Item 2.01 Completion of Acquisition or Disposition of Assets.

On November 5, 2013, W&T Offshore, Inc. (the Company) completed the first closing of its acquisition of exploration and production properties in the Gulf of Mexico from Callon Petroleum Operating Company (Callon), pursuant to a Purchase and Sale Agreement dated as of October 17, 2013 (the Purchase and Sale Agreement). The properties subject to the Purchase and Sale Agreement include a 15% working interest in the Medusa field (deepwater Mississippi Canyon blocks 538 and 582), interests in associated production facilities and various interests in other non-operated fields. The first closing includes properties that were not subject to third party preferential rights and represent a substantial portion of the reserve value of the properties that are the subject of the Purchase and Sale Agreement. Pursuant to the Purchase and Sale Agreement, a portion of the assets will be held in W&T Energy VI, LLC, a wholly-owned subsidiary of the Company.

At the first closing, the adjusted purchase price paid for the properties transferred, as reflected on the preliminary settlement statement, was approximately \$76.4 million, subject to further post-effective date adjustments and the assumption of asset retirement obligations associated with these properties. The acquisition was funded from the Company's available cash on hand and its revolving bank credit facility. A final closing is anticipated to occur by the end of November 2013 for those remaining properties subject to preferential rights that have not been exercised.

A copy of the Purchase and Sale Agreement is attached hereto as Exhibit 2.1 and is incorporated herein by reference.
