Director Compensation Upon first being elected to the Board of Directors, each director of the Company who is not an employee or consultant of the Company (an Outside Director) is granted stock options to purchase 10,000 shares of common stock at the closing price as of the date of issuance (the fair market value). This initial option grant to an Outside Director vests over three to five years.

In 2009, the Company paid \$5,500 as quarterly compensation to the Chairman of the Board of Directors totaling \$22,000. The Company paid \$4,500 as quarterly compensation to the Chairman of the Audit and Finance Committee totaling \$18,000. The company paid \$4,000 in the first quarter and \$4,500 in the second, third and fourth quarters to the Vice Chairman of the Board of Directors totaling \$17,500. All other directors were paid \$4,000 each, which amounted to an annual total of \$16,000 per such other Outside Director for services performed in their capacity as directors.

In addition, the Chairman of the Board of Directors received \$2,090 in the first quarter of 2009 in deferred common stock (under the Non-Employee Director Restricted Stock Plan and the Director Deferred Compensation Plan as described below) based on the closing price on February 10, 2009. The Vice Chairman of the Board of Directors and the Chairman of the Audit and Finance Committee each received \$1,710 in deferred common stock, compared to \$1,520 to all other directors.

During the second, third and fourth quarters of 2009, the Company granted its outside directors stock appreciation rights (SARs) totaling 45,750 shares, under the Company's Amended and Restated 2006 Stock Appreciation Rights Plan. The fair market value of the awards granted was \$14,550 and is included in director compensation expense for the year ended December 31, 2009. The SARs granted vested immediately and are payable upon a director's separation from service as a director.

In 2005, the Company adopted, and the shareholders approved, the 2005 Non-Employee Director Restricted Stock Plan (the Director Restricted Stock Plan) which reserved 150,000 shares of the Company's common stock to be issued to Outside Directors in the form of

restricted shares. In 2005, no awards were made under the Director Restricted Stock Plan. In 2005, the Company also adopted the Non-Employee Director Deferred Compensation Plan (the Director Deferred Compensation Plan) which permits an Outside Director to defer the receipt of director fees until separation from service or the Company undergoes a change in control. The Company amended the Director Restricted Stock Plan in 2005 to permit an Outside Director to defer receipt of restricted stock granted under it. The deferred restricted shares are accounted for under the Director Deferred Compensation Plan and issued upon separation from service or the Company's change in control. Under the Director Deferred Compensation Plan, the deferred fees that would have been paid in cash are deemed invested in 5 year U.S. Treasury Bonds during the deferral period. The accumulated hypothetical earnings are paid following the Outside Director's separation from service or the Company's change in control. The deferred fees that would have been paid as restricted shares are deemed invested in common stock of the Company during the deferral period. The Director Deferred Compensation Plan is an unfunded, nonqualified deferred compensation arrangement. In 2009 and 2008, all Outside Directors elected to defer receipts of all of the restricted shares they became entitled to under the Director Restricted Stock Plan. In 2009 and 2008, no Outside Directors elected to defer receipt of cash under the Director Deferred Compensation Plan.

All Outside Directors are reimbursed for their reasonable out-of-pocket expenses incurred in attending board and committee meetings.

Directors Attendance at Annual Meetings When a director is unable to attend an Annual Meeting of Stockholders in person, but is able to attend by electronic conferencing, the Company will arrange for the director to participate by other means such that the director can hear and be heard by those present at the meeting. The entire Board of Directors attended the Company's 2009 Annual Meeting of Stockholders.

Board's Philosophy in Risk Oversight, Roles, and Diversity The Board of Directors considers its role in risk oversight to focus primarily on evaluating risk at the entity and strategic levels, with management primarily responsible for managing day-to-day risk factors and presenting summary materials for those positions to the Board of Directors. Consistent with this philosophy, the Board of Directors has no formal policy as to whether the roles of Chief Executive Officer and Chairman should be segregated or combined. The Board of Directors considers the circumstances of the Company and makes a determination as to the appropriate leadership structure for the Company at that time. As of the time of this filing, the positions of CEO and Chairman are held by two individuals. Mr. Perkins serves as Chairman and Mr. Jankowski serves as CEO. Mr. Perkins brings extensive experience in corporate leadership from his own working experience and from the many Boards on which he serves or has served in the past, and Mr. Jankowski, in his relatively new role as CEO, is expected to benefit from that experience. The Board of Directors believes that is the most appropriate structure for the Company at this time.

The Board of Directors does not have a stated policy regarding diversity. The Board seeks experienced individuals for service who bring extensive experience in leadership, operations, finance, and engineering, particularly in areas directly applicable to the Company or its intended future endeavors.

EXECUTIVE COMPENSATION

Compliance with Section 162(m)

The Compensation and Governance Committee currently intends for all compensation paid to the executive officers to be tax deductible to the Company pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended (Section 162(m)). Section 162(m) provides that compensation paid to the executive officers in excess of \$1,000,000 cannot be deducted by the Company for Federal income tax purposes unless, in general, (1) such compensation is performance-based, established by a committee of outside directors and objective, and (2) the plan or agreement providing for such performance-based compensation has been approved in advance by stockholders. The Compensation and Governance Committee believes that the requirements of Section 162(m) are uncertain at this time and may arbitrarily impact the Company. In the future, the Compensation and Governance Committee may determine to adopt a compensation program that does not satisfy the conditions of Section 162(m) if in its judgment, after considering the additional costs of not satisfying Section 162(m), such program is appropriate.

Section 16(A) Beneficial Ownership Reporting Compliance Section 16 of the Securities Exchange Act of 1934, as amended (the Exchange Act), requires the Company's officers (as defined under Section 16), directors and persons who beneficially own greater than 10% of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Based solely on a review of the forms it has received and on written representations from certain reporting persons that no such forms were required for them, the Company believes that during 2009, all Section 16 filing

requirements applicable to its officers, directors and 10% beneficial owners were complied with by such persons, except for an option grant to Mr. Jankowski executed on May 4, 2009, which was filed one day late, on May 7, 2009. During 2010, the Company believes that the required Section 16 filings executed on May 3, 2010 were one day late with regard to option grants to certain employees, including officers. The filings for those transactions with respect to Messrs. Jankowski, Cesario, Murray and Nelson and Ms. Baldwin occurred on May 6, 2010.

Pursuant to the terms of his employment agreement, Mr. Jankowski will receive an annual base salary of not less than \$275,000. In addition, Mr. Jankowski will be eligible for discretionary bonuses for services to be performed as an executive officer of the Company based on performance and achieving milestones approved by the Board of Directors of the Company (the Board).

Mr. Jankowski will be eligible for such stock options and other equity compensation as the Board deems appropriate, subject to the provisions of the Company's 2004 Equity Compensation Plan or any successor plan (the Plan). Mr. Jankowski will also be entitled to the employee benefits made available by the Company generally to all other executive officers of the Company, subject to the terms and conditions of the Company's employee benefit plans in effect from time to time.

In the event Mr. Jankowski's employment is terminated other than for cause, as defined in the employment agreement, Mr. Jankowski will receive a sum equal to his base salary in effect at the time of termination for 52 full weeks after the effective date of termination, payable in proportionate amounts on the Company's regular pay cycle for professional employees, provided that Mr. Jankowski signs, without subsequent revocation, a separation agreement and release in a form acceptable to the Company. In addition, all stock options granted to Mr. Jankowski prior to termination will become fully vested and exercisable in accordance with the applicable option grant agreement and the Plan. If he is terminated for cause, or if he resigns as an employee of the Company, Mr. Jankowski will not be entitled to any severance or other benefits accruing after the term of the employment agreement and such rights will be forfeited immediately upon the end of such term.

If, within two years after the occurrence of a change in control, as defined in his employment agreement, Mr. Jankowski's employment is terminated other than for cause, his responsibilities or annual compensation are materially reduced without his prior consent, or the Company ceases to be publicly held (each, a Trigger), then, subject to Mr. Jankowski signing, without subsequently revoking, a separation agreement and release in a form acceptable to the Company, Mr. Jankowski will receive a sum equal to his base salary for 104 full weeks after the date the Trigger occurs. In addition, all stock options granted to Mr. Jankowski prior to the Trigger will become fully vested and exercisable in accordance with the applicable option grant agreement and the Plan.

