**Item 1.01. Entry into a Material Definitive Agreement.**

On June 29, 2016, OPKO Health, Inc., a Delaware corporation (the Company), OPKO Global Holdings, Inc., a Cayman Islands corporation and a wholly owned subsidiary of the Company (Sub), and Transition Therapeutics Inc., an Ontario corporation (TTHI), entered into an arrangement agreement (the Arrangement Agreement). Pursuant to the Arrangement Agreement, Sub will acquire all of the equity interests of TTHI (the Arrangement) and TTHI will be Sub's wholly owned subsidiary. The Arrangement is intended to qualify as a reorganization within the meaning of the Internal Revenue Code of 1986, as amended (the Code), so that none of the Company, Sub, TTHI nor any of TTHI's stockholders generally will recognize gain or loss for U.S. federal income tax purposes in the transaction. The Arrangement will not be tax free for Canadian income tax purposes.

At the effective time of the Arrangement (the Effective Time), Sub will acquire all of the issued and outstanding common shares of TTHI, no par value per share (the TTHI Common Stock), and all of the options to purchase shares of TTHI Common Stock that are in-the-money at the Effective Time (the TTHI Options), in exchange for US\$60 million in shares of the Company's common stock, par value \$0.01 per share (the Company Common Stock), which pursuant to the Arrangement Agreement is equal to 6,430,868 shares of Company Common Stock. At the Effective Time, each issued and outstanding share of TTHI Common Stock (other than any shares of TTHI Common Stock held by the Company or any Company affiliate) will be converted and exchanged into shares of Company Common Stock using an exchange rate equal to (i) 6,430,868 divided by (ii) the number of shares of TTHI Common Stock outstanding immediately prior to the Effective Time (including shares of TTHI Common Stock deemed to have been issued as a result of the conversion of the TTHI Options, but excluding any shares of TTHI Common Stock held by the Company or any affiliate of the Company). No fractional shares of Company Common Stock will be issued in the Arrangement, and TTHI's stockholders will receive one share of Company Common Stock in lieu of any fractional shares, after taking into account all of the shares of TTHI Common Stock represented by certificates or book-entries, delivered by such stockholder. Each option to purchase shares of TTHI Common Stock that is not-in-the money at the Effective Time will be terminated at the Effective Time.

The obligations of the Company and TTHI to consummate the Arrangement are subject to customary conditions, including, but not limited to, (a) obtaining the required approvals of TTHI's stockholders, (b) obtaining an interim order (the Interim Order) and final order from the Ontario Superior Court of Justice (the Court) approving the Arrangement and the fairness of the terms and conditions of the exchange of TTHI Common Stock and the TTHI Options for Company Common Stock, (c) the absence of any injunction or similar restraint prohibiting or making illegal consummation of the Arrangement or any of the other transactions contemplated by the Arrangement Agreement, (d) the approval by the NASDAQ Stock Market with respect to the listing of the shares of Company Common Stock to be issued in the Arrangement, (e) subject to certain materiality exceptions, the accuracy of the representations and warranties of each party and (f) the performance in all material respects by each party of its obligations under the Arrangement Agreement.

Subject to the satisfaction or waiver of the foregoing conditions and the other terms and conditions contained in the Arrangement Agreement, the transaction is expected to close in the second half of 2016.

The Arrangement Agreement contains certain termination rights for both the Company and TTHI in certain circumstances, including: (a) by mutual written agreement of the parties; (b) by either party if the Arrangement is not consummated on or before November 30, 2016, provided that such date will be extended by an additional 30 days under certain circumstances, and provided further that such failure is not principally caused by any breach of the Arrangement Agreement by the party proposing to terminate; (c) by either party upon a final and nonappealable injunction or similar restraint permanently restraining, enjoining or otherwise prohibiting consummation of the transactions contemplated by the Arrangement Agreement; (d) by either party if TTHI's stockholders fail to approve the transactions contemplated by the Arrangement Agreement; (e) by either party if the Interim Order from the Court has not been obtained on or before October 31, 2016 or the final order from the Court has not been obtained on or

before November 25, 2016, provided that, in each case, the right to terminate is not available to a party if such party is not in material compliance with its obligations under the Arrangement Agreement; (f) by the Company, if (i) TTHI breaches or fails to perform its representations and warranties or covenants in the Arrangement Agreement and such breach (A) is not capable of being cured or is not cured within 15 business days following receipt by TTHI of the Company's written notice and (B) would result in the failure of a condition to closing being satisfied, (ii) the Board of Directors of TTHI fails to recommend that TTHI's stockholders approve the Arrangement Agreement, (iii)

