On December 10, 2012, the Board of Directors (the Board) of M/A-COM Technology Solutions Holdings, Inc. (the Company) promoted the Company's current President, John Croteau, to the position of Chief Executive Officer effective December 13, 2012. The Board also increased the total number of directors comprising it to six, and named Mr. Croteau to fill the resulting vacancy on the Company's Board as a Class III director, to serve until the Company's annual meeting of stockholders to be held in 2015 or until his successor is duly elected and qualified, or until his earlier death, resignation or retirement. For three of those years, Mr. Croteau also managed NXP's Power & Lighting Solutions business. Prior to joining NXP, Mr. Croteau held numerous product management positions at Analog Devices, Inc. (ADI), a high-performance semiconductor company, including general manager for ADI's Convergent Platforms and Services Group as well as product line director for the Integrated Audio Group. Mr. Croteau holds a B.S., Engineering Science and Mechanics, from Penn State University.

Also effective December 13, 2012, Charles Bland retired from his position as the Company's Chief Executive Officer. Mr. Bland will remain on the Company's Board and will remain with the Company in an advisory capacity to assist with the transition.
