Spirit Realty Capital, Inc. is a Maryland corporation organized to qualify as a real estate investment trust, or REIT, under the Internal Revenue Code of 1986, as amended, or the Code, and operates its business through its consolidated subsidiary, Spirit Realty, L.P., a Delaware limited partnership. In this prospectus, unless otherwise indicated or unless the context requires otherwise, references to our company, we, us or our mean Spirit Realty Capital, Inc. together with its consolidated subsidiaries, including Spirit Realty, L.P., and references to our operating partnership mean Spirit Realty, L.P.

Table of Contents

OUR COMPANY

We are a self-administered and self-managed REIT with in-house capabilities, including acquisition, portfolio management, asset management, credit research, real estate research, legal, finance and accounting and capital markets. We primarily invest in single-tenant, operationally essential real estate assets throughout the United States, which are generally acquired through strategic sale-leaseback transactions and subsequently leased on long-term, triple-net basis to high quality tenants with business operations within predominantly retail, but also office and industrial property types. Single-tenant, operationally essential real estate consists of properties that are generally free-standing, commercial real estate facilities where our tenants conduct activities that are essential to the generation of their sales and profits. In support of our primary business of owning and leasing real estate, we have also strategically originated or acquired long-term, commercial mortgage and other loans to provide a range of financing solutions to our tenants.

Our operations are primarily carried out through our operating partnership and its subsidiaries. Spirit General OP Holdings, LLC, one of our wholly-owned subsidiaries, is the sole general partner of our operating partnership and owns approximately 1.0% of our operating partnership. We and one of our wholly-owned subsidiaries are the only limited partners of, and together own the remaining 99.0% interest in, our operating partnership.

Our outstanding common stock is listed on the NYSE under the symbol SRC.

Our principal executive offices are located at 2727 N. Harwood Street, Suite 300, Dallas, Texas 75201. Our telephone number is (972) 476-1900. Our web site is www.spirtirealty.com. Information contained in or that can be accessed through our web site is not part of, and is not incorporated into, this prospectus. The foregoing information about us is only a general summary and is not intended to be comprehensive. For additional information about us, you should refer to the information under **Where You Can Find More Information** in this prospectus.

RISK FACTORS

Investment in the offered securities involves risks. Before acquiring any offered securities pursuant to this prospectus, you should carefully consider the information contained or incorporated by reference in this prospectus, the applicable prospectus supplement or any free writing prospectus that we may prepare in connection with the offered securities, including, without limitation, the risks of an investment in our company under the captions **Risk Factors** and **Management's Discussion and Analysis of Financial Condition and Results of Operations** (or similar captions) in the most recent Annual Report on Form 10-K of Spirit Realty Capital, Inc. and Spirit Realty, L.P., and subsequent Quarterly Reports on Form 10-Q of Spirit Realty Capital, Inc. and Spirit Realty, L.P., incorporated into this prospectus and the applicable prospectus supplement by reference, as updated in our subsequent filings with the SEC under the Securities Exchange Act of 1934, as amended, or the Exchange Act. The occurrence of any of these risks could materially and adversely affect our business, financial condition, liquidity, results of operations, funds from operations and prospects and might cause you to lose all or a part of your investment in the offered securities.

Table of Contents**RATIOS OF EARNINGS TO COMBINED FIXED CHARGES AND PREFERRED DIVIDENDS**

Our ratios of earnings to fixed charges and earnings to combined fixed charges and preferred dividends for the periods indicated are as follows (in thousands, except ratios):

	For Six Months Ended June 30,		For Year Ended December 31,			
	2017	2016	2015	2014	2013	2012
Ratios of Earnings to Fixed Charges ⁽¹⁾	1.05x	1.23x	1.11x	(2)	(3)	(4)
Ratios of Earnings to Combined Fixed Charges and Preferred Dividends ⁽¹⁾	1.05x	1.23x	1.11x	(2)	(3)	(4)

(1) In July 2013, Spirit Realty Capital, Inc. merged with and into Cole Credit Property Trust II, Inc., with Cole Credit Property Trust II, Inc. surviving the merger and being renamed Spirit Realty Capital, Inc., and Cole Operating Partnership II, LP merged with and into Spirit Realty, L.P., with Spirit Realty, L.P. continuing as the surviving partnership. The merger was accounted for as a reverse acquisition using the acquisition method of accounting, with pre-merger Spirit Realty Capital, Inc. as the accounting acquirer. As a result, the historical financial information for the periods prior to the merger is that of pre-merger Spirit Realty Capital, Inc.

