Committee determined the named executive officer's participation factors, they estimated that at risk performance-based cash compensation would average approximately 65% of total cash compensation for the group. Primarily as a result of the impact of recessionary economic factors on our operating performance, the actual average at risk compensation paid to the named executives in 2009 ranged between 34.5% and 53.8% of total cash compensation.

The table below reflects the participation factor (that is, the percentage of our income before income taxes) awarded to each of our named executive officers under non-equity incentive plans for the years indicated:

Named Executive Officer	2010 PIP Participation Factor (%)	2009 PIP Participation Factor (%)	2008 XPS Plan Participation Factor (%) ⁽¹⁾
Earl E. Congdon	1.04	1.04	1.04
David S. Congdon	1.04	1.04	1.04
J. Wes Frye	0.28	0.28	0.28
John B. Yowell	0.68	0.68	0.68
Greg C. Gantt	0.28	0.28	0.28

(1) The Executive Profit Sharing Incentive Plan (the XPS Plan) was replaced effective January 1, 2009 by the PIP. Under the XPS Plan, our named executive officers participated with certain other employees and received a monthly cash incentive payment based upon the provided percentage of our pre-tax income.

The PIP requires a minimum threshold of profitability for a month before a payout may be made to any of the participants. The minimum profitability threshold requires our pre-tax profit margin for a month to exceed 2%. Our pre-tax profit exceeded the 2% minimum threshold for each month in 2009 and, as a result, each of the named executive officers received cash compensation based on his respective participation factor.

The Compensation Committee recognizes that a feature of the PIP is that it can produce higher-than-market cash compensation during periods of high profitability, including periods when our period-over-period performance may have declined. However, it is also the case that the PIP can produce lower-than-market cash compensation during periods of low profitability, including periods when our period-over-period performance has improved.

The Compensation Committee has considered whether our employee compensation policies and practices, including our PIP, create inadvertent incentives for executive management and other participants to make decisions that are reasonably likely to have a material adverse effect on us, and believes they do not. The Committee believes the overarching characteristic of the PIP is its ability to create a highly motivated management team that is focused, daily, on improving our performance and creating long-term value for our shareholders.

Phantom Stock Plan

The Old Dominion Freight Line, Inc. Phantom Stock Plan, which was adopted in 2005 and subsequently amended to comply with the provisions of Section 409A of the Code, provides a long-term retirement incentive for our named executive officers. While awards under this plan are discretionary, it has been our practice to award phantom stock annually during the first quarter of each year.

The Compensation Committee generally determines the awards based on a percentage of annual base salary in relation to our operating ratio for the previous fiscal year, as shown in the table below:

Operating Ratio	Phantom Stock Awards Granted as a % of Annual Base Salary
Greater than 90%	20%
89% to 90%	30%
88% to 89%	40%
Less than 88%	50%

Prior to 2008, no awards under the Phantom Stock Plan were made unless our operating ratio was 91% or lower. However, in order to strengthen the long-term components of our executive compensation program in response to advice the Compensation Committee received from its compensation consultant in 2007, the Committee adopted a policy to generally make an annual grant to participants in the plan equal to 20% of base salary, regardless of our operating ratio.

The table below reflects the Compensation Committee's approval of grants of phantom stock for the last three years. Each named executive officer was granted a number of phantom shares equal to the designated percentage of his annual base salary divided by the average closing price of our common stock for the fourth, fifth and sixth trading days following the public release of our fourth quarter earnings. Because our operating ratio exceeded 90% for each of the last three years, the Committee granted awards at the minimum 20% level in each year.

	Operating	Grant	% of Annual
Performance Year	Ratio	Date	Base Salary
2009	94.3	2/8/2010	20%
2008	91.6	2/9/2009	20%
2007	90.7	2/11/2008	20%

Phantom stock awards are generally subject to a five-year vesting period, or the earlier to occur of the following: (i) the date of a change of control in our ownership; (ii) the fifth anniversary of the grant date, provided the named executive officer is employed by us on that date; (iii) the date of the named executive officer's death while employed by us; (iv) the date of the named executive officer's total disability; or (v) the date the named executive officer attains the age of 65 while employed by us. Awards that are not vested upon termination of employment are forfeited. All vested and unvested awards are forfeited if termination of employment occurs for cause or prior to attaining the age of 55, unless the termination results from death or total disability. Phantom stock awards are settled in cash after the required vesting period and upon termination of employment. Our named executive officers are each entitled to receive the fair market value of each share of phantom stock on the settlement date, which will be paid in 24 monthly installments in accordance with the Phantom Stock Plan. Because of the required vesting period and settlement provisions, this component of compensation generally rewards longevity and provides a retirement benefit to our named executive officers that is directly tied to shareholder value.

401(k) Retirement Plan

Our named executive officers may participate in our 401(k) retirement plan, which includes a matching provision that is based upon the participant's contributions. We consider this match in our evaluation of overall compensation; however, we believe the maximum employee contribution and matching limits in our plan would prevent our named executive officers from saving an amount that is adequate for their retirement or competitive with similarly-situated executives at other companies in our industry.

Nonqualified Deferred Compensation Plan

Because we do not provide a significant retirement plan for our named executive officers, we offer them an alternative vehicle for funding their retirement in the form of the 2006 Nonqualified Deferred Compensation Plan. This plan allows eligible participants, including our named executive officers, to defer significant percentages of both their annual base salary and their monthly non-equity incentive compensation. The plan, which was amended and restated effective January 1, 2009 to comply with Section 409A of the Code, and was further amended on January 1, 2010, is described in further detail on page 27 of this proxy statement.

Section 162(m) of the Code

Our shareholders approved the material terms of the PIP at the 2008 annual meeting of shareholders. This approval enabled us, pursuant to Section 162(m) of the Code, to maximize our

income tax deductions for compensation paid to certain participants in the PIP. The Compensation Committee considers deductibility of executive compensation paid to our named executive officers, although historically it has awarded compensation despite non-deductibility when it believed such compensation was warranted. As a result of the deductibility of payouts under the PIP, the Committee does not believe deductibility of compensation awarded to our named executive officers will be an issue under Section 162(m) for the foreseeable future.

