All Dell Team Member Message From Gladden and Tu

Brian Gladden, Sr. Vice President and Chief Financial Officer

Larry Tu, Sr. Vice President, General Counsel

To: Global Dell Team

Today, the Special Committee of the Dell Board of Directors announced that Institutional Shareholder Services (ISS), a leading independent proxy voting and corporate governance advisory firm, has recommended that Dell shareholders vote FOR the proposed sale transaction for \$13.65 per share in cash.

This recommendation is an important step towards completing the proposed transaction in which Michael and Silver Lake Partners would acquire Dell and take it private. As a reminder, on July 18, Dell will be holding a Special Meeting of Stockholders to consider and vote on the proposed transaction.

ISS summarized its recommendation as follows:

After evaluating the risk of accepting the offer truncation of value if the business transformation is successful versus the risk of rejecting the offer meaningful loss of value if the business transformation falters ISS recommends clients vote FOR this transaction, which offers a 25.5% premium to the unaffected share price, provides certainty of value, and transfers the risk of the deteriorating PC business and the company's on-going business transformation to the buyout group.

In response to the ISS recommendation, the Special Committee stated:

We are pleased that ISS has recommended, as we have, that Dell shareholders approve the \$13.65 per share cash sale transaction. With the assistance of outside advisors over the course of an exhaustive 10-month process, the Committee has thoroughly reviewed Dell's existing business plan as it seeks to transform its business model and various alternatives in support of that transformation.

We appreciate your patience, your continued engagement with customers and focus on delivering results. Thank you.
