Proxy Statement

This proxy statement and the accompanying proxy are for the solicitation of proxies by the Board of Directors, referred to as the Board, of Dorman Products, Inc., a Pennsylvania corporation, referred to as we, our, us, and the Company herein, for use at our Annual Meeting of Shareholders to be held on Tuesday, May 14, 2013 at 8:30 a.m., Eastern Daylight Time, and any postponements or adjournments of the annual meeting. The annual meeting will be held at the law offices of Blank Rome LLP, One Logan Square, 130 N. 18th Street, Philadelphia, Pennsylvania 19103. This proxy statement, the accompanying proxy card and the 2012 Annual Report to Shareholders are posted on the Internet at www.proxyvote.com and the Notice of Internet Availability of Proxy Materials will be mailed to our shareholders on or about April 3, 2013. If you previously requested electronic or paper delivery of the proxy materials, you will be sent the proxy statement, the accompanying proxy card and the 2012 Annual Report to Shareholders on or about April 3, 2013.

The Board has fixed the close of business on March 22, 2013 as the record date for the determination of shareholders entitled to receive notice of, and to vote at, the annual meeting and any postponements or adjournments of the annual meeting. As of the close of business on the record date, there were 36,479,128 shares of our common stock, par value \$0.01 per share, outstanding. Shareholders have cumulative voting rights in the election of directors and one vote per share on all other matters to be presented at the annual meeting. Cumulative voting allows a shareholder to multiply the total number of shares that they are entitled to vote by the number of directors to be elected and to cast an equal number of votes for each of the five nominees, distribute their votes among as many nominees as they choose, or cast all their votes for one nominee.

A proxy is your legal designation of another person, also referred to as the proxy, to vote on your behalf. By properly signing and returning the proxy card or by voting by Internet or telephone, you are giving the persons who our Board designated as proxies the authority to vote your shares in the manner that you indicate on your proxy card or by voting by Internet or telephone.

At the annual meeting, shareholders will consider and vote upon:

- (i) the election of five directors, as described in this proxy statement;
- (ii) the ratification of KPMG LLP as our independent registered public accounting firm for the 2013 fiscal year; and
- (iii) such other business as may properly come before the annual meeting or any postponement or adjournment thereof.

The Board is not aware of any other matters that will come before the annual meeting or any postponement or adjournment thereof. If any other matters properly come before the meeting or any postponement or adjournment thereof, the persons designated as proxies intend to vote in accordance with their best judgment on such matters.

If you are a registered shareholder (that is, if your shares are registered in your name with our transfer agent), you can vote your shares in any of the following ways:

Electronically via the Internet: Go to www.proxyvote.com and follow the instructions provided on the proxy card and outlined on the secure Web site.

By telephone: Call toll free 1-800-690-6903 and follow the instructions provided on the proxy card and on the recorded message.

In writing: Complete, sign and date your proxy card and return your proxy card by mail (for receipt by the day before the annual meeting) to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717.

In person: If you are a shareholder of record as of the close of business on the record date, you may vote in person at the annual meeting. Please note that, if your shares are held of record by a broker, bank or other nominee, and you wish to vote in person at the annual meeting, you must obtain a legal proxy issued in your name from that record holder giving you the right to vote the shares.

To vote by proxy, cumulative voting can only be processed by utilizing the proxy card method of voting. Whether or not you plan to attend the annual meeting, we urge you to vote promptly using one of these methods to ensure your vote is counted.

Please note that although there is no charge to you for voting electronically via the Internet or by telephone, there may be costs associated with electronic or telephonic access such as usage charges of Internet service providers and telephone companies. We do not cover these costs; they are solely your responsibility.

If you vote electronically via the Internet or by telephone, you will need your **Shareholder Control Number** (your Shareholder Control Number can be found on the Notice of Internet Availability of Proxy Materials). Your vote electronically via the Internet or by telephone must be received by 11:59 p.m., Eastern Daylight Time, on May 13, 2013. If you vote electronically via the Internet or by telephone, you do not need to return your proxy card.

If you are a beneficial owner of shares held in street name (that is, if shares you own are registered in the name of your broker, bank or other nominee), you need to check the materials provided to you by your broker, bank or other nominee to determine how you may vote your shares. As a beneficial owner, you have the right to direct the broker, bank or other nominee holding your shares on how to vote the shares held in your account using the voting instructions received from such organization. The availability of Internet or telephone voting will depend on the voting process of your broker, bank or other nominee. Shares held in street name may be voted in person at the annual meeting only if you obtain a legal proxy from the broker, bank or other nominee giving you the right to vote the shares.

If you are a beneficial owner of shares held in street name and do not provide the broker, bank or other nominee that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the broker, bank or other nominee that holds your shares may generally vote on routine matters but cannot vote on non-routine matters. If the broker, bank or other nominee that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the organization that holds your shares will not be able to vote your shares on such matter, often referred to as a broker non-vote. The election of directors is considered non-routine under applicable regulatory rules. The ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the 2013 fiscal year is considered routine under applicable regulatory rules.

If you are a participant in the Dorman Products, Inc. 401(k) Retirement Plan and Trust, referred to as the 401(k) Retirement Plan, and shares of common stock of the Company are credited to your plan account, you have the right to direct Vanguard Fiduciary Trust Company, trustee of the 401(k) Retirement Plan, on how to vote such shares. To provide instruction to the trustee on how to vote your plan shares, simply vote your plan shares in the manner described by the accompanying proxy card, which permits voting electronically via the Internet, by telephone or in writing. The trustee of the 401(k) Retirement Plan will have the votes of each participant tabulated by our transfer agent and will vote the 401(k) Retirement Plan's shares on a basis proportionally consistent with the tabulated votes of such participants by submitting a final proxy card representing the plan shares for inclusion in the tally at the annual meeting. If you do not vote the plan shares credited to your account, the trustee will not have direction as to how to vote such shares and you will be treated as directing the trustee to vote your plan shares in the same proportion as the shares for which the trustee has received timely instruction from others who do vote. To allow sufficient time for the trustee to vote your plan shares, your vote must be received by 11:59 p.m., Eastern Daylight Time, on May 9, 2013.

Proxies may be revoked prior to being voted at the annual meeting. You may revoke a proxy before its exercise by filing written notice of revocation with our transfer agent before the annual meeting (notice of revocation must be received by the day before the annual meeting). After voting, you may change your vote one or more times by completing and returning a later dated proxy to our transfer agent, by voting again by Internet or telephone as described in this proxy statement, or by voting in person at the annual meeting. Attendance at the annual meeting will not in itself constitute a revocation of your proxy. You may request a new proxy card from our transfer agent. The last vote received chronologically will supersede any prior votes. The deadline for registered shareholders to change their vote is 11:59 p.m., Eastern Daylight Time, on May 13, 2013 (mailed proxy cards must be received by the day before the annual meeting). All requests and correspondence with our transfer agent should be mailed to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717. If you are a beneficial owner of shares of common stock held in street name, please review the voting instructions provided by the broker, bank or other nominee holding your shares or contact such organization regarding how to change your vote. If you are a participant in the 401(k) Retirement Plan and shares of common stock of the Company are credited to your plan account, you may revoke a proxy before its exercise by filing written notice of revocation with our transfer agent and you may change your vote one or more times by completing and returning a later dated proxy to our transfer agent or by voting again by Internet or telephone as described in the accompanying proxy card. The deadline for participants in the 401(k) Retirement Plan to revoke or change their vote is 11:59 p.m., Eastern Daylight Time, on May 9, 2013 (notices of revocation and mailed proxy cards must be received by May 9, 2013).

If you are a registered shareholder and you return an executed proxy but do not specify how to vote, your shares will be voted: (i) FOR the election of the five nominees for director named in Proposal I Election of Directors of this proxy statement; and (ii) FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the 2013 fiscal year. If you return an executed proxy card with no further instructions on the election of directors, the persons named in the accompanying proxy card have discretionary authority to cumulate votes and to allocate such votes among some or all of the nominees recommended by the Board, although they have no present intention of doing so. The proxy also confers discretionary authority to vote with respect to any and all of the following matters that may come before the annual meeting: (i) matters to be presented at the annual meeting of which we did not have notice on or prior to February 14, 2013; (ii) approval of the minutes of the prior meeting of shareholders if such approval does not amount to ratification of the action taken at such meeting; (iii) the election of any person to any office for which a bona fide nominee named in this proxy statement is unable to serve or for good cause will not serve; (iv) any proposal omitted from this proxy statement and form of proxy pursuant to Rules 14a-8 or 14a-9 under the Securities Exchange Act of 1934, as amended, referred to as the Exchange Act; and (v) matters incident to the conduct of the annual meeting.

If any other matters properly come before the annual meeting, the persons named in the accompanying proxy card will vote in accordance with their best judgment.

