The Special Meeting will be held at 11:00 a.m. local time at our corporate headquarters located at 4 Cromwell, Irvine, California, 92618. This proxy statement and the accompanying proxy card are first being sent or given to stockholders on or about September 7, 2016. Our stockholders will be asked to vote on the following proposals:

1. to ratify the terms and issuance of our Series C Participating Convertible Preferred Stock, par value \$0.001 per share (the *Convertible Preferred Stock*), and related warrants to purchase shares of our common stock (the *Warrants*), including the removal of the restriction prohibiting the exercise of certain Warrants if, after giving effect to such exercise, the applicable investor would beneficially own in excess of 19.99% of the outstanding shares of our common stock, and to approve the issuance of such number of shares of our common stock issuable upon full conversion of the Convertible Preferred Stock and upon the full exercise of the Warrants, in each case, including shares issuable pursuant to customary anti-dilution provisions (the *Issuance Proposal*);
2. to approve the adjournment of the Special Meeting, if necessary, in the reasonable discretion of the Chief Executive Officer and President of the Company, to solicit additional proxies if there are insufficient votes at the time of the Special Meeting to approve the Issuance Proposal (the *Adjournment Proposal*); and
3. to transact other such business as may properly come before the Special Meeting or any adjournment or postponement thereof.

RECORD DATE AND QUORUM REQUIREMENTS

September 1, 2016 has been fixed as the record date (the *Record Date*) for the determination of stockholders entitled to notice of and to vote at the Special Meeting. Our common stock is the only class of securities entitled to vote at the Special Meeting. As of the Record Date, 58,716,551 shares of our common stock were issued and outstanding. Each outstanding share of our common stock will be entitled to one vote on each matter submitted to a vote of the holders of our common stock at the Special Meeting.

The holders of a majority of the shares of our common stock outstanding on the Record Date, present in person or represented by proxy, will constitute a quorum for the transaction of business at the Special Meeting and at any adjournment or postponement thereof. Any abstentions will be deemed as present for purposes of determining a quorum.

QUESTIONS AND ANSWERS ABOUT PROXY MATERIALS AND VOTING

Why am I receiving these materials?

We sent you this proxy statement because our Board is soliciting your proxy to vote at the Special Meeting. This proxy statement summarizes the information you need to vote at the Special Meeting. You do not need to attend the Special Meeting to vote your shares. Please see the procedures for voting your shares by mail, Internet or telephone under *Voting Procedures* above and refer to the instructions on your proxy card.

Who is entitled to vote?

Stockholders of record at the close of business on the Record Date are entitled to notice of and to vote at the Special Meeting or any adjournment or postponement thereof. As of the Record Date, 58,716,551 shares of our common stock, par value \$0.001 per share, were outstanding. Each stockholder is entitled to one vote for each share of our common stock held by such stockholder on the Record Date. No shares of our preferred stock were outstanding on the Record Date, other than 88,494 shares of Convertible Preferred Stock. The Convertible Preferred Stock is non-voting, except to the extent required by law and in certain other significant circumstances. The holders of the Convertible Preferred Stock will not be entitled to vote at the Special Meeting, except to the extent such holders are also the owners of our common stock and are entitled to vote such shares.

What proposals will be voted on at the Special Meeting?

Stockholders will vote on the following at the Special Meeting:

1. the approval of the Issuance Proposal;
2. the approval of the Adjournment Proposal; and
3. any other business that may properly come before the Special Meeting.

How does our Board recommend that stockholders vote on the proposals?

The Board recommends a vote **FOR** the approval of the Issuance Proposal and **FOR** the approval of the Adjournment Proposal.

How can I vote my shares?

By Attending the Special Meeting

If you are a holder of record of shares of our common stock, you may attend the Special Meeting and vote your shares in person. Please note that if your shares are held of record by a bank, broker or other nominee, and you decide to attend the Special Meeting, you may not vote in person at the Special Meeting unless you present a legal proxy, issued in your name from the record holder (your bank, broker or other nominee).

By Mail, Internet or Telephone

Edgar Filing: BIOLASE, INC - Form DEF 14A

If you are a holder of record of shares of our common stock, you may direct your vote by mail, Internet or telephone. Please see the procedures for voting your shares by mail, Internet or telephone under Voting Procedures above and refer to the instructions on your proxy card.

Table of Contents

What do I need for admission to the Special Meeting?

Admittance is limited to stockholders of the Company. If you are the stockholder of record, your name will be verified against the list of stockholders prior to your admittance to the Special Meeting. You should be prepared to present photo identification for admission at the Special Meeting. If you hold your shares in street name, you should provide proof of beneficial ownership on the Record Date, such as a brokerage account statement showing that you owned shares of our common stock as of the Record Date, a copy of the voting instruction card provided by your broker, bank or other nominee or other similar evidence of ownership as of the Record Date, as well as your photo identification, for your admission. If you do not provide photo identification or comply with the other procedures outlined above upon request, you will not be admitted to the Special Meeting.

Can I change my vote or revoke my proxy?

You may change your vote or revoke your proxy at any time before it is voted at the Special Meeting. If you are a stockholder of record, you may change your vote or revoke your proxy by:

delivering to us (Attention: Corporate Secretary) at the address on the first page of this proxy statement a written notice of revocation of your proxy;

delivering to us an authorized proxy bearing a later date (including a proxy over the Internet or by telephone); or

attending the Special Meeting and voting in person.

Attendance at the Special Meeting will not, by itself, revoke a proxy.

If your shares are held in the name of a bank, broker or other nominee, you may change your vote by submitting new voting instructions to your bank, broker or other nominee. Please note that if your shares are held of record by a bank, broker or other nominee, and you decide to attend and vote at the Special Meeting, your vote in person at the Special Meeting will not be effective unless you present a legal proxy, issued in your name from the record holder (your bank, broker or other nominee).

What constitutes a quorum?

The presence at the Special Meeting, either in person or represented by proxy, of holders of a majority of the aggregate number of shares of our issued and outstanding common stock entitled to vote thereat shall constitute a quorum for the transaction of business at the Special Meeting. Shares represented by properly completed proxy cards marked **FOR**, **AGAINST** or **ABSTAIN** or returned without voting instructions are counted as present for the purpose of determining whether a quorum is present.

What is the impact if I abstain from voting?

Abstentions with respect to a proposal are counted for the purposes of establishing a quorum. Since an affirmative vote of a majority of the shares of our common stock present in person or represented by proxy at the meeting and entitled to vote is required to approve the Issuance Proposal and the Adjournment Proposal, a properly executed proxy

card marked **ABSTAIN** with respect to either proposal will have the same effect as voting **AGAINST** that proposal.

Will there be any broker non-votes?

Brokers and other intermediaries holding shares of our common stock in street name for their customers are generally required to vote such shares in the manner directed by their customers. If their customers do not give any direction, brokers may vote such shares on routine matters but not on any non-routine matters. The Issuance Proposal and the Adjournment Proposal are non-routine matters. Consequently, if customers do not give

Table of Contents

any direction, brokers will not be permitted to vote your shares of common stock at the Special Meeting and such shares will not be counted as present for purposes of establishing a quorum at the Special Meeting. We encourage you to submit your voting instructions to your broker to ensure your shares of common stock are voted at the Special Meeting.

How many votes are needed to approve the Issuance Proposal and the Adjournment Proposal?

The Issuance Proposal and the Adjournment Proposal will be approved if a majority of the shares of our common stock present in person or represented by proxy and entitled to vote on such proposal vote at the Special Meeting **FOR** such proposal.

What is the deadline for submitting a proxy?

To ensure that proxies are received in time to be counted prior to the Special Meeting, proxies submitted by Internet or by telephone should be received by 11:00 a.m. Pacific Time on the day of the Special Meeting (or if the Special Meeting is adjourned, by 11:00 a.m. Pacific Time on the day on which the Special Meeting is reconvened), and proxies submitted by mail should be received prior to the date of the Special Meeting.

What does it mean if I receive more than one proxy card?

If you hold your shares in more than one account, you will receive a proxy card for each account. To ensure that all of your shares are voted, please complete, sign, date and return a proxy card for each account or use the proxy card for each account to vote by Internet or by telephone. To ensure that all of your shares are represented at the Special Meeting, we recommend that you vote every proxy card that you receive.

How will my shares be voted if I return a blank proxy card or a blank voting instruction card?

If you are a holder of record of shares of our common stock and you sign and return a proxy card without giving specific voting instructions, your shares will be voted:

FOR the approval of the Issuance Proposal; and

FOR the approval of the Adjournment Proposal.

If you hold your shares in street name via a broker, bank or other nominee and return a signed but blank voting instruction card (and do not otherwise provide the broker, bank or other nominee with voting instructions), your shares will not be counted in connection with the Issuance Proposal or the Adjournment Proposal or any other non-routine matters that are properly presented at the Special Meeting.

Our Board knows of no matter to be presented at the Special Meeting other than the Issuance Proposal and the Adjournment Proposal. If any other matters properly come before the Special Meeting upon which a vote properly may be taken, shares represented by all proxies received by us on the proxy card will be voted with respect thereto as permitted and in accordance with the judgment of the proxy holders.

Where can I find the voting results of the Special Meeting?

We will publish the final results in a Current Report on Form 8-K filed with the SEC within four business days of the Special Meeting.

Who is making this solicitation?

This proxy solicitation is being made on behalf of our Board.

Table of Contents

Who will bear the costs of this solicitation?

We will bear the entire cost of solicitation, including the preparation, assembly, printing and mailing of this proxy statement, the proxy card and any additional solicitation materials we furnish to our stockholders. Copies of the Company's solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to such beneficial owners. Upon request, we will reimburse such persons for their costs in forwarding such solicitation materials to such beneficial owners.

Will a stockholder list be available for inspection?

In accordance with Delaware law, a list of stockholders entitled to vote at the Special Meeting will be available at the Special Meeting and, for 10 days prior to the Special Meeting, at BIOLASE, Inc., 4 Cromwell, Irvine, California 92618 between the hours of 8:00 a.m. and 5:00 p.m. Pacific Time.

TO RATIFY THE TERMS AND ISSUANCE OF OUR CONVERTIBLE PREFERRED STOCK AND RELATED WARRANTS, INCLUDING THE REMOVAL OF THE RESTRICTION PROHIBITING THE EXERCISE OF CERTAIN WARRANTS IF, AFTER GIVING EFFECT TO SUCH EXERCISE, THE APPLICABLE INVESTOR WOULD BENEFICIALLY OWN IN EXCESS OF 19.99% OF THE OUTSTANDING SHARES OF OUR COMMON STOCK, AND TO APPROVE THE ISSUANCE OF SUCH NUMBER OF SHARES OF OUR COMMON STOCK ISSUABLE UPON FULL CONVERSION OF THE CONVERTIBLE PREFERRED STOCK AND UPON THE FULL EXERCISE OF THE WARRANTS, IN EACH CASE, INCLUDING SHARES ISSUABLE PURSUANT TO CUSTOMARY ANTI-DILUTION PROVISIONS.

Background

The Private Placement. As previously announced, on August 1, 2016, we entered into a Securities Purchase Agreement (the ***Purchase Agreement***), between the Company and the investors named therein (the ***Investors***) pursuant to which, on August 8, 2016, we issued and sold an aggregate of 88,494 shares of our Convertible Preferred Stock at a per share price of \$113.00 (the ***Private Placement***). Each share of Convertible Preferred Stock is convertible into 100 shares of our common stock reflecting a conversion price of \$1.13 per share, which is the closing price of the common stock quoted on the NASDAQ Capital Market on July 29, 2016, subject to customary anti-dilution adjustments. In addition, the Investors received Warrants to purchase up to an aggregate of 2,035,398 shares of our common stock at an exercise price of \$2.00 per share, subject to customary anti-dilution adjustments. The Warrants become exercisable on February 8, 2017, six months after the closing of the Private Placement, and have a term of five years from the date of issuance. The Purchase Agreement, the Certificate of Designations (as defined below) and the form of Warrants are attached hereto as Appendices C, D and E, respectively, and are incorporated herein by reference. Stockholders are urged to carefully read these documents.

Reasons for the Private Placement. Our Board determined that the Private Placement was advisable and in our best interest and in the best interest of our stockholders. We entered into the Private Placement in order to raise funds with the intended use for working capital purposes, including, but not limited to, new product development, launch and subsequent scale-up, as well as general corporate purposes. Upon the closing of the Private Placement, we received \$10.0 million in gross proceeds, and we may receive up to an additional \$4.1 million in gross proceeds upon the full exercise of the Warrants, resulting in total proceeds from the Private Placement of up to \$14.1 million before transaction costs.

