A majority of the common shares entitled to vote at the Annual Meeting, present either in person or by proxy, will constitute a quorum. Shareholders who abstain from voting on any or all proposals will be included in the number of shareholders present at the meeting for purposes of determining the presence of a quorum. Abstentions and broker non-votes will not be included in the total of votes cast and will not affect the outcome of the vote.

With respect to proposal 1, the election of Trustees, the affirmative vote of a plurality of the votes cast at the meeting is required to elect a trustee.

With respect to proposal 2, the ratification of the selection of the Company's independent auditors, the votes that shareholders cast for must exceed the votes that shareholders cast against to approve.

With respect to proposal 3, the advisory vote on executive compensation, the votes that shareholders cast for must exceed the votes that shareholders cast against to approve.

If your shares are held by a broker on your behalf (that is, in street name), and you do not instruct the broker as to how to vote these shares on proposals 1, 3 or 4, the broker may not exercise discretion to vote for or against those proposals. This would be a broker non-vote and these shares will not be counted as having been voted on the applicable proposal. With respect to proposal 2, the broker may exercise its discretion to vote for or against that proposal in the absence of your instruction. **Please instruct your bank or broker so your vote can be counted.**

PROPOSAL 1: ELECTION OF TRUSTEES

Your vote is requested in favor of nine trustees to serve until the next Annual Meeting of shareholders and until their successors are duly elected and qualified. Each of the nominees is currently a trustee of the Company and each of their terms expires at this Annual Meeting.

The Company's bylaws provide that the number of trustees shall be determined from time to time by the Board of Trustees, but may not be less than one. The Company's Board of Trustees currently consists of nine persons.

Trustees typically are elected for a period of one year and thereafter serve until the next Annual Meeting at which their successors are duly elected by our shareholders. Each nominee for election has agreed to serve if elected, and we have no reason to believe that any nominee will be unavailable to serve. If any nominee is unable or declines to serve as a trustee at the time of the Annual Meeting, the proxies named in the proxy card will vote for a nominee designated by the present Board of Trustees to fill the vacancy. Unless otherwise instructed, the proxies named in the proxy card will vote all of the shares for which they hold proxies **FOR** the nominees named below.

Each nominee has indicated a willingness and ability to serve as a Trustee. If any nominee becomes unable or unwilling to serve, the accompanying proxy may be voted for the election of such other person as will be designated by the Board of Trustees. Each Trustee will be elected by a plurality of the votes cast, in person or by proxy, at the Annual Meeting, assuming a quorum is present.

The following candidates for election have been nominated by the Board based on the recommendation of the Nominating and Governance Committee. In addition to the information presented below regarding each nominee's specific experience, qualifications, attributes and skills that led the Board to conclude that he should serve as a Trustee, the Board believes that each nominee has demonstrated outstanding achievement in his professional career; relevant experience; personal and professional integrity; ability to make independent, analytical inquiries; experience with and understanding of the business environment; and willingness and ability to devote adequate time to Board duties. We also believe that our Trustees collectively have the skills and experience to create a board that is well-suited to oversee the Company. Members of our Board have had a great diversity of experiences and bring to our Board a wide variety of views that strengthen their ability to guide our Company.

The Board of Trustees unanimously recommends that you vote FOR each of the trustee nominees described in this Proposal 1.

Trustee Independence

Our Corporate Governance Guidelines, which are available on our website at www.chathamlodgingtrust.com, require that a majority of our trustees be independent. Our Board of Trustees has adopted the categorical standards prescribed by the New York Stock Exchange (the "NYSE") to assist the Board of Trustees in evaluating the independence of each trustee. The categorical standards describe various types of relationships that could potentially exist between a board member and our Company and sets thresholds at which such relationships would be deemed to be material. Provided that no relationship or transaction exists that would disqualify a trustee under the categorical standards and the Board of Trustees determines, taking into account all facts and circumstances, that no other material relationship between our Company and the trustee exists of a type not specifically mentioned in the categorical standards, the Board of Trustees will deem such person to be independent. A trustee shall not be independent if he or she satisfies any one or more of the following criteria:

a trustee who is, or who has been within the last three years, an employee of our Company, or whose immediate family member is, or has been within the last three years, an executive officer of the Company;

a trustee who has received, or who has an immediate family member serving as an executive officer who has received, during any twelve-month period within the last three years more than \$120,000 in direct compensation from our Company (excluding trustee and committee fees and pension/other forms of deferred compensation for prior service that is not contingent in any way on continued service);

(i) a trustee who is or whose immediate family member is a current partner of a firm that is our Company's internal or external auditor; (ii) a trustee who is a current employee of such a firm; (iii) a trustee who has an immediate family member who is a current employee of such a firm and personally works on the Company's audit; or (iv) a trustee who was or whose immediate family member was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on our Company's audit within that time;

a trustee who is or has been within the last three years, or whose immediate family member is or has been within the last three years, employed as an executive officer of another company where any of our Company's present executives at the same time serves or served on that company's compensation committee; or

a trustee who is a current employee, or whose immediate family member is a current executive officer, of a company that has made payments to, or received payments from, our Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues (as reported for the last completed fiscal year).

Under these criteria, our Board of Trustees has determined that the following members of our Board of Trustees are independent: Miles Berger, Thomas J. Crocker, Jack P. DeBoer, Glen R. Gilbert, C. Gerald Goldsmith, Robert Perlmutter, Rolf E. Ruhfus and Joel F. Zemans. We presently have nine trustees, including these eight independent trustees.

Committees of the Board

Our Board of Trustees has appointed an Audit Committee, Compensation Committee and a Nominating and Corporate Governance Committee, and has adopted charters for each of these committees which are available on our website at www.chathamlodgingtrust.com. Pursuant to these charters, the composition of each committee is required to comply with the listing standards and other rules and regulations of the NYSE, as amended or modified from time to time. Each of these committees is comprised exclusively of independent trustees, as defined by the listing standards of the NYSE then in effect. In 2012, the Audit Committee met four (4) times, the Compensation Committee met four (4) times, and the Nominating and Governance Committee met three (3) times.

Audit Committee

Our Audit Committee consists of Messrs. Gilbert (Chair), Berger and Zemans. The Audit Committee makes recommendations concerning the engagement of independent public accountants, reviews with the independent public accountants the plans and results of the audit engagement throughout the year including the quarterly reviews, approves professional services provided by the independent public accountants, reviews the independence of the independent public accountants, considers the range of audit and non-audit fees and reviews the adequacy of our internal accounting controls.

Mr. Gilbert, an independent trustee, is the chair of our Audit Committee and is our audit committee financial expert as that term is defined in the rules and regulations of the Securities and Exchange Commission (SEC).

Compensation Committee

Our Compensation Committee consists of Messrs. Goldsmith (Chair), Berger and Zemans. The Compensation Committee determines compensation for our executive officers and trustees, administers our Equity Incentive Plan, produces an annual report on executive compensation for inclusion in our Annual Meeting proxy statement and publishes an annual committee report for our shareholders.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee consists of Messrs. Crocker (Chair) and Goldsmith. The Nominating and Corporate Governance Committee is responsible for seeking, considering and recommending to the board qualified candidates for election as trustees and recommending a slate of nominees for election as trustees at the Annual Meeting. It also periodically prepares and submits to the board for adoption the committee's selection criteria for trustee nominees. As provided in our Corporate Governance Guidelines (which are available on our website at www.chathamlodgingtrust.com), the Committee annually reviews the Board with respect to diversity, age and skills of its members. It reviews and makes recommendations on matters involving general operation of the board and our corporate governance, and it annually recommends to the board nominees for each committee of the board. In addition, the committee annually facilitates the assessment of the Board of Trustees' performance as a whole and of the committees and individual trustees and reports thereon to the board. Shareholders may make recommendations of potential trustee nominees to the Nominating and Corporate Governance Committee, Chatham Lodging Trust, 50 Coconut Row, Suite 211, Palm Beach, FL 33480. Such communications should include information both on the recommending shareholder and the recommended trustee nominee so the Nominating and Corporate Governance Committee may have adequate information to be recommended by our Board or our Nominating and Corporate Governance Committee.

Shareholder Advisory Resolutions

During our 2012 Annual Meeting of shareholders, shareholders voted on an advisory, non-binding resolution to approve executive compensation (Say On Pay) with approximately 93.8% of shareholders voting at the 2012 Annual Meeting voting in favor of executive compensation. After the 2011 Annual Meeting, the Company announced its decision to hold the Say On Pay vote on an annual basis unless and until circumstances warrant a vote on a different timetable.

Code of Business Conduct

We have adopted a corporate code of ethics relating to the conduct of our business by our employees, officers and trustees. We intend to maintain the highest standards of ethical business practices and compliance with all laws and regulations applicable to our business, including those relating to doing business outside the U.S. Specifically, our code of ethics prohibits payments, directly or indirectly, to any foreign official seeking to influence such official or otherwise obtain an improper advantage for our business. A copy of the code of conduct may be obtained at no charge by sending a written request to the Corporate Secretary, 50 Coconut Row, Suite 211, Palm Beach, FL 33480. The code of conduct is available on our website at www.chathamlodgingtrust.com. If the Company makes any amendments to this code (other than technical, administrative, or non-substantive amendments) or grants any waivers, including implicit waivers, from this code to the CEO, chief financial officer, or controller, we will disclose (on our website or in a Form 8-K report filed with the SEC) the nature of the amendment or waiver, its effective date, and to whom it applies.

In 2012, the Company executed on its business plan through achieving industry leading operating results, amending and extending our senior secured credit facility to increase flexibility, and making a key acquisition. The Company produced superior operating performance, among the best in the lodging REIT sector, encompassing such key metrics as revenue per available room (RevPAR) growth of 8.0% year-over-year for the year ended 2012 earnings before interest, taxes, depreciation and amortization (EBITDA) margin and margin growth; operating flow-through and adjusted funds from operation per share. We amended the credit facility in November 2012 to significantly reduce borrowing costs and to extend the maturity date to November 5, 2015. During 2012, we paid shareholder dividends of \$0.78 per share which represents one of the highest per share dividends in the lodging REIT sector, instituted a shareholder friendly monthly dividend payment program and increased our dividend 8 percent for 2013. Furthermore, the Company delivered a total shareholder return of 50.9% in 2012, again among the best in the lodging REIT sector.

On December 27, 2012, the Company acquired the Hampton Inn Portland Downtown, Portland, ME (the Portland Hotel) for a purchase price of \$28.0 million, plus customary pro-rated amounts and closing costs. The Company funded the acquisition with available cash and borrowings under the Company's secured revolving credit facility.

The Company has continued to execute on key strategic initiatives to date in 2013. On January 10, 2013, the Portland Hotel was added to the secured revolving credit facility borrowing base. On January 14, 2013, the Company completed a follow-on common share offering that resulted in the sale of 3,500,000 common shares at \$14.70 per share, generating gross proceeds of \$51.5 million. Net proceeds, after underwriters discounts and commissions and other offering costs, were approximately \$49.1 million. The funds were used to pay down the \$28.0 million borrowed on its secured revolving credit facility to fund the acquisition of the Portland Hotel and to partially fund the acquisition of the 197-room Courtyard by Marriott Houston Medical Center hotel in Houston, TX (the Houston Courtyard Hotel). On January 18, 2013, the Company refinanced the mortgage loans for the Residence Inn Tysons Corner and the Homewood Suites San Antonio hotels. The Residence Inn Tysons Corner loan amount is \$24.2 million at an interest rate of 4.49%. The Homewood Suites San Antonio hotel loan amount is \$17.7 million at an interest rate of 4.59%. Both loans have a 10 year term and a 30 year amortization payment schedule. There were no prepayment penalties incurred with these transactions. On January 31, 2013, the Company paid off the mortgage loan for the Doubletree Suites Washington, DC for approximately \$19.7 million. There was no prepayment penalty or significant costs incurred with this transaction.

On January 31, 2013, the underwriters' option to purchase additional shares associated with the January 14, 2013 offering were exercised for 92,677 shares at \$14.70 per common share, generating gross proceeds of \$1.4 million. Net proceeds, after underwriters' discounts and commissions and other offering costs, were approximately \$1.3 million. On February 1, 2013, the Company refinanced the mortgage loan for the Residence Inn Mission Valley in San Diego, CA. The loan amount is \$30.9 million at an interest rate of 4.66%. The loan has a 10 year term and a 30 year amortization payment schedule. There was no prepayment penalty or significant costs incurred with this transaction.

