## **Eligibility and Enrollment**

### **5. Who is eligible to participate in the Plan?**

Any person or entity, whether or not a stockholder, is eligible to participate in the Plan. A registered Chesapeake stockholder or a person or entity that is not a Chesapeake stockholder can become a participant in the Plan by completing the appropriate Enrollment Form. A person or entity who is the beneficial owner of Chesapeake common stock through an account with a broker, bank or other nominee must make appropriate arrangements with the broker, bank or other nominee to become a participant in the Plan (including the payment of any associated fees that may be charged by the broker, bank or other nominee), or the beneficial owner must become a registered stockholder by having the shares transferred into the beneficial owner's name. To have shares registered in his or her name, a beneficial owner must request the issuance of a certificate for the shares from the broker, bank or other nominee. Alternatively, a beneficial owner may become a participant in the Plan by purchasing additional shares of Chesapeake common stock in accordance with the instructions set forth below for new investors. See Question No. 7. A new investor residing outside of the United States, or its territories and possessions, should determine whether he or she is subject to any governmental regulation that prohibits participation in the Plan.

### **6. How does a registered stockholder become a participant in the Plan?**

A registered stockholder may become a participant in the Plan at any time by completing an Enrollment Form and returning it to the Plan Administrator at the address indicated in Question No. 3. An Enrollment Form may be obtained at any time by contacting the Plan Administrator. A registered stockholder also may become a participant in the Plan by accessing the Plan Administrator's website, authenticating his or her online account and completing an online Enrollment Form.

***Prospective Plan participants are urged to read this Prospectus in its entirety before deciding to enroll in the Plan.***

## **Table of Contents**

### **7. How does a new investor become a participant in the Plan?**

An investor who is not a stockholder may become a participant in the Plan at any time by completing an Initial Enrollment Form, returning it to the Plan Administrator and making an initial investment of at least \$500, up to a maximum amount of \$100,000. New investors also can make optional cash investments in excess of the \$100,000 maximum if Chesapeake initiates a Request for Waiver. See Question No. 18. Any amounts of less than \$500 tendered for an initial investment will be returned to the investor. Payments for an initial investment can be made either by check or by authorizing the debit of a designated account with a U.S. bank or other approved financial institution as more fully described in Question No. 19. **Cash, traveler's checks, money orders and third-party checks will not be accepted.**

The Initial Enrollment Form may be obtained at any time by contacting the Plan Administrator. A new investor also can become a participant in the Plan by enrolling online at [www.computershare.com/investor](http://www.computershare.com/investor) and following the instructions provided.

*Prospective Plan participants are urged to read this Prospectus in its entirety before making an investment decision to purchase shares of Chesapeake common stock.*

### **8. What are the fees associated with an initial investment by a new investor?**

A new investor will be charged a one-time \$10 enrollment fee to establish a Plan account. The \$10 fee will be subtracted from the payment delivered for the purchase of shares (i.e., a new investor is required to send an initial minimum investment of \$500, from which the \$10 fee will be subtracted, leaving \$490 to be invested).

### **9. When does participation in the Plan by a registered stockholder or new investor become effective?**

A registered stockholder or new investor can, at any time, submit the required Enrollment Form to become a participant in the Plan.

In the case of the enrollment in the Plan of shares owned by a registered stockholder, participation in the Plan will commence upon delivery to the Plan Administrator of the required Enrollment Form.

In the case of the enrollment in the Plan by a new investor, participation in the Plan will commence upon delivery to the Plan Administrator of the required Enrollment Form and the initial cash investment amount followed by the subsequent purchase by the Plan Administrator of the shares of Chesapeake common stock for the participant's account.

When participation in the Plan commences on or prior to any cash dividend record date, the dividends paid on the enrolled shares on the corresponding dividend payment date will be reinvested in accordance with the participant's instructions. If participation commences after a cash dividend record date, the reinvestment of dividends, in accordance with the option selected by the participant, will commence with the next following dividend payment.

## **Dividend Reinvestment Options**

### **10. What dividend reinvestment options are available to participants in the Plan?**

<b>Full Dividend Reinvestment</b>	Directs the Plan Administrator to reinvest automatically, in accordance with the terms of the Plan, dividends on (i) all shares of common stock registered in the participant's name and (ii) all shares of common stock credited to the participant's account under the Plan.
<b>Partial Dividend Reinvestment</b>	Directs the Plan Administrator to distribute to the Plan participant in cash the dividends on that portion of the participant's shares (including both (i) shares of common stock registered in the participant's name and (ii) shares of common stock credited to the participant's account under the Plan) designated by the participant, and to reinvest automatically, in accordance with the terms of the Plan, dividends on the remainder of the participant's shares.
<b>All Cash (no dividend reinvestment)</b>	Directs the Plan Administrator to distribute to the participant in cash the dividends on all of the participant's shares whether registered in the participant's name or credited to the participant's account under the Plan.

## **Table of Contents**

Regardless of the dividend reinvestment option selected, any dividends that a participant elects to receive in cash will be paid to the participant by check or, if the participant so elects, the dividend may be deposited directly into an account designated by the participant with a U.S. bank or other approved financial institution.

Under each of the three dividend reinvestment options, a Plan participant may elect to make optional cash investments at any time or to deposit shares with the Plan Administrator for safekeeping.

### **11. Can a participant change his or her dividend reinvestment option?**

Yes. A participant at any time may change his or her dividend reinvestment election to any of the other dividend reinvestment options by accessing his or her account online at the Plan Administrator's website, by contacting the Plan Administrator or by completing a new Enrollment Form and returning it to the Plan Administrator. Any change received by the Plan Administrator on or prior to the record date for a dividend payment will become effective for that dividend payment.

### **12. When will the dividend reinvestment purchases be made?**

The investment date for the reinvestment of cash dividends is the dividend payment date. If a dividend payment date falls on a weekend, holiday or another day on which the New York Stock Exchange is closed, the investment date will be the next trading day. Shares of common stock acquired from Chesapeake will be purchased on the investment date and will be credited to participants' accounts on that day or as soon as practicable thereafter. The purchase of shares acquired in the open market or in negotiated transactions will begin on the investment date and will be completed as soon as practicable and will be credited to participants' accounts upon the completion of all purchases.

## **Direct Deposit of Cash Dividends**

### **13. May a participant have cash dividends deposited directly into a designated U.S. bank account?**

Yes. Direct deposit of dividends is available to any Plan participant who is receiving cash dividends on all or a portion of his or her shares of Chesapeake common stock, whether registered in the participant's name or credited to the participant's account under the Plan. A Plan participant may elect to have all cash dividends paid by electronic transfer of funds to a designated account with a U.S. bank or other approved financial institution by sending a completed Authorization for Electronic Direct Deposit Form to the Plan Administrator. This form is available by contacting the Plan Administrator. A stockholder may change the designated account or discontinue receiving direct deposit of dividends at any time by contacting the Plan Administrator.