POTENTIAL PAYMENT UPON TERMINATION OR CHANGE IN CONTROL

Severance Protection. Please see discussion of severance benefits under Executive Compensation - Employment Agreements above.

Change in Control. Upon a change in control, the 2001 Equity Compensation Plan (the predecessor to the 2004 Equity Compensation Plan), the 2004 Equity Compensation Plan and the 2010 Equity Compensation Plan (the proposed successor to the 2004 Equity Compensation Plan), provide that: (1) vesting under all outstanding stock options will automatically accelerate and each option will become fully exercisable; (2) the restrictions and conditions on all outstanding restricted shares shall immediately lapse; and (3) the holders of performance shares will receive a payment in settlement of the performance shares, in an amount determined by the Compensation and Governance Committee, based on the target payment for the performance period and the portion of the performance period that precedes the change in control. If the Company is not the surviving entity, the successor is required to assume all unexercised options. Under the Company's 1992 Stock Option Plan, the vesting of options issued in connection with the plan is accelerated upon a sale or merger (as defined in the 1992 Stock Option Plan).

The following table quantifies the estimated payments that would be made in each covered circumstance:

NAME	TERMINATION BY COMPANY WITHOUT CAUSE (1)	CHANGE IN CONTROL (2)	INVOLUNTARY TERMINATION IN
			CONNECTION WITH OR FOLLOWING A CHANGE IN CONTROL (3)
Jess Jankowski	\$ 275,000	\$ -0-	\$ 550,000

Nancy Baldwin	\$ 75,000	\$ -0-	\$ 75,000
H. Glenn Judd	\$ 74,000	\$ -0-	\$ 74,000

- (1) This amount represents the severance benefits that would be received under the executive officer's employment agreement as described had the executive officer been terminated by the Company without cause on December 31, 2009.
- (2) This amount represents an estimate of the value that would have been received under the equity incentive plans had a change in control occurred as of December 31, 2009 and the executive officers benefited from an acceleration of vesting in the equity-based plan awards as described above. For this purpose, the share price as of December 31, 2009 was used. The amount represents the difference between the exercise price of any unvested options and \$0.87.
- (3) This amount represents an estimate of the payments and value that would have been received by the executive officers had the executive officers been terminated by the Company without cause on December 31, 2009 in connection with a change in control on this date. It is the sum of the first two columns, except with respect to Mr. Jankowski, who would receive 104 weeks of his base salary upon termination without cause within two years after a change in control.

PROPOSAL 2

AMENDMENT TO CERTIFICATE OF INCORPORATION

TO INCREASE AUTHORIZED SHARES OF COMMON STOCK

The Board of Directors has approved and recommends that the shareholders adopt an amendment to the Company's Certificate of Incorporation to increase the total authorized shares of common stock of the Company from 30,000,000 to 35,000,000. The Company is currently authorized to issue 24,088 shares of preferred stock and the proposed amendment will not affect this authorization. The form of the proposed amendment is included as Exhibit A of this Proxy Statement.

If the amendment is adopted, it will become effective upon the filing of a Certificate of Amendment to the Certificate of Incorporation with the Secretary of State of the State of Delaware.

Purpose of the Proposed Amendment Presently, except as described in Proposal 3 related to the 2010 Equity Compensation Plan, the Board of Directors has no immediate or specific plans to issue the additional shares of common stock. But the Board believes it is in the best interest of the Company to have additional authorized shares available to provide the Company with flexibility in responding to potential business opportunities in the future. The additional shares may be used for various purposes at the direction of the Board of Directors, when such issuance is deemed to be in the best interests of the Company. These purposes may include: establishing strategic relationships with other companies, expanding business or product lines through the acquisition of other businesses or products, and other corporate purposes.

The additional shares of common stock to be authorized by adoption of the amendment would have rights identical to the currently outstanding shares of common stock. Adoption of the proposed amendment and issuance of the common stock would not directly affect the rights of the holders of currently outstanding common stock, but effects incidental to the increase are possible. The issuance may decrease the proportionate holdings of existing stockholders and could have the effect of diluting voting power per share.

Required Vote To be approved, Proposal 2 must receive For votes from a majority of the shares outstanding on the record date. As a result, abstentions and broker non-votes will have the same effect as a vote Against such proposal.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION AND INCREASE IN THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK TO 35 MILLION SHARES.

PROPOSAL 3

ADOPTION OF THE 2010 EQUITY COMPENSATION PLAN

The Board of Directors has approved and recommends that the shareholders adopt the Company's 2010 Equity Compensation Plan (the Plan or the 2010 Plan), which is designed

to replace the existing 2004 Equity Compensation Plan (the "2004 Plan"), the 2005 Non-Employee Director Restricted Stock Plan (as amended, the "2005 Plan"), and the Amended and Restated 2006 Stock Appreciation Rights Plan (the "2006 Plan"). These three plans would be terminated and shall collectively be referred to as the "Terminating Plans".

The following is a general summary of the 2010 Plan and is qualified in its entirety by the full text of the 2010 Plan attached to this Proxy Statement as Exhibit B. Capitalized terms not defined herein have the meanings ascribed to such terms in the plan document.

Purpose of the 2010 Plan The Company's Board believes that the proposed 2010 Plan will simplify the Company's equity compensation structure by combining three plan documents into a single plan document, and by increasing to 3 million the aggregate number of shares that may be granted (an increase of 1,650,000 shares over the aggregate of the Terminating Plans as further described below) and strengthen the Company's continued capacity to attract and retain the services of key employees and directors who will contribute to the Company's long-term growth and financial success. The Board recognizes that there is competition among businesses for talented employees and that these employees play an important role in maintaining the Company's technology leadership position in nanomaterials and advanced nanoengineered products. The Board believes that the equity compensation available under the 2010 Plan, and the enhanced flexibility provided by the amendment, is vital to our ability to secure and build the Company's talented human resources and thereby remain competitive and a technology leader in our industry.

Administration The 2010 Plan will be administered by the Compensation and Governance Committee of the Board of Directors (the "Committee"). The Committee will have sole authority to (i) determine the individuals to whom grants shall be made under the 2010 Plan, (ii) determine the type, size and terms of the grants to be made to each such individual, (iii) determine the time when the grants will be made and the duration of any applicable exercise or restriction period, including the criteria for exercisability and the acceleration of exercisability, and (iv) make all determinations with respect to any other matters arising under the 2010 Plan.

Participants Participants of the 2010 Plan will include certain employees of the Company and certain advisors, including non-employee members of the Board who perform services for the Company, as designated by the Committee.

Shares Available for the 2010 Plan Subject to adjustment as provided in the 2010 Plan (for example, in the event of recapitalization, stock split, stock dividend, merger, reorganization or similar event), the maximum number of shares of common stock that may be issued under the 2010 Plan is 3,000,000 shares (up from 1,200,000 in the 2004 Plan and 150,000 in the 2005 Plan) and the maximum number of shares of common stock that may be issued under the 2010 Plan in any single calendar year is the lesser of 2% of outstanding shares of the Company's common stock for employees and 0.5% for directors, or 600,000 shares in the aggregate (subject to exceptions contained in the Plan). For purposes of calculating the aggregate number of shares available for grants and calculating the limitations on calendar year grants, each grant of a Restricted Share or a Performance Share (other than New Hire Grants) shall be the equivalent of a grant of three (3) shares.

Awards Awards under the 2010 Plan may consist of grants of (i) incentive stock options as described in Section 2.1 (Incentive Stock Options), (ii) non-qualified options as described in Section 2.1 (Non-qualified Options) (Incentive Stock Options and Non-qualified Options are collectively referred to as Options), (iii) restricted stock as described in Section 2.2 (Restricted Shares), (iv) performance stock as described in Section 2.3 (Performance Shares) and (v) Stock Appreciation Rights as described in Section 2.4 (SARs) (collectively Grants). The terms and features of the various forms of Grants are described more fully in the 2010 Plan itself, attached as Exhibit B.

