Private Placement

Prior to the Merger (defined below), Intra-Cellular Therapies, Inc., a private Delaware corporation (ITI) sold to accredited investors approximately \$60.0 million of its shares of common stock, or 18,889,307 shares at a price of \$3.1764 per share, which included approximately \$15.3 million in principal and \$0.8 million in accrued interest from the conversion of ITI's then outstanding convertible promissory notes (the Private Placement).

Also, ITI granted the investors in the Private Placement, and the other then existing stockholders of ITI, registration rights requiring ITI or any successor to register those shares of ITI's common stock (which were exchanged for shares of the Issuer's Common Stock in the Merger) for public resale, as described in more detail below. The Private Placement closed immediately prior to the Merger on August 29, 2013.

Alafi Capital purchased 3,619,234 shares of ITI's common stock in the Private Placement for a purchase price of \$11,496,135, including \$6,748,637 in principal and accrued interest from the conversion of a then outstanding convertible promissory note of ITI originally issued to Alafi Capital on October 25, 2012.

Moshe Alafi purchased 31,484 shares of ITI's common stock in the Private Placement for a purchase price of \$100,006.

Christopher Alafi, Ph.D. did not purchase shares in the Private Placement.

Reverse Merger

Pursuant to an Agreement and Plan of Merger dated August 23, 2013 (the *Merger Agreement*) by and among the Issuer, ITI, Inc., a Delaware corporation and wholly-owned subsidiary of the Issuer (*Merger Sub*) and ITI, Merger Sub merged with and into ITI, with ITI remaining as the surviving entity and a wholly-owned operating subsidiary of the Issuer (the *Merger*). The Merger was effective as of August 29, 2013 (the *Effective Time*). As part of the Merger, ITI changed its name to ITI, Inc.

At the Effective Time, the legal existence of Merger Sub ceased and each share of ITI's common stock and each share of ITI's preferred stock that was issued and outstanding immediately prior to the Effective Time was automatically exchanged for 0.5 shares of the Issuer's Common Stock. The Issuer issued an aggregate of 22,134,647 shares of its Common Stock upon such exchange.

Following the Merger, effective on August 29, 2013, a newly organized wholly-owned subsidiary of the Issuer named *Intra-Cellular Therapies, Inc.* merged with and into the Issuer, leaving the Issuer as the surviving corporation. In connection with this merger, the Issuer, which was formerly named *Oneida Resources Corp.*, assumed the name *Intra-Cellular Therapies, Inc.*

In addition, at the Effective Time, the Issuer assumed ITI's 2003 Equity Incentive Plan, as amended, (the "2003 Equity Incentive Plan"), and all options to purchase ITI's common stock then outstanding under the 2003 Equity Incentive Plan, and such options became exercisable for an aggregate of 1,462,380 shares of the Issuer's Common Stock, subject to the vesting and other terms of such options. The vesting of such options was not accelerated as a result of the Merger. At the Effective Time, the Issuer also assumed a warrant to purchase ITI's common stock, and such warrant became exercisable for 1,822 shares of the Issuer's Common Stock.

Upon the effectiveness of the Merger, the Issuer's business became the operation of ITI and its business. Immediately following the Effective Time, the Issuer's Board of Directors (the "Board"), which immediately prior to the Effective Time consisted of Samir N. Masri as the Issuer's sole director, appointed Sharon Mates, Ph.D., who was Chairman, President and Chief Executive Officer of ITI, as the Issuer's Chairman, President and Chief Executive Officer, to serve on the Board with Mr. Masri. At the Effective Time, Mr. Masri resigned from all of his positions as an officer of the Issuer. In addition, immediately following the Effective Time, the Board appointed Lawrence J. Hinline, who was the Vice President of Finance, Chief Financial Officer and Secretary of ITI, as the Issuer's Vice President of Finance, Chief Financial Officer and Secretary; Allen A. Fienberg, Ph.D., who was the Vice President of Business Development of ITI, as the Issuer's Vice President of Business Development; Lawrence P. Wennogle, Ph.D., who was the Vice President, Drug Discovery of ITI, as the Issuer's Vice President, Drug Discovery; and Kimberly E. Vanover, Ph.D., who was the Vice President, Clinical Development of ITI, as the Issuer's Vice President, Clinical Development. On September 9, 2013, which is the eleventh day following the date that the Issuer filed with SEC, and transmitted to the Issuer's sole stockholder prior to the Merger, a Schedule 14f-1 reporting a change in the majority of the Issuer's directors, Christopher Alafi, Ph.D., Richard Lerner, M.D., Joel S. Marcus and Sir Michael Rawlins, M.D., FRCP, FMedSci, were appointed to the Board to serve on the Board with Dr. Mates, and Mr. Masri resigned from the Board as of such date. Each of Dr. Mates, Dr. Alafi, Dr. Lerner, Mr. Marcus, and Sir Michael were directors of ITI immediately prior to the Merger.