## **Optional Cash Investments up to \$100,000 Per Calendar Year**

### **14. How does the optional cash investment feature work for investments up to \$100,000 per year?**

Both Plan participants and registered stockholders of Chesapeake who are not Plan participants are permitted to purchase additional shares of Chesapeake common stock through optional cash investments. Each optional cash investment must be a minimum of \$100 and, in the aggregate, cannot exceed \$100,000 in any calendar year. Funds tendered that are less than the minimum investment amount or in excess of the maximum annual amount will be returned to the investor. There is no obligation to make an optional cash investment nor is there a requirement that the same amount be invested each time an optional cash investment is made. Payments for optional cash investments can be made by check or by online authorization of a one-time debit or automatic monthly debits from a designated account with a U.S. bank or other approved financial institution as more fully described in Question No. 19.

A registered stockholder who is not a Plan participant at the time of an optional cash investment, as a condition to the investment, must enroll in the Plan by completing an Enrollment Form and returning it to the Plan Administrator at the address indicated in Question No. 3. An Enrollment Form may be obtained by contacting the Plan Administrator. A stockholder also may enroll in the Plan online by accessing the Plan Administrator's website, authenticating his or her online account and completing an online Enrollment Form.

## **Table of Contents**

All shares of common stock purchased with optional cash investments will be credited to a participant's account under the Plan (or in the case of a registered stockholder who prior to the purchase was not a Plan participant, shares will be credited to a newly-established account under the Plan). Thereafter, all dividends on such shares will either be reinvested or paid to the participant in cash, depending on the participant's dividend reinvestment election. See Question No. 10.

### **15. When will optional cash investment purchases be made?**

The investment date for optional cash investments (other than purchases pursuant to Requests for Waiver as described below) is the fifth day of each month, except months in which the fifth day falls on a weekend, holiday or another day when the New York Stock Exchange is closed, in which case the investment date will be the next trading day. Funds for optional cash investments received by the Plan Administrator on or before the second business day prior to an investment date will be used to purchase shares of common stock on or beginning on the investment date. Funds for optional cash investments received later than the second business day prior to an investment date will be held by the Plan Administrator until the next monthly investment date, unless a request for the return of the funds is received by the Plan Administrator at least two business days prior to the next monthly investment date.

Shares of common stock acquired from Chesapeake will be purchased on the investment date and will be credited to participants' accounts on that date or as soon as practicable thereafter. The purchase of shares acquired in the open market or in negotiated transactions will begin on the investment date and will be completed as soon as practicable and will be credited to participants' accounts upon the completion of all purchases.

### **16. Is interest paid on funds tendered for optional cash investments that are received prior to an investment date?**

No. Under no circumstances will interest be paid on funds for optional cash investments tendered at any time prior to the investment date. Participants are therefore urged to time the transmittal of funds for optional cash investments so that they are received by the Plan Administrator as close as possible to, but no later than two business days in advance of, an investment date.

### **17. Under what circumstances may a participant rescind an optional cash investment request?**

Funds for optional cash investments (including payroll deductions) received by the Plan Administrator will be returned to the participant upon request if received by the Plan Administrator at least two business days prior to the next monthly investment date.

### **Requests for Waiver for Optional Cash Investment in Excess of \$100,000**

### **18. Under what circumstances may stockholders and new investors make cash investments in excess of \$100,000 per calendar year?**

Optional cash investments in Chesapeake common stock in excess of \$100,000, including initial investments in excess of \$100,000, may be made by current stockholders (including Plan participants) and new investors only if a waiver of the \$100,000 limit is granted by Chesapeake. Chesapeake, in its sole discretion, may elect, from time to time or on a periodic schedule as determined by Chesapeake, to initiate the procedures by which stockholders and new investors can request a waiver of the \$100,000 limit (a Request for Waiver). All shares purchased pursuant to a Request for Waiver will be sold by Chesapeake. Chesapeake has established the following procedures governing Requests for Waiver.

#### *Submitting a Request for Waiver*

On the first business day of each month, Chesapeake will post a prerecorded telephone message (telephone number: 302.734.6019) either (i) announcing that Chesapeake is or is not receiving Requests for Waiver for that month or (ii) providing a specified date for prospective investors to call back for an announcement of whether Chesapeake will be accepting Requests for Waiver for that month. If in the initial or a subsequent announcement Chesapeake indicates that it is receiving Requests for Waiver for that month, the announcement will specify (in each case as more fully described below):

the commencement date of the pricing period and the number of trading days in the pricing period or the date on which Chesapeake will announce the commencement date and number of trading days in the pricing period;

**Table of Contents**

the threshold price, if Chesapeake determines that the proposed sale of shares will be subject to a threshold price, or the date on which Chesapeake will announce whether the proposed sale of shares will be subject to a threshold price;

whether the offering will include the pricing period extension feature, or the date on which Chesapeake will announce whether the offering will include the pricing period extension feature; and

whether shares are being offered at a discount to the market price and, if so, what percentage, or the date on which Chesapeake will announce whether shares are being offered at a discount to the market price and, if so, what percentage.

All announcements by Chesapeake regarding Requests for Waiver will be made by a prerecorded telephone message (telephone number: 302.734.6019) that is posted no later than 9:00 a.m. Eastern Time on the day in question.

A stockholder or new investor wishing to purchase common stock on the terms specified by Chesapeake must complete and submit a Request for Waiver form to Chesapeake indicating the dollar amount proposed to be invested. All Requests for Waiver must be received by Chesapeake via facsimile at 302.734.6750 no later than 2:00 p.m. Eastern Time on the third business day prior to the commencement of the pricing period. A Request for Waiver form may be obtained by contacting the Plan Administrator.

Chesapeake will decide whether to accept any or all of the Requests for Waiver received, and will notify any investors whose Requests for Waiver have been accepted, by 9:00 a.m. Eastern Time on the second business day prior to the commencement of the pricing period. Requests for Waiver may be accepted by Chesapeake in whole or in part, in its sole discretion.

The Plan Administrator must receive the funds for the purchase of shares pursuant to an accepted Request for Waiver by wire transfer no later than 2:00 p.m. Eastern Time on the business day prior to the commencement of the pricing period. Wire transfer instructions may be obtained by contacting the Plan Administrator. Once funds are received by the Plan Administrator for the purchase of shares pursuant to a Request for Waiver, the obligation of a stockholder or new investor to purchase the shares becomes legally binding, and the funds will only be returned as directed by Chesapeake. If sufficient funds to cover the full amount of an accepted Request for Waiver are not received by the 2:00 p.m. Eastern Time deadline, Chesapeake may, in its sole discretion, elect either to revoke its acceptance of the Request for Waiver or to deem the Request for Waiver accepted as to the lesser amount of funds. Any funds received in respect of a revoked Request for Waiver will be returned without interest.

If Requests for Waiver are submitted for a total amount greater than the amount Chesapeake is willing to accept for any investment date, Chesapeake may honor the requests received on any basis that Chesapeake, in its sole discretion, considers appropriate. Chesapeake has sole and absolute discretion to accept or reject any or all Requests for Waiver and has no obligation to disclose the reasons for its decision.

Aside from posting recorded telephone messages, neither Chesapeake nor the Plan Administrator is required to provide written or other notice of the decision of Chesapeake to receive the submission of Requests for Waiver or the terms on which shares of common stock are being offered. However, Chesapeake may, if it so elects, provide such further or alternative notices of a decision to receive Requests for Waiver as it determines to be appropriate.