Stockholder Approval Required. Pursuant to the Purchase Agreement, we are required to use commercially reasonable efforts to hold the Special Meeting in order to, among other things, satisfy NASDAQ requirements with respect to the issuance of our Convertible Preferred Stock and the issuance of our common stock upon conversion of the Convertible Preferred Stock and exercise of the Warrants by certain holders whose warrants will initially be subject to the 19.99% Limitation (as defined below). The conversion of the Convertible Preferred Stock will occur automatically upon receipt of such stockholder approval, and no Warrants will be subject to the 19.99% Limitation following receipt of such stockholder approval. The 19.99% Limitation means the provision contained in certain Warrants prohibiting the holder thereof from exercising the Warrants to the extent that the exercise would result in the holder beneficially owning more than 19.99% of the outstanding shares of our common stock. For more information regarding the reasons stockholder approval is required, please see below under ***Reasons for Stockholder Approval.***

Registration Rights. Under the Purchase Agreement, the Company granted certain registration rights to the Investors. The Company is obligated to use commercially reasonable efforts to file, within 30 days following receipt of the

stockholder approval discussed below, a registration statement on Form S-3 to register the resale of the shares of our common stock issued upon conversion of the Convertible Preferred Stock and shares of our

Table of Contents

common stock that may be issued pursuant to the Warrants and to effect the registration no later than 90 days after the filing date. With certain exceptions, the Company is obligated to keep the registration statement effective until all of the shares are sold. The Company will be responsible for all of its fees and expenses incurred in connection with registering the shares.

Other Terms. The Purchase Agreement contains customary terms regarding, among other things, representations and warranties and indemnification.

The Investors. The Investors include the Jack W. Schuler Living Trust, Oracle Partners, L.P., Oracle Institutional Partners, L.P., Jonathan T. Lord, PNC Investments LLC and the Flynn Living Trust. Jack W. Schuler is the sole trustee of the Jack W. Schuler Living Trust and, prior to the closing of the Private Placement, beneficially owned 26.2% of the issued and outstanding shares of our common stock. Larry N. Feinberg is the managing member of Oracle Associates, LLC, which is the general partner of Oracle Partners, L.P. and Oracle Institutional Partners, L.P., and, prior to the closing of the Private Placement, beneficially owned 19.9% of the issued and outstanding shares of our common stock. The beneficial ownership percentages included in the prior two sentences are based on 58,327,301 shares of our common stock outstanding as of August 1, 2016. Jonathan T. Lord is a director of the Company. Paul N. Clark, the manager of PNC Investments LLC, is Chairman of the Board of the Company, and Harold C. Flynn Jr., the co-trustee of the Flynn Living Trust, is President and Chief Executive Officer of the Company and also a director. Due to their direct or indirect ownership of Convertible Preferred Stock and Warrants, Messrs. Clark, Lord and Flynn, who each serve as a director of the Company, and in the case of Mr. Flynn, also as an executive officer, have an interest in the Issuance Proposal and the Adjournment Proposal. The investors in the Private Placement and the principal aggregate amount of shares of Convertible Preferred Stock and related Warrants held by each such investor is set forth on the Schedule of Investors attached hereto as Appendix B.

Private Offering Exemption from Registration. The shares of Convertible Preferred Stock and Warrants were offered in reliance upon exemptions from registration under the Securities Act of 1933, as amended (the **Securities Act**), afforded by Section 4(a)(2) of the Securities Act and rules promulgated thereunder and corresponding provisions of state securities laws. Each of the Investors is either a qualified institutional buyer as defined in Rule 144A(a) under the Securities Act or an accredited investor as defined in Rule 501(a) under the Securities Act.

Amendment to Standstill Agreements. On August 1, 2016, prior to entering into the Purchase Agreement and in connection therewith, the Company entered into an amendment (the **Schuler Amendment**) to the Standstill Agreement dated November 10, 2015 (the **Schuler Standstill Agreement**) with Jack W. Schuler, Renate Schuler and the Schuler Family Foundation (collectively, the **Schuler Parties**), and the Company entered into an amendment (the **Oracle Amendment** and, together with the Schuler Amendment, the **Amendments**) to the Standstill Agreement dated November 10, 2015 (the **Oracle Standstill Agreement** and, together with the Schuler Standstill Agreement, the **Standstill Agreements**) with Larry N. Feinberg, Oracle Partners, L.P., Oracle Institutional Partners, L.P., Oracle Ten Fund Master, L.P., Oracle Associates, LLC and Oracle Investment Management, Inc. (collectively, the **Oracle Parties**). Effective as of the closing date of the Private Placement, the Amendments increase the ownership limit under the Standstill Agreements from 25% to 30% such that, pursuant to the Standstill Agreements, as amended, each of the Schuler Parties and the Oracle Parties has agreed with respect to itself and its associates and affiliates, among other things, not to purchase or acquire any shares of our common stock if such a purchase would result in aggregate beneficial ownership by it and its affiliates and associates in excess of 30% of the issued and outstanding shares of our common stock.

Description of the Convertible Preferred Stock

The following is a summary of the terms of the Convertible Preferred Stock under the Certificate of Designations, Preferences and Rights of Series C Participating Convertible Preferred Stock of Biolase, Inc. that we filed with the Delaware Secretary of State on August 8, 2016 (the *Certificate of Designations*).

Voting. The Convertible Preferred Stock is non-voting, except to the extent required by law. However, without the consent of holders of at least a majority of the then outstanding shares of Convertible Preferred Stock, we

Table of Contents

may not: (i) amend or repeal the Certificate of Designations or our certificate of incorporation or bylaws in any manner that adversely affects the rights, preferences, privileges or the restrictions provided for the benefit of the Convertible Preferred Stock; (ii) reclassify or amend any of our securities in a manner that adversely affects the designations, preferences, powers and/or relative participating, optional or other special rights, or the restrictions provided for the benefit, of the Convertible Preferred Stock; (iii) authorize, issue or sell any (A) class or series of capital stock (including shares of treasury stock) that would be classified as senior to or pari passu with the Convertible Preferred Stock or (B) rights, options, warrants or other securities (including debt securities) convertible into or exercisable or exchangeable for capital stock or any equity security or having any other equity feature, in each case, that would be classified as either senior to or pari passu with the Convertible Preferred Stock; (iv) enter into any agreement or other obligation which by its terms restricts our ability to perform our obligations under the Certificate of Designations; (v) purchase or redeem or pay or declare any dividend on any shares of our capital stock, other than redemptions of or dividends on the Convertible Preferred Stock or dividends in which holders of our Convertible Preferred Stock are entitled to participate; or (vi) enter into any agreement to do any of the foregoing that is not expressly made conditional on obtaining the consent of the holders of at least a majority of the then outstanding shares of Convertible Preferred Stock.

Dividends. Prior to conversion, and beginning on January 1, 2017, each share of Convertible Preferred Stock carries a cumulative quarterly dividend at an initial quarterly rate of 2.0% of \$113.00 plus all accrued but unpaid dividends thereon, which rate will increase by 2.0% quarterly. However, the Jack W. Schuler Living Trust, Oracle Partners, L.P. and Oracle Institutional Partners, L.P. have agreed that, if the Issuance Proposal is not approved by stockholders by December 31, 2016, then they will approve an amendment to Section 4(a) of the Certificate of Designations of the Convertible Preferred Stock to limit the amount of regular dividends that may be accrued thereunder to the lower of 4.25% per quarter and the maximum legal interest rate. These holders, when considered together, constitute Requisite Holders (as defined in the Certificate of Designations of the Convertible Preferred Stock) and hold the necessary percentage of Convertible Preferred Stock to approve amendments to the Certificate of Designations.

The dividends are payable in additional shares of Convertible Preferred Stock. In addition, if the Board declares a dividend payable upon the common stock, whether in cash, in kind or in other securities or property, the holders of the outstanding shares of Convertible Preferred Stock are entitled to the amount of dividends as would be payable in respect of the number of shares of our common stock into which the shares of Convertible Preferred Stock could be converted, without regard to any restrictions on conversion.

Liquidation. The Convertible Preferred Stock ranks senior to the common stock with respect to distributions upon our deemed dissolution, liquidation or winding-up and has a per share liquidation preference equal to the greater of (i) \$113.00 plus all accrued but unpaid dividends thereon and (ii) such amount as would be payable if such shares were converted into common stock immediately prior to such dissolution, liquidation or winding-up.

Conversion. Each share of Convertible Preferred Stock will be automatically converted upon obtaining the approval of our stockholders sought by this proposal. The number of shares of our common stock into which each share of Convertible Preferred Stock is convertible is equal to the number obtained by dividing (i) the sum of \$113.00 and the amount of any accrued but unpaid dividends thereon by (ii) \$1.13, subject to customary anti-dilution adjustments, including adjustments for issuances of shares of common stock at a price per share below the conversion price.

Redemption. At any time on or after August 8, 2017, the holders of at least a majority of the then outstanding shares of Convertible Preferred Stock may elect to have the Company redeem all or any portion of the Convertible Preferred Stock held by such holder at a price per share equal to \$113.00 plus the amount of any accrued but unpaid dividends thereon.

Table of Contents

Description of the Warrants

The Warrants have an exercise price of \$2.00 per share, subject to customary anti-dilution adjustments. Each Warrant is exercisable by the holder beginning on February 8, 2017, which is six months after the closing of the Private Placement, and continuing for a period five years thereafter.

Certain of the Warrants are subject to the 19.99% Limitation. Such provision will be removed from the warrants upon obtaining the approval of our stockholders sought by this proposal.

Reasons for Stockholder Approval

Our common stock is listed on The NASDAQ Capital Market, and, as such, we are subject to the NASDAQ Listing Rules, including NASDAQ Listing Rule 5635. In order to comply with the NASDAQ Listing Rules and to satisfy conditions under the Purchase Agreement, we are seeking stockholder approval of this Proposal One, the Issuance Proposal. Certain sections of NASDAQ Listing Rule 5635 are generally described below:

NASDAQ Listing Rule 5635(b) requires stockholder approval for issuances of securities that will result in a change of control of the issuer. NASDAQ may deem a change of control to occur when, as a result of an issuance, an investor or a group would own, or have the right to acquire, 20% or more of the outstanding shares of common stock or voting power and such ownership or voting power of an issuer would be the largest ownership position of the issuer.

NASDAQ Listing Rule 5635(c) requires stockholder approval for the issuance of shares to directors or officers of the Company in certain circumstances, such as may be perceived as equity compensation, even if the Company does not view the issuance of such shares as compensation.

NASDAQ Listing Rule 5635(d) requires stockholder approval for the issuance, other than in a public offering, of common stock (or securities convertible into common stock) equal to 20% or more of the common stock, or 20% or more of the voting power outstanding before the issuance, for a price less than the greater of book or market value of the stock. Even if securities are issued at the then current market price of the common stock, this rule will apply if the conversion price is subject to certain types of anti-dilution adjustments.

We seek your approval of this proposal in order to satisfy the requirements of NASDAQ Listing Rule 5635 with respect to the terms of the Convertible Preferred Stock and the issuance of the common stock upon conversion of the Convertible Preferred Stock and exercise of the Warrants.

Assuming the full conversion of the Convertible Preferred Stock (assuming a conversion ratio of 100:1) and full exercise of the Warrants, such securities, in the hands of the Investors, would represent approximately 15.6% of the outstanding shares of our common stock (based on 58,716,551 shares of our common stock outstanding as of September 1, 2016 plus the approximately 10.9 million additional shares of our common stock that would be outstanding as a result of such conversion and exercise). In addition, as described above under Description of the Convertible Preferred Stock Dividends, dividends on the Convertible Preferred Stock are payable in additional shares of Convertible Preferred Stock and may further increase the percentage of common stock held by the Investors following the conversion of these shares. The conversion price of the Convertible Preferred Stock is subject to

customary anti-dilution adjustments, including adjustments for issuances of shares of common stock at a price per share below the conversion price, which may result in a conversion price that is lower than the market price as determined at the time of issuance of the Convertible Preferred Stock.

Further, each of Larry Feinberg and affiliated entities and Jack W. Schuler and affiliated entities would continue to own in excess of 20% of the outstanding shares of our common stock upon the conversion of their shares of Convertible Preferred Stock and exercise of their Warrants.

Messrs. Clark, Lord and Flynn, who are investors in the Private Placement, serve as directors of the Company, and in the case of Mr. Flynn, also as an executive officer.

Table of Contents

The Purchase Agreement requires us to submit this proposal to our stockholders at the Special Meeting. Approval of this proposal will constitute approval pursuant to NASDAQ Listing Rule 5635.

Consequences of Failing to Approve the Issuance Proposal

The Board is not seeking the approval of our stockholders to authorize our entry into the Purchase Agreement. The issuance and sale of the shares of Convertible Preferred Stock and Warrants has already occurred, and the Purchase Agreement and related agreements are binding obligations of the Company. The Convertible Preferred Stock will continue to be an authorized class of our capital stock, and the terms of the Convertible Preferred Stock and Warrants will remain outstanding obligations of ours in favor of the holders of such securities. The failure of our stockholders to approve the Issuance Proposal will only mean that (i) the Convertible Preferred Stock cannot be converted into common stock and (ii) the Warrants containing the 19.99% Limitation will continue to be subject to such limitation. Accordingly, we will be required to pay the dividend on the shares of Convertible Preferred Stock beginning January 1, 2017, and we will be required to continue complying with negative covenants that limit our ability to issue securities, pay dividends and amend our charter documents, among other things, which could materially adversely impact our operations.