On February 5, 2013, the Company acquired the Houston Courtyard Hotel for \$34.8 million. The Company funded the acquisition with funds from the January common share offerings and the remainder from borrowings under its secured revolving credit facility.

Our compensation policies and practices for our independent trustees are described above under Trustee Compensation.

Shareholder Communications to the Board

Shareholders and all interested parties may contact an individual Trustee, the Board as a group, or a specified Board committee or group, including the non-employee Trustees as a group, at the following address: Corporate Secretary, Chatham Lodging Trust, 50 Cocoanut Row, Suite 211, Palm Beach, FL 33480 Attn: Board of Trustees. The Company will receive and process communications before forwarding them to the addressee. Trustees generally will not be forwarded shareholder communications that are primarily commercial in nature, relate to improper or irrelevant topics, or request general information about the Company.

Meeting Attendance

During the Company's last fiscal year, the Company's Board of Trustees met four (4) times. Each member of the Board attended 75% or more of the Board meetings and meetings of the committees on which he served either in person or by conference call. As set forth in our Corporate Governance Guidelines, Trustees are invited and encouraged to attend meetings of shareholders. Seven of our Trustees attended last year's Annual Meeting in person and the remaining two Trustees attended telephonically.

Leadership Structure and Risk Oversight

Management is responsible for the day-to-day management of risks we face. The Board has overall responsibility for overseeing risk management with a focus on the more significant risks facing the Company. Our Audit Committee oversees risk policies and processes related to our financial statements, financial reporting processes and liquidity risks, our Nominating and Corporate Governance Committee oversees corporate governance risks and our Compensation Committee oversees risks relating to remuneration of our officers and employees. The Compensation Committee does not believe that the compensation programs which are in place give rise to any risk that is reasonably likely to have a material adverse effect on us.

At each quarterly meeting of the Audit Committee, a portion of the meeting is devoted to reviewing material credit risks, our loan portfolio, status of foreclosure and similar proceedings, status of the properties in our real estate portfolio and other matters which might have a material adverse impact on current or future operations, and, as required, the Audit Committee reviews risks arising from related party transactions. In addition, at each meeting of the Audit Committee, our Chief Financial Officer, as well as the independent accounting firm reviewing or auditing, as the case may be, our financial statements, reports to the committee on the results of operations of the Company and the Company's financial position as well as compliance by our employees with our internal control policies in order to ascertain that no failures of a material nature have occurred. This process assists the Audit Committee in overseeing the risks related to our financial statements and the financial reporting process. At each meeting of the Board of Trustees, a portion of the meeting is dedicated to reviewing and discussing significant risk issues reviewed by the Audit Committee.

Mr. Fisher serves as both our Chairman and our Chief Executive Officer. Mr. Berger has been appointed lead independent trustee. We believe that it is in the best interests of our shareholders for Mr. Fisher to serve as our Chairman because of his unique insight into the Company as well as the lodging industry and his excellent reputation among institutional investors. We also believe that appointing an independent trustee to preside over executive sessions of the Board and providing the opportunity for all trustees to add items to the agenda of meetings of the Board and its committees mitigates the risk that having our Chief Executive Officer serve as our Chairman may cause management to have undue influence on our Board of Trustees. As lead independent trustee, Mr. Berger presides at all meetings of the Board of Trustees at which the Chairman of the Board is not present, has the authority to call meetings of the independent trustees and has such other duties as the Board of Trustees may determine from time to time.

The Board takes an active and informed role in the Company's risk management policies and strategies. At least annually, the Company's executive officers who are responsible for the Company's day-to-day risk management practices will present to the Board a comprehensive report on the material risks to the Company, including credit risk, liquidity risk and operational risk. At that time, the management team will also review with the Board of Trustees the Company's risk mitigation policies and strategies specific to each risk that is identified. If necessary, the Board may delegate specific risk management tasks to management or a committee. Throughout the year, management monitors the Company's risk profile and, on a regular basis, updates the Board as new material risks are identified or the aspects of a risk previously presented to the Board materially change. The Audit Committee also actively monitors risks to the Company throughout the year, and with the aid of management, identifies any additional risks that need to be elevated for the full Board's consideration.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

We pay base salaries and annual bonuses and make grants of awards under our Equity Incentive Plan to certain of our officers. Awards under our Equity Incentive Plan are granted to provide performance and retention incentives to these individuals based on factors such as the desire to retain such officers' services over the long-term, aligning such officers' interest with those of our shareholders, incentivizing such officers over the near-, medium- and long-term, and rewarding such officers for exceptional performance. In addition, our Compensation Committee may determine to make awards to new executive officers to help attract them to our company.

Our compensation program for our named executive officers, Messrs. Fisher, Willis and Craven, consists of four key elements:

Cash compensation, in the form of base salaries and annual cash bonus awards;

Long-term incentives, in the form of restricted share awards and awards of long-term incentive plan (LTIP) units that vest over time;

Health and welfare benefits; and

Severance arrangements under the executives' employment agreements.

Elements of Named Executive Officer Compensation

Annual base salary. Base salary is designed to compensate our named executive officers at a fixed level of compensation that serves as a retention tool throughout the executive's career. The initial base salaries of Messrs. Fisher and Willis were determined by Messrs. Fisher and Willis prior to completion of our IPO while they served as our sole officers and Mr. Fisher was our sole trustee, with the advice and recommendations of an independent compensation consultant, and were ratified by our Compensation Committee following the completion of our IPO. The initial base salary of Mr. Craven was determined by our Compensation Committee in connection with the commencement of Mr. Craven's employment in September 2010. Under their employment agreements, Messrs. Fisher, Willis and Craven were entitled to receive initial annual base salaries for 2012 of \$400,000, \$300,000, \$300,000, respectively, payable in approximately equal bi-weekly installments.

In determining whether to increase base salaries for our named executive officers in any subsequent year, including for 2013, the Compensation Committee considers each executive's role and responsibility, unique skills, future potential with our company, salary levels for similar positions at peer companies, internal pay equity and such other factors as the Compensation Committee may determine to be relevant. For 2013, the Compensation Committee engaged an independent compensation consultant, FTI Consulting (the Compensation Consultant), to prepare a report recommending compensation levels as compared with (1) a peer group of fourteen (14) companies, primarily hotel REITs whose equity market capitalization were similar to the Company's and (2) a specialized peer group comprised of five (5) companies that went public at approximately the same time as the Company. Based on the recommendations of the Compensation Consultant and the successful execution of the Company's business plan, the Compensation Committee recommended, and the full Board approved, increased 2013 annual base salaries for Messrs. Fisher, Willis and Craven of \$450,000, \$315,000, and \$315,000, respectively. Furthermore, at our 2012 Annual Meeting, our shareholders were provided the opportunity to cast votes to approve a non-binding advisory resolution on executive compensation. This advisory vote was approved by nearly 94% of shares voted and supported the Compensation Committee's decisions with respect to 2011 and 2012 executive compensation. The companies in each peer group are:

Executive Compensation Peer Group

	Ticker Symbol	Implied Equity Market Capitalization (as of December 5, 2012)

Chesapeake Lodging Trust	CHSP	\$ 752.6 million

Summit Hotel Properties, Inc.	INN	\$ 451.2 million
Sunstone Hotel Investors, Inc.	SHO	\$ 1.42 billion
Terreno Realty Corporation	TRNO	\$ 202.1 million

Annual cash bonus. Annual cash bonuses are designed to provide incentives to our named executive officers at a variable level of compensation based on such individual's performance. In connection with our annual cash bonus program, our Compensation Committee will determine annual performance criteria that are flexible and that change with the needs of our business. Each year, our annual cash bonus plan will be designed to reward the achievement of specific, pre-established financial and operational objectives. For 2012, the Compensation Committee recommended, and the Board approved, annual cash bonuses for Messrs. Fisher, Willis and Craven of \$575,000, \$250,000 and \$250,000, respectively.

Restricted Share and LTIP Unit Awards. We have provided, and expect to provide in the future, awards pursuant to our Equity Incentive Plan. We made grants of time-based restricted shares to each of Messrs. Fisher and Willis of 15,650 shares and 10,450 shares, respectively, upon completion of our IPO. The number of shares granted, and the type of award made, were determined by Messrs. Fisher and Willis, with the recommendation of the Compensation Consultant, prior to completion of our IPO while they served as our sole officers and Mr. Fisher was our sole trustee, and were subsequently ratified by our Compensation Committee following the completion of our IPO. We also made a grant of 10,450 time-based restricted shares to Mr. Craven in connection with the commencement of his employment in September 2010, which was approved by our Compensation Committee at the time of his appointment. Each restricted share award vests in substantially equal installments on each of the first, second and third anniversaries of the grant date. In 2012, the Compensation Committee approved the grants of non-performance based shares of 30,688 to Mr. Fisher, 10,229 to Mr. Willis and 12,275 to Mr. Craven, all of which will vest ratably on the first three anniversaries of the date of grant. In 2012, the Compensation Committee also approved the grant of performance based shares of 30,688 to Mr. Fisher, 10,229 to Mr. Willis, and 12,275 to Mr. Craven that vest upon the attainment of performance conditions for 2012, 2013 or 2014. The value of the performance based awards have been discounted for accounting purposes to reflect the inherent risk of not attaining the necessary performance objectives for the shares to vest.

We made grants of time-based LTIP units to each of Messrs. Fisher and Willis of 198,940 LTIP units and 32,585 LTIP units, respectively, upon completion of our IPO. The number of LTIP units granted, and the type of award made, were determined by Messrs. Fisher and Willis, with the recommendation of the Compensation Consultant, prior to completion of our IPO while they served as our sole officers and Mr. Fisher was our sole trustee, and were subsequently ratified by our Compensation Committee following the completion of our IPO. We also made a grant of 26,250 time-based LTIP units to Mr. Craven in connection with the commencement of his employment in September 2010, which was approved by our Compensation Committee at the time of his appointment. Each LTIP unit award vests in substantially equal installments on each of the first through fifth anniversaries of the grant date.

The time-based restricted share awards were designed to foster equity ownership by our named executive officers in our company and to align their interests with the long-term interests of our shareholders while also attracting and retaining key talent. LTIP unit awards are tied to the performance of our company and were designed to provide these key executives, who are primarily responsible for our growth and operations, with incentives to focus on long-term goals and enhancing shareholder value.

In determining future awards under our Equity Incentive Plan, our Compensation Committee will take into account, among other things, the company's overall financial performance, the contributions of each of our named executive officers, the long-term equity incentive compensation of officers in similar positions at peer companies, internal pay equity and such other factors as the Compensation Committee may determine to be relevant.

For 2013, the Compensation Consultant recommended awarding the Company's named executive officers with a balanced equity compensation grant of (1) fifty percent (50%) of the award in the form of performance-based restricted shares that would vest ratably over a three (3) year performance period conditioned upon the Company achieving a total return to shareholders of eight percent (8%) per year and (2) fifty percent (50%) of the award in the form of time-based restricted shares that vest ratably over a three (3) year period. Based upon the Compensation Consultant's recommendations, the Compensation Committee approved 2013 restricted aggregate (i.e. performance-based and time-based) share awards for Messrs. Fisher, Willis and Craven of \$750,000, \$250,000, and \$300,000, respectively. The performance-based awards will only be granted if the amendment to the Equity Incentive Plan is approved.

Retirement savings opportunities. We have established and plan to maintain a retirement savings plan under section 401(k) of the Code. All eligible employees are able to participate in our 401(k) Retirement Savings Plan, or 401(k) Plan, which allows such employees to defer a portion of their compensation, within prescribed limits, on a pre-tax basis through contributions to the 401(k) Plan. Our 401(k) Plan is intended to help our employees save a portion of their cash compensation for retirement in a tax efficient manner. We match employees' annual contributions, within prescribed limits, dollar for dollar up to the first 3% of each employee's compensation contributed and 50% of each employee's contributions above such 3% threshold, up to 5% of such employee's compensation. The employee matching contributions vest immediately to the employee.

Health and welfare benefits. We provide a competitive benefits package to all full-time employees, which includes health and welfare benefits, such as medical, dental, disability insurance and life insurance benefits. The plans under which these benefits are offered do not discriminate in scope, terms or operation in favor of officers and trustees and are available to all full-time employees.

Post-termination pay. As described more fully under "Employment Arrangements" and "Potential Payments upon Termination or Change in Control," we have entered into employment agreements with each of our named executive officers that provide the officers with compensation if they are terminated without cause, they leave the company with good reason (each as defined in the applicable employment agreement) or their employment terminates in certain circumstances following a change in control. We believe these common protections promote our ability to attract and retain management and assure us that our executive officers will continue to be dedicated and available to provide objective advice and counsel notwithstanding the possibility, threat or occurrence of a change in their circumstances or in the control of our company.