(2) For the year ended December 31, 2014, earnings were insufficient to cover both fixed charges and fixed charges and preferred dividends by \$50,186 million.

(3) For the year ended December 31, 2013, earnings were insufficient to cover both fixed charges and fixed charges and preferred dividends by \$32,054 million.

(4) For the year ended December 31, 2012, earnings were insufficient to cover both fixed charges and fixed charges and preferred dividends by \$72,011 and \$72,074, respectively.

Because Spirit Realty Capital, Inc., directly or indirectly through wholly-owned subsidiaries, owns 100% interest in Spirit Realty, L.P., the ratios of earnings to combined fixed charges are the same for Spirit Realty Capital, Inc. and Spirit Realty, L.P. Our ratios of earnings to combined fixed charges are computed by dividing earnings by the sum of fixed charges. Our ratios of earnings to fixed charges and preferred dividends are computed by dividing earnings by the sum of fixed charges and preferred dividends. For these purposes, earnings consist of pre-tax net loss from continuing operations plus fixed charges. Fixed charges consist of interest costs, amortization of deferred financing costs and discounts and premiums related to indebtedness. Interest income is not included in this computation.

USE OF PROCEEDS

Unless otherwise indicated in the applicable prospectus supplement, we intend to loan or contribute the net proceeds from any sale of offered securities by us to our operating partnership. Our operating partnership will use the net proceeds from us or from any sale of offered securities by it for general business and working capital purposes, including the repayment of indebtedness or potential future acquisitions. Net proceeds from the sale of any offered securities initially may be temporarily invested in interest-bearing accounts and short-term, interest-bearing securities that are consistent with our intention to continue to qualify as a REIT for federal income tax purposes. Further details regarding the use of net proceeds from the sale of any offered securities will be set forth in the applicable prospectus supplement. We will not receive any proceeds from sales of securities by selling securityholders, if any, pursuant to this prospectus.

Table of Contents

DESCRIPTION OF CAPITAL STOCK

The following is a summary of the material terms of our capital stock. For a complete description, you are urged to review in their entirety our charter and our bylaws, which are filed as exhibits to the registration statement of which this prospectus is a part, and applicable Maryland law. See [Where You Can Find More Information](#).

General

Our charter authorizes us to issue 750,000,000 shares of common stock, \$0.01 par value per share, and 20,000,000 shares of preferred stock, \$0.01 par value per share. Our board of directors has the power, without stockholder approval, to amend our charter to increase or decrease the aggregate number of shares of stock or the number of shares of stock of any class or series we are authorized to issue. As of September 22, 2017, there were 455,900,032 shares of our common stock issued and outstanding and no shares of our preferred stock issued and outstanding.

Under Maryland law, our stockholders generally are not liable for our debts or obligations solely as a result of their status as stockholders.

Common Stock

All shares of our common stock offered by this prospectus will, upon the receipt by us of the consideration therefor, be duly authorized, fully paid and nonassessable. Stockholders are entitled to receive dividends when, as and if authorized by our board of directors and declared by us out of assets legally available for the payment of dividends. Stockholders are also entitled to share ratably in our assets legally available for distribution to our stockholders in the event of our liquidation, dissolution or winding up, after payment of, or adequate provision for, all of our known debts and liabilities. These rights are subject to the preferential rights of any other class or series of our stock and to the provisions of our charter regarding restrictions on ownership and transfer of our stock.

