**PART II RULE 12b-25(b) AND (c)**

If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check box if appropriate)

- (a) The reasons described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense;
- (b) The subject annual report, semi-annual report, transition report on Form 10-K, Form 20-F, Form 11-K, Form N-SAR or Form N-CSR, or portion thereof, will be filed on or before the fifteenth calendar day following the prescribed due date; or the subject quarterly report or transition report on Form 10-Q or subject distribution report on Form 10-D, or portion thereof, will be filed on or before the fifth calendar day following the prescribed due date; and
- (c) The accountant's statement or other exhibit required by Rule 12b-25(c) has been attached if applicable.

**PART III NARRATIVE**

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR or the transition report or portion thereof, could not be filed within the prescribed time period.

During the year-end closing process and the alignment of accounting policies for the newly consolidated business that resulted from the Registrant's October 1, 2018 acquisition of Federal-Mogul LLC, an error was identified in the capitalization of expenditures within inventory in previously issued financial statements. While the Registrant currently expects that the identified error is not material to earnings or cash flows in any reporting period, the cumulative effect will require the Registrant to revise its previously issued financial statements. In this respect, the Registrant is taking more time to complete its first consolidated year-end financial statements, including its assessment of internal control over financial reporting, and is not able to complete its year-end financial statements within the prescribed time period without unreasonable effort or expense. In accordance with Rule 12b-25 of the Securities Exchange Act of 1934, the Registrant will file its Form 10-K no later than the fifteenth calendar day following the prescribed due date.

If the answer is no, identify report(s).      Yes      No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?      Yes      No

If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Unrelated to the item described in Part III of this form above, the Registrant's results of operations for the fourth quarter and full year-ended December 31, 2018 will be significantly different than its results of operations from the corresponding period in the prior fiscal year due to the acquisition of Federal-Mogul LLC. The results for the fiscal year 2018 of the consolidated company include the results of operations of Federal-Mogul LLC from October 1, 2018, the closing date of the acquisition.
