**PART II**

**INFORMATION NOT REQUIRED IN PROSPECTUS**

**Item 20. *Indemnification of Directors and Officers***  
**MagnaChip Semiconductor LLC**

MagnaChip Semiconductor LLC is a limited liability company organized under the laws of the State of Delaware. Section 18108 of the Delaware Limited Liability Company Act permits a limited liability company, subject to any restrictions that may be set forth in its limited liability company agreement, to indemnify its members and managers from and against any and all claims and demands.

MagnaChip Semiconductor LLC's limited liability company agreement provides that MagnaChip Semiconductor LLC shall indemnify any person who was or is party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person is or was a director or officer of MagnaChip Semiconductor LLC or a director or officer of a constituent person in a consolidation or merger, or is or was serving at the request of MagnaChip Semiconductor LLC or a constituent person absorbed in a consolidation or merger, as a director or officer of another person, or is or was a director or officer of MagnaChip Semiconductor LLC serving at its request as an administrator, trustee or other fiduciary of one or more of the employee benefit plans of MagnaChip Semiconductor LLC or other enterprise, against expenses (including attorneys' fees), liability and loss actually and reasonably incurred or suffered by such person in connection with such action, suit or proceeding, whether or not the indemnified liability arises or arose from any threatened, pending or completed action, suit or proceeding by or in the right of MagnaChip Semiconductor LLC, except to the extent that such indemnification is prohibited by applicable law.

**MagnaChip Semiconductor S.A.**

Under Luxembourg law, civil liability of directors both to the company and to third parties is generally considered to be a matter of public policy. It is possible that Luxembourg courts would declare void an explicit or even implicit contractual limitation on directors' liability to MagnaChip Semiconductor S.A. MagnaChip Semiconductor S.A., however, can validly agree to indemnify the directors against the consequences of liability actions brought by third parties (including shareholders if such shareholders have personally suffered a damage which is independent of and distinct from the damage caused to the company).

Under Luxembourg law, an employee of MagnaChip Semiconductor S.A. can only be liable to MagnaChip Semiconductor S.A. for damages brought about by his or her willful acts or gross negligence. Any arrangement providing for the indemnification of officers in case of willful acts or gross negligence against claims of MagnaChip Semiconductor S.A. would in principle be contrary to public policy. Officers are liable to third parties under general tort law and may enter into arrangements with MagnaChip Semiconductor S.A. providing for indemnification against third party claims.

Under Luxembourg law, an indemnification agreement can never cover a willful act or gross negligence.

**MagnaChip Semiconductor Finance Company**

**Indemnification:** Section 145 of the Delaware General Corporation Law provides that a corporation may indemnify directors and officers as well as other employees and individuals against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and

reasonably incurred by such person in connection with any threatened, pending or completed actions, suits or proceedings in which such person is made a party by reason of such person being or having been a director, officer, employee or agent to the Company. The statute provides that it is not exclusive of other rights to which those seeking indemnification may be entitled under any by-law, agreement, vote of stockholders or disinterested directors or otherwise. MagnaChip Semiconductor Finance Company's bylaws provide for indemnification by the company of any director or officer (as such term is defined in the bylaws) of the company or a constituent corporation absorbed in a consolidation or merger, or any person who, at the request of the company or a constituent corporation, is or was serving as a director or officer of, or in any other capacity for, any other enterprise, except to the extent that such indemnification is prohibited by law. The bylaws also provide that the company shall advance expenses incurred by a director or officer in defending a proceeding prior to the final disposition of such proceeding. The board of directors, by majority vote of a quorum consisting of directors not parties to the proceeding, must determine whether the applicable standards of any applicable statute have been met. The bylaws do not limit the company's ability to provide other indemnification and expense reimbursement rights to directors, officers, employees, agents and other persons otherwise than pursuant to the bylaws. The company may purchase insurance covering the potential liabilities of the directors and officers of the company or any constituent corporations or any person who, at the request of the company or a constituent corporation, is or was serving as a director or officer of, or in any other capacity for, any other enterprise.

**Limitation of Liability:** Section 102(b)(7) of the Delaware General Corporation Law permits a corporation to provide in its certificate of incorporation that a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for payments of unlawful dividends or unlawful stock repurchases or redemptions, or (iv) for any transaction from which the director derived an improper personal benefit. MagnaChip Semiconductor Finance Company's certificate of incorporation provides for such limitation of liability.

#### **Other Subsidiaries**

The organizational documents of certain subsidiary guarantors also provide for indemnification of their officers and directors for liability incurred in connection with the performance of their duties as officers and directors.

#### **Employment Agreements**

**Indemnification:** Some of our officers have employment agreements with us that provide for indemnification against losses, costs and expenses arising from or relating to such person's services for us, to the extent permitted by law and the governing documents of the applicable company.

**Item 17. Undertakings.**

(a) The undersigned Registrants hereby undertake:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrants hereby undertake that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrants' annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

(d) The undersigned Registrants hereby undertake to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11 or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(e) The undersigned Registrants hereby undertake to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