Employment Agreements

On May 17, 2004, based in part upon an analysis performed by a compensation consultant of our executive compensation program, we entered into employment agreements with four of our senior executives, three of whom are named executive officers: Earl E. Congdon, our Executive Chairman of the Board; David S. Congdon, our President and Chief Executive Officer; John B. Yowell, our Executive Vice President and Chief Operating Officer; and John R. Congdon, our Senior Vice President and Vice Chairman of the Board. We decided to enter into employment agreements with these executives for the following reasons:

to establish non-competition and non-solicitation agreements, in order to limit our exposure to competition by any of these executives in the event of termination of his employment;

to provide long-term incentives to retain David S. Congdon and John B. Yowell, whom we believe will help ensure the continuity of leadership upon the retirement of Earl E. Congdon and John R. Congdon;

to provide protection to these executives in the event we experience a change in control; and

to limit our exposure to a sudden and significant drop in the market value of our common stock that could result from a liquidation of shares by the estate of any of these executives in the event of his death.

Each agreement was tailored to address the competitive and financial exposures to both us and the employee referred to above.

In 2007, the Compensation Committee, with the assistance of Hay Group, conducted a study and identified several modifications to the employment agreements that the Compensation Committee believed to be appropriate. Following discussions with our executives who were parties to these agreements, on May 28, 2008, we entered into amended and restated employment agreements that replaced the May 17, 2004 agreements. A more detailed discussion of the terms and provisions of these agreements is provided on page 29 of this proxy statement.

Change of Control and Post-Employment Benefit Considerations

The employment agreements for each of Earl E. Congdon, David S. Congdon and John B. Yowell provide for post-employment benefits that result from a change in control. In addition, David S. Congdon and John B. Yowell are entitled to receive post-employment benefits upon termination for any reason, except for termination by us for cause and termination by the executive for a reason not constituting good reason. (A change of control does not constitute good reason, but in the case of David S. Congdon's agreement, a fundamental disagreement with the Board following a change of control does constitute good reason.) The employment agreements, including post-employment benefits, are described in more detail on page 29 of this proxy statement.

The Old Dominion Freight Line, Inc. Change of Control Severance Plan for Key Executives has been in place since 2005, but was amended and restated effective January 1, 2009 to comply with Section 409A of the Code. The plan provides for post-employment benefits that result from a change in control to eligible key executives, including two named executive officers, J. Wes Frye and Greg C. Gantt. The benefits provided by this plan are described in more detail on page 31 of this proxy statement.

We believe that the employment agreements and the Change of Control Severance Plan for Key Executives provide a reasonable level of protection to our named executive officers in the event we

experience a change of control. We also believe the post-employment benefits provided in the employment agreements for David S. Congdon and John B. Yowell are effective incentives for retaining these key executive officers, who we believe are critical to our continued success.

Other Benefits and Perquisites

Our named executive officers participate equitably, except as noted below, with all employees in our employee benefit plans, which include medical, dental, vision, long-term disability and group life insurance. Each named executive officer receives term-life insurance benefits insuring his life for \$300,000. In addition, the employment agreements with David S. Congdon and John B. Yowell provide for the reimbursement of premiums for term-life insurance coverage up to \$10,000,000. We believe the life insurance provided to these named executive officers offers some protection from a sudden and significant drop in the market value of our common stock that could result from a liquidation of shares by the estate of either of these executives in the event of his death. Earl E. Congdon, at his own expense, has obtained additional life insurance benefits that we deem adequate in mitigating this risk; therefore, no additional life insurance benefits were provided to him.

We provide basic employee group health and dental coverage for all employees but charge a premium for dependent and family coverage. We have waived the premiums for basic coverage for our named executive officers' families.

The named executive officers, with the exception of J. Wes Frye, are provided the use of a Company-provided automobile. We have increased the annual base salary commensurately for Mr. Frye to compensate for the absence of this perquisite.

The employment agreements for Earl E. Congdon, David S. Congdon and John B. Yowell allow for personal use of corporate aircraft. In 2009, personal use of our corporate aircraft by our named executive officers represented approximately 4.9% of the total hours that our aircraft were utilized. The incremental cost for the personal use of our corporate aircraft is included in the "All Other Compensation" column of the Summary Compensation Table on page 22 of this proxy statement.

The employment agreements for Earl E. Congdon, David S. Congdon and John B. Yowell provide for the payment of annual membership dues and initiation fees for memberships in private clubs in accordance with our established policy. We have access to utilize these club memberships for employee functions, vendor relations and customer events.

Conclusions

Our Compensation Committee has considered all of the elements of compensation described above and their role in determining the total amount of current compensation. The Committee believes the amount of each element and the total amount of compensation for each named executive officer are reasonable and appropriate in light of the officer's experience and individual performance, our operational and financial performance and the officer's role in creating shareholder value. The Committee also considered whether our compensation plans promote or encourage unnecessary and excessive risks and concluded they do not.

- (1) Reflects the aggregate grant date fair value of awards granted during the year computed in accordance with Financial Accounting Standards Board Accounting Standards Codification 718, *Compensation - Stock Compensation* (ASC 718), disregarding the estimate of forfeitures related to applicable service-based vesting conditions. Awards were granted in 2009 pursuant to the provisions of the Old Dominion Freight Line, Inc. Phantom Stock Plan (the Phantom Stock Plan). These awards were based on fiscal year 2008 financial results and are included below in the Grants of Plan-Based Awards table. Each named executive officer was awarded a number of phantom shares equal to 20% of base salary at year-end 2008 divided by the average closing price of our common stock for the three-day period commencing February 4, 2009 and ending February 6, 2009. The value of these awards in the table was determined by multiplying the number of phantom stock shares awarded to each named executive officer by the closing share price of \$26.34 on the grant date of February 9, 2009, and assumes that all shares will vest based on the requirements of the Phantom Stock Plan. No shares of our common stock will be issued pursuant to the Phantom Stock Plan, as the awards are required to be settled in cash. While we used 2008 financial results to determine these awards, awards under the Phantom Stock Plan are discretionary and are considered earned in the year granted. Additionally, our Compensation Committee considers the value of the grant as part of the compensation in the year of grant when evaluating annual compensation for our named executive officers.
- (2) Pursuant to our PIP for 2009 and our XPS Plan for 2008 and 2007, we pay monthly cash incentives to our named executive officers based upon our pre-tax income during the fiscal year. Cash incentives are generally paid in the month following the actual month in which the cash incentive is earned; therefore, the table reflects only the cash incentives earned for each of the 12 months of the respective year, regardless of when the incentive payment was actually made.
- (3) See *All Other Compensation* below for the amounts and descriptions of these components of compensation in 2009.
- All Other Compensation***

