**Item 7.01 Regulation FD Disclosure**

As previously reported, on August 2, 2012, the Company received a stop-work order from the U.S. Department of Defense (the DoD) with respect to the Ebola portion of the contract for Advanced Development of Hemorrhagic Fever Virus Therapeutics (the ADHFVT contract). The original stop-work order was in effect through September 1, 2012 and was extended by the DoD until September 30, 2012. On September 27, 2012, the Company received notice from the DoD that the stop-work order would be extended until October 31, 2012. At or prior to that time the DoD will either: (1) terminate the Ebola portion of the contract; (2) cancel the stop-work order; or (3) again extend the stop-work order period. The lower end of the Company's previously issued annual 2012 revenue guidance range assumes no additional revenue from the Ebola portion of the ADHFVT contract in 2012. The information in this Item 7.01 is furnished to, but not filed with, the Securities and Exchange Commission.
