Underwriting Agreement

On February 1, 2018, Shell Midstream Partners, L.P. (the Partnership) entered into an Underwriting Agreement (the Underwriting Agreement), by and among the Partnership, its general partner Shell Midstream Partners GP LLC (collectively, the Partnership Parties) and Morgan Stanley & Co. LLC (the Underwriter), providing for the offer and sale by the Partnership (the Offering), and the purchase by the Underwriter, of 25,000,000 common units representing limited partner interests in the Partnership (Common Units) at a price to the Underwriter of \$26.96 per Common Unit. Pursuant to the Underwriting Agreement, the Partnership also granted the Underwriter an option for a period of 30 days to purchase up to an additional 3,750,000 Common Units on the same terms.

The Offering is registered under the Securities Act of 1933, as amended (the Securities Act), pursuant to a shelf registration statement on Form S-3 (File No. 333-207759) (the Registration Statement), which became effective automatically upon filing with the Securities and Exchange Commission on November 3, 2015. The Offering was made under the prospectus supplement dated February 1, 2018 (the Prospectus Supplement), and the accompanying prospectus, dated November 2, 2015, constituting a part of the Registration Statement.

The Underwriting Agreement contains customary representations, warranties and agreements of the parties, and customary conditions to closing, obligations of the parties and termination provisions. The Partnership Parties have agreed to indemnify the Underwriter against certain liabilities, including liabilities under the Securities Act, and to contribute to payments the Underwriter may be required to make in respect of those liabilities.

The Offering is expected to close on February 6, 2018, subject to customary closing conditions. The Partnership expects to receive proceeds (net of underwriting discounts and estimated offering expenses) from the Offering of approximately \$673.5 million. As described in the Prospectus Supplement, the Partnership intends to use the net proceeds from the Offering and from its general partner's proportionate capital contribution to repay existing borrowings under its credit facilities and for general partnership purposes.

As more fully described in the Prospectus Supplement, the Underwriter and its affiliates are full service institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, investment research, principal investment, hedging, financing and brokerage services. The Underwriter and certain of its affiliates have, from time to time, performed, and may in the future perform, various commercial and investment banking and financial advisory services for the Partnership and its affiliates, for which they received or may in the future receive customary fees and expenses. In connection with these services, the Underwriter or its affiliates have received or may receive customary fees and reimbursement of expenses.

The foregoing description of the Underwriting Agreement is not complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement, which is filed as Exhibit 1.1 to this Current Report on Form 8-K and incorporated into this Item 1.01 by reference. Legal opinions relating to the Common Units are included as Exhibits 5.1 and 8.1 to this Current Report.

The Holdings Private Placement is expected to close on February 6, 2018.

The foregoing description of the Common Unit Purchase Agreement is qualified in its entirety by reference to such Common Unit Purchase Agreement, a copy of which is filed with this Current Report on Form 8-K as Exhibit 10.1