The allocation of 2009 *All Other Compensation* from the Summary Compensation Table is presented below:

Name	Personal Use of Corporate Aircraft	Life Insurance Premiums	Group Health Premiums	Personal Use of Corporate Automobile	Company Contributions to the 401(k) Plan	Club Memberships	Total
	(\$) ⁽¹⁾	(\$) ⁽²⁾	(\$) ⁽³⁾	(\$) ⁽⁴⁾	(\$) ⁽⁵⁾	(\$) ⁽⁶⁾	(\$)
Earl E. Congdon	23,901	2,541	2,014	3,367	5,269	2,656	39,748
David S. Congdon	19,089	20,394	2,650	10,491	5,269	6,454	64,347
J. Wes Frye		2,035	2,650		5,256		9,941

Greg C. Gantt		710	2,650	2,041	5,421		10,822

- (1) For the purpose of this table, compensation for the personal use of the corporate aircraft is calculated using incremental variable costs per flight hour.
- (2) Includes the following: (i) the taxable excess group term-life insurance premiums under our group term-life insurance policy for all employees and (ii) reimbursement of term-life premiums for policies up to \$10,000,000 provided to David S. Congdon and John B. Yowell under their employment agreements that are further described in *Employment Agreements with David S. Congdon and John B. Yowell* on page 30 of this proxy statement.

- (3) We offer our employees a choice in group health and dental plans that vary by the level of benefits available and premiums paid by the employee. Employee premiums for our basic group plans are waived for our named executive officers. If our named executive officers elect to enroll in plans with higher benefits and premiums, they are required to pay the difference in premiums between the basic plan and the more robust plan selected. The amount in the table reflects the value of the basic group health and dental premiums that we waived for our named executive officers in 2009.
- (4) The amount reflected in the table for personal use of a Company-provided automobile is calculated by allocating the fixed and variable costs of the vehicle over the percentage of personal versus total mileage driven.
- (5) Each of our named executive officers is eligible to participate in the Old Dominion 401(k) Employee Retirement Plan on the same basis as other employees. Employee contributions are limited to a percentage of their compensation, as defined in the plan. We guarantee a match of 30% of the first 6% of all employee contributions. Additional employer contributions may be awarded on a non-discriminatory basis to all participants at the discretion of our Board of Directors.
- (6) Club membership dues and initiation fees are provided for in the employment agreements with Earl E. Congdon, David S. Congdon and John B. Yowell, which are further described in the Employment Agreements section on page 29 of this proxy statement.

2009 Grants of Plan-Based Awards

The following table provides information regarding plan-based awards made during fiscal 2009:

Name	Grant Date	Estimated Future Payouts Under Non-Equity Incentive Plan Awards ⁽¹⁾			All Other Stock Awards: Number of Shares of Stock or Units (#) ⁽²⁾	Grant Date Fair Value of Stock and Option Awards (\$) ⁽³⁾
		Threshold	Target	Maximum

John B. Yowell	2/09/09				2,626	69,168
Greg C. Gantt	2/09/09				2,048	53,944

- (1) All payments made pursuant to the PIP and relating to the 2009 fiscal year have been made and are reflected in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table.
- (2) Shares of phantom stock awarded in 2009 were based upon our financial performance in fiscal year 2008. Each named executive officer was awarded shares of phantom stock equal to 20% of base salary at year-end 2008 divided by the average closing price of our common stock on the fourth, fifth and sixth days following our fourth quarter 2008 earnings press release. While we used 2008 financial results to determine these awards, awards under the Phantom Stock Plan are discretionary and are considered earned in the year granted. Additionally, our Compensation Committee considers the value of the grant as part of the compensation in the year of grant when evaluating compensation to our named executive officers. No shares of our common stock will be issued pursuant to the Phantom Stock Plan, as the awards are required to be settled in cash.
- (3) The grant date fair value of phantom stock shares is determined by the number of shares set forth above multiplied by the February 9, 2009 closing share price of \$26.34 as reported on the NASDAQ Global Select Market.

Old Dominion Freight Line, Inc. Phantom Stock Plan

On May 16, 2005, our Board of Directors approved the Old Dominion Freight Line, Inc. Phantom Stock Plan, which provides a long-term retirement incentive for our key executives, including our named executive officers, that is tied directly to shareholder value. The Phantom Stock Plan was amended and restated effective January 1, 2009 to comply with the provisions of Section 409A of the Code. The Phantom Stock Plan was further amended on May 18, 2009 to permit the administrator to establish the fair market value of our common stock for award purposes using any good-faith method. Each share of phantom stock awarded under the Phantom Stock Plan represents a contractual right to receive an amount in cash equal to the fair market value of a share of our common stock on the settlement date, to be paid out of our general funds. The maximum number of shares of phantom stock available for awards under the Phantom Stock Plan is 375,000, of which 188,396 shares have been awarded through April 19, 2010. No shares of common stock will be issued pursuant to the Phantom Stock Plan, as the plan requires the awards to be settled in cash.

Generally, each award vests on the earlier to occur of the following: (i) a change of control in our ownership; (ii) the fifth anniversary of the grant date of the award, provided the participant is employed on such date; (iii) the date of the participant's death while employed; (iv) the date of the participant's total disability; or (v) the date the participant attains the age of 65 while employed by us. The Phantom Stock Plan is discussed in more detail in the Compensation Discussion and Analysis section of this proxy statement.

