Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

As previously disclosed in the Information Statement on Schedule 14C filed with the Securities and Exchange Commission on June 21, 2012 (the Information Statement), on June 1, 2012, the board of directors (the Board) of American Midstream GP, LLC, the general partner of American Midstream Partners, LP (the Partnership) unanimously approved the Second Amended and Restated American Midstream GP, LLC Long-Term Incentive Plan (the Incentive Plan), subject to unitholder approval. On June 11, 2012, a unitholder holding a majority of the Partnership's outstanding limited partnership units approved the Incentive Plan by written consent in lieu of a special meeting of unitholders. Such unitholder consent became effective on July 11, 2012 (upon the expiration of a waiting period of 20 calendar days after June 21, 2012, the date on which the Information Statement was first sent or given to the other unitholders of the Partnership).

The Incentive Plan provides for awards of (i) options to purchase common units, (ii) restricted common units, (iii) common unit appreciation rights (CUARs), (iv) phantom units, (v) distribution equivalent rights (DERs), (vi) unit awards and (vii) other unit-based awards to employees, directors or consultants providing services for or on behalf of us and our subsidiaries. The Incentive Plan will be administered by the Compensation Committee (the Committee) of the Board. Up to 1,175,352 of the Partnership's common units may be granted as awards under the Incentive Plan (which number includes 871,750 common units in addition to the 303,602 common units available under the Amended and Restated American Midstream GP, LLC Long-Term Incentive Plan), with such amount subject to adjustment as provided for under the terms of the Incentive Plan if there is a change in the common units, such as a unit split or other reorganization. The common units authorized to be granted under the Incentive Plan are expected to be registered pursuant to a registration statement on Form S-8.

The terms and types of awards and participants will be determined by the Committee at its discretion in accordance with the Incentive Plan. Except as required by applicable law or the rules of the New York Stock Exchange, the Incentive Plan may be amended or terminated at any time by the Board or the Committee. The Committee is also authorized to make adjustments in the terms and conditions of, and the criteria included in awards under the Incentive Plan in specified circumstances. The Incentive Plan is effective until such time at which all available units under the Incentive Plan have been issued to the participants or the time of termination of the Incentive Plan by the Board or the Committee.

Because awards under the Incentive Plan are granted at the discretion of the Committee, future benefits under the Incentive Plan are currently not determinable.

The summary of the Incentive Plan in this report does not purport to be complete and is qualified in its entirety by reference to the full text of the Incentive Plan, which is filed herewith as Exhibit 10.1 and is incorporated into this Item 5.02 by reference.