REPORT OF THE COMPENSATION COMMITTEE

We have reviewed and discussed the foregoing Compensation Discussion and Analysis with management. Based on our review and discussions with management, we recommended to the Board of Trustees that the Compensation Discussion and Analysis be included in this proxy statement.

- (1) 2010 annual base salary amounts represent each named executive officer's annual base salary, prorated to reflect partial year service. Mr. Fisher and Mr. Willis received a pro rata portion of their 2010 base salaries (\$300,000 and \$285,000, respectively) for the period from the completion of our IPO, April 21, 2010 through December 31, 2010. Mr. Craven received a pro rata portion of his 2010 base salary (\$285,000) for the period from September 9, 2010, the commencement date of his employment, through December 31, 2010.
- (2) Any bonus awards are determined at the sole discretion of our Compensation Committee and our Board of Trustees based on our implementation of our business plan and such other factors as the Compensation Committee and the Board may deem appropriate. All of our named executive officers agreed not to accept any cash bonuses for 2010 as part of their initial commitment to the Company.
- (3) Reflects restricted share awards in 2010 to Messrs. Fisher, Willis, and Craven pursuant to our Equity Incentive Plan as part of our 2010 compensation program. The restricted share awards were 15,650 shares for Mr. Fisher, 10,450 for Mr. Willis, and 10,450 for Mr. Craven. Also reflects restricted share awards in 2012 to Messrs. Fisher, Willis and Craven with half of the award to be payable in restricted shares and half of the award to be paid in the form of performance-based restricted shares. For the 2012 grants, which were awarded in February 2012, the non-performance based shares were granted 30,688 to Mr. Fisher, 10,229 to Mr. Willis and 12,275 to Mr. Craven. The 2012 awards also included performance based awards valued at \$375,000 to Mr. Fisher, \$125,000 to Mr. Willis, and \$150,000 to Mr. Craven, however, those amounts have been discounted by 16.5% above to reflect the inherent risk of not attaining the necessary performance objectives for the shares to vest. For the 2013 grants, which were awarded in January 2013, the non-performance based shares were granted 23,555 to Mr. Fisher, 7,852 to Mr. Willis and 9,422 to Mr. Craven. The 2013 performance based awards valued at \$375,000 to Mr. Fisher, \$125,000 to Mr. Willis, and \$150,000 to Mr. Craven will only be granted if the amendment to the Equity Incentive Plan is approved and will only vest upon the attainment of conditions in 2013, 2014 or 2015. All restricted share awards vest ratably over the first three anniversaries of the date of grant. Amounts in this column represent the aggregate grant date fair value of the restricted share awards. Amounts were calculated in accordance with Accounting Standards Codification Topic 718, *Compensation - Stock Compensation*, or ASC Topic 718.
- (4) Amounts also account for the grant of LTIP units to Messrs. Fisher, Willis, and Craven under our Equity Incentive Plan. Messrs. Fisher and Willis were awarded 198,940 and 32,585, respectively, upon completion of the IPO. Mr. Craven was awarded 26,250 LTIP Units upon commencement. All LTIP unit awards vest ratably over the first five anniversaries of the date of grant. For purposes of this table and the pro forma financial information of Chatham Lodging Trust beginning on page F-3 of our Annual Report on Form 10-K for the fiscal year ended December 31, 2011, we estimated, under the principles of GAAP, that the discounted values of the LTIP unit awards are \$3,019,909 to Mr. Fisher, \$494,640 to Mr. Willis, and \$398,475 to Mr. Craven. The compensation reported in the table related to the LTIP grants reflects the aggregate grant date fair value of the LTIP units, calculated in accordance with ASC Topic 718. To determine the discounted value of the LTIP unit awards, we considered the inherent uncertainty that the LTIP units will reach parity with the other common partnership common units, appropriateness of discounts for illiquidity, expectations for future dividends and various other data available to us as of the date of this grant.

Outstanding Equity Awards at Fiscal Year-End

The following table sets forth information with respect to outstanding equity awards held by the named executive officers as of December 31, 2012.

Name	Number of Shares or Units That Have Not Vested	Market Value of Shares That Have Not Vested ⁽³⁾
Jeffrey H. Fisher	119,364 ⁽¹⁾	\$ 1,835,818
	66,592 ⁽²⁾	\$ 1,024,185
Peter Willis	19,551 ⁽¹⁾	\$ 300,964
	23,941 ⁽²⁾	\$ 368,213
Dennis M. Craven	15,750 ⁽¹⁾	\$ 242,235
	28,033 ⁽²⁾	\$ 431,148

(1) Reflects the grant of LTIP unit awards to the executive under our Equity Incentive Plan upon completion of our IPO or, in the case of Mr. Craven, in connection with the commencement of his employment. The awards of LTIP units vest ratably on each of the remaining three anniversaries of the date of grant: April 23, 2013, April 23, 2014 and April 23, 2015, in the case of Messrs. Fisher and Willis; and on September 9, 2013, September 9, 2014 and September 9, 2015, in the case of Mr. Craven.

(2) Reflects restricted common shares issued to the executive under our Equity Incentive Plan. The final tranche of the 2010 awards of restricted common shares vest on May 20, 2013 in the case of Messrs. Fisher and Willis; and on September 9, 2013 in the case of Mr. Craven. It also reflects 2011 share grants, issued on February 23, 2012, which the non-performanced based portion vests ratably on each of the first three anniversaries of the date of grant: February 23, 2013, February 23, 2014, and February 23, 2015 and the performance based shares vest based meeting conditions in 2012, 2013 or 2014.

(3) Unless and until LTIP units reach parity with common shares, the value of LTIP units can only be estimated. However, for purposes of calculating the market value of LTIP units and restricted common shares that have not vested, the market value per unvested LTIP unit and restricted common share is assumed to be \$15.38, the closing market price per common share at the end of the last completed fiscal year, December 31, 2012. This table further assumes that the LTIP units had reached parity with our common shares on December 31, 2012. However, as of December 31, 2012, the LTIP units had not reached parity with our common shares. This table further assumes that conditions will be met so that performance based shares will be granted and thus are valued at \$15.38 as well.

Option Exercises and Shares Vested

The following table summarizes vesting of common shares applicable to our named executive officers during the year ended December 31, 2012. No options vested and none of the named executive officers exercised any options during 2012.

Name	Stock Awards	
	Number of Shares Acquired on Vesting (#)	Value Realized on Vesting (\$) ⁽¹⁾
Jeffrey H. Fisher	39,788 ⁽¹⁾	\$
	5,217 ⁽²⁾	\$ 80,237
Peter Willis	6,517 ⁽¹⁾	\$
	3,483 ⁽²⁾	\$ 53,569
Dennis M. Craven	5,250 ⁽¹⁾	\$
	3,453 ⁽²⁾	\$ 53,569

(1) Reflects the annual vesting of one-fifth of the LTIP unit awards to the executive under our Equity Incentive Plan upon completion of our IPO or, in the case of Mr. Craven, in connection with the commencement of

his employment. The awards of LTIP units vest ratably on each of the first five anniversaries of the date of grant: April 23, 2011, April 23, 2012, April 23, 2013, April 23, 2014 and April 23, 2015, in the case of Messrs. Fisher and Willis; and on September 9, 2011, September 9, 2012, September 9, 2013, September 9, 2014 and September 9, 2015, in the case of Mr. Craven. As of December 31, 2012, the LTIP units had not reached parity with our common shares.

- (2) Reflects the annual vesting of one-third of the restricted common shares issued to the executive pursuant to our Equity Incentive Plan following the first meeting of our Board of Trustees after completion of our IPO or, in the case of Mr. Craven, at the time of commencement of his employment. The awards of restricted common shares vest ratably on each of the first three anniversaries of the date of grant: May 20, 2011, May 20, 2012 and May 20, 2013, in the case of Messrs. Fisher and Willis; and on September 9, 2011, September 9, 2012 and September 9, 2013, in the case of Mr. Craven. For purposes of calculating the market value of restricted common shares that have vested, the market value per vested restricted common share is assumed to be \$15.38, the closing market price per common share at the end of the last completed fiscal year, December 31, 2012.

Equity Incentive Plan

Prior to the completion of our IPO, our Board of Trustees adopted, and our sole shareholder at the time approved, our Equity Incentive Plan to attract and retain independent trustees, executive officers and other key employees and service providers, including officers and employees of our affiliates. The Equity Incentive Plan provides for the grant of options to purchase common shares, share awards, share appreciation rights, performance units and other equity-based awards.

Administration of the Equity Incentive Plan

The Equity Incentive Plan is administered by our Compensation Committee, which is authorized to approve all terms of awards under the Equity Incentive Plan. Our Compensation Committee may also approve who receives grants under the Equity Incentive Plan and the number of common shares subject to the grant.

Eligibility

All of our employees and employees of our subsidiaries and affiliates, including our operating partnership, are eligible to receive grants under the Equity Incentive Plan. In addition, our independent trustees and individuals who perform services for us and our subsidiaries and affiliates, including employees of our operating partnership, may receive grants under the Equity Incentive Plan.

Share Authorization

Prior to the vote on Proposal 4 herein, the number of common shares that may be issued under the Equity Incentive Plan is 565,359. In connection with share splits, dividends, recapitalizations and certain other events, our board will make adjustments that it deems appropriate in the aggregate number of common shares that may be issued under the Equity Incentive Plan and the terms of outstanding awards.

If any options or share appreciation rights terminate, expire or are canceled, forfeited, exchanged or surrendered without having been exercised or paid or if any share awards, performance units or other equity-based awards are forfeited, the common shares subject to such awards will again be available for purposes of the Equity Incentive Plan.

Options

The Equity Incentive Plan authorizes our Compensation Committee to grant incentive stock options (under Section 422 of the Code) and options that do not qualify as incentive share options. The exercise price of each

option will be determined by the Compensation Committee, provided that the price cannot be less than 100% of the fair market value of the common shares on the date on which the option is granted (or 110% of the shares' fair market value on the grant date in the case of an incentive share option granted to an individual who is a ten percent shareholder under Sections 422 and 424 of the Code). The exercise price for any option is generally payable (i) in cash, (ii) by certified check, (iii) by the surrender of common shares (or attestation of ownership of common shares) with an aggregate fair market value on the date on which the option is exercised, equal to the exercise price, or (iv) by payment through a broker in accordance with procedures established by the Federal Reserve Board. The term of an option cannot exceed ten years from the date of grant (or five years in the case of an incentive share option granted to a ten percent shareholder).

Share Awards

The Equity Incentive Plan also provides for the grant of share awards. A share award is an award of common shares that may be subject to restrictions on transferability and other restrictions as our Compensation Committee determines in its sole discretion on the date of grant. The restrictions, if any, may lapse over a specified period of time or through the satisfaction of conditions, in installments or otherwise, as our Compensation Committee may determine. A participant who receives a share award will have all of the rights of a shareholder as to those shares, including, without limitation, the right to vote and the right to receive dividends or distributions on the shares. During the period, if any, when share awards are non-transferable or forfeitable, (i) a participant is prohibited from selling, transferring, pledging, exchanging, hypothecating or otherwise disposing of his or her share awards, (ii) the Company will retain custody of the certificates and (iii) a participant must deliver a share power to the company for each share award.

At the first meeting of our Board of Trustees following the completion of our IPO, our Compensation Committee approved the grant of an aggregate of 36,550 restricted shares to Mr. Fisher, Mr. Willis and Mr. Julio Morales, our former chief financial officer. Mr. Craven was granted 10,450 restricted shares at the commencement of his employment on September 9, 2010. All of these restricted share awards vest ratably on the first three anniversaries of the date of grant other than Mr. Morales's, of which 7,200 shares vested upon termination of his employment and the rest of which were forfeited. In February 2012, the Compensation Committee approved the grants of non-performance based shares of 30,688 to Mr. Fisher, 10,229 to Mr. Willis and 12,275 to Mr. Craven, all of which will vest ratably on the first three anniversaries of the date of grant. In 2012, the Compensation Committee also approved the grants of performance based share awards of 30,688 to Mr. Fisher, 10,229 to Mr. Willis, and 12,275 to Mr. Craven that vest upon the attainment of performance conditions for 2012, 2013 and 2014. The value of the performance based awards have been discounted for accounting purposes to reflect the inherent risk of not attaining the necessary performance objectives for the shares to vest. In January 2013, the Compensation Committee approved grants of non-performance and performance based awards to Mr. Fisher, Willis and Craven. 23,555 non-performance based shares were granted to Mr. Fisher, 7,852 to Mr. Willis and 9,422 to Mr. Craven, all of which will vest ratably on the first three anniversaries of the date of grant. Performance based awards of 23,555 shares were granted to Mr. Fisher, 7,852 to Mr. Willis and 9,422 to Mr. Craven. These awards will vest based upon the attainment of performance conditions for 2013, 2014, and 2015.