- (1) Earl E. Congdon has attained the age of 65 while employed with us and therefore, under the plan, has fully vested in all phantom shares awarded.
- (2) Participants are only entitled to receive cash amounts due for each vested share of phantom stock on the settlement date, which shall be made from our general funds. The value realized on the settlement date will be based on the market value of our common stock on such date. The market value of Earl E. Congdon's total vested shares of 14,412 at year-end 2009 was \$442,448.

John B. Yowell			105,136		715,881
Greg C. Gantt	32,013		23,143		407,493

- (1) Contributions represent deferrals of certain amounts of salary and cash incentives awarded pursuant to our PIP for 2009. These amounts are included in the Salary and Non-Equity Incentive Plan Compensation columns of the Summary Compensation Table.
- (2) Aggregate earnings represent the earnings on the investment options selected by each named executive officer in 2009 in our Nonqualified Deferred Compensation Plans. These earnings are not included in the Summary Compensation Table because they did not constitute above-market or preferential earnings.

2006 Nonqualified Deferred Compensation Plan of Old Dominion Freight Line, Inc.

Effective January 1, 2006, we adopted the 2006 Nonqualified Deferred Compensation Plan of Old Dominion Freight Line, Inc. (the Nonqualified Deferred Compensation Plan) to permit certain of our management employees, including each of the named executive officers, to defer receipt of current compensation. This plan was amended and restated on January 1, 2009, and further amended on January 1, 2010. The Nonqualified Deferred Compensation Plan is an unfunded plan maintained primarily for the purpose of providing retirement benefits for eligible employees. Participating employees may elect to reduce their (i) regular base salary by a whole number percentage from one to fifty percent and/or (ii) non-equity incentive compensation by a whole number percentage from one to seventy-five percent. The deferred amount is credited to the deferred compensation account we maintain for each participant. While not funded, each participant is allowed to select one or more investment options that mirror the actual performance of publicly traded funds. As of each March 31, June 30, September 30 and December 31, the deferred compensation account of each participant is adjusted to reflect gains and losses from their selected investment options in which the amount in the account is deemed invested. The total deferrals, plus the cumulative gains and losses on the investment options, are eligible for distribution from our general corporate funds. Distributions are generally made in the event of retirement, disability, death or other termination of service. Distributions also may be made upon the occurrence of certain other events, such as an unforeseeable emergency, or delayed under certain circumstances, such as when a distribution might violate the terms of a loan agreement to which we are a party. Payments are made from the Nonqualified Deferred Compensation Plan in a lump sum or in annual installments over a certain term, as elected by the participant. The plan also allows us, in our sole discretion and without any participant discretion or election, to make a mandatory lump-sum payment in settlement of a participant's entire accrued benefit.

Prior to the adoption of the Nonqualified Deferred Compensation Plan, we offered a similar plan allowing participating employees to defer receipt of regular base salary and/or cash incentive compensation. The deferral of wages earned subsequent to December 31, 2004 is no longer allowed under this plan, as it did not fully comply with Section 409A of the Code. Gains and losses for this plan are determined in the same manner as for the Nonqualified Deferred Compensation Plan. Distributions are, and will be, handled in the same manner as described above.

Potential Payments Upon Termination or Change of Control

Below is a table of the amount of post-employment payments and benefits that would be provided to our named executive officers under the provisions of their employment agreements or the Old Dominion Freight Line, Inc. Change of Control Severance Plan for Key Executives, the Phantom Stock Plan and other welfare benefits, assuming that the triggering event occurred at December 31, 2009. Such amounts would be paid from our general funds.

- (1) Pursuant to the Phantom Stock Plan, all unvested shares of phantom stock vest immediately upon termination without cause or termination for good reason by the executive, and the value of the phantom stock would be payable immediately to the named executive officer in a lump sum. For purposes of this table, the value of vested and unvested shares of phantom stock was determined by multiplying the number of shares of phantom stock held by each named executive officer by the December 31, 2009 closing share price of our common stock of \$30.70, as reported on the NASDAQ Global Select Market.
- (2) Amount payable for welfare benefits under the named executive officer's employment agreement, if applicable, or the Old Dominion Freight Line, Inc. Change of Control Severance Plan for Key Executives.
- (3) Amount payable pursuant to the named executive officer's employment agreement is equal to three (3) times the sum of the executive's base salary before the change in control and the annual bonus paid to him for the preceding calendar year under the PIP. This estimated amount is payable in a lump sum and due only if the executive's employment is terminated within 12 months after a change of control. There would be no payment upon termination of employment for retirement, death, disability or for cause.
- (4) Amount payable pursuant to the named executive officer's employment agreement under a three-year salary continuation provision on the normal payroll schedule for salaried employees. The settlement provisions of this agreement are further described in the Employment Agreements section on page 30 of this proxy statement, but generally provide for the payment of this estimated amount at termination due to retirement, death, disability or a change of control. No payment would be made if termination resulted from cause or termination by the executive for a reason not constituting good reason. (A change of control does not constitute good reason, but in the case of David S. Congdon's agreement a fundamental disagreement with the Board following a change of control does constitute good reason.)
- (5) Amount payable pursuant to the Old Dominion Freight Line, Inc. Change of Control Severance Plan for Key Executives, which is equal to three (3) times the sum of the executive's base salary in effect at the termination date and the average of cash incentives paid in the preceding three full calendar years. This estimated amount is payable over the compensation continuance period on the normal payroll schedule for salaried employees and due only if the executive's employment is terminated within 12 months of a change of control and is reduced to two-thirds of this amount if terminated within 13 to 24 months of a change in control and one-third of this amount if terminated within 25 to 36 months of a

change in control. There would be no payment upon termination of employment for retirement, death, disability or for cause.

- (6) Our named executive officers, or their beneficiaries, will also receive payments due to them at retirement, death or disability pursuant to our non-discriminatory 401(k) retirement plan and our Nonqualified Deferred Compensation Plan. The amounts due to each named executive officer under our Nonqualified Deferred Compensation Plan are provided in the Nonqualified Deferred Compensation section on page 26 of this proxy statement.

