By submitting your proxy promptly, either by mail, telephone or the internet, you can help the Company avoid the expense of follow-up mailings to ensure the presence of a quorum at the Annual Meeting. THE ENCLOSED PROXY IS BEING SOLICITED BY THE BOARD OF THE COMPANY. THE BOARD RECOMMENDS THAT YOU VOTE IN FAVOR OF THE PROPOSED ITEMS.

**PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 13, 2005**

This Proxy Statement is being furnished to stockholders in connection with the solicitation of proxies by, and on behalf of, the Board of Directors (the Board) of MFA Mortgage Investments, Inc., a Maryland corporation (the Company), for use at the Company's 2005 Annual Meeting of Stockholders (the Annual Meeting) to be held at the Regency Hotel, 540 Park Avenue, New York, New York, on May 13, 2005, at 10:00 a.m., New York City time, or at any postponements or adjournments thereof.

Stockholders are requested to complete, date and sign the enclosed proxy card and return it in the postage-prepaid envelope provided. Alternatively, stockholders may vote their shares of the Company's common stock, par value \$0.01 per share (the Common Stock), by proxy at the Annual Meeting by using the toll-free telephone number or the internet voting website provided for this purpose. Specific voting instructions regarding the telephone and internet voting options are included on the enclosed proxy card. Stockholders who vote by telephone or via the internet do not need to also return a proxy card.

Valid proxies will be voted as specified thereon at the Annual Meeting. Any stockholder submitting a proxy retains the power to revoke such proxy at any time prior to its exercise by (i) delivering prior to the Annual Meeting a written notice of revocation to Timothy W. Korth, General Counsel, Senior Vice President Business Development and Secretary, at MFA Mortgage Investments, Inc., 350 Park Avenue, 28th Floor, New York, New York 10022, (ii) submitting a later dated proxy or (iii) voting in person at the Annual Meeting. Attending the Annual Meeting will not automatically revoke a stockholder's proxy unless such stockholder votes in person at the Annual Meeting. If a proxy is properly completed, submitted without specifying any instructions thereon and not revoked prior to the Annual Meeting, the shares of Common Stock represented by such proxy will be voted FOR the election of the Directors to serve on the Board until the 2008 Annual Meeting of Stockholders and FOR the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for 2005.

This Proxy Statement, the Notice of Annual Meeting of Stockholders and the related proxy card are first being sent to stockholders on or about April 14, 2005.

ANNUAL REPORT

This Proxy Statement is accompanied by the Company's Annual Report to Stockholders for the year ended December 31, 2004, including financial statements audited by Ernst & Young LLP, the Company's independent registered public accounting firm, and their report thereon, dated February 9, 2005.

VOTING SECURITIES AND RECORD DATE

Stockholders will be entitled to one vote for each share of Common Stock held of record at the close of business on March 31, 2005 (the Record Date) with respect to (i) the election of the two Directors to serve on the Board until the 2008 Annual Meeting of Stockholders, (ii) the ratification and appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for 2005 and (iii) any other proposal for stockholder action that may properly come before the Annual Meeting or any postponements or adjournment thereof. Abstentions and broker non-votes are each included in the determination of the number of shares present and voting for the purposes of determining whether a quorum is present at the Annual Meeting and each is tabulated separately. A broker non-vote occurs when a nominee holding shares for a beneficial owner (i.e., a broker) does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular matter and has not received instructions from the beneficial owner. A broker non-vote does not count as a vote in favor of or against a particular proposal for which the broker has no discretionary voting authority. The election of directors and the ratification of the appointment of the Company's independent registered public accounting firm are proposals for which brokers do have discretionary voting authority. In addition, the shares of

Common Stock represented by valid proxies that abstain with respect to any matter will not be counted as an affirmative vote in determining whether the requisite vote of the shares was cast in favor of that matter.

The disposition of business scheduled to come before the Annual Meeting, assuming a quorum is present, will require the following affirmative votes: (i) for the election of Directors, a plurality of the votes cast at the Annual Meeting and (ii) for the ratification of the appointment of the Company's independent registered public accounting firm, a majority of the shares of Common Stock, represented in person or by proxy at the Annual Meeting and entitled to vote therein.

As of the Record Date, the Company had issued and outstanding 82,385,443 shares of Common Stock.

1. ELECTION OF DIRECTORS

One class of Directors is elected at each annual meeting of the Company's stockholders for a term of three years. Each Director holds office until his successor has been duly elected and qualified or the Director's earlier resignation, death or removal. The term of the Board's Class I Directors expires at the Annual Meeting. 2. RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board has appointed Ernst & Young LLP as the Company 's independent registered public accounting firm for the fiscal year ending December 31, 2005. Ernst & Young LLP has audited the Company 's financial statements since the 2003 fiscal year. The Board is requesting that the Company 's stockholders ratify this appointment of Ernst & Young LLP.

Neither the Company 's Bylaws nor other governing documents or law require stockholder ratification of the Audit Committee 's appointment of Ernst & Young LLP as the Company 's independent registered public accounting firm. However, the Board is submitting the appointment of Ernst & Young LLP to the stockholders for ratification as a matter of good corporate practice. In the event that ratification of this appointment of the independent registered public accounting firm is not approved at the Annual Meeting, the Audit Committee will review its future selection of the independent registered public accounting firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

On March 13, 2003, the Company terminated its relationship with PricewaterhouseCoopers LLP, its former independent registered public accounting firm, and retained Ernst & Young LLP as its independent registered public accounting firm. PricewaterhouseCoopers LLP and its predecessor, Coopers & Lybrand L.L.P., had served as the Company 's independent registered public accounting firm since the Company was formed in 1997. The Board and the Audit Committee approved the Company 's change in the independent registered public accounting firm.

The audit reports of PricewaterhouseCoopers LLP on the financial statements of the Company as of and for the fiscal years ended December 31, 2002 and 2001 did not contain an adverse opinion or disclaimer of opinion and were not

qualified or modified as to uncertainty, audit scope or accounting principles. In connection with the audits of the Company's financial statements for the fiscal years ended December 31, 2002 and 2001 and through March 13, 2003, there were no disagreements between the Company and PricewaterhouseCoopers LLP on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedures which, if not resolved to PricewaterhouseCoopers LLP's satisfaction, would have caused them to make reference thereto in their reports on the financial statements for such years. During the years ended December 31, 2002 and 2001 and through March 13, 2003, there were no reportable events as described under Item 304(a)(1)(v) of Regulation S-K promulgated under the Securities Act of 1933, as amended (the "Securities Act").