No person may receive more than 20% of the aggregate number of any class of Grants made during any calendar year. For purposes of calculating the aggregate number of shares of each class, (1) Options will be deemed a single class of Grants and (2) Restricted Shares and performance Shares will together be deemed a single class of Grants. In addition, the aggregate number of Restricted Shares and Performance Shares (taken as a single class) granted in any calendar year shall not exceed the lesser of 100,000 Shares or 50% of the aggregate number of Shares subject to all Grants made during any calendar year. However, the limitations set forth in this paragraph will not apply to grants made to a person as an inducement material to the individual s entering into employment with the Company (New Hire Grants).

Reorganization or Change in Control Under the 2010 Plan, a Reorganization shall be deemed to occur if the shareholders of the Company approve (or, if shareholder approval is not required, the Board of Directors approves) an agreement providing for (i) the merger or consolidation of the Company with another corporation where the shareholders of the Company, immediately prior to the merger or consolidation, will not beneficially own, immediately after the merger or consolidation, shares of the Company s stock entitling such shareholders to more than 50% of all votes to which all shareholders of the surviving corporation would be entitled in the election of directors (without consideration of the rights of any class of stock to elect directors by a separate class vote), (ii) the sale or other disposition of all or substantially all of the assets of the Company, or (iii) a liquidation or dissolution of the Company. A Change of Control shall be deemed to have occurred if any person (as such term is used in Sections 13(d) and 14(d) of the Exchange Act) or any of its subsidiaries or affiliates becomes a beneficial owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing a majority of the voting power of the then outstanding securities of the Company except where the acquisition is approved by the Board of Directors.

Upon a Reorganization where the Company is not the surviving corporation (or survives only as a subsidiary of another corporation), all outstanding Options that are not exercised will be assumed by, or replaced with comparable options or rights by, the surviving corporation. In addition, upon any Reorganization or a Change of Control, (i) the Company will provide each participant with outstanding grants written notice of such event, (ii) all outstanding Options will automatically accelerate and become fully exercisable, (iii) the restrictions and conditions on all outstanding Restricted Shares will immediately lapse, and (iv) grantees holding Performance Shares will receive a payment in settlement of such Performance Shares, in an amount determined by the Committee.

Termination and Amendment The Board of Directors may at any time terminate or from time to time amend the 2010 Plan; provided that the Board of Directors may not make any

amendment to the 2010 Plan without the approval of the shareholders, if such shareholder approval is required by any requirement of applicable law or regulation. The 2010 Plan shall terminate on the day immediately preceding the tenth anniversary of the effective date of the plan, unless the plan is terminated earlier by the Board of Directors or is extended by the Board of Directors with the approval of the shareholders.

United States Federal Income Tax Consequences The following discussion briefly summarizes the material federal income tax consequences of participation in the 2010 Plan. This discussion is general in nature and does not address issues related to the tax circumstances of any particular participant. The discussion is limited to the impact of the Internal Revenue Code as is currently in effect upon United States citizens residing in the United States.

Stock Options. Under the Internal Revenue Code, a participant granted a Nonqualified Stock Option or Incentive Stock Option generally realizes no taxable income upon receipt of the stock option, but in the case of a Nonqualified Stock Option a participant is deemed to have realized ordinary taxable income upon the exercise of the stock option equal to the excess of the fair market value of the shares of Common Stock acquired at the time of the exercise of the stock option over the exercise price of such stock option. The Company will be entitled to a deduction equal to the same amount to the extent such amount is treated as reasonable compensation under the Internal Revenue Code. The deduction will be allowed in the Company's taxable year which includes the last day of the participant's taxable year in which the stock option is exercised. A participant's tax basis in shares of Common Stock acquired upon the exercise of a stock option will be the fair market value of such Common Stock shares on the date the stock option is exercised.

Restricted Share. A recipient of a Restricted Share award will recognize ordinary income equal to the fair market value of the common stock at the time the restrictions on the Restricted Share lapse, less any amount which the recipient paid for the stock. However, instead of postponing the income tax consequences of a stock award, the recipient may elect to include the fair market value of the common stock (less any purchase price paid) in income in the year the award is granted. This election is made under Section 83(b) of the Code by filing a written notice with the Internal Revenue Service. In general, the Company receives a deduction for federal income tax purposes equal to the amount of compensation recognized by the recipient at the time the recipient recognizes such income. The tax treatment of the subsequent disposition of Restricted Share will depend upon whether the recipient has made a Section 83(b) election to include the value of the common stock in income when awarded. If the recipient makes a Section 83(b) election and elects to include the fair market value of the common stock (less any purchase price paid) in income in the year the award is granted, any subsequent disposition will result in a capital gain or loss equal to the difference between the selling price of the common stock and the fair market value of the common stock on the date of grant. If no Section 83(b) election is made and the recipient has recognized ordinary income equal to the fair market value of the common stock at the time the restrictions lapse, less any amount the recipient paid for the stock, any disposition will result in a capital gain or loss equal to the difference between the selling price of the common stock and the fair market value of the common stock on the date the restrictions lapsed.

Performance Share. A participant will not recognize income and will not be taxed upon the grant of Performance Shares. Generally, at the time a participant receives payment under Performance Shares, the participant will recognize compensation taxable as ordinary income in an amount equal to the cash or fair market value of the shares received, and the Company will then be entitled to a corresponding deduction.

Stock Appreciation Right. No income will be recognized by a participant in connection with the grant of a SAR. When the SAR is exercised, the participant normally will be required to include as taxable ordinary income in the year of exercise an amount equal to the amount of cash received and the fair market value of any unrestricted common shares received on the exercise.

Withholding Taxes. The Company shall be entitled to withhold from any payments or deemed payments any amount of tax withholding (including all federal, state and local taxes) determined by the Committee to be required by law. If the Committee so permits, a Grantee may make a written election to satisfy the Company's income tax withholding obligation with respect to an Option, Restricted Shares or Performance Shares by having Shares withheld by the Company from the Shares otherwise to be received, or to deliver previously owned Shares (not subject to restrictions hereunder).

Outstanding Grants and Effect on Prior Plans Upon the effective date of the 2010 Plan, the 2004 Plan, the 2005 Plan and the 2006 Plan shall be terminated subject to the provisions of Section 3.5(c) of the 2004 Plan, Section 3.2 of the 2005 Plan and Section 3.1 of the 2006 Plan, each relating to the post-termination effectiveness of grants under the 2004 Plan, the 2005 Plan and the 2006 Plan, respectively. The 2010 Plan shall not be deemed an amendment or restatement of the 2004 Plan, the 2005 Plan or the 2006 Plan. Nothing in the 2010 Plan shall be deemed to impair the rights of or give any new or additional rights to any person who received grants under the 2004 Plan, the 2005 Plan or the 2006 Plan.

Vote Required To be approved, Proposal 3 must receive For votes from a majority of the shares represented in person or by proxy to become effective. If you abstain from voting, it will have the same effect as an Against vote. Broker non-votes will not have any effect for purposes of determining whether Proposal 3 has been approved.

THE BOARD OF DIRECTORS AND THE COMPENSATION COMMITTEE RECOMMEND THAT THE STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE PLAN.

PROPOSAL 4

RATIFICATION OF APPOINTMENT OF AUDITORS

The Audit and Finance Committee has appointed McGladrey and Pullen, LLP, an independent registered public accounting firm, as auditors of the Company's financial statements for the year ended December 31, 2010. McGladrey and Pullen, LLP has been engaged as auditors for the Company beginning in November 2001. The Audit and Finance Committee has determined to afford stockholders the opportunity to express their opinions on the matter of

auditors and, accordingly, is submitting to the stockholders at the Annual Meeting a proposal to ratify the Audit and Finance Committee's appointment of McGladrey & Pullen, LLP. If a majority of the shares voted at the Annual Meeting, in person or by proxy, are not voted in favor of the ratification of the appointment of McGladrey & Pullen, LLP, the Audit and Finance Committee will interpret this as an instruction to seek other auditors. The following fees were incurred by the Company for the services of McGladrey & Pullen, LLP in relation to the 2009 and 2008 fiscal years.