Employment Agreements

In 2007, the Compensation Committee, with the assistance of Hay Group, the Committee's executive compensation consultant at that time, conducted a study of the 2004 employment agreements and identified several modifications to the agreements that the Compensation Committee believed to be appropriate. On May 28, 2008, we entered into amended and restated employment agreements with Earl E. Congdon, John R. Congdon, David S. Congdon and John B. Yowell. The Board of Directors approved each of these agreements, based on the recommendation of the Compensation Committee of the Board. Each agreement requires the executive to perform duties customarily performed by a person holding his respective position and to perform other services and duties reasonably assigned from time to time by us or, with respect to the agreement with Earl E. Congdon, by the Board of Directors. The agreements replaced employment agreements that we entered into with the executives in 2004.

Employment Agreements with Earl E. Congdon and John R. Congdon

The employment agreements with Earl E. Congdon and John R. Congdon entitle each executive to receive a base salary to be reviewed annually in accordance with standard payroll practices and procedures applicable to our executive officers, to participate in our executive profit-sharing bonus programs, to participate in any of our other bonus or incentive plans (whether in existence on the date of the employment agreement or later established) in which our other senior executives are entitled to participate and to participate in certain other plans and benefits we offer to our senior executives generally. The Board may also award a discretionary bonus to be paid to each executive in the manner specified by the Board at the time any such bonus is approved; however, no such bonuses were approved or paid in 2009. Earl E. Congdon, while employed under his employment agreement, is also entitled to (i) personal use of our corporate aircraft and membership dues and initiation fees for membership in private clubs (in each case in accordance with our general policy as adopted from time to time by the Board), and (ii) an automobile for personal and business use. So long as John R. Congdon is employed under his employment agreement, the estate of his spouse is entitled to designate the beneficiary under two life insurance policies owned by us insuring his life in the aggregate amount of \$2,000,000. This right to designate a beneficiary will be relinquished upon the termination of Mr. Congdon's employment for any reason other than death.

Each of the employment agreements provide for a term commencing June 1, 2008, and continuing until the earliest of (i) May 31, 2010; (ii) the death of the executive; (iii) written notice by the executive or us of a desire to terminate, subject to a 120-day notice requirement; (iv) termination for cause, which generally refers to termination resulting from (a) habitual intoxication that adversely affects job performance; (b) conviction of, or plea of guilty or no contest to, theft, fraud or embezzlement from us; or (c) conviction of, or plea of guilty or no contest to, a felony involving moral turpitude that results in material harm to us; (d) any material act or omission by the executive involving gross malfeasance or gross negligence in the performance of his duties and responsibilities to us to the detriment of us; (e) any diversion by the executive for his personal gain of any clearly viable and significant business opportunity from us (other than with the prior written consent of the Board); (f) any willful violation of any provision of our Corporate Governance Guidelines, our Code of Business Conduct and Ethics or any covenant contained in the employment agreement; or (g) the executive's material violation of the requirements of the Sarbanes-Oxley Act of 2002 or any other federal or state securities law, rule or regulation; (v) termination resulting from total disability; or, in the case of Earl E. Congdon, (vi) the date Mr. Congdon fails to be elected by shareholders to serve as a member of the Board of Directors. The executive may

terminate his employment and forego the 120-day notice requirement if the notice of termination is within 12 months after a change of control. Generally, a change of control is defined in each employment agreement to be either (i) the date any person or group of persons, directly or indirectly, becomes the beneficial owner of 35% or more of the combined voting power of the then outstanding shares of common stock (excluding the executive, our employee benefit plans, and any member of the executive's family unless a majority of the independent directors determines that such family member's beneficial ownership creates a substantial threat to corporate policy or effectiveness); (ii) the date when individuals who at the beginning of any two-year period constitute the Board, plus new directors whose nomination or election was approved by two-thirds of the directors still in office at the beginning of the two-year period, cease for any reason during the two-year period to constitute at least two-thirds of the members of the Board; (iii) the date of a merger or similar transaction that would result in our voting securities immediately prior to the transaction not to continue to represent at least 60% of the combined voting power of us or a surviving entity immediately after the transaction; (iv) the date of a complete liquidation; (v) the date of a sale or disposition of substantially all of our assets; or (vi) the date of a bankruptcy filing.

If the executive's employment is terminated as a result of our exercise of the 120-day notice provision described above, or as a result of the expiration of the term on May 31, 2010, or the executive voluntarily terminates his employment through exercise of the 120-day notice exception described above, or in the case of Earl E. Congdon, Mr. Congdon's employment is terminated as a result of the shareholders' failure to elect him to serve on the Board, and in each case such termination occurs within 12 months after a change of control, the executive is entitled to receive a lump-sum payment for any compensation due but not yet paid plus a payment equal to three times the sum of his annual base salary in effect at that time and the annual bonus paid to him for the preceding calendar year under our non-equity incentive plan. If the excise tax under Section 4999 of the Code would apply to such payments, they will be reduced so that the excise tax will not apply. If employment is terminated as described above and such termination does not occur within 12 months after a change of control, the executive is only due any compensation earned but not paid through the termination date. Any amounts payable to the executive will be paid on or after the first day of the seventh calendar month following the month in which his termination occurs as required by Section 409A of the Code.

Each executive is also subject to a non-competition and non-solicitation clause, which covers the term of the executive's employment plus the twenty-four month period following such executive's termination of employment.

Employment Agreements with David S. Congdon and John B. Yowell

The employment agreements with David S. Congdon and John B. Yowell entitle each executive to (i) a base salary, to be reviewed annually in accordance with standard payroll practices and procedures applicable to our executive officers; (ii) participate in our executive profit-sharing bonus programs, any of our other bonus or incentive plans (whether in existence at the date of the employment agreement or later established) in which our other senior executives are entitled to participate and certain other plans and benefits we offer to our senior executives generally; (iii) a discretionary bonus as determined by the Board; (iv) the personal use of our corporate aircraft and membership dues and initiation fees for membership in private clubs (in each case in accordance with our general policy as adopted from time to time by the Board); (v) an automobile for personal and business use; and (vi) receive a life insurance benefit that provides the executive and his family with up to \$10,000,000 in coverage at preferred rates, with premiums being paid or reimbursed by us.

