DEREGISTRATION OF SECURITIES

This Post-Effective Amendment No. 1, filed by Key Energy Services, Inc. (the Company), relates to Registration Statement No. 333-196134 filed by the Company with the Securities and Exchange Commission on May 21, 2014, registering 12,310,750 shares of the Company's common stock, par value \$0.10 per share (the Registration Statement).

On October 24, 2016, the Company and certain of its domestic subsidiaries (collectively, the Debtors) filed voluntary petitions for reorganization under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the District of Delaware (the Bankruptcy Court), pursuant to the terms of a plan support agreement, dated August 24, 2016, by and among the Debtors and certain of their lenders and noteholders, that contemplates the reorganization of the Debtors pursuant to a prepackaged plan of reorganization. The Debtors obtained joint administration of their chapter 11 cases under the caption *In re: Key Energy Services, Inc., et al.*, Case No. 16-12306.

On December 6, 2016, the Bankruptcy Court entered an order (the Confirmation Order) confirming the prepackaged plan of reorganization as modified by the Confirmation Order (the Plan). On December 15, 2016 (the Effective Date), the Plan became effective in accordance with its terms, and the Debtors emerged from the chapter 11 cases.

As a result of the effectiveness of the Plan, the offerings under the Registration Statement have been terminated. In accordance with the undertakings made by the Company to remove from registration, by means of a post-effective amendment, any of the securities under the Registration Statement which remain unsold at the termination of the offerings, the Company hereby removes from registration all securities registered under the Registration Statement which remained unsold as of the Effective Date, if any.
