Any such statement so modified or superseded shall not be deemed, except as so modified or amended, to constitute a part of this Registration Statement.

Item 4. Description of Securities.

The securities being registered represent obligations of the Company to pay deferred compensation in the future in accordance with the terms of each Plan. The Plans are intended to be unfunded arrangements for purposes of Title I of the Employee Retirement Income Security Act of 1974, as amended. The following description of the material terms of the Plans is qualified by reference to the Plans.

The Executive Plan provides certain executive officers and other key employees of the Company or certain of its affiliates the right to defer a percentage of their salary and/or bonus. The Director Plan provides non-employee directors the right to defer a percentage of their cash-based director fees and/or equity grants with respect to shares of Company common stock. The deferred equity grants will be subject to the same vesting and forfeiture restrictions as the related equity grant and will be payable in shares of Company common stock and cash for the value of any fractional shares.

The Company (or the applicable employer affiliate) may make a discretionary contribution on behalf of a participant in the Executive Plan. No discretionary contributions will be made on behalf of non-employee directors. The amounts deferred under the Plans represent an obligation of the Company to make payments to the participant at some time in the future, in an amount equal to: (1) compensation which the participants have elected to defer under the terms of the applicable Plan, (2) discretionary contributions in the case of the Executive Plan, to the extent vested, and (3) earnings on the foregoing amounts based on a notional investment measurement, all of which is reflected in the individual accounts maintained for each of the participants.

The amounts deferred (plus any discretionary contributions) under the Executive Plan and the amount of cash-based director fees deferred under the Director Plan will be indexed to one or more investment funds offered under the applicable plan. The investment funds selected by a participant will be used to measure the return on his or her plan accounts. The investment funds will be used only for the purpose of calculating hypothetical returns, and the amounts in participants' plan accounts will not actually be invested in the selected investment funds.

All participants are immediately vested in all elective deferrals made to their accounts, but Company discretionary contributions may be subject to vesting requirements.

The Deferred Compensation Obligations incurred by the Company under the Plans are unsecured general obligations of the Company (and the applicable employer affiliate), and will rank equally with other unsecured and unsubordinated indebtedness, from time to time outstanding, payable from the general assets of the Company. No assets will be placed in trust or otherwise segregated from the general assets of the Company for the payment of the Deferred Compensation Obligations.

The vested amounts payable to participants under the Plans are distributed in accordance with the distribution provisions of the Plans. A participant can elect to receive distributions either (1) upon a separation of service or (2) in an elected distribution year between two and twenty years after the end of the year for which compensation is being deferred (or upon separation of service, if earlier than the elected distribution year). Participants that elect to receive distribution upon separation of service may select to receive distribution in the form of a single lump sum payment or monthly installments over a period not to exceed fifteen years. Participants that elect to receive distribution in an elected distribution year will receive distribution in a single lump sum payment. Early limited distributions in a lump sum payment may also be made in connection with certain unforeseen emergencies. Amounts retained in the participant's account during such payout period continue to earn hypothetical gains and are subject to hypothetical losses.

A participant's rights to any amounts credited to his or her accounts may not be anticipated, alienated, sold, transferred, assigned, pledged, encumbered, charged or otherwise disposed of by the participant and may only pass upon the participant's death pursuant to a beneficiary designation made by a participant in accordance with the terms of the

applicable Plan. The Deferred Compensation Obligations are not convertible into any other security of the Company and there is no trading market for the obligations.

Each of the Plans is administered by a Plan Committee which must consist of at least three persons appointed by the Compensation and Management Development Committee of the board of directors of the Company. The Company has reserved the right to take action under the Plans, including modifying or amending the Plans at any time. Additionally, the Company has reserved the right to terminate the Plans at any time provided that such termination complies with the requirements of Section 409A of the Internal Revenue Code of 1986, as amended, and does not have any retroactive effect to reduce any amounts allocated to a participant's account. Any such action may adversely affect the rights of a participant without his or her consent.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Company is incorporated under the laws of Delaware.

Section 145 of the Delaware General Corporation Law (the "DGCL") permits each corporation organized thereunder the power to indemnify any person who is or was a director, officer, employee or agent of a corporation or enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the corporation, by reason of being or having been in any such capacity, if he acted in good faith in a manner reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful.

Section 102(b)(7) of the DGCL enables a corporation in its certificate of incorporation or an amendment thereto to eliminate or limit the personal liability of a director to the corporation or its stockholders of monetary damages for violations of the director's fiduciary duty of care, except (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions) or (iv) for any transaction from which a director derived an improper personal benefit.

The certificate of incorporation of the Company provides that the Company indemnify to the fullest extent of the law every director and officer against expenses incurred by him if he acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interest of the corporation.

In addition, certain directors and executive officers of the Company have entered into separate contractual indemnity arrangements with the Company. These arrangements provide for indemnification and the advancement of expenses to these directors and executive officers in circumstances and subject to limitations substantially similar to those described above.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made pursuant to this Registration Statement, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which is registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described under Item 6 Indemnification of Directors and Officers, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