Dilution

If this proposal is approved, existing stockholders will suffer significant dilution in ownership interests and voting rights as a result of the issuance of shares of our common stock upon the conversion of the shares of Convertible Preferred Stock and the exercise, if any, of the Warrants that currently contain the 19.99% Limitation. Upon conversion in full of the shares of Convertible Preferred Stock (assuming a conversion ratio of 100:1), 8,849,400 additional shares of our common stock will be outstanding, and upon the full exercise of the Warrants containing the 19.99% Limitation, 2,035,398 additional shares of our common stock will be outstanding, and the ownership interest of our existing stockholders would be correspondingly reduced. The number of shares of our common stock described above does not give effect to (i) the issuance of additional shares of our common stock due to potential future anti-dilution adjustments on the Convertible Preferred Stock and Warrants, (ii) the issuance of shares of our common stock pursuant to other outstanding options and warrants, including Warrants issued in the Private Placement without the 19.99% Limitation, or (iii) any other future issuances of our common stock. The sale into the public market of these shares also could materially and adversely affect the market price of our common stock.

Required Vote of Stockholders

Approval of this proposal requires the affirmative vote of the holders of a majority of the shares of our common stock present in person or represented by proxy at the Special Meeting and entitled to vote on this proposal. Accordingly, abstentions will have the same effect as a vote against the Issuance Proposal. This proposal is a non-routine matter, and if you hold your shares in street name via a broker, bank or other nominee, your shares may not be voted by your broker, bank or other nominee if you do not submit voting instructions.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE ISSUANCE PROPOSAL.

PROPOSAL TWO: ADJOURNMENT PROPOSAL

TO APPROVE THE ADJOURNMENT OF THE SPECIAL MEETING, IF NECESSARY, IN THE REASONABLE DISCRETION OF THE CHIEF EXECUTIVE OFFICER AND PRESIDENT OF THE COMPANY, TO SOLICIT ADDITIONAL PROXIES IF THERE ARE INSUFFICIENT VOTES AT THE TIME OF THE SPECIAL MEETING TO APPROVE THE ISSUANCE PROPOSAL.

Background

If, at the Special Meeting, the number of shares of our common stock present or represented and voting in favor of the Issuance Proposal is insufficient to approve the Issuance Proposal, the Chief Executive Officer and President of the Company, in his reasonable discretion, may move to adjourn or postpone the Special Meeting in order to enable the Board to continue to solicit additional proxies in favor of the Issuance Proposal.

The Board believes that if the number of shares of our common stock present in person or represented by proxy at the Special Meeting and voting in favor of the Issuance Proposal is insufficient to approve such proposal, it is in the best interests of the stockholders to enable the Board to continue to seek to obtain a sufficient number of additional votes to approve the Issuance Proposal.

In this Adjournment Proposal, we are asking stockholders to authorize the holder of any proxy solicited by the Board to vote in favor of adjourning or postponing the Special Meeting or any adjournment or postponement thereof. If our stockholders approve this proposal, we could adjourn or postpone the Special Meeting, and any adjourned session of the Special Meeting, to use the additional time to solicit additional proxies in favor of the Issuance Proposal.

Additionally, approval of the Adjournment Proposal could mean that, in the event we receive proxies indicating that a majority of the number of shares of our common stock present in person or represented by proxy at the Special Meeting will vote against the Issuance Proposal, we could adjourn or postpone the Special Meeting without a vote on the Issuance Proposal and use the additional time to solicit the holders of those shares to change their vote in favor of the Issuance Proposal.

Required Vote of Stockholders

Approval of the Adjournment Proposal requires the affirmative vote of the holders of a majority of the shares of our common stock present in person or represented by proxy at the Special Meeting and entitled to vote on this proposal. Accordingly, abstentions will have the same effect as a vote against the Adjournment Proposal. No proxy that is specifically marked **AGAINST** the Issuance Proposal will be voted **FOR** the Adjournment Proposal, unless it is specifically marked **FOR** the Adjournment Proposal. This proposal is a non-routine matter, and if you hold your shares in street name via a broker, bank or other nominee, your shares may not be voted by your broker, bank or other nominee if you do not submit voting instructions.

THE BOARD RECOMMENDS A VOTE FOR APPROVAL OF THE ADJOURNMENT PROPOSAL.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

On the basis of filings with the SEC and other information, we believe that based on 58,716,551 shares of our common stock being issued and outstanding as of September 1, 2016, the following persons, including groups of persons, beneficially owned more than five percent (5%) of the outstanding shares of our shares of common stock:

Name of Beneficial Owner	Amount and Nature of Beneficial Ownership	Percentage of Class
Larry N. Feinberg(1) 200 Greenwich Avenue Greenwich, Connecticut 06830	11,873,711	19.8%
Jack W. Schuler(2) 28161 North Keith Drive Lake Forest, Illinois 60045	12,445,802	26.0%
Camber Capital Management LLC(3) 101 Huntington Avenue, Suite 2550 Boston, Massachusetts 02199	5,332,394	8.8%

(1) Based on the information (with certain adjustments as described below) provided in Amendment No. 12 to Schedule 13D (the *Oracle 13D/A*), filed with the SEC on August 3, 2016 by Larry N. Feinberg with respect to himself, Oracle Partners, L.P. (*Oracle Partners*), Oracle Institutional Partners, L.P. (*Institutional Partners*), Oracle Ten Fund Master, L.P. (*Ten Fund*), Oracle Associates, LLC (*Oracle Associates*) and Oracle Investment Management, Inc. (*Oracle Investment*) (Mr. Feinberg, together with Oracle Partners, Institutional Partners, Ten Fund, Oracle Associates and Oracle Investment, the *Oracle Reporting Persons*). The Oracle Reporting Persons reported that Mr. Feinberg beneficially owns and has shared voting and dispositive power with respect to 11,924,487 shares of our common stock, Oracle Partners beneficially owns and has shared voting and dispositive power with respect to 6,815,869 shares of our common stock, Institutional Partners beneficially owns and has shared voting and dispositive power with respect to 2,107,978 shares of our common stock, each of Ten Fund and Oracle Investment beneficially owns and has shared voting and dispositive power with respect to 3,051,416 shares of our common stock and Oracle Associates beneficially owns and has shared voting and dispositive power with respect to 11,924,487 shares of our common stock.

As reported in the Oracle 13D/A, such beneficial ownership includes 50,776 shares of our common stock but excludes 800,021 shares of our common stock, in each case, that are issuable upon exercise of the Warrants (which become exercisable on February 8, 2017), and also excludes 3,256,600 and 442,500 shares of our common stock that Oracle Partners and Institutional Partners, respectively, have the right to acquire upon the conversion of 32,566 and 4,425 shares of Convertible Preferred Stock, respectively, if the Issuance Proposal is approved. In addition, the Oracle 13D/A purports to exclude all shares of our common stock (the *Other Warrant Shares*) that are issuable upon exercise of other warrants held by Oracle Partners, Institutional Partners and Ten Fund which became exercisable on May 7, 2015 but may not be exercised to the extent such exercise would result in beneficial ownership by the holder and its affiliates of more than 19.9% of the outstanding shares of our common stock.

Notwithstanding the disclosure in the Oracle 13D/A, we have excluded from the table above the 50,776 shares of common stock that were reported in the Oracle 13D/A as being issuable upon exercise of the Warrants, because no Warrants are exercisable until February 8, 2017. In addition, the Company believes that the beneficial ownership reported in the Oracle 13D/A includes the Other Warrant Shares.

Each of the Oracle Reporting Persons is a party to that certain Standstill Agreement, dated as of November 10, 2015, as amended on August 1, 2016, with the Company, pursuant to which the Oracle Reporting Persons agreed, among other things, that neither they nor any of their affiliates or associates would purchase or acquire any additional shares of our common stock, if, after such purchase, the aggregate

Table of Contents

beneficial ownership of the Oracle Reporting Persons and their affiliates and associates would exceed 30% of the issued and outstanding shares of our common stock.

In accordance with SEC rules, the percentage indicated in the table above is based on 58,716,551 shares outstanding as of September 1, 2016, together with the addition of the 1,344,186 Other Warrant Shares. If the Share Issuance is approved and the Warrants become exercisable, Mr. Feinberg would beneficially own 23.6% of the outstanding shares of our common stock, assuming full conversion of all outstanding shares of Convertible Preferred Stock.

- (2) Based on the information (with certain adjustments as described below) provided in Amendment No. 8 to Schedule 13D (*Schuler 13D/A*), filed with the SEC on August 3, 2016 by Jack W. Schuler with respect to himself, the Jack W. Schuler Living Trust (the *Schuler Trust*), Renate Schuler, and the Schuler Family Foundation (the *Schuler Foundation*, and together with Mr. Schuler, Ms. Schuler and the Schuler Trust, the *Schuler Reporting Persons*). The Schuler Reporting Persons reported that Mr. Schuler beneficially owns and has shared voting and dispositive power with respect to 16,144,902 shares of our common stock, Schuler Trust beneficially owns and has shared voting and dispositive power with respect to 10,246,637 shares of our common stock, Ms. Schuler beneficially owns and has shared voting and dispositive power with respect to 5,898,265 shares of our common stock, and the Schuler Foundation beneficially owns and has shared voting and dispositive power with respect to 5,883,465 shares of our common stock. The beneficial ownership number reported in the table above excludes 3,699,100 shares of our common stock that the Schuler Trust has the right to acquire upon the conversion of 36,991 shares of Convertible Preferred Stock if the Issuance Proposal is approved. Such shares were included in the Schuler 13D/A as further described below.

As reported in the Schuler 13D/A, such beneficial ownership (a) includes 3,699,100 shares of our common stock that the Schuler Trust has the right to acquire upon the conversion of 36,991 shares of Convertible Preferred Stock if the Issuance Proposal is approved, (b) excludes 850,796 shares of our common stock issuable upon the exercise of Warrants held by the Schuler Trust (which become exercisable on February 8, 2017) and (c) excludes 3,824,252 shares of our common stock that are issuable upon exercise of the warrants held by the Schuler Foundation (the *Foundation Warrants*) which became exercisable on May 7, 2015 but may not be exercised to the extent that such exercise would result in beneficial ownership by the holder and its affiliates of more than 19.99% of the outstanding shares of our common stock.

Each of the Schuler Reporting Persons is a party to that certain Standstill Agreement, dated as of November 10, 2015, as amended on August 1, 2016, with the Company, pursuant to which the Schuler Reporting Persons agreed, among other things, that neither they nor any of their affiliates or associates would purchase or acquire any additional shares of our common stock, if, after such purchase, the aggregate beneficial ownership of the Schuler Reporting Persons and their affiliates and associates would exceed 30% of the issued and outstanding shares of our common stock.

In accordance with SEC rules, the percentage indicated in the table above is based on 58,716,551 shares outstanding as of September 1, 2016, together with the addition of 3,824,252 shares issuable upon exercise of the Foundation Warrants. If the Share Issuance is approved and the Warrants become exercisable, Mr. Schuler would beneficially own 28.8% of the outstanding shares of our common stock, assuming full conversion of all outstanding shares of Convertible Preferred Stock.

- (3) Based on the information provided in Amendment No. 3 to Schedule 13G, filed with the SEC on February 12, 2016 by Camber Capital Management LLC (*Camber*). Camber reported that it and Stephen DuBois each

beneficially owns and has shared voting and dispositive power with respect to 5,332,394 shares of our common stock. Such beneficial ownership includes warrants held by each of Camber Capital Master Fund, LP and Camber Capital Fund II, LP to purchase 1,761,452 and 13,808 shares of our common stock, respectively, which warrants became exercisable on May 7, 2015.

In accordance with SEC rules, the percentage indicated in the table above is based on 58,716,551 shares outstanding as of September 1, 2016, together with the addition of 1,775,260 shares issuable upon exercise of the warrants held by the Camber entities as described above.

Table of Contents

The following table sets forth the beneficial ownership of shares of our common stock as of September 1, 2016 by (i) each director, (ii) each named executive officer and (iii) all directors and executive officers as a group. Except as indicated in the footnotes to this table, the persons named in the table have sole voting and investment power with respect to all shares of our common stock shown as beneficially owned by them, subject to community property laws, where applicable. Percentage ownership is based on 58,716,551 shares of our common stock outstanding as of September 1, 2016. Shares underlying options or warrants exercisable within 60 days of September 1, 2016 are deemed outstanding for the purpose of computing the percentage ownership of the person or persons holding such options or warrants, but are not deemed outstanding for computing the percentage ownership of any other persons.

ADDITIONAL INFORMATION

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (*e.g.*, brokers) to satisfy the delivery requirements for proxy statements, annual reports and notices of Internet availability of proxy materials with respect to two or more stockholders sharing the same address by delivering a single copy of the applicable document(s) addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies.

Once you have received notice from your broker or the Company that it will be householding communications to your address, householding will continue until you are notified otherwise or until you notify your broker or the Company that you no longer wish to participate in householding. If, at any time, you no longer wish to participate in householding and would prefer to receive separate copies of proxy materials, you may notify your broker, or, if you are the holder of record of your shares, please send your written request to: BIOLASE, Inc., 4 Cromwell, Irvine, California 92618, Attention: Corporate Secretary.

