**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On May 8, 2012, the Compensation Committee of our Board of Directors approved the grant of long-term performance-based restricted stock to our executive officers and certain other employees. The form of restricted stock agreement is filed as Exhibit 10.1 to this Form 8-K.

Our Compensation Committee approved this grant to serve as an incentive to our management team to achieve certain cumulative diluted earnings per share ( EPS ) and return on invested capital ( ROIC ) targets during performance periods that end on December 31, 2015 and December 31, 2016. The cumulative EPS target measures cumulative EPS for each quarter during the period from April 1, 2012 to the end of the applicable performance period. The ROIC target is measured in the last year of the applicable performance period. If the specified cumulative EPS and ROIC targets are met or exceeded for the performance period ending December 31, 2015, 50% of the restricted shares will vest. If the specified cumulative EPS and ROIC targets are met or exceeded for the performance period ending December 31, 2016, then all of the restricted shares will vest. In other words, if the 2015 performance targets were satisfied and 50% of the shares vested, the remaining 50% of the restricted shares will vest. If the 2015 performance targets were not satisfied, but the 2016 performance targets are met, 100% of the restricted shares will vest. In the event that we do not achieve the specified cumulative EPS and ROIC targets for the performance period ending December 31, 2016, the restricted stock will be forfeited.

We consider the specific cumulative EPS and ROIC targets to be competitively sensitive information during the performance period. However, the Compensation Committee set the cumulative EPS targets at 1.5 times the compound annual growth rate under our current long range plan and the ROIC targets at 1.1 times the ROIC under our current long range plan. We do not believe that achievement of either the cumulative EPS or the ROIC targets is currently probable.

If the recipient's employment is terminated for any reason prior to vesting before a change of control, the restricted shares will be forfeited. The restricted shares will vest immediately if the recipient's employment is terminated for any reason other than cause following a change of control or if the restricted stock award is not assumed or replaced by the surviving or acquiring entity on economically equivalent terms, as determined by our Compensation Committee. The recipient of the restricted shares will have the right to vote the restricted shares and receive dividends and other distributions, if any, paid on the restricted shares.