Each of the agreements provide for a term commencing on June 1, 2008 and continuing until the earliest of (i) May 31, 2011; (ii) the death of the executive; (iii) written notice by the executive or us of a desire to terminate, subject to a 90-day notice requirement; (iv) termination for cause, which is generally defined above under *Employment Agreements with Earl E. Congdon and John R. Congdon*; (v) termination by the executive for good reason, which generally includes a material breach by us of any provision of the employment agreement, the merger of us or transfer of a significant portion of our assets unless the successor assumes all of our duties and obligations under the employment agreement, a material reduction in the executive's base salary, the assignment of duties inconsistent with the

executive's position, exclusion of the executive's participation in our employee benefit plans, transfer of the executive's primary work location more than 30 miles from his current primary work location or requiring that the executive relocate his principal residence more than 30 miles from his current primary work location, or requiring the executive to travel on business to a substantially greater extent than on the date of the employment agreement or, in the case of David S. Congdon, the failure to be elected or re-elected to the Board or the occurrence of a fundamental disagreement (generally defined as a material disagreement between David S. Congdon and the Board that occurs within three years after a change of control, concerns the strategic direction of us or another issue of fundamental importance to us and is deemed a fundamental disagreement by a majority of the members of the Board who are not also members of Mr. Congdon's family); or (vi) termination resulting from total disability. Unless written notification is provided by either of the executives or us, the term is automatically extended on the first day of each month for one additional calendar month, unless either of the executives or we desire to fix the term for a definite three-year period.

If termination of the employment of the executive, either voluntarily or by us, results in a compensation continuance termination event (as defined in the employment agreement to mean termination due to our exercise of the 90-day notice exception, or termination as a result of the executive's disability, or termination by the executive for good reason, or termination by the executive's exercise of the 90-day notice exception after attaining the age of 65 or the expiration of a three-year term after being fixed by us), the executive is entitled to receive his base salary through the last day of the month of termination and, for the three-year period following termination, an annual amount equal to the average of the executive's base salary and his annual bonus under our non-equity incentive plan for the three calendar years within the five calendar-year period preceding termination that produces the highest average annual compensation. If the excise tax under Section 4999 of the Code would apply to such payments, they will be reduced or otherwise adjusted so that the excise tax will not apply. The executive's final average compensation payable during the first six months of the compensation continuance period shall be paid to the executive in a lump sum as of the first day of the seventh calendar month of the compensation continuance period. During such period, the executive will also receive continued coverage under our medical, dental, vision and life insurance benefit programs. If the termination does not result in a compensation continuance termination event, the executive is due only his base salary through the last day of the month in which the termination date occurs.

Each executive is also subject to a non-competition and non-solicitation clause, which covers the term of the executive's employment plus the 24-month period following such executive's termination of employment.

Old Dominion Freight Line, Inc. Change of Control Severance Plan for Key Executives

On May 16, 2005, the Board approved and we immediately adopted the Old Dominion Freight Line, Inc. Change of Control Severance Plan for Key Executives (the "Severance Plan") for eligible key executives as determined by the Compensation Committee (generally, a senior vice president or vice president). Eligible key executives include two named executive officers, J. Wes Frye and Greg C. Gantt, but exclude the other named executive officers who are parties to employment agreements, which provide change of control and severance benefits. The Severance Plan was amended and restated effective January 1, 2009 to comply with Section 409A of the Code. Under the Severance Plan, termination of a participant's employment by us for any reason other than for cause, death or total disability, or by the participant for good reason occurring within 36 months following a change in control, entitles the participant to receive the following benefits: (i) receipt of base salary through the last day of the month in which the termination date occurs; (ii) a monthly benefit equal to the participant's monthly termination compensation, as defined in the Severance Plan, during the compensation continuance period; and (iii) continued participation in our welfare benefit plans until the earlier of the participant's death or the last day of the calendar month in which the participant receives his final payment of termination compensation. The compensation continuance period is equal to 12 calendar months plus three additional calendar months for each year of service completed by the participant as of the termination date in excess of 10 years, not to exceed 36 calendar months.

2009 Compensation of Directors

The following table reflects compensation earned for services performed in 2009 by members of our Board of Directors who were not named executive officers:

Name	Fees Earned or Paid in				Total (\$)
	Cash (\$)	Stock awards (\$) ⁽¹⁾	Non-equity incentive plan compensation (\$) ⁽²⁾	All other compensation (\$)	
J. Paul Breitbart	67,500	29,997			97,497

John R. Congdon, Jr.	55,000	29,997		8,753 ⁽³⁾	93,750
Robert G. Culp, III	65,000	29,997		1,360 ⁽³⁾	96,357
John A. Ebeling ⁽⁵⁾	24,821				24,821

- (1) Reflects the aggregate grant date fair value of awards granted during the year computed in accordance with ASC 718, disregarding the estimate of forfeitures related to applicable service-based vesting conditions. Except for John R. Congdon, who is one of our executive officers, awards were granted in 2009 pursuant to the provisions of the Old Dominion Freight Line, Inc. Director Phantom Stock Plan (the Director Phantom Stock Plan), as discussed below. Each non-executive director was awarded a number of phantom shares equal to \$30,000, as determined by the closing price of our common stock on May 26, 2009, the fifth business day following the 2009 Annual Meeting of Shareholders. The value of these awards in the table was determined by multiplying the 1,111 phantom stock shares awarded to each non-employee director by the closing share price of \$27.00 on the grant date of May 26, 2009, and assumes that all shares will vest on May 24, 2010 in accordance with the requirements of the Director Phantom Stock Plan. As of December 31, 2009, the 1,111 phantom stock shares granted on May 26, 2009 represented the only unvested shares for each non-employee director. No shares of our common stock will be issued pursuant to the plan, as the awards are required to be settled in cash.
- (2) As one of our executive officers, John R. Congdon participates in our PIP. Pursuant to this plan we pay monthly cash incentives to eligible employees based upon our pre-tax income during the fiscal year. Cash incentives are generally paid in the month following the actual month earned; therefore, the table reflects only the incentives earned for each of the 12 months of 2009, regardless of when the incentive payment was actually made.
- (3) Amounts reflect the value associated with the use of corporate aircraft, which was primarily for travel to our Board of Directors meetings. For the purpose of this table, these values are calculated using incremental variable costs per flight hour.
- (4) John R. Congdon is an employee director, and therefore was not paid an annual retainer fee for the services he performed as a director in 2009. As one of our executive officers, he was paid non-equity compensation under the PIP of \$114,331; received phantom stock awards valued at \$49,387, based on the closing share price of \$26.34 on the grant date of February 9, 2009, under the Phantom Stock Plan; and received other compensation that totaled \$292,329. All other compensation includes (i) a base salary of \$254,824; (ii) use of corporate aircraft to attend our Board of Directors meetings of \$7,476; (iii) group health and dental premiums waived by us of \$2,014; (iv) our matching contributions to our 401(k) retirement plan of \$5,254; and (v) the taxable benefit of excess term-life insurance policies of \$22,761,