Share Appreciation Rights

The Equity Incentive Plan authorizes our Compensation Committee to grant share appreciation rights that provide the recipient with the right to receive, upon exercise of the share appreciation right, cash, common shares or a combination of the two. The amount that the recipient will receive upon exercise of the share appreciation right generally will equal the excess of the fair market value of the common shares on the date of exercise over the shares' fair market value on the date of grant. Share appreciation rights will become exercisable in accordance with terms determined by our Compensation Committee. Share appreciation rights may be granted in tandem with an option grant or as independent grants. The term of a share appreciation right cannot exceed ten years from the date of grant or five years in the case of a share appreciation right granted in tandem with an incentive share option awarded to a ten percent shareholder.

Performance Units

The Equity Incentive Plan also authorizes our Compensation Committee to grant performance units. Performance units represent the participant's right to receive an amount, based on the value of the common shares, if performance goals established by the Compensation Committee are met. Our Compensation Committee will determine the applicable performance period, the performance goals and such other conditions that apply to the performance unit. Performance goals may relate to our financial performance or the financial performance of our operating partnership, the participant's performance or such other criteria determined by the Compensation Committee. If the performance goals are met, performance units will be paid in cash, our common shares or a combination thereof.

Other Equity-Based Awards

Our Compensation Committee may grant other types of share-based awards as other equity-based awards under the Equity Incentive Plan, including Long-Term Incentive Plan, or LTIP, units. Other equity-based awards are payable in cash, our common shares or other equity, or a combination thereof, determined by the Compensation Committee. The terms and conditions of other equity-based awards are determined by the Compensation Committee.

LTIP units are a special class of partnership interests in our operating partnership. Each LTIP unit awarded is deemed equivalent to an award of one common share under the Equity Incentive Plan, reducing availability for other equity awards on a one-for-one basis. We will not receive a tax deduction for the value of any LTIP units granted to our employees. The vesting period for any LTIP units, if any, will be determined at the time of issuance. LTIP units, whether vested or not, receive the same quarterly per unit profit distributions as units of our operating partnership, which profit distribution per LTIP unit will generally equal per share dividends on our common shares. This treatment with respect to quarterly distributions is similar to the treatment of our restricted share awards, which generally receive full dividends whether vested or not. Initially, LTIP units do not have full parity with operating partnership common units with respect to liquidating distributions. Under the terms of the LTIP units, our operating partnership will revalue its assets upon the occurrence of certain specified events, and any increase in valuation from the time of grant until such event will be allocated first to the holders of LTIP units to equalize the capital accounts of such holders with the capital accounts of operating partnership common unit holders. Upon equalization of the capital accounts of the holders of LTIP units with the other holders of operating partnership common units, the LTIP units will achieve full parity with operating partnership common units for all purposes, including with respect to liquidating distributions. If such parity is reached, vested LTIP units may be converted into an equal number of operating partnership common units at any time, and thereafter will have all the rights of operating partnership common units, including redemption rights. However, there are circumstances under which such parity would not be reached. Until and unless such parity is reached, the value that an executive officer will realize for a given number of vested LTIP units will be less than the value of an equal number of our common shares.

Upon completion of our IPO, our operating partnership issued an aggregate of 246,960 LTIP units to certain of our officers. The 15,435 LTIP units granted to Mr. Morales at the completion of our IPO were forfeited upon termination of his employment. On September 9, 2010, our operating partnership granted 26,250 LTIP units to Mr. Craven in connection with the commencement of his employment with our company. The LTIP units granted to Messrs. Fisher, Willis and Craven will vest ratably over the first five anniversaries of the date of grant.

Dividend Equivalents

Our Compensation Committee may grant dividend equivalents in connection with the grant of performance units and other equity-based awards. Dividend equivalents may be paid currently or accrued as contingent cash obligations (in which case they will be deemed to have been invested in common shares) and may be payable in cash, common shares or a combination of the two. Our Compensation Committee will determine the terms of any dividend equivalents.

Change in Control

If we experience a change in control, the Compensation Committee may, at its discretion, provide that all outstanding options, share appreciation rights, share awards, performance units, or other equity based awards that are not exercised prior to the change in control will be assumed by the surviving entity, or will be replaced by a comparable substitute award of substantially equal value granted by the surviving entity. The Compensation Committee may also provide that (i) all outstanding options and share appreciation rights will be fully exercisable on the change in control, (ii) restrictions and conditions on outstanding share awards will lapse upon the change in control and (iii) performance units or other equity-based awards will become earned in their entirety. The Compensation Committee may also provide that participants must surrender their outstanding options and share appreciation rights, share awards, performance units, and other equity based awards in exchange for a payment, in cash or our common shares or other securities or consideration received by shareholders in the change in control transaction, equal to the value received by shareholders in the change in control transaction (or, in the case of options and share appreciation rights, the amount by which that per share transaction value exceeds the per share exercise price).

In summary, a change of control under the Equity Incentive Plan occurs if:

a person, entity or affiliated group (with certain exceptions) acquires, in a transaction or series of transactions, more than 50% of the total combined voting power of our outstanding securities or common shares;

we merge into another entity unless the holders of our voting shares immediately prior to the merger have more than 50% of the combined voting power of the securities in the merged entity or its parent;

we sell or dispose of all or substantially all of our assets;

we are liquidated or dissolved; or

during any period of two consecutive years individuals who, at the beginning of such period, constitute our Board of Trustees together with any new trustees (other than individuals who become trustees in connection with certain transactions or election contests) cease for any reason to constitute a majority of our Board of Trustees.

Amendment; Termination

Our Board of Trustees may amend or terminate the Equity Incentive Plan at any time, provided that no amendment may adversely impair the benefits of participants with outstanding awards. Our shareholders must approve any amendment if such approval is required under applicable law or stock exchange requirements. Our shareholders also must approve any amendment that materially increases the benefits accruing to participants under the Equity Incentive Plan, materially increases the aggregate number of common shares that may be issued under the Equity Incentive Plan or materially modifies the requirements as to eligibility for participation in the Equity Incentive Plan. Unless terminated sooner by our Board of Trustees or extended with shareholder approval, the Equity Incentive Plan will terminate on the day before the tenth anniversary of the date our Board of Trustees adopted the Equity Incentive Plan.

Employment Arrangements

Jeffrey H. Fisher. Our employment agreement with Mr. Fisher has an initial term of three years and will renew for one-year terms thereafter unless terminated by written notice delivered at least 30 days before the end of the then-current term. The employment agreement provides for an annual base salary to Mr. Fisher of \$400,000 for 2012, subject to increase in the discretion of the Board or its Compensation Committee. For 2013, the Compensation Committee ratified an increased annual base salary to \$450,000.

Under his employment agreement, Mr. Fisher is eligible to earn an annual cash bonus at the discretion of the Compensation Committee or to the extent that prescribed individual and corporate goals established by the Committee are achieved.

Mr. Fisher's employment agreement entitles him to customary fringe benefits, including vacation and the right to participate in any other benefits or plans in which other executive-level employees participate (including but not limited to retirement, pension, profit-sharing, insurance (including life insurance) or hospital plans).

Mr. Fisher's employment agreement provides for certain payments in the event that his employment ends upon termination by us for cause, his resignation without good reason (as defined below), his death or disability or any reason other than a termination by us without cause or his resignation with good reason. The agreement defines cause as (1) a failure to perform a material duty or a material breach of an obligation set forth in Mr. Fisher's employment agreement or a breach of a material and written policy other than by reason of mental or physical illness or injury, (2) a breach of Mr. Fisher's fiduciary duties, (3) conduct that demonstrably and materially injures us monetarily or otherwise or (4) a conviction of, or plea of nolo contendere to, a felony or crime involving moral turpitude or fraud or dishonesty involving our assets, and that in each case is not cured, to the Board's reasonable satisfaction, within 30 days after written notice. In any such event, Mr. Fisher's employment agreement provides for the payment to him of any earned but unpaid compensation up to the date of his termination and any benefits due to him under the terms of any of our employee benefit plans.

Mr. Fisher's employment agreement provides for certain severance payments in the event that his employment ends upon termination by us without cause or his resignation for good reason. The agreement defines good reason as (1) our material breach of the terms of Mr. Fisher's employment agreement or a direction from the Board that he act or refrain from acting in a manner unlawful or contrary to a material and written policy, (2) a material diminution in Mr. Fisher's duties, functions and responsibilities without his consent or our preventing him from fulfilling or exercising his material duties, functions and responsibilities without his consent, (3) a material reduction in Mr. Fisher's base salary or annual bonus opportunity or (4) a requirement that Mr. Fisher relocate more than 50 miles from the current location of his principal office without his consent, in each case provided that Mr. Fisher has given written notice to the Board within 30 days after he knows of the circumstances constituting good reason, the circumstances constituting good reason are not cured within 30 days of such notice and Mr. Fisher resigns within 30 days after the expiration of the cure period. In any such event, Mr. Fisher is entitled to receive any earned but unpaid compensation up to the date of his termination and any benefits due to him under the terms of our employee benefit plans. If Mr. Fisher signs a general release of claims, then any outstanding options, restricted shares and other equity awards shall be vested and exercisable as of the date of termination and outstanding options shall remain exercisable thereafter until their stated expiration date as if Mr. Fisher's employment had not terminated. Mr. Fisher shall also be entitled to receive, subject to Mr. Fisher signing a general release of claims, an amount equal to three times his base salary in effect at the time of termination, an amount equal to three times the highest annual bonus paid to him for the three fiscal years ended immediately before the date of termination, a pro-rated bonus for the then-current fiscal year based on his annual bonus for the fiscal year ended prior to his termination and an amount equal to three times the annual premium or cost paid by us for Mr. Fisher's health, dental, vision, disability and life insurance coverage in effect on his termination date.

Mr. Fisher is the majority shareholder of IHM, a hotel management company that currently manages eighteen (18) of our wholly owned hotels and fifty-six (56) of our hotels owned by our Joint Venture with Cerberus Capital Management LP, and that we may engage to manage certain additional hotels we acquire in the future pursuant to management agreements with our taxable REIT subsidiaries, or TRS Lessees. In order to permit IHM to qualify as an eligible independent contractor as required by applicable tax law, Mr. Fisher's employment agreement permits him to be the principal owner and serve as a director of entities engaged in the hotel management business, and to devote business time to those companies, so long as (1) such activities do not interfere with the performance of his duties to us and (2) he does not serve as an officer or employee of, or receive compensation for service as a director of, any such entity providing hotel management services to us or our affiliates.

Peter Willis and Dennis M. Craven. Our employment agreements with Mr. Willis and Mr. Craven have an initial term of three years and will renew for one-year terms thereafter unless terminated by written notice delivered at least 30 days before the end of the then-current term. The employment agreements provide for 2012

annual base salaries to each of Mr. Willis and Mr. Craven of \$300,000, subject to increase in the discretion of the Board or its Compensation Committee. The Compensation Committee approved increased 2013 annual base salaries to each of Mr. Willis and Mr. Craven of \$315,000. The employment agreements entitle each of Mr. Willis and Mr. Craven to fringe benefits substantially similar to those afforded to Mr. Fisher, as described above.

Under their employment agreements, Mr. Willis and Mr. Craven are eligible to earn annual cash bonuses at the discretion of the Compensation Committee or to the extent that prescribed individual and corporate goals established by the Committee are achieved.

Mr. Willis's and Mr. Craven's employment agreements provide for certain payments in the event of termination by us for cause, resignation without good reason, death or disability or any reason other than a termination by us without cause or resignation with good reason. The definitions of cause and good reason in Mr. Willis's and Mr. Craven's employment agreements are the same as those in Mr. Fisher's employment agreement, as described above. In any such event, Mr. Willis's and Mr. Craven's employment agreements provide for the payment of any earned but unpaid compensation up to the date of termination and any benefits due under the terms of any of our employee benefit plans.

