**Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review**

On February 16, 2016, our auditors, Saturna Group Chartered Professional Accountants LLP, notified us that it believed there was an error in our consolidated financial statements as at September 30, 2015 relating to a late consulting fees invoice that was not recorded.

Management further discussed the matter with Saturna Group Chartered Professional Accountants LLP and both parties agreed that the above was not appropriately accounted for and the Company determined that the effect of such misstatement was material. As a result, we decided to restate the unaudited consolidated financial statements for the quarterly period ended September 30, 2015 filed on Form 10-Q (the “**Report**”). The consolidated financial statements included within the Report noted above should no longer be relied upon.

Our company plans to file amendments to the Report for the quarterly period ended September 30, 2015 in order to accurately restate our previously filed financial statements by February 22, 2016.