Without limitation on its right to accept or reject Requests for Waiver in its sole discretion, Chesapeake reserves the right to terminate any account or deny any Request for Waiver if Chesapeake believes a purchaser is making excessive optional cash investments through multiple stockholder accounts, is engaging in arbitrage activities or is otherwise engaging in activities under the Plan in a manner which is not in the best interest of Chesapeake or which may cause the participant to be treated as an underwriter under the Federal securities laws.

## **Table of Contents**

### *Pricing Period*

Chesapeake will specify in the prerecorded message announcing whether it is receiving Requests for Waiver for a particular month or in a subsequent prerecorded message for that month the number of consecutive trading days (generally between five and ten days) over which the purchase price of Chesapeake common stock pursuant to accepted Requests for Waiver will be calculated (the pricing period). The purchase price of shares will be calculated based upon the unsolicited volume weighted average price, rounded to three decimal places, of Chesapeake common stock obtained from Bloomberg, LP for the trading hours from 9:30 a.m. to 4:00 p.m. Eastern Time (the trading price) for each trading day during the designated pricing period, calculated pro-rata on a daily basis. For example, assume Chesapeake has established a ten-day pricing period and has granted a Request for Waiver for an investment of \$100,000. To calculate the number of shares of common stock to be purchased, a hypothetical number of shares will be deemed purchased on each day of the pricing period, which will be determined by dividing a pro rata portion of the entire optional cash investment amount, in this case \$10,000 (1/10 of the entire investment amount), by the trading price on that day. On the last day of the pricing period, the entire optional cash investment amount of \$100,000 will be divided by the total number of hypothetical shares deemed purchased over the ten-day pricing period to establish the purchase price (rounded to three decimal places) for the \$100,000 investment. That purchase price will then be reduced by the amount of the waiver discount (as described below), if any. The actual number of shares purchased from Chesapeake will be calculated by dividing the total investment amount, \$100,000, by the purchase price (or discounted purchase price, if applicable).

The investment date for the purchase of shares of Chesapeake common stock pursuant to a Request for Waiver will be the last day of the pricing period (or, if applicable, the extended pricing period, as described below). On the investment date, the Plan Administrator will apply all funds submitted pursuant to accepted Requests for Waiver (or a lesser amount if, as more fully described below, a threshold price is established, but not satisfied on one or more days during the pricing period) to the purchase of shares of Chesapeake common stock from Chesapeake.

### *Threshold Price*

Chesapeake may, in its sole discretion, establish for any pricing period, a threshold price applicable to optional cash investments made pursuant to Requests for Waiver. The threshold price will be the minimum price used for the determination of the purchase price of Chesapeake common stock pursuant to Requests for Waiver during the pricing period. The establishment of a threshold price will be announced either in the prerecorded message announcing the receipt of Requests for Waiver for a particular month or in a subsequent prerecorded message (posted no later than three business days prior to the first day of the pricing period) for that month. Chesapeake will establish the threshold price in its sole discretion, based on any factors that it considers relevant.

If a threshold price is established for any pricing period, the unsolicited volume weighted average price obtained from Bloomberg, LP (rounded to three decimal places), for the trading hours from 9:30 a.m. to 4:00 p.m. Eastern Time, must equal or exceed the threshold price in order to be taken into account in establishing the purchase price of the shares of Chesapeake common stock pursuant to accepted Requests for Waiver. In the event the threshold price is not satisfied for one or more trading days in the pricing period or there are no trades of Chesapeake common stock reported by the New York Stock Exchange for one or more trading days in the pricing period (and assuming Chesapeake has not announced the activation of the optional pricing period extension feature, as described below), then (i) those trading days will be excluded from the pricing period and (ii) the amount to be invested pursuant to each accepted Request for Waiver will be reduced in proportion to the number of days in the pricing period on which the threshold price was not satisfied or there were no trades in Chesapeake common stock reported by the New York Stock Exchange. For example, assume Chesapeake has established a ten-day pricing period and has granted a Request for Waiver for an investment of \$100,000. Further, assume that Chesapeake has established a threshold price of \$24, which is satisfied on eight of the ten days in the pricing period. As a consequence, the pricing period will be reduced to eight days and the amount permitted to be invested pursuant to the Request for Waiver will be reduced to \$80,000. To calculate the number of shares of Chesapeake common stock to be purchased, a hypothetical number of shares will be deemed purchased on each day of the eight days in the pricing period, which will be determined by dividing a pro rata portion of the permitted optional cash investment, in this case \$10,000 (1/8 of the permitted investment amount) by the trading price on that day. On the last day of the pricing period, the permitted optional cash investment amount of \$80,000 will be divided by the total number of hypothetical shares deemed purchased over the eight-day pricing period to establish the purchase price (rounded to three decimal places) for the \$80,000 investment. That purchase price will then be reduced by the amount of the waiver discount (as described below), if any. The actual number of shares purchased from Chesapeake will be calculated by dividing the permitted investment amount, \$80,000, by the purchase price (or discounted purchase price, if applicable).

---

## **Table of Contents**

The portion of the funds tendered that are not used to purchase shares of Chesapeake common stock will be returned, without interest, to the stockholder or new investor as soon as reasonably practicable after the end of the pricing period.

### *Optional Pricing Period Extension Feature*

Chesapeake may elect in connection with purchases pursuant to Requests for Waiver during any pricing period whether to activate the optional pricing extension feature. Chesapeake will announce whether it has elected to activate this feature in the prerecorded message announcing whether it is receiving Requests for Waiver for a particular month or in a subsequent prerecorded message (posted no later than three business days prior to the first day of the pricing period) for that month.

If activated, the optional pricing period extension feature provides for an extension of the initial pricing period by the number of days (up to a maximum of five days) during the initial pricing period on which the threshold price is not met or there are no reported trades of Chesapeake common stock on the New York Stock Exchange. If the threshold price is satisfied on any day during the extended pricing period, that day will be included as a trading day for the pricing period in lieu of the day on which the threshold price was not met or there were no reported trades. For example, if the pricing period is to be ten trading days, and the threshold price is not satisfied for three out of those ten days, and Chesapeake had previously announced that the optional pricing period extension feature has been activated, then the pricing period will automatically be extended for an additional three trading days, and if the threshold price is satisfied on two of the next three trading days, then those two trading days will be included in the pricing period in lieu of two of the three days on which the threshold price was not met or there are no reported trades of Chesapeake common stock on the New York Stock Exchange. As a result, the purchase price will be based upon the nine trading days of the initial and extended pricing period on which the threshold price was satisfied and 90% of the funds for optional cash investments pursuant to Requests for Waiver will be invested (as opposed to a pricing period of seven days had the optional pricing period extension feature not been activated, which would have resulted in 30% of the amount tendered for investment pursuant to Requests for Waiver being returned to the stockholder or new investor).

Any portion of the funds tendered that are not used to purchase shares of Chesapeake common stock will be returned, without interest, to the stockholder or new investor as soon as reasonably practicable after the end of the extended pricing period.

