New Notes

The New Notes were issued pursuant to an Indenture dated as of December 4, 2009 (the Indenture) between the Company and the Bank of New York Mellon, as trustee.

The New Notes will mature on March 17, 2022, and will bear interest at 4.070% per annum. The Company will pay interest on the New Notes semi-annually on March 15 and September 15, commencing September 15, 2017, and will pay interest to the person in whose name a New Note is registered at the close of business on March 1 or September 1 preceding the interest payment date.

The Company may redeem the New Notes, in whole or in part at any time, and from time to time, prior to their maturity. If the Company elects to redeem the New Notes, the Company will pay a redemption price equal to 100% of the principal amount of the notes redeemed plus a make-whole premium, plus accrued and unpaid interest to the date of redemption.

The Indenture contains customary events of default, including, among others, failure to pay principal or interest on the New Notes when due. The Indenture also contains covenants, including, among others, restrictions on the Company's ability and the ability of certain subsidiaries to create liens on certain assets, engage in certain sale/leaseback transactions and merge, consolidate or transfer all or substantially all of its assets.

The New Notes have not been registered under the Securities Act of 1933, as amended (the Securities Act), or any state securities law and, unless so registered, may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. The New Notes were offered only to persons who are (i) qualified institutional buyers as defined in Rule 144A under the Securities Act or (ii) outside the United States and persons other than U.S. persons as defined in Rule 902 under the Securities Act. This Current Report does not constitute an offer to sell, or a solicitation of an offer to buy, any security and shall not constitute an offer, solicitation or sale in any state or jurisdiction in which such offer, solicitation or sale would be unlawful.

The foregoing description of the Indenture and the New Notes does not purport to be complete and is qualified in its entirety by reference to the full text of the form of Indenture and the form of New Note, copies of which are filed as Exhibits 4.1 and 4.2 hereto, respectively.

Registration Rights Agreement

In connection with the issuance of the New Notes, the Company and Citigroup Global Markets Inc., Credit Suisse Securities (USA) LLC and Goldman, Sachs & Co., as dealer managers, entered into a Registration Rights

Agreement dated as of March 17, 2017 (the Registration Rights Agreement). The Registration Rights Agreement requires the Company to use commercially reasonable efforts to file with the SEC and cause to become effective a registration statement relating to an offer to exchange the New Notes for an issue of SEC-registered notes with terms identical to the New Notes within 270 days after March 17, 2017. Under certain circumstances, the Company will be obligated to file a shelf registration statement with respect to the New Notes. If the Company fails to satisfy certain filing and other obligations under the Registration Rights Agreement, the Company must pay additional interest to holders of the New Notes.

The foregoing description of the Registration Rights Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Registration Rights Agreement, a copy of which is filed as Exhibit 4.3 hereto.