there is a Change of Recommendation (as defined in the Arrangement Agreement), (iv) there is a publicly announced Company Acquisition Proposal (as defined in the Arrangement Agreement), after the public announcement, the TTHI stockholders do not approve the Arrangement, the Arrangement is not submitted for their approval or the Arrangement is not otherwise completed, and within 12 months of such public announcement, an agreement relating to any Company Acquisition Proposal is entered into or the Company Acquisition Proposal is consummated, (v) TTHI enters into a written agreement with respect to a Company Acquisition Agreement (as defined in the Arrangement Agreement), or (vi) TTHI enters into an agreement with respect to a Superior Proposal (as defined in the Arrangement Agreement); or (g) by TTHI if (i) the Company breaches or fails to perform its representations and warranties or covenants in the Arrangement Agreement and such breach (A) is not capable of being cured or is not cured within 15 business days following receipt by the Company of TTHI's written notice and (B) would result in the failure of a condition to closing being satisfied, (ii) there is a Change in Recommendation, or (iii) TTHI enters into a written agreement with respect to a Superior Proposal.

If the Arrangement Agreement is terminated under certain circumstances specified in the Arrangement Agreement, TTHI will be required to pay the Company a termination fee of \$3,000,000 (the Termination Fee); however, if the Arrangement Agreement is terminated by (a) either party due to TTHI's stockholders not approving the Arrangement at a special meeting (the Special Meeting), TTHI will be required to pay the Company a termination fee of \$1,800,000 in lieu of the Termination Fee and (b) the Company due to TTHI's breaches of its representations and warranties under the Arrangement Agreement, TTHI will be required to pay the Company \$500,000 in lieu of the Termination Fee. Additionally, if the Company terminates the Arrangement Agreement due to TTHI's breaches of its representations and warranties, and within 12 months after such termination, the Company would otherwise be entitled to the Termination Fee, then TTHI will pay the Company an additional \$2,500,000.

TTHI has made customary representations and warranties regarding, among other things: organization, standing and corporate power; authority; capitalization; TSX and SEC filings; governmental approvals; absence of undisclosed liabilities; absence of certain changes; tax matters; intellectual property; environmental matters; compliance with laws; labor relations; regulatory matters; U.S. export and import controls; employee benefit plans; material contracts; legal proceedings; and insurance.

The Company and Sub have made customary representations and warranties regarding, among other things: organization, standing and corporate power; authority; capitalization; SEC filings; absence of undisclosed liabilities; absence of certain changes or events; intellectual property; compliance with laws; and legal proceedings.

The Arrangement Agreement contains customary covenants of each of TTHI, the Company and Sub, including, among other things, that (i) TTHI will, as soon as practicable after the execution of the Arrangement Agreement, and in any event before July 29, 2016, apply to the Court for the Interim Order, (ii) TTHI will hold the Special Meeting as soon as reasonably practicable after the Interim Order has been obtained, and in any event before August 31, 2016, (iii) TTHI will prepare, file and distribute a circular relating to the Special Meeting and such other documents as may be necessary or desirable to permit the TTHI stockholders to vote on the Arrangement and (iv) each party will cooperate with each other and use their respective reasonable best efforts to obtain all governmental consents, approvals and authorizations that are necessary to consummate the transactions contemplated by the Arrangement Agreement.

Prior to the approval of the Arrangement Agreement by TTHI's stockholders, its Board of Directors may, upon receipt of a Superior Proposal and in certain other circumstances, change its recommendation that TTHI's stockholders approve the Arrangement Agreement, subject to complying with notice and other specified conditions, including giving the Company the opportunity to propose changes to the Arrangement Agreement in response to such Superior Proposal or other circumstances.

Edgar Filing: Opko Health, Inc. - Form 8-K

Each of TTHI and the Company have additionally agreed, subject to certain exceptions, to conduct its business in the ordinary course consistent with past practice between the execution of the Arrangement Agreement and the Effective Time and not to take certain actions during such period.

Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Arrangement Agreement, which subsequent information may or may not be fully reflected in TTHI's or the Company's public disclosures. For the foregoing reasons, the representations, warranties and covenants or any descriptions of those provisions should not be read alone and should instead be read in conjunction with the other information contained in the reports, statements and filings that TTHI publicly files with the Ontario Securities Commission or the SEC and that the Company publicly files with the SEC.