which includes the benefits under the split-dollar life insurance policies that are described in *Split-Dollar Life Insurance Policies* on page 34.

- (5) Mr. Ebeling did not stand for re-election to the Board of Directors in 2009. He received compensation for service as a director prorated through the last meeting he attended in person on May 18, 2009. Mr. Ebeling was not eligible to receive a grant of phantom shares under the Director Phantom Stock Plan in 2009.

On May 28, 2008, the Board of Directors approved our current fee structure for non-executive directors. Non-executive members of the Board receive an annual retainer of \$55,000 per year. In addition, non-executive directors that serve as Chairman of a Board Committee receive an additional retainer ranging from \$10,000 to \$12,500 per year. The annual retainers, for both the Board and its Committees, are paid ratably at the end of each fiscal quarter. The current fee structure for non-executive directors and Chairmen of our Board Committees is provided below:

Director Role	Annual Retainer Amount (\$)
Member	55,000
Audit Committee Chairman	67,500
Compensation Committee Chairman	65,000
Governance and Nomination Committee Chairman	65,000

There is no additional compensation provided for attendance at in-person or telephonic meetings. Directors receive reimbursement of certain business and travel expenses incurred as a director. Each of Earl E. Congdon and David S. Congdon, who are also two of our named executive officers, and John R. Congdon receive no retainers for Board service.

On May 28, 2008, our Board of Directors approved the Director Phantom Stock Plan. Under the Director Phantom Stock Plan, each non-executive eligible director is granted an annual award of phantom shares equal to \$30,000 on the valuation date. Each participant is entitled to an amount in cash equal to the fair market value of a share of our common stock on the settlement date. No shares of common stock will be issued pursuant to the Director Phantom Stock Plan, as the awards are settled in cash after the required vesting period has been satisfied or upon termination of service as a director.

Director Phantom Stock Plan awards are generally subject to a one-year vesting period or the earlier to occur of the following: the date of a change of control in our ownership provided that the participant is still serving as a director; or the date of the participant's death or total disability while still serving as a director. Awards that are not vested upon termination of service as a director are forfeited.

RELATED PERSON TRANSACTIONS

Family Relationships

Earl E. Congdon, the Executive Chairman of our Board of Directors, is the brother of John R. Congdon, the Vice Chairman of our Board of Directors, and is the father of David S. Congdon, our President and Chief Executive Officer. John B. Yowell, our Executive Vice President and Chief Operating Officer, is the son-in-law of Earl E. Congdon. John R. Congdon, Jr., a director, is the son of John R. Congdon. Earl E. Congdon, John R. Congdon, John R. Congdon, Jr. and John B. Yowell may be deemed to each beneficially own, individually or together with family members, approximately 5% or more of our common stock.

Transactions with Old Dominion Truck Leasing, Inc.

Old Dominion Truck Leasing, Inc. (Leasing), a North Carolina corporation whose voting stock is owned by an Earl E. Congdon trust, the John R. Congdon Revocable Trust and members of Earl E. Congdon's and John R. Congdon's families, is primarily engaged in the business of leasing tractors, trailers and other vehicles. John R. Congdon is Chairman of the Board of Leasing, and Earl E. Congdon and John R. Congdon, Jr. are Vice Chairmen of the Board of Leasing. Since 1986, we have combined our requirements with Leasing for the purchase of tractors, trailers, equipment, parts, tires and fuel. We believe that the termination of this arrangement would not have a material adverse impact on our financial results.

In 2009, we charged Leasing \$12,000 for the rental of a service center facility.

We purchased \$231,000 of maintenance and other services from Leasing in 2009. We believe that the prices we pay for such services are lower than those that would be charged by unaffiliated third parties for the same quality of work, and we intend to continue to purchase maintenance and other services from Leasing, provided that Leasing's prices continue to be favorable to us.

We also paid Leasing \$114,000 in 2009 for long-term leases for tractors available for use in our linehaul operations. These leases expire in January 2011.

Split-Dollar Life Insurance Policies

We are a party to two split-dollar life insurance contracts insuring the life of John R. Congdon. We have endorsed a total of \$2,000,000 of the death benefits provided by these policies to the estate of Mr. Congdon's spouse and the compensation to Mr. Congdon resulting from this transaction has been reported in the All Other Compensation column of the 2009 Compensation of Directors table in this proxy statement.

Audit Committee Approval and Related Person Transaction Policy

Each of the foregoing transactions or series of transactions was reviewed and approved by the Audit Committee of our Board of Directors. In considering whether to approve such transactions, the Audit Committee determined that they were fair to us and that the terms and conditions of the transactions were substantially the same as, or more favorable to us than, transactions that would be available from unaffiliated parties. Any extensions, modifications or renewals of the foregoing transactions, or any new transactions that involve us and a related party, must be approved by the Audit Committee and must be on terms no less favorable to us than the terms that could be obtained in a similar transaction with an unaffiliated party in accordance with our written Related Person Transactions Policy.