The Company provided PricewaterhouseCoopers LLP with a copy of the foregoing paragraph prior to filing its Current Report on Form 8-K containing such disclosure with the Securities and Exchange Commission ("SEC") and requested that PricewaterhouseCoopers LLP furnish the Company with a letter addressed to the SEC stating whether or not it agreed with the above statements. A copy of PricewaterhouseCoopers LLP's letter to the SEC expressing its agreement with the above statements, dated March 19, 2003, was filed as Exhibit 16.1 to the Company's Current Report on Form 8-K, dated March 19, 2003.

The audit reports of Ernst & Young LLP on the financial statements of the Company as of and for the fiscal years ended December 31, 2004 and 2003 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and will be provided with an opportunity to make a statement if so desired and to respond to appropriate inquiries from stockholders.

The following table summarizes the aggregate fees (including related expenses) billed to the Company for professional services provided by Ernst & Young LLP for the fiscal years ended December 31, 2004 and 2003.

Audit Fees for 2004 also include the audit of management's report on the effectiveness of the Company's internal control over financial reporting, as required by Section 404 of the Sarbanes-Oxley Act of 2002.
- (2) There were no Audit-Related Fees incurred in 2004 or 2003.
- (3) Tax Fees include tax compliance, tax planning, tax advice and related tax services.

All audit, tax and other services provided to the Company were reviewed and pre-approved by the Audit Committee, which concluded that the provision of such services by Ernst & Young LLP was compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

The Board recommends a vote FOR the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for 2005. Proxies submitted by stockholders will be voted FOR this ratification unless otherwise instructed.

**BOARD, COMMITTEE MEETINGS, AUDIT
COMMITTEE REPORT AND COMPENSATION OF DIRECTORS**

Board and Committees of the Board

The Board conducts its business through meetings and actions taken by written consent in lieu of meetings. During the year ended December 31, 2004, the Board held ten meetings and acted four times by written consent in lieu of a meeting. Each of the Company's Directors attended at least 75% of the meetings of the Board and of the Board's committees on which they served during 2004. All Directors then serving on the Board attended the Company's 2004 Annual Meeting of Stockholders. The Board's policy, as set forth in the Company's Corporate Governance Guidelines (the Guidelines), is to encourage and promote the attendance by each Director at all meetings of the Company's stockholders.

The Board has four standing committees: the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee and the Investment Committee.

Audit Committee. Stephen R. Blank (Chairman), Edison C. Buchanan and Michael L. Dahir are currently the members of the Audit Committee. The Board has determined that all of the members of the Audit Committee are independent as required by the New York Stock Exchange (NYSE) listing standards, SEC rules governing the qualifications of audit committee members, the Guidelines, the Independence Standards (as defined below) and the written charter of the Audit Committee. The Board has also determined that Messrs. Blank and Dahir qualify as audit committee financial experts for purposes of, and as defined by, SEC rules (see Election of Directors in this Proxy Statement for a description of their relevant business experience) and have accounting or related financial management expertise as required by NYSE listing standards. The Audit Committee, which met nine times during 2004, is responsible for, among other things, engaging the Company's independent registered public accounting firm, reviewing with the independent registered public accounting firm the plans and results of their audit engagement, approving professional services to be provided by the independent registered public accounting firm, reviewing the independence of the auditors, considering the range of audit and non-audit fees, reviewing the adequacy of the Company's internal controls, accounting and reporting practices and assessing the quality and integrity of the Company's consolidated financial statements. In accordance with its written charter, the Audit Committee has a policy requiring that the terms of all auditing and non-auditing services to be provided by the Company's independent registered public accounting firm be pre-approved by the Audit Committee, and the Audit Committee reviews and evaluates the scope of all non-auditing services to be provided by the Company's independent registered public accounting firm in order to confirm that such services are permitted by the rules and/or regulations of the NYSE, the SEC, the Financial Accounting Standards Board or other similar governing bodies. The specific responsibilities of the Audit Committee are set forth in its written charter, which is available for viewing on the Company's website at www.mfa-reit.com.

Compensation Committee. James A. Brodsky (Chairman), Stephen R. Blank and Edison C. Buchanan are currently the members of the Compensation Committee. The Board has determined that all of the members of the Compensation Committee are independent as required by NYSE listing standards, the Guidelines, the Independence Standards and the written charter of the Compensation Committee. The Compensation Committee, which met five times during 2004, is responsible for, among other things, overseeing the approval, administration and evaluation of the Company's compensation plans, policies and programs and reviewing the compensation of the Company's Directors and executive officers. The specific responsibilities of the Compensation Committee are set forth in its written charter, which is available for viewing on the Company's website at www.mfa-reit.com.

Nominating and Corporate Governance Committee. Michael L. Dahir (Chairman), James A. Brodsky and Edison C. Buchanan are currently the members of the Nominating and Corporate Governance Committee. The Board has determined that all of the members of the Nominating and Corporate Governance Committee are independent as required by NYSE listing standards, the Guidelines, the Independence Standards and the written charter of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee, which met three times during 2004, is responsible for, among other things, assisting the Board in identifying individuals qualified to become Board members, recommending to the Board the director nominees to be elected at each annual meeting of the Company's stockholders, recommending to the Board the director nominees to serve on each of the Board's committees, developing and recommending to the Board the corporate governance principles and guidelines applicable to the Company and directing the Board in an annual review of its performance. The specific responsibilities of the Nominating and Corporate

Governance Committee are set forth in its written charter, which is available for viewing on the Company's website at www.mfa-reit.com.

Investment Committee. Stewart Zimmerman (Chairman), Michael L. Dahir and Alan Gosule are currently the members of the Investment Committee. The Investment Committee, which met once in 2004, is responsible for, among other things, overseeing the Company's compliance with its investment strategy and other financial operating policies.

Report of the Audit Committee

The Audit Committee of the Board has furnished the following report for the 2004 fiscal year.