Stockholders who currently receive multiple copies of our proxy statement and/or notice at their address and would like to request householding of their communications should contact their broker, or, if you are the holder of record of your shares, contact the Company at the address above.

In addition, the Company will promptly deliver, upon written or oral request to the address above or by calling the Corporate Secretary at (949) 361-1200, a separate copy of the proxy materials to a stockholder at a shared address to which a single copy of the documents were delivered.

Stockholder Proposals and Nominations

Pursuant to Rule 14a-8 under the Exchange Act, in order to be included in our proxy statement and form of proxy for the 2017 annual meeting of stockholders, stockholder proposals must be received at our principal executive offices, 4 Cromwell, Irvine, California 92618, Attention: Corporate Secretary, no later than December 8, 2016, and must comply with additional requirements established by the SEC. If we change the date of our next annual meeting of stockholders by more than 30 days from the date of the previous year's annual meeting of stockholders, then the deadline is a reasonable time before we begin to print and send our proxy materials. Pursuant to our bylaws, a stockholder proposal of business submitted outside of the process established in Rule 14a-8 and stockholder nominations of directors will be considered untimely if received before January 6, 2017 or after February 5, 2017. However, if the date of our next annual meeting of stockholders is more than 30 days before or more than 60 days after May 6, 2017, the deadline is no later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made by the Company.

Other Matters

We know of no other matters that will be presented for consideration at the Special Meeting. If any other matters properly come before the Special Meeting upon which a vote properly may be taken, shares represented by all proxies received by us on the proxy card will be voted with respect thereto as permitted and in accordance with the judgment of the proxy holders.

SECURITIES PURCHASE AGREEMENT

This SECURITIES PURCHASE AGREEMENT (this Agreement), dated August 1, 2016, is entered into by and among (i) Biolase, Inc., a Delaware corporation (the Company), and (ii) each investor identified on Schedule I (each, including its successors and permitted assigns, a Investor and collectively, the Investors).

WHEREAS, subject to the terms and conditions set forth in this Agreement, the Company desires to issue and sell to the Investors (i) an aggregate of 88,494 shares (the Preferred Shares) of Series C Participating Convertible Preferred Stock, par value \$0.001 per share (the Preferred Stock), of the Company, which will be convertible into shares (the Conversion Shares) of the Company's common stock, par value \$0.001 per share (Common Stock), in accordance with the terms set forth in the Certificate of Designations establishing the Preferred Stock attached hereto as Exhibit A (the Certificate of Designations) and (ii) warrants in the form attached hereto as Exhibit B (the Warrants) to acquire up to an aggregate of 2,035,398 shares of Common Stock (the Warrant Shares and, together with the Preferred Shares, the Conversion Shares and the Warrants, the Securities) at a price of \$2.00 per share in a private placement pursuant to Section 4(a)(2) of the Securities Act of 1933 (the Securities Act); and

WHEREAS, pursuant to the terms and conditions of the Certificate of Designations, the conversion of the Preferred Stock shall be subject to receipt of the Requisite Stockholder Approval (as defined herein).

NOW THEREFORE, in consideration of the mutual covenants made herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, agree as follows:

1. Purchase and Sale of Securities. Subject to the terms and conditions hereof, each Investor agrees, severally and not jointly, to purchase from the Company, and the Company agrees to sell to the Investors at the Closing, (a) the number of Preferred Shares set forth opposite each such Investor's name on Schedule I for the price of \$113 per Preferred Share and for the aggregate purchase price set forth on Schedule I (the Preferred Share Purchase Price) and (b) the number of Warrants set forth opposite each such Investor's name on Schedule I for the price of \$0.125 per Warrant Share and for the aggregate purchase price set forth on Schedule I (the Warrant Purchase Price and, together with the Preferred Share Purchase Price, the Purchase Price).

2. Issuance of Securities. Notwithstanding anything in this Agreement to the contrary, the Company shall have no obligation to issue any of the Securities to any person who is a resident of a jurisdiction in which the issuance of Securities to such person would constitute a violation of the securities, blue sky or other similar laws of such jurisdiction (collectively referred to as the State Securities Laws).

3. The Closing. The closing of the purchase and sale of the Preferred Shares and the Warrants (the Closing) shall take place at the headquarters of the Company, within five (5) business days after the date hereof, or at such other time and place as the Company may designate by notice to the Investors (such date and time being referred to herein as the Closing Date).

4. Payment for Securities. The Purchase Price shall be received by the Company from the Investors by wire transfer of immediately available funds to an account designated in writing by the Company or by other means approved by the Company at or prior to the Closing. At the Closing, following the receipt by the Company of the entire portion of the Purchase Price payable by an Investor, the Company shall deliver to such Investor copies of (a) a certificate evidencing the number of Preferred Shares set forth opposite such Investor's name on Schedule I, registered in the

name of such Investor and bearing the legend set forth in Section 11 (the original of such certificate to be delivered to such Investor as promptly as practicable after the Closing Date but in no event more than three (3) business days after the Closing Date), (b) a Warrant registered in the name of such Investor to

purchase up to a number of shares of Common Stock set forth opposite such Investor's name on Schedule I, substantially in the form attached hereto as Exhibit B (the original of such Warrants to be delivered to such Investor as promptly as practicable after the Closing Date but in no event more than three (3) business days after the Closing Date) and (c) a certificate from the Secretary of State of the State of Delaware evidencing the filing of the Certificate of Designations substantially in the form attached hereto as Exhibit A.

5. Representations and Warranties of the Company. Except as otherwise specifically described in the Company's Annual Report on Form 10-K for the year ended December 31, 2015, the Company's Quarterly Report on Form 10-Q for the quarter ended March 31, 2016, the Company's Quarterly Report on Form 10-Q for the quarter ended June 30, 2016 and any Current Reports on Form 8-K filed by the Company subsequent to December 31, 2015 and through the date of this Agreement with the Securities and Exchange Commission (the Commission), including the information incorporated by reference therein (collectively, the Disclosure Package), the Company hereby represents and warrants to and covenants with the Investors, as of the date hereof and as of the Closing, that:

(a) Organization, Good Standing and Qualification. The Company is duly formed and validly existing under the laws of the State of Delaware, with full corporate power and authority to conduct its business as it is currently being conducted and to own its assets; and has secured any other authorizations, approvals, permits and orders required by law for the conduct by the Company of its business as it is currently being conducted.

(b) Authorization. The Company has all corporate right, power and authority to enter into this Agreement and, subject to receipt of the Requisite Stockholder Approval, to consummate the transactions contemplated hereby. - (3) of the issuance by the Commission of any stop order suspending the effectiveness of any Registration Statement or, to the Company's knowledge, the initiation of any proceedings for such purpose;
- (4) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Registrable Shares included therein for sale in any jurisdiction or, to the Company's knowledge, the initiation or threatening of any proceeding for such purpose; and
- (5) subject to the provisions of this Agreement, of the occurrence of any event that requires the making of any changes in any Registration Statement or prospectus so that, as of such date, the statements therein do not include any untrue statement of a material fact and do not omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of a prospectus, in the light of the circumstances under which they were made) not misleading;

(iii) use its commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of any Registration Statement as soon as reasonably practicable;

(iv) if any Investor so requests in writing, promptly furnish to such Investor, without charge, at least one copy of each Registration Statement and each post-effective amendment thereto, including financial statements and schedules, and, if explicitly requested, all exhibits in the form filed with the Commission;

(v) during the Registration Period, promptly deliver to the Investors, without charge, as many copies of each prospectus included in a Registration Statement and any amendment or supplement thereto as any Investor may reasonably request in writing; and the Company consents to the use, consistent with the provisions hereof, of the prospectus or any amendment or supplement thereto by such Investor of Registrable Shares in connection with the offering and sale of the Registrable Shares covered by a prospectus or any amendment or supplement thereto;

(vi) during the Registration Period, if any Investor so requests in writing, deliver to such Investor, without charge, (i) one copy of the following documents, other than those documents available via the Commission's EDGAR system: (A) its annual report on Form 10-K (or similar form), (B) its definitive proxy

statement with respect to its annual meeting of stockholders, (C) each of its quarterly reports on Form 10-Q, and (D) a copy of each full Registration Statement (the foregoing, in each case, excluding exhibits); and (ii) if explicitly requested, all exhibits excluded by the parenthetical to the immediately preceding clause (D); *provided*, that the Company shall have no obligation to provide any document pursuant to this clause that is available on the Commission's EDGAR system;

(vii) prior to any public offering of Registrable Shares pursuant to any Registration Statement, promptly take such actions as may be necessary to register or qualify or obtain an exemption for offer and sale under State Securities Laws of such United States jurisdictions as any Investor reasonably request in writing; *provided* that the Company shall not for any such purpose be required to qualify generally to transact business as a foreign corporation in any jurisdiction where it is not so qualified or to consent to general service of process in any such jurisdiction, and do any and all other acts or things reasonably necessary or advisable to enable the offer and sale in such jurisdictions of the Registrable Shares covered by any such Registration Statement;

(viii) upon the occurrence of any event contemplated by Section 10(c)(ii)(5), except for such times as the Company is permitted hereunder to suspend the use of a prospectus forming part of a Registration Statement, and taking into account the Company's good faith assessment of any adverse consequences to the Company and its stockholders of the premature disclosure of such event, the Company shall use its commercially reasonable efforts to prepare a post-effective amendment to such Registration Statement or a supplement to the related prospectus, or file any other required document so that, as thereafter delivered to purchasers of the Registrable Shares included therein, such prospectus will not include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ix) otherwise use its commercially reasonable efforts to comply in all material respects with all applicable rules and regulations of the Commission which could affect the sale of the Registrable Shares;

(x) use its commercially reasonable efforts to cause all Registrable Shares to be listed on each securities exchange or market, if any, on which equity securities issued by the Company have been listed; and

(xi) cooperate with any broker-dealer through which any Investor proposes to resell its Registrable Shares in such broker-dealer's filing with the FINRA Corporate Financing Department pursuant to FINRA Rule 5110, as requested by such Investor.

(d) The Investors shall not have the right to take any action to restrain, enjoin or otherwise delay any registration pursuant to Section 10(a) as a result of any controversy that may arise with respect to the interpretation or implementation of this Agreement.

(e) If the Company has not (i) filed the Initial Registration Statement by the Filing Date or (ii) effected the registration of the Registrable Shares by the Effectiveness Date (each such event referred to in clauses (i) and (ii), a Registration Default), then the Company shall pay to the Investors interest (Special Interest) in an amount per annum equal to 0.25% of such Investor's Preferred Share Purchase Price for each day that the Registration Default continues; *provided, however*, that the Company shall in no event be required to pay Special Interest for more than one Registration Default at any given time. A Registration Default ends upon termination of the Registration Period or, if earlier, (x) in the case of a Registration Default under clause (i) of the definition thereof, when the Initial Registration Statement is filed with the Commission or (ii) in the case of a Registration Default under clause (ii) of the definition thereof, when the Initial Registration Statement becomes or is declared effective by the Commission. All accrued Special Interest shall be paid by the Company to each Investor on quarterly basis to an account designated in writing by such Investor. Notwithstanding anything contained herein to the contrary, the payment of Special Interest shall be the only remedy

available to the Investor for any Registration Default.

(f) Indemnification.

(i) To the extent permitted by law, the Company shall indemnify each Investor and each person controlling such Investor within the meaning of Section 15 of the Securities Act, with respect to which any registration that has been effected pursuant to this Agreement, against all claims, losses, damages and liabilities (or action in respect thereof), including any of the foregoing incurred in settlement of any litigation, commenced or threatened (subject to Section 10(f)(iii)), arising out of or based on any untrue statement (or alleged untrue statement) of a material fact contained in any Registration Statement, prospectus, any amendment or supplement thereof, or other document incident to any registration, qualification or compliance or based on any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in light of the circumstances in which they were made, or any violation by the Company of any rule or regulation promulgated by the Securities Act applicable to the Company and relating to any action or inaction required of the Company in connection with any such registration, qualification or compliance, and will reimburse such Investor and each person controlling such Investor, for reasonable legal and other out-of-pocket expenses reasonably incurred in connection with investigating or defending any such claim, loss, damage, liability or action as incurred; *provided* that the Company will not be liable in any such case to the extent that any untrue statement or omission or allegation thereof is made in reliance upon and in conformity with written information furnished to the Company by or on behalf of such Investor for use in preparation of any Registration Statement, prospectus, amendment or supplement; *provided* however, that the Company will not be liable in any such case where the claim, loss, damage or liability arises out of the failure of such Investor to comply with the covenants and agreements contained in this Agreement respecting sales of Registrable Shares, and except that the foregoing indemnity agreement is subject to the condition that, insofar as it relates to any such untrue statement or alleged untrue statement or omission or alleged omission made in any preliminary prospectus but eliminated or remedied in the amended prospectus on file with the Commission at the time any Registration Statement becomes effective or in an amended prospectus filed with the Commission pursuant to Rule 424(b) which meets the requirements of Section 10(a) of the Securities Act (each, a Final Prospectus), such indemnity shall not inure to the benefit of such Investor or any such controlling person, if a copy of a Final Prospectus furnished by the Company to such Investor for delivery was not furnished to the person or entity asserting the loss, liability, claim or damage at or prior to the time such furnishing is required by the Securities Act and a Final Prospectus would have cured the defect giving rise to such loss, liability, claim or damage.

