Item 7.01 Regulation FD Disclosure

On May 14, 2015, at the Bank of America Merrill Lynch Transportation Conference, Kansas City Southern (the Company) Executive Vice President and Chief Financial Officer, Michael W. Upchurch, will provide a business update. As noted in Mr. Upchurch's presentation, the Company is withdrawing its 2015 revenue and volume guidance primarily due to the uncertainty around energy-related markets, foreign exchange impacts, and U.S. fuel prices. The Company is reiterating its operating ratio target of low-60s by 2017.

Additionally, the Company's Board of Directors authorized a share repurchase program of up to \$500 million, which management intends to deploy opportunistically. The repurchase program will be funded with currently available liquidity and/or future financing, and reflects the Company's belief in the strength of the franchise and the future growth prospects.

A copy of Mr. Upchurch's presentation is attached hereto as Exhibit 99.1. Interested investors not attending the conference may listen to the presentation via a simultaneous webcast on KCS's website at www.kcsouthern.com. A link to the replay will be available following the event.