Audit Fees. The aggregate amount billed by our principal accountant, McGladrey & Pullen, LLP, for audit services performed for the fiscal years ended December 31, 2009 and 2008 was \$163,000 and \$164,000, respectively. Audit services include the auditing of financial statements and quarterly reviews.

Audit Related Fees. Total fees billed by McGladrey & Pullen, LLP were \$16,000 and \$14,000 for the years ended December 31, 2009 and 2008, which included costs incurred for reviews of registration statements, assistance with Staff comment letters, and consultation on various accounting matters in support of the Company's financial statements.

Tax Fees. Total fees billed by RSM McGladrey, Inc. (an affiliate of McGladrey & Pullen, LLP) for tax related services for the fiscal years ended December 31, 2009 and 2008 were \$7,000 and \$9,000, respectively. These services include the preparation of federal and state income tax returns and other tax matters.

All Other Fees. Other than those fees described above, during the fiscal year ended December 31, 2009 and 2008, there were no other fees billed for services performed by McGladrey & Pullen, LLP or RSM McGladrey, Inc.

All of the fees described above were approved by the Company's Audit and Finance Committee.

Audit Committee Pre-Approval Policies and Procedures. The Company's Audit and Finance Committee pre-approves the audit and non-audit services performed by McGladrey & Pullen, LLP, our principal accountants, and RSM McGladrey, Inc. (an affiliate of McGladrey & Pullen, LLP) in order to assure that the provision of such services does not impair McGladrey & Pullen, LLP's independence. Unless a type of service to be provided by McGladrey & Pullen, LLP and RSM McGladrey, Inc. has received general pre-approval, it will require specific pre-approval by the Audit and Finance Committee. In addition, any proposed services exceeding pre-approval cost levels will require specific pre-approval by the Audit and Finance Committee.

The term of any pre-approval is 12 months from the date of pre-approval, unless the Audit and Finance Committee specifically provides for a different period. The Audit and Finance Committee will periodically revise the list of pre-approved services, based on subsequent determinations, and has delegated pre-approval authority to the Chairman of the Audit and Finance Committee. In the event the Chairman exercises such delegated authority, he shall report such pre-approval decisions to the Audit and Finance Committee at its next scheduled meeting. The Audit and Finance Committee does not delegate its responsibilities to pre-approve services performed by the independent auditor to management.

It is expected that representatives of McGladrey & Pullen will be present at the meeting and will be available to respond to questions. They will be given an opportunity to make a statement if they desire to do so.

THE BOARD OF DIRECTORS AND THE AUDIT AND FINANCE COMMITTEE RECOMMEND THAT THE STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF McGLADREY & PULLEN, LLP AS THE INDEPENDENT AUDITORS OF THE COMPANY'S FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2010.

MISCELLANEOUS AND OTHER MATTERS

Solicitation The cost of this proxy solicitation will be borne by the Company. The Company may request banks, brokers, fiduciaries, custodians, nominees and certain other record holders to send proxies, proxy statements and other materials to their principals at the Company's expense. Such banks, brokers, fiduciaries, custodians, nominees and other record holders will be reimbursed by the Company for their reasonable out-of-pocket expenses of solicitation. The Company does not anticipate that costs and expenses incurred in connection with this proxy solicitation will exceed an amount normally expended for a proxy solicitation for an election of directors in the absence of a contest.

Proposals of Stockholders Proposals of stockholders (1) intended to be considered at the Company's 2011 Annual Meeting of Stockholders (the 2011 Annual Meeting) and (2) to be considered for inclusion in the Company's proxy statement and proxy for the 2011 Annual Meeting must be received by the Secretary of the Company on or before January 4, 2011. If a stockholder submits a proposal to be considered at the 2011 Annual Meeting other than in accordance with Rule 14a-8 under the Securities Exchange Act of 1934, as amended, and does not provide notice of such proposal to the Company by March 18, 2011, the holders of any proxy solicited by the Company's Board of Directors for use at such meeting will have discretionary authority to vote with respect to any proposal as to which timely notice is not given.

Other Business The Board of Directors is not aware of any other matters to be presented at the Annual Meeting other than those mentioned in this Proxy Statement and the Company's Notice of Annual Meeting of Stockholders enclosed herewith. If any other matters are properly brought before the Annual Meeting, however, it is intended that the persons named in the proxies will vote such proxies as the Board of Directors directs.

Section 16(a) Beneficial Ownership Reporting Compliance Section 16 of the Securities Exchange Act of 1934, as amended (the Exchange Act), requires the Company's officers (as defined under Section 16), directors and persons who beneficially own greater than 10% of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Based solely on a review of the forms it has received and on written representations from certain reporting persons that no such forms were required for them, the Company believes that during 2009, all Section 16 filing requirements applicable to its officers, directors and 10% beneficial owners were complied with by such persons, with one exception. An option grant to Mr. Jankowski on May 4, 2009 was filed one day late, on May 7, 2009.

Historical Legal Proceedings Involving Director In 2001, George Tatz, a purchaser of 200 shares of the Company's common stock, filed a class action complaint against the Company and its former Chief Executive Officer, Joseph Cross, in the United States District Court for the Northern District of Illinois. The complaint alleged that defendants violated the federal Securities Exchange Act of 1934 (the Act) by making supposedly fraudulent material misstatements of fact in connection with the Company's public disclosures about a British customer, Celox. Plaintiff subsequently filed an amended complaint, alleging that the Company, three former officers and Jess Jankowski, then-acting chief financial officer, made additional supposedly fraudulent material misstatements of fact in connection with the Company's public disclosures concerning the Company's dealings with Celox. The Company denied these allegations. The Company and its directors and officers liability insurance carrier decided in 2003 to avoid protracted litigation and defense costs by agreeing to settle all claims against all defendants for \$2,500,000. Thereafter, the Court approved the settlement and dismissed the case with prejudice. The settlement did not admit liability by any party. In 2005, the Court ordered distribution of the net settlement fund to the plaintiff class. Because the settlement was funded by the Company's directors and officers liability insurance, the settlement did not have a material adverse effect on the Company's financial position or results of operation.

Additional Information The Company will furnish without charge a copy of its Annual Report on Form 10-K for its year ended December 31, 2009, as filed with the Commission, upon the written request of any person who is a stockholder as of the Record Date, and will provide copies of the exhibits to such Form 10-K upon payment of a reasonable fee which shall not exceed the Company's reasonable expenses in connection therewith. Requests for such materials should be directed to Nanophase Technologies Corporation, 1319 Marquette Drive, Romeoville, Illinois 60446, Attention: Nancy Baldwin, Vice President - Human Resources and Investor Relations.

2010 EQUITY COMPENSATION PLAN

The purpose of the 2010 Nanophase Technologies Corporation Equity Compensation Plan (the **Plan**) is to provide designated employees of Nanophase Technologies Corporation (the **Company**) and its subsidiaries, and certain advisors, including non-employee members of the Board of Directors of the Company (the **Board**) who perform services for the Company or its subsidiaries, with the opportunity to receive grants of incentive stock options, non-qualified options, restricted shares, performance shares and stock appreciation rights. The Company believes that the Plan will encourage the participants to contribute materially to the growth of the Company, thereby benefiting the Company's shareholders, and will align the economic interests of the participants with those of the shareholders.

ARTICLE I**ADMINISTRATION OF THE PLAN****Section 1.1 Administration.**

(a) Committee. The Plan shall be administered and interpreted by the Compensation and Governance Committee of the Board (the **Committee**). The Committee shall consist of three or more persons appointed by the Board, all of whom shall be **outside directors** as defined under Section 162(m) of the Internal Revenue Code of 1986, as amended (the **Code**) and related Treasury regulations, shall be **non-employee directors** as defined under Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended (the **Exchange Act**), and shall be **independent directors** as defined in NASDAQ Marketplace Rule 4200(15), as amended.

(b) Committee Authority. The Committee shall have the sole authority to (i) determine the individuals to whom grants shall be made under the Plan, (ii) determine the type, size and terms of the grants to be made to each such individual, (iii) determine the time when the grants will be made and the duration of any applicable exercise or restriction period, including the criteria for exercisability and the acceleration of exercisability, and (iv) make all determinations with respect to any other matters arising under the Plan. The Committee may delegate the authority to make grants during the periods between regularly scheduled meetings of the Committee; however, grants in excess of 5,000 shares or grants with non-standard terms shall be made subject to Committee approval. Any grant made pursuant to the Committee's delegated authority shall be reported to the Board at the next meeting following the grant.