Our Related Person Transactions Policy governs the procedures for review and consideration of all related person transactions in which we are a participant to help ensure that any such transactions are identified and given appropriate consideration. Generally, any transaction, arrangement or relationship with a related person, as defined by Item 404 of Regulation S-K under the Securities Exchange Act of 1934, in an amount exceeding \$120,000 and in which we are or would be a participant, requires the approval of the Audit Committee or a majority of the disinterested members of the Board. In making such approval, the Audit Committee will consider all of the relevant facts and circumstances to ensure that the proposed transaction is in the best interest of us and our shareholders.

In conducting its review of any proposed related person transaction, the Audit Committee will consider all of the relevant facts and circumstances available to the Audit Committee, including, but not limited to: (i) the benefits to us; (ii) the impact on a director's independence in the event the related person is a director, an immediate family member of a director or an entity in which a director is a partner, shareholder or executive officer; (iii) the availability of other sources for comparable products or services; (iv) the terms of the proposed related person transaction; and (v) the terms available to unrelated third parties or to employees generally in an arms-length negotiation. No member of the Audit Committee will participate in

any review, consideration or approval of any related person transaction with respect to which such member or any of his or her immediate family members is the related person.

Notwithstanding the foregoing, the Audit Committee has adopted a special approval process for certain transactions that we have entered into and will likely continue entering into with Leasing. These transactions include the following four types of transactions with Leasing, which have been separately approved by the Audit Committee: (i) vehicle repair, maintenance and other services that we provide to Leasing in an amount not to exceed \$120,000 in any period since the last review of services by the Audit Committee (Type 1); (ii) vehicle repair, maintenance and other services that Leasing provides to us in an amount not to exceed \$120,000 in any period since the last review of services by the Audit Committee (Type 2); (iii) leases of dedicated equipment for specific customers, who reimburse us for the lease amount through a periodic billing process that includes charges for additional services we provide (Type 3); and (iv) combined purchasing with Leasing of tractors, trailers, equipment, parts, tires and fuel to obtain volume price discounts, subject to review by the Audit Committee no less frequently than quarterly to confirm that the combined purchasing arrangement continues to be in the best interests of us (Type 4). In the event of a Type 3 transaction and prior to providing leased equipment to our customers, we will obtain a minimum of three bids from vendors approved by the customer. When Leasing is one of the vendors approved to submit bids, we will disclose to the customer its affiliation with Leasing. Any Type 3 transaction in connection with which we receive commissions or other financial benefit from Leasing in an amount that, together with all other Type 3 transactions entered into since the last review of such transactions by the Audit Committee, exceeds \$120,000 will require the approval of the Audit Committee. With respect to each such transaction that is entered into or in conjunction with Leasing, the Audit Committee will not approve such transaction unless it determines that such transaction is in the best interest of us and our shareholders and that the terms are at least as favorable as those that could be obtained in an arms-length negotiation.

In accordance with the Related Person Transactions Policy, the Audit Committee will also perform an annual review of previously approved related person transactions greater than \$120,000 that remain ongoing and have a remaining term of more than six months. Based on the relevant facts and circumstances, the Audit Committee will determine if it is in our best interest to continue, modify or terminate any ongoing transaction, arrangement or relationship.

The Audit Committee has appointed E&Y to serve as our independent registered public accounting firm for the year ending December 31, 2010. Although ratification is not required by our bylaws or otherwise, the Board of Directors is submitting the appointment of E&Y to the shareholders for ratification as a matter of good corporate governance. In the event the shareholders fail to ratify the appointment, the Audit Committee will consider whether to appoint another independent registered public accounting firm for the year ending December 31, 2010. HOUSEHOLDING OF ANNUAL MEETING MATERIALS

Some banks, brokers or other nominee record holders may be participating in the practice of householding proxy statements and annual reports. This means that only one copy of our proxy statement or Annual Report to Shareholders may have been sent to multiple shareholders in the same household. We

will promptly deliver a separate copy of either document to any shareholder upon request submitted in writing to the following address: Old Dominion Freight Line, Inc., 500 Old Dominion Way, Thomasville, North Carolina 27360, Attention: J. Wes Frye, Senior Vice President Finance, Chief Financial Officer, Treasurer and Assistant Secretary or by contacting us at (336) 889-5000. Any shareholder who wants to receive separate copies of the Annual Report to Shareholders and proxy statement in the future, or who is currently receiving multiple copies and would like to receive only one copy for his or her household, should contact his or her bank, broker or other nominee record holder, or contact us at the above address or telephone number.

DEADLINE FOR SHAREHOLDER PROPOSALS

Any shareholder desiring to present a proposal for inclusion in the proxy statement to be acted upon at our 2011 Annual Meeting in accordance with Rule 14a-8 of the Securities Exchange Act of 1934 must ensure that the proposal is received by us at our principal executive offices no later than December 20, 2010.

In addition to any other applicable requirements, for business to be properly brought before the Annual Meeting by a shareholder, even if the proposal or proposed director candidate is not to be included in our proxy statement, our bylaws provide that the shareholder must give timely advance notice of such business in writing to our Secretary. Such notice must be delivered to, or mailed to and received at, our principal office at least 60 days and not more than 90 days prior to the meeting, except that if public disclosure of the date of the meeting is given less than 70 days prior to the meeting, notice by the shareholder will be considered timely if received by the Secretary by the close of business on the 10th day after public disclosure of the date of the meeting. As to each item of business, the notice must contain (i) a brief description of the business to be brought before the meeting and the reasons therefor; (ii) the name and the address of record of the shareholder and the number of shares of our common stock owned of record or beneficially by the shareholder; and (iii) any material interest the shareholder has in the proposed business, other than in his or her capacity as a shareholder. In addition, any notice of a proposed director candidate must also comply with our bylaws, including the criteria set forth under *Director Nominations* beginning on page 11 of this proxy statement. If written notice is not timely or properly given, we may exclude the proposal or proposed director candidate from consideration at the meeting. If the proposal or proposed director candidate is permitted to be considered at the meeting, the proxies appointed pursuant to the proxy card will have discretionary authority to vote for or against the proposal even if the proposal or proposed director candidate was not discussed in the proxy statement.
