## **Item 8.01. Other Events.**

### **Amendment to Corporate Governance Guidelines**

On February 9, 2016, the Board of Directors (the Board) of Westinghouse Air Brake Technologies Corporation (the Company) approved an amendment to the Company's Corporate Governance Guidelines (the Guidelines) regarding majority voting for directors. The Board considered the process by which nominees are elected to the Board and concluded that when stockholders vote withheld more than for with regard to a director nominee, the Nominating and Corporate Governance Committee and the Board should carefully consider and assess whether it would be appropriate for the director to remain on the Board.

As amended, the Guidelines provide that effective commencing with the annual meeting of stockholders in 2017, in an uncontested director election, any nominee for director who receives a greater number of votes withheld from his or her election than votes for such election must promptly tender an offer of resignation for consideration by the Board. The current plurality vote standard will be retained for contested director elections (elections in which the number of director nominees exceeds the number of Board seats).

The Nominating and Corporate Governance Committee of the Board will evaluate the director's offer of resignation and recommend to the Board whether to accept or reject the offer of resignation. The Board will act to accept or reject the offer within 90 days following certification of the stockholder vote at the stockholder meeting at which the election of directors was held. The Company will publicly disclose the Board's decision and the reasons behind the decision by filing a Current Report on Form 8-K with the Securities and Exchange Commission. A director who offers his or her resignation pursuant to these guidelines will not participate in a committee or Board decision regarding the offered resignation. The amended Guidelines may be found on the Company's website at <http://www.wabtec.com>.

### **Share Buyback Authorization**

On February 9, 2016, the Company announced that the Board approved a new common share buyback authorization for up to \$350 million worth of its common stock. The new buyback authorization supersedes the previous authorization of \$350 million, which had about \$33 million remaining. The Company intends to continue to buy back shares from time to time on the open market or in negotiated or block trades. As with previous authorizations, no time limit was set for the completion of the program, which is permitted under the Company's credit agreement and bond indenture. The press release announcing the increase in the share buyback authorization is attached hereto as Exhibit 99.1 and incorporated herein by reference.
