On October 31, 2018, Addus HomeCare Corporation (the Company) entered into an Amended and Restated Credit Agreement by and among Addus HealthCare, Inc. (Addus HealthCare), as borrower, the Company, the other Credit Parties party thereto, the Lenders and L/C Issuers party thereto, and Capital One, National Association, as administrative agent (the New Credit Agreement), which amended and restated the Company's existing credit agreement with certain lenders and Capital One, National Association as a lender and swing line lender and as agent for all lenders. This amended and restated credit facility totals \$269.6 million, inclusive of a \$250.0 million revolving loan and a \$19.6 million delayed draw term loan, and amends and restates the Company's previous senior secured credit facility totaling \$250.0 million. The maturity of this amended and restated credit facility is May 8, 2023, with borrowing under the delayed draw term loan available until January 31, 2019. Interest on the Company's amended and restated credit facility may be payable at (x) the sum of (i) an applicable margin ranging from 0.75% to 1.50% based on the applicable senior net leverage ratio plus (ii) a base rate equal to the greatest of (a) the rate of interest last quoted by The Wall Street Journal as the prime rate, (b) the sum of the federal funds rate plus a margin of 0.50% and (c) the sum of the adjusted LIBOR that would be applicable to a loan with an interest period of one month advanced on the applicable day (not to be less than 0.00%) plus a margin of 1.00% or (y) the sum of (i) an applicable margin ranging from 1.75% to 2.50% based on the applicable senior net leverage ratio plus (ii) the offered rate per annum for similar dollar deposits for the applicable interest period that appears on Reuters Screen LIBOR01 Page (not to be less than zero). Swing loans may not be LIBOR loans. The availability of additional draws under this amended and restated credit facility is conditioned, among other things, upon (after giving effect to such draws) the Total Net Leverage Ratio (as defined in the New Credit Agreement) not exceeding 3.75:1.00 (subject to certain adjustments).

Addus HealthCare is the borrower and the Company and substantially all of the Company's subsidiaries are guarantors under this amended and restated credit facility, and it is secured by a first priority security interest in all of the Company's and the other credit parties' current and future tangible and intangible assets, including the shares of stock of the borrower and subsidiaries. The New Credit Agreement contains affirmative and negative covenants customary for credit facilities of this type, including limitations on the Company with respect to liens, indebtedness, guaranties, investments, distributions, mergers and acquisitions and dispositions of assets. The New Credit Agreement contains customary events of default, including payment defaults, breaches of representations and warranties, covenant defaults, cross-defaults to other material indebtedness, certain events of bankruptcy and insolvency, material judgments, invalidity of loan documents, certain changes in control and material regulatory actions, which, if triggered, may result in acceleration of payment.

The Company pays a fee ranging from 0.20% to 0.35% based on the applicable senior net leverage ratio times the unused portion of the revolving portion of the amended and restated credit facility.

The New Credit Agreement also contains certain customary financial covenants and negative covenants that, among other things, include a requirement to maintain a minimum Interest Coverage Ratio (as defined in the New Credit Agreement), a requirement to stay below a maximum Total Net Leverage Ratio (as defined in the New Credit Agreement) and a requirement to stay below a maximum permitted amount of capital expenditures.