### *Waiver Discount*

Chesapeake may elect, in its sole discretion, in connection with purchases pursuant to Requests for Waiver during any pricing period whether to establish a waiver discount of up to 2% of the purchase price that otherwise would apply. Chesapeake will announce this decision in the prerecorded message announcing whether it is accepting Requests for Waiver for a particular month or at a subsequent prerecorded message (posted no later than three business days prior to the first day of the pricing period) for that month. The waiver discount may vary from month to month, but will apply uniformly to all optional cash investments made pursuant to Requests for Waiver with respect to a particular month.

Chesapeake will determine, in its sole discretion, whether to establish a waiver discount after a review of current market conditions and Chesapeake's current and projected capital needs and any other factors that Chesapeake considers relevant.

## **Methods of Payment**

### **19. What payment methods are accepted by the Plan Administrator?**

Plan participants, registered stockholders who are not Plan participants and new investors purchasing shares of Chesapeake common stock through optional cash investments are required to deliver payment for the shares to the Plan Administrator. **Payments should not be mailed or otherwise delivered to Chesapeake.**

The Plan Administrator will accept the following methods of payment for optional cash investments of \$100,000 or less. Instruction for the submission of payment for investments pursuant to Requests for Waiver has been previously discussed in Question No. 18.

---

**Table of Contents**

*By Check*

The Plan Administrator will accept personal checks in U.S. funds and drawn against a U.S. bank or other approved financial institution for payment of optional cash investments by stockholders and new investors. All such checks should be made payable to Computershare Chesapeake Utilities Corporation. Cash, traveler's checks, money orders and third-party checks will not be accepted. If the stockholder making the optional cash investment is not a participant in the Plan, the check must accompany the Enrollment Form, which can be obtained by mail or online, or by calling the Plan Administrator. If a new investor is making an initial investment, the check must accompany the Initial Enrollment Form, which can be obtained by mail or online, or by calling the Plan Administrator. All checks and the appropriate form(s) should be mailed to the Plan Administrator at the address specified in Question No. 3. Checks received without the required accompanying form(s) may be returned by the Plan Administrator.

If a check for an optional cash investment or an initial investment is dishonored, refused or otherwise returned unpaid, any credit of shares of Chesapeake common stock to the participant's account in anticipation of receiving the funds will be reversed and the Plan Administrator may immediately sell any shares purchased for the account of the investor. In addition, the investor will be assessed a fee of \$25 and will be responsible for any other associated costs of the Plan Administrator. This fee and any other associated costs of the Plan Administrator will be deducted from any cash balance in the participant's account or, if sufficient funds are not available, the Plan Administrator may sell shares from the participant's Plan account to satisfy the uncollected balance.

*By One-Time Debit From a Designated Account*

As an alternative to payment for an optional cash investment by check, a Plan participant or registered stockholder may authorize a one-time debit from a checking or savings account maintained with a U.S. bank or other approved financial institution by accessing his or her account online at the Plan Administrator's website and following the instructions provided. Likewise, a new investor can give online authorization of a one-time debit of a checking or savings account maintained with a U.S. bank or other approved financial institution to fund his or her initial investment. This can be facilitated by accessing the Plan Administrator's website and following the instructions provided.

*By Automatic Monthly Debits From a Designated Account*

A Plan participant or registered stockholder may authorize optional cash investments on a monthly basis by electing to have funds automatically debited once each month from a checking or savings account maintained with a U.S. bank or other approved financial institution.

A Plan participant can authorize automatic monthly debits by:

accessing the participant's Plan account online with the Plan Administrator and following the instructions provided; or

completing and signing a Direct Debit Authorization Form and returning it to the Plan Administrator, together with a voided blank check or savings deposit slip for the bank account from which the funds are to be withdrawn.

A registered stockholder who is not a Plan participant can authorize automatic monthly debits by:

accessing his or her account online with the Plan Administrator and following the instructions provided; or

completing an Enrollment Form and a Direct Debit Authorization Form.

Once automatic monthly debits begin, funds will be withdrawn from the participant's designated account on the first of each month or the next business day if the first is not a banking business day. A participant may change the amount debited or discontinue automatic debits by calling the Plan Administrator, completing and submitting to the Plan Administrator a new Direct Debit Authorization Form or by accessing his or her Plan account online and following the instructions provided. To be effective for a particular investment date, the Plan Administrator must receive the new instructions at least six business days before the investment date.

## **Table of Contents**

### *Online Payment*

Plan participants, registered stockholders, or new investors may also make online payments by accessing the Plan Administrator's website, if they choose to purchase shares online. Plan participants and registered stockholders will be required to authenticate his or her online account with the Plan Administrator by accessing the Plan Administrator's website at [www.computershare.com/investor](http://www.computershare.com/investor). New investors must first enroll online with the Plan Administrator at [www.computershare.com/investor](http://www.computershare.com/investor). Once an online account has been established or authenticated, a Plan participant, registered stockholder, or new investor may purchase his or her initial shares or additional shares by following the instructions provided on the Plan Administrator's website. Any questions regarding the online purchase of shares should be directed to the Plan Administrator. See Question No. 3.

### **Optional Cash Investments Through Payroll Deductions**

#### **20. Can an employee of Chesapeake or its subsidiaries make optional cash investments through payroll deductions?**

Yes. Any employee of Chesapeake or its subsidiaries is eligible to participate in the Plan through payroll deductions. To participate, an employee must obtain a Payroll Deduction Authorization Form from the Human Resources Department. The Payroll Deduction Authorization Form authorizes Chesapeake to deduct the amount specified by the employee (of not less than \$50 per calendar quarter) from the employee's after-tax earnings. Payroll deductions may not at any time exceed the employee's after-tax earnings nor may the total of all optional cash investments (including investments other than by payroll deduction) during a calendar year exceed \$100,000. The initial purchase minimum amount of \$500 and subsequent investment minimum amount of \$100 per investment are waived for employees who participate in the Plan through payroll deductions.

In order to initiate payroll deductions, the Payroll Deduction Authorization Form must be completed and received by the Human Resources Department at least two weeks before the beginning of the first pay period for the commencement of deductions.

#### **21. When will the payroll deductions be received and invested by the Plan Administrator?**

Chesapeake will submit to the Plan Administrator accumulated payroll deductions for each month no later than two business days prior to the investment date in the next month. See Question No. 15. The Plan Administrator will apply these funds to the purchase of Chesapeake common stock as of the investment date.

#### **22. Can an employee change the amount of his or her payroll deductions?**

Yes. An employee for whom payroll deductions have commenced may change the amount of his or her deductions by submitting a new Payroll Deduction Authorization Form to the Human Resources Department. The Payroll Deduction Authorization Form must be received at least two weeks before the beginning of the pay period as of which the change in the amount of deduction is to take effect. The change will take effect within two weeks of receipt of the Payroll Deduction Authorization Form by the Human Resources Department.

#### **23. What happens when a pay period does not coincide with the end of the month?**

All deductions made after the last pay period of a month will be held by Chesapeake and invested with the payroll deductions for the next month. The payroll deductions transferred to the Plan Administrator for any month will consist of the deductions made for each payroll period that ended during the month. No interest will be paid on payroll deductions held for investment.