Subject to our charter restrictions on ownership and transfer of our stock, each outstanding share of our common stock entitles the holder thereof to one vote on all matters submitted to a vote of stockholders, including the election of directors. Except as provided with respect to any other class or series of stock, our common stockholders will possess exclusive voting power. Our bylaws provide for the election of directors, in uncontested elections, by a majority of the votes cast. In contested elections, the election of directors shall be by a plurality of the votes cast. Cumulative voting in the election of directors is not permitted. This means that the holders of a majority of the outstanding shares of our common stock can effectively elect all of the directors then standing for election, and the holders of the remaining shares will not be able to elect any directors.

Our common stockholders have no preference, conversion, exchange, sinking fund, redemption or appraisal rights and have no preemptive rights to subscribe for any of our capital stock. Our charter provides that our stockholders generally have no appraisal rights unless our board of directors determines prospectively that appraisal rights will apply to one or more transactions in which our common stockholders would otherwise be entitled to exercise such rights. Subject to our charter restrictions on ownership and transfer of our stock, holders of shares of our common stock will initially have equal dividend, liquidation and other rights.

Under Maryland law, a Maryland corporation generally cannot dissolve, amend its charter, merge, sell all or substantially all of its assets, engage in a statutory share exchange or engage in similar transactions unless declared advisable by the board of directors and approved by the affirmative vote of stockholders entitled to cast at least two-thirds of all of the votes entitled to be cast on the matter unless a lesser percentage (but not less than a majority of the votes entitled to be cast on the matter) is set forth in the corporation's charter. Our charter provides for approval of

these matters by the affirmative vote of stockholders entitled to cast a majority of the votes entitled to be cast on such matter, except that the affirmative vote of stockholders holding at least two-thirds of the shares entitled to vote on such matter is required to amend the provisions of our charter relating to the removal of directors, which also requires two-thirds of all votes entitled to be cast on the matter, and to amend the provisions of our charter relating to the vote required to amend the removal provisions. Maryland law also permits a corporation to transfer all or substantially all of its assets without the approval of its stockholders to an entity all of the equity interests of which are owned, directly or indirectly, by the corporation. Because our operating assets may be held by our operating partnership or its wholly owned subsidiaries, these subsidiaries may be able to merge or transfer all or substantially all of their assets without the approval of our stockholders.

Our charter authorizes our board of directors to reclassify any unissued shares of our common stock into other classes or series of stock, to establish the designation and number of shares of each such class or series and to set, subject to the provisions of our charter regarding the restrictions on ownership and transfer of our stock, the preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications or terms or conditions of redemption of each such class or series. Thus, our board of directors could authorize the issuance of shares of common stock or preferred stock with terms and conditions which could have the effect of delaying, deferring or preventing a transaction or a change in control that might involve a premium price for our common stock or that our common stockholders otherwise believe to be in their best interests.

Table of Contents

Preferred Stock

Under the terms of our charter, our board of directors is authorized to classify any unissued shares of our preferred stock and to reclassify any previously classified but unissued shares of preferred stock into other classes or series of stock. Before the issuance of shares of each class or series, our board of directors is required by Maryland law and by our charter to set, subject to our charter restrictions on ownership and transfer of stock, the terms, preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications or terms or conditions of redemption for each class or series. No shares of our preferred stock are outstanding.

Power to Issue Additional Shares of Common Stock and Preferred Stock

We believe that the power to issue additional shares of our common stock or preferred stock and to classify or reclassify unissued shares of our common stock or preferred stock and to issue the classified or reclassified shares provides us with increased flexibility in structuring possible future financings and acquisitions and in meeting other needs which might arise. These actions can be taken without action by our stockholders, unless stockholder approval is required by applicable law or the rules of any stock exchange or automated quotation system on which our stock may be listed or traded. Although we have no present intention of doing so, we could issue a class or series of stock that could delay, defer or prevent a transaction or a change in control of our company that might involve a premium price for our common stock or that our common stockholders otherwise believe to be in their best interest. In addition, our issuance of additional shares of stock in the future could dilute the voting and other rights of your shares. See

Certain Provisions of Maryland Law and of Our Charter and Bylaws Anti-takeover Effect of Certain Provisions of Maryland Law and of Our Charter and Bylaws.