A quorum of shareholders is necessary to hold a valid annual meeting. Presence at the annual meeting in person or by proxy of the holders of a majority of our issued and outstanding common stock at the close of business on the record date is necessary to constitute a quorum. If the annual meeting is adjourned because of the absence of a quorum, those shareholders entitled to vote who attend the adjourned annual meeting, although constituting less than a quorum as provided herein, shall nevertheless constitute a quorum for the purpose of electing directors. If the annual meeting is adjourned for one or more periods aggregating at least 15 days due to the absence of a quorum, shareholders who are entitled to vote and who attend the adjourned annual meeting, even though they do not constitute a quorum at the adjourned meeting, will constitute a quorum for the purpose of acting on any matter described in the Notice of Annual Meeting of Shareholders.

The five director candidates who receive the most **FOR** votes will be elected to serve on the Board. Shareholders have cumulative voting rights in the election of directors. When voting for directors, shareholders may multiply the total number of shares that they are entitled to vote by the number of directors to be elected and may then cast an equal number of votes for each of the five nominees, distribute their votes among as many nominees as they choose, or cast all of their votes for one nominee. The ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the 2013 fiscal year, and the approval of any other business as may properly come before the annual meeting, or any postponement or adjournment thereof, will require the affirmative vote of the majority of the votes cast. Only votes **FOR** or **AGAINST** such proposals will be counted. Under Pennsylvania law, an abstention, withholding authority to vote or a broker non-vote is not considered a vote cast and therefore will have no effect on whether any of the proposals has received the required shareholder vote. All shares present in person or represented by proxy (including abstentions and broker non-votes) are counted for quorum purposes.

Governance of the Company

The Board of Directors and Director Independence. The Board currently consists of five members. The Board has four standing committees: (i) the Executive Committee; (ii) the Audit Committee; (iii) the Compensation Committee; and (iv) the Corporate Governance and Nominating Committee. The Lead Director serves on the Audit Committee, the Compensation Committee and the Executive Committee and as Chairman of the Corporate Governance and Nominating Committee.

The Board has determined that the following directors, constituting a majority of the members of the Board, are independent as defined in the applicable listing standards of The NASDAQ Stock Market, LLC, referred to as **NASDAQ**: Paul R. Lederer, Edgar W. Levin, Robert M. Lynch and Richard T. Riley. John F. Creamer, Jr., a director of the Company from 1995 until his retirement from the Board on March 8, 2013, was also determined by the Board to be independent as defined in the applicable listing standards of **NASDAQ**. Mr. Creamer served as an independent member (as defined under the applicable SEC rules and the listing standards of **NASDAQ**) of the Audit Committee, the Compensation Committee and the Corporate Governance and Nominating Committee until his retirement from the Board.

Under applicable Securities and Exchange Commission, referred to as the SEC, and NASDAQ rules, the existence of certain related person transactions in excess of certain thresholds between a director and the Company are required to be disclosed and may preclude a finding by the Board that the director is independent. A director is not considered independent unless the Board affirmatively determines that the director has no material relationship with us that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. During the Board's review of director independence, no transactions or relationships between the Company and independent directors or any member of their immediate family (or any entity of which an independent director or an immediate family member is an executive officer, general partner or significant equity holder) were identified which would render the directors named above not independent.

Board Leadership and Risk Management. The Board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board as the Board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. Steven L. Berman has served in the role of Chief Executive Officer and Chairman of the Board since January 2011. The Board has a Lead Director, Paul R. Lederer.

We have a relatively small board of directors, a majority of which is independent under the listing standards of NASDAQ. Each independent director has direct access to our Chairman and Chief Executive Officer and our Lead Director, as well as other members of the senior management team. We believe that having such direct access, along with the presence of a Lead Director, makes the separation of the principal executive officer and board chairman positions unnecessary. In our view, the independent Board members are capable of performing their duties without the expense and administrative layer associated with the separation of the principal executive officer and board chairman positions. The independent directors meet in executive session without management present at least quarterly.

The Board believes that the Company's Chief Executive Officer is best situated to serve as Chairman of the Board because he is the director most familiar with the Company's business and industry, and most capable of effectively identifying strategic priorities and leading the discussion and execution of our corporate strategy. Independent directors and management have different views and roles in the development of a strategic plan. The Board believes that the combined role of Chairman of the Board and Chief Executive Officer promotes efficiency, strategy development and execution, and facilitates information flow between management and the Board, which are essential to effective governance. In addition, the Board believes the combined role of the Chairman of the Board and the Chief Executive Officer, together with an independent Lead Director having the duties described below, is in the best interest of shareholders because it provides the appropriate balance between strategy development and independent oversight of management.

The Board takes an active role, as a whole and at the committee level, in overseeing the management of the Company's risks. The Board regularly reviews information regarding the Company's operations, financial condition, and liquidity, as well as the risks associated with each. The Company's Audit Committee supervises the management of financial risks and potential conflicts of interests. The Company's Compensation Committee is responsible for overseeing the management of risks associated with the Company's executive compensation plans and arrangements. The Corporate Governance and Nominating Committee manages risks associated with the independence of the Board and the duties and responsibilities of its members. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board is regularly informed through attendance at committee meetings or committee reports about such risks. In addition, members of senior management periodically provide reports to the Board about their respective areas of responsibility and any risks associated with their areas. These reports include actions taken by senior management to monitor and control risks.

We believe that our leadership structure is appropriate given our management structure and operational characteristics.

Lead Director. As a matter of good corporate governance, the Board has adopted a practice of appointing a Lead Director. The Lead Director is charged with (i) presiding at all meetings of the Board at which the Chairman of the Board is not present, including executive sessions of the independent directors; (ii) serving as a liaison between the Chairman of the Board and the independent directors; (iii) assisting the Chairman of the Board in setting the Board's schedules, agendas, and information flow; (iv) participating (in conjunction with the Compensation Committee) in the periodic evaluation and performance review of the Chief Executive Officer and other principal officers; (v) upon request and when appropriate, being available for consultation and communication with shareholders; (vi) communicating Board member feedback to the Chief Executive Officer; (vii) recommending to the Board the retention of advisors and consultants who report directly to the Board; (viii) overseeing the periodic evaluation of the Board and each committee thereof and their respective members; and (ix) performing such other duties as may be delegated by the Board from time to time. Based on his experience, qualifications, and skills more fully described below, the Board appointed Paul R. Lederer to serve as Lead Director.

Committees of the Board of Directors

Executive Committee. From time to time, the Board may delegate to the Executive Committee the authority to supervise and direct certain matters involving the finances and business of the Company between meetings of the Board. Currently, Steven L. Berman and Paul R. Lederer serve on the Executive Committee.

Audit Committee. The Audit Committee, established in accordance with Section 3(a)(58)(A) of the Exchange Act, participates in the oversight of (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements, (iii) the independent auditor's qualifications and independence, and (iv) the performance of the Company's independent auditors. The Audit Committee selects our independent registered public accounting firm, reviews such firm's procedures for ensuring their independence with respect to the services performed for us, approves all fees to be paid to the independent registered public accounting firm and pre-approves the professional services provided by the independent registered public accounting firm. The responsibilities of the Audit Committee are further described in the Audit Committee Charter, which was adopted by the Board and a copy of which is available on the Company's website at www.dormanproducts.com and accessible via the Corporate Governance page.

As of the date of this proxy statement, Richard T. Riley (Chairman), Paul R. Lederer, Edgar W. Levin and Robert M. Lynch served on the Audit Committee. Each member of the Audit Committee, in the opinion of the Board, is independent as defined under the applicable SEC rules and the listing standards of NASDAQ. The Board has determined that Mr. Riley qualifies as an audit committee financial expert as defined by the rules of the SEC.

Compensation Committee. The Compensation Committee is responsible for annually reviewing and approving the compensation of the Board, the compensation of our Chairman and Chief Executive Officer, and all of our other executive officers and annually reviewing the compensation systems that are in place for the employees of the Company. The Chief Executive Officer provides the Compensation Committee with his evaluations on the performance of the other executive officers and performance evaluations of certain other key employees, and recommends salary and bonus levels, and equity awards. The Chief Executive Officer is not present during the discussion and approval of his compensation. The Compensation Committee provides administrative oversight for the 401(k) Retirement Plan and the Dorman Products, Inc. Non-Qualified Deferred Compensation Plan, referred to as the Non-Qualified Deferred Compensation Plan. The Compensation Committee also approves all participants in and all awards, grants and related actions under the Dorman Products, Inc. 2008 Stock Option and Stock Incentive Plan, referred to as the 2008 Stock Option and Stock Incentive Plan, and the Dorman Products, Inc. Executive Cash Bonus Plan, referred to as the Executive Cash Bonus Plan. The responsibilities of the Compensation Committee are further described in the Compensation Committee Charter, which was adopted by the Board and a copy of which is available on the Company's website at www.dormanproducts.com and accessible via the Corporate Governance page.

As of the date of this proxy statement, Edgar W. Levin (Chairman), Paul R. Lederer, Robert M. Lynch and Richard T. Riley served on the Compensation Committee. Each member of the Compensation Committee, in the opinion of the Board, is independent as defined under the applicable SEC rules and the listing standards of NASDAQ.

Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee is responsible for evaluating and approving our plans, policies, programs, and principles with respect to corporate governance, especially as they relate to directors' duties and responsibilities. The Corporate Governance and Nominating Committee evaluates and reports to the Board on the performance and effectiveness of the Board to facilitate the directors fulfilling their responsibilities in a manner that serves the interest of our shareholders.

The Corporate Governance and Nominating Committee is also responsible for recommending qualified candidates to the Board for election as directors of the Company, and has recommended to the Board the slate of directors that the Board proposes for election by shareholders at the annual meeting. Robert M. Lynch was recommended to the Corporate Governance and Nominating Committee as a director candidate by a professional search firm. The professional search firm was engaged to assist the Corporate Governance and Nominating Committee in identifying, evaluating and conducting due diligence on potential director candidates.

The responsibilities of the Corporate Governance and Nominating Committee are further described in the Corporate Governance and Nominating Committee Charter, which was adopted by the Board and a copy of which is available on the Company's website at www.dormanproducts.com and accessible via the Corporate Governance page. As of the date of this proxy statement, Paul R. Lederer (Chairman), Edgar W. Levin, Robert M. Lynch and Richard T. Riley serve on the Corporate Governance and Nominating Committee. Each member of the Corporate Governance and Nominating Committee, in the opinion of the Board, is independent as defined under the applicable SEC rules and the listing standards of NASDAQ.

Director Nomination Process

Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee is responsible for, among other matters, annually presenting to the Board a list of individuals recommended for nomination for election as directors at the annual meeting. The Corporate Governance and Nominating Committee assists the Board in identifying, interviewing and recruiting candidates as necessary for the Board. The Corporate Governance and Nominating Committee also has the authority as it deems appropriate to retain a professional search firm to identify and evaluate director candidates.

Before recommending a director, the Corporate Governance and Nominating Committee reviews his or her qualifications to determine whether the director candidate meets the qualifications described below. In the case of an incumbent director, the Corporate Governance and Nominating Committee also reviews the director's service to the Company during the past term, including the number of Board and committee meetings attended, the quality of participation and whether the candidate continues to meet the qualifications for director as described below. After completing this evaluation, the Corporate Governance and Nominating Committee makes a formal recommendation to the full Board as to election or re-election of the candidate.

Director Qualifications. In order to be nominated for director, a director candidate must be a natural person at least eighteen (18) years of age. The Corporate Governance and Nominating Committee has not established specific education or years of business experience requirements for potential director nominees, but in general director qualifications include, among other factors, capability, availability to serve, conflicts of interest and moral character. Further, the Corporate Governance and Nominating Committee believes that the Board, as a whole, should include members who collectively bring the following strengths and backgrounds to the Board:

Experience as a Chief Executive Officer, President or principal officer of another company;

Senior-level experience in the automotive aftermarket or automotive parts industry generally or with companies that have similar business models;

Experience with overseas distribution operations; and

Strengths in the functional areas of finance, corporate governance, financial statement analysis, business operations and strategic planning, and mergers and acquisitions.

Additional criteria applies to directors being considered to serve on a particular committee of the Board. For example, members of the Audit Committee must meet additional standards of independence and have the ability to read and understand our financial statements.

The Corporate Governance and Nominating Committee uses a variety of methods to identify and evaluate nominees for director. Candidates may come to the attention of the committee through current and former Board members, management, professional search firms (to whom we pay a fee), shareholders or other persons. The Committee evaluates candidates for the Board on the basis of the standards and qualifications set forth above, regardless of the source of the candidate referral. Although the Company does not have a formal policy with regard to consideration of diversity, the Board seeks to achieve a diversity of strengths and backgrounds on the Board, particularly in the areas described above.

Director Candidates Nominated by Shareholders. Under our Amended and Restated By-Laws, a shareholder may nominate a person for election as a director at the next annual meeting of shareholders if the shareholder making the nomination:

is a shareholder of record on the date of providing the nomination notice, on the record date for the determination of the shareholders entitled to vote at the annual meeting of shareholders and at the time of the annual meeting of shareholders,

is entitled to vote at the annual meeting, and

complies with the nomination notice procedures contained in our Amended and Restated By-Laws, which are outlined below.

For a shareholder nomination notice to be timely under our Amended and Restated By-laws, it must be delivered to, or mailed and received by, the Secretary of the Company at our principal executive offices not earlier than the close of business on the one hundred twentieth (120th) calendar day, and not later than the close of business on the ninetieth (90th) calendar day, prior to the first anniversary of the immediately preceding year's annual meeting. If an annual meeting was not held in the prior year or the annual meeting is called for a date that is more than thirty (30) calendar days earlier or more than sixty (60) calendar days later than the anniversary date of the prior year's annual meeting, to be timely, the shareholder nomination notice must be delivered to or received by, the Secretary of our company at our principal executive offices, no earlier than the close of business on the one hundred twentieth (120th) calendar day prior to the date of the scheduled annual meeting and not later than the close of business on the later of the ninetieth (90th) calendar day prior to the date of the scheduled annual meeting or, if the first public disclosure of the date of the scheduled annual meeting is less than one hundred (100) calendar days prior to the date of the scheduled annual meeting, the tenth (10th) calendar day following the day on which public disclosure of the date of the scheduled annual meeting is first made by us. In no event will any adjournment or postponement of an annual meeting or the public disclosure of any adjournment or postponement of an annual meeting commence a new time period or extend any time period for the giving of a shareholder nomination notice.

The following information must be included in the shareholder nomination notice:

as to each person whom the shareholder proposes to nominate for election or reelection as a director:

the name, age, business address and residence address of such person;

the principal occupation and employment of such person;

the number of shares of each class and series of our capital stock which are owned beneficially or of record by such person (which information shall be supplemented not later than ten (10) calendar days after the record date for the annual meeting to disclose such ownership as of the record date);

such person's executed written consent to being named in the proxy statement as a nominee and to serving as a director if elected;

all information relating to such person that would be required to be disclosed in a proxy statement or other filings required to be made with the SEC in connection with the solicitation of proxies for the election of directors in a contested election pursuant to Section 14 of the Exchange Act (or pursuant to any law or statute replacing such section), and the rules and regulations promulgated thereunder; and

a description of all direct and indirect compensation and other material monetary agreements, arrangements and understandings during the past three years, and any other material relationships, between or among such person being nominated, on the one hand, and the shareholder and any Shareholder Associated Person, on the other hand, including, without limitation, all information that would be required to be disclosed pursuant to Item 404 promulgated under Regulation S-K of the Exchange Act, referred to as Regulation S-K, if the shareholder making the nomination and any Shareholder Associated Person were the registrant for purposes of such rule and the person being nominated was a director or executive officer of such registrant;

as to the shareholder giving the notice:

the name and record address of the shareholder, as they appear on the Company's stock ledger, and the name and address of any Shareholder Associated Person;

For further discussion of our financial performance for the year ended December 29, 2012, please see Part II Item 7. Executive Compensation Philosophy and Objectives

Our executive compensation program is designed to promote the successful implementation of our annual strategic plan as approved by the Board as well as long-term growth and profitability of the Company which is intended to enhance shareholder value. Our overall executive compensation program is designed to achieve the following objectives:

To align the interests of our named executive officers with those of our shareholders by tying a significant portion of compensation to the Company's financial performance;

To link a portion of compensation to the achievement of our annual and long-term financial and other goals;

To compensate the Company's named executive officers in a manner that reflects their experience, responsibilities and contributions to the annual and long-term growth and development of the Company and to retain the services of the executive officers that successfully contribute to our annual and long-term goals;

To encourage experienced, talented executives to join the Company; and

To motivate our executives to continue to provide excellent performance year after year.

We believe that our program focuses management's attention on achieving both annual performance targets and profitable growth over a longer time period as established by the Board.

We believe it is important that our executive compensation program be competitive and attractive when compared to the compensation programs of peers within our industry with which we compete for executive talent. We must be able to attract and retain skillful and knowledgeable management to manage the Company and poise the Company for future growth while at the same time being mindful of our responsibility to shareholders to control costs. Our compensation philosophy reflects a commitment to compensate executives competitively with other companies in the industry while rewarding specific executives for achieving levels of operational excellence and financial returns that ensure positive short and long-term business performance and continual growth in shareholder value.

We believe that total amounts of compensation should generally reflect an executive's experience, skill, knowledge, responsibility and individual contributions to the overall success of the Company. Amounts should typically increase with increases in an executive's functional role and his or her ability to affect our performance results. As position and responsibility increase within the Company, a greater portion of the executive's total compensation becomes performance based pay contingent upon the achievement of performance objectives established by the Compensation Committee.

We believe that equity compensation is an excellent way to encourage our executive officers to act in the best interests of our shareholders and to create an environment of shared risk between our named executive officers and our shareholders. Historically, we have provided our named executive officers with equity awards in connection with our new hire process and for promotions.