The Audit Committee is responsible for monitoring the integrity of the Company's consolidated financial statements, the Company's system of internal controls, the Company's risk management, the qualifications and independence of the Company's independent registered public accounting firm, the performance of the Company's independent registered public accounting firm and the Company's compliance with legal and regulatory requirements. The Audit Committee has the sole authority and responsibility to select, determine the compensation of, evaluate and, when appropriate, replace the Company's independent registered public accounting firm. The Audit Committee operates under a written charter adopted by the Board.

Management is responsible for the financial reporting process, including the system of internal controls, for the preparation of consolidated financial statements in accordance with generally accepted accounting principles and for the report on the Company's internal control over financial reporting. The Company's independent registered public accounting firm is responsible for performing an independent audit of the Company's annual consolidated financial statements and expressing an opinion as to their conformity with generally accepted accounting principles and for attesting to management's report on the Company's internal control over financial reporting. The Audit Committee's responsibility is to oversee and review the financial reporting process and to review and discuss management's report on the Company's internal control over financial reporting. The Audit Committee is not, however, professionally engaged in the practice of accounting or auditing and does not provide any expert or other special assurance as to such financial statements concerning compliance with laws, regulations or generally accepted accounting principles or as to auditor independence. The Audit Committee relies, without independent verification, on the information provided to it and on the representations made by the Company's management and the independent registered public accounting firm.

The Audit Committee held nine meetings during 2004. The meetings were designed, among other things, to facilitate and encourage communication among the Audit Committee, management and the Company's independent registered public accounting firm, Ernst & Young LLP.

The Audit Committee reviewed and discussed the Company's progress on complying with Section 404 of the Sarbanes-Oxley Act of 2002, including the Public Company Accounting Oversight Board's (PCAOB) Auditing Standard No. 2 regarding the audit of internal control over financial reporting. The Audit Committee discussed with Ernst & Young LLP and the Company's internal auditors, Grant Thornton LLP, the overall scope and plans for their respective audits. The Audit Committee met with Ernst & Young LLP and Grant Thornton LLP, with and without management present, to discuss the results of their examinations and their evaluations of the Company's internal controls.

The Audit Committee reviewed and discussed the audited consolidated financial statements for the fiscal year ended December 31, 2004 with management and Ernst & Young LLP. The Audit Committee also reviewed and discussed with management, Ernst & Young LLP and Grant Thornton LLP management's annual report on the Company's internal control over financial reporting and the attestation report prepared by Ernst & Young LLP. The Audit Committee also discussed with management and Ernst & Young LLP the process used to support certifications by the Company's Chief Executive Officer and Chief Financial Officer that are required by the SEC and the Sarbanes-Oxley Act of 2002 to accompany the Company's periodic filings with the SEC and the processes used to support management's annual report on the Company's internal control over financial reporting. As a result of these discussions, the Audit Committee believes that the Company maintains an effective system of accounting controls that allows it to prepare financial statements that fairly present the Company's financial position and results of its operations. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles.

The Audit Committee discussed with Ernst & Young LLP matters that independent accounting firms must discuss with audit committees under generally accepted auditing standards and standards of the PCAOB, including, among other

things, matters related to the conduct of the audit of the Company's consolidated financial statements and the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees), which included a discussion of Ernst & Young LLP's judgments about the quality (not just the acceptability) of the Company's accounting principles as applied to financial reporting.

Ernst & Young LLP also provided to the Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and represented that it is independent from the Company. The Audit Committee discussed with Ernst & Young LLP their independence from the Company. When considering the independence of Ernst & Young LLP, the Audit Committee considered if services they provided to the Company beyond those rendered in connection with their audit of the Company's consolidated financial statements, reviews of the Company's interim condensed consolidated financial statements included in its Quarterly Reports on Form 10-Q and the attestation of management's report on internal control over financial reporting were compatible with maintaining their independence. The Audit Committee also reviewed, among other things, the tax services performed by, and the amount of fees paid for such services to, Ernst & Young LLP. The Audit Committee received regular updates on the amount of fees and scope of audit and tax services provided.

Based on the Audit Committee's review and these meetings, discussions and reports, and subject to the limitations on the Audit Committee's role and responsibilities referred to above and in its written charter, the Audit Committee recommended to the Board that the Company's audited consolidated financial statements for the fiscal year ended December 31, 2004 be included in the Company's Annual Report on Form 10-K filed with the SEC. The Audit Committee has also appointed Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ended December 31, 2005 and is presenting the selection to the Company's stockholders for ratification.

Respectfully submitted,

Stephen R. Blank, Chairman
Edison C. Buchanan
Michael L. Dahir

GOVERNANCE OF THE COMPANY

Role of the Board

Pursuant to the Company's Charter and Bylaws and the Maryland General Corporation Law, the business, assets and affairs of the Company are managed by the Company's Chief Executive Officer and other executive officers under the direction and oversight of the Board. The Board has the responsibility for establishing broad corporate policies and for the overall performance and direction of the Company, but is not involved in its day-to-day operations. Members of the Board keep informed of the Company's business by participating in meetings of the Board and its committees, by reviewing analyses, reports and other materials provided to them and through discussions with the Company's Chief Executive Officer and other executive officers.

Corporate Governance Guidelines

The Board has adopted Corporate Governance Guidelines that address significant issues of corporate governance and set forth procedures by which the Board carries out its responsibilities. Among the areas addressed by the Guidelines are Board composition, Board functions and responsibilities, Board committees, Director qualification standards, access to management and independent advisors, Director compensation, management succession, Director orientation and continuing education and Board and committee performance evaluations. The Board's Nominating and Corporate Governance Committee is responsible for assessing and periodically reviewing the adequacy of the Guidelines and will recommend, as appropriate, proposed changes to the Board. The Guidelines are available for viewing on the Company's website at www.mfa-reit.com. The Company will also provide the Guidelines, free of charge, to stockholders who request them. Requests should be directed to Timothy W. Korth, General Counsel, Senior Vice President - Business Development and Secretary, at MFA Mortgage Investments, Inc., 350 Park Avenue, 21st floor, New York, New York 10022.