Meetings and Special Voting Requirements

An annual meeting of our stockholders will be held each year on the date and at the time and place set by our board of directors. Special meetings of stockholders may be called by our board of directors, the chairman of our board of directors, our president or our chief executive officer. Additionally, subject to the provisions of our bylaws, special meetings of the stockholders must be called by our secretary upon the written request of stockholders entitled to cast not less than a majority of the votes entitled to be cast at such meeting who have requested the special meeting in accordance with the procedures set forth in, and provided the information and certifications required by, our bylaws. The presence at a meeting, either in person or by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast at such meeting of stockholders will constitute a quorum. Generally, the affirmative vote of a majority of all votes cast is necessary to take stockholder action, except that a plurality of the votes cast at a meeting at which a quorum is present is sufficient to elect a director in a contested election and a majority of the votes entitled to be cast is required to approve certain extraordinary matters such as mergers, certain amendments to our charter or the sale of all or substantially all of our assets. Cumulative voting of shares is not permitted.

Restrictions on Ownership and Transfer

In order for us to qualify as a REIT under the Internal Revenue Code of 1986, as amended, or the Code, our stock must be beneficially owned by 100 or more persons during at least 335 days of a taxable year of 12 months or during a proportionate part of a shorter taxable year. Also, not more than 50% of the value of the outstanding shares of stock (taking into account certain options to acquire shares of stock) may be owned, directly or through certain constructive ownership rules by five or fewer individuals (as defined in the Code to include certain entities such as private foundations) at any time during the last half of a taxable year.

Our charter contains restrictions on the ownership and transfer of our stock that are intended to assist us in complying with these requirements and continuing to qualify as a REIT. The relevant sections of our charter provide that, subject to the exceptions described below, no person or entity may actually or beneficially own, or be deemed to own by virtue of the applicable constructive ownership provisions of the Code, more than 9.8% (in value or in number of shares, whichever is more restrictive) of the outstanding shares of our common stock or 9.8% in value of the aggregate of the outstanding shares of all classes and series of our stock, in each case excluding any shares of our stock that are not treated as outstanding for federal income tax purposes. We refer to each of these restrictions as an ownership limit and collectively as the ownership limits. A person or entity that would have acquired actual, beneficial or constructive ownership of our stock but for the application of the ownership limits or any of the other restrictions on ownership and transfer of our stock discussed below is referred to as a prohibited owner. For purposes of this provision, we will not include a group as that term is used for purposes of Rule 13d-5(b) or Section 13(d)(3) of the Exchange Act in the definition of person.

Table of Contents

The constructive ownership rules under the Code are complex and may cause stock owned actually or constructively by a group of related individuals and/or entities to be owned constructively by one individual or entity. As a result, the acquisition of less than 9.8% of our common stock (or the acquisition of an interest in an entity that owns, actually or constructively, our common stock) by an individual or entity could, nevertheless, cause that individual or entity, or another individual or entity, to own constructively in excess of 9.8% (in value or in number of shares, whichever is more restrictive) of the outstanding shares of our common stock and thereby violate the applicable ownership limit.

Our charter provides that our board of directors, subject to certain limits including the directors' duties under applicable law, may retroactively exempt and shall prospectively exempt a person from either or both of the ownership limits and, if necessary, establish a different limit on ownership for such person if it determines that such exemption could not cause or permit:

five or fewer individuals to actually or beneficially own more than 49% in value of the outstanding shares of all classes or series of our stock; or

us to own, actually or constructively, an interest in a tenant of ours (or a tenant of any entity owned in whole or in part by us).

As a condition of the exception, our board of directors may require an opinion of counsel or a ruling from the Internal Revenue Service, or the IRS, in either case in form and substance satisfactory to our board of directors, in its sole and absolute discretion, in order to determine or ensure our status as a REIT and such representations, covenants and/or undertakings as are necessary or prudent to make the determinations above. Notwithstanding the receipt of any ruling or opinion, our board of directors may impose such conditions or restrictions as it deems appropriate in connection with such an exception.

