**Item 2.05 Costs Associated with Exit or Disposal Activities**

Fifth Third Bancorp (the Bancorp) monitors changing customer preferences associated with the channels it uses to distribute its products and services to evaluate the efficiency, competitiveness and quality of the customer service experience in its consumer distribution network. As part of this ongoing assessment, the Bancorp identified 44 additional branch locations and 5 parcels of undeveloped land that had been acquired by the Bank for future branch expansion that it plans to consolidate or sell. These locations are in addition to the Branch Consolidation and Sales Plan announced in June 2015. The Bancorp currently expects that these branches will be closed during the first quarter of 2017, and that it may incur contract termination cash expenditures associated with real estate leases on certain of these branches in the range of \$4 million to \$6 million during the first quarter of 2017.

**Item 2.06 Material Impairments**

In connection with the additional actions described in more detail in Item 2.05 above, the Bancorp will perform an assessment of the recoverability of these long-lived assets. Based on currently available market information, the Bancorp currently estimates that the non-cash impairment charge associated with these assessments, which will be recognized in the third quarter of 2016, will be in the range of \$25 million to \$30 million. The Bancorp is in the process of obtaining certain third party appraisals as well as other valuation information which will be used in determining the actual impairment charge to be recognized during the third quarter of 2016.

**Item 7.01 Regulation FD Disclosure**