Mr. Willis's and Mr. Craven's employment agreements provide for certain severance payments in the event of termination by us without cause or resignation for good reason. In any such event, Mr. Willis or Mr. Craven, as applicable, would be entitled to receive any earned but unpaid compensation up to the date of his termination and any benefits due to him under the terms of our employee benefit plans. In addition, subject to his signing a general release of claims, any outstanding options, restricted shares and other equity awards held by Mr. Willis or Mr. Craven, as applicable, shall be vested and exercisable as of the date of termination and outstanding options shall remain exercisable thereafter until their stated expiration date as if employment had not terminated. Each of Mr. Willis and Mr. Craven, as applicable, shall also be entitled to receive, subject to his signing a general release of claims, an amount equal to his base salary at the time of termination, an amount equal to the highest annual bonus paid to him for the three fiscal years ended immediately before the date of termination, a pro-rated bonus for the then-current fiscal year based on his annual bonus for the fiscal year ended prior to his termination and an amount equal to the annual premium or cost paid by us for his health, dental, vision, disability and life insurance coverage in effect on his termination date.

Mr. Willis's and Mr. Craven's employment agreements provide for higher severance payments in the event of termination by us without cause no more than ninety days before a change in control or on or after a change in control or upon resignation for good reason on or after a change in control. The agreement defines change in control as (1) a person becoming the beneficial owner of 50% or more of our voting shares, (2) a transfer of 50% or more of our total assets, (3) our merger, consolidation or statutory share exchange, except where our shareholders immediately before the transaction own more than 50% of the outstanding voting securities of the surviving entity, (4) the date members of the Board at the time of completion of our IPO, which includes our initial independent trustees (or members of the Board whose nomination or election to the Board was approved by a majority of such members), cease to constitute a majority of the Board or (5) our complete liquidation or dissolution. In any such event, each of Mr. Willis and Mr. Craven is entitled to receive any earned but unpaid compensation up to the date of his termination and any benefits due to him under the terms of our employee benefit plans. In addition, subject to his signing a general release of claims, all outstanding options, restricted shares and other equity awards shall be vested and exercisable as of the date of termination and outstanding options held by Mr. Willis or Mr. Craven, as applicable, shall remain exercisable thereafter until their stated expiration date as if Mr. Willis's or Mr. Craven's employment, as applicable, had not terminated. Each of Mr. Willis and Mr. Craven shall also be entitled to receive, subject to his signing a general release of claims, an amount equal to two times his base salary at the time of termination, an amount equal to two times the highest annual bonus paid to him for the three fiscal years ended immediately before the date of termination, a pro-rated bonus for the then-current fiscal year based on his annual bonus for the fiscal year ended prior to his termination and an amount equal to two times the annual premium or cost paid by us for his health, dental, vision, disability and life insurance coverage in effect on his termination date.

Potential Payments upon Termination or Change of Control

The following table and accompanying footnotes reflect the estimated potential amounts payable to Messrs. Fisher, Willis and Craven under their employment agreements and the Company's compensation and benefit plans and arrangements in the event the executive's employment is terminated under various scenarios, including involuntary termination without cause, voluntary or involuntary termination with cause, voluntary resignation with good reason, involuntary or good reason termination in connection with a change in control and termination due to death and disability. The amounts shown below are estimates of the amounts that would be paid to Messrs. Fisher, Willis and Craven upon termination of their employment assuming that such termination was effective on December 31, 2012. Actual amounts payable will depend upon compensation levels at the time of termination, the amount of future equity awards and other factors, and will likely be greater than amounts shown in this table.

- (1) The amounts shown in the table do not include accrued salary, earned but unpaid bonuses, accrued but unused vacation pay or the distribution of benefits from any tax-qualified retirement or 401(k) plan. Those amounts are payable to Messrs. Fisher, Willis and Craven upon any termination of employment, including an involuntary termination with cause and a resignation without good reason.
- (2) A termination of employment due to death or disability entitles Messrs. Fisher, Willis and Craven to benefits under the Company's life insurance and disability insurance plans. In addition, outstanding restricted share awards and LTIP awards immediately vest upon a termination of employment due to death or disability.
- (3) Mr. Fisher's employment agreement provides for the payment of a cash severance benefit upon an involuntary termination without cause or a resignation with good reason (without distinction for terminations before or after a change in control). The cash severance benefit, which is payable in a single payment, is equal to the sum of (a) three times Mr. Fisher's annual base salary, (b) three times the highest annual bonus paid to Mr. Fisher for the three prior fiscal years and (c) one times the amount of the annual bonus paid to Mr. Fisher for the prior fiscal year, prorated based on the number of days of employment in the year of termination.

Mr. Fisher's employment agreement also provides for the payment of a single sum cash payment upon an involuntary termination without cause or a resignation with good reason (without distinction for terminations before or after a change in control). The payment is in lieu of continued participation in the Company's health and welfare benefit plans (although Mr. Fisher may elect to pay for continuation coverage mandated by law). The payment is equal to three times the annual premium or portion of the annual premium paid by the Company for (a) health, dental and vision insurance coverage for Mr. Fisher and his eligible dependents and (b) life insurance and disability insurance coverage for Mr. Fisher.

The employment agreements with Messrs. Willis and Craven provide for the payment of a cash severance benefit upon an involuntary termination without cause or a resignation with good reason and not in connection with a change in control. The cash severance benefit for each of Messrs. Willis and Craven is equal to the sum of (a) one times the executive's annual base salary, (b) one times the highest annual bonus paid to the executive for the three prior fiscal years and (c) the amount of the annual bonus paid to the executive for the prior fiscal year, prorated based on the number of days of employment in the year of termination.

The employment agreements with Messrs. Willis and Craven also provide for the payment of a single sum cash payment upon an involuntary termination without cause or a resignation with good reason and not in connection with a change in control. The payment is in lieu of continued participation in the Company's health and welfare benefit plans (although Messrs. Willis and Craven may elect to pay for continuation coverage mandated by law). The payment is equal to one times the annual premium or portion of the annual premium paid by the company for (a) health, dental and vision insurance coverage for Messrs. Willis and Craven and their eligible dependents and (b) life insurance and disability insurance coverage for Messrs. Willis and Craven.

(4) The severance and other benefit payable to Mr. Fisher on account of an involuntary termination without cause or a resignation with good reason in connection with a change in control are the same as described in note (3) above.

The employment agreements with Messrs. Willis and Craven provide for the payment of benefits upon an involuntary termination without cause or a resignation with good reason in connection with a change of control. (A termination in either case is in connection with a change in control if it occurs on or after a change in control or, in the case of an involuntary termination without cause, during the ninety day period before a change in control.) In those events, the severance and other benefits payable to Messrs. Willis and Craven are the same as described in note (3) above, except that two times is substituted for one times each time it appears in note (3).

(5) The amounts shown in this column are estimates of the annual premiums payable by the Company for health care, insurance and other benefits expected to be provided to Messrs. Fisher, Willis and Craven.

(6) The amounts shown in this column represent the compensation to Messrs. Fisher, Willis and Craven due to accelerated vesting of LTIP awards and restricted share awards that were part of our 2010 compensation program and restricted time-based and performance-based share awards in 2012, in each case based on the fair market value of our common shares as of December 31, 2012 (\$15.38 per share). Outstanding LTIP awards and restricted share awards not previously vested are forfeited upon termination of employment unless employment ends on account of death, disability, an involuntary termination without cause or a resignation with good reason (in which case the restricted share awards and LTIP awards will accelerate and fully vest). Outstanding restricted share awards and LTIP awards also will accelerate and fully vest upon a change in control.

Amounts reflecting accelerated vesting of equity awards in the rows Change In Control (No Termination) and Involuntary or Good Reason Termination in Connection With Change In Control will be paid upon only one of the specified triggering events (not both) and will not be duplicated in the event that the executive incurs a qualifying termination following a change in control event that has previously resulted in acceleration.

- (7) The employment agreements with Messrs. Fisher, Willis and Craven do not provide an indemnification or gross-up payment for the parachute payment excise tax under Sections 280G and 4999 of the Code. The employment agreements instead provide that the severance and any other payments or benefits that are treated as parachute payments under the Code will be reduced to the maximum amount that can be paid without an excise tax liability. The parachute payments will not be reduced, however, if the executive will receive greater after-tax benefits by receiving the total or unreduced benefits (after taking into account any excise tax liability payable by the executive). The amounts shown in the table assume that Messrs. Fisher, Willis and Craven will receive the total or unreduced benefits.

Equity Compensation Plan Information

The following table provides information, as of December 31, 2012, relating to our Equity Incentive Plan pursuant to which grants of common share options, share awards, share appreciation rights, performance units and other equity-based awards options may be granted from time to time.

	Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants and Rights	Weighted-Average Exercise Price of Outstanding Options, Warrants and Rights	Number of Securities Remaining Available for Future Issuance under Equity Compensation Plans
Equity compensation plans approved by security holders ⁽¹⁾			69,571
Equity compensation plans not approved by security holders			
Total			69,571

- (1) Our Equity Incentive Plan was approved by our company's sole trustee and our company's sole shareholder prior to completion of our IPO.
- Certain Relationships and Related Transactions**

Concurrently with the completion of our IPO, in a separate private placement, we sold an aggregate of 500,000 common shares (representing approximately 5.5% of the common shares outstanding upon completion of the IPO, including common shares sold pursuant to the underwriters over-allotment option) to Mr. Fisher, our chairman, president and chief executive officer, at a price per share equal to the initial public offering price per share and without payment of any underwriting discount or commission by us. We used approximately \$3.2 million of the net proceeds from the IPO to reimburse Mr. Fisher for out-of-pocket expenses he incurred in connection with our formation and the IPO, including \$2.5 million he funded as earnest money deposits for the acquisition of our initial six hotels. We also used \$10,000 of the net proceeds from the IPO to repurchase the shares Mr. Fisher acquired in connection with our formation and initial capitalization.

Upon completion of our IPO, our operating partnership issued 198,940 LTIP units to Mr. Fisher, 32,585 LTIP units to Mr. Willis and 15,435 LTIP units to Mr. Julio Morales, our former chief financial officer. Upon Mr. Craven joining our company in September 2010, our operating partnership issued 26,250 LTIP units to Mr. Craven. These LTIP units vest ratably on each of the first five anniversaries of the date of grant. LTIP units, whether vested or not, will receive the same per-unit profit distributions as common units in our operating partnership, which distributions generally will equal per share distributions on our common shares. Mr. Morales' LTIP units were cancelled when his employment terminated in September 2010.

We entered into employment agreements with each of Messrs. Fisher, Willis and Craven that provide for payments and other benefits to Messrs. Fisher, Willis and Craven if their employment with us is terminated under certain circumstances. See Compensation Discussion and Analysis Employment Arrangements.

We have also entered into indemnification agreements with our trustees and our executive officers providing for procedures for indemnification by us to the fullest extent permitted by law and advancements by us of certain expenses and costs relating to claims, suits or proceedings arising from their service to us.

As of April 1, 2013, eighteen (18) of our wholly owned hotels and fifty-four (54) of our hotels owned by our Joint Venture with Cerberus Capital Management LP are managed by IHM, which is 90% owned by Mr. Fisher. The management agreements with IHM have an initial term of five years and may be renewed for two five-year periods at the option of IHM by written notice to us no later than 90 days prior to the termination date. The IHM management agreements provide for early termination upon sale of any IHM managed hotel for no termination fee, with six months advance notice. The IHM management agreements can also be terminated for cause. Additionally, if hotel operating performance does not meet specified levels we will be able to terminate any IHM management agreements at no cost. Management agreements with IHM provide for a base management fee of up to 3% of the hotel's gross revenues, an accounting fee of \$1,000 per month per hotel and, if certain financial thresholds are met or exceeded, an incentive management fee equal to 10% of the hotel's net operating income less fixed costs, base management fees and a specified return threshold. The incentive management fee is capped at 1% of gross hotel revenues. For the year ended December 31, 2012, we paid IHM an aggregate of approximately \$2.3 million in management fees pursuant to these management agreements.

Because Mr. Fisher is our Chairman, President and Chief Executive Officer and controls IHM, conflicts of interest exist between Mr. Fisher and us regarding:

enforcement of the terms of any management agreements between us and IHM;

whether and on what terms these management agreements will be renewed upon the expiration;

whether and on what terms management contracts will be awarded to IHM; and

whether hotel properties will be sold.

Under the hotel management agreements, IHM generally is responsible for complying with our various franchise agreements, subject to us making sufficient funding available. Conflicts of interest exist between us and Mr. Fisher regarding IHM's compliance with franchise agreements, which could result in:

the termination of those agreements and related substantial penalties; or

other actions or failures to act by IHM that could result in liability to us or our TRS lessees.

We share our corporate information technology infrastructure with IHM as of January 1, 2011. We and IHM have agreed to a cost sharing arrangement under which we bear approximately 20% of the total costs of operating and maintaining the IT function (including depreciation taken by us on the IT infrastructure).