#### **24. Can an employee elect to discontinue payroll deductions?**

Yes. An employee for whom payroll deductions are being made may direct that Chesapeake discontinue such deductions by submitting a new Payroll Deduction Authorization Form to the Human Resources Department. The Payroll Deduction Authorization Form must be received at least two weeks before the beginning of the pay period as of which the employee wishes to cease such deductions.

## **Table of Contents**

### **25. May an employee discontinue payroll deductions and still remain in the Plan?**

Yes. A participant who discontinues payroll deductions may retain his or her Plan account. Dividends paid on shares held in the participant's Plan account will continue to be reinvested or paid in cash in accordance with the participant's reinvestment election. See Question No. 10.

### **Purchases of Shares Under the Plan**

### **26. What is the source of the shares of common stock purchased under the Plan?**

Shares of Chesapeake common stock acquired under the Plan (other than purchases pursuant to Requests for Waiver) will be purchased by the Plan Administrator, at Chesapeake's discretion, (i) from Chesapeake (in which event the shares will be either authorized but unissued shares or shares held in the treasury of Chesapeake), (ii) in the open market or in one or more negotiated transactions or (iii) a combination of the foregoing. All shares of Chesapeake common stock purchased pursuant to Requests for Waiver will be purchased from Chesapeake.

### **27. What will be the price of shares of common stock purchased under the Plan?**

The purchase price per share of Chesapeake common stock purchased from Chesapeake (other than purchases pursuant to Requests for Waiver) will be equal to 100% of the average of the high and low sales prices of the common stock, based on the New York Stock Exchange Composite Transactions by 4:00 p.m. Eastern Time as reported on the investment date, but in no event will shares of common stock be sold by Chesapeake under the Plan at less than the par value per share.

The price per share of Chesapeake common stock purchased in the open market or in negotiated transactions will be the weighted average purchase price of all shares of common stock purchased with funds to be invested as of the particular investment date.

No one will have any authority or power to direct the time or price at which shares for the Plan are purchased, and no one, other than the Plan Administrator will select the broker through or from whom purchases are to be made.

### **28. How many shares of common stock will be purchased for participants?**

The number of shares purchased on any particular investment date will depend upon (i) the amount of dividends to be invested or optional cash investments to be made and (ii) the applicable purchase price per share. Each participant's account will be credited with that number of shares (including a fraction computed to six decimal places) equal to the participant's total amount to be invested divided by the applicable purchase price per share.

Because the purchase price of the shares will be based on market conditions existing at the time that investments are made, participants will not know the precise number of shares to be purchased for their accounts either at the time they elect to participate in the Plan or at the time they make optional cash investments.

### **Reports and Other Communications to Participants**

### **29. How will a participant be advised of the purchase of shares of common stock?**

Each Plan participant who reinvests dividends through the Plan will receive a quarterly statement following each dividend reinvestment. Each participant who makes optional cash investments also will receive a statement of account for any month in which an optional cash investment is made. A new investor who makes an initial investment also will receive a statement of account for the month in which the investment is made. These statements show any cash dividends reinvested and any investments made, the number of shares purchased, the purchase price, the number of shares held for the participant by the Plan after giving effect to the reported purchases, the number of shares registered in the name of the participant, and a report of each transaction for the current calendar year to date. Statements of account are mailed to participants as soon as practicable after each investment date. For shares acquired in the Plan after January 1, 2011, specific cost information has and will be included in a Plan participant's statement in accordance with applicable law.

## **Table of Contents**

**These statements are a participant's continuing record of the cost of shares of Chesapeake common stock purchased under the Plan, and should be retained.**

### **30. What other communications does a Plan participant receive?**

Each participant will also receive future prospectuses for the Plan and copies of other communications sent to Chesapeake's stockholders, which typically include annual reports, annual meeting notices and proxy statements, as well as other financial materials and income tax information for reporting dividends paid by Chesapeake.

## **Safekeeping of Certificates**

### **31. How does the arrangement for the safekeeping of stock certificates work?**

The safekeeping arrangement for stock certificates gives a participant the opportunity to deposit Chesapeake common stock certificates registered in the participant's name with the Plan Administrator. When the shares are on deposit with the Plan Administrator, the participant is relieved of the safekeeping responsibility. This feature protects the stockholder from the risk of loss, theft or destruction of the certificates. Shares represented by certificates deposited with the Plan Administrator will be credited in book-entry form to the participant's account under the Plan. Dividends on shares deposited with the Plan Administrator will be reinvested or paid in cash in accordance with the participant's dividend payment election. See Question No. 10.

To deposit a stock certificate with the Plan Administrator for safekeeping, a participant must mail the certificate by registered or certified mail, with return receipt requested, or by some other form of traceable mail, and properly insured, to the Plan Administrator at the address set forth in Question No. 3. **DO NOT ENDORSE THE STOCK CERTIFICATE.**

## **Certificates for Shares**

### **32. Will stock certificates automatically be issued for shares of common stock purchased under the Plan?**

No. Shares of common stock purchased under the Plan will be credited to a participant's account under the Plan and will be shown on the participant's statement of account. Certificates will not be issued unless a participant requests a certificate. Upon request of a participant, certificates for any number of shares up to the total number of whole shares credited to the participant's account under the Plan will be issued. Requests for certificates can be made by contacting the Plan Administrator by any of the means specified in Question No. 3. Any remaining whole shares and any fractional share will continue to be held in the participant's account. Certificates for fractional shares will not be issued under any circumstances.

Shares credited to the account of a participant under the Plan may not be pledged or assigned and any purported pledge or assignment will be void. A participant who wishes to pledge or assign shares credited to his or her account must request that the Plan Administrator issue a certificate for such shares registered in the participant's name.

### **33. Can a certificate be issued in a name other than the participant's?**

Yes. An account will be maintained in each participant's name as shown on the stockholder records at the time the participant enrolls in the Plan. Unless a participant otherwise requests, certificates for whole shares, when issued, will be registered in that name of the participant exactly as it appears on his or her Plan account.

Upon written request to the Plan Administrator, certificates can be registered and issued in a name other than the name in which an account is maintained, provided that the request bears the signature(s) of the participant(s) and the signature(s) is Medallion guaranteed by a commercial bank or member firm of a national securities exchange participating in the Medallion program. This constitutes re-registration of the shares and is subject to compliance with any applicable laws and to the payment by the Plan participant of any applicable stock transfer taxes.

## **Table of Contents**

### **Sale of Shares**

#### **34. Can a participant sell shares credited to his or her account under the Plan?**

Yes. A participant can request the sale of all or a portion of the shares credited to the participant's account under the Plan by contacting the Plan Administrator. As soon as practicable after receipt of a sale request, the Plan Administrator will place a sell order with a brokerage firm selected by the Plan Administrator. The sale generally will be effected within five trading days after the receipt of a sale request. The participant will receive the proceeds of the sale, less a brokerage commission of \$0.15 per share and any transfer tax payable by the seller. The Plan Administrator will send the sale proceeds to the Plan participant by check after the sale transaction has settled. All requests for a sale of shares having an aggregate market value of \$100,000 or more are expected to be submitted in writing to the Plan Administrator. Also, all sale requests within 30 days after a reported change of address are expected to be submitted in writing to the Plan Administrator.

