Item 2.05. Costs Associated with Exit or Disposal Activities

On June 20, 2013, Accretive Health, Inc. (the Company), in order to align its organizational structure and resources to better serve its customers, committed to a plan to reduce its workforce in certain corporate, administrative and management functions (the Reorganization). The Reorganization will initially affect 29 employees. The Company began notifying such employees on June 21, 2013. The Company expects the Reorganization to be completed by May 31, 2014.

Pursuant to the Reorganization, and subject to the execution of separation and general release agreements, the Company will enter into severance arrangements with each terminated employee based on seniority and tenure with the Company. The Company expects the arrangements to consist of severance payments, medical and dental benefits and outplacement job training.

In connection with the Reorganization, the Company expects to record approximately \$3.0 million to \$5.0 million in severance-related expenses during 2013 and 2014. The Company does not anticipate a significant reduction in future operating expenses as a result of the Reorganization because the Company plans to invest in different areas to support its strategy of aligning its organizational structure and resources to better serve its customers.

The Reorganization constitutes a plan of termination pursuant to FASB ASC paragraph 420-10-25-4 (Exit or Disposal Cost Obligations Topic).

Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On June 21, 2013, Richard E. Gillette's employment with the Company was terminated in connection with the Reorganization described above, effective as of June 28, 2013.