We enter into employment agreements and have put into place severance arrangements to retain qualified named executive officers. We have entered into an employment agreement with our Chief Executive Officer to retain his services and provide him with compensation that reflects his overall experience, position and responsibilities, and expected contributions. Since we do not have employment agreements with our other named executive officers, we have agreed to severance arrangements with certain of such executives to encourage them to remain in our employ and permit such individuals to remain focused on the Company's strategic business objectives during the course of their employment by providing some relief from concerns related to job security.

Determining Executive Compensation

As outlined in the Compensation Committee Charter, the Compensation Committee is responsible for annually reviewing and approving executive compensation. The Compensation Committee annually reviews and approves the compensation of our Chief Executive Officer (except as provided in his employment agreement) and the compensation of our other named executive officers. The Compensation Committee works together with management to establish strategic plans and business performance targets and objectives against which management will be measured for each fiscal year. Following completion of this process, the Compensation Committee reviews and approves the corporate goals and objectives used to compensate the Chief Executive Officer and evaluates his performance in light of those goals and objectives. With respect to the other named executive officers' compensation, the Chief Executive Officer provides the Compensation Committee with his evaluation of the performance of each of the other named executive officers and performance evaluations for certain other key employees, and recommends increases in salary as well as bonus levels, and the amount of equity awards (if any) for consideration by the Compensation Committee.

The Compensation Committee annually reviews the compensation systems that are in place for the employees of the Company and approves participation in and all awards, grants and related actions under our equity plans. The Compensation Committee also approves profit sharing that is contributed to the 401(k) Retirement Plan and administers the Non-Qualified Deferred Compensation Plan and the Executive Cash Bonus Plan, and will certify payments to participants under the plan in accordance with Section 162(m) of the Internal Revenue Code of 1986, as amended, referred to as the Code. In addition, the Compensation Committee annually reviews and approves and recommends to the Board for its approval, any executive employment agreements, severance arrangements, change in control arrangements, and any special or supplemental benefits, in each case as, when, and if appropriate.

The Compensation Committee has the authority under its charter to retain compensation consultants to assist it in determining compensation. In setting executive compensation for 2012, the Compensation Committee elected not to utilize the services of an independent compensation consultant; instead, the committee conducted its own informal review of the compensation of our executive officers as compared to the base salary, total cash compensation, and other compensation of executives at a group of peer companies, including LKQ Corporation, LoJack Corporation, Motorcar Parts of America, Inc., Standard Motor Products, Inc., and Tenneco Inc., referred to as the Peer Companies. From time to time, the Compensation Committee acquires compensation summaries of senior management compensation at companies that are similar in size to our company but operate in different industries. Our most recent compensation summary, acquired for fiscal 2011, included compensation on both the Peer Companies and on companies that are similar in size but operate in different industries.

For fiscal 2013, the Compensation Committee has engaged Pay Governance, LLC, a compensation consultant, to review the compensation program for the executive officers of the Company.

Say on Pay

At the 2011 annual meeting, we held a shareholder advisory vote on the compensation of our named executive officers, commonly referred to as a say-on-pay vote. Our shareholders approved the compensation of our named executive officers at the 2011 annual meeting, with an overwhelming majority of shareholder votes cast in favor of our say-on-pay resolution. As we evaluated our compensation practices and talent needs for 2012, we were mindful of the strong support our shareholders expressed for our pay for performance compensation philosophy. As a result, following our annual review of our executive compensation philosophy, the Compensation Committee decided to retain our general approach to executive compensation. Our executive compensation for 2012 reflects our favorable financial and operational performance and advances our goals of recruitment and retention, and promotes both short-term and long-term performance of our executive officers.

The Components of the Executive Compensation Program

For fiscal 2012, elements of compensation for our executives include the following components:

base salary;

a short and long term cash bonus comprised of a performance-based cash award under our Executive Cash Bonus Plan and a discretionary bonus;

periodic equity incentive awards in the form of stock options and restricted stock awards; and

other compensation, including participation in our 401(k) Retirement Plan, our Non-Qualified Deferred Compensation Plan, perquisites and other personal benefits, and post-employment compensation.

In setting compensation levels, we consider, among other things, the financial performance of the Company; the executive's individual job performance; the responsibilities, experience and long-term potential of the executive; historical compensation amounts; competitive pay practices generally; relative compensation levels among our senior management team; and general economic conditions.

Base Salary. Base salary reflects amounts paid during the year to our executive officers as direct compensation for their services to the Company as well as to reward each executive officer for their individual performance and to encourage them to higher levels of performance. We also use our base salary to attract and retain top quality executives and other managers from other companies. Base salaries and increases to base salaries recognize the overall experience, position, responsibility and expected contributions of the executive. The base salaries for each of our named executive officers are set forth in the Summary Compensation Table below.

The Compensation Committee establishes and approves annual base salaries for all of the executive officers of the Company, other than those set by agreement, taking into consideration, among other things, the recommendations of the Chief Executive Officer. The base salary of our Chief Executive Officer is set pursuant to his employment agreement and may be increased, but not decreased, over the term of the agreement in the discretion of the Compensation Committee. Base salaries of the other named executive officers, as well as annual salary adjustments for Mr. Berman, are set annually at levels that we determine adequately reward and retain capable executives, including without targeting any specific quartile of any compensation survey data for total compensation or any component of total compensation. In establishing base salary of our executive officers, as well as annual adjustment for Mr. Berman, we considered individual performance, the importance of, and skills required in, his positions, and his total amount of experience.

We intend that overall compensation, including base salary and bonus, to reflect the performance of each individual executive over time, as well as their contribution to the Company's annual results and long term initiatives. In December 2011, the Compensation Committee determined to modestly increase the base salaries of our named executive officers for 2012 by 3.0%, except for Mr. Kohnke, who received an 8.4% increase, and Mr. Darby, who received an 8.7% increase. Mr. Kohnke's salary increase was a result of exemplary performance in 2011. Mr. Darby's salary increase was effected to reward high level performance in 2011 and bring his compensation to a level the Compensation Committee felt was commensurate with his experience and performance.

Performance Based Cash Bonuses. We use performance based cash bonuses to reward eligible employees at the manager level and above, including our named executive officers, for our financial performance during the year. The bonuses are intended to connect compensation to achievement of our annual financial performance objectives.

In December 2009, our Board unanimously approved the Executive Cash Bonus Plan, which provides for incentive payments to executives who may be impacted by Section 162(m) of the Code. Our Executive Cash Bonus Plan, including the business criteria upon which performance measures are based, was approved by our shareholders on May 20, 2010.

Our Executive Cash Bonus Plan is designed to provide a direct link between performance and compensation for our top executives. Additionally, the plan is intended to qualify certain components of compensation paid to these executives for tax deductibility under Section 162(m) of the Code. The Executive Cash Bonus Plan replaced our existing executive bonus plan for executives beginning with fiscal year 2010 and automatically renews upon the beginning of each fiscal year unless terminated by the Compensation Committee. Under the terms of his employment agreement, Mr. Berman, our Chairman of the Board, Chief Executive Officer and Secretary-Treasurer, is automatically eligible to participate in the Executive Cash Bonus Plan. For fiscal 2012, the Compensation Committee designated as participants in the Executive Cash Bonus Plan those executive officers whose compensation may be subject to Section 162(m). Messrs. Berman, Barton and Beretta were eligible to participate in the Executive Cash Bonus Plan for 2012. The maximum aggregate bonus amount that may be paid in any single year to any named executive officer under the Executive Cash Bonus Plan is \$2,000,000.

Section 162(m) generally disallows a federal income tax deduction to any publicly held corporation for non-performance-based compensation paid in excess of \$1,000,000 in any taxable year to the Chief Executive Officer or certain other highly compensated executive officers. We intend to structure awards under the Executive Cash Bonus Plan so that compensation under the plan will be qualified as performance-based compensation eligible for continued deductibility.

The plan for 2012 had two bonus components: (i) a bonus based on our 2012 growth in adjusted pre-tax net income, referred to as the annual bonus; and (ii) a bonus based on the year-over-year growth of our 2012 adjusted pre-tax net income when compared to our 2009 adjusted pre-tax net income, referred to as the growth bonus. For purposes of this proxy statement, adjusted pre-tax net income means the Company's net income (a) before (1) the bonus expense related to the performance based cash bonuses under the Executive Cash Bonus Plan in the fiscal year and (2) income taxes for the fiscal year, and (b) subject to adjustment for one time or unusual items during the fiscal year. As it relates to adjustments for one time or unusual items, (x) 2012 net income was adjusted for \$0.8 million of reductions of previously recognized inventory reserves which were included in the Company's costs of goods sold and resulted from our decision to exit the international portion of our Scan Tech business, and (y) 2011 net income was adjusted for \$2.9 million of asset write-downs and employee-related reserves resulting from our decision to exit the international portion of our Scan Tech business. There was not an adjustment to 2009 net income for one time or unusual items. The Compensation Committee believes that basing performance on adjusted pre-tax net income focuses management's attention on revenue growth, profitability and increasing market share which are key drivers in building shareholder value.