(ii) Each Investor shall, severally and not jointly, indemnify the Company, each of its directors and officers, and each person who controls the Company within the meaning of Section 15 of the Securities Act, against all claims, losses, damages and liabilities (or actions in respect thereof), including any of the foregoing incurred in settlement of any litigation, commenced or threatened (subject to Section 10(f)(iii)), arising out of or based on any untrue statement (or alleged untrue statement) of a material fact contained in any Registration Statement, prospectus, any amendment or supplement thereof, or other document incident to any such registration, or based on any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in light of the circumstances in which they were made, and will reimburse the Company, such directors and officers, and each person controlling the Company for reasonable legal and any other expenses reasonably incurred in connection with investigating or defending any such claim, loss, damage, liability or action as incurred, in each case to the extent, but only to the extent, that such untrue statement or omission or allegation thereof is made in reliance upon and in conformity with written information furnished to the Company by or on behalf of such Investor for use in preparation of any Registration Statement, prospectus, amendment or supplement. Notwithstanding the foregoing, the maximum liability of such Investor under this section shall be limited to the proceeds received by such Investor from the sale of Registrable Shares.

(iii) Each party entitled to indemnification under this Section 10(f) (the Indemnified Party) shall give notice to the party required to provide indemnification (the Indemnifying Party) promptly after such Indemnified Party has actual

knowledge of any claim as to which indemnity may be sought, and shall permit the Indemnifying Party (at its expense) to assume the defense of any such claim or any litigation resulting therefrom,

B-13

Table of Contents

provided that counsel for the Indemnifying Party, who shall conduct the defense of such claim or litigation, shall be approved by the Indemnified Party (whose approval shall not unreasonably be withheld, conditioned or delayed), and the Indemnified Party may participate in such defense at such Indemnified Party's expense, and provided further that the failure of any Indemnified Party to give notice as provided herein shall not relieve the Indemnifying Party of its obligations under this Agreement, unless such failure is materially prejudicial to the Indemnifying Party in defending such claim or litigation. An Indemnifying Party shall not be liable for any settlement of an action or claim effected without its written consent (which consent shall not be unreasonably withheld, conditioned or delayed). No Indemnifying Party, in its defense of any such claim or litigation, shall, except with the consent of each Indemnified Party (which consent shall not be unreasonably withheld, conditioned or delayed), consent to entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party of a release from all liability in respect to such claim or litigation.

(iv) If the indemnification provided for in this Section 10(f) is held by a court of competent jurisdiction to be unavailable to an Indemnified Party with respect to any loss, liability, claim, damage or expense referred to therein, then the Indemnifying Party, in lieu of indemnifying such Indemnified Party thereunder, shall contribute to the amount paid or payable by such Indemnified Party as a result of such loss, liability, claim, damage or expense in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party on the one hand and of the Indemnified Party on the other in connection with the statements or omissions which resulted in such loss, liability, claim, damage or expense as well as any other relevant equitable considerations. The relative fault of the Indemnifying Party and of the Indemnified Party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission to state a material fact relates to information supplied by the Indemnifying Party or by the Indemnified Party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 10(f) were determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to in the immediately preceding paragraph. Notwithstanding the provisions of this Section 10(f), no Investor shall be required to contribute pursuant to this Section 10(f), in the aggregate, any amount in excess of the amount by which the net proceeds actually received by such Investor from the sale of the Registrable Shares exceeds the amount of any damages that such Investor has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission.

(g) Disclosure, Etc.

(i) Not less than five (5) business days prior to the filing of each Registration Statement, the Company shall furnish to each Investor copies of such Registration Statement and all exhibits being filed therewith, and shall consider in good faith the reasonable comments of such Investor. Notwithstanding the foregoing sentence, the Company shall not be obligated to provide the Investors advance copies of any universal shelf registration statement registering securities in addition to those required hereunder.

(ii) Each Investor agrees that, upon receipt of any notice from the Company of the happening of any event requiring the preparation of a supplement or amendment to a prospectus relating to Registrable Shares so that, as thereafter delivered to the Investor, such prospectus shall not contain an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, such Investor will forthwith discontinue disposition of Registrable Shares pursuant to a Registration Statement and prospectus contemplated by Section 10(a) until its receipt of copies of the supplemented or amended prospectus from the Company and, if so directed by the Company, such Investor shall deliver to the Company all copies, other than permanent file copies then in such Investor's possession, of the prospectus covering such Registrable Shares current at the time of receipt of such notice.

(iii) Each Investor shall suspend, upon request of the Company, any disposition of Registrable Shares pursuant to any Registration Statement and prospectus contemplated by Section 10(a) during the occurrence or existence of any pending corporate development with respect to the Company that the Board of

B-14

Table of Contents

Directors of the Company believes in good faith may be material and that, in the determination of the Board of Directors of the Company, makes it not in the best interest of the Company to allow continued availability of a Registration Statement or prospectus. The Company shall be entitled to exercise its right under this paragraph to suspend the availability of a Registration Statement and prospectus for a period not to exceed 60 calendar days (which need not be consecutive days) in any 12-month period.

(iv) Upon the occurrence of any event contemplated by Section 10(g)(3), as promptly as reasonably possible under the circumstances taking into account the Company's good faith assessment of any adverse consequences to the Company and its stockholders of the premature disclosure of such event, prepare a supplement or amendment, including a post-effective amendment, to a Registration Statement or a supplement to the related prospectus or any document incorporated or deemed to be incorporated therein by reference, and file any other required document so that, as thereafter delivered, neither a Registration Statement nor such prospectus will contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. The Company will use its best efforts to ensure that the use of the prospectus may be resumed as promptly as is practicable. The Company shall be entitled to exercise its right under this Section 10(g) to suspend the availability of a Registration Statement and prospectus for a period not to exceed 60 calendar days (which need not be consecutive days) in any 12-month period.

(v) As a condition to the inclusion of its Registrable Shares, each Investor shall furnish to the Company such information regarding such Investor and the distribution proposed by such Investor as the Company may reasonably request in writing, including completing a Registration Statement Questionnaire in the form provided by the Company, or as shall be required in connection with any registration referred to in this Section 10.

(vi) Each Investor hereby covenants with the Company (i) not to make any sale of the Registrable Shares without effectively causing the prospectus delivery requirements under the Securities Act to be satisfied (unless such sale is pursuant to Rule 144).

(vii) Each Investor agrees not to take any action with respect to any distribution deemed to be made pursuant to a Registration Statement which would constitute a violation of Regulation M under the Exchange Act or any other applicable rule, regulation or law.

(viii) At the end of the Registration Period, each Investor shall discontinue sales of shares pursuant to any Registration Statement upon receipt of notice from the Company of its intention to remove from registration the shares covered by any such Registration Statement which remain unsold, and the Investors shall notify the Company of the number of shares registered which remain unsold immediately upon receipt of such notice from the Company.

(h) The rights to cause the Company to register Registrable Shares granted to the Investors by the Company under Section 10(a) may be assigned by any Investor in connection with a transfer by such Investor of all or a portion of its Registrable Shares, provided, however, that such Investor must give the Company at least 10 days prior notice of such transfer for such transfer to be reflected in the Registration Statement or any amendment thereto and that (i) such transfer may otherwise be effected in accordance with applicable securities laws; (ii) such Investor gives prior written notice to the Company at least 10 days prior to the transfer; and (iii) such transferee agrees to comply with the terms and provisions of this Agreement, and such transfer is otherwise in compliance with this Agreement. Except as specifically permitted by this Section 10(f), the rights of an Investor with respect to Registrable Shares as set out herein shall not be transferable to any other person, and any attempted transfer by any Investor shall cause all rights of such Investor therein to be forfeited.

(i) The rights of any Investor under any provision of this Section 10 may be waived (either generally or in a particular instance, either retroactively or prospectively and either for a specified period of time or indefinitely) or amended by an instrument in writing signed by such Investor.

11. Legend. The Securities will be imprinted with a legend in substantially the following form:

THIS SECURITY HAS NOT BEEN REGISTERED WITH THE SECURITIES AND EXCHANGE COMMISSION OR THE SECURITIES COMMISSION OF ANY STATE IN RELIANCE UPON AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE SECURITIES ACT), AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR PURSUANT TO AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS AS EVIDENCED BY A LEGAL OPINION OF COUNSEL TO THE TRANSFEROR TO SUCH EFFECT, THE SUBSTANCE OF WHICH SHALL BE REASONABLY ACCEPTABLE TO THE COMPANY. THIS SECURITY MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT WITH A REGISTERED BROKER-DEALER OR OTHER LOAN WITH A FINANCIAL INSTITUTION THAT IS AN ACCREDITED INVESTOR AS DEFINED IN RULE 501(a) UNDER THE SECURITIES ACT OR OTHER LOAN SECURED BY SUCH SECURITIES.

Provided, that the Company shall, in connection with any sale made under the Registration Statement or Rule 144, promptly (and in any event within five (5) business days after receipt by the Company of a request therefor accompanied by all reasonably required documentation) deliver, or cause to be delivered, to any Investor new certificate(s) representing the Conversion Shares or the Warrant Shares, as applicable, that are free from all restrictive and other legends or, at the request of such Investor, via DWAC transfer to such Investor's account.

12. Replacement of Securities. If any certificate or instrument evidencing any Securities is mutilated, lost, stolen or destroyed, the Company shall issue or cause to be issued in exchange and substitution for and upon cancellation thereof (in the case of mutilation), or in lieu of and substitution therefor, a new certificate or instrument, but only upon receipt of evidence reasonably satisfactory to the Company of such loss, theft or destruction. The applicant for a new certificate or instrument under such circumstances shall also pay any reasonable third-party costs (including customary indemnity) associated with the issuance of such replacement Securities.

13. Certain Transactions. Each Investor, severally and not jointly, covenants that neither it, nor any affiliate acting on its behalf or pursuant to any understanding with it, will execute any purchases or sales, including short sales, of any of the Company's securities during the period commencing with the execution of this Agreement and ending at such time that the transactions contemplated by this Agreement are first publicly announced pursuant to the initial press release as described in Section 8(b).

14. Expenses. The parties hereto shall pay their own costs and expenses in connection with the transactions contemplated hereby.

15. Waiver, Amendment. Neither this Agreement nor any provisions hereof shall be amended, waived, discharged or terminated except by an instrument in writing signed by the parties hereto.

16. Assignability. This Agreement shall be binding upon and inure to the benefit of the parties and their successors and permitted assigns. The Company may not assign this Agreement or any rights or obligations hereunder without the prior written consent of the Investors. Any Investor may assign any or all of its rights under this Agreement to any person to whom such Investor assigns or transfers any Securities; provided that such transferee agrees in writing to be bound, with respect to the transferred Securities, by the provisions of this Agreement that apply to the Investors.

17. Waiver of Jury Trial. THE COMPANY AND EACH INVESTOR IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY WITH RESPECT TO ANY LEGAL PROCEEDING ARISING OUT OF THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT.

18. Submission to Jurisdiction. With respect to any suit, action or proceeding relating to any offers, purchases or sales of the Securities by the Investors (Proceedings), the Company and each Investor irrevocably submits to the jurisdiction of the federal or state courts located in the State of Delaware, which submission shall be exclusive unless none of such courts has lawful jurisdiction over such Proceedings.

19. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware.

20. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

27. Independent Nature of Investors Obligations and Rights. The obligations of each Investor under this Agreement are several and not joint with the obligations of any other Investor, and no Investor shall be responsible in any way for the performance or non-performance of the obligations of any other Investor under this Agreement. Nothing contained herein, and no action taken by any Investor pursuant hereto, shall be deemed to constitute the Investors as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Investors are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated hereby. Each Investor shall be entitled to independently protect and enforce its rights, including the rights arising out of this Agreement, and it shall not be necessary for any other Investor to be joined as an additional party in any proceeding for such purpose. Each Investor has been represented by its own separate legal counsel in its review and negotiation of this Agreement (including the exhibits and schedules hereto). Except as expressly contemplated by this Agreement, the Company has elected to provide all Investors with the same terms and Agreement for the convenience of the Company and not because it was required or requested to do so by any of the Investors.

The Schedules and Exhibits referred to herein shall be construed with and as an integral part of this Agreement to the same extent as if they were set forth verbatim herein. This Agreement shall be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting an instrument or causing any instrument to be drafted.