Director Independence

The Guidelines provide that a majority of the Directors serving on the Board must be independent as required by NYSE listing standards. In addition, as permitted under the Guidelines, the Board has also adopted certain additional categorical standards (the Independence Standards) to assist it in making determinations with respect to the independence of Directors. Based upon its review of all relevant facts and circumstances, the Board has affirmatively determined that four of the Company's seven current Directors, Stephen R. Blank, James A. Brodsky, Edison C. Buchanan and Michael L. Dahir, qualify as independent Directors under NYSE listing standards and the Independence Standards. The Independence Standards are attached hereto as [Appendix A](#) and are available for viewing on the Company's website at www.mfa-reit.com.

Code of Business Conduct and Ethics

The Board has adopted a Code of Business Conduct and Ethics (the Code of Conduct) that applies to the Company's Directors, executive officers and employees. The Code of Conduct was designed to assist Directors, executive officers and employees in complying with the law, in resolving moral and ethical issues that may arise and in complying with the Company's policies and procedures. Among the areas addressed by the Code of Conduct are compliance with applicable laws, conflicts of interest, use and protection of the Company's assets, confidentiality, communications with the public, internal accounting controls, improper influence of audits, records retention, fair dealing, discrimination and harassment, and health and safety. The Board's Nominating and Corporate Governance Committee is responsible for assessing and periodically reviewing the adequacy of the Code of Conduct and will recommend, as appropriate, proposed changes to the Board. The Code of Conduct is available for viewing on the Company's website at www.mfa-reit.com. The Company will also provide the Code of Conduct, free of charge, to stockholders who request it. Requests should be directed to Timothy W. Korth, General Counsel, Senior Vice President - Business Development and Secretary, at MFA Mortgage Investments, Inc., 350 Park Avenue, 21st floor, New York, New York 10022.

Communications with the Board

The Board has established a process by which stockholders and/or other interested parties may communicate in writing with the Company's Directors, a committee of the Board, the Board's nonemployee Directors as a group or the Board generally. Any such communications may be sent to the Board by U.S. mail or overnight delivery and should be directed to Timothy W. Korth, General Counsel, Senior Vice President - Business Development and Secretary, at MFA Mortgage Investments, Inc., 350 Park Avenue, 21st Floor, New York, New York 10022, who will forward them to the intended recipient(s). Any such communications may be made anonymously. Unsolicited advertisements, invitations to conferences or promotional materials, in the discretion of the Secretary, are not required, however, to be forwarded to the Directors. The Board has approved this communication process.

Identification of Director Candidates

In accordance with the Guidelines and its written charter, the Nominating and Corporate Governance Committee is responsible for identifying and evaluating Director candidates for the Board and for recommending Director candidates to the Board for consideration as nominees to stand for election at the Company's annual meetings of stockholders.

The Company seeks highly qualified Director candidates from diverse business, professional and educational backgrounds who combine a broad spectrum of experience and expertise with a reputation for the highest personal and professional ethics, integrity and values. Director candidates should have experience in positions with a high degree of responsibility and be leaders in the companies or institutions with which they are affiliated. The Nominating and Corporate Governance Committee reviews Director candidates with the objective of assembling a slate of Directors that can best fulfill and promote the Company's goals, regardless of gender or race, and recommends Director candidates based upon contributions they can make to the Board and management and their ability to represent the long-term interests of the Company and its stockholders.

Stockholders of record of the Company who comply with the notice procedures outlined under "Submission of Stockholder Proposals" in this Proxy Statement may recommend Director candidates for evaluation and consideration by the Nominating and Corporate Governance Committee. Stockholders may make recommendations at any time, but recommendations of Director candidates for consideration as Director nominees at the Company's annual meeting of stockholders must be received not less than 120 days before the first anniversary of the date on which the proxy statement was released to stockholders in connection with the previous year's annual meeting of stockholders. Therefore, to submit a Director candidate for consideration for nomination at the Company's 2006 Annual Meeting of Stockholders, stockholders must submit the recommendation, in writing, by no later than December 15, 2005. The written notice must demonstrate that it is being submitted by a stockholder of record of the Company and include information about each proposed Director candidate, including name, age, business address, principal occupation, principal qualifications and other relevant biographical information. In addition, the stockholder must provide confirmation of each Director candidate's consent to serve as a Director and contact information for each Director candidate so that his or her interest can be verified and, if necessary, to gather further information.

The Nominating and Corporate Governance Committee accepts stockholder recommendations of Director candidates and applies the same standards in considering Director candidates submitted by stockholders as it does in evaluating Director candidates submitted by members of the Board. Upon determining the need for additional or replacement Board members, the Nominating and Corporate Governance Committee identifies Director candidates and evaluates such Director candidates under established criteria based upon information it receives in connection with the recommendation or otherwise possesses, which may be supplemented by certain inquiries. If the Nominating and Corporate Governance Committee determines, in consultation with other Directors, including the Chairman of the Board, that a more comprehensive evaluation is warranted, the Nominating and Corporate Governance Committee may then obtain additional information about the Director candidate's background and experience, including by means of interviews. The Nominating and Corporate Governance Committee will then evaluate the Director candidate further, again using the established evaluation criteria. The Nominating and Corporate Governance Committee receives input on such Director candidates from other Directors, including the Chairman of the Board, and recommends Director candidates to the full Board for nomination. The Nominating and Corporate Governance Committee may, in its sole discretion, engage one or more search firms and/or other consultants, experts or professionals to assist in, among other things, identifying Director candidates or gathering information regarding the background and experience of Director candidates. If the Nominating and Corporate Governance Committee engages any such third party, the Nominating and Corporate Governance Committee will have sole authority to approve any fees or terms of retention relating to these services.

Executive Sessions of Nonemployee Directors

In accordance with the Guidelines, the nonemployee Directors serving on the Board meet in executive session at least four times per year at regularly scheduled meetings of the Board. The executive sessions of the Board are presided over by Alan L. Gosule.

- (1) Options have a ten-year term and vest in four equal annual installments beginning on the date of grant. As described in the Company's 2004 Equity Compensation Plan, vesting will be accelerated upon the occurrence of a change in control.
- (2) The Black-Scholes option pricing model was chosen to estimate the grant date present value of the Options set forth in this table. The use of this model should not be construed as an endorsement of its accuracy at valuing Options. All stock option valuation models, including the Black-Scholes model, require a prediction about the future movement of the stock price. The real value of the Options in this table depends upon the actual changes in the market price of the Common Stock during the applicable period. The model assumes: (a) an Option term of seven years on average, which represents anticipated exercise trends for the Named Executive Officers; (b) an average risk-free interest rate of 3.77%; (c) an average volatility of approximately 34.5% calculated using average weekly stock prices for the five years prior to the grant date; and (d) a dividend yield of 0% (as DERs were attached to the Option grant).