With respect to the annual bonus, the amount of such bonus is equal to the participating officer's eligible annual bonus amount multiplied by two times the percentage growth in our 2012 adjusted pre-tax net income. The eligible annual bonus amount for Mr. Berman in 2012 was set by the Compensation Committee at \$520,000. The eligible annual bonus amount for each of Messrs. Barton and Beretta in 2012 was set by the Compensation Committee at \$280,000.

With respect to the growth bonus, the Compensation Committee determined that the participating officers were each eligible to receive the following payments:

- (i) \$50,000, if the compounded annual growth rate of 2012 adjusted pre-tax net income over 2009 adjusted pre-tax net income is between 5.0% and 10.0%;
- (ii) \$100,000, if the compounded annual growth rate of 2012 adjusted pre-tax net income over 2009 adjusted pre-tax net income is between 10.0% and 15.0%; and
- (iii) \$150,000, if the compounded annual growth rate of 2012 adjusted pre-tax net income over 2009 adjusted pre-tax net income is greater than 15%.

With respect to the performance based cash bonuses under the Executive Cash Bonus Plan for 2012, fifty percent of a participant's earned bonus pursuant to the annual bonus component and the growth bonus component is paid in the first quarter of the year following the year in which the bonus was earned; the remaining 50% is paid in four equal quarterly installments 180, 270, 360 and 450 days after the fiscal year end in which the bonus was earned. Unless otherwise approved by the Compensation Committee, the participating officer must be employed full-time on the scheduled date of payment to receive that portion of the bonus.

For 2012, the Compensation Committee awarded annual bonuses of \$196,969, \$106,060 and \$106,060 to each of Messrs. Berman, Barton and Beretta, respectively, and growth bonuses of \$150,000, \$150,000 and \$150,000 to each of Messrs. Berman, Barton and Beretta, respectively, subject to the payment terms and the events of forfeiture thereunder. The bonus awards resulted from our positive growth in 2012 adjusted pre-tax net income of 18.9% and a compounded annual growth rate for 2012 adjusted pre-tax net income over 2009 adjusted pre-tax net income of 30.4%.

The Compensation Committee has determined that only the 50% of the 2012 annual and growth bonuses to be paid to each of Messrs. Berman, Barton, and Beretta in four equal installments on the 180th, 270th, 360th and 450th day after the fiscal year end shall be subject to forfeiture.

Discretionary Cash Bonuses. In addition to the performance based cash bonuses described above, the Compensation Committee has the authority to award discretionary cash bonuses. This type of bonus is used to reward executive officers and other employees for exemplary performance during the year and to attract and recruit qualified candidates. In 2012, the Compensation Committee awarded discretionary bonuses to Messrs. Berman, Barton, Beretta, Darby and Kohnke in the amounts of \$400,000, \$100,000, \$100,000, \$146,208 and \$108,303, respectively. The Compensation Committee considered the following factors in determining the amount of discretionary bonus payable to these executive officers for fiscal 2012: the Company's overall performance in light of economic conditions experienced during the fiscal year, the executive's contribution to the Company's annual and long-term strategic objectives, including maximizing shareholder value, the quality of the executive's work, and the general success of the Company, as well as, the officer's contribution to specific strategic initiatives as may be measured in ways different from the performance criteria identified above. Amounts earned as discretionary cash bonuses by the named executive officers are included in the Summary Compensation Table under the column heading Bonus. Discretionary bonus amounts are paid in the first quarter of the year following the year in which the bonus was earned.

Equity Awards. Compensation may be awarded to our named executive officers in the form of equity-based awards. Equity awards, which are issued pursuant to our 2008 Stock Option and Stock Incentive Plan, can focus our executive officers on our key long-term financial and strategic objectives and encourage them to take into account our and our shareholders' long-term interests through ownership of our common stock. Awards made under our 2008 Stock Option and Stock Incentive Plan recognize an executive's contribution to our overall corporate performance and provide a financial incentive to them to achieve our long-term goals.

Our 2008 Stock Option and Stock Incentive Plan is designed to provide the Compensation Committee the flexibility to award long-term equity compensation incentives from several types of equity-based awards, including stock appreciation rights, restricted stock and stock options. From time to time, we have provided our named executive officers with long-term incentives in the form of incentive or non-qualified stock options and grants of restricted stock, which awards typically vest over a five year period, provided the officer remains employed by the Company. The time-vesting element of the equity awards is structured as an incentive for continued employment and to align the interest of our officers with those of shareholders.

Historically, we have provided our named executive officers with equity awards in connection with new hires and promotions. Although we have not established specific target awards governing the receipt, timing or size of such awards, we customarily make equity grants on or soon after the initial date of hire or date of promotion. As such equity awards are intended as an incentive for employment, the amount of each equity award may vary from executive to executive depending on the particular circumstances. Typically, the amount of the equity award is based upon, among other things, the experience, expertise and responsibility of each named executive officer, the financial performance of the Company and such other factors as deemed appropriate, consistent with our previously described compensation philosophy. In addition, with respect to new hires, an initial grant made on or soon after the date of hire serves to help recruit new executives. In fiscal 2012, we did not issue equity awards to our named executive officers.

401(k) Retirement Plan. All of our employees, including our executive officers, are entitled to participate in the Company's 401(k) Retirement Plan and to receive a portion of the Company's voluntary contribution in either cash or shares of the Company's common stock in accordance with the terms of the 401(k) Retirement Plan. We offer the 401(k) Retirement Plan, including the Company's voluntary contribution, to enhance our ability to attract and retain talented executives and other key employees and to encourage them to systematically save for retirement.

The 401(k) Retirement Plan is administered by a third-party administrator and is available to all employees once they satisfy certain age and service requirements. Individual accounts are maintained for the cash contributions made on behalf of each eligible employee and each eligible employee has a choice of investment options from among a variety of mutual funds and professionally managed accounts as to the contributions to the account. There are two types of contributions to the 401(k) Retirement Plan: (1) voluntary employee contributions which we deduct from each participating employee's compensation (subject to certain limits established by law); and (2) a company discretionary contribution made in cash, common stock or a combination thereof, which is determined by multiplying the percentage approved by the Compensation Committee by the employee's annual compensation.

Benefits are payable at age 65 (normal retirement), total disability, death, or upon early employment termination. There are vesting requirements for our contributions, but not for the officer's voluntary contributions. The vesting schedule provides for twenty percent vesting each year after one year of service, with one hundred percent vesting at six years or more.

For the fiscal year 2012, we contributed an amount equal to four percent of each eligible officer's annual compensation (with certain limitations to highly compensated employees). Our contribution was funded entirely in cash.

Non-Qualified Deferred Compensation Plan. On January 25, 2011, our Compensation Committee approved a Non-Qualified Deferred Compensation Plan. All of our named executive officers are eligible to participate in the Non-Qualified Deferred Compensation Plan. Our Non-Qualified Deferred Compensation Plan is intended to benefit a select group of our highly compensated contributors who are key to our future success and to help attract and retain management talent going forward. Our Non-Qualified Deferred Compensation Plan is an unfunded arrangement and is intended to be exempt from the participation, vesting, funding and fiduciary requirements of the Employee Retirement Income Security Act of 1974, as amended (ERISA). This Non-Qualified Deferred Compensation Plan is intended to comply with Section 409A of the Code.

Under our Non-Qualified Deferred Compensation Plan, a participant may contribute, on a tax deferred basis, 25% of his base salary and 90% of his bonus annually. A participant's account is notionally invested in one or more investment funds and the value of the account is determined with respect to such investment allocations. The minimum deferral period is two years for in-service accounts. Each participant is 100% vested in all of his deferred contributions plus any earnings or losses on the investment of such deferrals. Deferred amounts will be distributed upon the occurrence of the following events: (i) separation of employment, (ii) as elected after minimum deferral period (either lump sum or in equal installments up to 5 years), (iii) death, (iv) disability (as defined by Section 409A of the Code), or (v) the occurrence of an unforeseen emergency as defined in the Non-Qualified Deferred Compensation Plan. Although the Non-Qualified Deferred Compensation Plan permits discretionary employer contributions, we have not yet made a contribution to the plan.

In order for our Non-Qualified Deferred Compensation Plan to comply with the applicable requirements of the Code, amounts deferred by our named executive officers must remain as employer assets, subject to the claims of the general creditors in the event of bankruptcy or forced liquidation of the Company.

Agreements with Named Executive Officers. In April 2008, we entered into an employment agreement with Mr. Berman in order to provide further stability and continuity in the management of our company. In negotiating the employment agreement with Mr. Berman, the Compensation Committee analyzed the terms of employment arrangements for comparable executives employed by other publicly held companies. The committee also considered Mr. Berman's responsibilities and contributions to our strategic business development, as well as our aggregate potential obligations under the agreement, including payments upon termination of employment. See Narrative Disclosure to Summary Compensation and Grants of Plan-Based Awards Tables for a discussion of the employment agreement with Mr. Berman. In addition to the employment agreement with Mr. Berman, we have agreed to provide Messrs. Barton and Beretta with six months' salary continuation in the event of a termination of employment without cause, as determined by the Compensation Committee.