IHM has obtained an employment practices liability insurance policy that covers our employees. We reimbursed IHM for our pro rata portion of the premium for this policy. In addition, IHM is required to maintain a health benefit plan in which our employees participate. Our reimbursement of IHM is based on the number of our employees participating in the plan and the coverage and benefit levels selected by those employees.

Conflicts may arise between us and IHM with respect to whether certain expenditures are classified as capital expenditures, which are capitalized by us and do not immediately affect earnings, or repairs and maintenance, which are expensed as incurred and therefore reduce the amount available to be earned by IHM as incentive management fees.

Other than the compensation arrangements described in this proxy statement, Mr. Fisher has not received any compensation or other consideration as promoter or otherwise in connection with the formation of our company.

Edgar Filing: Chatham Lodging Trust - Form DEF 14A

From time to time in connection with certain acquisitions and dispositions or other transactions, we may engage a brokerage firm with which Mr. Fisher's daughter is employed.

Section 16(a) Beneficial Ownership Reporting Compliance

Under federal securities laws, the Company's trustees and executive officers, and any persons beneficially owning more than ten percent (10%) of a registered class of the Company's equity securities, are required to report their ownership of common shares and any changes in that ownership to the SEC. These persons are also required by SEC regulations to furnish the Company with copies of these reports. Specific due dates for these reports have been established, and the Company is required to report in the Proxy Statement any failure to timely file such reports by those due dates during the 2012 fiscal year. To our knowledge, all of our executive officers, directors, and greater than 10% shareholders have timely complied with all of the filing requirements applicable to them with respect to transactions during the 2012 fiscal year.

AUDIT COMMITTEE REPORT

The Audit Committee is composed of three (3) trustees who are independent as determined by the Board of Trustees, in its business judgment, under the rules of the New York Stock Exchange and the Securities and Exchange Commission. The Audit Committee operates under a written charter adopted by the Board of Trustees. The members of the Audit Committee are Glen Gilbert (Chair), Miles Berger and Joel F. Zemans. The Audit Committee appointed, and the Board of Trustees ratified the selection of the Company's independent registered certified public accounting firm, PricewaterhouseCoopers LLP.

Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes, to monitor the Company's compliance with legal requirements and to monitor the independence and performance of the Company's auditors. The Audit Committee is also responsible for monitoring the Company's procedures for compliance with the rules for taxation as a real estate investment trust (REIT) under Sections 856-860 of the Code.

The Audit Committee has met with management and the independent registered certified public accounting firm, PricewaterhouseCoopers LLP. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the audited consolidated financial statements with management and PricewaterhouseCoopers LLP, both together and separately. The Audit Committee reviewed and discussed with management and PricewaterhouseCoopers LLP the audited consolidated financial statements for the year ended December 31, 2012, management's assessment of the effectiveness of the Company's internal control over financial reporting and PricewaterhouseCoopers LLP's evaluation of the effectiveness of the Company's internal control over financial reporting. The Audit Committee has discussed with PricewaterhouseCoopers LLP the matters that are required to be discussed by Statement on Auditing Standards Nos. 61, 89 and 90 (Codification of Statements on Auditing Standards, AU §380).

The Audit Committee received from PricewaterhouseCoopers LLP the written disclosures and the letter required by PCAOB Rule 3526 (Communication with Audit Committees Concerning Independence), and has discussed with PricewaterhouseCoopers LLP the issue of its independence from the Company. The Audit Committee also concluded that PricewaterhouseCoopers LLP's provision of services to the Company and its affiliates is compatible with PricewaterhouseCoopers LLP's independence.

Based upon the Audit Committee's discussion with management and PricewaterhouseCoopers LLP and the Audit Committee's review of the audited consolidated financial statements, the representations of management and the written disclosures and the letter of PricewaterhouseCoopers LLP to the Audit Committee, the Audit Committee recommended that the Board of Trustees include the Company's audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2012 filed with the Securities and Exchange Commission.

The Audit Committee charter provides that:

the Committee is directly responsible for the appointment, compensation, and oversight of the work of the Company's independent auditor, that the independent auditor reports directly to the Committee, and that the Committee retains and may terminate the services of the independent auditor;

the Committee must approve in advance all audit engagement fees and terms, and all audit and non-audit services to be provided by the independent auditor;

the Committee must establish procedures for the handling of complaints regarding accounting, internal controls, or auditing matters and for the confidential, anonymous submission of concerns by employees regarding accounting and auditing matters;

the Committee must establish policies and procedures for the engagement of the outside auditor to perform non-audit services, including pre-approval of all non-audit services;

the Committee will review and discuss the adequacy and effectiveness of disclosure controls and procedures in addition to other internal controls already reviewed by the Committee; and

the Committee has the authority and funding to engage accountants, lawyers and other advisers and experts as it deems necessary. The Committee's responsibilities include obtaining and reviewing, at least annually, a report by the outside auditor describing the outside auditor's internal quality-control procedures, any issues raised by the most recent internal quality-control review, or peer review, of the outside auditor, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, with respect to independent audits carried out by the outside auditor, and any steps taken to deal with any such issues; and the Committee's responsibilities include establishing clear hiring policies for employees or former employees of the Company's outside auditor. A copy of the Audit Committee charter is posted on the Company's website at www.chathamlodgingtrust.com. The above summary of the Audit Committee charter is qualified by reference to the complete charter, which should be read in its entirety.

The Audit Committee recommended, and the Board approved, a procedure for the confidential submission, receipt, retention and treatment of concerns and complaints regarding the Company's accounting or auditing practices. The Company has contracted with an independent company to establish and maintain, and has widely disseminated the existence and availability of, a seven-day-a-week, twenty-four-hour-a-day toll-free telephone number and website for complaints and concerns regarding accounting or auditing practices. The Company's General Counsel will promptly conduct an initial screening of any such complaint or concern to assess its legitimacy and significance and determine whether to (i) report the complaint or concern to the Chairman of the Audit Committee, (ii) investigate further, or (iii) close the file. Further investigation would involve consulting appropriate senior management not implicated in the complaint or concern and may involve consulting the Company's outside counsel and independent auditors. Information on the complaint or concern will be maintained in a confidential file for at least seven years. The Company shall take all appropriate steps to prevent retaliation against any individual because that person submitted a complaint or concern. The General Counsel shall provide to the Audit Committee a quarterly report of all complaints and concerns received and their status. Where a complaint or concern (i) relates to accounting, internal accounting controls or auditing matters or (ii) alleges or otherwise suggests the existence of (a) material inaccuracies in financial reporting, (b) fraud or other intentional misconduct with respect to accounting, auditing or internal control over financial reporting or (c) material non-compliance with applicable law, the General Counsel shall promptly report the complaint or concern directly to the Chairman of the Audit Committee. Other complaints and concerns will generally be reported to the Audit Committee at the next regularly scheduled Audit Committee meeting. The Audit Committee will from time to time report to the Board the status of pending investigations and a summary of complaints and concerns during the reporting period.

The foregoing has been furnished by the members of the Audit Committee for the year ended December 31, 2012.

AUDIT COMMITTEE

Glen Gilbert (Chair)
 Miles Berger
 Joel F. Zemans

The foregoing Audit Committee Report shall not be deemed to be incorporated by reference into any of the Company's filings with the SEC, except as specified by the Company in any such filing.

Code of Business Conduct

If the Company makes any amendments to this code (other than technical, administrative, or non-substantive amendments) or grants any waivers, including implicit waivers, from this code to the CEO, chief financial officer, or controller, we will disclose (on our website or in a Form 8-K report filed with the SEC) the nature of the amendment or waiver, its effective date, and to whom it applies.

PROPOSAL 2:

INDEPENDENT PUBLIC ACCOUNTANTS

Retention of Auditor. PricewaterhouseCoopers LLP has served as independent registered certified public accounting firm for the Company and its subsidiaries for the year ended December 31, 2012. The Audit Committee has selected PricewaterhouseCoopers LLP as independent auditor for the year ending December 31, 2013, until and unless changed by action of the Audit Committee of the Board of Trustees. Although shareholder approval of the appointment is not required, the Company is asking the shareholders to ratify the appointment. If the shareholders do not ratify the appointment, the appointment will be reconsidered by the Audit Committee based on all relevant facts and circumstances at the time. A representative of PricewaterhouseCoopers LLP will be present at the Annual Meeting, will have an opportunity to make a statement to shareholders if he desires to do so and will be available to respond to appropriate questions.

Audit Fees. The following chart sets forth the amounts billed to the Company by PricewaterhouseCoopers LLP with respect to services provided in 2012 and 2011:

Type	Amount	
	2012	2011
Audit Fees	\$ 624,300	\$ 471,285
Audit-Related Fees	\$	\$ 671,389
Tax Fees	\$ 157,797	\$ 100,000
All Other Fees	\$ 1,800	\$ 1,800
	\$ 783,897	\$ 1,244,474

The Audit-Related Fees for 2011 were for professional services rendered in conjunction with audits related to certain acquisitions completed during 2011. The Tax Fees for 2012 were for the preparation of tax returns. The All Other Fees was for a software license fee. The Audit Committee's current policy on approval of non-audit services by the independent auditor is to approve at the beginning of each year the scope and fees for any non-audit services for the year that have been identified, and to approve in advance the scope and fees for any additional non-audit services as the need for such services arise. According to PricewaterhouseCoopers LLP, only full-time permanent employees of PricewaterhouseCoopers LLP worked on the Company's audit in 2012.

THE BOARD OF TRUSTEES RECOMMENDS THAT SHAREHOLDERS VOTE FOR RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS INDEPENDENT AUDITORS.

Vote Required

The affirmative vote of a majority of the votes cast on this proposal will constitute ratification of the appointment of PricewaterhouseCoopers LLP.

The Board of Trustees unanimously recommends that you vote FOR Proposal 2.

PROPOSAL 3:

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Company is providing shareholders with an advisory (non-binding) vote on compensation programs for our Named Executive Officers (sometimes referred to as *say on pay*). Accordingly, you may vote on the following resolution at the 2013 Annual Meeting:

Resolved, that the shareholders approve, on an advisory basis, the compensation of the Company's Named Executive Officers as disclosed in the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure in this Proxy Statement.

This vote is nonbinding. The Board and the Compensation Committee, which is comprised of independent Trustees, expect to take into account the outcome of the vote when considering future executive compensation decisions to the extent they can determine the cause or causes of any significant negative voting results.

As described in detail under *Compensation Discussion and Analysis* our compensation programs are designed to motivate our executives to create and sustain a successful company. We believe that our compensation program, with its balance of short-term incentives (including cash bonus awards and performance conditions for awards of restricted shares) and long-term incentives (including equity awards that vest over up to five years) reward sustained performance that is aligned with long-term shareholder interests. Shareholders are encouraged to read the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure.

The Board of Trustees unanimously recommends that you vote FOR the approval, on an advisory basis, of the compensation of our Named Executive Officers as disclosed in the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure.

PROPOSAL 4:

Approval of Amended and Restated Equity Incentive Plan

We currently have in effect the Equity Incentive Plan which was adopted in connection with our initial public offering. The Equity Incentive Plan permits the grant of options to purchase common shares, share appreciation rights, share awards, performance units and other equity-based awards.

On February 19, 2013, our Board of Trustees amended and restated the Equity Incentive Plan (the *Amended Plan*), subject to the approval of our shareholders. The amendments adopted by our Board of Trustees amend the Equity Incentive Plan to (i) increase the Equity Incentive Plan's share authorization; (ii) allow awards to qualify as *performance based compensation* under Section 162(m) of the Internal Revenue Code; (iii) restrict the payment of dividends and dividend equivalents on awards that vest upon achievement of

performance objectives; (iv) impose an annual limit on awards to Trustees who are not employees; (v) authorize the grant of incentive awards; (vi) provide that awards are subject to any clawback or recoupment policy that we adopt and (vii) extend the term of the Equity Incentive Plan through May 16, 2023.

Our Board of Trustees believes that the Equity Incentive Plan has benefited, and the Amended Plan will benefit, the Company by assisting in the recruitment and retention of able employees, directors and consultants (participants) by providing them with incentive and reward opportunities designed to enhance our profitable growth. As described in the Compensation Discussion and Analysis section, equity awards are a key component of our compensation system and give participants a long-term stake in our company, act as a long-term retention tool and align participants interests with those of our shareholders.

The more significant features of the Amended Plan are summarized below. The following summary of the Amended Plan is qualified, in its entirety, by reference to the copy of the Amended Plan which is attached to this proxy statement as Appendix A.

