See Explanatory Note below. Pursuant to Rule 416 under the Securities Act of 1933, as amended (the Securities Act ), this Registration Statement also covers, in addition to the number shown in the table above, an indeterminate number of such additional Common Shares as may be issued or become issuable pursuant to the anti-dilution provisions of the Inducement Award Agreement.
- (2) Estimated solely for the purpose of calculating the amount of the registration fee pursuant to Rule 457(c) and (h)(1) under the Securities Act, based upon the average of the high and low prices of the Common Shares as reported by the New York Stock Exchange on February 20, 2018, a date within five business days prior to filing.

## EXPLANATORY NOTE

Pursuant to the Inducement Award Agreement, the Registrant plans to grant 108,945 restricted stock units, 192,049 stock options, and a maximum of 311,272 performance units to Mr. Schmid on February 21, 2018. This Registration Statement registers the Common Shares issuable upon vesting, settlement or exercise of such grants.

The foregoing grants are inducements material to Mr. Schmid's acceptance of employment as the Chief Executive Officer of the Registrant, and were approved by the Registrant's Board of Directors and the Compensation Committee thereof. Such grants are in reliance on New York Stock Exchange ( NYSE ) Listed Company Manual Rule 303A.08, which exempts certain inducement equity grants from the general requirement of the NYSE rules that equity-based compensation plans and arrangements be approved by stockholders.

Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

**Item 4. Description of Securities.**

Not applicable.

**Item 5. Interests of Named Experts and Counsel.**

The legality of the Common Shares being offered by this Registration Statement has been passed upon for the Registrant by Mr. Jonathan B. Leiken. Mr. Leiken is the Registrant's Senior Vice President, Chief Legal Officer and Secretary. Mr. Leiken participates in compensation plans of the Registrant. As of February 21, 2018, Mr. Leiken held 14,921 Common Shares and had outstanding awards under the Registrant's equity compensation plans with respect to a target number of 201,038 Common Shares.

**Item 6. Indemnification of Directors and Officers.**

The general effect of the Registrant's code of regulations is to provide for the indemnification of its directors, officers and employees to the full extent permitted by applicable law, except that such indemnity shall not extend to any matters as to which any director, officer or employee shall be finally adjudged, in any action, suit or proceeding, to be liable for negligence or misconduct in the performance of duties as such director or officer, nor to any settlement made without judgment, unless it be determined by the board of directors that he was not guilty of such negligence or misconduct.

Section 1701.13 of the Ohio Revised Code (the "ORC"), generally permits indemnification of any director, officer or employee with respect to any proceeding against any such person provided that: (a) such person acted in good faith, (b) such person reasonably believed that the conduct was in or not opposed to the best interests of the corporation, and (c) in the case of criminal proceedings, such person had no reasonable cause to believe that the conduct was unlawful. Indemnification may be made against expenses (including attorneys' fees), judgments, fines and settlements actually and reasonably incurred by such person in connection with the proceeding; provided, however, that if the proceeding is one by or in the right of the corporation, indemnification may be made only against reasonable expenses (including attorneys' fees) and may not be made with respect to any proceeding in which the director, officer or employee has been adjudged to be liable to the corporation, except to the extent that the court in which the proceeding was brought shall determine, upon application, that such person is, in view of all the circumstances, entitled to indemnity for such expenses as the court shall deem proper. The termination of any proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent does not, of itself, create a presumption that the director, officer or employee did not meet the standard of conduct required for indemnification to be permitted.

Section 1701.13 of the ORC further provides that indemnification thereunder may not be made by the corporation unless authorized after a determination has been made that such indemnification is proper, with that determination to

be made (a) by the board of directors by a majority vote of a quorum consisting of directors not parties to the proceedings; (b) if such a quorum is not obtainable, or, even if obtainable, but a quorum of disinterested directors so directs, by independent legal counsel in a written opinion; (c) by the shareholders; or (d) by the court in which the proceeding was brought.

Finally, Section 1701.13 of the ORC provides that indemnification or advancement of expense provided by that Section is not exclusive of any other rights to which those seeking indemnification may be entitled under the articles of incorporation or code of regulations or any agreement, vote of shareholders or disinterested directors or otherwise. The Registrant maintains insurance on behalf of any person who is or was a director or officer against any loss arising from any claim asserted against him in any such capacity, subject to certain exclusions. The Registrant also maintains fiduciary liability insurance on behalf of any person involved in the management or administration of any employee benefit plan maintained by the Registrant.

**Item 7. Exemption from Registration Claimed.**

Not applicable.

**Item 8. Exhibits.**

The Exhibits to this Registration Statement are listed in the accompanying Exhibit Index, which Exhibit Index is incorporated herein by this reference.

**Item 9. Undertakings.**

The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) (§230.424(b) of this chapter) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*Provided, however,* that paragraphs (1)(i) and (1)(ii) of this section do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