Post-Employment and Change in Control Benefits. Under the employment agreement with Mr. Berman and the severance arrangements with Messrs. Barton and Beretta, severance payments provided by us include a salary continuation component over a specified term. In addition, the employment agreement with Mr. Berman provides for annual cash payments in the amount of \$150,000 in lieu of annual bonuses for the remainder of the term and continued medical, dental, vision and hospitalization insurance benefits. Severance benefits may also include the accelerated vesting of stock options and restricted stock awards. The severance arrangements with Messrs. Barton and Beretta provide for severance payments upon any termination of employment other than for cause, as determined by the Compensation Committee.

Generally speaking, we provide severance to our executives to give them financial security in the event they suffer an involuntary termination other than for cause. The payment of the severance benefits is linked to our compensation philosophy of encouraging the retention of our executives that successfully contribute to our annual and long-term goals.

The employment agreement with Mr. Berman provides for severance benefits pursuant to a modified single trigger in the event of a change in control of our company; that is, the executive is entitled to the severance benefits for any termination within 12 months following a Change in Control, as defined in the employment agreement, other than for death, Disability or Cause, as such terms are defined in the employment agreement. We believe that a modified single trigger change in control provision (i) provides a powerful retention device during change in control discussions, and (ii) ensures Mr. Berman is not deprived of the benefits earned or reasonably expected to be received if there was no change in control. See Potential Payments upon Termination or Change in Control for a summary of the termination provisions in the employment agreement with Mr. Berman.

Perquisites and other Benefits. We annually review the perquisites that our executive officers receive. All members of senior management, including our named executive officers, are eligible to participate in the Company's other benefits plans on the same terms as our other employees, which plans include medical, dental and life insurance. Relocation benefits are generally reimbursed pursuant to our relocation benefits policy but may be individually negotiated on an as needed basis.

With respect to the growth bonus, the Compensation Committee determined that the participating officers were each eligible to receive the following payments:

Narrative Disclosure to Summary Compensation Table

Employment Agreement with Steven L. Berman

On April 1, 2008, we entered into an employment agreement with Mr. Berman. The agreement had an initial term of three years expiring March 31, 2011. On each anniversary of the effective date of the agreement, the term of the agreement automatically extends for an additional one year unless further extended or earlier terminated as provided in the agreement. Accordingly, in effect, the term of Mr. Berman's employment agreement is a rolling three year period unless earlier terminated.

Pursuant to the employment agreement, annual base salary was initially set at \$514,370 per year, subject to increase but not decrease from time to time as determined by the Compensation Committee. The employment agreement also provides for (i) eligibility for an annual bonus and other benefits provided under the Executive Cash Bonus Plan or other plans maintained by the Company, in such amounts as determined by the Compensation Committee, in its sole discretion; and (ii) eligibility to participate in other employment benefits plans or arrangements generally available to executive officers of the Company, four weeks paid vacation per year and the use of an automobile and related expenses provided for by the Company.

The employment agreement may be terminated by us with or without Cause or by Mr. Berman for Good Reason or for no reason, as such terms are defined in the agreement.

The employment agreement also provides for non-solicitation and non-competition provisions for the term of the agreement and two years thereafter. The agreement also includes standard confidentiality and trade secret provisions typically included in agreements of this type.

Additionally, the employment agreement contains provisions that provide for certain payments upon termination or a change in control of our company. See Potential Payments upon Termination or Change in Control for a discussion of potential payments to Mr. Berman upon a termination of his employment with us.

2008 Stock Option and Stock Incentive Plan

The purpose of the 2008 Stock Option and Stock Incentive Plan is to assist us in attracting, motivating, retaining and rewarding executives and other employees, officers, directors, consultants and advisors who provide services to us, by enabling such persons to invest in our common stock and thereby acquire a proprietary interest in the Company and an increased personal interest in our continued success and progress. Pursuant to the plan, we may grant (i) stock options to purchase our common stock which are intended to qualify as incentive stock options under Section 422 of the Code and the regulations promulgated thereunder, (ii) stock options to purchase our common stock not intended to so qualify, and (iii) restricted shares of our common stock.

The maximum number of shares which may be issued under the 2008 Stock Option and Stock Incentive Plan is 2,000,000 shares of our common stock, subject to adjustment as provided by the plan. Up to 1,000,000 shares of common stock may be issued upon the exercise of incentive stock options. The plan imposes individual limitations on the amount of certain equity awards. No outside director may receive equity awards under the plan which in the aggregate equal more than 50% of the total number of shares of common stock authorized for issuance under the plan and no officer, employee or consultant may receive equity awards under the plan which in the aggregate equal more than 90% of the total number of shares of common stock authorized for issuance under the plan. No individual may receive equity awards of more than 50% of the shares reserved for issuance under the plan in any calendar year.

The 2008 Stock Option and Stock Incentive Plan is administered by the Compensation Committee. Subject to the provisions of the plan, the Compensation Committee determines, among other things, which of our officers, directors, employees, consultants and advisors will be granted equity awards under the plan, whether awards granted will be incentive stock options, non-qualified options, or restricted shares, the number of shares subject to an equity award, the time at which an equity award is granted, the rate of vesting for restricted shares, the rate of exercisability for an option award, the duration of an equity award, acceleration of vesting of an equity award upon a change in control of the Company, and, subject to the terms of the plan, the exercise price of an option. The Compensation Committee has the exclusive right to adopt or rescind rules for the administration of the plan, correct defects and omissions in, reconcile inconsistencies in, and construe the plan. The Committee also has the right to modify, suspend or terminate the plan, subject to certain conditions.

The Board reserves the right at any time, and from time to time, to amend or supplement the 2008 Stock Option and Stock Incentive Plan in any way or to suspend or terminate it. If an amendment or supplement of the plan is required by the Code to be approved by our shareholders in order to permit the granting of incentive stock options pursuant to the amended or supplemented plan, such amendment or supplement shall also be approved by our shareholders in such manner as is prescribed by the Code. If the Board voluntarily submits a proposed amendment, supplement, suspension or termination for shareholder approval, such submission shall not require any future amendments, supplements, suspensions or terminations (whether or not relating to the same provision or subject matter) to be similarly submitted for shareholder approval.

Narrative Disclosure to Non-Qualified Deferred Compensation Table

Our Non-Qualified Deferred Compensation Plan is intended to benefit a select group of our highly compensated contributors, including our named executive officers, who are key to our future success and to help attract and retain management talent going forward. Our Non-Qualified Deferred Compensation Plan is an unfunded arrangement and is intended to be exempt from the participation, vesting, funding and fiduciary requirements of ERISA and comply with Section 409A of the Code.

Under our Non-Qualified Deferred Compensation Plan, a participant may contribute, on a tax deferred basis, 25% of his base salary and 90% of his bonus annually. A participant's account is notionally invested in one or more investment funds and the value of the account is determined with respect to such investment allocations. The minimum deferral period is two years for in-service accounts. Each participant is 100% vested in all of his or her deferred contributions plus any earnings or losses on the investment of such deferrals. Deferred amounts will be distributed upon the occurrence of the following events: (i) separation of employment, (ii) as elected after minimum deferral period (either lump sum or in equal installments up to 5 years), (iii) death, (iv) disability (as defined by Section 409A of the Code), or (v) the occurrence of an unforeseen emergency, as defined in the Non-Qualified Deferred Compensation Plan. Although the Non-Qualified Deferred Compensation Plan permits discretionary employer contributions, we have not yet made a contribution to the plan.

In order for our Non-Qualified Deferred Compensation Plan to comply with the applicable requirements of the Code, amounts deferred by our named executive officers must remain as employer assets, subject to the claims of the general creditors in the event of bankruptcy or forced liquidation of the Company.

Potential Payments upon Termination or Change in Control

In 2012, upon termination of employment and/or upon a change in control, our named executive officers would have been entitled to receive from us potential payments and benefits under the following agreements and plans:

employment agreements and severance arrangements with our named executive officers;

our 2008 Stock Option and Stock Incentive Plan; and

our Executive Cash Bonus Plan.

Employment Agreement with Steven L. Berman

Employment Agreement Terms

The employment agreement with Mr. Berman specifies our obligations to Mr. Berman upon termination of his employment under various circumstances. The employment agreement may be terminated (i) upon Mr. Berman's death, (ii) by us on 90 days written notice upon the Disability of Mr. Berman, (iii) by us upon written notice to Mr. Berman without Cause or with Cause, provided Mr. Berman will be given five business days to appear with counsel before the Compensation Committee to present information regarding his views on the Cause event and overturn the termination decision, (iv) by Mr. Berman upon 60 days written notice without Good Reason, (v) at any time prior to the 120 day after any event providing Good Reason, provided that within 90 days of any such event having occurred Mr. Berman has provided written notice and afforded the Company 30 days to cure such event, or (vi) by Mr. Berman for any reason within 12 months following a Change in Control, other than for death, Disability or Cause.