(c) Committee Determinations. The Committee shall have power and authority to interpret the Plan, make factual determinations, and to adopt or amend such rules, regulations, agreements and instruments for implementing the Plan as it deems necessary or advisable, in its sole discretion. The Committee's interpretations and determinations shall be conclusive and binding on all persons having any interest in the Plan. Determinations made by the Committee under the Plan need not be uniform as to similarly situated individuals.

Section 1.2 Grants. Awards under the Plan may consist of grants of (i) incentive stock options as described in Section 2.1 (**Incentive Stock Options**), (ii) non-qualified options as described in Section 2.1 (**Non-qualified Options**) (**Incentive Stock Options and Non-qualified Options** are

collectively referred to as Options), (iii) restricted stock as described in Section 2.2 (Restricted Shares), (iv) performance stock as described in Section 2.3 (Performance Shares) and (v) Stock Appreciation Rights as described in Section 2.4 (hereinafter collectively referred to as Grants). All Grants shall be subject to the terms and conditions set forth herein and to such other terms and conditions specified in the individual in a grant instrument (the Grant Instrument). The Committee shall approve the form and provisions of each Grant Instrument. Subject to the sole discretion of the Committee as contemplated by Section 1.1(c) above, it is the intent of the Company that grants of Options will be preferred over other Grants under this Plan.

Section 1.3 Shares Subject to the Plan.

(a) Shares Authorized.

(i) For purposes of the Plan, a Share means one share of common stock of the Company, par value \$0.01 per share. Subject to adjustments as provided in Section 1.3(b) below, the aggregate number of Shares available for Grants under the Plan shall be 3,000,000 Shares. For purposes of calculating the aggregate number of Shares available for Grants and calculating the limitations on calendar year Grants set forth in subsection (ii) below, each Grant of a Restricted Share or a Performance Share (other than New Hire Grants contemplated in subsection (iii) below) shall be the equivalent of a Grant of three (3) Shares.

(ii) For each calendar year, Grants under the Plan shall also be subject to the following limitations:

(A) Subject to adjustments as provided in Section 1.3(b) below, the maximum aggregate number of Shares that shall be subject to Grants made under this Plan during any calendar year shall be 600,000 Shares.

(B) No grant recipient (Grantee) shall receive more than twenty (20) percent of the aggregate number of any class of Grants made during any calendar year. As used in this subsection, (1) Options will be deemed a single class of Grants, and (2) Restricted Shares and Performance Shares will together be deemed a single class of Grants.

(C) Following the application of the final sentence of subsection (i) above, the aggregate number of Restricted Shares and Performance Shares (taken as a single class) granted in any calendar year shall not exceed the lesser of 100,000 Shares or fifty (50) percent of the aggregate number of Shares subject to all Grants made during any calendar year.

(D) During each calendar year, Employees shall be granted under the Plan no more than two (2) percent of the Company's outstanding Shares and Non-Employee Directors shall be granted no more than one-half (1/2) percent of the Company's outstanding Shares. The number of outstanding Shares for purpose of this subsection will be determined as of the first business day of each applicable calendar year on a fully-diluted basis.

(iii) The limitations set forth in subsection (ii) above shall not apply to Grants made to a person as an inducement material to the individual's entering into employment with the Company (New Hire Grants), except for the overall limit as described in subsection (ii)(A). In addition, New Hire Grants shall not count against the aggregate maximum amounts set forth above in subsection (ii) above except for subsection (ii)(A).

(iv) The Shares may be authorized but unissued Shares or reacquired Shares, including Shares purchased by the Company on the open market for purposes of the Plan. If and to the extent Options granted under the Plan terminate, expire, or are canceled, forfeited, exchanged or surrendered without having been exercised, the Shares subject to such Grants shall again be available for purposes of the Plan.

(b) Adjustments for Significant Events. If the number or kind of outstanding Shares change by reason of (i) a dividend, spin-off, recapitalization, split or combination or exchange of Shares, (ii) a merger, reorganization or consolidation in which the Company is the surviving corporation, (iii) a reclassification or change in par value, or (iv) any other extraordinary or unusual event affecting the outstanding Shares of the Company as a class without the Company's receipt of consideration, or if the value of outstanding Shares is substantially reduced as a result of a spin-off or the Company's payment of an extraordinary dividend or distribution the maximum number of Shares available for Grants, the maximum number of Shares that any individual participating in the Plan may be granted in any year, the number of Shares covered by outstanding Grants, the kind of Shares issued under the Plan, and the price per Share or the applicable market value of such Grants may be appropriately adjusted by the Committee to reflect any increase or decrease in the number of, or change in the kind or value of, issued Shares to preclude, to the extent practicable, the enlargement or dilution of rights and benefits under such Grants. Any fractional Shares resulting from such adjustment shall be eliminated. Any adjustments determined by the Committee shall be final, binding and conclusive. Any Restricted Shares distributed to a Grantee, or which a Grantee is entitled to receive by reason of any of the events described in clauses (i), (ii), (iii) or (iv) above shall be subject to the restrictions and requirements imposed on such Restricted Shares as provided in Section 2.2, unless determined otherwise by the Committee.

Section 1.4 Eligibility for Participation.

(a) Eligible Persons. All employees of the Company, its parents and its subsidiaries (Employees), including Employees who are officers or members of the Board, and members of the Board who are not Employees (Non-Employee Directors) shall be eligible to participate in the Plan. Advisors who perform services to the Company or any of its parents or its subsidiaries (Key Advisors) shall be eligible to participate in the Plan if the Key Advisors render bona fide services and such services are not in connection with the offer or sale of securities in a capital-raising transaction.

(b) Selection of Grantees. The Committee shall select the Employees, Non-Employee Directors and Key Advisors to receive Grants.

ARTICLE II

EQUITY INCENTIVE GRANTS

Section 2.1 Options.

(a) Number of Shares. The Committee shall determine the number of Shares that will be subject to each Grant of Options.

(b) Type of Option and Price.

(i) The Committee may grant Incentive Stock Options that are intended to qualify as incentive stock options within the meaning of Section 422 of the Code or Non-qualified

Options that are not intended so to qualify or any combination of Incentive Stock Options and Non-qualified Options.

(ii) The purchase price (the Exercise Price) of Shares subject to an Option shall be equal to, or greater than, the Fair Market Value (as defined below) of a Share on the date the Option is granted. The Exercise Price of an Incentive Stock Option shall be equal to, or greater than, the Fair Market Value of a Share on the date the Incentive Stock Option is granted and may not be granted to an Employee who, at the time of grant, owns Shares possessing more than 10 percent of the total combined voting power of all Shares and other classes of stock of the Company or any parent or subsidiary of the Company, unless the Exercise Price per Share is not less than 110% of the Fair Market Value of a Share on the date of grant.

(iii) If the Shares are publicly traded, then the Fair Market Value per Share shall be determined as follows: (x) if the principal trading market for the Shares is a national securities exchange or the Nasdaq National Market, the last reported sale price thereof on the date of grant or, if there were no trades on that date, the earliest subsequent date upon which a sale was reported, or (y) if the Shares are not principally traded on such exchange or market, the mean between the last reported bid and asked prices of a Share on the following date, as reported on Nasdaq or, if not so reported, as reported by the National Daily Quotation Bureau, Inc. or as reported in a customary financial reporting service, as applicable and as the Committee determines. If the Shares are not publicly traded or, if publicly traded, are not subject to reported transactions or bid or asked quotations as set forth above, the Fair Market Value per Share shall be as determined in good faith by the Committee; provided that, if the Shares are publicly traded, the Committee may make such discretionary determinations where the Shares have not been traded for 10 trading days.

(c) Option Term. The Committee shall determine the term of each Option. The term of any Option shall not exceed ten years from the date of grant. For Incentive Stock Options granted to an Employee who, at the time of grant, owns Shares possessing more than 10 percent of the total combined voting power of all Shares and other classes of stock of the Company, or any parent or subsidiary of the Company, the term shall not exceed five years from the date of grant.