Immediately following the Effective Time, the Issuer redeemed all shares of its capital stock issued and outstanding immediately prior to the Merger. Upon completion of the Merger and this redemption, the former stockholders of ITI held 100% of the outstanding shares of the Issuer's capital stock.

Immediately prior to the consummation of the Merger, Alafi Capital owned 3,619,234 shares of ITI's common stock purchased in the Private Placement and 3,466,535 shares of ITI's preferred stock, which were exchanged for an aggregate of 3,542,885 shares of the Issuer's Common Stock upon the consummation of the Merger. Alafi Capital purchased the 3,466,535 shares of ITI's preferred stock held by Alafi Capital immediately prior to the Merger in ITI's preferred stock financings in May 2002, January 2006, October 2007 and February 2010.

On June 19, 2014, Moshe Alafi sold 15,742 shares of Common Stock to a family member of Mr. Alafi at a price per share equal to the price at which Mr. Alafi originally purchased shares of ITI, Inc. common stock in the Private Placement, as adjusted for the exchange for shares of the Issuer's Common Stock in the Merger, or \$6.3528 per share.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

The information contained in Item 4 is incorporated herein by reference.

Registration Rights Agreement

At the closing of the Private Placement, ITI entered into a registration rights agreement with the investors in the Private Placement (including Alafi Capital and Moshe Alafi) and also the existing stockholders of ITI who agreed to become parties to certain provisions of the agreement (including Dr. Alafi) or who may choose to become parties in the future. The Issuer assumed the registration rights agreement in connection with the Merger. Pursuant to the registration rights agreement and subject to the rules and regulations of the SEC, the Issuer agreed to file a shelf registration statement covering the resale of the shares of its Common Stock held by the investors in the Private Placement and the shares of the Issuer's common stock held by the former stockholders of ITI who are parties to the agreement. In accordance with the registration rights agreement, the Issuer filed a shelf registration statement on Form S-1 on September 18, 2013, which was initially declared effective by the Securities and Exchange Commission on December 18, 2013.

The Issuer will be liable to each investor in the Private Placement (but not to the former stockholders of ITI who are parties to the agreement) for liquidated damages, on a 30-day basis, equal to 1.0% of the aggregate purchase price paid by the investor for the registrable shares of the Issuer's Common Stock then held by the investor, subject to an overall cap of 5%, (i) if the Issuer failed to file the registration statement on time, (ii) if the registration statement was not declared effective within 150 days from the date of the registration rights agreement (January 26, 2014), (iii) if the Issuer suspends (subject to limited blackout periods described below) or terminates the registration statement prior to the date which is the earlier of (x) the third anniversary of its effectiveness (or the third anniversary of the date on which all registrable shares are included therein, if later) and (y) the date on which all of the registrable shares cease to be registrable shares, or (iv) in the event one or more suspensions of the effectiveness of the registration statement exceeds 60 days in the aggregate during any 12-month period. The Issuer filed a post-effective amendment to the shelf registration statement on Form S-3 on May 14, 2014, which was declared effective by the Securities and Exchange

Commission on May 16, 2014.

The Issuer is permitted to suspend the registration statement one or more times during any 12-month period provided such suspensions do not exceed 30 consecutive days or 60 days in the aggregate in any 12-month period. Any suspension associated with the Issuer's filing of an annual, periodic or current report, as required by the Exchange Act, will be permitted and will not be counted against the 60 day limitation. Any shares not registered due to the Rule 415 doctrine will not be subject to liquidated damages. Expenses with respect to the filing and effectiveness of such registration statement (but not selling expenses, or underwriter or agent compensation) will be paid by the Issuer, including expenses of one counsel for the selling stockholders.

Lock-Up Provisions in Underwriting Agreement

The Underwriting Agreement by and among the Issuer and the Underwriters (as defined therein) dated March 5, 2015 contains a lock-up provision applicable to the certain stockholders of the Issuer (including Alafi Capital, Dr. Alafi, a trust for the benefit of Dr. Alafi's family, and Moshe Alafi).