Under the terms of Mr. Berman's employment agreement, Disability means Mr. Berman's disability under the Company's long-term disability plan, if any, otherwise, his inability to perform his duties and responsibilities under the agreement, with or without reasonable accommodation, due to any physical or mental illness or incapacity, which condition either (i) has continued for a period of 270 days (including weekends and holidays) in any consecutive 365-day period or (ii) is projected by the Board in good faith after consulting with a physician selected by the Company, that the condition is likely to continue for a period of at least nine consecutive months from its commencement.

Under the terms of Mr. Berman's employment agreement, Cause means the occurrence of any one of the following as determined by our Board: (i) the willful and continued failure by Mr. Berman to attempt in good faith substantially to perform his obligations under the agreement (other than any such failure resulting from incapacity due to a Disability); provided, however, that the Company shall have provided written notice that such actions are occurring and, where practical, afforded at least 30 days to cure; (ii) the indictment of Mr. Berman for, or his conviction of or plea of guilty or nolo contendere to, a felony or any other crime involving moral turpitude or dishonesty; or (iii) Mr. Berman's willfully engaging in misconduct in the performance of his duties for the Company or other than in the performance of his duties for the Company (including, but not limited to, theft, fraud, embezzlement, and securities law violations or a violation of the Company's code of conduct or other written policies) that is materially injurious to the Company, or, in the good faith determination of the Compensation Committee, is potentially materially injurious to the Company, monetarily or otherwise.

Under the terms of Mr. Berman's employment agreement, "Good Reason" means the occurrence of any of the following events without Mr. Berman's consent: (i) a material diminution of the authorities, duties or responsibilities as set forth in the agreement; (ii) the loss of any titles with the Company as set forth in the agreement; (iii) a reduction by the Company in base salary; (iv) a material change in the primary place of employment; (v) the failure by the Compensation Committee to nominate or re-nominate Mr. Berman as a member of the Board or removal of Mr. Berman as a member of the Board (other than as a result of or due to death or Disability, because of a legal prohibition under applicable law or regulation, or for Cause); (vi) the assignment to Mr. Berman of duties or responsibilities which are materially inconsistent with any of his duties and responsibilities set forth in the agreement; or (vii) a change in the reporting structure so that Mr. Berman reports to someone other than as specified in the agreement.

Under the terms of Mr. Berman's employment agreement, "Change in Control" means the occurrence of any one of the following events: (i) any person or other entity (other than any of the Company's subsidiaries or any employee benefit plan sponsored by the Company or any of its subsidiaries), including any person as defined in Section 13(d)(3) of the Exchange Act, becomes the beneficial owner, as defined in Rule 13d-3 under the Exchange Act, directly or indirectly, of more than 50% of the total combined voting power of all classes of capital stock of the Company normally entitled to vote for the election of directors of the Company, referred to as the "Voting Stock"; (ii) the Board and/or the shareholders of the Company approve the sale of all or substantially all of the property or assets of the Company and such sale occurs; (iii) the Board and/or the shareholders of the Company approve a consolidation or merger of the Company with another entity (other than with any of the Company's subsidiaries), the consummation of which would result in the shareholders of the Company immediately before the occurrence of the consolidation or merger owning, in the aggregate, less than 50% of the Voting Stock of the surviving entity, and such consolidation or merger occurs; or (iv) a change in the Board occurs with the result that the members of the Board on the effective date of this Agreement, referred to as the "Incumbent Directors," no longer constitute a majority of such board of directors, provided that any person becoming a director (other than a director whose initial assumption of office is in connection with an actual or threatened election contest or the settlement thereof, including but not limited to a consent solicitation, relating to the election of directors of the Company) whose election or nomination for election was supported by more than half of the then Incumbent Directors shall be considered an Incumbent Director for purposes hereof.

Employment Agreement Benefits

Upon the termination of Mr. Berman's employment for Cause or by Mr. Berman without Good Reason, Mr. Berman shall receive: (i) any earned but unpaid base salary through the date of termination, paid in accordance with the Company's standard payroll practices; (ii) reimbursement for any unreimbursed expenses properly incurred and paid in accordance with the Company's business expense reimbursement policy; (iii) payment for any accrued but unused vacation time in accordance with Company policy; and (iv) such vested accrued benefits, and other payments, if any, as to which Mr. Berman (and his eligible dependents) may be entitled under, and, in accordance with the terms and conditions of, the employee benefit arrangements, plans and programs of the Company as of the date of termination, (i) through (iv) collectively referred to as the "Amounts and Benefits."

Upon the termination of Mr. Berman's employment by death or Disability, for Good Reason or without Cause, or within 12 months following a Change in Control, other than for death, Disability or Cause, Mr. Berman or his estate shall receive: (i) the Amounts and Benefits; (ii) base salary payments until the expiration of the term of the agreement in accordance with the usual payroll practices of the Company, referred to as the salary continuation benefits; (iii) in lieu of annual bonuses, annual cash payments in the amount of \$150,000, on each March 15 during the remainder of the term of the agreement, referred to as the payments in lieu of bonus; and (iv) for the remainder of the term of the agreement, the Company shall continue on behalf of Mr. Berman and his dependents and beneficiaries any medical, dental, vision and hospitalization benefits provided to Mr. Berman immediately prior to the date of termination or reimburse Mr. Berman for his medical, dental, vision and hospitalization related expenses, referred to as the health benefits. The Company's obligation with respect to the health benefits are limited to the extent that Mr. Berman obtains any such benefits pursuant to a subsequent employer's benefit plans, in which case the Company may reduce the coverage of any benefits it is required to provide as long as the aggregate coverages and benefits of the combined benefit plans are no less favorable than the coverages and benefits required to be provided under the agreement.

Notwithstanding any provision to the contrary in the employment agreement, the Company's obligation to pay or to provide the above payments and benefits (other than the Amounts and Benefits) are conditioned on Mr. Berman executing and not revoking a waiver and general release.

Severance Arrangements with Messrs. Barton and Beretta

We have agreed to provide each of Messrs. Barton and Beretta, in the event of the termination of such executive's respective employment without cause as determined by the Compensation Committee, with six months of salary continuation paid in accordance with the Company's standard payroll practices. Under the severance arrangements, cause means (i) the gross neglect or willful failure by the executive to perform his duties and responsibilities in all material respects; (ii) any act of fraud by the executive, whether relating to the Company and its subsidiaries or otherwise; (iii) the conviction or entry into a plea of nolo contendere by the executive with respect to any felony or misdemeanor (other than a traffic offense which does not result in imprisonment); or (iv) the commission by the executive of any willful or intentional act (including any violation of law) which materially injures the reputation or materially adversely affects the business or business relationships of the Company. For purposes of this definition, no act, or failure to act, on the executive's part shall be deemed willful unless done, or omitted to be done, by the executive not in good faith and without reasonable belief that the executive's act, or failure to act, was in the best interest of the Company.

Risk Assessment in Compensation Policies and Practices for Employees

The Compensation Committee reviewed the elements of our compensation policies and practices for all employees, including executive officers, in order to evaluate whether risks that may arise from such compensation policies and practices are reasonably likely to have a material adverse effect on our Company. The Compensation Committee concluded that the following features of our compensation programs guard against excessive risk-taking:

compensation programs provide a balanced mix of short-term and longer-term incentives;

base salaries are consistent with employees' duties and responsibilities;

corporate performance goals are appropriately set to avoid targets that, if not achieved, result in a large percentage loss of compensation;

cash incentive awards are capped by the Compensation Committee;

cash incentive awards are tied mostly to corporate performance goals, rather than individual performance goals; and

vesting periods for equity awards encourage executives to focus on sustained stock price appreciation.

The Compensation Committee believes that, for all employees, including named executive officers, our compensation programs do not lead to excessive risk-taking and instead encourage behavior that supports sustainable value creation. We believe that risks that may arise from our compensation policies and practices for our employees, including our named executive officers, are not reasonably likely to have a material adverse effect on our Company.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee consisted of Richard T. Riley, John F. Creamer, Jr., Paul R. Lederer and Edgar W. Levin (Chairman) in the fiscal year ended December 29, 2012. No person who served as a member of the Compensation Committee during the fiscal year ended December 29, 2012 was a current or former officer or employee of the Company or engaged in certain transactions with the Company required to be disclosed by regulations of the SEC. Additionally, there were no compensation committee interlocks during the fiscal year ended December 29, 2012, which generally means that no executive officer of the Company served as a director or member of the compensation committee of another entity, one of whose executive officers served as a director or member of the Compensation Committee of the Company.

