This Amendment No. 4 (this Amendment) amends and supplements the Tender Offer Statement on Schedule TO (together with any subsequent amendments and supplements thereto, the Schedule TO), filed with the Securities and Exchange Commission on August 18, 2016 by Napa Acquisition Corporation, a Delaware corporation (Purchaser), a subsidiary of OC Acquisition LLC, a Delaware limited liability company (Parent), which is a subsidiary of Oracle Corporation, a Delaware corporation (Oracle). The Schedule TO relates to the offer by Purchaser to purchase all of the issued and outstanding shares of common stock, par value, \$0.01 per share (the Shares), of NetSuite Inc., a Delaware corporation (NetSuite), at a purchase price of \$109.00 per Share net to the seller in cash, without interest thereon and subject to any required tax withholding, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated August 18, 2016 (the Offer to Purchase) and in the related Letter of Transmittal (which, together with the Offer to Purchase, as they may be amended or supplemented from time to time, collectively constitute the Offer), copies of which are attached to the Schedule TO as Exhibits (a)(1)(A) and (a)(1)(B), respectively.

Except as otherwise set forth in this Amendment, the information set forth in the Schedule TO remains unchanged and is incorporated herein by reference to the extent relevant to the items in this Amendment. Capitalized terms used but not defined herein have the meanings ascribed to them in the Schedule TO.

Schedule TO.

The Schedule TO is hereby amended as follows:

Items 1 through 9 and Item 11.

The Offer to Purchase and Items 1 through 9 and Item 11 of the Schedule TO, to the extent such Items incorporate by reference the information contained in the Offer to Purchase, are hereby amended as follows:

Amending and supplementing by adding a new paragraph at the end of the section titled Section 16 Certain Legal Matters; Regulatory Approvals Legal Proceedings of the Offer to Purchase to read as follows:

On September 30, 2016, the plaintiffs in the action Palkon v. NetSuite Inc. et al. Case No. 4:16-cv-04975-CW (the Palkon Action) filed a notice of voluntary dismissal to dismiss, without prejudice, all proceedings in the Palkon Action, and with each party to bear its own costs.

Replacing the first sentence of the third paragraph under the heading SPECIAL FACTORS 4. Position of Oracle, Parent and Purchaser Regarding Fairness of the Offer and the Merger Position of Oracle, Parent and Purchaser Regarding Fairness of the Offer and the Merger with the following sentence:

Oracle, Parent and Purchaser believe that the Offer and the Merger, including the Offer Price to be received by NetSuite's unaffiliated stockholders pursuant to the Offer and the Merger, are fair to such stockholders.

Adding to the end of the last paragraph under the heading SPECIAL FACTORS 4. Position of Oracle, Parent and Purchaser Regarding Fairness of the Offer and the Merger Position of Oracle, Parent and Purchaser Regarding Fairness of the Offer and the Merger the following:

A specific going concern value of NetSuite was not calculated or considered by Oracle, Parent or Purchaser in reaching the conclusion as to the fairness of the Offer and the Merger.

In reaching the conclusion as to fairness of the Offer and the Merger, Oracle, Parent and Purchaser also considered the historical trading prices of the Shares, including, as discussed above, the fact that the Offer Price represents a 62% premium to the trading price at which the Shares closed on June 27, 2016, the last trading day before public speculation and market rumors that NetSuite was potentially the subject of an acquisition transaction involving

Oracle, and a 38% premium to the price at which the Shares closed on June 15, 2016, 30 trading days before the execution by Oracle and NetSuite of the Merger Agreement. Having considered the

foregoing, Oracle, Parent and Purchaser believe that the Offer Price is fair in relation to the historical trading prices of the Shares.

Adding to the end of the seventh paragraph under the heading SPECIAL FACTORS 4. Position of Oracle, Parent and Purchaser Regarding Fairness of the Offer and the Merger Opinion of Moelis & Company LLC the following:

Moelis has expressly consented to the inclusion of its opinion and the materials in Exhibits (c)(8) through (c)(15) as exhibits to the Schedule TO.

Adding after the last paragraph under the heading SPECIAL FACTORS 5. Certain Effects of the Offer the following:

None of Oracle, Parent or Purchaser owns any Shares and, accordingly, none of them has any current equity interest in the net book value or net earnings of NetSuite. Upon the closing of the Merger, NetSuite will become a subsidiary of Oracle. As such, Oracle will indirectly own 100% of the equity interest in the net book value and net earnings of NetSuite.

In addition to considering a tender offer and second step merger structure, Oracle also considered a one-step merger transaction as an alternative means to accomplish the stated transaction objectives. However, Oracle, Parent and Purchaser believe that the tender offer and second step merger structure was preferable to a one-step merger because they believe that the structure provides a faster and more efficient process for completing the transaction than structures which require calling a special meeting of NetSuite's stockholders.

Upon the effective time of the Merger, Oracle (i) will become the beneficiary of the cost savings achieved by NetSuite's no longer remaining a company subject to the reporting requirements under the federal securities laws, and (ii) will become the future beneficiary of NetSuite's operating loss carryforwards.

Amending and supplementing Item 13 of the Schedule TO to add the following under the heading Item 13. Financial Statements. :