In connection with a waiver of an ownership limit or at any other time, our board of directors may, in its sole and absolute discretion, increase or decrease one or both of the ownership limits for one or more persons, except that a decreased ownership limit will not be effective for any person whose actual, beneficial or constructive ownership of our stock exceeds the decreased ownership limit at the time of the decrease until the person's actual, beneficial or constructive ownership of our stock equals or falls below the decreased ownership limit, although any further acquisition of our stock will violate the decreased ownership limit. Our board of directors may not increase or decrease any ownership limit if the new ownership limit would allow five or fewer persons to actually or beneficially own more than 49% in value of our outstanding stock or could cause us to be closely held under Section 856(h) of the Code (without regard to whether the ownership interest is held during the last half of a taxable year) or otherwise cause us to fail to qualify as a REIT.

Our charter further prohibits:

any person from actually, beneficially or constructively owning shares of our stock that could result in us being closely held under Section 856(h) of the Code (without regard to whether the ownership interest is held during the last half of a taxable year) or otherwise cause us to fail to qualify as a REIT (including, but not limited to, actual, beneficial or constructive ownership of shares of our stock that could result in us owning (actually or constructively) an interest in a tenant that is described in Section 856(d)(2)(B) of the Code if the income we derive from such tenant, taking into account our other income that would not qualify

under the gross income requirements of Section 856(c) of the Code, would cause us to fail to satisfy any the gross income requirements imposed on REITs); and

any person from transferring shares of our stock if such transfer would result in shares of our stock being beneficially owned by fewer than 100 persons (determined without reference to any rules of attribution). Any person who acquires or attempts or intends to acquire actual, beneficial or constructive ownership of shares of our stock that will or may violate the ownership limits or any of the other restrictions on ownership and transfer of our stock described above must give written notice immediately to us or, in the case of a proposed or attempted transaction, provide us at least 15 days prior written notice, and provide us with such other information as we may request in order to determine the effect of such transfer on our status as a REIT.

The ownership limits and other restrictions on ownership and transfer of our stock described above will not apply if our board of directors determines that it is no longer in our best interests to continue to qualify as a REIT or that compliance is no longer required in order for us to qualify as a REIT.

Pursuant to our charter, if any purported transfer of our stock or any other event would otherwise result in any person violating the ownership limits or such other limit established by our board of directors, or could result in us being closely held within the meaning of Section 856(h) of the Code (without regard to whether the ownership interest is held during the last half of a taxable year) or otherwise failing to qualify as a REIT, then the number of shares causing the violation (rounded up to the nearest whole share) will be automatically transferred to, and held by, a trust for the exclusive benefit of one or more charitable beneficiaries selected by us. The prohibited owner will have no rights in shares of our stock held by the trustee. The automatic transfer will be effective as of the close of business on the business day prior to the date of the violative transfer or other event that results in the transfer to the trust. Any dividend or other distribution paid to the prohibited owner, prior to our discovery that the shares had been automatically transferred to a trust as described above, must be repaid to the trustee upon demand. If the transfer to the trust as described above is not automatically effective, for any reason, to prevent violation of the applicable restriction on ownership and transfer of our stock, then the transfer of the number of shares that otherwise would cause any person to violate the above restrictions will be void and of no force or effect and the intended transferee will acquire no rights in the shares. Pursuant to our charter, if any transfer of our stock would result in shares of our stock being beneficially owned by fewer than 100 persons (determined without reference to any rules of attribution), then any such purported transfer will be void and of no force or effect and the intended transferee will acquire no rights in the shares.

Our charter provides that shares of our stock transferred to the trustee are deemed offered for sale to us, or our designee, at a price per share equal to the lesser of (1) the price per share in the transaction that resulted in the transfer of the shares to the trust (or, in the event of a gift, devise or other such transaction, the last sale price reported on the NYSE on the day of the transfer or other event that resulted in the transfer of such shares to the trust) and (2) the last sale price reported on the NYSE on the date we accept, or our designee accepts, such offer. We must reduce the amount payable to the prohibited owner by the amount of dividends and distributions paid to the prohibited owner and owed by the prohibited owner to the trustee and pay the amount of such reduction to the trustee for the benefit of the charitable beneficiary. We have the right to accept such offer until the trustee has sold the shares of our stock held in the trust. Upon a sale to us, the interest of the charitable beneficiary in the shares sold terminates and the trustee must distribute the net proceeds of the sale to the prohibited owner and any dividends or other distributions held by the trustee with respect to such stock will be paid to the charitable beneficiary.

