Item 7.01. Regulation FD Disclosure.

Willbros Group, Inc., a Delaware corporation (the Company), intends to exit the electric and gas distribution business in the Northeast and sell its investment in the related Hawkeye business (Hawkeye). Hawkeye formed part of the Company's Utility Transmission and Distribution operating segment (Utility T&D). The Company believes that Hawkeye will have better opportunities for long-term growth and success as part of a company that has a stronger geographic presence in the Northeast utility transmission and distribution market. The Company intends to focus its utility transmission and distribution resources in other geographic regions, where it has a broader base and more competitive advantage.

The Company will actively seek to sell the Hawkeye business or the assets associated with this business, with an expected completion date within one year. Accordingly, all related assets, liabilities and results of operations, which have previously been reported in continuing operations of the Company, will be reported as discontinued operations of the Company subsequent to the period ended September 30, 2012. To the extent any of the Hawkeye assets are redeployed to other business units, the Company will consider the appropriate classification at that time.

This information is being furnished pursuant to Item 7.01 of this Current Report on Form 8-K and shall not be deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of that Section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.