(d) Vesting of Options. Options shall vest in accord with the terms and conditions specified in the Grant Instrument. The Committee may accelerate the vesting of any or all outstanding Options at any time for any reason.

(e) Termination of Employment, Disability or Death.

(i) Except as provided below, an Option may only be exercised while the Grantee is an Employee, Key Advisor or member of the Board. In the event that a Grantee has a Termination of Service (as defined below) for any reason other than Disability (as defined below), death or Cause (as defined below), any Option which is otherwise exercisable by the Grantee shall terminate unless exercised within 90 days after the date of such termination, but in any event no later than the date of expiration of the Option term. Any Options that the Grantee cannot exercise at the time of a Termination of Service shall terminate as of such date.

(ii) In the event a Grantee is terminated for Cause, unless otherwise determined by the Committee (x) any Option held by the Grantee shall terminate as of the date of such Termination of Service and (y) the Grantee shall automatically forfeit all Shares underlying any exercised portion of an Option for which the Company has not yet delivered the certificates, upon refund by the Company of the Exercise Price paid by the Grantee for such Shares.

(iii) In the event a Grantee has a Termination of Service on account of Disability, any Option which is otherwise exercisable by the Grantee shall terminate unless exercised within one year after the date of such Termination of Service, but in any event no later than the date of expiration of the Option term. Unless provided otherwise in the applicable Grant Instrument, any of the Grantee's Options which are not otherwise exercisable as of the date of such Termination of Service shall terminate as of such date.

(iv) If the Grantee dies while an Employee, Key Advisor or member of the Board or within 90 days after the date on which the Grantee has a Termination of Service, any Option that is otherwise exercisable by the Grantee shall terminate unless exercised within one year after the date of such death or Termination of Service, but in any event no later than the date of expiration of the Option term. Unless provided otherwise in the applicable Grant Instrument, any of the Grantee's Options that are not otherwise exercisable as of the date shall terminate as of such date.

(v) For purposes of the Plan:

(A) **Cause** shall mean a finding by the Committee that (1) the Grantee has breached his or her employment, service, noncompetition, nonsolicitation or other similar contract with the Company or its parent and subsidiary corporations, (2) has been engaged in disloyalty to the Company or its parent and subsidiary corporations, including, without limitation, fraud, embezzlement, theft, commission of a felony or dishonesty in the course of his or her employment or service, (3) has disclosed trade secrets or confidential information of the Company or its parents and subsidiary corporations to persons not entitled to receive such information or (4) has entered into competition with the Company or its parent or Subsidiary Corporations. Notwithstanding the foregoing, if the Grantee has an employment agreement with the Company defining Cause, then such definition shall supersede the foregoing definition.

(B) **Disability** shall mean a Grantee's becoming disabled within the meaning of Section 22(e)(3) of the Code. Notwithstanding the foregoing, if the Grantee has an employment agreement with the Company defining Disability, then such definition shall supersede the foregoing definition.

(C) **Termination of Service** shall mean a Grantee's termination of employment or service as an Employee, Key Advisor or member of the Board unless the Grantee continues without interruption to serve thereafter in another such capacities.

(f) Exercise of Options. A Grantee may exercise an Option that has become exercisable, in whole or in part, by delivering a notice of exercise to the Company with payment of the Exercise Price. The Grantee shall pay the Exercise Price (x) in cash, (y) by delivering Shares owned by the Grantee for the period necessary to avoid a charge to the Company's earnings for financial reporting purposes and to avoid adverse accounting consequences to the Company (including Shares acquired in connection with the exercise of an Option, subject to such restrictions as the Committee deems appropriate) and having a Fair Market Value on the date of exercise equal to the Exercise Price, or (z) by such other method as the Committee may approve, including payment through a broker in accord with procedures permitted by Regulation T of the Federal Reserve Board; provided, that, for purposes of assisting a Grantee (other than a Grantee who is a director or an executive officer of the Company) to exercise an Option, the Company may make loans to such Grantee or guarantee loans made by third parties to such Grantee, on such terms and conditions as the Committee may authorize. Such Grantee shall pay the Exercise Price at the time of exercise and shall satisfy the withholding tax requirements of Section 3.1.

(g) Limits on Incentive Stock Options. Each Incentive Stock Option shall provide that, if the aggregate Fair Market Value of the Shares on the date of the grant with respect to which Incentive Stock Options are exercisable for the first time by a Grantee during any calendar year, under the Plan and any other equity compensation plan of the Company or a parent or subsidiary, exceeds \$100,000, then the option, as to the excess, shall be treated as a Non-qualified Option. No Incentive Stock Option shall be granted to any person who is not an Employee of the Company or a parent or subsidiary of the Company (within the meaning of Section 424(f) of the Code).

Section 2.2 Restricted Shares.

(a) General Requirements. Shares issued or transferred pursuant to Restricted Share Grants may be issued or transferred for consideration or for no consideration. The period of time, if any, during which the Restricted Shares will remain subject to restrictions and any performance conditions imposed by the Committee will be designated in the Grant Instrument as the Restriction Period. All restrictions on transfer of Restricted Shares will be stated on the Grant Instrument.

(b) Number of Shares. The Committee shall determine the number of Restricted Shares to be issued or transferred.

(c) Requirement of Employment. If a Grantee, who is an Employee, has a Termination of Service during a period designated in the Grant Instrument as the Restriction Period, or if other specified conditions are not met, the Restricted Share Grant shall terminate as to all Shares covered by the Grant as to which the restrictions have not lapsed, and those Shares must be immediately returned to the Company, and the Company shall refund to the Grantee the lesser of (x) the consideration, if any, paid by the Grantee for such Shares and (y) the Fair Market Value of the Shares as of the date of such Termination of Service. The Committee may provide for complete or partial exceptions to these requirements.

(d) Restrictions on Transfer and Legend on Certificate. During the Restriction Period, a Grantee may not sell, assign, transfer, pledge or otherwise dispose of the Restricted Shares except as permitted under Section 3.2. Each certificate for Restricted Shares shall contain a legend giving appropriate notice of the restrictions in the Grant. The Grantee shall be entitled to have the legend removed from the certificate covering the Restricted Shares when all restrictions on such Shares have lapsed. The Committee may determine that the Company will not issue certificates for Restricted Shares until all restrictions on such Shares have lapsed, or that the Company will retain possession of certificates for Restricted Shares until all restrictions on such Shares have lapsed.

(e) Right to Vote and to Receive Dividends. Holders of Restricted Shares may be granted the right to vote the Restricted Shares and to receive any dividends or other distributions paid on such Shares, subject to any restrictions deemed appropriate by the Committee.

(f) Lapse of Restrictions. All restrictions imposed on Restricted Shares shall lapse upon the expiration of the applicable Restriction Period provided that all conditions imposed by the Committee are satisfied. In the event that the conditions imposed by the Committee on such Restricted Shares are not satisfied, the Restricted Shares shall be forfeited unless the Committee determines that the restrictions shall lapse without regard to any Restriction Period. Any Restricted Shares that are forfeited for failure to satisfy the conditions imposed by the Committee shall again be available for purposes of the Plan.

(g) Deferral of Receipt. Notwithstanding anything to the contrary in this Plan, a Grantee, who is a Non-Employee Director, may, in a manner prescribed by the Committee, elect to defer the receipt of all the Restricted Shares subject to a Grant Instrument. Such election must be made before the

end of the calendar year prior to the year in which the Restricted Shares are granted. Any election may either: (i) continue in effect until the Grantee changes or discontinues it or (ii) apply for a single year only. Any change or discontinuance of an election shall be effective for the year beginning after the change or discontinuance notice is received by the Committee. Elections must be made on a form and in a manner prescribed by the Committee. Any Restricted Shares deferred pursuant to this Section 2.2(g) shall be distributed to the Grantee (or his or her beneficiary, as applicable) as soon as administratively possible following the Grantee's separation from service to the Company (within the meaning provided in Code Section 409A) or upon a Change of Control or a Reorganization (as each term is defined in Section 3.3). The eventual payment of the deferred Restricted Shares shall not be secured in any way and shall be a general obligation of the Company. The Committee may hold the Restricted Shares in a grantor trust established by the Company for purposes of meeting its obligations with respect to deferred compensation under this Plan or any other plan established by the Company. The Restricted Shares deferred pursuant to this Section 2.2 shall be credited for the benefit of any participating Grantee pursuant to the terms of the Plan. During the deferral period, the deferred Restricted Shares shall not be available for issuance under this Plan.