#### **35. What happens if a participant sells or transfers some of the shares for which the participant has elected dividend reinvestment?**

If a participant is reinvesting the cash dividends on all of the shares registered in the participant's name and on all shares of common stock credited to the participant's account under the Plan (i.e., if the participant elected the Full Dividend Reinvestment option described in Question No. 10) and the participant disposes of a portion of those shares, regardless of whether the shares are registered in the participant's name or held by the Plan for the account of the participant, the Plan Administrator will continue to reinvest the dividends on the remainder of the participant's shares.

If a participant has elected to receive in cash the dividend on a portion of shares registered in the participant's name and/or held by the Plan for the account of the participant, and the participant disposes of a portion of those shares, the Plan Administrator will continue to distribute in cash the dividend on the number of shares that the participant previously elected to receive in cash and continue to reinvest the dividends received on the balance of the participant's shares. If the number of shares sold or transferred exceeds the number of shares on which dividends are being paid in cash, no dividends will be reinvested.

For example, assume a participant owns 250 shares and directs the Plan Administrator to distribute in cash the dividends on 100 shares and to reinvest the dividends on the balance. If the participant disposed of 50 shares, the Plan Administrator would continue to distribute in cash the dividend on the 100 shares and would reinvest the dividend on the remaining 100 shares. If instead the participant sells 200 shares, then the Plan Administrator will distribute in cash the dividend on all of the participant's remaining shares.

### **Termination of Participation**

#### **36. Can Chesapeake terminate a participant's participation in the Plan?**

Yes. Chesapeake reserves the right to terminate the participation of a participant who, in Chesapeake's opinion, is misusing the Plan or is causing undue expense to Chesapeake.

#### **37. May a participant terminate participation in the Plan?**

Yes. The Plan is entirely voluntary and a participant may request termination of his or her participation in the Plan at any time. If a termination request is received by the Plan Administrator on or prior to the record date for a cash dividend, that dividend and all subsequent dividends on the participant's shares (both registered shares and shares held for the account of the participant under the Plan) will be paid to the participant in cash. If the request is received after the record date for a cash dividend, the dividend, at the election of the Plan Administrator, either will be reinvested for the participant's account on the corresponding dividend payment date or distributed to the withdrawing participant by the Plan Administrator in cash and all dividends thereafter will be paid in cash.

After a termination request is received, any funds for an optional cash investment held by the Plan Administrator will be invested as of the next investment date, unless a request for the return of the funds is received by the Plan Administrator at least two business days prior to the investment date.

## **Table of Contents**

In order to terminate participation in the Plan, a participant must notify the Plan Administrator by accessing his or her Plan account online and following the instructions provided or by notifying the Plan Administrator by telephone or in writing as described in Question No. 3.

### **38. Upon termination, what happens to the shares held for a participant's account?**

If a participant terminates his or her participation in the Plan, generally not later than two business days thereafter, the Plan Administrator will issue to the participant a certificate for the whole number of shares credited to a participant's account under the Plan and will make a cash payment to the participant for any fractional share based on the then current market price of Chesapeake common stock. In lieu of receiving a certificate for the shares held by the Plan, a participant may request, at the time of the submission of his or her notification of termination, that all or a portion of the whole shares credited to his or her account under the Plan be sold. As soon as practicable after receipt of notice of termination and instructions to sell, the Plan Administrator will place a sell order with a brokerage firm selected by the Plan Administrator. The sale generally will be effected within five trading days after the receipt of notice of termination. The participant will receive the proceeds of the sale less a brokerage commission of \$0.15 per share and any applicable transfer taxes.

## **Other Information**

### **39. How is a participant's Plan account handled when a participant dies?**

The Plan Administrator will continue to maintain the participant's Plan account and cash dividends will continue to be reinvested in accordance with the participant's reinvestment election until the Plan Administrator receives certain information from a legal representative of the participant's estate such as a death certificate, official written confirmation regarding the disposition of the estate, and written instructions to withdraw the shares of common stock. No optional cash investments may be made in the name of the participant after the participant's death if the Plan Administrator has received notice of the participant's death. These procedures also will be followed in the event the Plan Administrator is notified that a participant has been adjudicated incompetent.

### **40. If Chesapeake engages in a rights offering, how will the rights on shares of common stock held by the Plan be handled?**

In the event that rights are issued to existing Chesapeake stockholders to subscribe to additional shares of common stock, debentures, or other securities, the Plan Administrator will distribute to Plan participants the rights issued in respect of the shares of Chesapeake common stock held for participants' accounts under the Plan, thereby enabling each Plan participant to exercise or transfer such rights in the same manner and to the same extent as rights issued in respect of any shares registered in the participant's name.

### **41. What happens if Chesapeake pays a stock dividend or effects a stock split?**

Any additional shares of Chesapeake common stock issued as the result of a stock dividend or a stock split in respect of both shares of common stock held by the Plan for the account of a participant and shares registered in the name of a Plan participant, will be credited to the participant's Plan account.

### **42. How will a participant's shares held under the Plan be voted at meetings of stockholders?**

In connection with each meeting of Chesapeake's stockholders, a participant will receive either a paper copy of Chesapeake's proxy statement, together with a proxy card, or a Notice of Internet Availability of Proxy Materials. If a participant receives a proxy card, it will allow a participant to vote his or her shares by telephone, via the Internet or by mail. If a participant receives a Notice of Internet Availability of Chesapeake's Proxy Materials, it will include instructions on how to access Chesapeake's proxy materials and vote his or her shares via the Internet. The Notice will also include instructions on how a participant may request delivery at no cost to him or her of a paper or email copy of Chesapeake's proxy materials.

### **43. May Chesapeake amend or discontinue the Plan?**

Yes. Notwithstanding any other provision of the Plan, Chesapeake reserves the right at any time or from time to time to make modifications to any provisions of the Plan or to suspend or terminate the Plan in its entirety.

## **Table of Contents**

Upon termination of the Plan, any cash held pending investment as an optional cash investment will be returned, a certificate will be issued to the participant for the whole number of shares credited to the participant's account, and a cash payment will be made to the participant for any fractional share credited to the participant's account.

### **44. What is sufficient notice to a participant under the Plan?**

Any notice which by any provision of the Plan is required to be given by the Plan Administrator to a participant shall be in writing and shall be deemed to have been sufficiently given for all purposes if mailed by first class mail, postage prepaid, to the participant at the participant's address as it shall last appear on the Plan Administrator's records. The Plan Administrator will be fully protected in relying on such records.

### **45. Can successor Plan Administrators be named?**

Yes. Chesapeake may replace the Plan Administrator at any time upon written notice to the Plan Administrator and may designate another qualified administrator as successor Plan Administrator for all or a part of the Plan Administrator's functions under the Plan. All participants would be notified of any such change. If Chesapeake changes the Plan Administrator, references in this Prospectus to Plan Administrator shall be deemed to be references to the successor Plan Administrator, unless the context requires otherwise.

### **46. Who bears the risk of fluctuations in the market price of common stock?**

A participant's investment in shares of Chesapeake common stock credited to the participant's account under the Plan is no different from a risk standpoint than an investment in Chesapeake common stock held in certificate form. A participant bears the full risk of loss (and receives the benefit of any gain) occurring by reason of fluctuations in the market price of Chesapeake common stock credited to the participant's Plan account.