- (3) In accordance with the rules of the SEC, values are calculated by subtracting the exercise price of an Option from the fair market value of the underlying Common Stock. At December 31, 2004, the exercise prices of all outstanding Options ranged from \$4.875 to \$10.25.

Edgar Filing: MFA MORTGAGE INVESTMENTS - Form DEF 14A

For purposes of this table, the fair market value of the Common Stock is deemed to be \$8.82, the closing price of the Common Stock reported on the NYSE on December 31, 2004.

Total	1,087,000	\$ 9.34	2,413,000

(1) The Company has not adopted any equity compensation plans as defined in the applicable SEC rules which have not been approved by its stockholders.

Long-Term Incentive Plans and Other Matters

2004 Equity Compensation Plan. During the second quarter of 2004, the Company adopted the 2004 Equity Compensation Plan, as approved by the Company's stockholders, which amended and restated the Company's Second Amended and Restated 1997 Stock Option Plan. In accordance with the terms of the 2004 Equity Compensation Plan, Directors, officers and employees of the Company and any of its subsidiaries and other persons expected to provide significant services (of a type expressly approved by the Compensation Committee of the Board as covered services for these purposes) to the Company and any of its subsidiaries are eligible to be granted Options, restricted stock, phantom shares, DERs and other stock-based awards under the 2004 Equity Compensation Plan.

In general, subject to certain exceptions, stock-based awards relating to a maximum of 3,500,000 shares of Common Stock may be granted under the 2004 Equity Compensation Plan; forfeitures and/or awards that expire unexercised do not count towards such limit. Subject to certain exceptions, a participant may not receive stock-based awards relating to greater than 500,000 shares of Common Stock in any one year and no award may be granted to any person who, assuming exercise of all Options and payment of all awards held by such person, would own or be deemed to own more than 9.8% of the outstanding shares of the Company's capital stock. Unless previously terminated by the Board, awards may be granted under the 2004 Equity Compensation Plan until the tenth anniversary of the date that the Company's stockholders approved such plan.

A DER is a right to receive, as specified by the Compensation Committee at the time of grant, a distribution equal to the cash dividend distributions paid on a share of Common Stock. DERs may be granted separately or together with other awards and are paid in cash or other consideration at such times and in accordance with such rules as the Compensation Committee shall determine in its discretion.

Pursuant to Section 422 of the Internal Revenue Code of 1986, as amended (the Code), in order for Options granted under the 2004 Equity Compensation Plan and vesting in any one calendar year to qualify as incentive stock options (ISOs) for tax purposes, the market value of the Common Stock, as determined on the date of grant, to be received upon exercise of such Options shall not exceed \$100,000 during any such calendar year. The exercise price of an ISO may not be lower than 100% (110% in the case of an ISO granted to a 10% stockholder) of the fair market value of the Common Stock on the date of grant. In addition, the exercise price for all other Options issued under the 2004 Equity Compensation Plan may not be less than the fair market value on the date of grant. Each Option is exercisable after the period or periods specified in the award agreement, which will generally not exceed ten years from the date of grant. Options will be exercisable at such times and subject to such terms as determined by the Compensation Committee.

As of March 31, 2005, under the Company's 2004 Equity Compensation Plan, there were outstanding (i) Options to acquire (a) a total of 100,000 shares of Common Stock at a purchase price of \$4.875 per share, (b) a total of 330,000 shares of Common Stock at a purchase price of \$9.375 per share, (c) a total of 452,000 shares of Common Stock at a purchase price of \$10.25 per share, (d) a total of 50,000 shares of Common Stock at a purchase price of \$10.23 per share and (e) a total of 30,000 shares of Common Stock at a purchase price of \$8.40 per share and (ii) a total of 964,500 DERs. During 2004, 80,000 Options were granted, no Options were exercised and 5,250 Options expired or were terminated. As of March 31, 2005, Options for 2,538,000 shares of Common Stock remained available for grant to eligible participants under the Company's 2004 Equity Compensation Plan. During 2004, the Company did not reprice any outstanding Options for any of the Named Executive Officers.

Deferred Plans. On December 19, 2002, the Board adopted the Company's Senior Officers Plan and the Nonemployee Director Plan (collectively, the Deferred Plans). Under the Deferred Plans, nonemployee Directors and officers of the Company may elect to defer a percentage of their compensation earned subsequent to December 31, 2002. The Deferred Plans are intended to provide nonemployee Directors and executive officers of the Company with an opportunity to defer up to 100% of certain compensation, as defined in the Deferred Plans, while at the same time aligning their interests with the interests of stockholders. Under the Deferred Plans, amounts deferred are deemed to be converted into stock units of the Company, which do not represent capital stock of the Company, but rather the right to receive a cash payment equal to the fair market value of an equivalent number of shares of Common Stock. Deferred amounts increase or decrease in value as would equivalent shares of Common Stock and are settled in cash at the termination of the deferral period, based on the value of the stock units at that time. At December 31, 2004, a total of \$399,000 had been deferred by the Company's nonemployee Directors and executive officers under the Deferred Plans, which, as of such date, represented stock units having a value of \$407,676. The Deferred Plans are non-qualified plans under the Employee

Retirement Income Security Act of 1974, as amended, and are not funded. Prior to the time that the deferred accounts are settled, participants are unsecured creditors of the Company.

Employment Contracts and Termination of Employment and Change-in-Control Arrangements

With respect to the Named Executive Officers, the Company entered into (i) employment agreements with Messrs. Zimmerman, Freyberg and Gorin as of August 1, 2002 and subsequently amended such agreements as of September 25, 2003 with respect to Messrs. Zimmerman and Gorin and as of March 30, 2004 with respect to Mr. Freyberg, (ii) an employment agreement with Mr. Korth as of August 1, 2003 and (iii) an employment agreement with Ms. Covello as of November 1, 2003.