OF
BIOLASE, INC.**

(Pursuant to Section 151 of the

Delaware General Corporation Law)

Biolase, Inc., a Delaware corporation (the Corporation), hereby certifies that the following resolution was duly approved and adopted by the Board of Directors of the Corporation (the Board of Directors) at a meeting of the Board of Directors, which resolution remains in full force and effect on the date hereof:

RESOLVED, that pursuant to the authority expressly granted to and vested in the Board of Directors by the provisions of the Restated Certificate of Incorporation of the Corporation, as amended to date (the Certificate of Incorporation), and the Sixth Amended and Restated Bylaws of the Corporation (the Bylaws), and in accordance with Section 151 of the General Corporation Law of the State of Delaware (the DGCL), there is hereby created, out of the 1,000,000 shares of Preferred Stock, par value \$0.001 per share (the Preferred Stock), of the Corporation remaining authorized, unissued and undesignated, a series of the Preferred Stock consisting of 100,000 shares, which series shall have the following powers, designations, preferences and relative, participating, optional or other rights, and the following qualifications, limitations and restrictions (in addition to any powers, designations, preferences and relative, participating, optional or other rights, and any qualifications, limitations and restrictions, set forth in the Certificate of Incorporation that are applicable to the Preferred Stock):

Any shares of Series C Preferred Stock converted, redeemed, purchased or otherwise acquired by the Corporation in any manner whatsoever shall, automatically and without further action, be retired and canceled promptly after the acquisition thereof, and shall become authorized but unissued shares of Preferred Stock when the Corporation shall take such action as may be necessary to reduce the number of authorized shares of the Series C Preferred Stock and may be reissued as part of a new series of any class or series of Preferred Stock in accordance with the Certificate of Incorporation and this Certificate of Designations.

SECTION 4 Dividends.**(a) Dividend Amount.**

(i) **Regular Dividends.** In addition to any Participating Dividends (as described below) to which holders of Series C Preferred Stock may be entitled, the holders of the outstanding shares of Series C Preferred Stock shall be entitled to receive, for each share of Series C Preferred Stock, cumulative quarterly dividends at the quarterly rate that shall initially be 2.0% (the Initial Dividend Rate) of the sum of (A) the Stated Value plus (B) all accrued and unpaid Regular Dividends on such share of Series C Preferred Stock as of the first day of the applicable Dividend Period, in each case as adjusted for any stock dividends, splits, combinations and similar events (the Regular Dividends). Regular Dividends are payable in additional shares of Series C Preferred Stock. Regular Dividends will accrue on a daily basis and are payable quarterly in arrears on the last day of each of March, June, September and December (each such day, a Regular Dividend Payment Date), or, if such date is not a business day, the succeeding business day. The first Dividend Period begins on, and includes, January 1, 2017 and ends on, and includes the next succeeding Regular Dividend Payment Date, and each subsequent Dividend Period begins on, and includes, the day after a Regular Dividend Payment Date and ends on, and includes, the next succeeding Regular Dividend Payment Date. The Initial Dividend Rate will increase by 2.0% on each Regular Dividend Payment Date during the Dividend Period (e.g., to 4.0% on March 31, 2017, etc.) for so long as the Series C Preferred Stock remains outstanding. The amount of Regular Dividends payable for the initial dividend period, or any other dividend period shorter or longer than a full quarterly dividend period, will be computed on the basis of a quarter consisting of three 30-day months. Regular Dividends will be paid to the holders of record of Series C Preferred Stock as they appear in the records of the Corporation at the close of business on the 15th day of the calendar month in which the applicable Regular Dividend Payment Date falls or on such other date designated by the Board of Directors for the payment of Regular Dividends that is not more than sixty (60) days or less than ten (10) days prior to such Regular Dividend Payment Date. (b) **Participating Dividends.** If the Board of Directors shall declare a dividend or other distribution payable upon the then outstanding shares of Common Stock, whether in cash, in kind or in other securities or property, the holders of the outstanding shares of Series C Preferred Stock shall be entitled to the amount of dividends as would be payable in respect of the number of shares of Common Stock into which the shares of Series C Preferred Stock held by each holder thereof could be converted, without regard to any restrictions on conversion, in accordance with the provisions of Section 6 hereof, such number to be determined as of the record date for determination of holders of Common Stock entitled to receive such dividend or, if no such record date is established, as of the date of such dividend (Participating Dividends). Participating Dividends are payable at the same time as and when dividends on the Common Stock are paid to the holders of Common Stock.

(a) Liquidation Preference of Series C Preferred Stock. Subject to Section 5(b) below, in the event of any liquidation, dissolution, or winding up of the Corporation whether voluntary or involuntary, or in the event of its insolvency (a Liquidation), the holders of Series C Preferred Stock shall be entitled to have set apart for them, or to be paid, out of the assets of the Corporation available for distribution to stockholders (whether such assets are capital, surplus or earnings) after provision for payment of all debts and liabilities of the Corporation in accordance with the DGCL, before any distribution or payment is made with respect to any shares of Junior Securities and subject to the liquidation rights and preferences of any class or series of Senior Securities and Parity Securities, an amount equal to the greater of (i) the Stated Value per share of Series C Preferred Stock (which amount shall be subject to an equitable adjustment in the event of any Series C Recapitalization Event) plus the amount of all accrued and unpaid Regular Dividends thereon, whether or not declared, up to and including the date full payment shall be tendered to the holders of the Series C Preferred Stock with respect to such Liquidation and (ii) such amount as would have been payable on the number of shares of Common Stock into which the shares of Series C Preferred Stock held by each holder thereof could have been converted immediately prior to such Liquidation in accordance with the provisions of Section 6 hereof.

(b) Deemed Liquidation. In the event of a Deemed Liquidation, the holders of Series C Preferred Stock shall be entitled to have set apart for them, or to be paid, out of the assets of the Corporation available for distribution to stockholders (whether such assets are capital, surplus or earnings) after provision for payment of all debts and liabilities of the Corporation in accordance with the DGCL, before any distribution or payment is made with respect to any shares of Junior Securities and subject to the liquidation rights and preferences of any class or series of Senior Securities and Parity Securities, an amount equal to the greater of (i) 200% of the sum of (A) the Stated Value per share of Series C Preferred Stock (which amount shall be subject to an equitable adjustment in the event of any Series C Recapitalization Event) plus (B) the amount of all accrued and unpaid Regular Dividends thereon, whether or not declared, up to and including the date full payment shall be tendered to the holders of the Series C Preferred Stock with respect to such Liquidation and (ii) such amount as would have been payable on the number of shares of Common Stock into which the shares of Series C Preferred Stock held by each holder thereof could have been converted immediately prior to such Liquidation in accordance with the provisions of Section 6 hereto.

(c) Insufficient Assets. If, upon any Liquidation or Deemed Liquidation, the assets legally available for distribution among the holders of the Series C Preferred Stock and any Parity Securities of the Corporation shall be insufficient to permit payment to such holders of the full preferential amounts as provided for in Section 5(a) above, then such holders shall share ratably in any distribution of available assets according to the respective amounts which would otherwise be payable with respect to the securities held by them upon such liquidating distribution if all amounts payable on or with respect to such securities were paid in full, based upon the aggregate liquidation value payable upon all shares of Series C Preferred Stock and any Parity Securities then outstanding.

(d) Distribution to Junior Securities. After such payment shall have been made in full to the holders of the Series C Preferred Stock, or funds necessary for such payment shall have been set aside by the Corporation in trust for the account of holders of the Series C Preferred Stock so as to be available for such payment, the remaining assets available for distribution shall be distributed ratably among the holders of the Junior Securities in accordance with the terms of such securities.

(e) Distributions Other than Cash. Whenever the distribution provided for in this Section 5 shall be payable in property other than cash, the value of such distribution shall be the Fair Market Value thereof. All distributions (including distributions other than cash) made hereunder shall be made pro rata to the holders of Series C Preferred Stock.

(f) Equitable Adjustments. The amounts to be paid or set aside for payment as provided above in this Section 5 shall be proportionately increased or decreased in inverse relation to the change in the number of outstanding shares resulting from any Series C Recapitalization Event.

SECTION 6 Conversion

(a) Automatic Conversion. Upon the Requisite Stockholder Approval, all shares of Series C Preferred Stock shall be automatically converted, without any further action by the holders of such shares and whether or not the certificates representing such shares are surrendered to the Corporation or its transfer agent, into the number of fully paid and nonassessable shares of Common Stock equal to the number obtained by dividing (i) the Stated Value of such Series C Preferred Stock, plus the amount of any accrued but unpaid Regular Dividends as of the Conversion Date by (ii) the Conversion Price in effect on the Conversion Date (determined as provided in this Section 6).

(b) Fractions of Shares. Fractional shares may not be issued in connection with any conversion. If any fractional interest in a share would be deliverable upon conversion, such fractional share shall be rounded up to the next whole number.

(c) Adjustments to Conversion Price.

(i) If the Corporation shall, at any time or from time to time after the Initial Issue Date, issue Additional Shares of Common Stock, without consideration or for consideration per share less than the Current Market Price in effect immediately prior to the announcement date for such issuance, then the Conversion Price shall forthwith be lowered (but in no event increased) to a price equal to the amount determined by multiplying such Conversion Price by a fraction:

(A) the numerator of which shall be (1) the number of shares of Common Stock outstanding immediately prior to the announcement date for such issuance of such Additional Shares of Common Stock (calculated on a fully-diluted basis assuming the exercise or conversion of all Options or Convertible Securities) plus (2) the number of shares of Common Stock which the gross aggregate consideration, if any, received by the Corporation for the total number of such Additional Shares of Common Stock so issued would purchase at the Current Market Price in effect immediately prior to the announcement date for such issuance, and

(B) the denominator of which shall be (1) the number of shares of Common Stock outstanding immediately prior to the issuance of such Additional Shares of Common Stock (calculated on a fully-diluted basis assuming the exercise or conversion of all Options or Convertible Securities) plus (2) the number of such Additional Shares of Common Stock so issued.

Any such adjustment shall become effective immediately upon issuance of such Additional Shares of Common Stock.

(ii) For the purposes of any adjustment of a Conversion Price pursuant to this Section 6(c), the following definitions shall be applicable:

(A) Option shall mean rights, options or warrants to subscribe for, purchase or otherwise acquire Common Stock or Convertible Securities.

C-7

Table of Contents

(B) Convertible Securities shall mean any evidences of indebtedness, shares or other securities directly or indirectly convertible into or exchangeable for Common Stock, other than the Series C Preferred Stock.

(C) Additional Shares of Common Stock shall mean all shares of Common Stock issued (or, pursuant to Section 6(c)(iii) below, deemed to be issued) by the Corporation after the Initial Issue Date, other than shares of Excluded Securities or Common Stock issued or issuable:

(1) as a dividend or distribution on the Series C Preferred Stock;

(2) upon conversion of shares of Series C Preferred Stock; or

(3) pursuant to the Excluded Securities to the extent such shares were previously taken into account for purposes of the limitation in the definition of Excluded Securities; and

(D) Rights or Rights to Acquire Common Stock shall mean all rights issued by the Corporation to acquire Common Stock whether by exercise of a warrant, option or similar call, or conversion of any existing instruments, in either case for consideration fixed, in amount or by formula, as of the date of issuance other than those rights described in subclauses (1) through (3) of clause (C) above.

(iii) Deemed Issuances. If the Corporation at any time or from time to time after the Initial Issue Date issues any Options or Convertible Securities or Rights to Acquire Common Stock, then the maximum number of shares of Common Stock (as set forth in the instrument relating thereto without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or Rights to Acquire Common Stock or, in the case of Convertible Securities, issuable upon the conversion or exchange of such Convertible Securities, in each case, as of the date of their issuance, shall be deemed to be the number of Additional Shares of Common Stock issued as of the time of such issue; provided that Additional Shares of Common Stock shall not be deemed to have been issued unless the consideration per share (determined pursuant to Section 6(c)(v) hereof) that would be received by the Corporation for such Additional Shares of Common Stock upon such exercise, conversion or exchange would be less than the Current Market Price in effect immediately prior to such issuance, and provided, further, that in any such case:

(A) no further adjustment in the Conversion Price shall be made upon the subsequent issuance of shares of Common Stock upon the exercise of such Options or Rights to Acquire Common Stock or upon the conversion or exchange of such Convertible Securities;

(B) upon the expiration or termination of any unexercised Option, Right to Acquire Common Stock or Convertible Security, the Conversion Price shall be adjusted immediately to reflect the applicable Conversion Price which would have been in effect had such Option, Right to Acquire Common Stock or Convertible Security (to the extent outstanding immediately prior to such expiration or termination) never been issued;

(C) if with respect to any Option, Right to Acquire Common Stock or Convertible Security, there shall have been an increase or decrease, with the passage of time or otherwise, in the consideration (determined pursuant to Section 6(c)(v) below) payable upon the exercise, conversion or exchange thereof, then the Conversion Price then in effect shall be readjusted by (x) treating the Additional Shares of Common Stock, if any, actually issued or issuable pursuant to the exercise of such Option, Right to Acquire Common Stock or Convertible Security as having been issued or issuable for the consideration actually received and receivable therefor and (y) treating any Option, Right to Acquire Common Stock or Convertible Security which remains outstanding as being subject to exercise, conversion or exchange on the basis of such revised consideration payable as shall be in effect at such time; provided that no such

adjustment need be made to the extent that the event giving rise to the adjustment referred to in this paragraph gives rise to an adjustment to the Conversion Price that is covered by another provision of this Section 6(c); and

(D) in the event of any change in the number of shares of Common Stock issuable upon the exercise, conversion or exchange of any Option, Right or Convertible Security, including a change resulting from the anti-dilution provisions thereof, the Conversion Price then in effect shall forthwith be readjusted to such

Conversion Price as would have been obtained had the Conversion Price adjustment that was originally made upon the issuance of such Option, Right to Acquire Common Stock or Convertible Security which were not exercised, converted or exchanged prior to such change been made upon the basis of such change, but no further adjustment shall be made for the actual issuance of Common Stock upon the exercise or conversion of any such Option, Right to Acquire Common Stock or Convertible Security.

