Section 1 Registrant's Business and Operations

Item 1.01. Entry into a Material Definitive Agreement.

Cimarex Purchase Agreement

On May 23, 2018, Callon Petroleum Operating Company (CPOC), a wholly owned subsidiary of Callon Petroleum Company (Callon or the Company), entered into a purchase and sale agreement (the Cimarex Purchase Agreement) with Cimarex Energy Co. and certain of its subsidiaries (collectively, the Seller) for the purchase of certain producing oil and gas properties and undeveloped acreage in the Delaware Basin (the Cimarex Acquisition) for total consideration of \$570 million in cash (the Consideration), subject to customary purchase price adjustments in accordance with the Cimarex Purchase Agreement. The agreed upon effective date of the transaction is April 1, 2018. In connection with the execution of the Cimarex Purchase Agreement, CPOC has agreed to pay a deposit in the amount of \$28.5 million (the Deposit) on the same day as the date of the Cimarex Purchase Agreement.

Consummation of the Cimarex Acquisition is subject to the completion of various customary conditions, including, among others (1) the accuracy of the representations and warranties of the parties as of the closing date, (2) the performance of various covenants and agreements of the parties through the closing date, (3) the execution of certain ancillary documents, and (4) limitation on the sum of all purchase price adjustments made pursuant to the Cimarex Purchase Agreement. The Cimarex Acquisition is expected to close on or before September 10, 2018.

The Cimarex Purchase Agreement contains certain termination rights for CPOC and the Seller, including if the closing has not occurred on or prior to September 30, 2018, through no fault of the terminating party.

If the Seller terminates the Cimarex Purchase Agreement because CPOC has failed to satisfy conditions to closing through no fault of the Seller and the conditions to closing of Seller have been satisfied or waived, Seller is entitled to retain the Deposit as liquidated damages as its sole remedy. If CPOC terminates the Cimarex Purchase Agreement because the Seller has failed to satisfy conditions to closing through no fault of CPOC and the conditions to closing of CPOC have been satisfied or waived, CPOC is entitled to the return of the Deposit and all other remedies available at law, including the enforcement of specific performance.

The foregoing description of the Cimarex Purchase Agreement is qualified in its entirety by reference to the text of the Cimarex Purchase Agreement, which is filed herewith as Exhibit 2.1 to this Report and is incorporated in this Report by reference.