Certain Relationships and Related Transactions

On November 15, 2012, we entered into a lease agreement for our primary operating facility in Colmar, Pennsylvania with BREP I, a Pennsylvania limited partnership, which replaces the prior lease agreement between the parties that expired according to its terms on December 28, 2012. The limited partners of BREP I are Steven L. Berman, our Chairman of the Board, Chief Executive Officer and Secretary-Treasurer, the Estate of Richard N. Berman, of which Steven L. Berman is a co-executor, Steven L. Berman's father, Jordan S. Berman, and Steven L. Berman's brothers, Marc H. Berman and Fred B. Berman. Steven L. Berman and the Estate of Richard N. Berman each own a 27.9% interest in BREP I. Steven L. Berman and the Estate of Richard N. Berman are controlling shareholders of BREP, Inc., a Pennsylvania corporation, which is the general partner of BREP I. Jordan S. Berman, Marc H. Berman and Fred B. Berman are each directors and officers of BREP, Inc.

The leased facility consists of approximately 342,000 square feet of office, warehouse, and storage space. In 2012, we paid rent of \$4.45 per square foot, or approximately \$1.5 million, under the expired lease agreement. The term of the new lease agreement began on December 29, 2012 and expires on December 31, 2017, referred to as the base term, unless terminated or renewed in accordance with its terms. Under the new lease agreement, we will pay BREP I annual rent of \$4.40 per square foot, subject to an annual rent increase based on the Consumer Price Index, All Urban Consumers U.S. City Average, All Items. The approximate amount of rent expected to be paid during the base term is \$8.0 million. The new lease agreement is a triple net non-terminable lease under which we are responsible for all expenses attributable to the facility (including maintenance and repair) and the conduct of its operations in compliance with all applicable laws and regulations.

- (1) The securities beneficially owned by a person are determined in accordance with the definition of beneficial ownership set forth in the regulations of the SEC and, accordingly, may include securities owned by or for, among others, the spouse, children or certain other relatives of such person as well as other securities as to which the person has or shares voting or investment power. The same shares may be beneficially owned by more than one person. Shares of common stock currently issuable or issuable within 60 days of the record date upon the exercise of options are deemed to be outstanding in computing the beneficial ownership and percentage of beneficial ownership of the person holding such securities, but are not deemed to be outstanding in computing the percentage of beneficial ownership of any other person. Report of Audit Committee

The information contained in this Audit Committee report is not soliciting material and has not been filed with the SEC. This report will not be incorporated by reference into any of our future filings under the Securities Act or the Exchange Act, except to the extent that we may specifically incorporate it by reference into a future filing.

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management is responsible for the financial statements and the reporting process, including the internal control over financial reporting. The Company's independent registered public accounting firm, KPMG LLP (KPMG), is responsible for expressing an opinion on the conformity of the audited financial statements with U.S. generally accepted accounting principles and an opinion on the effectiveness of the Company's internal controls over financial reporting. The Audit Committee monitors these processes. The Committee has reviewed and discussed the audited financial statements with management and management's and KPMG's evaluations of the Company's system of internal controls over financial reporting contained in the 2012 Annual Report on Form 10-K.

As required by the standards of the Public Company Accounting Oversight Board (PCAOB), the Committee has discussed with KPMG (i) the matters specified in Statement on Auditing Standards No. 61, Communications with Audit Committees, (Codification of Statements of Auditing Standards, August 2, 2008 AU 380), as amended, as adopted by the PCAOB in Rule 3200T; and (ii) the independence of KPMG from the Company and management. KPMG has provided the Audit Committee the written disclosures and letter required by applicable requirements of the PCAOB regarding the independent accountant communicating with the Audit Committee concerning independence. The Audit Committee also considered the non-audit services provided by KPMG in their review of KPMG's independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, the inclusion of the audited financial statements and management's report on internal control over financial reporting in the Company's Annual Report on Form 10-K for the year ended December 29, 2012 for filing with the SEC.

Proposal II Ratification of KPMG LLP as Independent Registered Public Accounting Firm

Our independent registered public accounting firm for the fiscal year ended December 29, 2012 was the firm of KPMG LLP. The Audit Committee has appointed KPMG LLP as our independent registered public accounting firm to audit our financial statements for the fiscal year ending December 28, 2013. A representative of KPMG LLP is expected to be present at the annual meeting and to have the opportunity to make a statement, if he desires to do so, and is expected to be available to respond to appropriate questions.

The Audit Committee, with the endorsement of the Board, recommends that you ratify that appointment. Although ratification is not required by our bylaws or otherwise, we are submitting the selection of KPMG LLP to you for ratification as a matter of good corporate practice. If the selection is not ratified by a majority of the votes cast on this proposal at the annual meeting, our Audit Committee will consider whether it is appropriate to select another registered public accounting firm. Even if the selection is ratified, our Audit Committee in its discretion may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our shareholders.

**The Board recommends you vote FOR the ratification of KPMG LLP as our independent
registered public accounting firm for the 2013 fiscal year.**

Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent registered public accounting firm is engaged to perform it. The Audit Committee pre-approved all of the audit and non-audit services provided by KPMG LLP to us during the fiscal years ended December 29, 2012 and December 31, 2011.

Shareholder Proposals

Proposals by shareholders to be presented at our annual meeting of shareholders to be held in 2014 must be received by us no later than December 4, 2013 in order to be considered for inclusion in our proxy statement and form of proxy for that meeting. Any such proposal must also comply with the proxy rules under the Exchange Act, including Rule 14a-8.

In addition, shareholders are notified that the deadline for providing us timely notice of any shareholder proposal to be submitted outside of the process of Rule 14a-8 of the Exchange Act for consideration at our 2014 annual meeting of shareholders is not earlier than the close of business on January 14, 2014 and not later than the close of business on February 13, 2014. Any such notice must comply with our Amended and Restated By-Laws, a copy of which may be obtained on our website located at www.dormanproducts.com and accessible via the Corporate Governance page. As to all such matters for which we do not have notice on or prior to such date, discretionary authority shall be granted to the persons designated in our proxy statement related to the 2014 annual meeting of shareholders to vote on such proposal.

Annual Report

A copy of our 2012 Annual Report to Shareholders, including our Form 10-K for the fiscal year ending December 29, 2012, is being furnished concurrently with this proxy statement at <http://www.proxyvote.com>. If you previously requested electronic or paper delivery, you will be sent the 2012 Annual Report to Shareholders on or about April 3, 2013.

A copy of our Annual Report on Form 10-K for the fiscal year ended December 29, 2012, including the financial statements and financial statement schedules (except for exhibits), can also be obtained without charge by writing to Dorman Products, Inc., 3400 East Walnut Street, Colmar, Pennsylvania 18915, Attn: Thomas J. Knoblauch, Assistant Secretary. We also make available, free of charge, on our website located at www.dormanproducts.com, our Annual Report on Form 10-K, including all amendments thereto.

Solicitation of Proxies

We will pay all expenses incurred in connection with the solicitation of proxies. In addition to solicitation by mail, our officers, directors and regular employees, who will receive no additional compensation for their services, may solicit proxies in person or by telephone or facsimile. We have requested that brokers and nominees who hold stock in their names furnish this proxy material to their customers; we will reimburse these brokers and nominees for their out-of-pocket and reasonable expenses.

Although it is not anticipated, we reserve the right to retain a professional firm of proxy solicitors to assist in solicitation of proxies. We estimate that we would be required to pay such firm fees ranging from \$7,500 to \$15,000 plus out-of-pocket expenses.

Other Matters

As of the date of this proxy statement, no other matter is known which will be brought before the annual meeting. However, the proxy confers discretionary authority to vote with respect to any and all of the following matters that may come before the meeting: (i) matters to be presented at the annual meeting which we did not have notice on or prior to February 14, 2013; (ii) approval of the minutes of a prior meeting of shareholders, if such approval does not constitute ratification of the action at the meeting; (iii) the election of any person to any office for which a bona fide nominee is unable to serve or for good cause will not serve; (iv) any proposal omitted from this proxy statement and the form of proxy pursuant to Rule 14a-8 or Rule 14a-9 under the Exchange Act; and (v) matters incidental to the conduct of the meeting. If any such matters come before the meeting, the proxy agents named in the accompanying proxy card will vote in accordance with their best judgment and discretion.

Householding

Householding is a procedure that permits the Company to send a single set of its proxy statement and the 2012 Annual Report to Shareholders to any household at which two or more shareholders having requested electronic or paper delivery of such documents reside if the Company believes they are members of the same family. Each shareholder will continue to receive a separate proxy card for voting and attendance purposes. Householding reduces the volume of duplicate information you receive, as well as the Company's expenses. If your family has multiple Company accounts, you may have received a householding notification from your broker, bank or other nominee or the Company's transfer agent. Please contact your broker, bank or other nominee or the transfer agent directly if you have questions, require additional copies of this proxy statement or the 2012 Annual Report to Shareholders, or wish to opt out of householding. These options are available to you at any time. Upon written or oral request to your broker, bank or other nominee or the transfer agent, a separate copy of this proxy statement or the 2012 Annual Report to Shareholders will be sent promptly to any shareholder of record to whom householding applies.