Administration

The Amended Plan will be administered by the Compensation Committee of our Board of Trustees. The Compensation Committee will approve the terms of awards under the Amended Plan. Our Compensation Committee will also approve who will receive grants under the Amended Plan, determine the type of award that will be granted and will approve the number of common shares subject to the grant.

Our Board of Trustees will administer the Amended Plan in the case of any award that is made to a Trustee who is not also an employee of the Company or an affiliate. References in this summary to the Compensation Committee include our Board of Trustees with respect to awards made to non-employee Trustees.

Because awards under the Amended Plan will be made at the Compensation Committee s discretion, we are unable to determine who will be selected to receive awards or the type, size or terms of the awards that may be granted. For the same reason, we are unable to determine the awards that would have been granted last year if the Amended Plan had been in effect. However, awards previously granted under the Equity Incentive Plan are reported herein. See Executive Officer Compensation Tables Grants of Plan-Based Awards.

Eligibility

All of our employees and the employees of our subsidiaries and affiliates are eligible to receive grants under the Amended Plan. In addition, our non-employee Trustees and other individuals who perform services for us and our subsidiaries and affiliates, including individuals who provide services through their employment with Chatham Lodging, L.P., may receive grants under the Amended Plan.

Share Authorization and Individual Award Limits

The Equity Incentive Plan provides that up to 565,359 common shares may be issued pursuant to awards. As of the date of this filing, 6,206 common shares are available to be issued pursuant to the Equity Incentive Plan. The Amended Plan provides that the aggregate number of common shares that may be issued pursuant to awards granted on and after May 17, 2013 is 3,000,000 shares. In connection with share splits, share dividends, recapitalizations and certain other events, our Board of Trustees will make adjustments that it deems appropriate in the aggregate number of common shares that may be issued under the Amended Plan, the terms of outstanding awards and the per individual grant limitations described below.

If, on or after May 17, 2013, an award granted under the Amended Plan or the Equity Incentive Plan terminates, expires or is cancelled, forfeited or surrendered without having been exercised or is settled entirely in cash, then the number of common shares subject to such award will again be available for future awards under

the Amended Plan. However, any common shares that are tendered or withheld to satisfy the grant or exercise price or to satisfy a tax withholding obligation with respect to an Amended Plan award will not be available for future awards granted under the Amended Plan.

The Equity Incentive Plan was also amended to prescribe limits on the awards that may be granted to any individual participant in a calendar year. A participant who is a Trustee but is not an employee of the Company or an affiliate on the date of grant may not receive awards with respect to more than 100,000 common shares in a calendar year. For other participants, the Amended Plan prescribes the following calendar year limits: 200,000 common shares with respect to options; 200,000 common shares with respect to share appreciation rights; 150,000 common shares with respect to share awards; 150,000 common shares with respect to performance units and 150,000 common shares with respect to other equity-based awards.

Options

The Amended Plan authorizes our Compensation Committee to grant incentive stock options (under Section 421 of the Internal Revenue Code) and options that do not qualify as incentive stock options. The exercise price of each option will be determined by the Compensation Committee, provided that the price cannot be less than 100% of the fair market value of a common share on the date on which the option is granted (or 110% of the shares' fair market value on the grant date in the case of an incentive stock option granted to an individual who is a ten percent shareholder under Sections 422 and 424 of the Code). Except in the event of share splits, share dividends and other changes in our capitalization, the exercise price of an outstanding option cannot be reduced without the approval of shareholders. In addition, unless approved by shareholders, no payment may be made on account of the cancellation of an option if the exercise price exceeds the fair market value of a common share.

The exercise price for any option is generally payable (i) in cash, (ii) by certified check, (iii) by the surrender of common shares (or by attestation of ownership of common shares) with an aggregate fair market value on the date on which the option is exercised equal to the exercise price for the number of shares being purchased, (iv) by payment through a broker in accordance with procedures established by the Federal Reserve Board or (v) by a combination of the permissible methods. The term of an option cannot exceed ten years from the date of grant (or five years in the case of an incentive stock option granted to a ten percent shareholder).

Share Awards

The Amended Plan also provides for the grant of share awards. A share award is an award of common shares that may be subject to restrictions on transferability and other restrictions as our Compensation Committee determines in its sole discretion on the date of grant. A share award may be subject to vesting or other requirements or restrictions that are stated with reference to one or more performance goals as described below under Section 162(m). The restrictions, if any, may lapse over a specified period of time or through the satisfaction of conditions, in installments or otherwise, as our Compensation Committee may determine. A participant who receives a share award will have all of the rights of a shareholder as to those shares, including, without limitation, the right to vote and the right to receive dividends or distributions on the shares; provided, however, that dividends payable on a share award that does not vest solely on account of continued employment or service will be payable when, and only to the extent that, the underlying share award vests. During the period, if any, when share awards are non-transferable or forfeitable, (i) a participant is prohibited from selling, transferring, pledging, exchanging, hypothecating or otherwise disposing of his or her share award shares, (ii) we will retain custody of any stock certificates and (iii) the participant must deliver a stock power to the Company for each share award.

Share Appreciation Rights

The Amended Plan authorizes our Compensation Committee to grant share appreciation rights that provide the recipient with the right to receive, upon exercise of the share appreciation right, cash, common shares or a

combination of the two. The amount that the recipient will receive upon exercise of the share appreciation right generally will equal the excess of the fair market value of the common share on the date of exercise over the share's fair market value on the date of grant (the "initial value"). Share appreciation rights will become exercisable in accordance with terms prescribed by our Compensation Committee. Share appreciation rights may be granted in tandem with an option grant or independently from an option grant. The term of a share appreciation right cannot exceed ten years from the date of grant or five years from the date of grant in the case of a share appreciation right granted in tandem with an incentive stock option awarded to a ten percent shareholder.

Except in the case of share splits, share dividends and other changes in our capitalization, the initial value of an outstanding share appreciation right cannot be reduced without the approval of shareholders. In addition, unless approved by shareholders, no payment may be made on account of the cancellation of a share appreciation right if the initial value exceeds the fair market value of a common share.

Performance Units

The Amended Plan also authorizes our Compensation Committee to grant performance units. Performance units represent the participant's right to receive an amount, based on the value of a common share or other securities or property, if the requirements prescribed by the Compensation Committee are satisfied. Our Compensation Committee will determine the applicable performance period, the performance goals and such other conditions that apply to the performance unit. Performance goals may be stated with respect to the performance criteria described below under Section 162(m) or such other criteria determined by the Compensation Committee. If the performance units are earned, they will be paid in cash, common shares or a combination thereof.

Other Equity-Based Awards

Our Compensation Committee may grant other types of awards as other equity-based awards under the Amended Plan. Our Compensation Committee will determine the applicable performance period, the performance goals and such other conditions that apply to other equity-based awards. Performance goals may be stated with respect to the performance criteria described below under Section 162(m) or such other criteria determined by our Compensation Committee. Other equity-based awards are payable in cash, common shares or other equity, or a combination thereof, as determined by the Compensation Committee. The terms and conditions of other equity-based awards are determined by the Compensation Committee.

Incentive Awards

The Amended Plan also permits the grant of incentive awards. An incentive award is an opportunity to earn a payment upon the terms and conditions prescribed by our Compensation Committee. The terms and conditions may provide that the incentive award will be earned only to the extent that the participant, the Company or an affiliate achieves objectives measured over a period of at least one year. The objectives may be stated with reference to one or more of the performance criteria described below under Section 162(m) or such other criteria determined by our Compensation Committee. If an incentive award is earned, the amount payable will be paid in cash, common shares or a combination thereof.

Dividend Equivalents

Our Compensation Committee may grant dividend equivalent rights in connection with the grant of performance units and other equity-based awards. The dividend equivalent is the right to receive cash, common shares or other property equivalent to the cash, common shares or other property paid on an equal number of common shares. Dividend equivalents may be paid currently or accrued and paid at a later date (in which case they may be deemed to have been invested in common shares). Dividend equivalents may be payable in cash,

common shares or a combination of the two. Our Compensation Committee will determine the terms of any dividend equivalents. However, amounts payable under dividend equivalent rights that relate to an award subject to performance vesting requirements will be payable when, and only to the extent that, the underlying award vests.

Change in Control

If we experience a change in control, the Compensation Committee may, at its discretion, provide that all outstanding options, share appreciation rights, share awards, performance units, other equity-based awards or incentive awards that are not exercised prior to the change in control will be assumed by the surviving entity, or will be replaced by a comparable substitute award of substantially equal value granted by the surviving entity. The Compensation Committee may also provide that (i) all outstanding options and share appreciation rights will be fully exercisable on the change in control, (ii) restrictions and conditions on outstanding share awards will lapse upon the change in control and (iii) performance units, other equity-based awards or incentive awards will become earned in their entirety. The Compensation Committee may also provide that participants must surrender their outstanding options, share appreciation rights, share awards, performance units, other equity-based awards and incentive awards in exchange for a payment, in cash, common shares or other securities or consideration received by shareholders in the change in control transaction, equal to the value received by shareholders in the change in control transaction (or, in the case of options and share appreciation rights, the amount by which that transaction value exceeds the exercise price or initial value).

In summary, a change of control under the Amended Plan occurs if:

a person, entity or affiliated group (with certain exceptions) acquires, in a transaction or series of transactions, at least 50% of our combined voting power or common shares;

we merge into another entity unless the holders of our voting shares immediately prior to the merger have more than 50% of the combined voting power of the securities in the merged entity or its parent;

we sell or dispose of all or substantially all of our assets; or

during any period of two consecutive years individuals who, at the beginning of such period, constitute our Board of Trustees, together with any new Trustees (other than individuals who become Trustees in connection with certain transactions or election contests), cease for any reason to constitute a majority of our Board of Trustees.

Section 162(m)

Section 162(m) of the Internal Revenue Code limits, to \$1,000,000, the deduction that a public corporation may claim for compensation paid to each of its chief executive officer and its three other most highly paid executive officers (other than the chief financial officer). The deduction limitation does not apply to compensation that qualifies as performance based compensation under Section 162(m).

A special rule under Section 162(m) provided that certain awards under the Equity Incentive Plan that were made during a transition period that began with our initial public offering can qualify as performance based compensation even though they do not satisfy the requirements for performance based compensation otherwise prescribed by Section 162(m). We will not be allowed to rely on the special transition rule with respect to awards granted after approval of the Amended Plan.

Awards granted under the Amended Plan can qualify as performance based compensation under Section 162(m) only if, among other things, the Amended Plan, as approved by shareholders (i) includes a limit on the benefits that an individual may receive in a stated period and (ii) identifies the performance measures or criteria that may be used for awards that are intended to qualify as performance based compensation.

Edgar Filing: Chatham Lodging Trust - Form DEF 14A

As required by Section 162(m) and described above, the Amended Plan includes limits on the benefits that any participant may receive in a stated period. *See* Share Authorization and Individual Award Limits. The Amended Plan also provides that no participant may receive payments that exceed \$2,500,000 under all incentive awards granted in the same calendar year.

The Amended Plan also identifies performance criteria that may be used to establish performance goals that will determine whether an award becomes vested or is earned. The Compensation Committee may prescribe that an award that is intended to qualify as performance based compensation will become vested or be earned only upon the attainment of performance goals or objectives stated with respect to one or more of the following:

funds from operations (FFO) or FFO per common share;

adjusted FFO or adjusted FFO per common share;

net income;

earnings before or after taxes including earnings before interest, taxes, depreciation and amortization (EBITDA);

adjusted EBITDA;

hotel-level EBITDA;

hotel revenues;

operating income;

total earnings or earnings per common share;

book value or book value per common share;

return on shareholders' equity;

expense management;

cash flow;

total shareholder return;

revenues;

return on capital;

fair market value of common shares;

dividends per common share; and

return on assets or net assets.

A performance goal or objective stated with respect to one or more of these criteria may be expressed on an absolute basis or relative to the performance of one or more similarly situated companies or a published index. In establishing a performance goal or objective, the Compensation Committee may exclude any or all special, unusual or extraordinary items as determined under generally accepted accounting principles, including the charges or costs associated with restructurings of the Company, discontinued operations, other unusual or non-recurring items and the cumulative effects of accounting changes. To the extent allowed by Section 162(m), the Committee may also adjust performance goals or objectives to reflect the impact of unusual or non-recurring events affecting the Company and for changes in applicable tax laws and accounting principles.

