- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 1.01 Entry into a Material Definitive Agreement.

Overview

On March 31, 2016 (the *Effective Date*), NCR Corporation (*NCR*) amended and restated its credit agreement (the *Credit Agreement*) with and among the lenders party thereto, the Foreign Borrowers (as defined below) and JPMorgan Chase Bank, N.A. (*JPMCB*), as the administrative agent.

Under the Credit Agreement, NCR refinanced its senior secured credit facilities, which now consist of senior secured credit facilities (the *Credit Facilities*) in an aggregate amount of \$2,000,000,000, consisting of a term loan facility (the *Term Loan Facility*) in the amount of \$900,000,000 (the loans thereunder, the *Term Loans*) and a revolving facility (the *Revolving Facility*) in the amount of \$1,100,000,000 (the loans thereunder, the *Revolving Loans*, and together with the Term Loans, the *Loans*). Loans under the Term Loan Facility were used to repay outstanding obligations under the prior credit agreement. The Revolving Facility is available for working capital requirements and other general corporate purposes.

Under the Credit Agreement, JPMCB, Suntrust Robinson Humphrey, Inc., RBC Capital Markets, Merrill Lynch Pierce Fenner & Smith Incorporated, The Bank of Tokyo-Mitsubishi UFJ, Ltd. and Wells Fargo Securities, LLC acted as joint lead arrangers, joint bookrunners and co-syndication agents. JPMCB will act as sole administrative agent and collateral agent.

The Credit Agreement makes available up to \$400,000,000 of the Revolving Loans to certain foreign subsidiaries of NCR (the *Foreign Borrowers* and, together with NCR, the *Borrowers*) to provide NCR greater flexibility to fund ongoing operations, including NCR's foreign operations. Borrowings by the Foreign Borrowers under the Revolving Facility are guaranteed and secured by NCR and the Guarantors (as defined below) to the same extent as borrowings by NCR. Term Loans were made to NCR in Dollars, and Revolving Loans will be available to the Borrowers in Dollars, Euros and Sterling.

Interest Rates

Amounts outstanding under the Credit Facilities bear interest at LIBOR (or, in the case of amounts denominated in Euros, EURIBOR), or, at NCR's option, in the case of amounts denominated in Dollars, at a base rate equal to the highest of (a) the federal funds rate plus 0.5%, (b) JPMCB's prime rate and (c) the one-month LIBOR rate plus 1.00% (the *Base Rate*), plus, in each case, a margin ranging from 1.25% to 2.25% for LIBOR-based loans that are either term loans or revolving loans and EURIBOR-based revolving loans and ranging from 0.25% to 1.25% for Base Rate-based loans that are either term loans or revolving loans, in each case, depending on NCR's consolidated leverage ratio. Interest for Revolving Loans made in Sterling and Base Rate-based loans based upon the JPMCB prime rate will be calculated on the basis of a 365-day year, and interest for LIBOR-based loans, EURIBOR-based loans and other Base Rate-based loans will be calculated on the basis of a 360-day year.

Fees

NCR will pay an undrawn commitment fee ranging from 0.20% to 0.40% (depending on NCR's consolidated leverage ratio) on the unused portion of the Revolving Facility. For letters of credit issued under the Revolving Facility, NCR will pay a fronting fee as agreed with each issuing bank on the aggregate face amount of each letter of credit and a fee on all outstanding letters of credit at a per annum rate equal to the margin then in effect with respect to LIBOR-based loans under the Revolving Facility on the face amount of such letter of credit.

Amortization

The outstanding principal balance of the Term Loans is required to be repaid in equal quarterly installments beginning June 30, 2016 in annual amounts equal to 5.0% of the original amount of the Term Loans in the first two years after the Effective Date, 7.5% in year three after the Effective Date, and 10.0% in years four and five after the Effective Date, with the balance being due at maturity on March 31, 2021. NCR may voluntarily prepay borrowings under the Credit Facilities at any time and from time to time, without premium or penalty, other than customary breakage costs and fees for LIBOR-based loans.

Guarantee and Security

Pursuant to a Guarantee and Collateral Agreement, dated as of August 22, 2011, as amended and restated as of January 6, 2014 and as further amended and restated as of March 31, 2016 (the "Collateral Agreement") among NCR, certain wholly owned domestic subsidiaries of NCR identified therein (the "Guarantors"), the Foreign Borrowers and JPMCB, as collateral agent, all obligations under the Credit Agreement are unconditionally guaranteed by the Guarantors and the Foreign Borrowers guaranty each other Foreign Borrower's obligations but do not guaranty any obligations of NCR or any Guarantor. Other existing and subsequently acquired domestic subsidiaries of NCR and the Guarantors may become Guarantors in the future by entering into supplements to the Collateral Agreement.