Section 2.3 Performance Shares.

(a) General Requirements. Each Performance Share shall represent the right of the Grantee to receive an amount based on the value of the Performance Share, if performance goals established by the Committee are met. The value of a Performance Share shall be based on the Fair Market Value of a Share as of the date of payment in respect of such Performance Share is to be made or on such other measurement base as the Committee deems appropriate. The Committee shall determine the requirements applicable to such Shares.

(b) Performance Period and Performance Goals. When Performance Shares are granted, the Committee shall establish the period during which performance shall be measured (the Performance Period) and performance goals applicable to the Shares (Performance Goals), if any. Performance Goals may relate to the financial performance of the Company or its operating shares, the performance of Shares, individual performance, or such other criteria as the Committee deems appropriate.

(c) Payment with respect to Performance Shares. At the end of each Performance Period, the Committee shall determine to what extent the Performance Goals and other conditions of the Performance Shares have been met and the amount, if any, to be paid. Payments shall be made in Shares with any fractional Performance Share paid in cash. Unless otherwise determined by the Committee, any Performance Shares with respect to which the Committee determines that the applicable Performance Goals or other conditions have not been met within the Performance Period shall be forfeited.

(d) Requirement of Employment. If the Grantee has a Termination of Service during a Performance Period, or if other conditions established by the Committee are not met, the Grantee's Performance Shares shall be forfeited. The Committee may, however, provide for complete or partial exceptions to this requirement.

(e) Restrictions on Transfer. Rights to payments with respect to Performance Shares granted under the Plan shall not be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, attachment, garnishment, levy, execution, or other legal or equitable process, either voluntary or involuntary; and any attempt to anticipate, alienate, sell, transfer, assign, pledge, encumber, attach or garnish, or levy or execute on any right to benefits payable hereunder, shall be void.

(f) Limited Rights. Performance Shares are solely a device for the measurement and determination of the amounts to be paid to a Grantee under the Plan. Each Grantee's right in the Performance Shares is limited to the right to receive payment, if any, as may herein be provided. The Performance Shares do not constitute Shares and shall not be treated as (or as giving rise to) property or as a trust fund of any kind; provided, however, that the Company may establish a bookkeeping reserve to meet its obligations hereunder or a trust or other funding vehicle that would not cause the Plan to be deemed to be funded for tax purposes or for purposes of Title I of the Employee Retirement Income Security Act of 1974, as amended. The right of any Grantee of Performance Shares to receive payments by virtue of participation in the Plan shall be no greater than the right of any unsecured general creditor of the Company. Nothing contained in the Plan shall be construed to give any Grantee any rights with respect to Shares or any ownership interest in the Company. No provision of the Plan shall be interpreted to confer upon any Grantee any voting, dividend or derivative or other similar rights with respect to any Performance Share.

Section 2.4 Stock Appreciation Rights.

(a) General Requirements. All Employees, including Employees who are officers or members of the Board, and all Non-Employee Directors, are eligible for a grant of Stock Appreciation Rights (SARs).

(b) Exercise Price. The Committee will establish the exercise price of the SAR at the time it is granted, which exercise price will be equal to the Fair Market Value of one Share.

(c) Exercisability. A SAR shall be exercisable during the period specified by the Committee in the Grant Instrument and shall be subject to such vesting and other restrictions as may be specified in the Grant Instrument. The Committee may accelerate the exercisability of any or all outstanding SARs at any time for any reason. SARs may only be exercised while the Grantee is an Employee or a Non-Employee Director or during an applicable period after the Employee's or the Non-Employee Director's separation from service as specified in the Grant Instrument. No SAR may be exercised by an executive officer or director of the Company or any of its subsidiaries who is subject to Section 16 of the Exchange Act, except in accordance with Rule 16b-3 under the Exchange Act.

(c) Value of SARs. When a Grantee exercises a SAR, the Grantee shall receive in settlement of such SAR an amount equal to the amount by which the Fair Market Value of a Share on the date of exercise of the SAR exceeds the exercise price of the SAR specified in the Grant Instrument. Such amount shall be payable in cash or in Shares at the discretion of the Committee.

ARTICLE III

GENERAL MATTERS

Section 3.1 Withholding of Taxes.

(a) Required Withholdings. The Company shall be entitled to withhold from any payments or deemed payments any amount of tax withholding (including all federal, state and local taxes) determined by the Committee to be required by law. Without limiting the generality of the foregoing, the Committee may, in its discretion, require the Grantee to pay the amount that the Committee deems necessary to satisfy the Company's obligation to withhold federal, state or local income or other taxes incurred by reason of (i) the exercise of any Option, (ii) the lapsing of any restrictions applicable to any Restricted Shares, (iii) the receipt of a payment in respect of Performance Shares, or (iv) any other applicable income recognition event (for example, an election under Section 83(b) of the Code).

Notwithstanding anything contained in the Plan to the contrary, the Grantee's satisfaction of any tax- withholding requirements imposed by the Committee shall be a condition precedent to the Company's obligation as may otherwise be provided hereunder to provide Shares to the Grantee and to the release of any restrictions as may otherwise be provided hereunder, as applicable; and the applicable options, Restricted Shares or Performance Shares shall be forfeited upon the failure of the Grantee to satisfy such requirements with respect to, as applicable, (i) the exercise of the option or (ii) the lapsing of restrictions on the Restricted Share (or other income recognition event).

(b) Election to Withhold Shares. If the Committee so permits, a Grantee may make a written election to satisfy the Company's income tax withholding obligation with respect to an Option, Restricted Shares or Performance Shares by having Shares withheld by the Company from the Shares otherwise to be received, or to deliver previously owned Shares (not subject to restrictions hereunder). The number of Shares so withheld or delivered shall have an aggregate Fair Market Value on the date of exercise sufficient to satisfy the applicable withholding taxes. Where the exercise of an Incentive Stock Option does not give rise to an obligation by the Company to withhold federal, state or local income or other taxes on the date of exercise, but may give rise to such an obligation in the future, the Committee may, in its discretion, make such arrangements and impose such restrictions as it deems necessary or appropriate. The election must be in a form and manner prescribed by the Committee and shall be subject to the prior approval of the Committee.

Section 3.2 Transferability of Grants.

(a) In General. Except as provided in Section 3.2(b), only the Grantee may exercise rights under a Grant during the Grantee's lifetime. A Grantee may not transfer those rights except by will or by the laws of descent and distribution. When a Grantee dies, the personal representative or other person entitled to succeed to the rights of the Grantee (Successor Grantee) may exercise such rights in accordance with the terms of the Plan. A Successor Grantee must furnish proof satisfactory to the Company of his or her right to receive the Grant under the Grantee's will or under the applicable laws of descent and distribution.

(b) Transfer of Non-qualified Options. Notwithstanding the foregoing, the Committee may provide in a Grant Instrument that a Grantee may transfer Non-qualified Options to family members or other persons or entities according to such terms as the Committee may determine where the Committee determines that such transferability does not result in accelerated federal income taxation; provided that the Grantee receives no consideration for the transfer of an Option and the transferred Option shall continue to be subject to the same terms and conditions as were applicable to the Option immediately before the transfer.

Section 3.3 Reorganization or Change in Control of the Company.

(a) Definitions.

(i) As used herein, a Reorganization shall be deemed to have occurred if the shareholders of the Company approve (or, if shareholder approval is not required, the Board approves) an agreement providing for (i) the merger or consolidation of the Company with another corporation where the shareholders of the Company, immediately prior to the merger or consolidation, will not beneficially own, immediately after the merger or consolidation, Shares entitling such shareholders to more than 50% of all votes to which all shareholders of the surviving corporation would be entitled in the election of directors (without consideration of the rights of any class of stock to elect directors by a separate class vote), (ii) the sale or other

disposition of all or substantially all of the assets of the Company, or (iii) a liquidation or dissolution of the Company.