Return of Awards; Repayment

The Amended Plan provides that all awards, and all payments under awards, are subject to any policy that the Company adopts requiring the return or repayment of benefits, *i.e.*, a claw-back policy. To the extent required by any such policy, as in effect on the date that the award is granted, the date the payment was made or, as

applicable, the date the option or share appreciation right was exercised or the date the share award, performance units or other equity-based award is vested or earned, a participant will be required to return any award (if not previously exercised or settled) or to return any payment previously made with respect to an award (if the award has vested or been settled).

Amendment; Termination

The Amended Plan may be amended or terminated at any time by our Board of Trustees; provided that no amendment may adversely impair the benefits of participants under outstanding awards. Our shareholders must approve any amendment if such approval is required under applicable law or stock exchange requirements. Our shareholders also must approve any amendment that materially increases the benefits accruing to participants under the Amended Plan, materially increases the aggregate number of common shares that may be issued under the Amended Plan (other than increases to reflect changes in our capitalization as described above) or materially modifies the requirements as to eligibility for participation in the Amended Plan. The Amended Plan provides that, unless terminated sooner by our Board of Trustees, the Amended Plan will terminate on May 17, 2023.

Federal Tax Consequences

Counsel advised us regarding the federal income tax consequences of the Amended Plan. No income is recognized by a participant at the time an option or share appreciation rights is granted. If the option is an incentive stock option, no income will be recognized upon the participant's exercise of the incentive stock option. Income is recognized by a participant when he or she disposes of shares acquired under an incentive stock option. The exercise of a nonqualified stock option or a share appreciation right generally is a taxable event that requires the participant to recognize, as ordinary income, the difference between the shares' fair market value and the option price or the amount paid in settlement of the share appreciation right.

Income is recognized on account of the grant of a share award or an other equity-based award when the shares or other property subject to the award first become transferable or are no longer subject to a substantial risk of forfeiture. At that time the participant recognizes ordinary income equal to the fair market value of the common shares or other property, less any amount paid by the participant for the common shares or other property.

No income is recognized upon the grant of performance units or incentive awards. Income will be recognized on the date that payment is made under the performance units or incentive award in an amount equal to the amount paid in settlement of the performance units or incentive award.

The employer (either the Company or its affiliate) generally will be entitled to claim a federal income tax deduction on account of the exercise of a nonqualified stock option or share appreciation right, the vesting of a share award or other equity-based award and the settlement of performance units and incentive awards. The amount of the deduction generally is equal to the ordinary income recognized by the participant. The employer will not be entitled to a federal income tax deduction on account of the grant or exercise of an incentive stock option but may claim a federal income tax deduction on account of certain dispositions of shares acquired under an incentive stock option.

The Board of Trustees recommends that you vote FOR Proposal 4.

DEFINITIONS

Affiliate

Affiliate means any entity, whether now or hereafter existing, which controls, is controlled by, or is under common control with, the Company (including, but not limited to, joint ventures, limited liability companies and partnerships). For this purpose, the term control shall mean ownership of 50% or more of the total combined voting power or value of all classes of shares or interests in the entity, or the power to direct the management and policies of the entity, by contract or otherwise.

Agreement

Agreement means a written agreement (including any amendment or supplement thereto) between the Company and a Participant specifying the terms and conditions of a Share Award, an award of Performance Units, an Option, SAR, Other Equity-Based Award (including an LTIP) or Incentive Award granted to such Participant.

Board

Board means the Board of Trustees of the Company.

Change in Control

Change in Control shall mean a change in control of the Company which will be deemed to have occurred after the date hereof if:

- (a) any person as such term is used in Section 3(a)(9) of the Exchange Act, as modified and used in Sections 13(d) and 14(d) thereof except that such term shall not include (A) the Company or any of its subsidiaries, (B) any trustee or other fiduciary holding securities under an employee benefit plan of the Company or any of its affiliates, (C) an underwriter temporarily holding securities pursuant to an offering of such securities, (D) any corporation owned, directly or indirectly, by the shareholders of the Company in substantially the same proportions as their ownership of the Company's common shares, or (E) any person or group as used in Rule 13d-1(b) under the Exchange Act, is or becomes the Beneficial Owner, as such term is defined in Rule 13d-3 under the Exchange Act, directly or indirectly, of securities of the Company representing at least 50% of the combined voting power or common shares of the Company;
- (b) during any period of two consecutive years, individuals who at the beginning of such period constitute the Board, and any new trustee (other than (A) a trustee designated by a person who has entered into an agreement with the Company to effect a transaction described in clause (a), (c), or (d) of this Section 1.05 or (B) a trustee whose initial assumption of office is in connection with an actual or threatened election contest, including but not limited to a consent solicitation, relating to the election of trustees of the Company) whose election by the Board or nomination for election by the Company's shareholders was approved by a vote of at least two-thirds (2/3) of the trustees then still in office who either were trustees at the beginning of the period or whose election or nomination for election was previously so approved, cease for any reason to constitute at least a majority thereof;
- (c) there is consummated a merger or consolidation of the Company or any direct or indirect subsidiary of the Company with any other corporation, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or any parent thereof) in combination with the ownership of any trustee or other fiduciary holding securities under an employee benefit plan of the Company or any subsidiary of the Company, more than 50% of the combined voting power and common shares of the Company or such surviving entity or any parent thereof outstanding immediately after such merger or consolidation; or

- (d) there is consummated an agreement for the sale or disposition by the Company of all or substantially all of the Company's assets (or any transaction having a similar effect, including a liquidation) other than a sale or disposition by the Company of all or substantially all of the Company's assets to an entity, more than fifty percent (50%) of the combined voting power and common shares of which is owned by shareholders of the Company in substantially the same proportions as their ownership of the common shares of the Company immediately prior to such sale.

If a change in control constitutes a payment event with respect to any Option, SAR, Share Award, Performance Unit or Other Equity-Based Award that provides for the deferral of compensation and is subject to Section 409A of the Code, no payment will be made under that award on account of a Change in Control unless the event described in (1), (2), (3) or (4) above, as applicable, constitutes a change in control event under Treasury Regulation Section 1.409A-3(i)(5).

Code

Code means the Internal Revenue Code of 1986, and any amendments thereto.

Committee

Committee means the Compensation Committee of the Board. Unless otherwise determined by the Board, the Committee shall consist solely of two or more non-employee members of the Board, each of whom is intended to qualify as a non-employee director as defined by Rule 16b-3 of the Exchange Act or any successor rule, an outside director for purposes of Section 162(m) of the Code (if awards under the Plan are subject to the deduction limitation of Section 162(m) of the Code) and an independent director under the rules of any exchange or automated quotation system on which the Common Shares are listed, traded or quoted; provided, that any action taken by the Committee shall be valid and effective, whether or not the members of the Committee at the time of such action are later determined not to have satisfied the foregoing requirements or otherwise provided in any charter of the Committee. If there is no Compensation Committee, then Committee means the Board; and provided, further that with respect to awards made to a member of the Board who is not an employee of the Company or an Affiliate, Committee means the Board.

Common Share

Common Share means common shares of beneficial interest, par value \$0.01 per share, of the Company.

Company

Company means Chatham Lodging Trust, a Maryland real estate investment trust.

Control Change Date

Control Change Date means the date on which a Change in Control occurs. If a Change in Control occurs on account of a series of transactions, the Control Change Date is the date of the last of such transactions.

Dividend Equivalent Right

Dividend Equivalent Right means the right, subject to the terms and conditions prescribed by the Committee, of a Participant to receive (or have credited) cash, shares or other property in amounts equivalent to the cash, shares or other property dividends declared on Common Shares with respect to specified Performance Units or Common

Shares subject to an Other Equity-Based Award, as determined by the Committee, in its sole discretion. The Committee may provide that such Dividend Equivalents (if any) shall be distributed only when, and to the extent that, the underlying award is vested or earned and also may provide that Dividend Equivalents (if any) shall be deemed to have been reinvested in additional Common Shares or otherwise reinvested and the Committee shall provide that Dividend Equivalent Rights payable with respect to an award that does not vest or become earned solely on account of continued employment or service shall be distributed only when, and to the extent that, the underlying award is vested or earned.

Exchange Act

Exchange Act means the Securities Exchange Act of 1934, as amended.

Fair Market Value

Fair Market Value means, on any given date, the reported closing price of a Common Share on the New York Stock Exchange for such date or, if there is no closing price for a Common Share on the date in question, the closing price for a Common Share on the last preceding date for which a quotation exists. If, on any given date, the Common Shares are not listed for trading on the New York Stock Exchange, then Fair Market Value shall be the closing price of a Common Share on such other exchange on which the Common Shares are listed for trading for such date (or, if there is no closing price for a Common Share on the date in question, the closing price for a Common Share on the last preceding date for which such quotation exists) or, if the Common Shares are not listed on any exchange, the amount determined by the Committee using any reasonable method in good faith and in accordance with the regulations under Section 409A of the Code.

Initial Value

Initial Value means, with respect to a Corresponding SAR, the option price per share of the related Option and, with respect to an SAR granted independently of an Option, the price per Common Share as determined by the Committee on the date of grant; provided, however, that the price shall not be less than the Fair Market Value on the date of grant.

LTIP Unit

LTIP Unit means an LTIP Unit as defined in the Operating Partnership's partnership agreement. An LTIP Unit granted under this Plan represents the right to receive the benefits, payments or other rights in respect of an LTIP Unit set forth in that partnership agreement, subject to the terms and conditions of the applicable Agreement and that partnership agreement.

Operating Partnership

Operating Partnership means Chatham Lodging, L. P.

Option

Option means a share option that entitles the holder to purchase from the Company a stated number of Common Shares at the price set forth in an Agreement.

Other Equity-Based Award

Other Equity-Based Award means any award other than an Option, SAR, a Performance Unit award or a Share Award which, subject to such terms and conditions as may be prescribed by the Committee, entitles a Participant to receive Common Shares or rights or units valued in whole or in part by reference to, or otherwise based on, Common Shares (including securities convertible into Common Shares) or other equity interests including LTIP Units.

Participant

To the extent permitted under Section 162(m) of the Code (for any award that is intended to constitute performance based compensation under Section 162(m) of the Code), the Committee may also adjust the Performance Goals as it deems equitable in recognition of unusual or non-recurring events affecting the Company, changes in applicable tax laws or accounting principles or such other factors as the Committee may determine.

The Plan is intended to permit the grant of both Options qualifying under Section 422 of the Code (incentive stock options) and Options not so qualifying, and the grant of SARs, Share Awards, Performance Units, and Other Equity-Based Awards in accordance with the Plan and any procedures that may be established by the Committee. No Option that is intended to be an incentive stock option shall be invalid for failure to qualify as an incentive stock option. The proceeds received by the Company from the sale of Common Shares pursuant to this Plan shall be used for general corporate purposes.

ADMINISTRATION

The Plan shall be administered by the Committee. The Committee shall have authority to grant SARs, Share Awards, Performance Units, Options, Incentive Awards and Other Equity-Based Awards upon such terms (not inconsistent with the provisions of this Plan), as the Committee may consider appropriate. Such terms may include conditions (in addition to those contained in this Plan), on the exercisability of all or any part of an Option or SAR or on the transferability or forfeitability of a Share Award, an award of Performance Units, an Incentive Award or an Other Equity-Based Award. Notwithstanding any such conditions, the Committee may, in its discretion, accelerate the time at which any Option or SAR may be exercised, or the time at which a Share Award or Other Equity-Based Award may become transferable or nonforfeitable or the time at which an Other Equity-Based Award, an Incentive Award or an award of Performance Units may be settled. In addition, the Committee shall have complete authority to interpret all provisions of this Plan; to prescribe the form of Agreements; to adopt, amend, and rescind rules and regulations pertaining to the administration of the Plan (including rules and regulations that require or allow Participants to defer the payment of benefits under the Plan); and to make all other determinations necessary or advisable for the administration of this Plan. The Committee's determinations under the Plan (including without limitation, determinations of the individuals to receive awards under the Plan, the form, amount and timing of such awards, the terms and provisions of such awards and the Agreements) need not be uniform and may be made by the Committee selectively among individuals who receive, or are eligible to receive, awards under the Plan, whether or not such persons are similarly situated. The express grant in the Plan of any specific power to the Committee shall not be construed as limiting any power or authority of the Committee. Any decision made, or action taken, by the Committee in

connection with the administration of this Plan shall be final and conclusive. The members of the Committee shall not be liable for any act done in good faith with respect to this Plan or any Agreement, Option, SAR, Share Award, Other Equity-Based Award, Incentive Award or award of Performance Units. All expenses of administering this Plan shall be borne by the Company.