The employment agreements for Messrs. Zimmerman, Freyberg and Gorin provide that the annual salaries to be paid to Messrs. Zimmerman, Freyberg and Gorin will be equal to 0.25%, 0.20% and 0.20%, respectively, of the Company's tangible net worth, which will be calculated on a semi-annual basis on each June 30 and December 31. In the event that the Company's annualized return on equity for any given six-month period were to fall below 10%, the salaries to be paid to Messrs. Zimmerman, Freyberg and Gorin with respect to the following six-month period would be adjusted downward to equal (i) 0.2375%, 0.19% and 0.19%, respectively, of the Company's tangible net worth if the Company's annualized return on equity was between 10% and 5% and (ii) 0.225%, 0.18% and 0.18%, respectively, of the Company's tangible net worth if its annualized return on equity was less than 5%. Notwithstanding the foregoing, the annual base salaries payable to Messrs. Zimmerman, Freyberg and Gorin pursuant to the employment agreements will in no event exceed \$1,000,000, \$750,000 and \$750,000, respectively. In addition, the employment agreements provide for a performance bonus to be paid to Messrs. Zimmerman, Freyberg and Gorin based on the determination of the Compensation Committee as to the amount, manner and timing of such bonus payment. The employment agreements for Messrs. Zimmerman, Freyberg and Gorin each have a term of three years, subject to earlier termination in certain circumstances, and are scheduled to expire on July 31, 2006. Each of the employment agreements for Messrs. Zimmerman, Freyberg and Gorin also provides that, upon the occurrence of a change in control of the Company, each of Messrs. Zimmerman, Freyberg and Gorin, respectively, is eligible for the following benefits if his employment is terminated, if he resigns for any reason within three months of a change in control, or if he is terminated for any reason other than for cause or due to his resignation of employment for good reason within twelve months of a change in control: (a) an amount equal to 300% of his then current base salary and bonus for the preceding year, (b) all of his Options shall immediately vest and become exercisable for a period of 90 days from the date of termination, and (c) he shall continue to participate in all health, life insurance, retirement and other benefit programs at the Company's expense for the balance of the term of his employment agreement. Each of Messrs. Zimmerman, Freyberg and Gorin is eligible to participate in the 2004 Equity Compensation Plan and the Senior Officers Plan.

The employment agreement for Mr. Korth provides for an annual salary of \$225,000 and an opportunity to earn a performance bonus as determined appropriate by the Chief Executive Officer and approved by the Compensation Committee; provided, however, that, with respect to the first year of the agreement's term, such performance bonus will not be less than \$75,000. The employment agreement for Mr. Korth has a term of two years, subject to earlier termination in certain circumstances, and is scheduled to expire on July 31, 2005. Ms. Covello is also eligible to participate in the 2004 Equity Compensation Plan and the Senior Officers Plan.

Report of the Compensation Committee on Executive Compensation

The Compensation Committee of the Board has furnished the following report on executive compensation for the 2004 fiscal year.

Compensation Governance. The Compensation Committee is responsible to the Board and to the Company's Stockholders for approving compensation awarded to the Company's Chief Executive Officer and other senior executive officers. The Compensation Committee authorizes all awards under the Company's 2004 Equity Compensation Plan and operates under a written charter adopted by the Board.

Compensation Philosophy. The Company's compensation programs are designed to attract, motivate and retain senior executive officers critical to the Company's long-term success and the creation of stockholder value. The Compensation Committee's fundamental philosophy is to closely link these compensation programs with the achievement of annual and long-term performance goals. The Compensation Committee believes that compensation decisions are complex and best made after a deliberate review of Company performance and industry compensation levels. The Compensation Committee awards compensation that is based upon Company and individual performance and is designed to motivate the Company's senior executive officers to achieve strategic business objectives and to continue to perform at the highest levels in the future.

In approaching the Company's compensation programs available to senior executive officers, the Compensation Committee focuses on three main components: (i) base salary; (ii) performance-based annual bonuses; and (iii) periodic grants of long-term stock-based compensation under the Company's 2004 Equity Compensation Plan, such as Options, restricted stock, phantom shares, DERs and other stock-based awards.

In 2004, the Compensation Committee initiated a comprehensive review of the Company's senior executive compensation practices, with a goal of confirming (or helping assure) that the Company's senior executive compensation policies remain aligned with the goal of enhancing stockholder value through programs that attract, motivate and retain key executives. To assist in this review, the Compensation Committee retained an independent executive compensation consultant (the Consultant) to provide independent insights to the Compensation Committee on executive compensation matters, both generally and within the Company's industry. It is the intent and plan of the Compensation Committee to continue, with the advice and assistance of the Consultant, to devote extensive attention to considering and, as appropriate, amending the Company's approach to senior executive compensation practices to meet this goal.

The Compensation Committee has determined to maximize the tax deductibility of compensation payments to the Company's executive officers under Section 162(m) of the Code and the regulations thereunder. Section 162(m) imposes an annual, individual limit of \$1 million on the deductibility of the Company's compensation payments to its executive officers. Specified compensation is excluded for this purpose, including performance-based compensation, provided that certain conditions are satisfied. In this regard, grants under the Company's 2004 Equity Compensation Plan will generally be intended to be qualified performance-based compensation and the Compensation Committee has the authority to structure other awards thereunder as qualified performance-based compensation for these purposes. The Compensation Committee may, however, authorize payments to executive officers that may not be fully deductible if it believes such payments are in the interests of the Company and its stockholders.

Executive Officer Compensation for 2004 Fiscal Year. The Compensation Committee reviews the compensation packages and employment agreements of the Company's senior executive officers and makes recommendations to the Board regarding such compensation programs. Historically, the Company's senior executive officers have received annual compensation (excluding employee benefits) comprised of base salary and incentive compensation consisting of cash bonuses and/or equity-based awards (Options and DERs). As in the past, during the 2004 fiscal year, the base salaries and annual performance bonuses for the Company's executive officers took into consideration a variety of qualitative and quantitative factors, including, but not limited to, the nature and responsibility of the position, the experience of the individual senior executive officer, the performance of the individual and of the Company, and the recommendations of the Company's Chief Executive Officer (except in the case of his own compensation).

