**Item 1.01 Entry into a Material Definitive Agreement.**

On March 11, 2018, American Midstream Partners, LP (AMID) and Magnolia Infrastructure Holdings, LLC (Magnolia), an affiliate of AMID's sponsor, ArcLight Capital Partners, LLC (ArcLight), entered into a Capital Contribution Agreement (the Agreement) to provide overhead support in connection with temporary curtailment of production flows at the Delta House platform (Delta House).

In the fourth quarter of 2017, AMID was notified by the operator of the Delta House FPS that certain third party-owned upstream infrastructure would require remedial work, resulting in a temporary delay of production volumes flowing into Delta House. This remediation is scheduled to be completed later in the second quarter of 2018, at which time full production is anticipated to resume flowing into Delta House. This has resulted in a reduction in cash distributions from Delta House, including those attributable to AMID's 35.7% interest, during the pendency of the curtailment. Pursuant to the Agreement, Magnolia has agreed to provide quarterly capital contributions, commencing with the quarter ending March 31, 2018 and ending with respect to the quarter ending September 30, 2018, in an amount to be agreed, up to the difference between the amount of each quarterly cash distribution received by AMID on account of its interest in Delta House and the amount of the corresponding quarterly cash distribution expected to be received if production flows to Delta House had not been curtailed.

The description of the Agreement contained herein does not purport to be complete and is qualified in its entirety by reference to the full text of the Agreement, which is attached hereto as Exhibit 10.1, and is incorporated herein by reference.