If we do not buy the shares, the trustee must, within 20 days of receiving notice from us of the transfer of shares to the trust, sell the shares to a person or persons designated by the trustee who could own the shares without violating the ownership limits or other restrictions on ownership and transfer of our stock. Upon such sale, the trustee must distribute to the prohibited owner an amount equal to the lesser of (1) the price paid by the prohibited owner for the shares (or, if the prohibited owner did not give value in connection with the transfer or other event that resulted in the transfer to the trust (e.g., a gift, devise or other such transaction), the last sale price reported on the NYSE on the day of the transfer or other event that resulted in the transfer of such shares to the trust) and (2) the sales proceeds (net of commissions and other expenses of sale) received by the trustee for the shares. The trustee must reduce the amount payable to the prohibited owner by the amount of dividends and other distributions paid to the prohibited owner and owed by the prohibited owner to the trustee. Any net sales proceeds in excess of the amount payable to the prohibited owner will be immediately paid to the charitable beneficiary, together with any dividends or other distributions thereon. In addition, if prior to discovery by us that shares of our stock have been transferred to the trustee, such shares of stock are sold by a prohibited owner, then our charter provides that such shares shall be deemed to have been sold on behalf of the trust and, to the extent that the prohibited owner received an amount for or in respect of such shares that exceeds the amount that such prohibited owner was entitled to receive, such excess amount shall be paid to the trustee upon demand.

The trustee will be designated by us and will be unaffiliated with us and with any prohibited owner. Our charter provides that prior to the sale of any shares by the trust, the trustee will receive, in trust for the beneficiary, all

dividends and other distributions paid by us with respect to such shares, and may exercise all voting rights with respect to such shares for the exclusive benefit of the charitable beneficiary.

Subject to Maryland law, effective as of the date that the shares have been transferred to the trust, the trustee may, at the trustee's sole discretion:

rescind as void any vote cast by a prohibited owner prior to our discovery that the shares have been transferred to the trust; and

recast the vote in accordance with the desires of the trustee acting for the benefit of the beneficiary of the trust.

However, if we have already taken irreversible corporate action, then the trustee may not rescind and recast the vote.

If our board of directors determines in good faith that a proposed transfer or other event has taken place that violates the restrictions on ownership and transfer of our stock set forth in our charter, our board of directors may take such action as it deems advisable in its sole discretion to refuse to give effect to or to prevent such transfer, including, but not limited to, causing us to redeem shares of stock, refusing to give effect to the transfer on our books or instituting proceedings to enjoin the transfer.

Every owner of 5% or more (or such lower percentage as required by the Code or the Treasury Regulations promulgated thereunder) of the outstanding shares of our stock, within 30 days after the end of each taxable year, must give written notice to us stating the name and address of such owner, the number of shares of each class and series of our stock that the owner actually or beneficially owns and a description of the manner in which the shares are held. Each such owner also must provide us with any additional information that we request in order to determine the effect, if any, of the person's actual or beneficial ownership on our status as a REIT and to ensure compliance with the ownership limits and the other restrictions on ownership and transfer of our stock set forth in our charter. In addition, any person that is an actual, beneficial owner or constructive owner of shares of our stock and any person (including the stockholder of record) who is holding shares of our stock for an actual, beneficial owner or constructive owner must, on request, disclose to us in writing such information as we may request in good faith in order to determine our status as a REIT and comply with requirements of any taxing authority or governmental authority or to determine such compliance.

Any certificates representing shares of our stock will bear a legend referring to the restrictions on ownership and transfer of our stock described above.

These restrictions on ownership and transfer could delay, defer or prevent a transaction or a change of control of our company that might involve a premium price for our common stock that our stockholders believe to be in their best interest.