(ii) As used herein, a **Change of Control** shall be deemed to have occurred if any person (as such term is used in Sections 13(d) and 14(d) of the Exchange Act) or any of its subsidiaries or affiliates becomes a **beneficial owner** (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing a majority of the voting power of the then outstanding securities of the Company except where the acquisition is approved by the Board.

(b) Assumption of Grants. Upon a Reorganization where the Company is not the surviving corporation (or survives only as a subsidiary of another corporation), all outstanding Options that are not exercised shall be assumed by, or replaced with comparable options or rights by, the surviving corporation.

(c) Notice and Acceleration. Upon a Reorganization or a Change of Control, (i) the Company shall provide each Grantee with outstanding Grants written notice of such event and (ii) all outstanding Options shall automatically accelerate and become fully exercisable, (iii) the restrictions and conditions on all outstanding Restricted Shares shall immediately lapse, and (iv) Grantees holding Performance Shares shall receive a payment in settlement of such Performance Shares, in an amount determined by the Committee, based on the Grantee's target payment for the Performance Period and the portion of the Performance Period that precedes the Change of Control.

Section 3.4 Requirements for Issuance or Transfer of Shares.

(a) Shareholder's Agreement. The Committee may require that a Grantee execute a shareholder's agreement with respect to any Shares distributed pursuant to the Plan.

(b) Limitations on Issuance or Transfer of Shares. No Shares shall be issued or transferred in connection with any Grant hereunder unless and until all legal requirements applicable to the issuance or transfer of such Shares have been complied with to the satisfaction of the Committee. The Committee shall have the right to condition any Grant made to any Grantee hereunder on such Grantee's undertaking in writing to comply with such restrictions on his or her subsequent disposition of such Shares as the Committee shall deem necessary or advisable as a result of any applicable law, regulation or official interpretation thereof, and certificates representing such Shares may be legended to reflect any such restrictions. Certificates representing Shares issued or transferred under the Plan will be subject to such stop-transfer orders, registration and other restrictions as may be required by applicable laws, regulations and interpretations, including any requirement that a legend be placed thereon.

Section 3.5 Amendment and Termination of the Plan.

(a) Amendment. If shareholder approval for any amendment to the Plan is required by any applicable law or regulation, the Board may not make such amendment to the Plan without the approval of the shareholders. Otherwise, the Board may amend or terminate the Plan at any time.

(b) Termination of Plan. The Plan shall terminate on the day immediately preceding the tenth anniversary of the Effective Date (as defined below), unless the Plan is terminated earlier by the Board or is extended by the Board with the approval of the shareholders.

(c) Termination and Amendment of Outstanding Grants. A termination or amendment of the Plan that occurs after a Grant is made shall not materially impair the rights of a Grantee unless the

Grantee consents or unless the amendment is required in order to comply with applicable law. The termination of the Plan shall not impair the power and authority of the Committee with respect to an outstanding Grant. Whether or not the Plan has terminated, an outstanding Grant may be terminated or amended in accord with the Plan or may be amended by agreement of the Company and the Grantee consistent with the Plan.

(d) Governing Document. The Plan shall be the controlling document. No other statements, representations, explanatory materials or examples, oral or written, may amend the Plan in any manner. The Plan shall be binding upon and enforceable against the Company and its successors and assigns.

Section 3.6 Miscellaneous.

(a) Programs. The Committee may adopt one or more programs not inconsistent with this Plan pursuant to which Grants may be made under this Plan. Such programs shall be deemed merely programs of implementation of this Plan and shall not be deemed new plans.

(b) Funding of the Plan. The Plan shall be unfunded. The Company shall not be required to establish any special or separate fund or to make any other segregation of assets to assure the payment of any Grants under the Plan. In no event shall interest be paid or accrued on any Grant, including unpaid installments of Grants.

(c) Rights of Participants. Nothing in the Plan shall entitle any Employee, Non-Employee Director, Key Advisor or other person to any claim or right to be granted a Grant under the Plan. Neither the Plan nor any action taken under it shall be construed as giving any individual any rights to be retained by or in the employ of the Company or any other employment rights.

(d) No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to the Plan or any Grant. The Committee shall determine whether cash, other awards or other property shall be issued or paid in lieu of such fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.

(e) Section Headings. Section headings are for reference only. In the event of a conflict between a title and the content of a Section, the content of the Section shall control.

(f) Effective Date of the Plan. Provided the Plan has been approved by the Company's Board of Directors, the Plan shall be effective on the first business day immediately following the Plan's approval by the Shareholders of the Company (the Effective Date).

(g) Deferred Compensation. No deferral of compensation (as defined under Code Section 409A or guidance thereto) is intended under this Plan, except as provided in Section 2.2(g). The Committee may permit deferrals of compensation pursuant to the terms of the Grant Agreement, a separate plan or a subplan which meets the requirements of Code Section 409A and any related guidance. Participants shall only be granted Awards under this Plan that meet the requirements of Code Section 409A or qualify for an exemption under Code Section 409A or any related guidance. If any participant receives an Award that does not comply with Code Section 409A or qualify for an exemption thereto, such Award shall be null and void and shall be deemed to have never been granted. Additionally, to the extent any Award is subject to Code Section 409A, notwithstanding any provision herein to the contrary, the Plan does not permit the acceleration of the time or schedule of any distribution related to such Award, except as permitted by Code Section 409A, the regulations thereunder, and/or the Secretary of the United States Treasury.

(h) Grants in Connection with Corporate Transactions and Otherwise. Nothing contained in the Plan shall be construed to (i) limit the right of the Committee to make Grants under the Plan in connection with the acquisition, by purchase, lease, merger, consolidation or otherwise, of the business or assets of any corporation, firm or association, including Grants to employees thereof who become Employees or for other proper corporate purposes, or (ii) limit the right of the Company to grant stock options or make other awards outside of the Plan. Without limiting the foregoing, the Committee may make a Grant to an employee of another corporation who becomes an Employee by reason of a corporate merger, consolidation, acquisition of stock or property, reorganization or liquidation involving the Company or any of its subsidiaries in substitution for a stock option grant made to such employee by such corporation. The terms and conditions of the substitute grants may vary from the terms and conditions required by the Plan and from those of the substituted stock incentives. The Committee shall prescribe the provisions of the substitute grants.

(i) Compliance with Law. The Plan, the exercise of Options and the obligations of the Company to issue or transfer Shares under Grants shall be subject to all applicable laws and to approvals by any governmental or regulatory agency as may be required. With respect to persons subject to Section 16 of the Exchange Act, it is the intent of the Company that the Plan and all transactions under the Plan comply with all applicable provisions of Rule 16b-3 or its successors under the Exchange Act. The Committee may revoke any Grant if it is contrary to law or modify a Grant to bring it into compliance with any valid and mandatory government regulation. The Committee may, in its sole discretion, agree to limit its authority under this Section.

(j) Successors. All obligations of the Company under the Plan with respect to awards granted under it shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation or otherwise, of all or substantially all of the business or assets of the Company.

(k) Governing Law. The validity, construction, interpretation and effect of the Plan and Grant Instruments issued under the Plan shall exclusively be governed by and determined in accordance with the law of the State of Delaware.

(l) Transition Provisions Relating to the Prior Plans. Upon the Effective Date of the Plan, the Company's 2004 Equity Compensation Plan (as amended, the 2004 Plan), 2005 Non-Employee Director Restricted Stock Plan (as amended, the 2005 Plan) and Amended and Restated 2006 Stock Appreciation Rights Plan (the 2006 Plan) shall be terminated subject to the provisions of Section 3.5(c) of the 2004 Plan, Section 3.2 of the 2005 Plan and Section 3.1 of the 2006 Plan, each relating to the post-termination effectiveness of grants under the 2004 Plan, the 2005 Plan and the 2006 Plan, respectively. The Plan shall not be deemed an amendment or restatement of the 2004 Plan, the 2005 Plan or the 2006 Plan. Nothing in the Plan shall be deemed to impair the rights of or give any new or additional rights to any person who received grants under the 2004 Plan, the 2005 Plan or the 2006 Plan.