### **47. Who governs and interprets the Plan?**

Chesapeake has full authority, in its sole discretion, to adopt such rules and regulations as it shall deem necessary or desirable for operation of the Plan and to interpret the Plan and such rules and regulations.

### **48. Can purchases or sales of common stock under the Plan be curtailed or suspended?**

Yes. Purchases or sales of Chesapeake common stock under the Plan may be curtailed or suspended at any time if such purchases or sales would, in Chesapeake's judgment, contravene or be restricted by applicable law of the rules, regulations, interpretations or orders of the SEC, any other governmental agency, commission or instrumentality, any court or any securities exchange. Neither Chesapeake nor the Plan Administrator shall be accountable, or otherwise liable, for failure of the Plan to make purchases or sales at such times and under such circumstances.

## **Federal Income Tax Consequences**

### **49. What are the Federal income tax consequences of participation in the Plan?**

In general, stockholders who participate in the Plan will be subject to the same Federal income tax consequences, with respect to the dividends payable to them, as nonparticipating stockholders of Chesapeake. A participant will be treated for Federal income tax purposes as having received, on each quarterly dividend payment date, a dividend equal to the full amount of the cash dividend payable for the quarter with respect to the participant's shares of Chesapeake common stock, even if that amount is not actually received in cash, but instead is applied to the purchase of shares of Chesapeake common stock for the participant's account.

In addition, the amount of any brokerage fees paid for a participant by Chesapeake or the Plan Administrator in connection with the purchase of shares will be taxed as a dividend to the participant.

## **Table of Contents**

An employee who makes optional cash investments through payroll deductions is subject to the same Federal income tax consequences as if the employee had received the funds deducted for the purchase of shares of Chesapeake common stock. Thus, an employee's purchase of shares through payroll deductions does not decrease the amount of the employee's taxable income.

The participant's tax basis for shares of Chesapeake common stock purchased with reinvested dividends or optional cash investments under the Plan will depend upon the source of the shares. The tax basis of shares purchased from Chesapeake will be equal to the purchase price of the shares. The tax basis of shares purchased in the open market or in negotiated transactions will be equal to the purchase price of the shares increased by a pro rata share of any brokerage and other fees paid for the participant by Chesapeake. The holding period for shares of common stock acquired pursuant to the Plan will begin on the day following the day the shares are credited to the participant's account. Plan participants are responsible for maintaining a record of the cost basis for shares in certificate form and held for the participant's account under the Plan. In the event the shares are ever sold, whether a participant is required to pay taxes on the sale will depend on the cost basis of the shares. Chesapeake strongly recommends that stockholders keep the last quarterly Plan account statement for each calendar year which details all of that year's Plan activity.

A Plan participant who purchases shares of Chesapeake common stock pursuant to a Request for Waiver at a price that reflects a waiver discount may be treated as having received a dividend distribution equal to the excess of the fair market value of the shares acquired over the purchase price. If such excess is treated as a dividend, the participant's basis in the shares acquired will include the amount of such dividend. Persons making purchases at a waiver discount should consult their tax advisors regarding the tax consequences of such purchases.

A Plan participant will not realize taxable income when he or she receives certificates for whole shares previously credited to the participant's account, either upon the request of the participant for the issuance of a certificate or upon withdrawal from or termination of the Plan. However, participants must generally recognize any gain or loss when whole shares acquired under the Plan are sold or exchanged either by the Plan Administrator at the request of a participant or following the withdrawal of the shares from the Plan by the participant. A participant also must recognize any gain or loss when the participant receives a cash payment for a fractional share credited to the participant's account under the Plan upon withdrawal from or termination of the Plan. The amount of such gain or loss will be the difference between the proceeds received by the participant from the sale of the shares or fractional share and the cost basis of the shares.

THE DISCUSSION ABOVE IS A SUMMARY OF THE IMPORTANT U.S. FEDERAL INCOME TAX CONSEQUENCES OF PARTICIPATION IN THE PLAN. THE SUMMARY IS BASED ON THE INTERNAL REVENUE CODE OF 1986, AS AMENDED, U.S. TREASURY REGULATIONS, ADMINISTRATIVE RULINGS AND COURT DECISIONS, AS IN EFFECT AS OF THE DATE OF THIS DOCUMENT, ALL OF WHICH ARE SUBJECT TO CHANGE AT ANY TIME, POSSIBLY WITH RETROACTIVE EFFECT. THIS SUMMARY IS NOT A COMPLETE DESCRIPTION OF ALL OF THE TAX CONSEQUENCES OF PARTICIPATION IN THE PLAN, FOR EXAMPLE, IT DOES NOT ADDRESS ANY STATE, LOCAL OR FOREIGN TAX CONSEQUENCES OF PARTICIPATION. ALL PARTICIPANTS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS TO DETERMINE THE PARTICULAR TAX CONSEQUENCES THAT MAY RESULT FROM THEIR PARTICIPATION IN THE PLAN AND THE SUBSEQUENT SALE OR OTHER TRANSFER BY THEM OF SHARES ACQUIRED PURSUANT TO THE PLAN.

### **50. Is the Plan Administrator required to withhold Federal income tax on the payment of dividends under the Plan?**

Yes. Under current Federal income tax laws, the Plan Administrator (in its capacity as the dividend disbursing agent for Chesapeake) may be required to withhold a certain percentage (called "backup withholding") from the amount of dividends that would otherwise be made available to the participant or reinvested under the Plan. This withholding is required if any participant has failed to furnish a valid taxpayer identification number, failed to report interest or dividends properly on his or her tax return or failed, when required, to certify that the participant is not subject to backup withholding. Should backup withholding be required as to any dividends, the Plan Administrator will endeavor to notify the participant of this requirement when withholding begins. The amount withheld will be deducted from the amount of the dividend and only the remaining amount will be reinvested or paid in cash, as elected by the participant.

If a participant is a nonresident foreign stockholder whose dividends are subject to U.S. Federal income tax withholding, the amount of the tax to be withheld will be deducted from the gross amount of dividends to determine the amount of dividends to reinvest or pay in cash, as elected by the participant.

### **DESCRIPTION OF SECURITIES**

Chesapeake's authorized capital stock consists of 25,000,000 shares of common stock, par value \$0.4867 per share, and 2,000,000 shares of preferred stock, par value \$0.01 per share.

#### **Common Stock**

Stockholders are entitled to one vote for each share held of record on all matters submitted to a vote of stockholders and are entitled to receive dividends when and as declared by the Board of Directors out of funds legally available therefore for distribution to stockholders and to share ratably in the assets legally available for distribution to stockholders in the event of the liquidation or dissolution, whether voluntary or involuntary, of Chesapeake. Stockholders do not have cumulative voting rights in the election of directors and have no preemptive, subscription or conversion rights. The common stock is not subject to redemption by Chesapeake. Each outstanding share of our common stock currently has associated with it one preferred stock purchase Right issued under Chesapeake's shareholder rights plan, which is summarized below.

