A summary of the principal terms of each of these agreements is set forth in the section entitled Certain Relationships and Related Person Transactions Agreements with HP Inc. contained in the Information Statement included as Exhibit 99.1 to Hewlett Packard Enterprise's Current Report on Form 8-K filed with the Securities and Exchange Commission on November 5, 2015, which summaries are incorporated herein by reference. The information described below under Item 2.03. Creation of a Direct Financial Obligation under an Off-Balance Sheet Arrangement of a Registrant is hereby incorporated by reference into this Item 1.01.

Item 2.01. Completion of the Acquisition or Disposition of Assets.

Effective as of 12:01 a.m. Eastern time on November 1, 2015, pursuant to the SDA, HP Inc. completed the previously announced separation of its enterprise technology infrastructure, software, services and financing businesses from its personal systems and printing businesses (the Separation), which was accomplished by the distribution of the outstanding common stock of Hewlett Packard Enterprise to HP Inc. stockholders as of the close of business on October 21, 2015, the record date for the distribution (the Distribution). HP Inc. stockholders received one share of Hewlett Packard Enterprise common stock for every one share of HP Inc. common stock held at the close of business on the record date.

Hewlett Packard Enterprise is now an independent public company, and its common stock began regular-way trading under the symbol HPE on the New York Stock Exchange (NYSE) on November 2, 2015. HP Inc. distributed a total of approximately 1.805 billion shares of Hewlett Packard Enterprise common stock to the HP Inc. stockholders as of the

close of business on the record date.

Item 2.03. Creation of a Direct Financial Obligation or Obligation under an Off Balance Sheet Arrangement of a Registrant

On November 1, 2015, HP Inc. entered into an amended and restated revolving credit facility (the Credit Agreement), together with the lenders named therein, Citibank, N.A. (Citibank), as co-administrative agent and administrative processing agent, and JPMorgan Chase Bank, N.A., as co-administrative agent, providing for a senior, unsecured revolving credit facility with aggregate lending commitments of \$4,000,000,000. Loans under the revolving credit facility may be used for general corporate purposes.

Commitments under the Credit Agreement will be available until the period ending on April 2, 2019, which period may be extended, subject to satisfaction of certain conditions, by up to two, one-year periods.

Borrowings under the Credit Agreement will bear interest at rates per annum, determined, at HP Inc.'s option, by reference either to an alternate base rate (ABR Borrowing) or to LIBOR (Eurodollar Borrowing). ABR Borrowings will bear interest at (a) the highest of (i) the prime rate announced by Citibank, (ii) the Federal Funds Effective Rate plus one-half of 1%, and (iii) one-month LIBOR plus 1%, plus (b) a margin of between zero and 75 basis points, depending on the rating of HP Inc.'s long-term senior unsecured debt. Eurodollar Borrowings will bear interest at (a) the London interbank offered rate for deposits in dollars with a term equivalent to the interest period for such borrowing; plus (b) a margin of between 87.5 and 175 basis points, depending on the rating of HP Inc.'s long-term senior unsecured debt. In addition, HP Inc. will pay a commitment fee on unused commitments between 8 and 25 basis points, depending on the rating of HP Inc.'s long-term senior unsecured debt.

The Credit Agreement contains various customary covenants that limit, among other things, the incurrence of indebtedness by subsidiaries of HP Inc., the grant or incurrence of liens by HP Inc. and its subsidiaries, the entry into sale and leaseback transactions by HP Inc. and its subsidiaries and the entry into certain fundamental change transactions by HP Inc. and its significant subsidiaries. The Credit Agreement contains a covenant pursuant to which HP Inc. will not permit the ratio of consolidated EBITDA to consolidated net interest expense for any period of four consecutive fiscal quarters to be less than 3.0 to 1.0. The Credit Agreement also contains a covenant pursuant to which HP Inc. will not permit the ratio of consolidated total debt to consolidated EBITDA to exceed 4.0 to 1.0 as of the last day of any fiscal quarter.

The Credit Agreement includes customary events of default, including events of default relating to non-payment of amounts due under the Credit Agreement, material inaccuracy of representations and warranties, violation of covenants, non-payment or acceleration of other material indebtedness, bankruptcy and insolvency, unsatisfied material judgments and change of control. Under the Credit Agreement, if an event of default occurs, lenders holding a majority of the revolving commitments will have the right to terminate the commitments and accelerate the maturity of any loans outstanding.

The foregoing description does not purport to be complete and is qualified in its entirety by reference to the full text of the Credit Agreement, which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

In the ordinary course of their respective financial services businesses, the lenders party to the Credit Agreement, or their respective affiliates, have provided, and may in the future provide, to HP Inc., and persons and entities with relationships with HP Inc., a variety of services, including cash management, investment research and management, commercial banking, hedging, brokerage, and advisory or other financial and non-financial activities and services, for which they received or will receive customary fees and expenses.