(iv) Waiver of Adjustment to Conversion Price. Notwithstanding the foregoing, the Requisite Holders can waive any adjustment to the Conversion Price.

(v) Determination of Consideration. For purposes of this Section 6, the value of the consideration received by the Corporation for the issuance of any Additional Shares of Common Stock shall be computed as follows:

(A) Cash and Property. Such consideration shall:

- (1) insofar as it consists of cash, be computed at the aggregate of cash received and the net present value of cash receivable (utilizing a discount rate of a rate per annum equal to LIBOR on the date of the issuance of such Additional Shares plus 250 basis points) by the Corporation, excluding amounts paid or payable for accrued interest or accrued dividends;
- (2) insofar as it consists of property other than cash (subject to clause (3) below), be computed at the Fair Market Value thereof at the time of such issue;
- (3) insofar as it consists of securities, be computed as follows: (x) if traded on a securities exchange or quotation system, based on the average of the closing prices of the securities on such exchange or quotation system over the 30 trading day period ending on the trading day immediately preceding the day the computation is being made, (y) if traded over-the-counter, based on the average of the closing bid or sale prices (whichever is applicable) over the 45 trading day period ending on the trading day immediately preceding the day the computation is being made, and (z) if the securities are not traded as set forth in (x) or (y) above, the Fair Market Value thereof at the time of such issue; and
- (4) in the event Additional Shares of Common Stock are issued together with other shares or securities or other assets of the Corporation for consideration which covers both, be the proportion of such consideration so received, computed as provided in clauses (1) through (3) above, as determined in good faith by the Board of Directors.

(B) Options, Rights and Convertible Securities. The consideration per share received by the Corporation for Additional Shares of Common Stock deemed to have been issued pursuant to this Section 6, relating to Options, Rights to Acquire Common Stock and Convertible Securities, shall be determined by dividing

- (1) the total amount, if any, received or receivable by the Corporation as consideration for the issuance of such Options, Rights or Convertible Securities, plus the aggregate amount of additional consideration expected to be payable to the Corporation (as determined in good faith by the Board of Directors) upon the exercise of such Options or Rights to Acquire Common Stock or upon the conversion or exchange of such Convertible Securities, by

- (2) the maximum number of shares of Common Stock issuable upon the exercise of such Options or Rights to Acquire Common Stock or upon the conversion or exchange of such Convertible Securities.

(vi) Upon Stock Dividends, Subdivisions or Splits. If, at any time after the date hereof, the number of shares of Common Stock outstanding is increased by a stock dividend payable in shares of Common Stock or by a subdivision or split-up of shares of Common Stock, then, following the record date for the determination of

Table of Contents

holders of Common Stock entitled to receive such stock dividend, or to be affected by such subdivision or split-up, the Conversion Price shall be appropriately decreased so that the number of shares of Common Stock issuable on conversion of Series C Preferred Stock shall be increased in proportion to such increase in outstanding shares.

(vii) Upon Combinations. If, at any time after the date hereof, the number of shares of Common Stock outstanding is decreased by a combination of the outstanding shares of Common Stock into a smaller number of shares of Common Stock, then, following the record date to determine shares affected by such combination, the Conversion Price shall be appropriately increased so that the number of shares of Common Stock issuable on conversion of each share of Series C Preferred Stock shall be decreased in proportion to such decrease in outstanding shares.

(viii) Capital Reorganization, Reclassification, Merger or Sale of Assets. If at any time or from time to time there shall be (A) a capital reorganization of the Common Stock, (B) a reclassification of the Common Stock (other than a subdivision, combination, or exchange of shares provided for elsewhere in this Section 6) or (C) a merger or consolidation of the Corporation with or into another corporation, or the sale of all or substantially all of the Corporation's properties and assets to any other person, then, as a part of such reorganization, reclassification, merger, or consolidation or sale, provision shall be made so that holders of Series C Preferred Stock, as the case may be, shall thereafter be entitled to receive upon conversion of the Series C Preferred Stock, the kind and amount of shares of stock or other securities or property of the Corporation, or of the successor corporation resulting from such merger, consolidation or sale, to which such holder would have been entitled if such holder had converted its shares of Series C Preferred Stock immediately prior to such capital reorganization, reclassification, merger, consolidation or sale. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 6(c) with respect to the rights of the holders of the Series C Preferred Stock after the reorganization, reclassification, merger, consolidation or sale to the end that the provisions of this Section 6(c), including adjustment of the Conversion Price then in effect for the Series C Preferred Stock and the number of shares issuable upon conversion of the Series C Preferred Stock) shall be applicable after that event in as nearly equivalent a manner as may be practicable.

(d) Conversion Procedures. As of the date the Series C Preferred Stock automatically converts into Common Stock pursuant to Section 6(a) (the Conversion Date), the rights of each holder of shares of Series C Preferred Stock as a holder shall cease, and the person or persons entitled to receive the Common Stock issuable upon conversion shall be treated for all purposes as the record holder or holders of such Common Stock as and after such time. As promptly as practicable on or after the Conversion Date, (i) each holder of shares of Series C Preferred Stock shall surrender the certificate evidencing such share of Series C Preferred Stock, duly endorsed or assigned to the Corporation in blank, at any office or agency of the Corporation maintained for such purpose, and (ii) the Corporation shall issue and shall deliver at any office or agency of the Corporation maintained for the surrender of Series C Preferred Stock a certificate or certificates for the number of full shares of Common Stock issuable upon conversion, together with payment in lieu of any fraction of a share, as provided in Section 6(b).

(e) Notice of Adjustment of Conversion Price. Whenever the provisions of Section 6(c) require that the Conversion Price be adjusted as herein provided, the Corporation shall compute the adjusted Conversion Price in accordance with Section 6(c) and shall prepare a certificate signed by the Corporation's chief executive officer or chief financial officer setting forth the adjusted Conversion Price and showing in reasonable detail the facts upon which such adjustment is based, and such certificate shall forthwith be filed at each office or agency maintained for such purpose for conversion of shares of Series C Preferred Stock and mailed by the Corporation at its expense to all holders of Series C Preferred Stock at their last addresses as they shall appear in the stock register.

(f) Corporation to Reserve Common Stock. The Corporation shall at all times reserve and keep available, free from preemptive rights, out of the authorized but unissued Common Stock or out of the Common Stock held in treasury, for

the purpose of effecting the conversion of Series C Preferred Stock, the full number of shares of Common Stock issuable upon the conversion of all outstanding shares of Series C Preferred Stock at any point

during the next six (6) months. Before taking any action that would cause an adjustment reducing the Conversion Price below the then par value (if any) of the shares of Common Stock deliverable upon conversion of the Series C Preferred Stock, the Corporation will take any corporate action that, in the opinion of its counsel, is necessary in order that the Corporation may validly and legally issue fully paid and non-assessable shares of Common Stock at such adjusted Conversion Price.

(g) Taxes on Conversions. The Corporation will pay any and all original issuance, transfer, stamp and other similar taxes that may be payable in respect of the issue or delivery of shares of Common Stock on conversion of Series C Preferred Stock pursuant hereto. The Corporation shall not, however, be required to pay any tax which may be payable in respect of any transfer involved in the issue and delivery of shares of Common Stock in a name other than that of the holder of the share(s) of Series C Preferred Stock to be converted (nor shall the Corporation be responsible for any other taxes payable by the holders of the Series C Preferred Stock), and no such issue or delivery shall be made unless and until the person requesting such issue has paid to the Corporation the amount of any such tax, or has established to the satisfaction of the Corporation that such tax has been paid.

SECTION 7 Redemption of Series C Preferred Stock.

(a) Redemption at the Election of Holders of Series C Preferred Stock. At any time on or after the first anniversary of the Initial Issue Date, the Requisite Holders may elect, by delivering an irrevocable written notice to the Corporation, to have the Corporation redeem all or any portion of the Series C Preferred Stock held by such holder at a price per share (the Redemption Price) equal to the Stated Value per share plus an amount equal to all accrued and unpaid Regular Dividends thereon to the date of such notice. The Corporation shall, unless otherwise prevented by law, redeem from such holder on the Redemption Date the number of shares of Series C Preferred Stock identified in such notice of election.

(b) Redemption Closing. The closing of the Corporation's redemption of the Series C Preferred Stock pursuant to this Section 7 shall take place at 11:00 a.m. Eastern Standard Time on the date that is no later than five (5) business days following the determination of the Redemption Price pursuant to Section 7(a) (the Redemption Date) at the Corporation's principal executive office or other mutually agreed upon location where the closing will occur. At the closing, the Corporation shall pay to each holder of Series C Preferred Stock from whom shares of Series C Preferred Stock are being redeemed an amount equal to the aggregate applicable Redemption Price for all such shares against receipt from such holder of the certificate or certificates, duly endorsed or assigned to the Corporation in blank, representing the shares of Series C Preferred Stock being redeemed. All such payments shall be made by wire transfer of immediately available funds or, if any such holder shall not have specified wire transfer instructions to the Corporation prior to the closing, by certified or official bank check payable to the order of the holder. In the case of any certificate evidencing shares of Series C Preferred Stock that is redeemed in part only, upon such redemption the Corporation shall also execute and deliver a new certificate evidencing the number of shares of Series C Preferred Stock that are not redeemed.

(c) Insufficient Funds. If the Corporation shall not be permitted, or shall not have funds legally available in the amount necessary, to redeem all shares of Series C Preferred Stock to be redeemed on the applicable Redemption Date, then the Series C Preferred Stock shall be redeemed by the Corporation on such Redemption Date to the maximum extent the Corporation is permitted and has funds legally available on a pro rata basis, in accordance with the number of shares to be redeemed from each such holder of Series C Preferred Stock. The Corporation shall immediately redeem such shares of Series C Preferred Stock upon the termination of such legal prohibition and at any time thereafter when additional funds of the Corporation are legally available for the redemption of such shares of Series C Preferred Stock, such funds will be used, at the end of the next succeeding fiscal quarter, to redeem the balance of such shares, or such portion thereof for which funds are then legally available, on the basis set forth above.

(d) Effect of Redemption. From and after the close of business on the applicable Redemption Date, unless there shall have been a default in the payment of the Redemption Price, all rights (except the right to receive the Redemption Price) of the holders of Series C Preferred Stock with respect to the shares of Series C Preferred

Stock to be redeemed on such date shall cease and terminate, and such shares shall not thereafter be transferred on the books of the Corporation or be deemed to be outstanding for any purpose whatsoever whether or not the certificates representing such shares have been received by the Corporation; provided, however, that, notwithstanding anything contained herein to the contrary, (A) if the Corporation defaults in the payment of the Redemption Price, the rights of such holders with respect to such shares of Series C Preferred Stock shall continue until the Corporation cures such default, and (B) without limiting any other rights of such holders, upon the occurrence of a subsequent Liquidation or Deemed Liquidation, with respect to the shares of Series C Preferred Stock in respect of which the payment of the Redemption Price has not occurred, such holders shall be accorded the Liquidation rights set forth in Section 5 hereof in respect of such remaining shares, as if no prior redemption request had been made. The shares of Series C Preferred Stock not redeemed shall remain outstanding and entitled to all rights and preferences provided herein.

(e) Miscellaneous. Neither the Corporation nor any Subsidiary shall offer to purchase, redeem or acquire any shares of Series C Preferred Stock other than pursuant to the terms of this Certificate of Designations or pursuant to a purchase offer made to all holders of Series C Preferred Stock pro rata based upon the number of such shares owned by each such holder.

SECTION 8 Ranking.

For purposes of this Certificate of Designations, any stock of any class or classes of the Corporation shall be deemed to rank:

(a) prior to the shares of this Series C Preferred Stock, either as to dividends or upon liquidation, if the holders of such class or classes shall be entitled to the receipt of dividends or of amounts distributable upon dissolution, liquidation or winding up of the Corporation, as the case may be, in preference or priority to the holders of shares of this Series C Preferred Stock (any such securities, Senior Securities);

(b) pari passu to the shares of this Series C Preferred Stock, either as to dividends or upon liquidation, if the holders of such class or classes shall be entitled to the receipt of dividends or of amounts distributable upon dissolution, liquidation or winding up of the Corporation, as the case may be, pari passu with the holders of shares of this Series C Preferred Stock (any such securities, Parity Securities);

SECTION 9 Amendment and Waiver. Notwithstanding anything to the contrary herein, the amendment or waiver of any provisions of this Certificate of Designations can be approved by the Requisite Holders.