Also pursuant to the Collateral Agreement, all obligations under the Credit Agreement, and the guarantees of such obligations, are secured by a first priority lien and security interest, subject to customary exceptions, in certain equity interests owned by NCR and the Guarantors in certain of their respective domestic and foreign subsidiaries (limited, in the case of foreign subsidiaries, to less than 66 2/3% of the voting stock of such subsidiaries and 100% of the non-voting stock of such subsidiaries) and in substantially all of the Company's U.S. assets and the assets of the Guarantors. Certain equity interests and assets owned by existing and subsequently acquired subsidiaries may also be pledged in the future. These security interests would be released if the Company achieves an Investment Grade Rating (as defined in the Credit Agreement), and will remain released so long as the Company maintains that rating.

Representations, Warranties, Covenants and Events of Default

The Credit Agreement contains certain representations and warranties, certain affirmative covenants, certain negative covenants, certain financial covenants and certain conditions that are customarily contained in similar financings. The affirmative and negative covenants restrict or limit the ability of NCR and its subsidiaries to, among other things, incur indebtedness; create liens on assets; engage in certain fundamental corporate changes or changes to NCR's business activities; make investments; sell or otherwise dispose of assets; engage in sale-leaseback or hedging transactions; repurchase stock, pay dividends or make similar distributions; repay other indebtedness; engage in certain affiliate transactions; or enter into agreements that restrict NCR's ability to create liens, pay dividends or make loan repayments. The terms of certain covenants will be less restrictive if NCR achieves an Investment Grade Rating.

In addition, NCR may not permit its Leverage Ratio to exceed (i) in the case of any fiscal quarter ending on or prior to December 31, 2017, (a) the sum of 4.25 and an amount (not to exceed 0.50) to reflect debt used to reduce NCR's unfunded pension liabilities to (b) 1.00, (ii) in the case of any fiscal quarter ending on after December 31, 2017 and on

Edgar Filing: NCR CORP - Form 8-K

or prior to December 31, 2019, (a) the sum of 4.00 and an amount (not to exceed 0.50) to reflect debt used to reduce NCR's unfunded pension liabilities to (b) 1.00 and (iii) in the case of any fiscal quarter ending after December 31, 2019, the sum of (a) 3.75 and an amount (not to exceed 0.50) to reflect debt used to reduce NCR's unfunded pension liabilities to (b) 1.00. NCR also must maintain an interest coverage ratio of at least (i) 3.50 to 1.00.

The Credit Agreement also contains customary events of default that include, among others, non-payment of principal, interest or fees, violation of covenants, inaccuracy of representations and warranties, bankruptcy and insolvency events, material judgments, cross-defaults to material indebtedness and events constituting a change of control. The occurrence of an event of default could result in the termination of commitments under the Credit Facilities, the declaration that all outstanding loans are due and payable in whole or in part and the requirement of cash collateral deposits in respect of outstanding letters of credit.

Incremental Facilities

Under the Credit Agreement, NCR can request, at any time and from time to time, the establishment of one or more Term Loan and/or Revolving Credit Facilities (subject to the agreement of existing lenders or additional financial institutions to provide such Term Loan and/or Revolving Credit Facilities) with commitments in an aggregate amount not to exceed the greater of (i) \$150,000,000 and (ii) such amount as would not (a) during any Non-Investment Grade Period (as defined in the Credit Agreement), cause the pro forma secured leverage ratio to exceed, 2.50 to 1.0 and (b) at any time other than during a Non-Investment Grade Period, cause the pro forma Leverage Ratio to exceed a ratio .50 less than the Leverage Ratio then applicable under the financial covenants, the proceeds of which can be used for working capital requirements and other general corporate purposes.

The foregoing summary of the Credit Agreement and the Collateral Agreement is not complete and is qualified in its entirety by reference to the Credit Agreement and the Collateral Agreement, copies of which are attached hereto and are incorporated herein by reference.

Other Related Matters

The representations, warranties and covenants contained in the Credit Agreement and the Collateral Agreement were made solely for purposes of such documents and as of specific dates, were made solely for the benefit of the parties to the applicable documents, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Credit Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to shareholders. Shareholders are not third-party beneficiaries under the Credit Agreement and the Collateral Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of NCR or any of its subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Credit Agreement and the Collateral Agreement which subsequent information may or may not be fully reflected in NCR's public disclosures.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The disclosures of the material terms and conditions of the Credit Agreement and the Collateral Agreement contained in Item 1.01 above are hereby incorporated into this Item 2.03 by reference.
