Item 7.01. Regulation FD Disclosure.

SiteOne Landscape Supply, Inc. (the Company) announced today that it intends to amend its existing \$298.0 million term loan facility maturing on April 29, 2022 (the Term Loan Facility) in order to, among other things, (i) add an additional credit facility under the Term Loan Facility consisting of additional term loans (the Tranche D Term Loans) in an aggregate principal amount of up to \$298.0 million and (ii) increase the aggregate principal amount of Tranche D Term Loans under the Term Loan Facility by up to \$50.0 million. We expect that the effective interest rate applicable to the Tranche D Term Loans will be lower than the effective interest rate applicable to the term loans outstanding under the Term Loan Facility immediately prior to the amendment (the Existing Term Loans). Proceeds of the Tranche D Term Loans will be used to, among other things, repay in full the Existing Term Loans and repay a portion of the loans outstanding under the Company s \$325.0 million asset-based credit facility.

We anticipate the amendment to be completed in December 2017. The proposed amendment to the Term Loan Facility may be impacted by economic, market, industry, geopolitical and other conditions, most of which are beyond our control. There can be no assurance that we will be able to complete the proposed amendment on terms and conditions favorable to us or at all, and we may decide to terminate the proposed amendment before its completion.