Table of Contents**7. Delivery of Warrant Shares.**

(a) To effect conversions hereunder, the Holder shall not be required to physically surrender this Warrant unless the total number of Warrant Shares (as adjusted from time to time as provided in Section 12) represented by this Warrant is being exercised. Upon delivery of an Exercise Notice substantially in the form attached hereto as Attachment A (an Exercise Notice) to the Company at its address for notice determined as set forth herein, and upon payment of the applicable Exercise Price multiplied by the number of Warrant Shares that the Holder intends to purchase hereunder, the Company shall promptly (but in no event later than five trading days after the Date of Exercise (as defined below)) issue and deliver, or cause its transfer agent to issue and deliver, to the Holder a certificate for the Warrant Shares issuable upon such exercise registered in the name of the Holder or its designee. A Date of Exercise means the date on which the Holder shall have delivered to the Company: (i) an Exercise Notice, appropriately completed and duly signed, and (ii) payment of the Exercise Price (by certified or official bank check, intra-bank account transfer or wire transfer) for the number of Warrant Shares so indicated by the Holder to be purchased.

(b) If by the fifth trading day after a Date of Exercise the Company fails to deliver the required number of Warrant Shares in the manner required pursuant to Section 7(a), the Holder will have the right to rescind such exercise.

(c) The Company's obligations to issue and deliver Warrant Shares in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by the Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any individual, corporation, limited liability company, limited or general partnership, joint venture, association, joint-stock company, trust, unincorporated organization, government or any agency or political subdivisions thereof (each a Person) or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by the Holder or any other Person of any obligation to the Company or any violation or alleged violation of law by the Holder or any other Person, and irrespective of any other circumstance that might otherwise limit such obligation of the Company to the Holder in connection with the issuance of Warrant Shares. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity, including a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing shares of Common Stock upon exercise of this Warrant as required pursuant to the terms hereof.

8. Charges, Taxes and Expenses. Issuance and delivery of certificated or uncertificated shares of Common Stock upon exercise of this Warrant shall be made without charge to the Holder for any issue or transfer tax, withholding tax, transfer agent fee or other incidental tax or expense in respect of the issuance of such shares, all of which taxes and expenses shall be paid by the Company; provided, however, that the Company shall not be required to pay any tax that may be payable in respect of any transfer involved in the registration of any certificates for Warrant Shares or Warrants in a name other than that of the Holder. The Holder shall be responsible for all other tax liability that may arise as a result of holding or transferring this Warrant or receiving Warrant Shares upon exercise hereof.

9. Replacement of Warrant. If this Warrant is mutilated, lost, stolen or destroyed, the Company shall issue or cause to be issued in exchange and substitution for and upon cancellation hereof, or in lieu of and substitution for this Warrant, a new warrant, but only upon receipt of evidence reasonably satisfactory to the Company of such loss, theft or destruction and customary and reasonable indemnity (which shall not include a surety bond), if requested. Applicants for a new warrant under such circumstances shall also comply with such other reasonable regulations and procedures and pay such other reasonable third-party costs as the Company may prescribe. If a new warrant is requested as a result of a mutilation of this Warrant, then the Holder shall deliver this mutilated Warrant to the Company as a condition precedent to the Company's obligation to issue the new warrant.

10. Reservation of Warrant Shares. The Company covenants that it will at all times reserve and keep available out of the aggregate of its authorized but unissued and otherwise unreserved Common Stock, solely for the purpose of enabling it to issue Warrant Shares upon exercise of this Warrant as herein provided, the number of Warrant Shares that are then issuable and deliverable upon the exercise of this entire Warrant. The Company covenants and

warrants that all Warrant Shares so issuable and deliverable shall, upon issuance and the payment of the applicable Exercise Price in accordance with the terms hereof, be validly issued, fully paid and non-assessable and free and clear of any encumbrances, preemptive rights or restrictions (other than as provided in this Warrant, the Purchase Agreement or any restrictions on transfer generally imposed under applicable securities laws).

11. Notice of Certain Corporate Action. In case the Company shall propose (a) to offer to the holders of its Common Stock rights to subscribe for or to purchase any shares of Common Stock or shares of stock of any class or any other securities, rights or options, (b) to effect any reclassification of its Common Stock (other than a reclassification involving only the subdivision, or combination, of outstanding shares of Common Stock), (c) to effect any capital reorganization, (d) to effect any Fundamental Transaction (as defined below), (e) to effect the liquidation, dissolution or winding up of the Company, (f) to offer to the holders generally of its Common Stock the right to have their shares of Common Stock repurchased or redeemed or otherwise acquired by the Company or (g) to take any other action that would require the adjustment of the Exercise Price and/or the number of Warrant Shares issuable upon exercise of this Warrant, then in each such case (but without limiting the provisions of Section 12), the Company shall give to the Holder a notice of such proposed action, which shall specify the date on which a record is to be taken for purposes of such distribution of offer of rights or the date on which such reclassification, reorganization, Fundamental Transaction, liquidation, dissolution or winding up is to take place and the date of participation therein by the holders of Common Stock, if any such date is to be fixed and shall also set forth such facts with respect thereto as shall be reasonably necessary to indicate the effect of such action on the Common Stock. Such notice shall be so given at least ten business days prior to the record date for determining holders of the Common Stock for purposes of participating in or voting on such action, or at least ten business days prior to the date of the taking of such proposed action or the date of participation therein by the holders of Common Stock, whichever shall be the earlier. Such notice shall specify, in the case of any subscription or purchase rights, the date on which the holders of Common Stock shall be entitled thereto, or, in the case of any reclassification, reorganization, Fundamental Transaction, liquidation, dissolution or winding up, the date on which the holders of Common Stock shall be entitled to exchange their Common Stock for securities or other property deliverable upon such reclassification, reorganization, Fundamental Transaction or other action. Such notice shall also state whether the action in question or the record date is subject to the effectiveness of a registration statement under the Securities Act or to a favorable vote of security holders, if either is required, and the adjustment in Exercise Price and/or number of Warrant Shares issuable upon exercise of this Warrant as a result of such reorganization, reclassification, Fundamental Transaction or other action, to the extent then determinable. No such notice shall be given if the Company reasonably determines that the giving of such notice would require disclosure of material information that the Company has a bona fide purpose for preserving as confidential or the disclosure of which would not be in the best interests of the Company.

12. Certain Adjustments. The number of Warrant Shares issuable upon exercise of this Warrant is subject to adjustment from time to time as set forth in this Section 12.

(a) Stock Dividends and Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions on shares of its Common Stock or any other equity or equity equivalent securities payable in shares of Common Stock (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of any Warrants), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of reverse stock split) outstanding shares of Common Stock into a smaller number of shares or (iv) issues by reclassification of shares of Common Stock any shares of capital stock of the Company; then in each such case (A) the Exercise Price will be adjusted by multiplying the Exercise Price then in effect by a fraction, the numerator of which equals the number of shares of Common Stock outstanding immediately after such event (excluding treasury shares, if any), and the denominator of which equals the number of shares of Common Stock outstanding immediately prior to such event (excluding treasury shares, if any), and (B) the number of Warrant Shares issuable hereunder shall be concurrently adjusted by

multiplying such number by such fraction. Such adjustments will take effect on the effective date of such dividend, distribution, subdivision, combination or issuance by reclassification, as the case may be.

(b) **Fundamental Transaction**. If, at any time while this Warrant is outstanding, (i) the Company, directly or indirectly, in one or a series of related transactions, (A) effects any merger or consolidation of the Company with or into another Person (other than a wholly-owned subsidiary of the Company), (B) effects any sale, lease, license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets, (C) effects any reclassification, reorganization or recapitalization of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property (except for issuances by reclassification contemplated by Section 12(a)(iv)) or (D) consummates a stock or share purchase or other business combination (including a reorganization, recapitalization, spin-off or scheme of arrangement) with another Person or group of Persons whereby such other Person or group acquires more than fifty percent (50%) of the outstanding shares of Common Stock or (ii) any, direct or indirect, tender offer or exchange offer (whether by the Company or another Person or group of Persons) is completed pursuant to which holders of Common Stock are permitted to tender or exchange their shares for other securities, cash or property (each transaction or series of transactions referred to in clause (i) or (ii) above, a Fundamental Transaction); then, upon any subsequent exercise of this Warrant, the Holder shall have the right to receive, for each Warrant Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, (1) the number of shares of common stock of the successor or acquiring corporation or, if it is the surviving corporation, of the Company and (2) any additional consideration (the Alternate Consideration) receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Warrant is exercisable immediately prior to such Fundamental Transaction. For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount and components of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company's board of directors shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration (substituting the most appropriate market-based measure for the trading market in determining the daily VWAP (as defined below) from time to time for each component of the Alternate Consideration or, if no market-based measure is reasonably available for any such component, fixing the daily VWAP of such component at the value determined by such apportionment, but subject to further adjustment as provided in this Section 12). If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, any successor to the Company or surviving entity in such Fundamental Transaction shall issue to the Holder a new warrant of like tenor to this Warrant but adjusted to be consistent with the foregoing provisions and evidencing the Holder's right to exercise such warrant for the appropriate number of shares of capital stock and Alternate Consideration, if any, in exchange for this Warrant. The Company shall ensure that the terms of any agreement pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this Section 12(b) and ensuring that this Warrant (or any such replacement security) will be similarly adjusted upon any subsequent transaction or series of related transactions analogous to a Fundamental Transaction. VWAP means, for any date, the price determined by the first of the following clauses that applies: (A) if the Common Stock is then listed or quoted on a trading market, the daily volume weighted average price of the Common Stock for such date (or the nearest preceding date) on the principal trading market on which the Common Stock is then listed or quoted as reported by Bloomberg L.P. (based on a trading day from 9:30 a.m. (New York City time) to 4:00 p.m. (New York City time)), (B) if prices for the Common Stock are then reported in the Pink Sheets published by Pink OTC Markets, Inc. (or a similar organization or agency succeeding to its functions of reporting prices), the most recent bid price per share of the Common Stock so reported during trading hours or (C) in all other cases, the fair market value of a share of Common Stock as determined by an independent appraiser selected in good faith by the Company's board of directors and reasonably acceptable to the Holder, the fees and expenses of which shall be paid by the Company. Notwithstanding anything to the contrary herein, for the avoidance of doubt, in the event of a Fundamental Transaction described in Section (i)(A) or (i)(B) of the definition of Fundamental Transaction pursuant to which a share of Common Stock is exchanged for consideration

consisting solely of an amount per share in cash that is less than the Exercise Price, this Warrant shall automatically expire, terminate and be cancelled without any further action of the Company or the Holder upon consummation of such Fundamental Transaction.

(c) Notice of Adjustment. Upon any adjustment of the Exercise Price, and from time to time upon the request of the Holder, the Company shall furnish to the Holder the Exercise Price resulting from such adjustment or otherwise in effect and the number of Warrant Shares then available for purchase under this Warrant, setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based.

13. No Fractional Shares. No fractional shares of Common Stock will be issued in connection with any exercise of this Warrant. In lieu of any fractional shares that would otherwise be issuable, the Company shall pay the Holder an amount of cash equal to the product of such fraction multiplied by the closing price of one share of Common Stock as reported on the principal trading market for the Common Stock on the Date of Exercise.

14. No Impairment. The Company shall not by any action including, without limitation, amending its certificate of incorporation, any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but shall at all times in good faith assist in the carrying out of all such terms and in the taking of all such action, as may be necessary or appropriate to protect the rights of the Holder against impairment. Without limiting the generality of the foregoing, the Company shall take all such action as may be necessary or appropriate in order that the Company may validly issue fully paid and non-assessable shares of Common Stock upon the exercise of this Warrant at the then Exercise Price therefor.

15. No Rights as a Stockholder; Notice to Holder. Nothing contained in this Warrant shall be construed as conferring upon the Holder the right to vote or to consent or to receive notice as a stockholder in respect of any meeting of stockholders for the election of directors of the Company or any other matter, or any rights whatsoever as a stockholder of the Company.

16. Warrant Agent. The Company shall serve as warrant agent under this Warrant. Upon 30 days notice to the Holder, the Company may appoint a new warrant agent. Any corporation into which the Company or any new warrant agent may be merged or any corporation resulting from any consolidation to which the Company or any new warrant agent shall be a party or any corporation to which the Company or any new warrant agent transfers substantially all of its corporate trust or stockholders services business shall be a successor warrant agent under this Warrant without any further act. Any such successor warrant agent shall promptly cause notice of its succession as warrant agent to be mailed (by first class mail, postage prepaid) to the Holder at the Holder's last address as shown on the Warrant Register.

17. Miscellaneous.

(b) Assignment. The Company shall not have the right, directly or indirectly, to assign or transfer this Warrant without the prior written consent of the Holder, which may be withheld in the Holder's sole discretion, or as part of a Fundamental Transaction.

(c) No Third-Party Beneficiaries. Nothing in this Warrant shall be construed to give to any Person other than the Company and the Holder any legal or equitable right, remedy or cause of action under this Warrant.
