- ☐ Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act

Item 1.01. Entry Into a Material Definitive Agreement.

On June 30, 2011, Carpenter Technology Corporation (the "Company") completed its offering and sale of \$250,000,000 in aggregate principal amount of its 5.20% Senior Notes due 2021 (the "Notes"). The offering and sale of the Notes was made pursuant to the Company's shelf registration statement (Registration No. 333-175150) filed with the Securities and Exchange Commission (the "Commission") on June 27, 2011. The terms of the Notes are described in the Company's prospectus dated June 27, 2011, as supplemented by a final prospectus supplement dated June 27, 2011, as filed with the Commission on June 28, 2011.

The Notes were issued pursuant to the base indenture, dated January 12, 1994 (the "Indenture"), between the Company and U.S. Bank National Association as successor trustee (the "Trustee"), as supplemented by the First Supplemental Indenture, dated as of May 22, 2003 (the "First Supplemental Indenture"), and the Second Supplemental Indenture, dated June 30, 2011 (the "Second Supplemental Indenture").

The Notes will accrue interest at the rate of 5.20% per annum, with interest payable in cash semi-annually in arrears on each January 15 and July 15, commencing January 15, 2012. The Notes will mature on July 15, 2021.

The Notes will be senior unsecured indebtedness of the Company, ranking equally in right of payment with all its existing and future senior unsecured indebtedness and senior to its future subordinated indebtedness.

The Company may redeem the Notes, at any time and from time to time, prior to April 15, 2021, in whole or in part, at a make-whole redemption price equal to the greater of (i) 100% of the principal amount of the Notes being redeemed and (ii) the present value of the remaining scheduled payments of principal and interest on the Notes being redeemed discounted at a rate equal to the Treasury Rate (defined in the Second Supplemental Indenture) plus 35 basis points, in each case, plus accrued and unpaid interest to, but excluding, the redemption date.

On and after April 15, 2021, the Company may redeem the Notes at any time in whole and from time to time in part at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest on the principal amount of the Notes being redeemed to, but excluding, the redemption date. If the Company undergoes a change of control repurchase event (defined in the Second Supplemental Indenture), the Company must offer to repurchase the Notes for cash at a price equal to 101% of the aggregate principal amount of the Notes plus any accrued and unpaid interest to, but excluding, the repurchase date.

The Company intends to use the net proceeds from the issuance of the Notes to repay its \$100 million in principal amount of its medium term notes, Series C at 7.625% due August 2011. The Company intends to use the remaining net proceeds from the issuance of the Notes for general corporate purposes, which may include additions to working capital, capital expenditures, repayment of debt, the financing of acquisitions, joint ventures and other business combination opportunities or stock repurchases.

The foregoing is a summary of the material terms and conditions of the Indenture, as supplemented, and is not a complete discussion. Accordingly, the foregoing is qualified in its entirety by reference to the full text of the Indenture, the First Supplemental Indenture and the Second Supplemental Indenture. The Indenture was filed as Exhibit 4(C) to the Company's Registration Statement on Form S-3 filed with the Commission on January 6, 1994, and such exhibit is incorporated herein by reference. The First Supplemental Indenture was filed as Exhibit 4(I) to the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2003 filed with the Commission on September 12, 2003, and such exhibit is incorporated herein by reference. The Second Supplemental Indenture is filed as Exhibit 4.1 to this Current Report on Form 8-K and is incorporated herein by reference. A form of Note is included in Exhibit 4.2 to this Current Report on Form 8-K and is incorporated herein by reference. The opinion of the Company's counsel as to the validity of the Notes is filed as Exhibit 5.1 to this Current Report on Form 8-K.

Item 9.01. Financial Statements and Exhibits.