#### **Preferred Stock**

Shares of preferred stock may be issued by Chesapeake from time to time, by authorization of the Board of Directors and without the necessity of further action or authorization by Chesapeake's stockholders, in one or more series and with such voting powers, designations, preferences and relative, participating, optional or other special rights and qualifications as the Board may, in its discretion, determine, including, but not limited to (a) the distinctive designation of such series and the number of shares to constitute such series; (b) the dividend rights, if any, for such series; (c) the voting power, if any, of shares of such series; (d) the terms and conditions (including price), if any, upon which shares of such stock may be converted into or exchanged for shares of stock of any other class or any other series of the same class or any other securities or assets; (e) the right, if any, of Chesapeake to redeem shares of such series and the terms and conditions of such redemption; (f) the retirement or sinking fund provisions, if any, of shares of such series and the terms and provisions relative to the operation thereof; (g) the amount, if any, that the stockholders of such series shall be entitled to receive in case of a liquidation, dissolution, or winding up of Chesapeake; (h) the limitations and restrictions, if any, upon the payment of dividends or the making of other distributions on, and upon the purchase, redemption, or other acquisition by Chesapeake of, Chesapeake common stock; and (i) the conditions or restrictions, if any, upon the creation of indebtedness or upon the issuance of any additional stock of Chesapeake.

#### **Certificate of Incorporation Provisions Relating to a Change in Control**

Under Chesapeake's Certificate of Incorporation, the affirmative vote of not less than 75% of the total voting power of all outstanding shares of its capital stock is required to approve a merger or consolidation of Chesapeake with, or the sale of substantially all of its assets or business to, any other corporation (other than a corporation 50% or more of the common stock of which is owned by Chesapeake), if such corporation or its affiliates singly or in the aggregate own or control directly or indirectly 5% or more of the outstanding shares of Chesapeake common stock, unless the transaction is approved by the Board of Directors of Chesapeake prior to the acquisition by such corporation or its affiliates of ownership or control of 5% or more of the outstanding shares of common stock. In addition, Chesapeake's Certificate of Incorporation provides for a classified Board of Directors under which one-third of the members are elected annually for three-year terms. The supermajority voting requirement for certain mergers and consolidations and the classified Board of Directors may have the effect of delaying, deferring or preventing a change in control of Chesapeake.

#### **Shareholder Rights Plan**

The Board of Directors of Chesapeake has adopted a shareholder rights plan (the "Rights Plan") to protect against abusive or coercive takeover tactics that are contrary to the best interests of our stockholders. To implement the Rights Plan, the Board declared a dividend of one preferred stock purchase Right for each outstanding share of Chesapeake common stock held of record on September 3, 1999, and directed the issuance of a Right along with each share of Chesapeake common stock issued thereafter for so long as provided for under the terms of the Rights Plan. Unless and until the Rights become exercisable, the Rights trade with Chesapeake's common stock and are evidenced by the certificates for the common stock. The Rights will become exercisable and trade independently from Chesapeake common stock upon either (i) a public announcement that a person or entity has acquired beneficial ownership of 15% or more of the outstanding Chesapeake common stock, other than in a tender or exchange offer for all of the outstanding shares of Chesapeake common stock at a price and on terms that a majority of the disinterested members of the Board of Directors determines to be adequate and in the best interests of Chesapeake and its stockholders (an

Person ), or (ii) ten days after the announcement or commencement of a tender or exchange offer that would result in a person or entity becoming an Acquiring Person. Each Right, if it becomes exercisable, initially entitles the holder to purchase one-fiftieth of a share (a Unit ) of Chesapeake Series A Participating Cumulative Preferred Stock, par value \$0.01 per share, at a price of \$105 per Unit, subject to anti-dilution adjustments. Upon a person or entity becoming an Acquiring Person, each Right (other than the Rights held by the Acquiring Person) will become exercisable to purchase a number of shares of Chesapeake common stock having a market value equal to two times the exercise price of the Right. If Chesapeake is acquired in a merger or other business combination transaction by an Acquiring Person, each Right (other than the Rights held by the Acquiring Person) will become exercisable to purchase a number of the acquiring company's shares of common stock having a market value equal to two times the exercise price of the Right.

The Rights expire on August 20, 2019 unless they are redeemed earlier by Chesapeake at the redemption price of \$0.01 per Right. Chesapeake may redeem the Rights at any time before they become exercisable and thereafter only in limited circumstances.

## **Delaware Anti-Takeover Statute**

Chesapeake is subject to Section 203 of the Delaware General Corporation Law, which, subject to certain exceptions, prohibits a Delaware corporation from engaging in any business combination with any interested stockholder for a period of three years following the date that such stockholder became an interested stockholder, unless: (i) the corporation's Board of Directors approved either the business combination or the transaction that resulted in the stockholder becoming an interested stockholder, (ii) upon consummation of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced or (iii) the business combination is approved by the Board of Directors and authorized at an annual or special meeting of stockholders by the affirmative vote of the stockholders of at least 66 2/3% of the outstanding voting stock that is not owned by the interested stockholder.

### **INDEMNIFICATION**

Under Chesapeake's Bylaws, each person who was or is made a party or is threatened to be made a party to any action, suit or proceeding by reason of the fact he or she is or was a director or officer of Chesapeake, or is or was serving at the request of Chesapeake as a director or officer of another corporation or of a partnership, joint venture, trust or other enterprise, is entitled to indemnification by Chesapeake to the fullest extent permitted by the Delaware General Corporation Law against all expense, liability and loss (including attorneys' fees, judgments, fines or penalties and amounts paid in settlement) reasonably incurred or suffered by such person in connection therewith. These indemnification rights continue as to such person who has ceased to be a director or officer and inure to the benefit of the person's heirs, executors and administrators. These indemnification rights include the right to be paid by Chesapeake the expenses incurred in defending any action, suit or proceeding in advance of its final disposition, subject to the receipt by Chesapeake of an undertaking by or on behalf of such person to repay all amounts so advanced if it is ultimately determined that he or she is not entitled to be indemnified. These indemnification rights under the Bylaws are not exclusive of any other indemnification right which any person may have or acquire under any law, provision of Chesapeake's Certificate of Incorporation, Bylaws, agreement, vote of stockholders or disinterested directors or otherwise.

Section 145 of the Delaware General Corporation Law permits indemnification of a director, officer, employee or agent of a corporation who acted in good faith in a manner he reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful. In all proceedings other than those by or in the right of Chesapeake, this indemnification covers expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by the indemnified person. In actions brought by or in the right of Chesapeake (such as derivative actions), Section 145 provides for indemnification against expenses only and, unless a court determines otherwise, only in respect of a claim as to which the person is not judged liable to the corporation.

  - (i) each prospectus filed by the registrant pursuant to Rule 424(b)(3) (§230.424(b)(3) of this chapter) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
  - (ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) (§230.424(b)(2), (b)(5), or (b)(7) of this chapter) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) (§230.415(a)(1)(i), (vii), or (x) of this chapter) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.
- (5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, in a primary offering of securities of the undersigned registrant pursuant to this registration statement,

regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424 (§230.424 of this chapter);
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) The portion of any free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(d) The undersigned registrant hereby undertakes that:

- (1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance on Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act of 1933 shall be deemed to be part of this registration statement as of the time it was declared effective; and
- (2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