In addition, in making its determinations with respect to 2004 performance bonus recommendations, the Compensation Committee also considered the following: (i) a recognition that 2004 was a transition year for the Company as the Compensation Committee undertakes a comprehensive review, on a going forward basis, of the Company's approach to senior executive compensation practices; (ii) a desire to begin the process, with the assistance of the Consultant, of better aligning the overall compensation paid to the Company's senior executive officers with that paid to the senior executive officers of other comparable companies in the Company's industry while maintaining a relative balance in the compensation levels paid to the Company's senior executive officers; (iii) the desirability and practical necessity of recognizing superior performance and motivating continued high levels of performance during 2005 when it is anticipated that the Company will face a more challenging business environment; and (iv) the retention of senior executive employees.

All of the Company's senior executive officers are employed pursuant to employment agreements, which are described under "Executive Compensation - Employment Contracts and Termination and Change-in-Control Arrangements" in this Proxy Statement. During 2004, pursuant to the terms of his employment agreement, Timothy W. Korth was awarded 50,000 Options and related DERs under the Company's 2004 Equity Compensation Plan.

CEO Compensation for 2004 Fiscal Year. Stewart Zimmerman, the Company's Chief Executive Officer, is compensated pursuant to an employment agreement that became effective on August 1, 2002 and that subsequently was amended on September 25, 2003 to extend its term for an additional year (as amended, the "CEO Employment Agreement"). The CEO Employment Agreement was originally negotiated by the Compensation Committee on behalf of the Company, after discussions with independent compensation consultants. The CEO Employment Agreement was approved by the Board upon the recommendation of the Compensation Committee. For the year ended December 31, 2004, Mr. Zimmerman, as Chief Executive Officer of the Company, received a base salary of \$1 million, as called for under the terms of the CEO Employment Agreement. For the year ended December 31, 2004, the Compensation Committee awarded Mr. Zimmerman a performance-based bonus of \$400,000. No award, however, was made to Mr. Zimmerman of any long-term stock-based compensation under the Company's 2004 Equity Compensation Plan during or for the 2004 fiscal year.

In making its determinations with respect to a performance-based bonus for the year ended December 31, 2004 for Mr. Zimmerman, the Compensation Committee considered qualitative and quantitative factors previously described in this report. Among other considerations, the Compensation Committee noted that, during the 2004 fiscal year and at a time of increasing short-term interest rates and a flattening yield curve, under the leadership of Mr. Zimmerman the Company substantially increased its assets, investments and total stockholders' equity, while continuing to maintain an attractive dividend yield for stockholders. The Compensation Committee also noted the completion during the 2004 fiscal year of the Company's initial whole loan securitization transaction and the Company's issuance and sale of preferred equity.

Conclusion. The Compensation Committee firmly believes attracting and retaining talented and motivated management and employees is essential in creating long-term stockholder value for the Company. Offering competitive, performance-based compensation programs helps to achieve this objective by aligning the interests of the Company's senior executive officers and other key employees with those of stockholders. The Compensation Committee believes that the Company's fiscal 2004 compensation programs met these objectives. The Compensation Committee intends to continue its comprehensive review of those programs in 2005, with the assistance of the Consultant it has retained for that purpose, with a goal of confirming (or as appropriate amending) its programs to help assure that these objectives are continued to be met in the future.

Respectfully submitted,

James A. Brodsky, Chairman
Stephen R. Blank
Edison C. Buchanan

COMPLIANCE WITH SECTION 16(A) OF THE EXCHANGE ACT

Edgar Filing: MFA MORTGAGE INVESTMENTS - Form DEF 14A

Section 16(a) of the Exchange Act requires the Company's Directors, executive officers and holders of more than 10% of the outstanding shares of Common Stock (10% Holders) to file with the SEC and the NYSE initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Directors,

executive officers and 10% Holders are required by the SEC's regulations to furnish the Company with copies of all Section 16(a) forms and amendments thereto filed during any given year.

Based on the review of copies of the Section 16(a) reports and amendments thereto furnished to the Company and written representations from the Company's Directors, executive officers and 10% Holders that no other reports were required to be filed, the Company believes that for the year ended December 31, 2004 the Company's Directors, executive officers and 10% Holders complied with all Section 16(a) filing requirements applicable to them, except that, as a result of an administrative error on the part of the Company, Stephen R. Blank, James A. Brodsky, Edison C. Buchanan, Michael L. Dahir, Alan L. Gosule and George H. Krauss each filed a late statement of changes in beneficial ownership on Form 4 reporting the grant of 5,000 Options that occurred in August 2004.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Except as described herein, the Company is not a party to any transaction or proposed transaction with any person who is (i) a Director or executive officer of the Company, (ii) a nominee for election as a Director, (iii) an owner of more than 5% of the Common Stock or (iv) a member of the immediate family of any of the foregoing persons.

Advisor Fees and Advisor Merger

Prior to January 1, 2002, America First Mortgage Advisory Corporation, as external advisor (the "Advisor"), managed the operations and investments of, and performed administrative services for, the Company. Prior to the merger of the Advisor with and into the Company on January 1, 2002 (the "Advisor Merger"), the Advisor was owned directly and indirectly by certain of the Company's Directors and executive officers (see discussion below). For the services and functions provided to the Company, the Advisor received a monthly management fee in an amount equal to 1.10% per annum of the first \$300 million of stockholders' equity of the Company, plus 0.80% per annum of the portion of stockholders' equity of the Company above \$300 million. The Company also paid the Advisor, as incentive compensation for each calendar quarter, an amount equal to 20% of the dollar amount by which the annualized return on equity for such quarter exceeded the amount necessary to provide an annualized return on equity equal to the ten-year U.S. treasury rate plus 1%.

The Company entered into an Agreement and Plan of Merger, dated September 24, 2001 (the "Advisor Merger Agreement"), with the Advisor, America First and the stockholders of the Advisor. In December 2001, the Company's stockholders approved the terms of the Advisor Merger Agreement, which provided for the merger of the Advisor into the Company effective 12:01 a.m. on January 1, 2002. Pursuant to the Advisor Merger Agreement, the Company issued 1,287,501 shares of its Common Stock to the stockholders of the Advisor effective January 1, 2002. As a result, the Company became self-advised commencing January 1, 2002 and, since such time, has directly incurred the cost of all overhead necessary for its operation and administration. The market value of the Common Stock issued in the Advisor Merger, valued as of the consummation of the Advisor Merger in excess of the estimated fair value of the net tangible assets acquired, was charged to operating income of the Company for the year ended December 31, 2001.

Certain of the Company's Directors and executive officers who were involved in discussions and negotiations relating to the Advisor Merger had, and continue to have, interests that were affected by the Advisor Merger. At the time of the Advisor Merger, America First owned 80% of the outstanding capital stock of the Advisor. Michael B. Yanney, the Company's former Chairman of the Board who retired from the Board in March 2003, and George H. Krauss, one of the Company's Directors, beneficially owned directly and/or indirectly approximately 57% and 17%, respectively, of America First at the time of the Advisor Merger. In addition, Stewart Zimmerman, the Company's Chairman of the Board, President and Chief Executive Officer, and William S. Gorin, the Company's Executive Vice President and Chief Financial Officer, collectively owned approximately 3% of America First. At the time of the Advisor Merger, Messrs. Zimmerman and Gorin and Ronald A. Freyberg, the Company's Executive Vice President and Chief Portfolio Officer, also owned, in the aggregate, the remaining 20% of the Advisor. Accordingly, the Advisor Merger resulted in these individuals receiving, in the aggregate, beneficial ownership of an additional 1,287,501 shares of the Common Stock valued at approximately \$11.3 million at the time of the Advisor Merger.

Because the Advisor Merger was between affiliated parties and may not be considered to have been negotiated in a completely arm's-length manner, the Board established a special committee which consisted of three of the Company's independent Directors who had no personal interest in the Advisor Merger, to direct the negotiations relating to the Advisor Merger on the Company's behalf and to consider and make recommendations to the Board relating to the Advisor Merger.

Property Management

America First Properties Management Company L.L.C. (the "Property Manager"), a wholly-owned subsidiary of America First that was acquired by America First Apartment Investors, Inc. ("AFAI") in November 2004, provides property management services for the multi-family apartment properties in which the Company holds investment interests. Prior to January 1, 2004, the Property Manager received a management fee equal to a stated percentage of the gross revenues generated by these properties, ranging from 3.5% to 4.0% of gross receipts. Commencing January 1, 2004, such fee was reduced to 3.0% and may be increased to 4.0% if a property meets certain performance objectives. The Company paid the Property Manager fees of approximately \$127,000, \$298,000 and \$412,000, respectively, for the years ended December 31, 2004, 2003 and 2002. The Property Manager also provided property management services to certain properties in which the Company previously held investment interests. Michael Yanney, the Company's former Chairman of the Board, who retired from the Board in March 2003, has been the chairman of America First since 1984 and Mr. Yanney and George H. Krauss, one of the Company's directors, beneficially own equity interests in America First.

Investments in Certain Corporate Debt Securities

Prior to the Company liquidating its portfolio of corporate debt securities in 2002, the Company held the corporate debt securities of RCN Corporation ("RCN"), which were purchased between February 1999 and August 2000, and Level 3 Corporation ("Level 3"), which were purchased between August 1998 and August 2000. During the fourth quarter of 2001, the Company recognized an other-than-temporary impairment charge of \$2,453,000 on its investment in RCN debt securities, with an aggregate par value of \$5,000,000. During the third quarter of 2002, the Company sold all of its RCN debt securities on the open market for an aggregate sale price of \$856,000, recognizing a loss of \$1,291,000. During the first quarter of 2002, the Company recognized an other-than-temporary impairment charge of \$3,474,000 on its investment in Level 3 debt securities, with an aggregate par value of \$7,000,000. During the third quarter of 2002, the Company sold all of its Level 3 debt securities on the open market for \$4,008,000, realizing a gain of \$928,000. Michael B. Yanney, the Company's former Chairman of the Board who retired from the Board in March 2003, served on the Board of both RCN and Level 3 at the time these debt securities were purchased and sold. W. David Scott, who retired from the Board in May 2004, is the son of the individual who was the Chairman of both Level 3 and RCN and served as a Director of the Company at the time these securities were purchased and sold.

Retirement Centers Corporation

From 1998 through September 2002, the Company held all of the non-voting preferred stock, representing 95% of the ownership and economic interest, in Retirement Centers Corporation ("RCC"), an entity formed in 1998 to hold certain of the Company's property interests. Through September 30, 2002, all of the common stock, representing 5% of the ownership and economic interest, in RCC was held by William S. Gorin, the Company's Executive Vice President and Chief Financial Officer. During 2002, the Board determined that it would be in the best interests of the Company to purchase Mr. Gorin's interest in RCC and, accordingly, engaged independent appraisers to provide an estimate of the value of the underlying properties. In September 2002, the Board approved the Company's purchase of Mr. Gorin's interest in RCC after examining the estimates of value and the balance sheets relating to the underlying properties. The Company's purchase of Mr. Gorin's interest in RCC was consummated on October 1, 2002, for a purchase price of \$260,000. As a result of this transaction, RCC became a wholly-owned subsidiary of the Company. During the year ended December 31, 2002, the Company received distributions from RCC totaling \$237,500 and Mr. Gorin received distributions of \$12,500.

Advisory Services

During the fourth quarter of 2003, the Company formed and became the sole stockholder of MFA Spartan, Inc., a Delaware corporation ("Spartan Inc."). Spartan Inc. then formed and, pursuant to an operating agreement dated November 6, 2003, became the sole member of MFA Spartan I, LLC, a Delaware limited liability company ("Spartan LLC"). On November 7, 2003, Spartan LLC entered into a sub-advisory agreement, which was subsequently amended and restated on October 1, 2004, with America First Apartment Advisory Corporation ("AFAAC"), a Maryland corporation and the external advisor of AFAI, pursuant to which Spartan LLC agreed, among other things, to provide sub-advisory services to AFAAC with respect to, and to assist AFAAC in connection with, AFAI's acquisition and disposition of mortgage-backed securities and the maintenance of AFAI's portfolio of mortgage-backed securities. During the years ended 2004 and 2003, the Company earned a fee of \$65,000 and \$2,000, respectively, relating to the sub-advisory services rendered by Spartan LLC to AFAAC. George H. Krauss, one of the Company's Directors, is a member of the board of directors of AFAI and, as discussed above, beneficially owns, directly and/or indirectly, 17% of America First, which owns 100% of the voting stock of AFAAC.

Legal Services

Since 2001, the Company has retained the services of Clifford Chance as its outside legal counsel for general, corporate, securities and other matters. Alan L. Gosule, one of the Company's Directors, is a partner of Clifford Chance.
